New York, June 18 1895.

FRENCH & COMPANY,

—O—

Established 1855.

—O—

PRODUCE COMMISSION.

J. Vanturpool, Maitland, Fla

Dear Sir: Your car melons in today,
and we regret to say in poor condition,
there being a great many shricked & rotted
all appear dead-ripe. We suppose the long
time in transit is largely responsible. We fear
little, if any thing over freight can be realized,
but will do our best to report with sales (probably)
tomorrow. Tomato market in bad shape.
Yours truly
French & Co.
