SEMINOLE COUNTY - Joyce Suber's depusition in her \$20 million suit against. Seminole-County requires at least a couple of hours to thoroughly sean - two more hours to check all the details and a scoresheet to know all the players

A quarter or more of the deposition contains. numerous allegations of sexual barassment by county commissioners and officials. "They were always trying to hug me." Suber testified. "I was sick of having to put up with that "

Suber 54, was fired from her job as land acquisition coordinator in 1996. She says she was canned because of age and sex discrimina-

tion. The county says it was for misconduct and insubordination.

"It's an accumulation of a lot of thinks that was coming to a head," Suber said, "I'm sure they knew eventually I was going to do something about it.

Suber said that when she told then deputy county attorney Kevin Grace about the sexual barassment she was experiencing he said. "Joyce, don't rock the boat, Just enjoy it."

Each of the male county commissioners hugged - or tried to get intimate with her - Subersaid under oath. "They'd all be hugging me and kissing me on the cheeks. A couple of times they tried kissing me on the lips but I'd turn my head."

divisions are divided based upon district enrollment - with 229 points in the final round of competition beating out five other teams. Each team is given a series of challenging questions in which to answer from the various disciplines: math, science, social studies, English, etc.

It has been 12 years since Seminole has taken the Division 1 title. The first was the inaugural year for the event in 1986. "It's absolutely wonderful," said Barbara Kuhn, the chairman of the Seminole County School Board.

The Seminole County team was coached by Charles Coursey of Lake Mary High School. The team was made up of Reba Abraham of Lake Howell High School, David Lee of Oviedo High School, and Alan Jamison, Victor Hung and Ashlee Byrd, all of Lake Mary High School-They beat out the counties of Pinellas. Escampla, Polk, Marton and Brevard.

The students won \$1,500 in scholarships, a gold commemorative ring, a gold medallion, and a county trophy for first place. And, Alan Jamison of Lake Mary was selected to go to Nationals with Team Florida in mid-June at Walt Disney World.

"The student members of these teams represent the best of academic excellence in Florida," said Florida Education Commissioner Frank Brogan.

#### Armed robbery

ALTAMONTE SPRINGS -Shortly before 11 p.m. Friday several armed intruders reportedly entered a residence at 108 DeSoto, Altamonte Springs. According to Semi-nole County Sheriff's Lt. Jack Cash, once inside the subjects robbed the resident, Traci Bouey by taking her purse and contents.

Three males in the house at the time were said to have been shot by the perpetrators. George Major, Jason Marshall and Bruce Reynolds were transported to area hospitals for treatment of their wounds.

While hospital officials said all 3 required surgery, they are all listed in stable condition.

Cash said the perpetrators were young black males, with a newer model red, medium size pickup truck with loud exhaust. It was last seen going north on DeSoto.

Cash is asking anyone with information regarding the case to contact Investigator Rob Hemmert at 330-6600, ext. 358, or the nearest law enforcement agency.

#### Strong armed robbery

WINTER SPRINGS - David Anthony Durandette was arrested by Winter Springs police Saturday on a charge of strong armed robbery. According to police, he kicked in the front door of his residence then proceeded upstains to where his live in girlfriend was located, and started to demand money to pay for a cab that dropped him off.

Growing best in full sun or high, shifting pine shade, orchid trees thrive in any welldrained soil. The flowers are followed by many brown, woody, 12-inch-long seed pods which are unattractive on the tree and a nuisance when they drop. The wood tends to be weak and sprouts are often seen growing from the base of the tree creating an unkempt appearance. Some people consider the fallen leaves messy because they are large and decompose slowly. In flower, orchid tree makes a beautiful street tree affect with foliage and flowers arching over the road. However, the drooping branches must be removed as they develop, to allow for vehicle clearance beneath.

Because sprouts will have to be removed regularly and the tree is bare for a month or two, this is considered by many to be a high-maintenance tree not sulted for large-scale street tree planting. But it is a tough tree growing in most soils with pH below 7.5. Many species, cultivars, and varieties are available.

