Decoy vehicle foils Sanford man's thievery

Investigators of the City-County Auto Theft Bureau received a bite last week from one of its decoy vehicles parked in Sanford.

At about 1:11 a.m. Friday, Investigators Paul Herx, Scott Slavin and Frank Davis, along with the Sanford Police Department and Seminole County Sheriff's Office District 2 units, responded to a decoy vehicle alarm at a Sanford location.

contact with Williams. Investigators Herx and Slavin played back the video of the incident using a portable monitoring device. Williams was clearly seen entering the vehicle, breaking out the dome light, opening a decoy amplifier box, and then exiting the vehicle.

According to authorities, the video shows the suspect trying to steal a fake amplifier, which turns out to be a box with a phone book hidden inside.

Williams was arrested for burglary to a vehicle, possession of burglary tools and criminal mischief. He has been arrested 15 times in Seminole County, most of which consist of residential and vehicle burglaries, including armed burglary.

Tow zone: Parking lot designated off limits

By Dan Ping Editor

SANFORD - Patrons of downtown businesses incurred additional expenses this weekend when they tried to returned to their vehicles only to find they had been towed.

from Harry's Towing removed cars from the paved parking lot on Park Avenue behind the six-story

Wachovia Bank building as well as the grass lot at 2nd Street and Magnolia Avenue. More than two dozen cars were towed Friday night and during the day on Saturday. Tempers flared and by Saturday afternoon Sanford

police officers instructed Harry's employees to cease towing operations "in the interests of civility," said City Manager Al Grieshaber.

Employees at Wachovia Bank fielded numerous inquiries about the towing

Monday morning.

"That's not us, it was our landlord," Roberta Owen said before the question could be fully asked. Owen is the branch manager Wachovia. "Oh god, yes, have we had complaints. People are blaming the bank."

Both lots, as well as the bank building, are owned by James McCuen and Sharon Marikone of Lago Real LLC. McCuen said he had the cars towed for insurance reasons.

"There were some liability issues that we need to talk with our attorneys about," McCuen said. "We don't want to create a situation where we

Program reaches out to schools

By Christopher Patton Managing Editor

HEATHROW — An innovative community program is being introduced to Seminole County during a corporate volleyball challenge next month in Lake Mary.

Touch Your World, Inc. is attempting to connect high school students to area charity organizations by supporting poorly funded activities and sports. David Melnik, president and chief executive officer of Lake Mary-based Kinetics, Inc., created the program by chance when wrestlers from Lyman High School required assistance to purchase new uniforms.

In return for the new team attire, Melnik asked the athletes to work two days at a Habitat for Humanity home.

"It was so well received he worked to conceptualize it," said Steve Bishop, executive director of Touch Your World. Bishop, also an executive at Kinetics, was asked to lead the new community initiative because of previous philanthropy work in Lake County.

Bishop said the personal satisfaction for Melnik from that first donation was beyond helping out a local sports team. In addition to the direct benefit to the students, he effectively developed a team of community service providers for area charities that are in need of volunteers.

"You're plugging students back into the community,"

The Lucky Star arrives

By Nick Pfeifauf Staff Writer

SANFORD — Few 62 year olds arriving at the Orlando Sanford International Airport gather as much attention as the most recent arrival.

A PV-1 aircraft, named the "Lucky Star," is now in the repair facility at the airport, awaiting 18 months or more of restoration, before being placed in a display of honor.

The PV-1s were used extensively during World War II as bombers, night fighters and maritime patrol aircraft. They were flown by Navy, Marine and Air Corps pilots as well as some of the allies. After the war, most of the PV-1's were sold outside the country as war surplus.

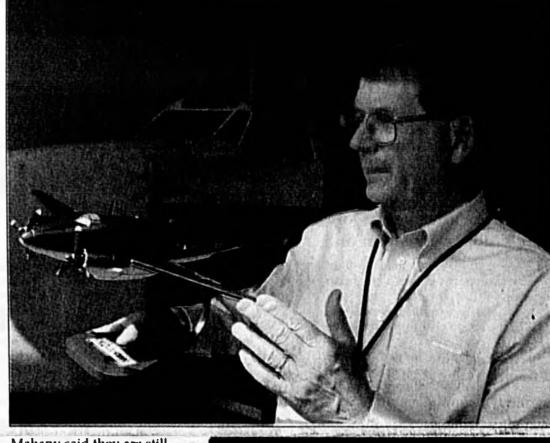

According to Patty Mahany, coordinator of the Sanford Airport Memorial Committee, "Ours is the only known PV-1 in the United States."

In obtaining the aircraft, she commented, "Imagine our surprise when we found out shortly after the dedication of the Vigilante that this aircraft was available to us."

The Vigilante stands at the entrance of the airport, as a memorial to the many men and women who served at the airport during World War II, the Korean War, and during peacetime. The Lucky Star is to be on display as well, after it is completely restored.

"While the aircraft is in unbelievable condition," she said, "with not even any dents, it is missing a gun turret."

Even though the aircraft was built by Lockheed's Vega division in 1942,

Mahany said they are still selling parts for these aircraft on e-bay, and a gun turret has been located.

"The problem is," she commented "that they want \$12,000 for the turret, and our funds just can't handle that right now."

She is hoping contributions to the Memorial Committee will make the purchase possible. Financial help is also needed for additional restoration of the PV-I, long-term maintenance of it as well as the Vigilante, and additional park infrastructure.

The PV-1 is considered the second in what is planned for a three-aircraft to be displayed at the airport entrance, as aircraft

SEMINOLE SUMMARY

A GLANCE AROUND OUR COUNTY

IN BRIEF

Schenk, Bessler honored by state for outstanding work

Gov. Jeb Bush, Chief Financial Officer Tom Gallagher and the other members of the State Cabinet Tuesday honored fire and rescue service personnel from around Florida for outstanding contributions to their industry and their communities, including two from Seminole County.

Many of the awards were given for particular acts of heroism, both on and off the job. Stories included a paramedic who saved a woman from a car submerged in a canal, a fire inspector who rendered critical care to an injured person at his daughter's school program, and a volunteer firefighter who jumped without gear into a rain-swollen river to help save a woman and her daughter.

The citizens of Florida are fortunate to have such dedicated and brave individuals committed to their safety and well-being," said Gallagher, who also serves as State Fire Marshal. "These men and women are role models, but all who answer the call to serve and protect the public are heroes, and I extend my gratitude to each and every one."

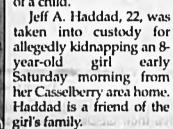

Florida's Governor and Cabinet also recognized firefighters' commitment to raising money for the Muscular Dystrophy Association as part of the International Association of Firefighters' annual "Fill the Boot" campaign. The campaign has raised more than \$200 million for the charity during the past 50 years.

Seventeen fire and rescue workers and one fire school were recognized for outstanding service in 2003 including Seminole County Fire Chief Terry Schenk as Florida Chief of the Year and Seminole County Fire Department Chief George Bessler as Florida Fire Instructor of the Year.

Sheriff's office arrests man for allegedly kidnapping 8 year old

On Saturday, April 10, the Seminole County Sheriff's Office arrested an Orlando area man on charges of kidnapping-false imprisonment/fondling-lewd-las-

civious act in the presence of a child.

