THE RAPIDLY GROWING CENTRAL FLORIDA COUNTY! ALERT, PROGRESSIVE, MODERN FRONTS!

Expansion Planned For Mario's Salon

Mario's Exclusively Yours Salon, 310 South U. S. 17-92, Sanford, will be a versatile salon. Mario is planning to enlarge the salon during the next six to eight months.

"We are planning to get a new bath and a professional manicure," Mario said.

Mario said that a professional manicure will also be added to the staff and two more hair stylists.

"All the makeup girl will do in give facials and put makeup on the customer," he said.

Mario has three hair stylists on his staff now. All of them attended a hair styling show in Jacksonville Feb. 25-26. The show included new hair colors.

"This conditioner has a different conditioner for any type hair," Mario said. "It is the only lotion which puts out a special conditioner for every type of hair."

Mario explained that Florida's climate is very hard on the hair. The humidity and sun dries the hair.

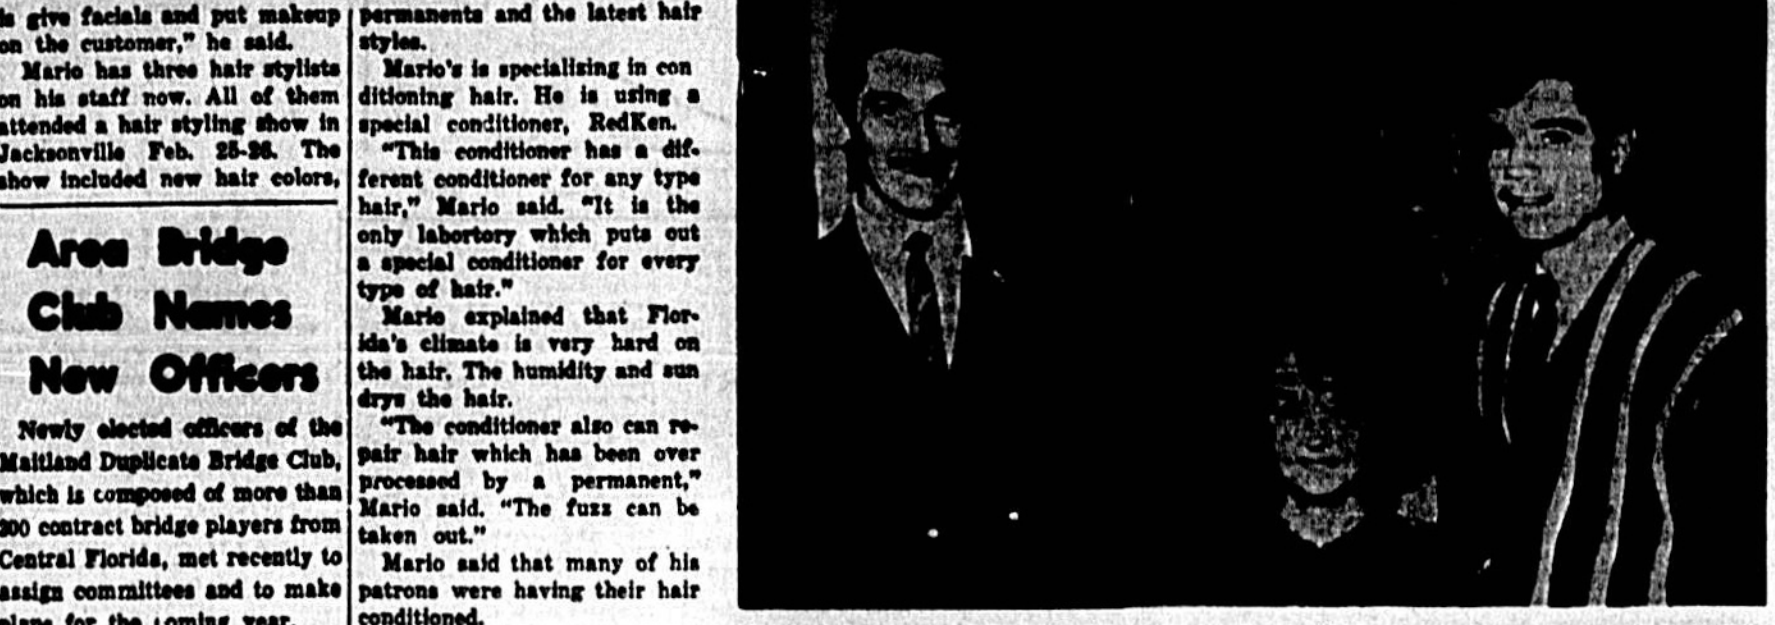

The conditioner also can remove hair which has been over processed by a permanent," Mario said. "The fuz can be taken out."

Mario said that many of his patrons were having their hair conditioned.

"So far we have had no complaints," he said. "We have had a lot of praise."

Mario said that this year's curly look can be achieved only with a permanent. The permanent keeps the curls tight and holds the set.

Mario has been a beautician for 10 years and he has been in the new Caswellberry location for six months.

MR. MARIO (left, both photos) poses with two of his stylists, Miss Ann and Mr. Armand (top) and displays three of his hair styles, with models Mrs. Deal, Mrs. Shoemaker and Mrs. Lovelace. (Herald Photos)

Area Bridge Club Names New Officers

Newly elected officers of the Lakeland Bridge Club, which is composed of more than 200 contract bridge players from Central Florida, met recently to assign committees and to make plans for the coming year.

Officers on the board this year are Charles Meiser, president; Mrs. Jerry Shaw, vice president; Mrs. Margaret Field, secretary; Mrs. Mary Player, treasurer, and Mrs. Pat Stump, parliamentarian.

Directors are Mrs. Irwin Philley, Mrs. Debra Glover, Gerald Leboy, James Mahaffey and Ralph Schoolcraft.

Many winter visitors to this area are regular players with the club which makes donations to worthy charities during each year.

Playing sessions are 10 a.m. to 2 p.m., each Wednesday, and at 7:30 p.m., Thursday, at the Mt. Pleasant Civic Center.

Attend Play

Fifty members of Central Baptist Church of Sanford attended Saturday night's performance of the Passion Play at Lake Wales Amphitheatre. The play will continue through April 14 at 7:30 p.m., Tuesdays, Thursdays and Saturdays, at 8 p.m. on Sundays, and at 3 p.m. on Wednesdays through March 13 only.

Electronics Firm Opens in Oviedo

Conley-May Associates, an electronics manufacturer's representative, has opened its state headquarters on West Broadway Street in Oviedo.

Essentially a marketing and selling agency for products manufactured by major electronic component manufacturers throughout the country, the company consists of John W. Conley and Leon P. May, both electronics engineers who also serve as sales engineers, and Mrs. Jean Stanko, the secretary.

Conley-May contracts with companies such as Philco-Ford to represent them in the state of Florida. The firm also approaches original equipment manufacturers such as Martin Company, Dynatronics, RCA, etc., and conducts seminars, technical presentations and procurement negotiations toward the goal of the OEM of securing utilizing its principal's products.

Oviedo was chosen for location of the headquarters because we like the area, because of the anticipated growth due to the new Florida Technological University, and because this location is centrally located for Martin, Dynatronics, General Electric-Daytona, McDonnell in Titusville, Radia-

A-Z Rental Shop Open

"You need it, we rent it!" said Clifton Hutto as he announced the opening of his A-Z Rental Center, 329 East Robinson St., Oviedo.

"Everyone needs something from time to time and it just doesn't pay to go and buy it for a one-time use, so we have just about everything you need on a rental basis," Hutto said. "Our rates are reasonable," he added.

The center is the newest member of the nationwide A-Z Rental System.

"We invite the good folks of Seminole County to stop in and look us over," said Hutto.

'Phone Co. Expanding

Southern Bell put another central office into operation recently in the fast-growing Deltona area. The new "child" was born at 8 a.m. Feb. 15 and was named "974."

Two hundred twenty-eight previous "babies" subscribers made up the new office initially but anticipated growth has Southern Bell making plans already to transfer the present office to a larger permanent office building sometime in 1968.

Out of the new office, including land, cable and conduit, exceeds \$130,000.

County To Air New Utility Law

Special meeting of the County Commission has been called for 9 a.m. Friday to discuss implementation of the utilities regulation bill adopted by the Legislature during its special session.

County Attorney Harold Johnson has been instructed by the board to give a report at that time on all available information about the law which places the responsibility for regulation of privately owned utilities in the Seminole County in the hands of the County Commission.

Johnson warned the board it may not be possible to freeze rates, particularly the announced increase of Southern Bell Utilities, immediately. "Certain actions under the bill require public hearings," he said.

In other action, the Board: Approved vacating and abandonment of a section of Tampa Street between Crestview and Carlton in Sanlando Springs.

Granted a petition to Southern Bell Utilities to install water lines on the north side of Oakhurst Avenue with requirement that a \$100 cash deposit as security bond be submitted to guarantee maintenance of the lines on the street.

Adopted a resolution authorizing the State Road Department to proceed with a centeline survey on Hineshart Road and instructed the chairman to sign necessary documents to permit SHD to proceed with the project.

Authorized emergency maintenance on First Avenue south of Lake Mills Road limiting stabilizing materials to four loads and on the portion of Stanley Street between Minard and Nelson Street.

Requested list from the county engineer of appraisers used in Seminole County on state road condemnations in the past three years at recommendation of Commissioner John Fitzpatrick.

Adopted the county road superintendent to make a report on costs of maintaining Miami Springs Drive from Wekiva Springs Road to an unnamed bridge.

Adopted a resolution establishing the name of Lyman Avenue for the east-off road from Lyman High School from SR 427 to Magnolia Avenue.

Accepted and approved bonds for 32 deputy sheriffs.

College Wins \$865,000 Grant

Seminole Junior College today received a grant totaling \$865,000 for construction of a Learning Resources Building, a Science Building and a Faculty Office Wing.

Announcement of the grant was made by the State Department of Higher Education Facilities Act under the Office of Education, Health, Education and Welfare Department, by Congressman A. S. Her-

Although start of construction depends upon local matching funds, in turn dependent upon the success of sale by the state of bonds in Tallahassee next month, it is hoped ground will be broken before the beginning of summer, according to Dr. Earl Weldon, SAC project.

Total funds to be available, including the matching fund, funds on hand and vocational funds for SHC and the Vocational Technical School, are expected to be in the neighborhood of \$2.25 million, R. T. Milwee, director of administrative affairs for the junior college, told The Herald.

Milwee also pointed out that under new laws, no call for bids can be made until the matching funds are on hand.