## Victims' rights advocates honored at luncheon Suber-

#### By Marva Hawkins HERALD CORRESPONDENT

SANFORD - The State Attorney's Office in partnership with the Seminole County Sheriff's Office and Safehouse held a luncheon on Monday, April 20 to honor the citizens and workers who in their daily lives fight for the rights for all Americans and victims in the Seminole County area.

Highlighting the celebration was Judge Ted Poe of the 228th District Court of Houston, Texas.

Poe doesn't tolerate crime in his community, he told the luncheon attendees. He encourages the community to be a brave society and to not be cowards.

Remember that victims are people; they have rights and they suffer from the crisis they go through, he said. Citizens must get involved in the lives of victims. Judges must put meaning in the system for the roll of the victim and defendant.

Judges must go the extra mile to keep the victim in the minds of the defendant. We should stop being spectators in the game of life, be brave and bold so all of our children can have a safe life, he concluded.

She specified an incident with McLain. "I sat at the table right beside Daryl McLain one night, and his wife on the other side of him, and he reaches under the table and puts his hand up my dress on my right leg. And his wife was sitting on the other side of him."

When asked if Commissioner Dick Van Der Welde ever hugged her, Suber said. "yes, but his wasn't the same. The others were tighter and more intimate type." Suber said Van Der Weide and his wife were friends of hers.

Suber said she received hugs from woman commissioner Pat Warren, too.

## Specialopportunity hunts are like the old days

Special-opportunity hunts in SANFORD. Florida this fall will recreate the way bunting was a few decades ago. Participants will have an area virtually all to themselves, and chances of bagging a trophy animal or a legal limit of quail will be excellent.

The Game and Fresh Water Fish Commission created special-opportunity hunts in response to sportsmen who said they wanted a time and place to hunt where conditions are a notchabove standard opportunities. Sportsmen said they would be willing to pay a little extra for special opportunities. Each hunt application will require a \$5 non-refundable application fee, but interested hunters can submit as many applications as they please when applications become available May 1.

Like in the old days, special-opportunity hunters will have an opportunity to take alligators on four areas with good populations of large gators. For a \$250 license (\$1,000 for non-residents), seven participants will have authorization to take one alligator during one 15-day hunt on the Guana River Wildlife Management Area (WMA) or during one of the two 15-day hunts each on the Tenoroc Fish Management Area (two hunters for each hunt). Ocala WMA (two or three hunters) or Three Lakes WMA (two or three hunters). Alliga-

tor hunts will take place Sept. 1-15 and 16-30. White-tailed deer with trophy racks abound on the 21,000-acre Ft. Drum WMA, and 20 hunters will have seven days on the area to take a buck and some may receive doe permits as well. Permits for selected hunters will cost \$50. The special-opportunity deer hunt will take place Nov.

## Decker saves day for Lake Howell By Jeff Berlinicke

ASSISTANT SPORTS EDITOR

LONGWOOD \_ Two strikes, two outs, a 2-0 lead. One batter away:

The Lake Howell baseball team was one strike away from advancing to the semi-finals of the Class 6A-District 3 baseball championships Monday evening at the Carlton Henley Sports Complex when things started to unravel.

Silver Hawks pitcher Damy Burleson was working on a masterpiece, standing one out from a complete game. Then, Deland struck. Lonnie Tidmarsh, pinch hitter Mike Moore

and Scott DePasqua hit consecutive singles, the third scoring the first run of the game for the Bulldogs, and chasing Burleson out of the game with the Hawks' playoff chances hanging by a thread.

In came Lake Howell reliever Ross Decker who promptly gave up a bunt single by Brandon Held to load the bases

Then, with the Hawks' season in the balance. Decker needed just three pitches to record a strikeout and the Hawks advanced to face regular season district champion Lake Mary Wednesday night at Lyman.

That game will be at 5 p.m., preceding a game between last year's regional representatives. No. 2 seeded and defending state and district champion Lake Brantley and No. 5 seed and defending district runner-up Oviedo. The Lions

## Knapp overcomes mistake to carry Oviedo to upset of host Lyman

By Tony DeSormier HERALD CORRESPONDENT

LONGWOOD \_ On second thought, maybe picking Ben Knapp off first base wasn't such a good Idea.

