Who's Who Among The LOOKOUTS

In 88 times at bat in the first five weeks of this season, Manager Stuffy McCrone of the Sanford Lookouts has made only four errors. He failed to get many hits, but with only 17 smacks at the pill he scored 14 runs in that period...

McCrone came to Florida two years ago and managed the Daytona Beach club in 1934. The team got a bad start but tied with St. Augustine for second place in the last half of the season. He played with the Jacksonville Terns in 1935, and came to the Lookouts this spring...

DeLand Battles For 12 Innings; G-Men Through 6 Cantos

The Reds and the Azaleas battled for 12 innings at Palatka and the G-Men and the Saints fought through 10 innings at St. Augustine yesterday, and in each case the team playing on home grounds won. The score in the DeLand-Palatka game was 5-6...

The Azaleas scored four runs in the third inning of the game with DeLand in Palatka yesterday, but the Reds scored one run in the first and with three more in the third tied the score for the next six innings. In the first half of the 10th the Reds put one man across the plate, but in Palatka's half the Azaleas scored two, and thus won the contest...

Pirates Defeated 24 To 12 Before Many Adult Fans

Defeating the Pirates, 24 to 12, the Seminoles yesterday evened the score in the "little world series" of the Lions League. The first game of the series, played last Friday, was won by the Pirates, 9 to 6.

The Seminoles started off with a bang yesterday, scoring nine runs in the first inning. Glenn Cochran was on the mound for the Pirates and he allowed six hits and walked four men. In their half of the first canto the Pirates scored twice, but in the third inning the Seminoles came back with three more runs.

It was the fatal fourth, though, that sealed the doom of the Pirates. In that inning Cochran walked four men, hit two with pitched balls and allowed eight strikes, with the result that the Seminoles pushed an even dozen men across the home plate in that one inning.

LeRoy Estridge was sent in to pitch for the Pirates at the beginning of the fifth inning, but though he kept the Seminoles from making another run it was too late to save the day.

Thomas Cobb pitched the first three innings for the Seminoles and William Bragan pitched the last four. Roland Floyd caught for the Seminoles and George Willis caught for the Pirates. The Seminoles connected for 20 hits and the Pirates got 13. W. A. Ludwig umpired the game.

More than 100 adults and scores of children witnessed the game. The third game in the "little world series" will be on the Grammar School grounds tomorrow afternoon at 5 o'clock.

Ball Park May Be Included Sprain Will Keep In Request For WPA Funds; Bold Venture Off Athletic Field Is Okeyed Track For Months

Inclusion of improvements at the ball park in the request for funds out of the next allotment of WPA money, expected in July, was commended on favorably by Mayor S. O. Shinkholer and other members of the City Commission during the discussion last night of what projects should be placed upmost. Park Superintendent James Moughton said Sanford Field was in last year's list, and it was side-tracked in favor of other projects that were deemed more necessary.

But it is one of the things that should be revamped," commented the mayor. City Engineer Fred T. Williams said it was hoped some money could be obtained for improvements at the golf course, "but if the State Market's request is a large one we probably will not be able to put the golf course in the list of projects."

The Planning Board has approved the \$18,776 allocation for an athletic field at Seminole High School, the city engineer reported, "and that is all the schools have got, or will get, as it now stands, of WPA funds."

Ten thousand dollars for the swimming pool at Oviedo has also been approved.

Famous Horse Won't Race Again This Season, Says Hirsch

NEW YORK, May 23.—(AP)—Bold Venture, the American turf's horse of the year, owed a tendon yesterday at Belmont Park and Trainer Max Hirsch said, will not race again this year.

Bold Venture turned up lame after finishing a six-furlong workout in 1:15. Examination revealed a bowed tendon in the right foreleg. The injury, even if it responds satisfactorily to treatment, means the colt will be out of training indefinitely, Hirsch said. It may cause permanent retirement.

The injury deprives Bold Venture of a chance to win the classic Belmont Stakes, June 6, and renew rivalry with Brevity and Granville, the two colts which have fought it out with the Schwartz filer this spring on separate occasions. Brevity was beaten a head by Bold Venture in the Derby. Granville lost a nose decision in the Preakness two weeks later.

The two victories were worth \$65,000 to Bold Venture's owner, who kept possession of the colt only because nobody topped his reserve bid of \$7,500 when his racing establishment was put up for sale this spring.

British Writer Declares Americans Are "Too Uncouth" To Enjoy Cricket

LONDON, May 23.—(AP)—The rough-and-tumble American sports fan, who believes in very free speech and lots of it, is the greatest menace to be overcome before cricket can supplant baseball as America's favorite sport, believes Shane Leslie, a scholarly British writer.

"The American crowd would, of course, barrack (Ed's note: that's British for razz) the players to distraction," he writes in his book, "American Wanderland."

"I watched a baseball game and was pained at the expressions thrown at the umpire, to say nothing of the desperate rudeness screamed at the players, although they were doing their best."

"The division into 'gentlemen' and 'rovers,' he adds, would be a hateful and odious distinction in America 'alone condemning the game in free-born eyes.'"

The "gentleman" cricketer, it may be pointed out, is an amateur. He gets a "Mr." before his name in the lineup. The professional is just a "player," and he must be very careful not to get mixed up and walk into the clubhouse lounge.

Warren William became an actor because he didn't want to edit his father's newspaper in Altkin, Minn.

Most of the members of the City Commission, as well as many other city officials, it seems, went to the ball park last Thursday, the day that Jupiter Pivius defeated both the Sanford Lookouts and the Gainesville G-Men, and they got "sood and wet," as City Clerk F. E. Lanson expressed it.