During the crime, the Haddad victim tells authorities Haddad also allegedly ripped off her nightshirt. The girl escaped from the car he was driving. During the escape, she fell and suffered numerous cuts. The victim then ran to a nearby home for help. This occurred in the

Oviedo area. Based on information provided by the girl and her family, Haddad was contacted and was interviewed by investigators with the Seminole County Sheriff's Office. He was arrested. Late Saturday, Haddad bonded out of jail after posting \$10,000 bail.

Breakfast club rises for talk on disaster planning

"How many of you have a plan if disaster strikes your family?"

About half of the members of the Rotary Breakfast Club of Sanford raised their hands to the question posed by Nancy Roth, coordinator for Seminole Community Volunteer Program, Inc.

"That's good to see," Roth said. "It's important for every household to have a disaster readiness plan."

Roth has been visiting various civic clubs, schools and other organizations in Seminole County to explain the importance of establishing family disaster plans in case of floods, hurricanes, terrorist attacks or any natural disaster. She is encouraging groups to designate churches and other neighborhood buildings as emergency shelters.

"The county has been designated as a mutual-aid city to Orlando and other outlying cities in case of disaster," said Roth, who also mentioned that the Department of Homeland Security is partially funding the public information camService Club

BREAKFAST WORTH RISING: For about three months, this columnist has been promising Sanford Police Lt. Willie Harden that he would be his guest at the Rotary Breakfast Club meeting at the Colonial Room Restaurant in Historic

Downtown Sanford. But the

writer kept procrastinating, being a late-riser.

Well, on this Easter Sunrise-and-shine week, and the switch to daylights-sayings-time, the writer was up at the crack of dawn (6:40 a.m. on Wednesday) and decided to take Lt. Harden's invitation to breakfast with Rotary, and satisfy my vow to Robin, all civic clubs waitress at the Colonial Room, that I (a regular CR customer) would take advantage of the free breakfast at the Wednesday morning meeting.

So anxious to attend the 7:30 a.m. meeting, the writer arrived 30 minutes, only to find a shocked look on Robin's face, curious stares from the cooks and Rotary president Rick Russi smiling and welcoming me to the meeting.

LIONS ON HOOK: The Sanford Lakeside Lions Club hosted a successful "Blind Fishing Tournament" on Friday, April 2, at Mullet Lake Park, with 26 fishermen, 12 captains and seven chaperones participating. Representatives from the Florida Division of Blind Services, Conklin Centers for the Multihandicapped Blind and Seminole County Public Schools also were on hand, according to president Shari L. The fishing tournament is part of a 40-year tradition for the Sanford club. Participants enjoyed lunch prepared by Harold Highsmith, Ron Owen and **Buddy Copely.**

After the tournament, chaired by Sam Loper, a "Boat Captain Thank-You Dinner" was held at Gators Dockside for the captains,

their families and guests.

ALL CIVIC AND SER-VICE clubs are invited to join Rotarian song leader Freeman Baggett, the writer of this column and a host of other singers and musicians in participating in the Riverwalk Celebration Choir, which will sing in the finale of the city of Sanford Riverwalk Grand Opening Mother's Day Weekend.

Sanford City Manager Al Grieshaber has commissioned the choir to sing songs of praise and inspiration on Sunday, May 9, during a 6:30 a.m. sunrise serv-

HATS OFF TO HELPFUL YOUTHS: This Friday, April

16, Seminole County Public Schools will celebrate Youth Service Day, which is billed as the world's largest volunteer event. Students are participating in various service projects throughout April.

Members of the Interact Club of Seminole High School visited the Sanford Rotary Club last week and gave an impressive presentation on their community involvement, volunteer work and leadership skills, mentioning serving nursing homes, conducting patrol duties and assisting in the Mardi Gras festivities.

Tech Bridge honors 9 graduates

By Marva Hawkins Herald Correspondent

Tech Bridge prepares America's youth for the work world.

On Tuesday, April 6, students in their caps and gowns marched in to their graduation and awards ceremony.

The celebration of achievements was the time for students of this spring class to rejoice in their successes.

Students of this class spoke of accomplishments. Some received their GEDs, receiving computer skills, job skills, and all receiving skills on how to build a computer. These students gave testimonies; Erica Jackson, Jacob Perdue, and Jennifer Hill.

Tommy Gray, a graduate, presented the celebration speaker for the occasion, Stephanie McClain Littles, founder and president of

Women of Renewing Minds of Faith Bible Ministries, Inc.

Little's message to the graduating class was to focus on the big picture, except your opportunities. Today you have an unlimited future — reach for the stars — set goals for vourself - be sure to surround vourselves with positive people create your own world of success and keep God uppermost in your life.

Sean Ellis presented awards for progress in computer assembly and Windows 98. These awards were for reading, math and having completed the knowledge of how to build and install software in computers.

Sammie Edwards presented the Work Readiness Awards for completion of programs of writing a resume, knowing how to interview and have gained employment.

Ron Giss, Southeast Regional manager, Sheryl Jones, head instruc-

tor/case manager, welcomed other youth of the Sanford and Seminole County community to come and enroll with Tech Bridge, located in Sanford at First Shiloh Missionary Baptist Church Education Hall, 700

Elm Ave. For more information, call 407-322-3774.

Closing remarks were given by Gwen Young, Leon Harvey of the regional office.

This program is under the direction of Henkels and McCoy/Work Force Central Florida. Tech Bridge's (preparing America's Youth) next award ceremony will be in June of this year.

Graduates were presented a new computer. Graduating April 2004 were Deshawn Holmes, Nikia Holly, Sheena Blake, Tommie Gray, Jacob Perdue, Randi Wilson, Jennifer Hill, James Miller and Joey Melendez.

Seminole-based 'Orlando Actors Showcase' to premiere April 25

The Orlando Actors views of cast and crew. Showcase is a locally produced hands on project in cooperation with Kurt Howland Enterprises which is based in Sanford and Central Florida talent.

OAS is a professionally hosted Bi-monthly production that uses Central Florida talent. The show features a fresh, newly produced project for each episode along with inter-

The story lines will range from totally abstract views of life to Hitchcock style sus-

The show offers actors and crew the chance to give our local community the opportunity to experience a new concept in independent filmmaking.

The first installment of the showcase will premiere on Sunday, April 25, at 2 pm. It

will be aired on Brighthouse Network Channel 10.

OAS uses all local talent from writers and directors to actors and crew with more than a half dozen from the Sanford area. Their levels of experience run from wellseasoned pros to complete novices.

This philosophy allows for the cultivation and advancement of anyone with a passion for the art.

Realty group celebrates success with ice cream

On April 3, Keller Williams Heritage Realty of Lake Mary held an ice cream social to celebrate a great start to 2004. Clients, family members and fellow realtors all enjoyed the event which featured balloons, face painting and lots of ice cream. Keller Williams Heritage Realty opened it's doors

for business on Sept. 2, 2003, with a small group of agents. Currently, they have 58 agents in their Lake Mary location and are expanding. The Lake Mary office is located at 100 Waymont Ct., Suite 110.

Oviedo chamber develops scholarship in honor of former city leader

The Greater Oviedo Chamber of Commerce unanimously approved a measure to create a scholarship in memory of beloved Oviedo businessman Phil Cloninger.