In the top of the sixth inning of Monday night's first-round game in the Class 6A-District 3 baseball tournament at Lyman High School, Knapp, the Ovledo High School pitcher, had just singled to tie the game with the Lyman Greyhounds at 2-2.

After a strikeout and a fly ball, Knapp was still standing on first base with Lion teammate Jeremy Frost on second.

Lyman pitcher Evan Lloacono made several pick-off attempts and feints toward second base, trying to keep Frost close to the bag. Suddenly, Lloacono made a snap throw to first base, picking off Knapp and ending the rally.

It may have gotten the Greyhounds out of the inning, but the play also may have served to take them out of the game.

Knapp went back to the mound and proceeded to retire the next nine hitters, striking out six. Then, in the top of the eighth inning,

All applicants must submit the non-refundable \$5 application fee with each application. Exempt hunters will not be required to purchase permits for special-opportunity hunts except special-opportunity alligator hunters will be required to purchase alligator trapping licenses.

The GFC also will host special-opportunity turkey hunts next spring on Fort Drum. Triple N Ranch and Lake George Dexter/Mary Farms Unit.

#### SHUPE'S SCOOP

Hunting and fishing can be like the "good old days" (f you are willing to work at it, or if you are willing to think outside of the box and do things a little differently.

#### **FISHING FORECAST**

Expect bass fishing to be slow due to high waters. The river is dropping slowly, but the water level is still way over the banks. Action will be better in local lakes where there are clearly defined banks to confine bass. Shiners and plastic worms are top offerings.

Snook are hitting large live shrimp at Scbastian inlet. Also expect bluefish, jack crevalle, small snappers and a few trout and flounder.

Captain Jack at Port Canaveral has little to report in the way of offshore action. High seas have kept most boats in Port. Anglers getting out are catching a few king mackerel and dolphin. Inside the Port, count on sheepshead and flounder. Trout and reds are beginning to roam the flats of the Banana and Indian Rivers.

Sheepshead and bluefish dominate the action at Ponce Inlet. Drum, redfish, jack crevalle and ladyfish are also mixed in with catches. Live or dead shrimp is the top bait. Trout and redfish are rated as good in Mosquito Lagoon.

LAKE MARY \_ So good, and so small.

That's the opinion of the players on the 9-10 Junior Magic team that plays out of the Seminole Family YMCA.

The team just captured the league championship for

coach Mark Baltzell, his second of the season after also leading his 11-12 team to the title.

The players call themselves the Little Rascals because, what they lacked in height is made up for by playing strong, irritating defense. They won the final game last week, 18-17 to bring home the championship.

WINTER SPRINGS \_ The Winter Springs Lady Bears softball team will travel to Cocoa Beach this Friday to compete in the District 3A playoffs.

This is the first year for Winter Springs High School and they want to start a tradition. The lady Bears faced both of their district opponents, Cocoa Beach High School and Melbourne Central Catholic twice this year. In district play the Bears went undefeated with a perfect 4-0 record and earned the No. 1 seed for the tournament.

Coach Jill Conk had her work cut out for her. As a new school there was no junior or senior experience to rely on. The team is made up of two sophomores and nine freshman.

Coach Conk had to start from scratch. She had to establish them in positions and help them gel into a team. With the odds against them, the Bears went .500 this year with a 10 and 10 record. Their wins include Lake Mary, Lake Brantley, Lyman and Seminole.

The pitching staff of Beckie Mangino and Aimee Nettles stood the test. Opponents soon learned that these two could deliver the knock out punch at any time. Together they provided three shutouts and a no hitter.

First year catcher Leslie Helms picked off base runners, called

## Beer :30, MJG open Co-Ed season with victories

#### By Dean Smith HERALD SPORTS EDITOR

SANFORD \_ The Sanford Recreation Department Spring Co-Ed Slowpitch Softball League opened with a pair of hotly contested, but fun games at Pinchurst Park Monday night.

In the opening game, MJG used a pair of seven-run innings to defeat Maronda Homes 15-4.

