And you'll want to see it!

There's something new in the air at Weeki Wachee! It's the Great American High Diving Team! With the World's Target Diving Champion! The Cliff Divers of Acapulco! The Human Torch! And the Aquamaniacs!

This summer there's more to see at Weeki Wachee than ever before.

The feathered performers of the Exotic Bird Show have been joined by the menacing, hooded, taloned Birds of Prey.

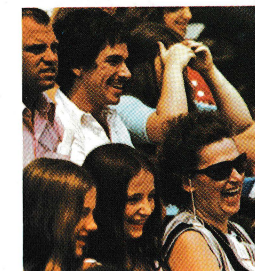

You'll laugh at the antics of the cockatoos and macaws...

you'll gasp at the thundering flight of the mighty Eagle.

The children? They'll wander wide-eyed among the gentle baby animals at the Petting Zoo. Feeding them, petting them, loving them.

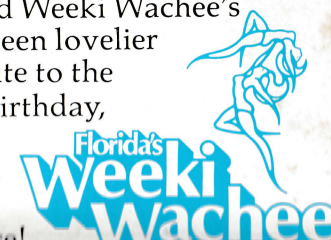

Then it's "All Aboard" the River Cruise, turning back the clock as you glide down the Weeki Wachee River... seeing the natural beauty and wildlife of Florida as it was 200 years before our Nation was born.

Finally... there you are in Weeki Wachee's underwater auditorium to see the world's most famous Mermaids in the most popular water extravaganza ever produced anywhere.

And Weeki Wachee's Mermaids have never been lovelier in our fast-moving salute to the Bicentennial, "Happy Birthday, America!"

This Summer, there's more to see at Weeki Wachee than ever before!

and Weeki Wachee on
 & 50, on the west coast of Florida,
 North of Tampa. Convenient
 accommodations are available nearby.