Cloninger suffered serious head injuries in a motorcycle accident in November and passed away last month. In effort to keep his memory alive, the Chamber will award a \$2,000 college scholarship to a deserving Oviedo High School student.

Phil Cloninger, a former City Council member, was active in Oviedo. He was a leader in his church, a supporter of education and active in the Chamber.

"Phil was truly dedicated to his family, his beliefs and his community. We miss him his loss," stated Jeffrey Stein, president of the Greater Oviedo Chamber of Commerce. "We feel it's a fitting tribute to name this scholarship in memory of all Phil did for this community."

school's awards assembly in late April. The Chamber will award \$500 per year for four years to the student. Criteria for the scholarship will be based on academic, public service, extracurricular activities, as well as financial need.

Longwood firm builds Osceola medical facility

Longwood-based general contractor Cotter Ryan Construction, Inc. has begin work on the new \$1.5 million, 31,600-square-foot ATCO Medical Office Building on the Osceola Regional Hospital campus in Kissimmee.

"With rapid growth in the area and increased demand for medical services, timing is right for a Class-A medical office building," said ATCO Partnership's Kevin Cole. "Construction is commencand will continue to mourn ing immediately with 50 percent of the space already committed for spring 2005 occupancy."

Led by Scott H. Ryan, founder and president, Cotter Ryan Construction, established in 1993, offers a full range of commercial construction services including its Team Build project delivery system.

Among its projects are 48,000-square-foot Universal Center Office Building and the Sandy Lake Towers high-rise renovation near Universal Studios, the Spring Lake View Office Building in Orlando, the Towers Retail Center in Tavares, the River Run Condominiums in Orlando and numerous others.

Lake Mary firm acquires Ukrainian company

TEAM Information Services in Lake Mary acquired a Ukrainian software development firm in a merger agreement last year and formed the TEAM Offsite Development Center (TODC) to provide low cost IT services to U.S. clients.

Rob Ogden, president of TEAM Information Services, positions TEAM to focus on emerging markets inside and outside the United States.

The more immediate advantage, according to Ogden, is an economic one. And it was a hard reality to face. Last year, Matt Moore, CEO of the firm, served as president of the National Association of Computer Consulting Businesses (NACCB), the nation's leading IT trade association and helped lead the fight to reduce the export of technol-

"TEAM has been one of the leaders in the fight against U.S. policies that favor the export of information technology jobs," Ogden said. "In the final analysis, we had to decide whether to confront the export threat by finding a viable alternative or complain about it until we got out of business."

The TEAM Offsite Development Center couples American senior computer engineers with web development specialists in the Ukraine,

"Our U.S.-based engineers serve as the interface between our U.S. clients and off-site development specialists," Ogden said.

"This approach cuts our client's cost while keeping the majority of the jobs here in the United States. All the business requirements gathering, technical design, system testing, system integration, training and coordination is done at the client site. We've carved off a slice of the software development lifecycle for export, but the majority of the work and profits, stay in the U.S."

Signature GMAC names operations manager

Signature GMAC Real Estate, the area's largest locally owned and operated real estate company with Seminole County offices in Lake Mary and Oviedo, has named longtime sales and management executive and Longwood resident Paul Kessler operations manager for its Central Florida real estate operations.

Kessler, a licensed broker with more than 12 years sales and management experience in both Central Florida and Buffalo, N.Y., will oversee the upstate New York and annuday-to-day sales and management operations for lion. He was Hunt's manager

Central Florida offices and nearly 175 sales associates, said Signature GMAC Principal Sue McIntyre.

The 17-year-old company, which posted a record \$250 million in sales volume, is the largest GMAC franchise in Florida and one of the topproducing companies in GMAC's national network.

Before joining Signature GMAC, Kessler spent the past three years as branch manager for Watson Realty's Oviedo office, making it one of the most productive sales branches in the Watson network with more than \$90 million in annual sales. Under his direction, the office was the No. 1 rated Central Florida office in recruitment in 2002 and the year before had the highest capture rate in mortgage transactions.

Before moving to Central Florida in 1998, Kessler was branch manager for seven years with Hunt Real Estate, a large Buffalo-based real estate company with multioffices throughout ple al sales in excess of \$600 mil-

From Staff Reports

LeRoy C. Robb, 82, died Sunday, April 11, 2004, in Sanford.

He was born April 8, 1922, in Douglas, Wyo., and grew up on a ranch, where he graduated from high school and studied engineering at the University of Wyoming from 1940 until 1942 when he enlisted in the Navy, where he served as an aviation radio and radar technician during World War II.

Following his discharge from the Navy in 1945, he went to Gainesville, Ga. where he began his career in construction, starting as a laborer. In 1956, he came to Sanford, where he supervised construction of various projects at the Sanford Naval Air

At that time, he was affiliated with the Carroll Daniel Construction Co. Inc., of

By 1963, he took controlling stock interest in that company and changed its name to LeRoy C. Robb Construction

He served on the Industrial 25 Committee of the Chamber of Commerce as well as the Sanford Seminole Development Board, a civic

group which obtains loans for businesses to be built in Seminole County.

He continued his service to the community by serving on the Seminole County Commission appointed Board of Building Contractors. He also served as chairman

of a similar board for the city of Sanford.

Robb was also a member of many other organizations such as Rotary International where he received the Paul Harris Award. He had been a Shriner since 1960 and belonged to Bahia Temple's Air Patrol which flies burned children to burn units of the Shrine's Crippled Children's Hospitals.

He was a long-time member of the Elks Clubs and was president of the Little Red Schoolhouse organization, a group of people who volunteered to help retarded children.

Robb believed that people needed to be involved in their communities by volunteering and participating in local government. This belief and his hard work helped shape the community we have today.

would be liable for an accident that occurred on the property."

Some have questioned whether there are ulterior motives behind McCuen's decision. Since he and Marikone purchased the property for \$1.35 million in January 2002, the lots have consistently been used by the general public without questions regarding liability. During business hours Monday through Friday, the paved lot is reserved for bank customers. After 6 p.m. during the week and on weekends the lot has been used by customers and merchants of downtown businesses. Patrons of the Helen Stairs Theatre have used the paved lot and the grass lot when the theater has performances, and during big downtown events Christmas parades and July 4th celebrations — the lots have been prime loca-

"I was never aware that the lots were being used like that," McCuen said. "The bank has complained about people parking there preventing their customers from using the lot."

Virgil Hurley, an adjacent property owner, points to the city of Sanford as the reason McCuen closed his lot. The city published a brochure and posted signs downtown that indicated the two lots were available for public parking during renovations of 1st Street.

"I feel like there's been a major meltdown between the city of Sanford and a property owner downtown," Hurley said. "When these brochures came out, I ask several times if the property owners had been contacted, and I was told that the problem had been taken care of."

"It took us by surprise to learn the city had designated that as public parking," McCuen said. informed everyone but us."

However, he said there is no ill will between him and

"There is no friction." McCuen said. "We did this because we had just learned the city had said this was public parking and we were concerned about liability."

Grieshaber said brochure was printed to inform residents about the upcoming changes on 1st Street "based on the information available at the time." The city manager said McCuen's lots were listed on brochure after a verbal agreement with managers from Wachovia Bank.