Commissioner W. A. Laffor said that Jimmy Wright told him they got wet because the roof of the grandstand leaks, and Commissioner W. R. D'Arce was of the same opinion, but Mayor S. O. Shinkholer was of the opinion they got wet when the wind drove the rain in the open front of the grandstand.

Poll Taxes Not Paid
By 760 Democrats,
Registrar Reports

Three thousand, eight hundred and eighty residents of Seminole County are eligible to vote in next Tuesday's primary, according to final tabulations prepared by W. J. Thigpen, supervisor of registration. In arriving at this figure he checked the registered voters against the poll taxes. The 3,880 figure includes all those who registered and either paid poll taxes or were exempted from such payment by age limitation, National Guard service or war disability. The bulk of the vote will be cast in the city. The total in Sanford is 2,436, divided 1,092 in the first precinct and 1,344 in the third precinct. The 13 precincts in the county can cast a total of 1,444 votes.

Only 56 Republicans and two independent voters are registered in Seminole County. Six voters have died since registering, and 670 Democrats failed to pay their poll taxes.

The poll books show qualified electors in the various precincts as follows:

No. 1, Sanford	1,092
No. 2, Lake Monroe	174
No. 3, Sanford	1,344
No. 4, Ocala	88

Chase Says State Loses In Letting Chemists Leave

Advocating a plan whereby students of chemistry might be retained in Florida to carry on research work, Randall Chase, the principal speaker at the Kiwanis luncheon today, said that "we are passing up a good opportunity by allowing large numbers of other states to draft our youthful chemists into their lines of business."

In commenting upon his trip to Dearborn, Mich., Mr. Chase pointed out that such men as Ford and the DuPonts are much interested in advancing the uses of agricultural products into the fields of industry and that already automobile steering wheels and other parts are made from styrene.

"Mr. Ford expects to build a car in the near future made approximately 90 percent from agricultural products," Mr. Chase said.

Referring to the discussion of research advancement in Florida, the speaker told of the discovery made by a chemist in Savannah, Ga., who learned that paraffin could be made from Florida pine. "There are possibilities everywhere in our state and it is up to us to find them," Mr. Chase concluded.

Burned Man Hopes He Can Count His Charred Currency

Money Sheriff Would Not Try To Count Sent To Hospital

Henry Carroll, 70, severely burned when fire practically destroyed his automobile, was sufficiently recovered today to send to the sheriff's office for the charred remnants of currency and quite a quantity of melted coins, which he hopes to be able to count. Mr. Carroll is in the Fernald-Laughton Memorial Hospital.

The currency in a bundle as large as a man's wrist is so badly charred that neither Sheriff J. F. McCallahan or any of his assistants dared attempt to count it. Mr. Carroll is in the Fernald-Laughton Memorial Hospital.

Compensation To Be Paid Railroad Man Hurt On City Job

E. C. Gilford, a foreman employed by the railroad, is to receive \$18 per week from last March 18 until such a time as he is able to work again, because he was injured during an employment of one and one-half days by the City. The payment will be made under provisions of the Workman's Compensation Act and papers were signed by city officials Monday.

In accordance with law, a railroad man had to superintend the placing of sewer pipe under the railroad tracks, and while so employed last March Mr. Gilford was technically an employee of the City. It was explained. He fell and injured his knee so seriously that it will probably be some time before he will be able to return to duty.

Long Barbecue On The Boards For Tomorrow

Immense Throng Expected To Attend
Great, Free Picnic
In Chuluota Field

All roads lead to Chuluota tomorrow, as that is the date for the annual free barbecue County Commissioner S. F. "Sammy" Long gives on the Jacob's picnic grounds near the town. It is to be an all day affair, and the general public is invited.

It is expected that the politicians will be out in force, but they will not provide all the entertainment. Mr. Long said the celebration is to be a "real old time Cracker Day" and he wants everybody there.

The speaking program is to begin at 10 o'clock, and all candidates will have plenty of time in which to address the gathering. There will be no division as to groups, but all candidates for every office will be given the opportunity to speak.

The closing rallies of the primary campaign will be held in Sanford next Saturday and Monday evenings. These meetings will be in the County Court House. The Saturday evening rally, to begin at 7:30 o'clock, will be addressed by the "B" Group, and the Monday evening rally, beginning at the same hour, will be addressed by the "A" Group candidates.

Candidates for County commissioner, sheriff, County judge and superintendent of schools compose the "A" Group. The "B" Group is made up of the other candidates, those for the Legislature, school board, for prosecuting attorney, clerk, tax assessor, tax collector, supervisor of registration, constable, justice of the peace and state committeemen.

Sherman Lloyd, secretary of the Democratic County Executive Committee, stated that the Court House has been chosen for these closing rallies because of the recent unsettled weather and because there are seats in the Court room. The candidates will speak there, but a loud speaker will be placed in front of the building to carry the voice of the speakers to those on the street.

Jaycees Present Silver Service To First Leader

Honoring past presidents of the organization, the Junior Chamber of Commerce last night presented a silver service to Gordon Barnett, who helped organize and was the first president of the Jaycees, and has remained an active worker. Marion L. Raborn, immediate past president, also received a silver presentation from the group.

T. W. Lawton, superintendent of schools, was the speaker at the evening and delivered an interesting and educational talk on the duties of his office and the general set-up of the educational system in the state, together with an outline of the methods of financing the schools. This is the first of a series in which the various County officers will speak before the Junior Chamber of Commerce, telling the reasons for and the duties of their particular offices.

Roosevelt Rejects Lower Tax Bill

Many Court House Offices To Close At Noon Thursday

Most of the offices in the Seminole County Court House will close at noon tomorrow because of the big barbecue and political rally to be given by S. F. Long at Chuluota. The barbecue is to be an all-day affair, with political speaking beginning at 10 o'clock in the morning.