"Architectural plans are almost complete and will be ready to go just as soon as these funds are made available," he added.

Sanctions May Follow Teacher Resignations

William J. Phillips today said that if any teacher resigns from the county board of education, the board will take action to investigate the resignation.

Phillips said that if a teacher resigns from the county board of education, the board will take action to investigate the resignation.

Phillips said that if a teacher resigns from the county board of education, the board will take action to investigate the resignation.

Causeway Advantages Will Be Told Volusia

Appearance by Seminole County Commission Chairman John Alexander before the Volusia County Commission today to present "available information and advantages of the proposed Lake Monroe Causeway" was planned for March 7 in Deland, Alexander told The Herald today.

The Commission chairman said he will present the background and other information gained through the State Road Department feasibility study of the causeway to the Volusia Board. Recent legal decision of the SHD was that Seminole cannot finance the causeway alone since it will benefit Volusia as well as Seminole.

The feasibility study shows cost of the causeway to be estimated at \$2.5 million and that it would be self-sustaining as a toll facility in approximately six years. However, a deficit would occur in the early years of the causeway which would necessitate pledging secondary funds of both counties to assure bond payments would be made.

Meanwhile, it is reported petitions containing 800 signatures of Delray and Deltona residents have been presented opposing the causeway and supporting effort to have 17-92 alone since it will benefit Volusia as well as Seminole.

Senate Hearing Delayed

By DONNA ESTES

Bills for back pay from the state for their first suspension from office until their "whirlwind" 24-hour reinstatement were submitted to the Board of County Commissioners yesterday by Justice of the Peace W. Hugh Duncan and Constable George Kelsey for \$2,475 and \$552.38, respectively.

The bills were turned over to County Attorney Harold Johnson for research and legal opinion as to whether the county has to pay the duplicate fees already paid once to Peace Justice Alfred Davis and Constable Jack Bratton, who had been appointed to the offices following the Duncan and Kelsey removal.

"There surely have been many opinions on matters such as this, but I have not had an opportunity to research them all," Johnson said. "If it were a salary situation, there would be little problem involved. The bills would have to be paid," the attorney declared while promising to "have an opinion for certain" soon.

Duncan and Kelsey are claiming payment for the work done and fees collected by the two appointed officials during the first suspension.

The officials were suspended again by the Governor the day following their reinstatement by the Florida Senate.

Attorney Gordon Frederick, who is representing Duncan and Kelsey, said The Herald today: "We had anticipated the Governor's action in advance and had been exploring possible action in the event we have not as yet decided the specific court action we will take, but anticipate action in an early date."

"We are interested in seeing what action the Senate will take on the present suspension when it meets again," Frederick said. "It is due to the fact that the Senate is going to be in session with the school crisis, a hearing to determine whether the two Seminole County officials should have been suspended again has been postponed, according to Associated Press today."

The reasons for Duncan and Kelsey was set for today at Tallahassee and then cancelled when Kirk's representatives said they would not be able to participate, according to Sen. Ralph Clayton.

"Clayton (R-Deland), head of the three-man Senate investigating committee, said Frederick also requested that the hearing be put off when he heard that Kirk's staff would not be there. Kirk's legal aide, Gerald Mager, said he is working on the education crisis now and cannot take time out for the suspension hearing."

Frederick questioned whether Kirk has the right to remove a man from office two times on the same charges.

He said he asked that the hearing be postponed because he would have nothing new to say that had not come up during the men's first suspension and there is no purpose to holding it if Kirk's aides aren't going to be there.

Deaf Man Rescues Two Others

By JANE CASSELLBERRY

Two elderly Orlando men were rescued Tuesday afternoon when their boat was capsized in Lake Howell by high waves.

Rescued were 47, of 2212 Diamond Dr., and Wilford Palmer, 40, of 1018 Harwood Dr. were brought to shore at a remote part of the lake by the fishing companion, B. E. Hill, 24, also of Orlando.

Mrs. Dot Halliwell, a resident on the lake, spotted the capsized boat at 1:05 p.m. and summoned Sgt. Caswellberry Volunteer Fire Department, who came to the rescue of the marooned men with their boat.

Deputy Jack Bushner of the Sheriff's Department coached the spot by wading through a swamp. Johnstone was taken to Winter Park Memorial Hospital, suffering from shock and exposure. The hospital reported this morning he is still in the intensive care unit.

Answering the emergency call were Chief Paul Hales, Robert Corp, Thomas Hales, and Gerald Curran of the Caswellberry VFD and Sgt. Michael Fisher of Caswellberry Police Department.

College Wins \$865,000 Grant

"Architectural plans are almost complete and will be ready to go just as soon as these funds are made available," he added.

"INSTANT PARK" was the thought of passerby early today at First Street and Sanford Avenue. The site was bare for most of yesterday but this morning had turned into a full-fledged park, with trees, shrubs, lawn and walks. Park is owned by industrialist Jeno Paulucci. (Herald Photo)

State-TEA Pact Near, TV Station Reports

MIAMI (AP) — A Miami television station says a clear agreement is near in Tallahassee that could end the Florida Education Association (FEA) lawsuit against the state.

The report was given immediately with a cry of "no deal" from a state spokesman. A teachers leader called the story "false speculation."

The station, WTSP, said it had seen on the main screen by Ralph Zwick that a copy of the state Board of Education report to the FEA, which was the basis of the lawsuit, was in the hands of the state attorney.

The report was given immediately with a cry of "no deal" from a state spokesman. A teachers leader called the story "false speculation."

Selective Service Overhaul Urged

WASHINGTON (AP) — Sen. Edward M. Kennedy, D-Mass., also urged President Johnson to substitute lottery or random selection of draftees and to have younger men inducted first.

Kennedy introduced a bill containing many provisions rejected by Congress last year. They included:

- Random selection, with the specific plan to be set up by the President.
- Discontinuance of the student postponement provision for at least a year whenever the monthly combat casualties for three consecutive months reach 10 per cent of the total number of men drafted each month.
- Uniform national standards for interpretation by the 4,004 draft boards of induction laws.
- Discontinuance of occupational deferments except for those specified by the President.
- Discontinuance of the draft rules on completion, "no degree to be taken at any time and place, and clearly demonstrated to have no firm determination to prevent him from taking over any part of South Vietnam."
- The President's decision to end most graduate student deferments unless they are for the study of the draft.
- The President's decision to end most graduate student deferments unless they are for the study of the draft.

82nd Airborne Bolsters Defense

SAIGON (AP) — Four thousand U.S. paratroopers from the 82nd Airborne Division have arrived in Vietnam to bolster the American Command and Control Center.

The new arrivals, the 82nd Airborne, are part of the 10,500 men President Johnson ordered from the United States two weeks ago in response to Gen. William Westmoreland's urgent request because of North Vietnamese pressure on the South and the prospect of Communist attacks on South Vietnam's cities and towns.

The brigade of paratroopers trained U.S. troop strength in Vietnam to an estimated 100,000, still 20,000 short of the 125,000-man ceiling now planned. But Gen. Earle G. Wheeler, the chief of the U.S. Joint Chiefs of Staff, left Saigon Sunday with a request for the 82nd Airborne to be moved to the front lines.

Eighty per cent of the paratroopers are veterans of at least one tour of combat duty in Vietnam. They have been assigned to the 1st Cavalry Division, the 1st Air Cavalry, and the 1st Air Cavalry, and other units that are responsible for a 100-mile stretch of coastal lowlands south of Da Nang.

The infusion of the paratroopers into the Americal Division will free another brigade of 4,000 men from the division for duty closer to the critical northern frontiers, where the U.S. Command believes it faces its most serious potential pressure, particularly at Khe Sanh. An estimated 40,000 North Vietnamese troops are now attacking the base.

LBJ Hears Request For More Troops

WASHINGTON (AP) — President Johnson returned to Washington today for a White House meeting at which Chairman Earle G. Wheeler of the Joint Chiefs of Staff was expected to seek more U.S. troops for Vietnam.

Gen. Wheeler, who just visited the battle zone, was to meet at breakfast with Johnson and the President's top-level military, diplomatic and intelligence advisers. A full-scale Cabinet meeting described as a regular session, was set for later in the day.

There was no indication the Wheeler-Johnson conference would produce any immediate announcement of a request for more troops to be sent to Vietnam, Johnson said.

Johnson said he will be discharged if needed. And Gen. William C. Westmoreland, the U.S. commander in Vietnam, told The Associated Press that "with additional troops, we could more effectively deny the enemy the objective, capitalizing on our recent defeats to a great degree in both time and place, and clearly demonstrated to have no firm determination to prevent him from taking over any part of South Vietnam."

Johnson returned to Washington today for a White House meeting at which Chairman Earle G. Wheeler of the Joint Chiefs of Staff was expected to seek more U.S. troops for Vietnam.

3 Cubans Lose Gamble To Win Asylum in U.S.

VIRGINIA BEACH, Va. (AP) — Three Cubans lost a gamble today, seeking in the United States when a 120-foot Cuban ship from which they fled in a lifeboat rammed their small craft in international waters off Virginia.

The captain of the Cuban ship, a Coast Guard cutter, was ordered to return to the scene of the crash. The three were picked up from the water. The Coast Guard vessel said it did not see what happened to the three after the ramming incident.

Earlier the Cubans seized the ship, the 26 de Julio, but failed in an attempt to bring her to Norfolk when they could not get the anchor up, Coast Guardmen said.

A Coast Guard vessel stood by the 26 de Julio, but failed to get the anchor up, Coast Guardmen said.

S. Vietnam's Lag in War Disappoints U.S. Chiefs

WASHINGTON (AP) — U.S. officials have been sharply disappointed by South Vietnam's failure to launch fast follow-up attacks on Communist forces weakened by severe losses during their offensive against South Vietnamese cities.

The performance of South Vietnamese forces will inevitably be brought up in congressional debate for comparison with the burden of fighting to be carried by U.S. forces.

The performance of South Vietnamese forces will inevitably be brought up in congressional debate for comparison with the burden of fighting to be carried by U.S. forces.

AREA DEATHS

PATRICK ALVIN WHITE, 57, of 305 Valencia Street, Sanford, Fla., died Monday.

Born in Wagoner, Okla., he moved to Sanford four months ago from Wrens, Ga. He was a superintendent for Natural Gas Company. He was a member of First Methodist Church of Sanford and of the Masons and Elks.