"I was told that by the (former) economic development director (John Jones)," Grieshaber said. "In hindsight, we should have had a paper trail. The city should have never put that brochure out without documentation that he agreed to that."

For now, the lots will remained closed to everyone but bank customers. McCuen said he is consulting with his lawyers about any future actions, but doesn't foresee turning either lot into a paid parking facility.

"We looked at that but didn't want to invest the money to make it a paid parking lot," McCuen said.

When Lago Real purchased the building in early 2002, both Marikone and McCuen expressed optimism about their purchase and the down-

"I always looked at the building and thought this would be a great place to have our company," McCuen said in an interview at the time. "We're completely taken with this building and downtown Sanford. I think Sanford ought to take advantage of its downtown."

Today, McCuen said he is still positive downtown will continue to make gains, but admits he has put the build-

ing on the market. "I have a lot of other responsibilities," - McCuen said. "I'm still optimistic about Sanford. We plan' to keep our (medical records) business in Sanford and plan

Several drivers suffer setbacks

By RICK MINTER Cox News Service

Gladeville, Tenn. everal pre-race favorites in Saturday's Pepsi 300 Busch Series race at Nashville Superspeedway fell out of contention long before the finish.

Bobby Hamilton Jr. led 78 laps but blew a tire on a restart on Lap 89. Then he ran through oil from Jason Leffler's blown engine and scraped the wall in

Turn 4 on Lap 142. He wound up 27th.

Meanwhile, Greg Biffle's engine woes continued. His crew swapped powerplants before the race after finding broken parts in the oil, but the No. 60 Ford run only 24 laps before the second engine expired. Biffle also blew engines at Rockingham and Texas.

Fearing the forecast

Nashville track officials were worried about the forecast for Saturday afternoon. A 60 percent chance of rain had officials creating backup plans that included using the lights to finish the race Saturday night or finishing on Sunday

Fortunately, the rain never came and the race was completed in 2 hours, 27 minutes, 15 seconds.

Kyle Bono garners Midseason All-America

Special to the Herald

UCF pitchers Matt Fox and Kyle Bono have been named to Baseball America's Midseason All-American teams. Fox was named to the junior class All-America squad after posting an 8-0 record and 1.44 ERA over the first half of the season. The Coral Springs native leads the A-Sun in wins and strikeouts (72).

Bono was named to the sophomore class All-America team by Baseball America. The Lake Mary native is a perfect 5-0 with a 1.00 ERA in 2004. In 54 innings, the right-hander has 62 strikeouts to rank second in the A-Sun. Sophomore joins teammate Fox on Baseball America squads

What makes the honor even more remarkable is that Bono was not supposed the closer for the team and only became a starter when another pitcher was lost for the season due to injury.

The last time UCF had two players named to the Baseball America Midseason All-America team was in 2001, when pitchers Justin Pope and Jason Arnold both made the team. Fox and Bono are the fifth and sixth players in school history to be named

to the Midseason All-America team.

The news was not quite as good on the field as the Golden Knights lost an A-Sun series for the first time this season.

No. 24 Florida Atlantic erased an early 6-0 deficit to rally for a comefrom-behind 7-6 victory over No. 19 UCF Friday evening at FAU Stadium in Boca Raton.

The Owls snapped UCF's sevengame winning streak. FAU starter Matt O'Brien tossed a complete-game and fanned nine. Golden Knights to improve to 8-2 on the season. O'Brien allowed six runs, one earned, and just six hits over the nine-inning performance for the win.

UCF took an early 6-0 lead in the second inning with five unearned runs on three hits and two FAU errors. With the bases loaded, Matt LaFleur drilled a double to the wall in left field to put UCF on top at 2-0.

Later in the inning, Lake Mary's Drew Butera scored on a passed ball and Matt Ray drove in a run with a RBI infield single to give the Golden Knights a 4-0 advantage.

Florida captures aircraft carrier

Special to the Herald

The 888-foot aircraft carrier "Oriskany" will head for Florida soon to its final resting place in the Gulf of Mexico, about 20 miles off Pensacola.

The U.S. Navy and the Maritime Administration awarded the decommissioned ship to Florida to use as an artificial reef. Once officials sink the ship in about 210 feet of water, it will enhance fishing and offer a unique attraction for scuba divers. The "Oriskany" will be the largest ship ever sunk in America's waters to form an artificial reef.

Federal officials awarded the ship to Florida, based on an application filed by the Florida Fish and Wildlife Conservation Commission (FWC). Florida's application edged out others from Texas and Mississippi and a joint application from South Carolina and Georgia.

Gov. Jeb Bush said the vessel will help recharge the tourism industry in northwest Florida.

"This ship is an economic windfall and a recreational treasure for the northwest Florida area," he said. "It has the potential to attract divers and anglers from all over the world."

Former FWC Commissioner and Chairman Edwin Roberts said landing the "Oriskany" is the greatest thing that ever happened for scuba divers in Florida and will provide a much-needed boost for fishermen.

"And the site offshore from Pensacola is the most appropriate, considering the city's history," Roberts said. "It will be a fitting and honorable memorial resting place to have the carrier near Pensacola – the Cradle of Navy Aviation."

FWC Chairman Rodney Barreto said the "Oriskany" is a fabulous beginning to a new era in Florida. He said the FWC plans to make further improvements to artifi-See Outdoors, Page 11A

Big week for Lake Mary in baseball and boys volleyball

By Dean Smith Sports Editor

What has been a good season for Lake Mary male athletes got even better last week as the volleyball and baseball teams sparkled in wins against tough opponents.

Following the lead of sophomore Josh Smith earlier in the week, senior righthander Paul Cinder was the first to shine, tossing a three-hitter as the Rams won a huge district contest with Apopka, 1-0, with almost no offense at all

The game at J. Barnes Field was scoreless through four innings and Lake Mary did not have a hit.

Mitchell Chubb opened the fifth for the Rams by drawing a walk and was sacrificed to second by Justin Hart.

to second by Justin Hart.

Tye Buckner then lined out for the second out of the inning, but Joey Lubonty, another

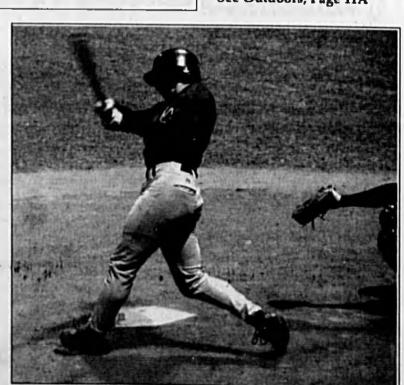

hero from earlier in the week, came through again, dropping a ball down the rightfield line for a single and the winning run.

The 6-foot-8 Cinder pitched around a twobase error in the sixth inning, getting a fly out, ground out and a strike out to end the threat. Cinder finished the game with 10 strike outs as he improved to 4-1 on the season. He had also pitched around a triple earli-

er in the game.

With the win, Lake Mary is now tied with
Winter Park for the Class 6A-District 3 lead
with a 3-0 record, while the Blue Darters, the
preseason favorites, fell to 13-4 overall and 1-2
in district.