General Collins Visits Sanford, Inspects Armory

National Guard Head Seeks Re-Election To Important Post

Among the candidates for state offices visiting Sanford during the past week was Adjutant General Vivian Collins, who is a candidate for re-nomination to the office he has held for eight years, without previous opposition. General Collins has hundreds of friends in Seminole County, many of whom are active in his behalf.

General Collins has recently been cited by Major General Moseley, fourth corps area commander, for his efficiency and ability in building up one of the finest National Guard organizations in the United States.

Federal inspectors and auditors, as well as state auditors, have all recently made reports concerning the condition of the Florida National Guard, and in every instance the reports commend General Collins for the excellent condition of the forces in the state, as well as the property and finances.

The Seminole County Army project is one example of the co-operation that General Collins has given to the Guard in this County. His efforts were largely responsible for the securing of this worthwhile building. While in the City he inspected the Armory, now nearing completion.

Attorney Will Tell Power Plant What Franchise Provides

City Attorney Fred R. Wilson has been instructed by the City Commission to advise the Florida Power & Light Company that under the terms of its franchise it shall change street lights upon 30 days' notice and the paying by the City of the cost of such change.

City Clerk F. B. Lamson on Apr. 17 notified the company to cut out three lights little needed and turn the current on three lamps on Lake Shore Boulevard between Park and Maple Avenues. However, the company has refused to make the change unless the commission passed a certain special resolution wanted by the company.

Congressman Orders Official Inquiry Of Black Shirts Group

WASHINGTON, May 27.—(AP)—Representative Dickstein, New York Democrat, demanded today a congressional inquiry of the activities of the Black Legion. He offered a resolution intended to determine whether the organization is connected with the black shirts which a House committee investigated last year or if it has "international connections."

'Funie' Steed To Speak Here This Evening

Congress Candidate, Who Married Sanford Girl, To Address Home Folks

Coming back to Sanford where he married Miss Katherine Ball, a daughter of the late J. G. Ball and Mrs. Ball, W. J. "Funie" Steed of Kissimmee announced today that he will address the voters of Seminole County, whom he says "he considers as his home folks," in the furtherance of his candidacy for Congress.

His address will be delivered at the corner of Magnolia Avenue and First Street at 8 o'clock this evening.

Although born in Georgia, Mr. Steed went to DeLand when eight years of age and resided there for 12 years. He was educated in the public schools of Volusia county, and was graduated with a law degree from Stetson University.

Shortly after his graduation he moved to Kissimmee, where in 1919 and 1920 he served as mayor of Ocoola county sent him to the Legislature in 1931 and '32. "Funie" married Katherine Ball in 1919, and they have four children.

He promises those who come to hear him tonight that they will hear an entirely different talk from any they have heard from a candidate for any public office heretofore.

Candidates for Congress, and political experts who have been touring the district in interest of other men, declare that "Steed is the man to beat. He is sure to be in the second primary."

John Livings and Beulah Cox, both of whom were arrested.

J. W. Holland Appointed To Federal Bench

Will Succeed Ritter
As Federal Judge
Of South Florida
District At Miami

JACKSONVILLE, May 27.—John Warthen Holland, United States attorney for the Southern District of Florida, yesterday was nominated by President Roosevelt as federal judge to succeed Halsted L. Ritter of Miami. It was made upon recommendation of Senator Duncan U. Fletcher.

Mr. Holland will be located at Miami, where he will take over the duties handled by Judge Ritter until his conviction in the Senate on House impeachment charge. The judicial set-up of the district will remain as at present, it was understood, with Judge Akerman at Tampa and Judge Louis W. Strum at Jacksonville.

Mr. Holland's appointment to the high and exalted office of United States District Court judge was recognized by his friends and associates as the reward of 30 years as a prominent practicing lawyer in the manner in which he had administered the duties of the district attorney's office for nearly three years. He became district attorney in July, 1933, succeeding Wilburn P. Hughes, a Republican.

Mr. Holland was born Sept. 30, 1883, at Jackson, Tenn., the son of William Holland, a merchant, who went there from Greenville, S. C., and Harriet Elizabeth Holland, nee Sullivan, also a native of Greenville county.

He took his academic work at Union University, Jackson, graduating in 1904 with a bachelor of arts degree. In 1906 he received his bachelor of laws degree at Vanderbilt University, Nashville, Tenn. During his junior year he won a scholarship and in his senior year he won the Founder's Medal, the highest award of merit at the university.

Mr. Holland continued to live at Jackson, engaging in the general practice of law, both civil and criminal, for four years, when he moved to Jacksonville in November, 1910. Since then he has continuously engaged in the practice of law until he accepted President Roosevelt's appointment as United States district attorney for the Southern District of Florida. His duties have been the administering of the affairs of that office for the entire district, with offices at Jacksonville, Miami and Tampa.

Mr. Holland has been admitted to practice in the courts of Tennessee, Florida and the United States Circuit Court of Appeals for the Fifth Circuit.

In 1927 he married Mrs. W. W. Matthews Walker of Oak Hill, Ga., and she has a stepson, John Wilkins Walker, now in the Harvard University law school.

He has been a life-long Methodist and is a member of the Methodist Episcopal Church, South; Kappa Sigma, his college fraternity; the Jacksonville Bar Association, of which he was president in 1926; the Florida Bar Association and the American Bar Association.

2,119 Passengers Aboard Queen Mary On Maiden Voyage

SOUTHAMPTON, England, May 27.—(P)—Britain's imperial challenger for Atlantic honors, the mighty liner Queen Mary, sailed on her maiden voyage to New York today to the proud cheers of half a million "owners." If the weather is kind the new giant of the seas is expected to attempt to wrest ocean speed honors from the Normandie, France's pride.