Survivors are his wife, Mrs. Patricia White of Sanford; two daughters, Mrs. Maxine Powers of Macon, Ga., and Mrs. Marilyn Goiner of Chattanooga, Tenn.; his mother, Mrs. John G. White of Sanford; a sister, Mrs. Velde Cline of Miami, and two grandsons.

Funeral and burial arrangements are under direction of Gramkow Funeral Home.

Deaths

Mr. and Mrs. Charlie Jackson, Sanford, a girl, Mr. and Mrs. Richard Sanders, Sanford, a girl; Mr. and Mrs. Donald E. Coleman, Sanford, a girl.

Funeral Notices

WHITE, PATRICK ALVIN — Funeral services for Patrick Alvin White, 57, of Sanford, who died Monday, will be at 10:30 a.m. at the First Methodist Church of Sanford. Burial will be in the cemetery. Friends are invited to attend. Gramkow Funeral Home in charge.

Defensive Driving Taught

Interest in the Defensive Driver Training School held at the DeBarry Chapter of American Association of Retired Persons (AARP), in cooperation with the National Safety Council, has made it necessary to set up a third class on Friday afternoons of each week. Chapter officials have announced.

Classes are held at the DeBarry Firemen's Recreation Hall and are limited to 40 persons each.

Roy Gardner, state AARP representative, has advised that any area people who previously have taken the course may attend any classes for refresher purposes without paying a registration fee.

Deltona Gets New Ratings On Insurance

By MILNER HANBY

New fire fighting equipment purchased during the past year by the Deltona Volunteer Fire Department has resulted in a town class rating of 9A as opposed to the former rating of 10. The Inspection and Rating Bureau of the Florida Insurance Commission has informed.

Homeowners in the community who have insurance policies will benefit by having costs of their policies lowered to some extent.

Those who have homeowners policies will not receive any reduction as practically all costs of such policies are for theft and liability with a minimum amount for the costs going for fire protection.

Commercial property which is insured for fire only will benefit by having a lowered premium.

Floridans Win Scholarships

Florida chapters, including Y and AX of Sanford, of the PEO Sisterhood, have granted two \$1,000 scholarships to College College, Nevada, Mr. and Mrs. L. H. Morris, Palm Beach. They will enter Coty College in September.

Coty Junior College for Women, founded in 1884, has been awarded and supported by the PEO Sisterhood since 1927. Coty, with students from most states and many foreign countries, and with a staff of instructor to student of about one to 12, is a fully accredited liberal arts college. Its education program is one designed as a preparation for transfer to a four-year college or university.

Aged Whisky

WELLINGTON, New Zealand (AP) — Twenty-one years ago when he was a boy, Mr. Clifton T. Harris buried a bottle of whisky at the foot of a plum tree in his backyard to celebrate the birth of his daughter. He dug up the bottle to celebrate her 21st birthday.

The label on the bottle was well-preserved—so were the contents.

New Hearing Aid For Nerve Deafness

Model Offered Free Of Charge

CANONBURG, Pa. — Radioear Research Laboratories are now offering an actual-size, plastic model of its all-new Radioear hearing aid. This remarkable, 4-ounce aid was designed by Radioear Technicians to help those who have nerve deafness.

Radioear wants to put a new working model into the hands of the hard-of-hearing so that they can see its tiny size, feel how comfortably it slips behind their ear, see how inconspicuously it can be worn.

If you are hard-of-hearing, fill out the coupon below and send it today for your free model of the all-new Radioear 900 hearing aid.

Funeral Notices

Oklahoma Teachers Headed For Walkout

OKLAHOMA CITY (AP) — Oklahoma's 92,000 school teachers appeared headed for a walkout today as their leaders are huddled to discuss the latest school finance developments in the Legislature.

Meetings of two Oklahoma Education Association groups today were called by Mrs. Glenda Nunn, of Muskogee, OEA president, immediately after Gov. Dewey Beal's veto of three bills drawn by Democratic leaders in the Legislature.

The three bills would have raised salaries and improved pension plans.

Beal, Ind. (AP) — A 12-year-old boy was dragged by his death Sunday when he leaped from a horse on a farm near his home. Police said Thomas Weaver of Dyer was playing with two companions when he roped the pony and the rope caught around the boy's neck. The pony dragged him 45 feet, police said.

CARL SETTE of Casselberry, second vice president of the Florida Federation of National Association of Retired Civil Employees (NARCE) (center, back) was guest speaker for February meeting of DeBary-Deltona Chapter 898. With him are (seated, from left) Adolph N. Goetz, president; Mrs. Marie T. Mecking, director and publicity chairman; Mrs. Marge C. Ulrich, vice president; (standing) Harold Ware, William C. Lordin, and William H. Welsh, director, and George Elliot Hovatt, treasurer. Mrs. Lillian Twelin is secretary of the chapter. (Middleton Photo)

Voter Registration Up In DeBary

A substantial increase in voter registration in Precincts 1A, 1B and 2 served by the DeBary Republican Club was reported by Earl Merrill, chairman of registration activities, at the club's February meeting for which J. Wayne Poucher, Republican candidate for U. S. Representative of the 4th Congressional District, was guest speaker. In Merrill's report, he noted that official registration lists for the three precincts in mid-February showed 1,735 Republicans, compared with 1,354 one year ago, and a gain of 181 Republicans as compared to gain of 86 Democrats for the same period. "The Republican gain is made up of new registrations and the 90 registered Democrats who changed their registration during the year," he pointed out. Current registration figures for the three precincts are:

J. WAYNE POUCHER, candidate for 4th district Congressional seat and guest speaker for recent meeting of the DeBary Republican Club, is welcomed by the club's president, Anthony Niasari. (Middleton Photo)

Party Merger Announced

SARASOTA (AP) — The chairman of the Constitutional Party of Florida said Monday the party merged with the New American Independent party of Florida and will support former Alabama Gov. George Wallace for president. Chairman Dr. William C. Douglas of Sarasota said he would be chairman of the new party, which will carry the banner of the American Independent Party.

Best Use Of Police Force

CHICAGO (AP) — The Chicago Police Department is engaged in a two-year research project to determine the most effective use of its resources and manpower. A grant of \$150,000 was awarded by the U. S. Department of Justice, Office of Law Enforcement Assistance to carry out the project. The grant will be matched by \$270,000 of department funds. "The team will seek to focus on the best use of the department in crime prevention, apprehension and miscellaneous police services. The team also will predict future department needs and possible problem areas by evaluating crime, sociological and population trends.

1A, 618 Republicans, 500 Democrats, 20 Independents; 1B, 506 Republicans, 456 Democrats, 20 Independents, and Precinct 2, 641 Republicans, 1,284 Democrats, 46 Independents. Merrill also pointed out that 236 of the residents listed in the DeBary Directory who are not registered are qualified to register. In addition, many newcomers to the community in the past year will qualify between now and Oct. 5 when the registration books will be closed. The club will make an effort to "sell these unregistered on the importance of registering in this crucial presidential election year," he stated. A similar campaign will be organized in the Orange City precinct in order that the area's predominant Republican

Game Commission Aides Upgraded

Progress in the upgrading of Game Commission officers was noted by Joseph E. Pierce, chairman of the Volusia County Hunting and Fishing Association, in an address before the Deltona Lions Club at the February meeting. Pierce pointed out that commission officers are now thoroughly trained, provided with all essential equipment, and outfitted in standardized uniforms. He also called attention to the fact that for the past two years, a certain number of regular officers have been used effectively as "undercover men."

Club members were advised that the commission is financed entirely from revenues obtained from the sale of hunting and fishing licenses. Its members must be high school graduates between the ages of 21 and 34 years who have been residents of the state for at least two years. While no license is required for salt water fishing, including shad, all persons between 16 and 65 years old must have license to catch fresh water fish, although Volusia County exempts those who use no more than three cane poles. Pierce informed that the commission is making an attempt to re-tract Canadian geese to this area. In recent years, these geese have been curtailing their flight South by stopping at better shelters and feeding grounds provided by other coastal states to the North, he stated. In business of the meeting, three new members, Thomas A. Johnson, Roy W. Murray and Elias Riffe, were welcomed. At illuminated plaque honoring Horace Tucker, Arthur Holbrook, and George Duffy, deceased members, was presented to President Robert Wright by Arnold Vann. The plaque was designed by Horace Pavlovina.

Large Rail Network

NEW DELHI (AP) — The Indian railways is the world's second largest rail network, next to the Soviet Union, an official announcement said. This largest government undertaking employs 1,250,000 workers and every day carries 5,800,000 passengers and 560,000 tons of freight. The first train steamed out of Bombay in 1853. Today there are 11,700 engines, 32,000 coaches and 370,000 freight wagons along 35,000 miles of track.