Friday night it was Scott Eckard's turn on the hill and the lefthander was outstanding again, hurling a two-hitter with 10 strike outs as the Rams improved to 14-2 with a 9-0 whitewashing of Alexander, Georgia. See Preps, Page 9A

Tyson Auer (above) led a 15-hit attack, going 3-for-3 with a double and three RBI Friday night to back the two-hit pitching of Scott Eckard as Lake Mary whitewashed Alexander, Georgia, 8-0.

Preps

Continued from Page 8A

Tyson Auer led a 15-hit attack, going 3-for-3 with a double and three RBI.

Lyman got another big start from Clint Franklin as he hurled a two-hitter, striking out seven, in six innings as the Greyhounds rolled over New Smyrna Beach, 7-2, on Wednesday. Danny Kava led the way at the plate, going 2for-4 with a home run and driving in four.

But Lyman's strong run of late was halted by a tough Pine Ridge (10-4) squad, 8-4, on Friday.

Brian Bennett had a big game for the Greyhounds (9-8), going 3-for-4 with a double and an RBI.

DeLand made Seminole its latest Seminole County walk-off target, as the winning run scored all the way from second base in the bottom of the seventh inning to give the hosts a 2-1 victory at Melching Field. The Bulldogs (7-12) have won at least four games from SAC foes in their final at bat this season.

Larson and Ilgen were both 3-for-3 for the Fighting Seminoles (8-11), who had eight hits in the game, including seven off DeLand ace Main.

Farina had another strong outing on the hill for Oviedo (13-6), hurling a two-hitter and striking out eight in a blanking district foe Spruce Creek (8-8), 7-0, at Mikler Field last Friday.

Leisher was 3-for-3 with three runs scored, while Gonzalez had a double for the Lions.
Oviedo had also won by shutout on Thursday as Williams struck out five in a 2-0, four-bit shutout of Alexander Coornin

four-hit shutout of Alexander, Georgia.

Gonzalez paced the Lions offense, going 2-for-3 with a double.

Winter Springs (11-6) also got a win over a Georgia squad, whipping Campbell, 8-2, behind the hitting of Sam English (3-for-4, home run, double, three RBI) and the pitching of Matt Grayson (4-2/3 innings, four strike

outs).

Matt Dobbins struck out 10 and gave up just one hit in five innings and Jamile Weeks went 3-for-5 with a home run and a double and three RBI as Lake Brantley (12-4) clobbered district foe University.

Lake Mary Prep (2-7) got only a single hit from Gunn as the Griffins were shutout by Pine Castle Christian (4-8), 10-0, in five innings.

Altamonte Christian also fell big, dropping a 15-5, six-inning decision to Calvary Christian (11-2). Hall had a good night for Altamonte, going 2-for-3 with a home run and two RBI.

In volleyball:
Lake Mary (14-1) continued to show its strength rolling over The Bolles School from Jacksonville in straight games on Thursday, 25-9, 25-13 and 25-15, and then getting back to SAC action on Monday with a 25-13, 25-18 and 25-21 victory over Lake Brantley.

It was the duo of Tim Spencer and Rob Green doing the damage in both wins for the Rams with Spencer getting 22 kills against Bolles and 25 kills against the Patriots and Green accumulating 17 assists against Bolles and 20 assists against Brantley.

Also on Monday, Lake Howell (9-3) got 25 assists each from Dunham and Curtin in a 28-26, 25-13, 23-25 and 25-11 victory over Oviedo, which got seven digs from McCann and 10 kills from Blahnik.

Lyman also continued its good play, topping Lake Brantley in four games to improve to 14-5 on the season Thursday evening.

The Greyhounds split the first two games with the Patriots by identical 25-21 scores, but then won the final two games, 25-18 and 25-19, to complete the three-match sweep.

Gamboa had 22 kills and Bricklemaier

bumped up 42 assists to lead Lyman. Winter Springs (12-8) also got a victory over Oviedo (6-10), 25-21, 25-14 and 26-24, with Brian Smith bumping up 36 assists, most to Sayre, who finished with 13 kills.

McCann had seven service points and

Elfrink four blocks for the Lions.

In lacrosse:
Oviedo (9-4) won two big SAC match-ups,
topping Lake Mary (7-5), 11-6, and Lyman (08), 17-3.

Noonan had three goals and five assists and Wilkins four goals and an assist for the Lions against the Rams, who got two goals from Supraner and 15 saves from Rauch.

Noonan scored three more times and had two assists against the Greyhounds, while Puckett added a goal and four assists. Stone had three goals and Balko 14 saves for Lyman. In a non-SAC matchup, Bishop Moore (10-4)

edged Lake Brantley (10-6), 13-12. Huber had four goals and two assists for the Patriots, while Blattner chipped in with three

goals.
In water polo, Lake Howell (4-5) swamped
Titusville, 10-2, with Topps scoring seven
goals and Lajoie making seven saves, and
Lake Brantley (14-4) thumped Edgewater, 15-

goals and Lajoie making seven saves, and Lake Brantley (14-4) thumped Edgewater, 15-3, with Tseng and Dechellis scoring six goals each. In girls contests last weekend:

Lyman got back on the winning track in softball on Friday, winning a thrilling district and SAC game with Lake Howell, 4-3, in 11 innings.

Ammons went 2-for-6 and drove in the winning run for Lyman, which improves to 7-13 after a very rough start to the season. Beaudoin also had a big game for the winner's, going 3-for-5 with an RBI.

Lamkay was 2-for-5 with a double and Samuels was 2-for-5 for the Silver Hawks. Seminole (12-7) picked up a nice win, getting past Deltona (10-8), 6-4, with Ashley Tabor hitting a home run and driving in four and Crystal Saufley going 3-for-4 with a double and an RBI.

Lake Brantley (10-9) got a split, besting Dr. Phillips (8-9) 5-0 and losing to University (14-5) 5-0.

In lacrosse:

Lake Brantley (10-2-1) got four goals from Pendley and Keys made five saves in a 10-1 clubbing of Winter Springs (5-8), with Ramsay scoring goal and Mullin making seven saves for the Bears.

Lake Mary ran its record to 12-1 with an 8-6 victory over Winter Park. Ingalls scored three times and Stanek twice for the Rams.

Seminole (3-7) got three goals from Taylor, but Olympia held off the Fighting Seminoles, 8-7

In tennis:

Lake Howell (8-5) edged Flagler Beach (6-4), 4-3, and Winter Springs (5-7) topped Olympia, 5-2.

In water polo:

Spruce Creek

Hayes scored twice and Haley had 18 saves, but Lake Howell (0-7) fell to Titusville, 9-4, and Lake Brantley (9-9) got clobbered by Edgewater, 12-4.

Altamonte's Taylor, SunTrust Racing scores initial victory

Special to the Herald

Max Angelelli held off Scott Pruett in the closing laps of the Food City 250 at Phoenix International Raceway to give SunTrust Racing its first-ever Rolex Sports Car Series win on Saturday night. Angelelli took the wheel of the No. 10 Pontiac Riley early in the race when Altamonte Springs' Wayne Taylor brought it in during the second full-course caution. Angelelli then piloted the No. 10 Pontiac into second-place and claimed the lead when polesitter Max Papis pitted on lap 82 to hand the CompUSA Chip Ganassi Racing No. 01 Lexus Riley

over to Pruett.