Two thousand, one hundred and nineteen passengers are aboard. Five boat trains from London, carrying the largest single contingent of passengers for one ship in the history of Great Britain, arrived alongside the vessel.

Loftin Sworn In As Senator From State Of Florida

Took Oath Today As Bar Association's Officials Look On

WASHINGTON, May 27.—(P)—Scott M. Loftin, former president of the American Bar Association, was sworn in today as United States senator from Florida. Loftin was appointed by Governor Sholtz to fill the vacancy caused by the death of Park Trammell.

Officers of the Bar Association, including William P. MacCracken who was sent to jail a year ago for contempt of the Senate, were in the gallery to see Loftin take the oath. He was escorted to the vice-president's desk by Senator Fletcher.

Loftin will occupy the quarters formerly used by Senator Trammell in the Senate office building. His secretary will be Josiah D. Ferris, former secretary to Trammell.

Supreme Court Denies Habeas Corpus Writ In Tampa Whip Case

TALLAHASSEE, May 27.—(P)—The Supreme Court today refused to take jurisdiction in the Tampa flogging cases in which five former policemen were convicted of kidnaping Eugene F. Poulnot.

It denied a habeas corpus application presented by Pat Whitaker, chief defense counsel. Whitaker sought the writ on the grounds that the warrant against the policemen failed to charge an offense. They were convicted at Bartow Saturday and now await sentence by the trial court.

About the same time, defense attorneys filed a motion for a new trial in the Criminal Court at Bartow.

Fire Department To Get 500 Feet Hose

Upon motion of Commissioner W. R. Dupree, and on recommendation of Fire Chief M. E. Cleveland, the City Commission on Monday instructed City Clerk F. S. Lamson to advertise for bids on 500 feet of new fire hose, 300 feet of large hose and 200 feet of a smaller size.

The clerk reported that a contract or five uniforms for firemen and five for policemen had been let to the Yowell Company on its bid of \$34.50 each.

Townsend May Be Prosecuted For Contempt

Committee Votes To Ask House To Lay Case Before U. S. District Attorney.

Lawyer Demands Speedy Hearing

Punitive Action By House Defied By Sheridan Downey

WASHINGTON, May 27.—(AP)—The House investigating committee today voted six to two to recommend to the House that Dr. F. E. Townsend and two of his old age pension organization aides be cited for contempt and the case be turned over to the United States District attorney.

Before the vote was taken Sheridan Downey, counsel for Dr. F. E. Townsend, advised the committee "I shall not honor your subpoena" to appear for examination. "I like Dr. Townsend and I challenge you to punitive action for the unholty records that the investigation (into the Townsend old age pension movement) is a shield that will protect us."

He said Downey's statement was submitted by Thomas W. Hardwick, counsel for Old Age Revolving Pension, Ltd.

"All over America, hundreds of newspapers and citizens by millions approve our conduct," Downey said. "Though they energetically oppose our economics, they enthusiastically defend our defiance of your oppressive conduct. So, gentlemen, proceed, Congressional inquisitions are on trial. Your delay to force the issue against us weakens your prestige and increases ours. We seek the opportunity to present before the bar of Congress or before an American jury our charges against you. Will you not, therefore, hasten your action, make good your threats and proceed against us!"

Strikers Spawn Growing Trouble In Many States

(By The Associated Press)
Fifteen states sought today to quell labor discord that spawned a vast and swiftly growing army of strikers. Peace negotiations were generally deadlocked after 24 hours marked by a tightening of lines by both employers and strikers, and claims of union leaders that the roll of strikers already out or called out had mounted from 30,000 to 45,000. Hundreds of farms and factories are affected from coast to coast.

Employers generally challenged union claims of effectiveness of the strikers. Settlements were reached in only isolated cases affecting a negligible number of workers.

Seven thousand seamen are participating in the strikes. Six thousand barbers in lower Manhattan were to join 5,000 others in a strike which has spread over a wide area in Manhattan, Bronx and Brooklyn.

Other strikers: Arkansas, 3,000 tenant farmers; California, 1,000 celery workers; Oregon and Washington, 7,000 loggers.

Wisconsin 2,500 workers in various industries; Minnesota, about 500 millwrights, fur and cereal workers; Vermont, 200 marble workers near Rutland.

Various workers in Iowa, South Dakota, Nebraska and Texas are on strike.

Home Owners Rally To Nominate Hodges In First Primary

Strength of 100,000 Florida Home Owners to Play Important Role

HOMESTEAD BILL HODGES THE HOME OWNERS' CHAMPION

One hundred thousand Home Owners, whose homes became tax free largely through the initiative efforts and campaign on the part of Wm. C. Hodges in the referendum election of November, 1934, are again rallying to the banner of their champion, "Homestead Bill," in an effort to nominate him Governor in the first primary and thereby insure their "tax free" homes against the big interests who desire to shift the tax burden back to the home owner.

The Home Owners, whose chief interest is the preservation of the Homestead Exemption, also point to their champion, "Homestead Bill," as the bulwark of protection against sales and nuisance taxes and as an open advocate of old age and mother's pensions. "Nominate Hodges in the first primary" has become the battle cry of these one hundred thousand Florida home owners together with the slogan: "Hodges is a past performer and not a political premier!"

Here's A Case Where Hodges Is Not Hodges

TAMPA, May 27.—Alarmed at the general confusion that has arisen in the public mind over the name "Hodges," campaign workers of Senator William C. Hodges, Tallahassee, candidate for governor, have appealed to state papers in an effort to clarify the situation, as it is evident that hundreds of people are of the opinion that Colonel W. C. Hodges, chairman of the State Democratic Committee is the same Hodges running for governor.