Quotable W. C. Fields

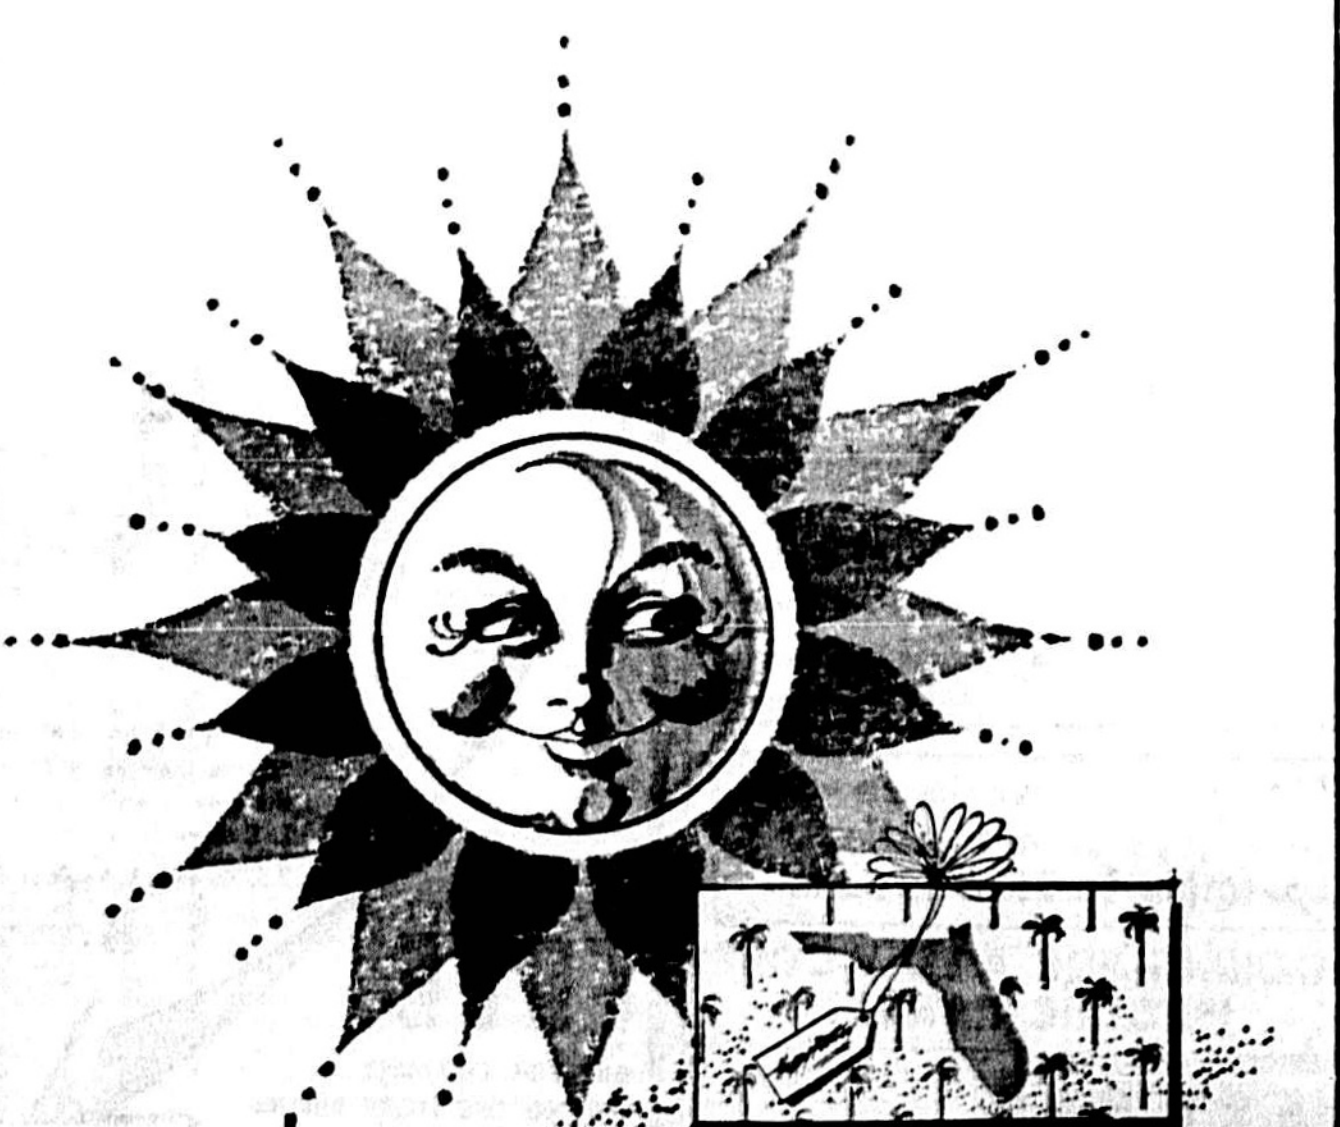

NEW YORK (AP) — In the cinema section of a new book, "The Quotable W. C. Fields" is quoted from a 1932 movie, "International House." Fields played a demented inventor who lingers on the roof of a hotel in Wu Hi, China, under the impression that it was Kansas City. "You must be lost," said the hotel manager. "I'm here," Fields said. "Kansas City is lost."

...is ever quite equal to the warm welcome extended to newcomers by the Welcome Wagon Hostesses. Her smile may be no brighter, her greeting no more cheerful, but she's made the welcome more warm and sincere with a more genuine... complete with a galaxy of gifts and helpful information on schools, churches, shops and community facilities. So when a new neighbor moves in, follow up your neighborly help with a Welcome Wagon greeting. A Hostess sends your call.

Package a piece of sun and send a Florida-made gift back home.

They'll get the message. Florida-made or Florida-grown? That's the great choice you have when you want to remind somebody of The Good Life by sending a gift up North. Little reminders like this could very well turn non-Floridians into Floridians either with a visit or a permanent move. You've made a friend into a neighbor. And that's what Florida is all about.

MEET YOUR FRIENDS AT OUR FRIENDLY FOUNTAIN

MRS. MARIE HUNT, acting veterans service officer for Seminole County (center), was guest speaker for meeting of Old Glory American Legion Post 183. With her are Commander Frank Stuedle and Mrs. Nance Russell, first vice president for the auxiliary unit. (Herald Photo)

New Veteran Laws Outlined

By MARYANN MILES
New laws affecting veterans were explained by Mrs. Marie Hunt, acting veterans service officer for Seminole County, at the recent monthly meeting of Old Glory American Legion Post 183 and Auxiliary of Altamonte Springs. Mrs. Hunt stressed that the only way to get action on the passage of new pension laws is to write letters to the senators and congressmen in the district where the person resides. She invited anyone in need of help to visit her in the Sanford office. In business of the meeting, three new members, Howard Duns, Robert Alwin and H. C. Bumbalough, were obligated by Commander Frank Stuedle and Chaplain Linton Cox. It was announced that the passage of new pension laws is reported improving, will be transferred this month from the VA Hospital in Gainesville to Deltona.

Demonstration of the Laser beam was presented by John Karolyi of Bell Telephone Company for members of the Parent-Teacher League of St. Luke's Christian Day School in Slavin at their monthly meeting. A social hour followed the program and business.

Tank Explodes & 6 Persons Die

MEXICO CITY (AP) — School children and passersby fled to a tank truck that had overturned on a crowded Mexico City street. The truck exploded, killing six persons and injuring 65, authorities reported. Many of the injured suffered critical burns from the gasoline that spilled over a wide area. The truck driver had swerved to avoid a speeding car, police said. The accident occurred as children were coming out of a nearby primary school.

A PASSING SKILL — Marilyn McIntosh, 16, milks cows both for fun and for profit. She daily tends herd of 82 cows on a dairy farm near Carterville, Ga.

Deltona Police Service Studied

By MILDRED HANEY
Volusia County Sheriff Rodolfo Thursday and County Commissioner Harris Saxon will attend the March 20 meeting of the Deltona Police Association to discuss and answer questions on the community's request that service of a 24-hour-a-day deputy be added to those of the present part-time officers. It is suggested that all questions be written and given to the association district director prior to the board meeting next Tuesday. At a recent meeting of the association officials with Thursday and Saxon, Saxon advised the committee to write a letter to the County Commission Chairman James I. Dixon, with copies sent to the sheriff and to him, on the matter. Association President Jim Cole, in opening remarks to the 193 persons attending the February meeting, reminded members present that "the purpose of the association is to promote peace, harmony, safety, recreational activities and progress for all Deltona residents." A letter of appreciation from Herb Packman, chairman of the committee for the plan presented to Mackle Brothers at time of the Fifth Birthday Celebration, and a photograph of the plan, was received. Packman also read several lengthy letters he had written to San George Smathers and Rep. A. B. Holt and state senators, regarding a new post office for Deltona. He was assured by both that they will look into the situation again and see what can be done. Packman advised he will welcome help in getting plans on a petition he is circulating in Friday for additional school steps. Mrs. Clarence Martin, Deltona Director, Those whose names are not on the State's Board of Education should contact the Ladies Auxiliary, should call Cole, Frank Knight, or Mrs. Martin. A Volusia County Health Department official will talk on mosquito control at the April meeting at which time entertainers will feature a barbershop quartet.

Strikes And Spares

By JOHN A. SPOLSKI

You get just what you need to cure your own if they happen to disappear during the week from the regular routine of clubs, etc.

There's probably not here at the time, sorta looting-up, for the Annual Sanford Men's Bowling Tournament which starts this weekend. As a matter of fact, it'll be going for two weekends with the teams bowing on Saturday and 9 p.m. and the doubles and singles scheduled for Sunday and 10:30 and 4 p.m.

And the way that some of us have been hitting the number lately, they've got all the previous that we can get.

There are 10 teams set to compete with 24 each of doubles and singles.

As per usual, the public is more than invited to come out during the tournament and watch the action, all for free.

Remember, all league bowlers who roll 20 pins or more over their average are entitled to compete. Incidentally, Frank Substantia has put a \$20 merchandise prize for the monthly winner, too, as well as a cash bonus.

Friday's 20 game marathon with the 2300 score, worth \$20. This was a remarkable showing by setting down the number two spot in the doubles and singles, too, as he bowled a 1000 in the 20 game.

Others who bowled in the 2000-2000 range were Jim Lamb - 2071 (200), Jim Clark - 2000 (200), Bob Ray - 2000 (200), Alan Serrano - 2000 (200) and Ed Jones - 2000 (200). Each of the games was an additional 10 pins and the lowest score to tally the last was the opener, a 200. They got progressively higher as the night went on.

It's interesting that there were no many new faces in the winners circle this time, isn't it?

The City League had a mess of big games rolled in it last Wednesday, but of equal note was big Ed Jones' first sensation of 200 game for the year. Jones bowled for the Youngblood Stragglers and is certainly one of the most popular members in the active league. (With a smile like his, how could you miss him?)

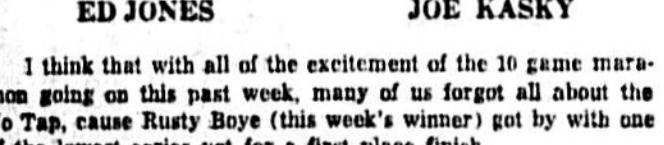

Then, Joe Kasky of the Mayfair Country Club caused more than a mild ripple of applause when he converted the difficult 4-6 split. It wasn't enough excitement for one team to create team sponsor and local professional (and newcomer to bowling, I might add!) Mike Wheeler bowled his very first sanctioned 200 game, also.

Now if this is a sign for selling new bowling balls, well, then I'll surely be missing the bet. You see, Mike just got his own bowling ball, and he says... he scores big. His series for the night was a 220.

Congratulations to all of you.

ED JONES

JOE KASKY

I think that with all of the excitement of the 10 game marathon going on this past week, many of us forgot all about the No. 7 pin, cause Rusty Boy (this week's winner) got by with one of the lowest series yet for a first place finish.

Rusty fired a 600, three pins more than runner-up Steve Page, and pocketed the weekly first place prize of \$20. Remember, all pins are scored as strikes... you don't even have to shoot at the single remaining pin.

Pat Healy and Frankie Kline are putting their meager savings together to organize a weekly league starting on Tuesday nights to have one each bowled on Tuesdays before, and for some strange reason, never did get it started again after it dropped out of existence about two years ago.

