Dear Mr Sanford

I have been wishing to
write to you for some time but
the pressure of work here has
been such that I have not
been able to undertake it -

I must however send you
a few lines to thank you for
the good wishes contained in
your letter of 31st and to say

that your directions regarding
disposal of the boxes of fruit now
in the way shall be attended to.

Unacknowledged success
is very gratifying it will be
a great relief to him to be free
of all the trouble he has had
previously - I trust he is

Sanford is recovering strength
with kind regards & very ^{kind} wishes

Yours & yours for 1882
Believe me

Yours very truly
Edgar A. Cross

I will try to write you more at

length next week —