Sanford Baseball Association Has Assets Of \$1,321.79

Half Of It Given By Fans To Help Good Thing Along

Gate Receipts First Two Weeks Were Less Than \$1,000

Assets of the Sanford Baseball Association, according to its financial statement issued the first of the month, amount to \$1,321.79. More than one-half of this is in a deposit with the National Association of Baseball Clubs (NABC) or in the player option fund (\$500). On the statement date the association had \$379.79 cash in the bank.

Members of the Baseball Association for the first two weeks of the season (the season opened on Apr. 19) amounted to \$1,282. The two largest expense items for the period were \$564 for player salaries and \$324 for training season costs.

Receipts up to the first of the month totalled \$2,705.66. Of this sum, \$1,167.50 was donated by fans to help the association provide Sanford with organized baseball this year. Gate receipts during the period amounted to a little less than \$1,000. The association receives 75 percent of the receipts of games played on Sanford Field, and this came to \$773, and 50 percent of receipts of games played away from home, and that amounted to \$958.

Swinging to the far south last fall, Minnesota defeated Tulane, 20 to 0. Next year the "thundering herd" will tangle with Southwest and Pacific Coast teams. Minnesota opens her schedule at Seattle with Jimmy Phelan's Washington Huskies and later meets Texas at Minneapolis. In 1937 and 1938 Minnesota will meet Notre Dame.

Lookouts Lose Despite Boy Pitcher's Work In Last Innings

Champion Rookie Slugger Will Get Spalding Trophy

First Year Players On Minor Leagues To Compete For It

Some rookie slugger, playing to put his name in the bright lights of baseball, will be the happy recipient of the beautiful Spalding trophy when the books of the 1936 season are closed. Perhaps he could be termed a lucky individual, but he won't win the award on luck. He will be an outstanding slugger who will earn the prize by his ability to punish baseballs with a bat.

The trophy, an annual award, goes to the first-year player in the minor leagues who has the highest batting percentage for the season. It was first offered in 1925, and was won by Duane Kratzer, who hit .397 for Cassville of the Arkansas-Missouri League. The player, who this year is burning up things for Albany of the Georgia-Florida League, was recently presented with the 1935 trophy during an impressive ceremony staged for him before one of the Albany home games.

Who will be the 1936 winner? Time and the final averages will tell. The race is on and the odds can crash the base hit is the lad who can cap the prize.

McCown Sent To Americus By Lookouts

The trophy is awarded by A. G. Spalding and Bros., as a stimulant to battling interest among the game's rookies. It removes the obstacle of requiring the rookies to compete against the more experienced players. To be eligible, a player must participate in at least 75 percent of the team's games. That assures the award going to a truly consistent batter.

MINNEAPOLIS, May 27.—(AP)—Those golden-clad Minnesota Gophers have been reaching out in recent seasons to test the calibre of opposition from other sections of the country—and indicate they like it. Starting the swing in the east in 1933 and 1934, the Gophers defeated the Pittsburgh Panthers, 7-3 and 13-7, for the only defeats ranked up against the Panthers during those seasons.

Swinging to the far south last fall, Minnesota defeated Tulane, 20 to 0. Next year the "thundering herd" will tangle with Southwest and Pacific Coast teams. Minnesota opens her schedule at Seattle with Jimmy Phelan's Washington Huskies and later meets Texas at Minneapolis. In 1937 and 1938 Minnesota will meet Notre Dame.

Who's Who Among The LOOKOUTS

The man who has made the largest number of runs in any one game, who has scored a total of the greatest number of runs, who has made the most three-base hits and the next to the largest number of home runs, and who has stolen more bases than any other player in the Florida State League is none other than Dave Swindell, centerfielder on the Sanford Lookouts. That's the record. A week ago, according to the top statistician's official averages.

Dave played on the Sanford team the last month of the 1935 season and made such a good record that he was one of the first men signed up for the current season. He came here from Albany, Ga., where he played the greater part of last year in the Georgia-Florida League. Before that he was in college. This is only his second year in professional baseball.

Swindell's home is in Lakeland, and he was graduated from high school there and then went to Southern College in Louisiana. He played baseball in high school and in his freshman year at college. In his last year in high school he won all five letters—for track, tennis, baseball, football and basketball, and in 1930 pitched for Lakeland High when it won the state championship. Two years before he scored two of the three touch-downs made by Lakeland against Plant City and won the Polk county championship.

In the first month with the Lookouts this year he was at bat 119 times in 22 games and got 25 hits, made 26 runs (three of them home runs) and earned a batting average of .303.

G-Men Downed By Reds Take Third Azaleas By 8 To Game From Loop 2 Score Tuesday Leading Daytona

Jett Emerson Tries Hand At Pitching, But Loses Contest

GAINESVILLE, May 27.—(AP)—The seven hit pitching of Manager Jett Emerson, who replaced Hyer, who faced only one man in the first inning, the Palatka Azaleas, downed the Gainesville G-Men, 8-2, here yesterday.

The Azaleas ruffed the delivery of Henderson for fourteen hits, none of them being of the extra base variety.

Holiday Fans To See Palatka And Sanford Contest

Azaleas To Be Here Tomorrow, Game To Start At 3 O'clock

The Palatka Azaleas, who set the G-Men down yesterday, 8 to 2, will play the Lookouts on Sanford Field tomorrow afternoon, the game to be called at 3 o'clock because of the half-holiday. The usual price of 40-cent general admission will prevail.

The Azaleas were here a week ago last Sunday when they were beaten by the Lookouts to the tune of 7 to 2, even though they got nine hits, as many as were allowed the local club. Overstreet was the winning pitcher in that contest, culled in the closing innings by Emmsy. Frank Yaele, who pitched the Lookouts to victory over Daytona in the 17-inning game here last Sunday, will probably hurl for the locals tomorrow.