In the nightcap, Beer :30 scored seven runs in the sixth inning to break a 2-2 tie and bested KMS

(Kempke Music Service) Sound 9-2. Next week, the Seminole Scoop, which had a bye this week, will take on KMS Sound at 7 p.m. and MJG will battle Beer :30 at 8 p.m. Maronda Homes will have the week off.

Two-run singles by Ruben Garcia and Greg Lotz and an RBI single by Amy Boucier keyed a seven-run bottom of the first inning for MJO. Maronda Homes came back with three runs in the top of the second inning with a Michelie Carroll tworun double being the big blow and

then added a single run in the fourth inning on an RBI single by

MJG regained the momentum in the bottom of the fourth inning with Paula Songer scoring on J.J. Jiles' grounder and then closed out the game with seven runs in the Afth inning. A two-run double by Don Baldwin and a two-run single by Songer were the big hits.

Contributing for MJG were Dan Gill (one triple, one single, two runs scored), Any Boucler (two

singles, two runs scored, one RBI), Chuck Harley (two singles, two runs scored), Don Baldwin (one double, one run scored, two RBI) and Ruben Garcia and Paula Songer lone single, one run scored and two RBI each).

ORLANDO \_ The Seminole Community College baseball ended a tough season on a high note and in the process spolled the final games ever to be played by Valencia Community College as the Raiders swept a doubleheader at Orlando on Saturday.

Josh Rhodes' two-run home run with one out in the top of the seventh inning erased a 3-2 deficit as SCC won the first game of the Mid-Florida Conference doubleheader 4-3.

In the nightcap, Sanford's Phillip Eubanks drew a two-out, bases loaded walk in the top of the 11th inning to give the Raiders a 3-2 victory and the sweep.

Meanwhile, Burleson was mowing down the Bulldogs in order until a one-out fourth inning single broke up his perfect game. On the night, Burleson allowed only four hits and struck out five in six and two-thirds innings.

Lake Howell could have taken a commanding lead but had two runners picked off in the first two innings to keep it close.

Deland threatened in the fourth when, with one out, back to back singles followed by a passed ball had runners on second and third, but Burleson retired the next two batters without the ball leaving the infield.

That was the last threat Deland was able to mount until the seventh when Decker came in to put out the fire.

"I knew Ross could get it one," Burleson said. Decker will be on the hill Wednesday when the Hawks take on Lake Mary and probable starter Brian Bretzer. The winner will clinch a berth in the state regionals regardless of the outcome of Friday's 7 p.m. finals.

#### Brantley Patriots at 8 p.m.

The championship game is scheduled for Friday night. All three games will be played at Lyman High School.

Providing the offense for the Oviedo Lions were Frost (three singles, one run), Knapp (home run, single, two runs, four RBI), Scott Ferrell (two singles, two runs), Lawrence Pultz (double, RBI), and Guy Erwin (single).

Doing the hitting for the Lyman Greyhounds were Kevin Graves (double, single, one run); Jose Torres (two singles), Brandon Epple (single, RBI), Josh Hazen and Kit Kaminaki (one single each), and Tim Wolgemuth (one runs scored).

Knapp (4-4) allowed two runs, one earned, on seven hits to earn the victory. He struck out 11 and walked one. Lloacono (6-6) suffered the loss

Brandon Waddle missed a pair of free throws down the stretch but pulled in the rebound and the team won by a point.

It was the second nail biter of the final round. To get to the championship, they won 30-26 in overtime. In that one, Waddie hit the winning shot and Ross Coriess scaled it by pulling down a rebound with two seconds remaining.

For the win, the players will get trophics. Most of them go to Wilson Elementary where Baltzell is a teacher. Some of the players will move up to the

Other players included Jimmy Muth, Jordan Badran,

Andrew Dykes, Kyle Cogburn and Max Berry.

Going into the finals, the team was at a disadvantage as Michael Rands had to miss the game with a pulled hamstring.

'it wasn't as much fan since couldn't play," Michael said. But when it was over, I still jumped up and down."

