CLASS HISTORY

One of the dumbest classes ever to come through the doors of O. H. S. was the first grade of 1932.

We started out in the first grade with eleven pupils and now we have only three. Those who started were: Lex Abell, Robert Lee, Daniel Lukas, Andrew Mertan, Wayne Miller, Kathryn Aulin, Betty Mikler, Sharon Murphy, Martha Carraway, Jack King, and Annie Alice Kennedy.

We lost Jack King, Wayne Miller, and Annie Alice Kennedy the first year, but gained three more--Arthur Richards, Billy Casteel, and Harrie Ross in the second.

By the time we reached the third grade we had an enrollment of eighteen. Those on roll were Lex Abell, James Henry Cooper, James Davis, Billy Gammage, Robert Lee, Daniel Lukas, Andrew Mertan, Arthur Richards, John Henry Wilson, Thomas Darling, Kathryn Aulin, Charlotte Beasley, Martha Carraway, Betty Mikler, Sharon Murphy, Harrie Ross, Grace Ann Maloy, and Jammie Maloy. Miss Khadra Culpepper was our home room teacher.

In the fourth grade we lost Lex, Robert, Grace Ann, and Jammie. In their place we increased by five more--Marjorie Wilkerson, Bessie Mae Carver, Sally Tippen, Ruth Burns, and Charlotte Sjoblon.

By the time we reached the sixth grade we had a new teacher, Miss Harper. We had a few new members by this time and lost some also. The class roll at this time was, Daniel Lukas, Andrew Mertan, John Henry Wilson, Robert Adams,

Lowell Tripp, Kathryn Aulin, Charlotte Beasley, Betty Mikler, Marjorie Wilkerson, Alice Adams, and Doris Smith.

We thought we were grown-up now as we were in the seventh grade. The class was the same except Mildred Dinda was with us, and Billy Gammage came back after spending the previous year in Sanford.

We lost Andrew Mertan in the seventh grade. Robert and Alice Adams, Billy Gammage, and John Henry Wilson all left by the end of our first sixth weeks in the eighth grade. Lowell Tripp and Charlotte Beasley did not graduate with us though. During this year Leon Olliff, Betty Bradley, and Inez Smith helped increase our enrollment.

Just think we were in high school even if there were only nine of us. Two new girls came from Chuluota this year--Margie McClellan and Nellie Tindall. Nellie stayed only six weeks.

Mattie Pearl Jordan took Margie's place in the tenth grade. Canby Kimble came for six weeks.

As Juniors we had only two boys and six girls. Betty Bradley moved to Orlando after nine days, and Margie left after eighteen days.

During our last year Jack King became a senior, but Leon Olliff left for the navy the last of October, Daniel Lukas did the same about a month later, and Mattie Pearl Jordan married Herbert Davis the first of November and left. Betty Mikler did not start this year. Marjorie Wilkerson went to Bob Jones College to finish her last year. This left Kathryn Aulin, Inez Smith, and Jack King.

FORMER OVIEDO HIGH SCHOOL STUDENTS
ACHIEVE SUCCESS

of the Etude. This resignation will take effect in the immediate future. Miss Smith feels that she would like to devote her time to the more serious music of this country. She is a composer of high rank also. Her latest composition is "Sonata Americana" which is receiving courteous and favorable criticism from the best musical circles in America and Europe. Miss Smith will be remembered at her old Alma Mater as a member of the graduating class of 1944."

From News Week May 25, 1964.

"Mrs. Kathryn Hepburn, the former Kathryn Aulin of Oviedo, Florida, has recently organized a traveling tour for stenographers who would like to spend their summer vacations touring the country.

In the early days after graduating from Oviedo High School, Miss Aulin became a stenographer in Chase National Bank of New York City where she learned to understand all the problems of stenographers. As she is so well traveled herself since marrying the famous actor, Victor Hepburn, she feels the urge to help these people enjoy their vacations. Her tour will begin July 4th at New York City. The first hundred to apply, if properly recommended, will be Mrs. Hepburn's guest for the week end at her palatial home in Brooklyn. Then they will visit Niagara Falls, Yellow Stone Park, Mt. Ranier National Park, Carlsbad Caverns, and Silver Springs, Florida. They will disbank there, each returning to his separte home and position.

In her absence Mrs. Hepburn's children, Alicia and Vickie, and her home in New York will be managed by her mother-in-law, the famous Kathryn Hepburn, whom she adores."

CLASS WILL AND TESTAMENT
OF THE SENIOR CLASS

We the most brilliant class in the history of Oviedo High School, graduating May 25, 1944, being slothful in body and chaotic in mind, do hereby issue and declare this to be our last will and testament. We hereby will the following:

- Section 3. I, Alice Kathryn Aulin, will and bequeath my sauciness of manner to Elizabeth Simmons, my good taste in clothes to Miss Harper, and my ability to produce a perfect make-up to Charlotte Beasley.
- Section 4. We as a class bequeath the following:
To the Juniors, our large enrollment.
To the Sophomores, our studious attention in class.
To the Freshmen, our love for literature.
To Charles Aulin, our chewing gum stuck to the under side of the back table in the library provided he share fifty-fifty with Edwin Hamil.
To the faculty, to be distributed where needed most, our vivacity and earnestness.

*I'll always remember
 and hope you will too
 all the grand times
 we've had together.*

Our class was well represented on the basketball teams this year with four girls and four boys. We also had one of the cheerleaders. We presented the Junior Play as usual and this with the sale of hotdogs at basketball games provided us with the money to give the Seniors an all-day picnic at Sandlano. We kept up our record at stunt nite by getting last place as usual.

For instance, Sunday morning church, going to town on
Sunday nites a few times, gossip sessions nearly every
afternoon, one sainy nite, our double dates with
different people, drugstore every afternoon, the nite we
talked until four o'clock, watching airplanes last summer,
Sanlando, (remember when you fell out of the car)
Sanford wolves, the time we went "jooking". Ha!
(remember 50 cents for a bucket of ice), Jr. Senior banquet
last year, - this could go on indefinitely but it won't.
Lots of luck - be good - don't do anything I
wouldn't do!

Love and stuff

Oviedo won first place in the County Tournament this year for the first time since 1938.

The high school team will be greatly strengthened with the support of these boys as they are looking forward to playing on the high school team.

JR. GIRLS' BASKETBALL TEAM

After an unsuccessful season, the girls entered the county tournament, uncertain but hopeful. Then, by means of luck and hard playing, they came out victorious, the champions of the county.

JOKES!!!!

Miss North: "Charlotte, can't you play tennis without all that noise?"

Charlotte: "Now, how do you suppose we are going to play tennis without raising a racket?"

Charles: "This baseball fever seems almost contagious, doesn't it, Edwin?"

Edwin: "Yes, see Jack behind home plate? Even his job is catching."

Lucila: "Mrs. Thompson, when I went in the house last night I fell against the piano!"

Mrs. Thompson: "Did it hurt you?"

Lucila: "No, I fell on the soft pedal!"

Lizzie: "Shirley, don't you think that a cook book is fascinating reading?"

Shirley: "Yes, it contains so many stirring events."

Beulah: "Oh, Miss Harper, we had a terrible accident at our house last night!"

Miss Harper: "What happened?"

Beulah: "I was sitting in the hall and looked through the door and saw the kitchen sink!"