While the barbeques at Chuluoke tomorrow will doubtless draw big crowds, a good attendance at Sanford Field is expected. Manager Staffy McCrowe, who is back in the game again, says the locals are going to make every effort to repeat last Sunday's performance and again set the Palatka down a peg.

Jimmy Foxx Hits His 12th Homer For The Red Sox

BOSTON, May 27.—(AP)—The red-painted Red Sox, pointing their big guns at the New York Yankees and the American League lead at one and the same time, scored out the loop yesterday, 5 to 4, yesterday.

The victory, aided by Jimmy Foxx's twelfth homer of the season and Wes Ferrell's tight pitching up to the ninth, set the Sox only half a game back of the New Yorkers in the league standings.

Moses Fans Four Saints But They Win Game 8 To 1

St. Augustine kept its Sanford record clear again yesterday by defeating the Lookouts, 8 to 1, on Sanford Field. The local club has never yet been able to down the Saints.

Overstreet was pounded from the box in the seventh inning after the visitors had scored five runs and Herbert Moses, 19-year-old Sanford boy who had just rejoined the team, was sent in to pitch with the bases loaded and none out. He did remarkably well that inning and in the inning following, but in the ninth weak-end and the Saints got four hits good for three runs. In the seventh, Moses struck out three men.

No Lookout got as far as first base after the third inning.

In the first inning Bonner of the Saints beat out an infield hit, McGowan singled, Turblom was out and then Owens hit a fly to center which was good for two bases, and Bonner and McGowan scored. Langstrom out. Fitzgerald singled and Owens scored, and Barnes took care of Coleman's long drive to center for the third out. Result, 4 hits, 3 runs for the Saints.

The visitors added another run in the second inning, and then for the next three innings Overstreet settled down, and although Saints were in scoring positions in the fourth and fifth they were unable to get any men across the home plate.

In the seventh inning McGowan hit a long one almost to the left fence for a three-bagger. Overstreet hit Turblom and walked Owens to fill the bag. Then the bases choked and nope out Young Moses was sent to the mound and with the toughest situation, to face a pitcher he struck out. Langstrom and Spaulin in succession. Fitzgerald hit to Mc-Gowan who booted the ball. McGowan scored and Coleman struck out.

All Absentee Votes Must Be Cast Friday

Ballots Will Be Received Up To Midnight; 85 Cast Up To Noon Hour Today

Polling Places Listed By Clerk

Electors In Sanford Will Vote In Court House, City Hall

Electors who will not be in the county next Tuesday, the date of the first primary, must cast their votes in the office of the County Judge before midnight tomorrow if they would participate in the election. This is the warning issued at the Court House today.

Eighty-five such ballots had been cast up to noon today. About 60 ballots have been sent to electors not in the county, but these do not have to be back until election day. The voting by absentee night is by residents of the County now in the county but who will be absent next Tuesday.

While the office of the County Judge will be closed at 5 o'clock Friday afternoon, Judge Jas. G. Shanon or his clerk, Mrs. Casandra Schmitt or Alex Shanon, will return to the office to receive ballots if any electors are unable to appear at the office during regular office hours. The Shanon telephone number is 222-W and Mrs. Schmitt's number is 778-J.

County Clerk O. P. Herndon today gave up a list of the polling places for the primary election of the County. Precinct No. 1 (west of Park Avenue in Sanford) has been split in two, with both polls in the City Hall, instead of the Winkler building as in previous elections. Precinct No. 3 (east of Park Avenue in Sanford) has also been split with both polls for that precinct in the Court House. The other polling places are as follows:

- No. 2, Lake Monroe—School House.
- No. 4, Paola—Old School House.
- No. 5, Ovidio—Town Hall.
- No. 7, Chuluota—Chuluota's Community House.
- No. 8, Goldenrod—Community House.
- No. 9, Longwood—Town Hall.
- No. 10, Lake Mary—Community House.
- No. 11, Altamonte Springs—Community House.
- No. 12, Forest City—Phunkett's House (Old Mills Place).
- No. 13, Slavia—Banker's Store.
- No. 14, Fern Park—Hallett's Dance Hall.

Confession By Alleged Slayer Solves Murder

Dead Man Identified And Confessed Murderer Is In Jail; Up To Grand Jury

Identification of the dead negro man found in the woods near Geneva last Sunday afternoon was followed by a confession from another negro who has been in jail since Monday night, Sheriff J. F. McClelland reported today. The dead negro was identified as Sidney Gilbert. The alleged slayer is Rufus Johnson.

The sheriff said that Johnson made a complete confession to him last evening, and that the case will be laid before the grand jury now in session.

According to the confession made the sheriff, Johnson knew that Gilbert had some money and proposed to the latter last Friday night that they go huckleberry hunting. Saturday morning he drove by Gilbert's shack and picked up the negro and they drove into the woods about three miles from Geneva. As Gilbert started to pick huckleberries Johnson said he took his shotgun out of the car and told his companion he was going to shoot a rabbit, but instead of shooting a rabbit he shot Gilbert and then robbed him, he told the sheriff.

The negro's body was discovered Sunday afternoon by John Bennett who went huckleberry picking in the woods.

Murdered Negro Found Buried In Shallow Grave

The body decomposed body of a negro man identified as Charles French, about 30 years of age, was found buried in a shallow grave about 300 yards west of the V. French place in the 1800 block on French Avenue this morning. Coroner Jas. C. Roberts was at once notified, and after he had viewed the body, it was removed to an undertaking establishment in the colored section.

