MOVE TO THE CITY

When you move to the city
A house you rent or buy
You cannot go and get a house
Just on your face and eye.

You must put down some money
Don't care how your end meet
If you don't they'll put you out
If you haven't shoes on your feet.

But when you move to Jesus
Don't need money to move
If you don't move before the Sheriff comes
Your soul you are sure to lose.

But shut your eyes and go
In the thickest of the fight
Just pack your sins and put them away
And move to the city tonight.
