This is to certify that on October 16, 1973, the supervisors named above were duly elected pursuant to Section 582.18, Florida Statutes.

You are now an elected official of a subdivision of your State Government. You are responsible as a member of your District Board of Supervisors for developing and promoting an up-to-date program of soil and water conservation in your District. The Florida Statutes have provided that you may call on other agencies, both county, state and federal, in order to accomplish this. The responsibility of your Soil and Water Conservation Advisory Council is to render assistance whenever and wherever we can. Please let us know how we may be of help. We will welcome suggestions from you.