Russell added that their press and man defenses were the key to the team's success. "Our defense won it for us," he said.

Going into the season, Michael didn't think too much about the team's chances.

"We had so many new players and we didn't think we'd be any good," he said. "Then we started to practice and we saw that we could be really good if we worked hard."

They stumbled at the start, losing three early games, then didn't lose again after that final loss.

Most authorities do not recommend

routine blood and ultrasound screen-

ing for healthy women without a fami-

ly history of ovarian cancer. However,

In women with such a history, screen-

ing may be appropriate, although no

studies have proved that deaths from

this cancer are reduced by screening

In short, the testing is just too impre-

cise to justify its general use in

women without symptoms. Of course,

this is the hitch: By the time symp-

toms appear, the cancer may be

untreatable. Thus, a family history

DEAR DR. GOTT: My parents had an ultrasound examination or me circumcised as an infant. But the surgeon botched the job. Now I am left with an ugly, scarred penis, which makes me the bull of locker-room jokes. Also, as you can imagine, my social life suffers. Is there some surgery that can correct the harm that was done?

DEAR READER: Plastic surgeons and urologists are very skillful at performing surgical procedures to undo the error that has caused you so much grief. In the main, such operations are relatively easy, provided the penis itself was not harmed by the original circumcision. The technique involves trimming away excess skin and taking a luck here and there. Some surgeons have even reported success in creating a new foreskin, for men who prefer a more natural appearance. Seek out a specialist and let me know how

DEAR DR. GOTT: | have an enlarged prostate gland for which my urologist prescribed Proscar. My internist says that the drug is "use-less, like taking sugar pills." What should I do?

DEAR READER: Although the final word on Proscar is not in, several studies have shown that it does shrink the prostate gland in a sizable proportion of men who use it. Is it right for you? Only time will tell. Continue to take Proscar and be monitored by your urologist. If, after a few months, your symptoms haven't abated and your prostate hasn't become smaller. stop the drug. On the other hand, if improvement is obvious, your internist may have to eat a little crow. To give you more information, I am

sending you a copy of my Health Report "The Prostate Gland." Other readers who would like a copy should send \$2 plus a long, self-addressed, stamped envelope to P.O. Box 2017, Murray Hill Station, New York, NY 10156. Be sure to mention the title.

DEAR DR. GOTT: I have a relative in her 60s who was recently diagnosed with ovarian cancer. I'm in my 60s and have both ovaries. How can I be sure that I don't have the same disease?

**DEAR READER:** Ovarian cancer is justifiably one of the most feared malignancies, because by the time it's diagnosed, the tumor usually has spread too extensively to be cured.

This cancer accounts for about 24,000 new cases and 14,000 deaths a year in the United States. The affliction typically causes abdominal fullness and discomfort. The tumor may be suspected from a special blood test called the CA425 and is confirmed by

may be the single most important factor in early diagnosis. Because each situation is individualized, I suggest that you follow your gynecologist's advice with respect to periodic examinations, with or without the CA-125 test and ultrasonography.

Being optimistic and happy should be one's approach to life, I feel. However, there are always some pessimists around. Yet rarely have I read anything so depressing as this comment by Eric Berne: "Human life Is mainly a process of filling time until the arrival of death, or Santa Claus, with very little choice, if any, of what kind of business one is going to trans-

dummy. On. say, a spade lead, declarer might adopt one of these basic approaches (slight variations are possible). First, spade ace, diamond ace, trump to hand, rulf a diamond, trump to hand, ruff a diamond, club to hand, and draw the missing trump. This requires hearts to split 3-2. Alternatively, spade ace, diamond ace, club to hand, diamond ruff, trump to hand, diamond ruff, dummy's last trump, club to hand, and draw trumps. This line needs the clubs to be 3-2 for one defender short in both clubs and hearts) but can handie trumps 4-1. However, West led a trump, destroying the communications for the former approach. Now Sims had to adopt the second plan. As you can see, though, West ruffed the second round of clubs to defeat the contract. Unlucky, especially as the Kiwls' opponents at the 2 4 1977 Far East Championships had stopped in six.