Angelelli and Pruett ran in first and second place for nearly all of the remaining laps, with Pruett making several attempts to put the CompUSA Lexus back in front before the two hour, 45 minute time limit drew to a close. But Angelelli was able to hold off his advances, giving SunTrust Racing its first Rolex Series win.

"This is great. The best thing about it is we have formed such a good friendship, and we've been running together since 1990," saiod Taylor. Forty race cars on Phoenix International Raceway's tight 1.51-mile road course made for an action-packed race, with the caution flag coming out seven times for 35 laps during the 133-lap race. Several teams in the hunt for the North American Road Racing Championship were taken out of the race early due to on-track incidents including the Doran-Lista Racing No. 27 Lexus Doran, both of the SpeedSource Ford Multimatics and the Southard Motorsports No. 7 BMW Fabcar.

Boris Said and Bill Auberlen won the GT class in their Prototype Technology Group No. 21 BMW M3, while Kyle Petty enjoyed his weekend off from the NASCAR NEXTEL Cup Series by taking second place in the GT class with Gunnar Jeannette in the Gunnar Racing No. 45 Porsche GT3 RS. The Racer's Group No. 66 Porsche GT3 RS rounded out the GT podium with drivers Chris Gleason, Ian James and RJ Valentine.

The battle for the SGS class win came down to the checkered flag, with the TPC Racing No. 36 Porsche GT3 Cup of Randy Pobst and Michael Levitas edging out the AASCO Motorsports No. 16 Porsche of Craig Stanton and David Murry by only 0.353 seconds. TPC Racing put a second entry on the class podium with the No. 36 Porsche of Andy Lally and Marc Bunting finishing third.

Prototype Technology
Group scored a \$2,500 bonus in the Acxiom Grand Touring Challenge for being the top qualifier and finisher in the GT class, while TPC Racing picked up a \$750 bonus for winning the SGS class.

The Rolex Sports Car Series will return to action next month in the 6 Heures du Circuit Mont-Tremblant at Le Circuit Mont-Tremblant in Quebec, Canada. For additional information about the race, visit www.lecircuit.com.

Continued from Page 8A is one of the biggest wrestling events that SCW organizes each year.

The Main Event this year finds The Hellraizers, Axis and Python, putting up their SCW Tag Team Championship title against the Asian Superstar Organization, Jason Hexx and the 6-foot-10 Korean Monster, Ryze, in a 15-foot steel cage.

This is the second, and most likely final, confrontation between these two teams, and this time nobody will be able to exit the cage, there must be a winner.

New SCW Heavyweight Champion "Classy" Chris Nelson was supposed to put up his belt in a rematch with the person he took the title from, Brian "The Blade" Gamble, but Gamble was attacked and injured on April 2nd and will be replaced by the winner of a match between Kahagas and Vordell Walker.

In a match for the Cruiserweight Championship, champion Chasyn Rance, the "Independent Sensation," will square off with No. 1 challenger Aaron Epic in a Best 2-out-of-3 Falls match. In a No Disqualification Florida Heavyweight Championship bout, Champion Thump Dupree will face "Rebel Rocker" Towns Ellis.

And in preliminary matches, SCW Rookie Sensation Johnny Shumacher is scheduled to face "The Most Important Man Alive" Mister Saint Laurent and Damon Briggs, with Seven, is to battle "The Man" Manny Montana. Sequel is also scheduled to appear against an unnamed opponent.

Also, the beautiful girls of Wing House will be on hand.

Bell time is set for 8 p.m. at the Eastmonte Civic Center located at 830 Magnolia Drive, which is the extension on SR 434 just

South of SR 436.
Tickets are \$10 for ring side seating and are available at Adventure Into Comics (407-339-9636).

The Raiders went on the road last Friday and swept St. Johns River Community College in Mid-Florida Conference action by the scores of 11-0 and 9-1.

With the sweep SCC ran its current winning streak to 10 games and now stands 38-13-1 overall and 15-8 in the conference.

Heading into the final week of conference play the Raiders sit in third place, and have already qualified for the State Tournament in Kissimmee May 6-8th.

In a side note, Rabenold broke another school record in the second game when she stole her 47th base, breaking the old record of 46 held by Lake Brantley graduate Nadine White-Davis in 1996.

Lacko ran her record to 16-8 in the opener as she held the Vikings to only three hits over five innings of the run-rule shortened game.

Oviedo's Miller had a big game, going 3for-3, including her 19th double of the season, and driving in three runs.

Miller did most of her damage early, squeezing home Rabenold with the game's first run in a two-run top of the first inning and then singling home a run in the second inning.

The game was still tight until the fourth inning when Amanda DeFilippo (2-for-3) hit a bases loaded triple to drive in three runs to highlight an eight-run outburst by SCC.

Also contributing were Rabenold (2-for-4, triple, two runs), Knight (2-for-3, two runs, RBI), Winter Springs' Schrupp (2-for-3, run), Kristin Cameron (2-for-3, run, RBI), Angie Camacho (1-for-4, run, RBI) and Lake Mary's Bitzer (1-for-2, run, RBI).

The second game found the Raiders out-

hitting the Vikings, 12-4, with Brosky (19-5) scattering the four hits and striking out eight in the six inning game.

SCC took little bites out of SJRCC in this one, scoring two runs in each of the first, second and fifth innings and closing out the game with a three-run sixth.

Victoria Rudolph hit her first home run of the season, a two-run shot over the leftfield fence in the fifth inning to put SCC up 6-1. Karen Padgett had a big game, going 3for-4 and driving in three runs for the

Raiders.

An error by the SCC defense allowed the only run of the day to score for the Vikings in the bottom of the third.

Other offensive contributors for the Raiders were Bitzer (2-for-2), Rabenold (2-for-3, double, two runs, two RBI), Knight and Miller (both 1-for-4 with a run and an RBI), Lacko (1-for-1, double), Sanford's Beth Gase (1-for-2, run) and Cameron and Lyman's Katie Pickelsimer (one run each).

SCC was to have traveled to Jacksonville to take on M-FC power Florida Community College at Jacksonville in a doubleheader on Tuesday and then return home to host Central Florida Community College from Ocala in the final conference double-dip of the season starting at 2:30 p.m. on Thursday.

The Raiders will close out the regular season with a road doubleheader against Indian River Community College in Ft. Pierce next Tuesday (April 20) and a home doubleheader on Thursday (April 22). Both contests are set to begin at 2:30 p.m.

After a 48-minute rain

lead to 6-0.

Florida Atlantic threatened with the bases loaded and just one out in the third with its No. 3 and 4 hitters due up, but Jeff Fiorentino recorded an out with a sacrifice fly and Rob Horst struck out looking to end the inning. Golden Knights starter Kyle Bono yielded just the one run in the

inning to cut the lead to 6-1.

Justin Martin ripped a RBIsingle to left center in the
fourth with two outs to bring
FAU to within four at 6-2.

FAU kept chipping away at the lead with two runs in the fifth on a two-run home run by Horst to cut the lead to 6-4.

The Owls kept the pressure on by forcing Bono to leave the game with one out and the bases loaded in the sixth, but reliever Jaime Douglas limited the Owls to just one run with a bases loaded walk to slice the lead to 6-5.

UCF's defense faltered in the eighth as the Golden Knights committed two errors in the inning to lead to two, two-out unearned runs for the Owls. With the bases loaded and an 0-2 count to Horst, the cleanup hitter for FAU laced a two-run single to left to give FAU its first lead of the night at 7-6.

