C.T. 16—Camellia Blossoms from Charleston, S. C. Gardens

DISTRI BUTED BY CHARLESTON NEWS COMPANY, CHARLESTON, S. C.

CAMELLIA BLOSSOMS FROM CHARLESTON, S. C. GARDENS

The camera has caught for you a variety of camellia blossoms, resplendent in Charleston gardens. The Camellia Japonica plant was imported over a century ago for the Middleton Gardens. Camellias grow as high as twenty-five feet in the semi-tropical gardens about Charleston. In Magnolia Gardens, alone, there are over five hundred varieties.