20. Luba Mary	85 84 84

If you'd like to bow in this one, which I probably have three to four days of the game a call or sign-up for some bow in the lane.

There are more and more students from Seminole High School signing to roll in their Monday afternoon bowling league. They meet each week at 8 p.m. and each of the lanes is some pretty darn good, so, I'm sure, take Dennis Stewart as an example.

Last week, Stewart chopped down enough of the wood to bow with a 220 game. And in the Junior League, David (Kilroy) Carter rolled a 198 game.

For all those Junior League members who signed to enroll into our Bowlers' Club, a reminder that the first one will bow this Saturday at 8 p.m. and each of the lanes is some pretty darn good, so, I'm sure, take Dennis Stewart as an example.

One of the hottest bowlers in the Junior League is Ed Jones. He bowled his first 200 game last week. For the past two months, Jones has been bowling a 200 game, and he's been bowling a 200 game for the past two months. (I'd just as soon I didn't mention that last game, but I'll mention it anyway.)

An Important Number - 9

Surprise - NY Knicks Might Finish 3rd

By THE ASSOCIATED PRESS
It's a pair of 9s for the Philadelphia 76ers and the New York Knicks. In the past are playoff positions and money based on the final National Basketball Association regular-season standings.

Philadelphia drew its nine Tuesday night by doubling San Francisco 127-107. The Knicks kept their nine by losing 108-102 to St. Louis.

The 76ers are the winners in the Philadelphia area. Philadelphia needs for its third straight Eastern Division title and New York needs to grab third in the East for its highest finish since the 1968-69 season when the Knicks were second.

Any combination of Philadelphia victories and or Boston losses would give the 76ers the championship. In New York's case, the combination involves Baltimore, which is fourth, the final playoff spot.

In the only other NBA game Tuesday night, Los Angeles trounced Cincinnati 117-106. Minnesota topped Utah 102-83 and the American Basketball Association.

With Chamberlain, who is becoming accustomed to the winter months, the combination involves Baltimore, which is fourth, the final playoff spot.

In the only other NBA game Tuesday night, Los Angeles trounced Cincinnati 117-106. Minnesota topped Utah 102-83 and the American Basketball Association.

Match Play May Return: PGA

NEW YORK (AP) — Match play, which disappeared from the pro circuit 18 years ago, may make a return. Professional Golf Association President Max Elbin said today. "A number of proposals have been made," Elbin said, "and are under consideration."

It could be as early as this fall, perhaps something of a spin-off from our PGA championship, a tournament of champions or something on that order. "If so, it would meet the approval of the touring pros."

There's no doubt that golf galleries need something more than week-to-week stroke play," said Jack Nicklaus, who received the Gold Tee award for outstanding contributions to the game at the Metropolitan Golf Writers' Association dinner Tuesday night.

"I'd like to see it," Elbin even goes one step further. In addition to a match play tournament, a national team four-ball championship.

Host Professional Mike Wheeler said that Patty Berg, who has won more tournaments than any other woman golfer, and the 1967 Rookie of the Year — Jan Ferraris, will be at the starting demonstration at 1 p.m. on Friday.

A complete demonstration of golfing techniques of these stars will be presented at that time.

Elgin Baylor kept Los Angeles six games behind St. Louis and Jerry Lucas led Cincinnati with 31.

Los Angeles once again played without injured Jerry Big O, hampered by an injury to West, and the Royals had to play without right side, scored only 11.

Books Good, County-wide

Raiders Lead All Teams In Overall Standings

TOM ALEXANDER
Raiders Sports Staff
The Raiders County area squads led a record to be proud of in 1967-68, as they formed a 10-1 record with a stage of 460.

The winning team in the county was the Seminole County Raiders who formed a record behind the guidance of Coach Joe Sterling.

Some of the younger players have never played match play as a pro," said Louis Hebert. "But I go back to when the PGA was match play."

The PGA championship was the last major tour event to be played at match play. It shifted to medal play in 1958.

"Some of the younger players have never played match play as a pro," said Louis Hebert. "But I go back to when the PGA was match play."

Hawks Win Title

The Hawks knocked off the Rams in a playoff game to decide the championship in the Midlet League. Leading the Hawks to victory was Allen Peterson with nine markers. Pacing the Rams was Charles Murray with 12 points and Ed Berry with nine.

In other regular action the Rams played the Jets 45-16 behind the shooting of Murray with 24 buckets and Berry with 13 points. Leading the hapless Jets was Charles Reynolds with 12 points.

The Hawks showed their championship form as they routed a 53-8 win over the Jets. Leading the Hawks was Peterson with 28 points followed by Berry with 13 markers.

In the Junior League a record mark was set as the Warriors stunk the Celtics 102-45. Three men hit in double figures for the Warriors. Terry Peterson dished in 38 points to lead his two teammates John Ashford with 30 markers and George Gordon with 20 buckets.

Tuesday night, leaving the Celtics with a hefty 11-point lead in Toronto in the battle for the playoff spot in the East Division.

Pittsburgh, meanwhile, took another step backward in its bid to catch St. Louis for the last wild card position in the West Division. The Penguins are a point out of fourth place, but have played two games more than St. Louis.

Ken Good paced the Boston assault on Pittsburgh goalie Les Benley with a pair of second-period scores. John MacKenzie and Fred Stanfield also scored for the Bruins while George Monk, Bob Rivard and Paul Angus registered goals for Pittsburgh.

Tuesday's Result
Boston 5, Pittsburgh 3
Montreal at St. Louis
Chicago at Toronto
Minnesota at Oakland
Thursday's Games
Toronto at Boston
New York at Detroit
Los Angeles at Philadelphia

Final Standings
MIDLET LEAGUE
Hawks 9-1
Rams 2-8
Jets 2-8
Warriors 8-1
Celtics 4-6
Penguins 2-8

A Winner
MARCABO, Venezuela
AP — Bob McGilver, who won last year, is favored to win the Marcarabo Open golf tournament. The tournament will be played in Deland at the Deland Junior High School gym. Other teams and games scheduled for Friday night are:
Quincy vs. Cocoa Beach 6 p.m.
Sanford vs. Lake Wales 7 p.m.
Deland vs. Vero Beach 8 p.m.
Pensacola vs. Orono Beach 9 p.m.

The Sanford All-Stars come from 12 points down in the fourth quarter last night to defeat Deland 42-10 in a pre-tournament exhibition game played in Deland.

Sanford limited the score at 10 all with 25 seconds on the clock. Jim Steffen and Fred Johnson were the scorers for Sanford. Next year also looks much brighter for the Hawks as they are developing a pace power in the Lake and Hills conference.

Sanford gained another State Tournament begins March 1 in Deland. The Sanford All-Stars will play Lake Wales at 7 p.m. Friday night in the opening round of the Florida Junior High Basketball tournament. The tournament will be played in Deland at the Deland Junior High School gym. Other teams and games scheduled for Friday night are:
Quincy vs. Cocoa Beach 6 p.m.
Sanford vs. Lake Wales 7 p.m.
Deland vs. Vero Beach 8 p.m.
Pensacola vs. Orono Beach 9 p.m.

Botany Project Wins Slavia Science Fair

OVERALL winner in Science Fair at St. Luke's Christian Day School in Slavia, was a botany project on the propagation of ligustrum, was Patty Sittes, a ninth grade student. Debbie Knowles, with a study on birds, won first place in zoology exhibits. In charge of the fair was Miss Susan Stanko, science teacher. (Herald Photos)

By RUTH DAVIDSON
A ninth grader's botany project was judged overall winner at the recent Science Fair at St. Luke's Christian Day School in Slavia.

Patty Sittes, whose entry was on the propagation of ligustrum, stated upon receiving the award that her interest in plants stems from the hobby she and her father share.

Other winners in the various categories were Beth Duda, second, botany; Debbie Knowles and Billy Wolf, zoology; Martine Walow and Paul Cook, mathematics; Teddy McClure, earth and space; and Steve McCummings and James Spencer, physics.

Blue and red ribbon winners will enter their projects in the Regional Fair to be held March 9 at Onondaga High School.

Miss Susan Stanko, science teacher, was in charge of the fair at St. Luke's.

Plans For Angola
LISBON (AP) — Portugal expects to spend \$12.5 million developing various phases of the economy of the Portuguese African colony of Angola during 1968.

The amount is part of the total of \$87.5 million allotted for the territory under Portugal's six-year development plan.

The largest amount is to go toward the development of Angola's mineral and oil resources, including iron ore, diamonds and manganese. More than \$42.5 million will be invested in that sector, the government says.

Second priority goes to transportation and communications, with \$181 million expected to be spent during the six-year period.

Writes But Doesn't Talk
LOUISVILLE (AP) — The letter from the out-of-state firm that signed "Phillip Page" to Brainerd Ray decided to put in a long distance call to the writer.

The telephone operator made an exhaustive search but could find no such listing. Finally, she located someone at the firm and asked how she could complete Ray's long distance call.

"I don't know," came the reply. "No wonder you couldn't find his number listed, Phillip. He was built around 1788."

Hardstown
HARDSTOWN, Ky. (AP) — Federal Hill at Hardstown, better known as My Old Kentucky Home, was built around 1788.

J.M. FIELDS 212 E. FIRST ST. SANFORD, FLA. 322-4911

MRS. FRANK GIBBONS tries a feminine approach to Karate on her husband who arrived at Mardi Gras Hall all decked out for a fun match.

Lavery-Whipple Nuptials Spoken

By MILDRED HANEY
Miss Susan Elaine Lavery became the bride of Robert Daniel Whipple Jr. Sunday at 11 a.m. in St. Ann's Roman Catholic Church, Delray. The Rev. Oliver Ellis, assistant pastor, officiated at the Nuptial Mass and also officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Donald Lavery, 615 Merrimac St., Deltona. The bridegroom is the son of Mr. and Mrs. Robert D. Whipple Sr., of Pensacola, N. Y.

Given in marriage by her father, the bride wore a formal gown of chantilly lace over tulle, designed with long, tapering sleeves, a chapel train and features a scalloped neckline of seed pearls and sequin embroidery. Her veil of French illusion was attached to a satin and seed pearl coronet which also featured jewel embroidery.

The bridesmaid, Miss Maureen Leahy, of Sanford, wore a dress identical to the maid of honor's. Rodney Roseman of RYAL-7, N.A.S., Sanford, was best man. Charles F. Parkhill of RYAL-7, N.A.S., Sanford, acted as usher, with Mrs. Charlotte Scherrer as organist.