Fox tossed his fourth complete game of the season to propel UCF past Florida Atlantic 8-3 in game one of a doubleheader Saturday and even the series.

Fox improved to 9-0 on the season and won his eighth straight start.

Fox limited the Owls to three hits and struck out eight in 7.0 innings of work.

For the second time this season, Clay Timpner drilled a leadoff home run to right center to get things started for UCF in the first. The Golden Knights added two more runs, one via a throwing error by FAU starter Randy Beam and on a bases loaded walk to Butera to give UCF a 3-0 advantage.

UCF continued its first inning magic in 2004 as the Golden Knights have outscored the opposition 44-

UCF continued its early scoring with two runs in the second on a two-run home run by Dee Brown. The fourth homer of the year for Brown extended the UCF lead to 5-0. Brown's home run left no doubt as it cleared the scoreboard in right field.

Brown turned a pickoff into a double steal in the fifth as Matt Ray scampered home from third base to extend the lead to 6-0. Brown looked to be picked off heading for a steal of second, but he caught FAU in a run down which led Ray to come home. Marshall Bernhard added another run with a sacrifice fly to increase the score 7-0.

The Golden Knights added another run in the sixth before FAU finally got on the scoreboard with a three-run sixth including two unearned runs off Fox.

The multi-home run game for the UCF offense was the third this season. Both Matt Ray and Dee Brown went 4-for-4 to lead the Golden

Knights.

But freshman pitcher Mike
Crotta pitched four innings
and allowed just one earned
run with four strikeouts to
lead Florida Atlantic to a 7-4
victory over UCF in the
nightcap to give the series to

the Owls.

Florida Atlantic started game two with two runs in the first. Despite not hitting the ball hard, the Owls took advantage of one UCF error and parlayed three hits into a

two-run inning.

FAU committed its 10th error of the season in the third as two unearned runs came home to tie the game at 2-2.

FAU catcher Justin Martin came through with a bases clearing double in the fourth to put FAU back on top at 5-2.

inning with a line drive solo home run to right center to bring UCF to within two at 5-3. The Golden Knights added another run in the frame with a sacrifice fly off the bat of Dave Lambert to slice the FAU lead to 5-4.

FAU added an important insurance run in the bottom of the sixth as Derek Hutton drove in FAU's sixth run of the game with a sacrifice fly to push the lead to 6-4. Evan Brannon followed with his third hit of the game with a RBI-single to left center to give FAU a 7-4 lead.

The Golden Knights brought the tying run to the plate in the seventh with one out, but FAU closer Chris Saxton got out of the jam without allowing a run for his seventh save of the season.

The loss dropped the Golden Knights to 29-7 overall and 14-4 in the A-Sun while FAU raised its record to 28-8 and 8-7 in the league. Ryan Bono was 2-for-4 for UCF which was to have completed a four-game road trip in Tampa Tuesday against South Florida before returning home to host an A-Sun series with Belmont beginning with a single game at 6 p.m. on Friday and concluding with a doubleheader beginning at 1 p.m. on Saturday at Jay Bergman

STETSON DROPS SERIES TO JACKSONVILLE

Jacksonville registered 13 runs on 15 hits as the Dolphins defeated Stetson 13-4 in game one of an Atlantic Sun Conference doubleheader Saturday afternoon at Alexander Brest Field. The Hatters returned the favor pounding out 11 hits and cruising to a 9-4 victory in game two.

Jacksonville (16-20, 7-11 A-Sun) took the three-game series two games to one, but Stetson (21-15, 10-5 A-Sun) maintained its second place position in the conference standings.

Freshman Chris Ingoglia pitched his first career complete-game for the Hatters in game two, allowing just five hits through seven innings.

"Chris gave us a huge performance, it was exactly what we needed after two frustraling losses," Hatter assistant coach Jeremy Tyson said. "It was to see a guy go out there and lead instead of waiting back for something to happen. He continues to show signs of maturity and growth in his development as a pitcher. The guys really fed off of that today."

After scoring 11 runs in the eighth inning Friday, the Dolphins picked up where they left off, scoring six runs off of Cy McCuen (5-2) in the bottom of the first inning of game one. Clint Hart hit a three-run home run to highlight the attack.

Pete Clifford's two-run home-run in the bottom of the second knocked McCuen (5-2) from the game and gave the Dolphins an 8-0 lead. JU added a run in the third, three in the fourth, and two in the fifth.

Stetson got on the board in the top of the fifth as Joey Wilson drove in Brian Bocock with a single to center. The Hatters added three runs in the seventh as John DeStefano went deep to right with Lonnie Tidmarsh and Bocock aboard. It was DeStefano's second home run in as many games.

Donald Brickle (2-1) went the distance, allowing nine hits through seven innings.

Daniel Murphy and Clifford and had three hits to lead the Dolphins. Bocock had two hits and scored two runs for the Hatters.

In game two, the Hatters trailed 1-0 in the third when they broke through with five runs against Dolphin starter Brett Nagy (1-4). With the bases loaded and one out, DeStefano and Chris Westervelt hit back-to-back singles to give Stetson a 2-1 lead. Jon Still then lined a three-run double into the

rightcenter field gap as the Hatters went ahead 5-1.

Stetson scored an unearned run in the fourth and added three more runs in the fifth to take a 9-1 lead. Brandon Paritz and Shane Jordan each notched RBI singles as the Hatters broke the game open.

The Dolphins scored three times in the bottom of the fifth to cap off the scoring.

Only two of the runs against Ingoglia (4-1) were earned, as the Hatter southpaw struck out four and walked just two. It is the second complete game for a Hatter pitcher in as many weeks.

Jacksonville had won the first game of the series on Friday, 13-5, because of the aforementioned 11-run bottom of the eighth inning to post a 13-5 victory.

Stetson led 5-2 heading into the bottom of the eighth, but the first 10 Dolphins all reached safely as Jacksonville vaulted into the lead. Clint Hart broke a 5-5 tie with a two-run single, and Larry Best-Berfet later drove in two more runs with a basesloaded double. The Dolphins sent 17 batters to the plate as the Hatters used five different pitchers in the inning.

The loss spoiled a strong outing from Ryan Heacox, who worked seven-plus innings in just his third career start. After spotting JU to a 2-0 lead, Heacox held the Dolphins scoreless until the eighth, allowing just one hit after the second inning.

After scoring a run in the fourth, the Hatters took the lead with three runs in the fifth. John DeStefano hit a two-run home run over the right field wall, his first of the season, to give Stetson a 3-2 lead. Stetson tacked on another run in the inning as Adam Tindle singled home Jon Still. Shane Jordan collected his second RBI single in the top of the eighth as the Hatters seemed to be in control of the game.

Dennis Robinson (8-2) tossed his third complete game of the year. Ryan Dixon (1-4) suffered the loss.

Pete Clifford homered for the Dolphins. Brian Bocock had three hits to lead the Hatters. Stetson will visit Gardner-

Webb for a three-game
Atlantic Sun Conference
series beginning next Friday
at 3 p.m.

STETSON SOFTBALL SWEEPS JACKSONVILLE

Stetson took two games from Jacksonville, 4-2 and 3-2, in an Atlantic Sun Conference doubleheader Saturday afternoon at the Stetson Softball Field.

