Mr J. Sanduspool

Dear Sir

I thank you for your letter of Sept 10. which only reached me last night. Please give me by return mail all particulars about the Mays Property. How many Acres how many trees & what are the legal liens which must be paid. What is the Amount of the Mortgage? I have not seen the Sale advertised, send me the Advertisement & handbill if any are out. Does Mr Mays possibly want to buy it back? If answering all questions would delay your writing, write what you can at once & more later. What do you think will the property bring & what is it worth in your estimation? If you would choose to represent me I suppose you would not represent anybody else & what would you charge me?

possibly buy it now,  
enough in Orange Co. I will express  
matter after receipt of your answer. Naturally  
it would be necessary that you speak to somebody  
about me regarding it.

I have no price for my Oranges yet -  
will only sell & if you are ready to make  
an offer will be pleased to hear.

Yours truly

J. B. [Signature]