Immediately following the ceremony, a reception was held at the Dickinson Memorial Library.

Mrs. Golloher And Son Feted At Shower
Mrs. David Golloher and infant son, David Martin, were honored at a baby shower, Feb. 21, at the home of Mrs. Bonnie Cannavino, 117 Onora Road. Assisting as co-hostess was Mrs. Bonnie Dudley.

Mayfair Country Club Site Of Annual Mardi Gras Ball

COSTUMED IN BRILLIANT gold and jeweled costumes which they wore in the New Orleans Mardi Gras Court last year are Duke and Duchess James Ryan.

LADY AND THE TRAMP? Not exactly—it's Alex Sorraes, Mardi Gras Ball chairman and his wife, Evelyn.

Mayfair Country Club was the setting for a gala Mardi Gras Ball Saturday night sponsored by Alex Sorraes and School Departments. Lavishly costumed guests attending on the scene were greeted by Alex Sorraes and his wife, Evelyn. General chairman of the late was Alex Sorraes for the second consecutive year with the annual Mardi Gras Ball. The ball was a success and the evening was a most enjoyable one. The ball was a success and the evening was a most enjoyable one. The ball was a success and the evening was a most enjoyable one.

Medical News

Recurrences of psoriasis, a common skin condition, "are often triggered by a sudden change in climate or an emotional crisis," according to Dr. David Goe of Duke Medical Center, Durham, N. C.

Dr. Weibon notes that psoriasis is more likely to seek physician's help during the winter months. "This medication he recommends for clearing up psoriasis is Altophy, a skin lotion containing coal tar and allantoin.

Morning sickness during the first three months of pregnancy may be a sign that all is going well, a California physician finds.

Among more than 7,000 women studied, three-fourths had nausea and vomiting early in pregnancy, says Dr. Joseph M. Bradley of Oakland, Calif. Women who did not experience morning sickness had an appreciably higher rate of miscarriages and premature births than those who did, he reports.

DeBary Gardeners Slate Workshop
Mrs. Robert Gutrie of Orlando, nationally accredited as a master judge of flower shows, will conduct a workshop for members of the DeBary Garden Club on March 7 at 10:30 a.m. and again on the morning of March 21, in the Community Center.

Curry is Easy To Serve

By CECIL BROWNSTON
 Associated Press Food Editor

It's a lovely curry. A friend of mine served it to company and they all like it. So do you. Try it and see whether you agree.

One of the best things about serving curry is that it's easy to serve. For the main course, you only need one big round filled with the curry, a bowl of rice and a tray of condiments. That's it. And people can help themselves.

After the curry, a salad, made with Swiss Vinaigrette is an excellent choice; so is a bowl of tossed mixed greens with a marinated artichoke heart. Or you can offer the salad in a lettuce form before the curry.

What about dessert? A curry dinner is not a dinner at all, unless you want to dine at all. You'll want to follow up with a dessert that complements the curry. The restaurant consisted of two layers of butter cake filled with whipped cream and topped with whipped cream plus mountains of shredded fresh coconut. A shortening cook filled with a mix-made white or yellow layer cake, a package of vanilla pudding (flavored with rum), whipped cream and flaked coconut that comes in a can.

2 pounds lean beef chuck, in one piece and about 1 inch thick.

3 tablespoons butter or margarine

1/2 cup chopped onion (1 medium)

2 tablespoons curry powder

1 envelope seasoning and broth mixture

1/4 teaspoon pepper

1/4 cup water

2 teaspoons lemon juice

1/2 cup heavy cream

1 cup rice, cooked

Condiments: chutney, dry toasted peanuts, coconut, sliced candied ginger.

Put beef into pieces that are about one-inch square.

In a 10-inch skillet (with a dome cover) or similar utensil, melt two tablespoons of the butter. Add beef and over moderate heat brown well. With a slotted spoon remove beef to a plate.

To drippings in skillet, add remaining tablespoon of butter and the onion. Cook over low heat, stirring often until well browned. Sprinkle with curry powder, seasoning, broth mixture and pepper. Stir in water.

Return beef (and any juices that have collected) to skillet. Bring slowly to a boil. Cover tightly. Reduce heat to a bare simmer and cook gently until beef is tender—about one hour. Cool, turn into a refrigerator container or leave in skillet unless it is black iron. Cover tightly; chill.

At serving time, remove fat that has hardened on top and discard. If necessary, return curry to skillet or some other range-to-table utensil. Heat gently. Add lemon juice and cream. Mix well and reheat but do not boil. Taste and add salt if needed. Sauce should be thin. Serve over cooked rice. Pass condiments for help-yourself.

Makes four generous servings.

RECIPE NOTES:
 The envelopes of rich brown seasoning and broth mixture used in testing this recipe came in a 1 1/4-ounce carton with eight individual foil envelopes in the package. If this product is not available, you may substitute two beef bouillon cubes. In this case be absolutely sure to dissolve the cubes when the water is added, mashing them with a kitchen fork or wooden spoon after you have returned the beef to the skillet and are bringing slowly to a boil. This is a fairly hot curry so, if you like, you may reduce the amount of curry powder called for and omit the pepper. However, curries vary in strength, so take this fact into consideration.

Prayer Service Planned
 A World Day of Prayer Service will be held at 10 a.m., Friday, at Westminster United Presbyterian Church of Grandberry located on 22 4th east of Semboke Place.

Several churches in the area are participating and the theme will be "Dear One Another's Saviors."

The invitation will be given by Rev. David E. Buehler, pastor of the Rollins Hill Methodist Church.

All are invited to attend.

Chocolate Flavored Torte 'Hit'

By CECIL BROWNSTON
 AP Food Editor

Dessert and coffee parties have become popular a dozen or more years ago. They're a good thing. It's not always convenient to cook a whole meal for guests.

These dessert parties should be neighborly affairs to which you ask friends living near you. If guests have to come from afar it's best to ask them for a whole meal.

So for a dessert and coffee party, what do you serve? One excellent choice is a torte—and when it's chocolate, it's usually a hit.

That's exactly what we offer today—the cake part of this torte is of mild chocolate flavor; the frosting is bursting out with chocolate.

CHOCOLATE WALNUT
 1 and 1/2 doz cups sifted cake flour
 1/2 cup plus 3 tablespoons sugar
 1/4 teaspoon baking powder
 1/4 teaspoon salt
 1/2 cup corn oil
 1/2 cup milk
 1 teaspoon vanilla
 1 1/2 squares (1 1/2 ounces) unsweetened chocolate, finely grated
 1/2 cup finely chopped walnuts
 2 egg whites (save yolks for frosting)
 1/2 teaspoon cream of tartar
 Whipped cream
 Chocolate Buttercream Frosting—see Recipe Below

Grease the bottom of a round layer cake pan (8 by 1 1/2 inches). Line bottom with wax paper.

In a large bowl of electric mixer sift together the flour, 1/2 cup sugar, baking powder and salt. Make a well in the center and add corn oil, milk and vanilla. Beat gently until smooth. Fold in grated chocolate and walnuts.

In a medium mixing bowl, with clean beater, beat egg whites and cream of tartar until whites hold stiff straight peaks when beater is slowly withdrawn. Gradually beat in remaining three tablespoons sugar. Continue to beat, if necessary, until whites hold stiff straight glossy peaks when beater is slowly withdrawn. Fold (do not stir) into batter. Turn into prepared cake pan.

Bake in a 350-degree oven until cake tester inserted in center comes out clean—32 to 35 minutes. Turn out on wire rack; remove paper. With another rack, turn right side up; cool.

Split torte in half to make two layers, put layers together with whipped cream. Spread Chocolate Buttercream Frosting over top or over top and sides. Refrigerate at least one hour before cutting.

CHOCOLATE BUTTERCREAM
 3 squares (3 ounces) semi-sweet chocolate
 2 tablespoons water
 2 egg yolks
 1-1/2 cup light corn syrup
 8 tablespoons butter

In a one-quart saucepan or small double-boiler top put the chocolate and water. Melt over very low direct heat or over hot (not boiling) water; cool.

In the small bowl of the electric mixer, beat the egg yolks until they begin to thicken and become lemon color.

In a very small (two or three cup) saucepan bring the corn syrup to a full boil; boil one minute. Pour very slowly over egg yolks, beating constantly until very thick and a very pale lemon color. Allow to get cool.

Without wasting the beater, in another small bowl, thoroughly mix egg yolk and syrup mixture; beat until thoroughly combined and smooth.

Add melted cooled chocolate and vanilla; beat to blend. Use as directed in Chocolate Walnut Torte recipe.

Leap Year Dance Set in Delta

By HILDRED HANEY

The Delta Lions Club will sponsor a Leap Year Dance Thursday, beginning at 8:30 p.m., at the Delta Community Center on Lake George.

Music will be provided by Norm Wright and his Orchestra and proceeds from the event will go to provide funds for the club's charitable work.

Tickets may be obtained from any club member or at the door.

Lions in charge of the dance are Leroy Roth, chairman, and Ralph Alger, William Athba, Jack Hudson, Charles Lloyd, John Pohl, Roy Murray and Bud Musselman.

'Family Day' Set At Mt. Calvary

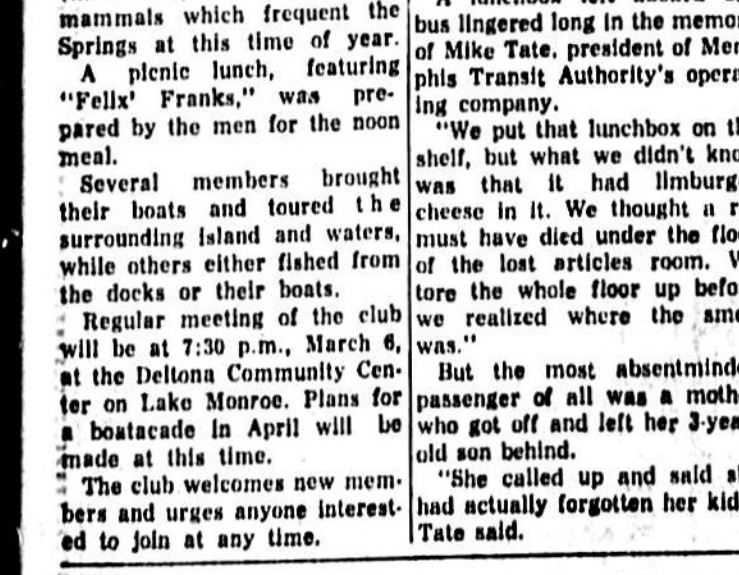

By MRS. H. B. THOMAS JR., 323-3738
 Family Day will be observed at the 11 a. m. service Sunday at New Mount Calvary Baptist Church. All friends of Calvary are invited to take part in this special service.
 Holy Communion will be offered at 8:30 p. m. Sunday.
 The regular weekly prayer meeting service is scheduled to be held Thursday night at 7:30 p. m. All members are asked to bring their Bibles. Baptism will be administered immediately following prayer meeting.
 Rev. E. L. Murray is pastor.

