Dear Friends,

On behalf of the Orlando Gay Chorus, I would like to thank you for being a part of our first tour. We have embarked on "The Fight for the Right 2B Tour" to support groups committed to fighting the proposed anti-Human Rights Amendment and who promote diversity and acceptance.

Since our founding four years ago, we have learned that music is a very powerful tool. We have reached many people with our message of love and understanding. Our efforts on this tour will bring us into a different arena. As a licensed non-profit organization in Florida, we must remain non-political, but we hope our appearance will offer you hope and inspiration.

OGC is a member of the Gay And Lesbian Association of Choruses. GALA represents over 110 gay, lesbian and mixed choruses spread over four continents. Seven choruses call Florida home; only California and Texas have more. The greatest gift that we could receive from this tour is to act as the seed for your community to join our movement, and sing at the fifth GALA Choral Festival to be held in Tampa in July 1996.

Thank you and enjoy the show!
