instruct an Secretary

the points you name -

They are all important.

The question of com:
an timber purchases &c

will also be with.

I have a note from Mr
MacKinnon today in
which he touches upon
Florida matters and my
best efforts will be
made to carry out his
by your wishes.

Altho you have to
shape your return to
visit to the States it
is my gratification that

 You have to represent
your ~~firm~~ ^{self} at the
Coup conference & your
special knowledge of the
subject - will be most
valuable to all - I trust
Mr. Sampson & you are
well with kindest regards

Believe me