Edward E. Jones celebrated his twelfth birthday Feb. 26 at the home of his parents, Mr. and Mrs. Casey Jones. Edward, with the help of his brother, Casey, Jr., sisters, Sheryl Ann and Cindy, and Darryl Thomas, spent an enjoyable afternoon devouring hamburgers, potato chips, punch, ice cream and cake. Edward is a sixth grader at Goldboro School.

Sportsmen Have Picnic At Springs

By MILDRED HANEY
 Although skies were overcast, 68 members and guests of the Deltona Sportsman's Club attended the Washington's Club picnic at Blue Springs which began at 9:30 a. m. with "glam" coffee-makers boiling away.
 The coffee was served with a more than sufficient supply of freshly made doughnuts in front of "hugh, crackling fire" built by several of the men in the two outdoor fireplaces.
 Those attending were thrilled at the antics of the Sea Cows (manatees), the large water mammals which frequent the Springs at this time of year.
 A picnic lunch, featuring "Felix' Franks," was prepared by the men for the noon meal.
 Several members brought their boats and toured the surrounding island and waters, while others either fished from the docks or their boats.
 Regular meeting of the club will be at 7:30 p. m., March 6, at the Deltona Community Center on Lake Monroe. Plans for a boatcade in April will be made at this time.
 The club welcomes new members and urges anyone interested to join at any time.

QUALITY and size of produce from backyard gardens of Deltona "farmers" continue to amaze friends and neighbors. This giant cauliflower grown by Bill Jenkins had pure white florets. Too much for one family, it was divided among several neighbors. (Herald Photo)

ALPHA KAPPA ALPHA Sorority officers: Clara Ware, Anti-Grammateus; Amanda Ware, Talmochus; Loraine Stretcher, Basileus; J. Mallory, Anti-Basileus; Ernestine Lofton, Grammeteus.

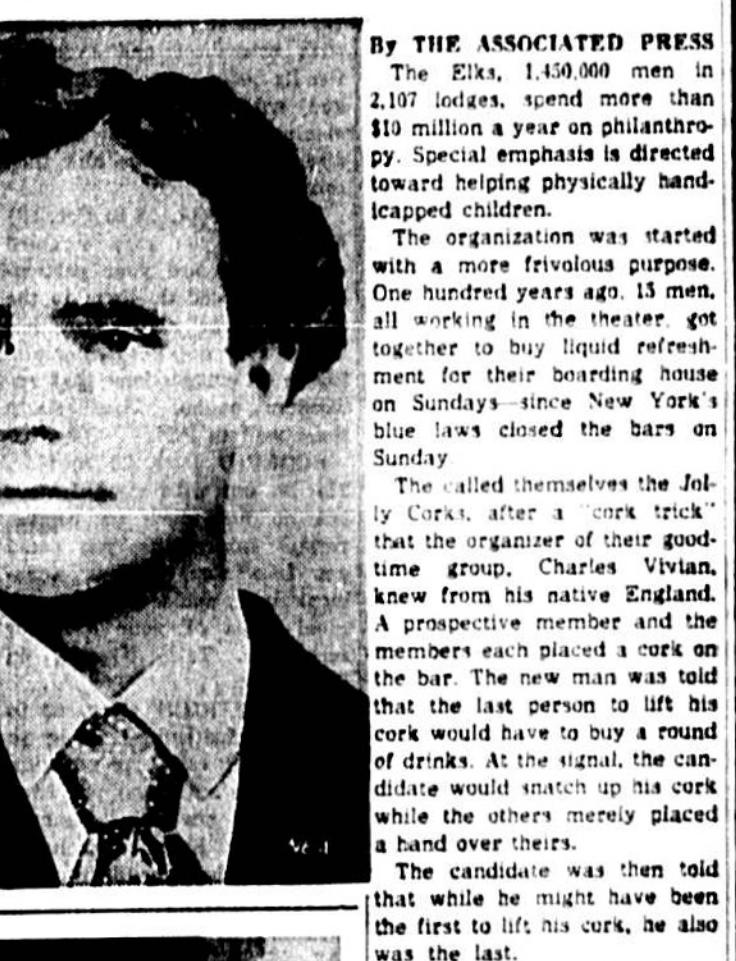

EDWARD E. JONES celebrates his twelfth birthday.

Elks Spend \$10 Million On Charities

A Century of Service

This is the Year of the Elk as the 100th anniversary of the Benevolent and Protective Order of Elks is observed by 1.5 million members in 2,100 lodges across the nation and in the Canal Zone, Guam, the Philippines and Puerto Rico. Charles Vivian, right, entertainer son of an English clergyman, founded the organization with 14 theatrical friends. Since 1880, the Elks have spent more than \$10 million on charitable projects and contribute \$18 million annually to benevolences.
 The candidate was then told that while he might have been the first to lift his cork, he also was the last.
 After awhile members of the group decided that they should aid better goals to their good fellowship. When one member died, leaving his family destitute, they decided to organize more extensively, to help members who were in distress. Changing their name, also to something more serious, brought debate between Buffaloes, for the Royal Antiquarian Order of Buffaloes in England, or Elks, after an elk head displayed in Barnum's Museum on Broadway and described as "strong in defense of its own, timorous of wrong-doing and possessing other qualities that man might emulate to his benefit." Elks won by one vote.
 The lodge soon broadened its membership to include those not in the theater and philanthropy went beyond its own membership. The Elks, however, is still a man's organization, with no auxiliary.

LONGWOOD Industries, which converts sea water into ice through its Lowe-Temp salt water ice market, recently hosted Byron W. Hill, Jamaican commercial fisherman, who supplies 65 per cent of the fish for the Jamaican market. Hill purchased an ice maker for one of his boats. From the left: Robert W. Gordon, Longwood Industries president; Hill, Hector Robinson, Skokie International, export manager for Longwood Industries, and Thomas Pratt, sales manager. (Herald Photo)

'Face Saver' School Group Eyed

By MARJORIE GREEN

The impending educational settlement between the Florida Educational Association (FEA) and state officials includes a special advisory committee to the local school board.

This advisory committee is the "face saver" for the FEA. It fulfills its demand that teachers have professional negotiations with the school board.

The committee will be advisory and will have no authority to control the policies of the local school board. It will help select textbooks, improve working conditions and state grievance.

Florida Education Association President Dexter Hagman said he strongly wanted a settlement that Kirk's remarks made no difference.

"Both the promises and the threats of Gov. Claude Kirk are meaningless to members of the Florida Education Association," he said. "We learned long ago that his word is not good."

Hagman said his representatives will continue discussions with the state officials and other observers. "That is secret negotiations by cabinet members with state officials to achieve a settlement," he declared.

The governor said he did not think that letting the \$25.4 million spending package and \$329.5 million in tax bills become law would "violate his pledge against new taxes."

The governor said the bills fell "far short" of the recommendations of his Commission on Quality Education. However, he said they would provide "something for the teaching teacher who is in the classroom."

"I am confident the legislative process will continue," Kirk said, "even if I have to wait until after November," when all members of the present Legislature will have to seek new terms.

State School Supt. Floyd Kirk said Wednesday that he had assured him he would sign the \$25.4 million spending package, Kirk's office promptly released the statement, mislabeled.

Asked about the contradiction, Kirk said he told the Democratic Cabinet officer, "It was my intent to allow the bills to become law or to sign them."

CONTRIBUTIONS from persons who viewed the high-priced Russian car built for Stalin at Sanford Plaza a couple weeks ago were presented this morning by the Sanford Plaza Merchants Association to the Seminole County Mental Health Clinic. From the left: John Mercer, Dr. Frank Leone, of the clinic; Charles Robinson and William Boatner. (Herald Photo)

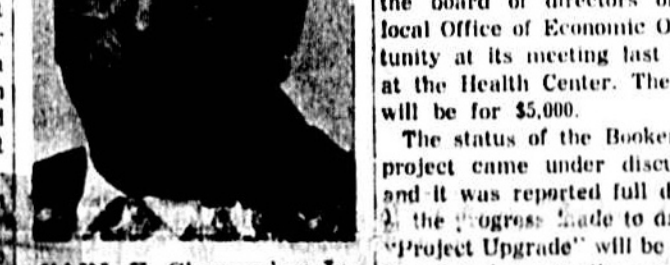

'Action' Negotiates For Operating Loan

Amos Jones, executive director of Seminole County Community Action, was busy today negotiating a loan with one of the local lending institutions to pay staff salaries of the local poverty group until such time as a bond from the \$21,000 plus grant recently approved by the federal government for the Seminole poverty group.

The action was authorized by the board of directors of the local Office of Economic Opportunity at its meeting last night at the Health Center. The loan will be for \$5,000.

The status of the Bookertown project came under discussion and it was reported full details of the project would be given in a newsletter to the membership in the next few days.

It was agreed to make further inquiries about funding for a headstart program for Seminole County.

CARL E. Chorprenge Jr., today announced his candidacy for the Democratic nomination for sheriff. (Herald Photo on Page 3A.)

County Could 'Freeze' Water Rates - Bassett

The County Commission could freeze water rates in Seminole County pending further study to be made by the water utility, according to a statement today by the Legislature. Rep. E. Pope Bassett, secretary of the Orange-Seminole legislative delegation, told the Herald today.

Bassett said the Commission has the legal authority to be "in any kind of regulating they deem wise beginning tomorrow."

"On the other hand they could do nothing about the problem as they have done nothing for the past several years," Bassett declared, "and continue abdicate their responsibilities to the utility consumers."

At Altamonte Springs Water Extension Funds Received

Altamonte Springs City Clerk Dorothy Barkness and City Attorney S. Joseph Davis Jr. completed bond closing for the extensions to the city water system in Altamonte Springs today.

The status of the Bookertown project came under discussion and it was reported full details of the project would be given in a newsletter to the membership in the next few days.

It was agreed to make further inquiries about funding for a headstart program for Seminole County.

Citrus Theft On Increase

LAKELAND (AP) - Carry load and even Southern, citrus groves are suffering from an increasing rate, according to an investigator.