Colored men working for Mr. French saw a fresh pile of brush and smelled an unpleasant odor while driving cattle to a dipping vat this morning, and reported those facts to their employer who in turn reported to the police. Chief Williams and Lieutenant Shaffer were guided to the spot by the negro employes of Mr. French, and found the body partially buried in a shallow grave, covered over with palmetto cuttings and scrub.

The man's family live in the colored section and Farmer's wife and brother-in-law told the police Farmer has been missing since Sunday night.

Hodges Speech Next Saturday, Monday Will Be Broadcast

According to Sanford supporters of Senator "Homebound" Bill Hodges, candidate for governor, the senator will speak over a statewide radio hookup from Orlando on Saturday, May 20, beginning at 8:45 o'clock P. M. for a fifteen-minute period, and again Monday, June 1, from Jacksonville, at 7:45 P. M. for a like period.

Radio enthusiasts claim for Senator Hodges that he possesses the "finest radio voice" of any date. He is known to be a student of the drama as well as of the 14 gubernatorial candidates.

British Quail Riots In North Palestine

JERUSALEM, May 22.—(AP)—British troops quelled the fire of rioters at Be'er Sheva, North Palestine, today, killing two and wounding three. Officers in command of the British forces reported they suffered no casualties in the brief clash.

The shooting erupted the death list for the day to four. Earlier, a British policeman was wounded fatally in the city of Jerusalem. The British believed to have been in the line of the killing of the British soldier.

Wilson Picks Petteway For Big State Job

Local Attorney Emphasizes Need Of Naming Honest Man As Chief Executive

Declaring himself to be strongly in favor of the election of Judge Raleigh Petteway for Tampa for governor of the State of Florida, Fred E. Wilson, prominent local attorney, discussed the "Governors Race" over radio station WDBO in Orlando last night, and told the people of Central Florida how he came to the conclusion that the Tampa candidate is the best man in the race.

"I believe that no candidate for public office was ever more highly regarded by his home people," said Mr. Wilson, "I was told the other day that if you wish to arouse the anger of many of the people of Tampa, just say something to them not favorable to Judge Petteway. I believe that the only opposition to him there will be among those who believe in dishonest elections and those who have incurred the sentence of the law at his hand as Judge of the Criminal Court of Record of Hillsborough county. He has been elected to this office four times, three of them without opposition."

"Judge Petteway is not trying to gain votes by promises which he knows he could not fulfill. He states in his platform only the things he will favor and try to do as governor. It is an old but true saying that the one who promises the most often performs the least. To use a slang expression, I think the people are 'fed up' on promises of benefits only possible through action of the Legislature."

"Only by concurrence of a friendly Legislature can a governor fulfill some promise, and he never knows until after he is elected whether the Legislature will be sympathetic with his program. Let's quit being fooled and remember once again that actions speak louder than words, and"

Steed Declares For Completion Of State Canal

Congressional Candidate W. J. (Paulie) Steed, addressing an audience in Sanford last evening, again declared in favor of early completion of the cross-state canal. In making the statement he said he knew he was expressing an attitude not welcome in this section, but that he was convinced President Roosevelt would not allow the canal to be dug should there develop any evidence that harm would come to any section of the state as a result.

Mr. Steed also declared for reimbursement for Mediterranean fruit fly losses, adequate national defense, higher wages and improved labor conditions, and old age security provided by federal legislation for sufficient pensions, but without a pauper's oath and without restrictions as to how and when the money should be spent.

County Commissioner S. F. Long telephoned friends in Sanford this morning that the big barbecue planned at Chuluota today would be held according to schedule despite the rain. Provisions had been made for hundreds, and serving of the big meal was to begin at 1 o'clock. The picnic and barbecue is an annual affair given by Mr. Long to his friends in and near Seminole County.

Railroad Wants To Close Draw In Bridge At Cooks

Hearing To Be Held In The City Hall At 10 A. M. Tomorrow

Discontinuance of regular employment of a person to open and close the draw in the railroad bridge across the St. Johns River at Cooks' Ferry near the outlet from Lake Harney has been requested by the Florida East Coast Railway Company, and a hearing on the question will be held in the Sanford City Hall tomorrow morning at 10 o'clock.

The railway company wishes to discontinue regular employment of a drawbridge tender and open the bridge only after eight hours' notice has been given in advance for opening the draw in the bridge to permit the passage of craft requiring such opening. The hearing will be conducted by Lt. Col. Brehon Somervell of the corps of engineers who says in a public notice of the hearing: "All interested parties are invited to be present or to be represented at the above time and place, particularly navigators, interested and the officials of any county, city, town or local association whose interests may be affected by the proposed action. They will be given an opportunity to state their views upon the adequacy of the plans for operation of the bridge with reference to navigation, and to suggest changes considered desirable in the interest of navigation."

"Oral statements will be heard, but for accuracy of record all important facts and arguments should be submitted in writing, as the records of the hearing will be forwarded for consideration by the War Department."

France Sends To Jail Acrobats Who Injure Selves Intentionally

PARIS, May 22.—(AP)—Louis Biringier and Joseph Gueres, acrobats, have been sent to jail for a year on charges of repeatedly injuring themselves to collect accident insurance.

The prosecution charged that Biringier had collected various sums by crushing his fingers in doors, spraining his ankle and letting valves fall on his head.

Guerres, it was charged, went in for bigger awards. He was accused of hurting himself from moving trains four times, spending five months of the past two years in hospitals.

Biringier, a former stage performer, was said to have taught Gueres the art of acquiring serious injury without death.

Senator Loftin Goes To Work In Capital Without Any Delay

WASHINGTON, May 22.—(AP)—East M. Loftin's career as a United States senator was 15 minutes old when he asked for a White House conference to urge approval of new development projects in Florida.

