**THE**  
**ORLANDO GAY CHORUS**

Directed by Dr. Charles Callahan

JUNE 12-13, 1993  
CIVIC THEATRE COMPLEX • LOCH HAVEN PARK, ORLANDO

## OUR PRESIDENT'S NOTE

Welcome to the Fourth Pride Concert of the Orlando Gay Chorus. This year's Pride Month theme is "A Family of Friends". This certainly describes the Chorus and you, our audience. Over the last three years we have been fortunate to see familiar faces of loyal supporters at each concert. For those of you hearing us for the first time, I hope you become a part of our growing family.

One of the most enjoyable benefits of being the representative of the Chorus is to hear your stories. You have shared how we have helped you through rough times, empowered you to be proud, helped you to come out to your family, and the sense of community we have nourished. This is why we sing. Each member has their own story of how the Chorus has impacted them. Our concerts are a time to celebrate who we are and to have a good time doing it.

I hope tonight's music, words of inspiration, and fun give you something to be proud of. This is our message to you. Enjoy the rest of Pride Month. We will see you at the AIDS Memorial on June 24th, and the Pride Parade on June 26th. Be there!!!!

Proudly Yours,

Bob Smedley  
President, OGC

### WE'D LIKE TO MENTION...

A special mention needs to be made about a group of people who work behind the scenes within the Orlando Gay Chorus. This group of non-singing members makes up our Support Group. These devoted individuals come to rehearsals, attend meetings, work on committees and do much of the behind-the-scenes work that makes our being here tonight possible.

These support people are participating in this concert, but you won't see them on stage. They don't get the opportunity to stand in the light and look into all your faces. They feel the sweet glow of applause, but only from the sidelines.

So when you are clapping for us, throw in an extra round of applause for the members of the Support Group. They will appreciate it...just as we appreciate them.
