My dear Mr Sanford

I returned from
Scotland on Friday &
my ten days absence has
built up a great
accumulation of work -

My hands just now are
full & overflowing with
Queensland affairs & until

they are a little more in
shape I cannot think of
leaving home otherwise
it would give me great
pleasure to accept your
kind invitation.

Yesterday I received
from Mr. Thurston a copy
of Trapp's annual
report, it is very satisfactory
and I see that he estimates

the probable sales next year
at \$200,000 - with
kind regards to Mr. Sanford
yourself

Believe me

Yours very truly
Eugene S. Davies