Outside the Senate chamber scores of Floridians wanted to greet the new senator, but before Loftin occupied their con gratulations he directed his secretary to seek a conference for him with President Roosevelt today.

Senator Loftin said he would ask the President to approve the proposed naval air station at Miami and a plan to bridge the straits in the Overseas Highway between Key West and the Florida mainland.

Judge Praises Jury For Guilty Verdict

NEW YORK, May 22.—(AP)—A jury of 12 men today doomed John Fieranza, 24, upholsterer of the County, to the electric chair for helping to slay New Nancy Evans Tipton, pseudonym fiction writer. Weary and haggard after 19 hours' deliberation, the jurors filed into General Sessions Court at 10:00 A. M. Fieranza looked dully at the men as the foreman read the verdict.

Judge Charles C. Holt, Jr., said he would sentence Fieranza June 5. "You need not have any scruples about this verdict," he said to the jurors. "I not only was justified but absolutely necessary under the evidence. It is a shocking case and you have done your duty."

More Evidence Against Black Legion Found

Membership In Night Rider Society Is Admitted By One District Attorney

DETROIT, May 22.—(AP)—New indications of far reaching aspirations of the Black Legion, hooded terrorist society, came to light today.

Investigators disclosed that one county prosecuting attorney had admitted membership in the claimed affiliates of order, and further evidence was uncovered of a women's auxiliary unit. Prosecutor David Pence of Oakland county said he joined the club through misrepresentation, but never took the oath and later asked federal agents in Detroit to investigate. Police said evidence obtained in raids indicated that women's auxiliary units were formed but recently disbanded.

The Michigan delegation in Congress joined Representative Dickstein of New York in a demand for an investigation to "blow the lid off" the black legion.

Officials in Zaylesville, Ky., blamed floggings of men and women on a secret society known as the "Black Legs" which they said was organized in the same manner as the Black Legion.

Prosecutor Duncan McGree here said he had not had a reply from Attorney General Cummings to his request for Department of Justice aid in investigating the organization which he said was apparently organized in at least 15 states.

Heinrich Piekert, Detroit police commissioner, said he is investigating a report that 60 to 70 members of the department have been initiated into the night rider society.

Department Holds Ritter's Case Is Closed Incident

Ousted Judge Says He Will Continue To Occupy Office

WASHINGTON, May 22.—(AP)—Postoffice Department officials said today they considered their controversy with Halsted L. Ritter, ousted federal judge, definitely closed. They said Postmaster William C. Hill had vacated the department that Ritter had vacated his quarters in the Federal Building at Miami.

They added that the incident was closed until Hill reports otherwise. Ritter at Miami denied the department's announcement, and said he had not vacated the judge's chambers.

Ritter Denies Announcement MIAMI, May 22.—(AP)—Halsted L. Ritter, removed federal district judge, emphatically denied the announcement by the Postoffice Department at Washington, that he had vacated his offices in Miami's Federal Building.

"It is not true," the 65-year-old former judge declared. "I have not vacated my offices."

William C. Hill, Miami's postmaster, said he had telegraphed the Postoffice Department that Ritter had agreed to move out of the judge's chambers today.

"That was the understanding I drew from a conversation with Judge Ritter," Hill explained, when told Ritter had denied the report.

Ritter, notified of the nomination of John W. Holland of Jacksonville as his successor, asserted he would continue to occupy the federal judicial chambers here "whenever I want to."

He added he still intended bringing proceedings in the Federal Court of Claims, attacking the legality of the Senate's conviction of him on House impeachment charges of misconduct.

GRAND JURY HEARING EVIDENCE AGAINST FORMER TOWN MARSHAL

GAINEVILLE, May 22.—(AP)—Roy D. Stubbs, acting state attorney, said he had put before a county grand jury evidence linking A. L. Burton with two slayings at High Springs last December.

Officers declined to tell why they accused the former town marshal of killing Bonnie Collins, High Springs clerk, and Leo Walker, a negro, despite a second jury verdict holding the latter's slaying "justifiable homicide."

Burton testified before the county jury he shot Walker after the negro had beat him over the head and was attempting to rob the town vault. The woman died several days later.

Senators Debate On Big Deficiency Bill

WASHINGTON, May 22.—(AP)—The Senate began today a debate on the deficiency appropriation bill carrying \$1,425,000,000 for next year's relief fund. Leaders pressed for a vote by tomorrow.

Nothing apparently stood in the way of quick action on the long disputed \$2,200,000,000 measure with the possible exception of a move to add an amendment to authorize new surveys of the Florida Ship Canal and the Passamaquoddy tidewater project in Maine. Leaders had not decided whether to offer an amendment or press for separate action in view of Republican threats that it would bring a prolonged debate.

With Administration forces attempting to rally support behind higher taxes on undistributed corporation earnings, the Senate finance committee postponed at least until tomorrow a crucial vote on whether to approve the tax bill which it already has framed.

British Liner Is Racing To Set New Speed Record

ABOARD THE DE QUEEN MARY, EN ROUTE TO NEW YORK, May 22.—The super-linear Queen Mary, pride of the British merchant marine, ploughed through a chop sea at 30 knots an hour today, raising to New York the blue ribbon of North Atlantic passenger service back to Great Britain.

Officers and officials of the Cunard White Star Line, owner of the great craft, would not admit that the Queen Mary is seeking a new trans-Atlantic record, but with wind and weather favoring her she was expected to steam majestically up the Hudson River next Monday night, re-establishing British ocean supremacy.

The Queen Mary has 2,100 passengers, a crew of 1,000 and 6,000 bags of mail. She is commanded by Sir Edward Britton, commander of the Cunard-White Star Line.
