

CHRYSLER BUILDING - NEW YORK CITY

CHRYSLER BUILDING, located in the heart of the midtown section of Manhattan, at Lexington Avenue and 42nd Street. With its shining tower literally piercing the sky, reaching a height of 1046 feet, 4 $\frac{3}{4}$ inches (77 stories) the Chrysler Building takes its rightful place among the wonders of the modern world. One of the greatest sights of New York is the view obtained from the observatory located on the seventy-first floor.