Lucille Besinger of Florida Citrus Mutual says that citrus losses have reported more than 100 percent increase during all of the 1967 season.

HOPE Meets

An information question-and-answer program will highlight a meeting of Help Our Public Education (HOPE), a group of interested citizens at 8 p.m. Friday at Longwood School Auditorium.

Representatives of the school administration, Florida Education Association and a principal will be on hand to answer questions.

Patrol Boat Presented To Sheriff

Seminole County sheriff's department received a new patrol boat from Cobia Boats (Southern Fiberglass Products) yesterday at Monroe Harbour. The 18-foot hull number has 100 hp and cost over \$3,000. It is equipped with a radio, two searchlights and rescue equipment.

Jack Eichelberger, Cobia sales manager, and O. W. Barnhart, Cobia advertising and public relations, presented the boat to Sheriff Peter Millot.

The boat will be kept at Monroe Harbour at a mooring 100 yds. from the front of the boat to Sheriff Peter Millot.

The boat will be kept on patrol during the times when boat traffic is heavy in the area.

Kirk Says 'To Ease Pressure'

TALLAHASSEE (AP) - Gov. Claude Kirk said today he would allow the controversial education spending package to be signed without his signature March 7 unless there is some attempt of secret negotiations between Cabinet members and striking teachers.

Kirk said he would let the product of the special education session become law because the "striking teacher under FEA control demands a veto of the legislation now on my desk."

However, he accused Democratic Cabinet members of a "secret attempt to negotiate with the striking teachers a position which is in clear violation of both legal and moral tradition."

There was no immediate indication how the governor's statement would affect a reported settlement plan which would have Florida schools open again next week.

Florida Education Association President Dexter Hagman said he strongly wanted a settlement that Kirk's remarks made no difference.

"Both the promises and the threats of Gov. Claude Kirk are meaningless to members of the Florida Education Association," he said. "We learned long ago that his word is not good."

Hagman said his representatives will continue discussions with the state officials and other observers. "That is secret negotiations by cabinet members with state officials to achieve a settlement," he declared.

The governor said he did not think that letting the \$25.4 million spending package and \$329.5 million in tax bills become law would "violate his pledge against new taxes."

The governor said the bills fell "far short" of the recommendations of his Commission on Quality Education. However, he said they would provide "something for the teaching teacher who is in the classroom."

"I am confident the legislative process will continue," Kirk said, "even if I have to wait until after November," when all members of the present Legislature will have to seek new terms.

State School Supt. Floyd Kirk said Wednesday that he had assured him he would sign the \$25.4 million spending package, Kirk's office promptly released the statement, mislabeled.

Asked about the contradiction, Kirk said he told the Democratic Cabinet officer, "It was my intent to allow the bills to become law or to sign them."

HHH Tour In State Outlined

TALLAHASSEE (AP) - A weekend swing through Florida will begin Friday for Vice President Hubert Humphrey and his wife. Humphrey will begin the trip here with other stops in Cocoa Beach, Orlando, Sanford, Miami Beach, and Pensacola.

The vice president will spend Friday night in Sanford. Shortly after his arrival, Humphrey will speak to an audience of the university as part of an FSU lecture series, opening himself to questions afterward from a panel.

Among the vice president's other scheduled stops was a visit Monday to the Navy base at Pensacola. The visit, open to the university, will include inspection of troops and presentation of medals to wounded Vietnam veterans at the U.S. Naval Hospital.

Shots Fired Into House; Boys Held

Three shots fired into a house at 123 East Laurel Court last night started a search for two juveniles which ended in a car chase by Longwood police.

Longwood police chased the car to a wooded area where the juveniles jumped out and ran. They were apprehended in a utility room at 9:30 p.m. after resisting arrest.

The boys being held in the Seminole County jail on two counts: shooting into an occupied dwelling and resisting arrest.

One of the youths had been in Seminole County court yesterday on five counts. Three of the charges were dropped and two were pending investigation.

The counts included using loud language on the telephone, two counts of using profanity in public, one count of contributing to the delinquency of a minor, and one count of damage to private property.

Lawyer Held As Robber

HOUSTON, Tex. (AP) - An Oklahoma City lawyer who vanished from his office last autumn lay in critical condition and possibly blinded - in a Houston hospital today, charged with robbery by fire-arm assault and murder.

John Burton McCabe, 40, was shot in the face and shoulder Tuesday night by the manager of a drive-in grocery.

Robert Earl Purvis told police he was counting the day's receipts when an armed robber appeared.

Police Lt. J. M. Albricht said the homicide suspect, Purvis, was held in a storehouse where a 30-06 rifle was found and Purvis fired as the man was stuffing money into a paper bag.

DeBary 4-H Club in Teams of Two

The DeBary 4-H Club, in teams of two members, will be calling on eight to 10 homes each Saturday to make a home safety survey. The boys and girls will check with homeowners on possible hazards in the home and also will distribute publications on home safety.

This club, according to Safety Projects Leader Earl Merrill, conducts two or more such group projects each year to meet some constructive community need.

Patrol Boat Presented To Sheriff

Seminole County sheriff's department received a new patrol boat from Cobia Boats (Southern Fiberglass Products) yesterday at Monroe Harbour. The 18-foot hull number has 100 hp and cost over \$3,000. It is equipped with a radio, two searchlights and rescue equipment.

Jack Eichelberger, Cobia sales manager, and O. W. Barnhart, Cobia advertising and public relations, presented the boat to Sheriff Peter Millot.

The boat will be kept at Monroe Harbour at a mooring 100 yds. from the front of the boat to Sheriff Peter Millot.

The boat will be kept on patrol during the times when boat traffic is heavy in the area.

we care

what does A&P stand for?

(Besides The Great Atlantic and Pacific Tea Co., Inc.)

Faithful, honest, dependable and quality. Our founder established these business guidelines for A&P over 100 years ago.

It is from this basic foundation that so many of our current-day policies have grown.

Our Raincheck policy, for example, which assures you that you will never miss out on an advertised item.

Our policy of packaging meats, that guarantees that the side you can't see is equal to or better than the side you can see.

Our complete and unconditional guarantee of anything you buy at A&P, no matter who makes it.

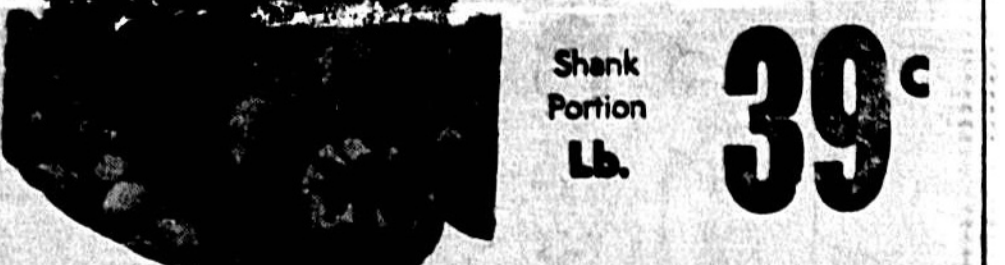

Our dedication to quality in the production of our own brands. Quality standards so high that we guarantee any product bearing the A&P Seal is equal to or better than the nationally famous brands.

You can probably sum it up in one word, "CARE." We care about you.

When you think about it... shouldn't A&P be your store?

The youngsters have had their fill of games and play. Now it's time to sit down to a special birthday dinner. Small-Fry SpaghettiOs are the perfect choice for a child's birthday meal. They are delicious, easy to eat, and they are a great way to introduce your child to a variety of foods.

Small-Fry SpaghettiOs are made with real spaghetti, real sauce, and real cheese. They are a healthy and delicious choice for a child's birthday meal. They are also a great way to introduce your child to a variety of foods.

A Different Lemon Pie

By CECILY BROWNSTONE

2 tablespoons flour
 3 large eggs
 2 tablespoons butter or regular margarine, melted and cooled
 1/2 cup lemon juice
 3 tablespoons water
 Roll out half the pastry and use to line an 8-inch glass pie plate. Roll out remaining pastry for top crust; cut vents in it; cover with transparent plastic wrapping and refrigerate. In a small bowl thoroughly stir together the sugar and flour. In a medium mixing bowl beat the eggs until they are foamy and begin to thicken. Add sugar-flour mixture and stir until smooth. Add lemon juice and water; mix well. Pour into uncooked pastry shell. Place pastry for top crust over filling; trim if necessary. Fold edges of both crusts under; seal and flute. Bake in a 400-degree oven until pastry is golden—35 minutes. Cool before cutting. Refrigerate any leftover pie and reheat before serving.

World Day Of Prayer Set Friday

World Day of Prayer, observed annually on the first Friday in Lent under auspices of Church Women United, this year will be at First Presbyterian Church, Third Street and Oak Avenue, at 10 a.m. Friday.

Coffee preceding the service will be served at 9:30 a.m. in Fellowship Hall and baby-sitting service will be available.

World theme for the service this year, used by groups such as CWU in 126 countries and territories, is "Our Ye Ours Another's Burden." A church woman of Caydon has prepared the service.

Dating back to 1851, this day has as its primary purpose prayer and giving of the church. On this occasion, people are brought together across denominational, racial, national and cultural boundaries to pray for the needs of the world and to make an offering for carrying out the world's mission.

Throughout the world, the appeal is "Come pray with us on this meaningful day. Church bells will ring at 10 a.m. If you cannot attend service, please wherever you are and say a prayer.

Offering presented at this time will be used in the nearest ministry, Indian ministry, Christian colleges in Africa and Asia and to make available Christian literature for women and children overseas.

Everyone, man, woman and child, is encouraged to participate in the service.

Rub Masseurs Wrong Way

EL PASO, Tex. (AP) - A proposed city ordinance in El Paso is rubbing massage parlor operators the wrong way.

The ordinance would prohibit women attendants from massaging men, and men from massaging women. It would license all massage parlors, and it would permit police to revoke licenses for violations of the law.

"I never saw a man who wanted to be massaged by another man," said Martin L. Swigart, a parlor operator. "I couldn't make a living if women were not allowed to massage men patients."

Babe Sale For Scouts

By Mrs. J. E. MATHIEUX

Mothers of the newly organized Geneva Boy Scout Troop are planning a "Babe Sale" to raise funds for the purchase of materials for the boys.

The sale will be held in front of the Geneva Post Office on Friday, beginning at noon, and all day Saturday.

Mrs. W. A. Myers and Mrs. Thomas Denton are in charge of the project.
