The Engineers

Mr. Terry Thomas – Director

Terry Thomas returns to the Orlando Gay Chorus after enjoying the honor of serving as the accompanist for our first Pride Concert in June of 1990, and as interim director for the Pride Concert 1995, DANCE THE NIGHT AWAY. With a Master's Degree in Music from Indiana State University, Terry has taught in the Midwest and in Kuwait, as the Performing Arts Coordinator for the American School of Kuwait, where he also served as the director of the British Choral Society. He arranged, did backup vocals, and played keyboards for a Department of Defense Entertainment Tour. Orlando theater-goers may remember him from performances in LOVE! VALOR! COMPASSION!, SINGIN' IN THE RAIN, and OKLAHOMA!, and he was the musical director for last year's production of ANNIE at the Civic Theater of Central Florida. Regional audiences have seen him musically direct at the Riverside Theater in Vero Beach, Florida, and for the Southwestern regional tour of BY GEORGE!, a revue featuring the compositions of George Gershwin. He also performed in professional theater (musicals, of course!) outside Chicago, in PUMP BOYS AND DINETTES, and A FUNNY THING HAPPENED ON THE WAY TO THE FORUM. After working at Universal Studios Florida as a vocal coach, his current joy is at Disney's Animal Kingdom, as the Performance/Theming Coach. ***This is for my parents, by whose example I can only hope to achieve their level of love and understanding.***

Kathy Slage – Accompanist

Kathy studied music at the University of Northern Colorado. She has worked with the Wekiva Players theater troupe, is a free-lance singer and instrumentalist, and a performer with the Dickens Carolers. She teaches piano and flute in her home and at the Academy of Music and Theater in Winter Garden. She owns her own entertainment company appropriately named Take Out Entertainment. Kathy has played piano and keyboard for many OGC performances since 1995. She has a husband, Dan, and a daughter, Anna.

Tom Aldrich – Bass

John Holysz – Drums

John Palmer – Synthesizer

Help Your Parents Come Out!

PFLAG is a monthly confidential discussion group for parents, family and friends to talk, learn, and help understand more about the gay and lesbian community. PFLAG Mission Statement: Parents, Families and Friends of Lesbians and Gays promotes the health and well-being of gay, lesbian, bisexual and transgendered persons, their families and friends through: support, to cope with an adverse society; education, to enlighten an ill-informed public; and advocacy, to end discrimination and to secure equal civil rights. PFLAG provides opportunities for dialogue about sexual orientation and gender identity, and acts to create a society that is healthy and respectful of human diversity.

Hop on board as we take you on our *Magical Journeys* which will give your heart, your mind, and your soul the adventure of a lifetime.

With Georgia on my mind we begin the great peace march toward the beautiful Shenandoah Valley of Virginia. After a restful stop there we move into the Midwest with our rag top down and spend some crazy nights along Route 66. But alas we've got the fever that leads us to the foothills of the Rockies. It's there that we soon learn that many have tried to take the color out of Colorado but pink triangles remain no matter how hard they try. As we reach the western frontier it is our goal to climb every mountain. Somewhere out there beneath the pale blue sky we've again launched our dreams and there ain't no turnin' back on this road now!
