THE PRESIDENT'S PAGE

WELCOME TO THE CENTRAL FLORIDA CIVIC THEATER!

We're very happy to have you enjoy a delightful evening of theater and we know you will enjoy a very outstanding performance of *"Five Finger Exercise"*. We've enjoyed an outstanding season so far this year, and we are looking forward to continued success. This success will be made possible by your attendance and support of live theater. In the early years of live theater in Central Florida, it was said that you could count the patrons on the fingers of one hand. But, now we are not concerned with *that* particular five finger exercise... but we are counting on your support to see that live theater continues to flourish and grow in our community.

I would like to thank you for spending an evening in our theater and we invite you to attend the remainder of our plays for this season.

Pat Tahaney

NEW THEATER

The long-awaited construction of the new Central Florida Civic Theatre got under way in late August. Work is moving along on schedule, and the building is expected to be completed by spring. For new theatre-goers who may not know the location, the site is in Loch Haven Park. Even at this stage of construction, the beauty of the structure and location is evident. Drive by and see what's in store for next season!

DON'T YOU DESERVE THE "BAER ESSENTIALS"?

WHO'S WHO

Linda Swartz — *Louise Harrington* — graduated from Florida State University in 1969 with a degree in speech education. Appearances at CFCT include roles in *Royal Gambit*, *Man in the Dog Suit*, *Light Up the Sky*, and *Fair Game*. She is presently an aide to state representative Eugene Mooney.

Robert Sinclair — *Clive Harrington* — has trained and worked in the broadcasting field in Daytona Beach and Orlando. Tonight marks his first appearance on the CFCT stage although he has appeared at the Daytona Playhouse in *Bells are Ringing* and also had a small role in the Florida Theater Festival production of *Antigone*. He did the music and sound effects for this show as well as for CFCT's last production, *Dr. Cook's Garden*, in which his father had the title role.

Edmund Mills — *Stanley Harrington* — has been the director of CFCT since 1959. He belatedly assumed this role after sickness felled another actor. Trained at the Pittsburgh Playhouse, Mr. Mills range of versatility is well demonstrated when he appears on stage. Last season he appeared in CFCT productions of *Weekend* and *George Washington Slept Here*.

Wayne Johnson — *Walter Langer* — is well acquainted with this play. His extensive theater background includes an MA in theater from Purdue University as well as a year specialized study at the Pasadena Playhouse. At Pasadena he appeared as Clive in *Five Finger Exercise*. Before coming to Orlando he was theater director at Union University, Jackson, Tennessee for 4 years. *Five Finger Exercise* was among his productions at Union. A two-time CFCT award winner (*Little Foxes* and *Giant's Dance*), he will direct the April production of *Come Back, Little Sheba*. He has been chairman of the CFCT play reading committee for the last two years.
