Hello kid. Such an excitement
 yesterday Mr. Miller set fire to
 a bunch of the and it was so
 dry it spread clear to the
 orange grove & every one had
 to get out & fight. No damage
 to grove. Then the dog caught
 a rabbit. Burned some of the
 fence posts & I & saved several
 others. Say all. Mr Pink is very
 anxious for these pictures &
 we say these of Alma's so
 I reckon you can send
 Mr. P's. There is to be a date
 tomorrow night & I reckon
 we will go. See leave
 here Tue. if nothing hap-
 pens I don't know.

Made in Germany
