

FLORIDA TURNPIKE

FAST-SAFE

FLORIDA STATE TURNPIKE AUTHORITY

Farris Bryant
Governor

John R. Phillips Chairman
Hugh R. Dowling Vice Chairman
James T. McNeill Secy. Treasurer
John H. Monahan Member
Herbert L. Butler Member

The SUNSHINE STATE PARKWAY is the Third largest
TURNPIKE in the U. S.

TIME SAVED is TIME EARNED

The Parkway offers motorists a time savings plus increased motoring safety and convenience. The MIAMI-BOUND motorist:

FROM	MILES	SAVES	
			MINUTES
Jacksonville	25*		123
Lake City	5		76
Orlando	6		50
Tampá	8*		30

*Denotes mileage loss.

THE AUTHORITY OFFERS CONVENIENT CHARGE
ACCOUNTS TO COMMUTERS AND COMMERCIAL
AGENCIES.

Tolls & Collectors C. E. Barner, Jr.
Traffic Development J. L. Sullivan

THE AUTHORITY WELCOMES — AND ACTS UPON — ALL
COMPLAINTS.

REMEMBER TO FASTEN YOUR SEAT BELTS!

Do not bend, mutilate or lose toll ticket.

The seven restaurant facilities on the Parkway are operated by HOT SHOPPES, INC. Map shows which GASOLINE BRANDS are available at each service area.

U-TURNS on parkway are prohibited. If you have gone past your exit, continue to next exit or to service area. A restaurant or service station attendant will handle a U-Turn at service area. Illegal U-Turns on parkway can be deadly. The Highway Patrol issues summons for illegal U-Turns.

DAY AND NIGHT SPEED LIMITS

Maximum 70 MPH
Minimum 40 MPH
(Conditions permitting)

HITCHHIKING is expressly forbidden. PICKING UP HITCHHIKERS can be fatal. If stranded, wait in car for assistance. Do not attempt to hitch rides or flag parkway traffic for assistance.

IN CASE OF EMERGENCY

FIRST: Get off pavement and on shoulder, not the median strip.

SECOND: Raise hood or trunk lid or tie white cloth to aerial. Do not flag traffic. These distress signals alert Turnpike personnel and fellow motorists of your trouble and ask them to report need for assistance. A radio-dispatched vehicle will be en route within minutes. Help your fellow motorists by reporting distressed patrons . . . Tell toll collector, service station attendant or a Highway Patrolman. YOU MAY MAKE YOUR OWN REPAIRS, BUT BE CERTAIN YOU AND YOUR VEHICLE ARE CLEAR OF THE PAVEMENT.

DIMMED LIGHTS when approaching toll plaza help the collector to serve you better.

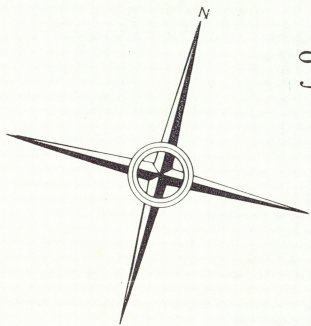

Have exact fare ready for collector when possible. Fares are shown on the toll ticket. Passenger cars are Class One. An additional charge is made for utility and boat trailers (Class Six).

TOTAL PARKWAY LENGTH IS 265 MILES.

TOTAL PASSENGER CAR TOLL IS \$4.80.