The Hatters improved to 37-7 overall and 9-1 in the

league, while the Dolphins fell to 15-36 and 4-10.

Sophomore Melissa Wiggins blasted her eighth home run of the season with one runner on in the bottom of the first inning of game one to give Stetson the early 2-0 lead.

2-0 lead.

Jacksonville narrowed the Hatters' lead to one run in the next half inning when they scored off an RBI single to left center by Ronda Campo. Stetson answered in the bottom of the inning as senior Blake Hoorelbeke (Seminole Community College) walked with bases loaded to send home junior Sherilynn Wilder from third base. Wilder had also reached on a walk.

Wiggins pounded out her ninth homer of the season to tie the school record for career home runs in the fifth inning to put the Stetson ahead 4-1.

The Dolphins added one more run in the top of the seventh with a solo home run to left field by Sonja Cadarette.

In game two, the Hatters took advantage of throwing error by Jacksonville pitcher Stacey Bell in the bottom of the first inning that allowed Brittani Houghton to score from third after reaching on a single to left center, stealing second base, and advancing to third on a groundout by Carrie Cruit.

Stetson used three hits and a sacrifice fly by junior Jessica King to post another run in the third inning for the 2-0 lead.

Cadarette then notched a two-run homer to tie things up 2-2 in the top of the fourth, but Houghton singled home Wilder in the bottom of the sixth for the game-winning RBI.

Hoorelbeke (21-4) picked up the win for the Hatters in game one, scattering two earned runs off eight hits while striking out six batters in even complete innings. Katie Dobson (9-15) suffered the loss for the Dolphins, allowing four earned runs off six hits and striking out six batters. Houghton (9-2) earned the win for Stetson in the second game, allowing two earned runs off six hits in seven innings. Stacey Bell had the loss for Jacksonville, allowing eight hits and one

"The value of well-planned artificial reefs is enormous," Barreto said.

The "Oriskany" is a Ticonderoga-class attack aircraft carrier, commissioned in 1950. During its days of seryice, it had a crew of 3,460 and carried 80 aircraft. The ship served in Korea and Viet Nam and earned seven battle stars. It has been out of service since 1975.

A study by the Navy indicated that cleaning decommissioned ships and awarding them to states for artificial reef enhancements is less expensive than scrapping the vessels.

"We are very pleased that the Oriskany will be coming to Pensacola," said George Touart, Escambia County administrator. "The community has played a major role in this endeavor and we want to say thank you."

BOATU.S. ADVICE: THINGS TO KNOW **BEFORE YOU NEED A** TOW

Prudent skippers can prepare for breakdowns, groundings or accidentally running out of fuel long before the need for on-water-towing assistance arises. BoatU.S. Towing Services, the nation's largest fleet of towing assistance vessels including the TowBoatU.S. fleet - located in ports in the Atlantic, Gulf, **Inland Waterways and Great** Lakes – and VESSEL ASSIST on the Pacific Coast, offer

these tips: Carry the correct size and type of anchor with enough line to keep you safely in one spot while you try to correct

the problem or wait until help arrives. The last thing you need is to drift into shallower water or hazardous

areas such as shipping lanes. • A VHF marine radio is the best way to call for help. While a cellular phone is a good back-up - especially if your towing assistance program has a 24-hour dispatch service - other vessels won't hear your call for help and you may be out of range. Hail your towing service over VHF channel 16 or ask the U.S. Coast Guard to help you contact them.

 Give the tower your position by chart or GPS coordinates, nearby navigation aids or local landmarks. Describe your situation clearly, giving the nature of the problem, your boat name, size, distinguishing features, number of people on board and other useful information. If it is an emergency, always contact the Coast Guard immediately.

 When the towing vessel gets underway, the captain will contact you. Once you request assistance, you're committed to a verbal contract. If you get going again on your own, advise the tow captain immediately or you may have to pay for the cancelled tow.

 Most towers charge by the hour – \$150 per hour is the national average for those without towing plan coverage - and the meter usually runs from the time the tow boat leaves its dock until it

"Last year, the average towing bill was \$320, and due to increasing fuel costs, it could go higher this season," said Jerry Cardarelli, vice president BoatU.S. Towing Services. "Just like roadside assistance clubs, boaters pay one annual fee for our on-thewater TowBoatU.S. and VES-

SEL ASSIST towing plans. You don't have to worry about writing a big check," he

Most towing services offer several levels of service to fit the type of boating you do and the area where you boat. TowBoatU.S. and VESSEL ASSIST plan starts at around \$75 a year. For more information about BoatU.S. Towing Services, visit http://www.BoatUS.com/to

The answers to these questions and many more are answered in two free guides from BoatU.S. Consumer Affairs, Buying and Selling a Boat and Guide to Marine Service.

The 34-page Buying and Selling a Boat guide will help the novice navigate unfamiliar waters and remind the seasoned boat owner of landmarks to steer by and trouble spots to avoid when trading up or selling. Unlike buying an automobile, the guide explains what to look for when buying a new or used boat, such as manufacturing standards, surveys and sea trials.

Also likely to be unfamiliar to the prospective boat owner – and clearly spelled out in the guide is information on warrantees, federal documentation, osmotic blisters. marine insurance and boat loans.

For sellers, there's a checklist to help evaluate your boat's condition, information on the pros and cons of selling on your own versus using a broker, and how to write a sales agreement. Important information is also included on how to use the BoatU.S. Consumer Bureau's free services, including the boating industry's only Recall Alert Registry that tracks safety defects for new and subsequent boat owners, the only national Complaint Database for boats, engines and service providers such as boat dealers, and a Dispute

The 34-page Guide to Marine Service has additional information geared for the current boat owner. SAFE START

A ONE-OF-A-KIND DROWNING PREVENTION PROGRAM THAT GIVES YOUR CHILD THE SKILLS TO SURVIVE.

Protecting your child against drowning is a serious responsibility. Drowning is the number one cause of accidental death for children under four, and 11 children will die today from drowning in the United States alone. Thankfully, there is a program that teaches children water survival techniques. Safe Start teaches your child the skills of floating and swimming to safety, both in swimwear and everyday clothes. Throughout its history, Safe Start has taught survival swim skills to over 100,000 children. Of those, over 740 have saved themselves in a drowning situation.

SAFE START is available through participating YMCA Family Centers in Orange, Seminole and Osceola Counties.

Police arrest 4 men in incident

Sanford police arrested four men on March 26, in connection with an attempted murder and a fifth man who was reportedly involved in the incident. The incident was reported as a suspected retaliation for a shooting that occurred earlier that morning at a nearby nightclub. The four arrested were Edreicus Arteaz Glover, 19. Mario Jerome Hicks, 18, Roger Derrell Williford, 22, and Rodrakes Leondra Hooks, 26.

According to the arrest report, on March 21, a witness told officers he was standing in front of a residence in the 1000 block of Mangoustine Avenue with his brother and Hicks, when a vehicle approached them. Hicks reportedly threw a brick at the vehicle and broke out the window. Someone inside the vehicle reportedly began shooting at them, hitting Hicks in the neck and hand.

The men took cover and the vehicle sped off. Hicks was taken to Central Florida Regional Hospital for treatment of his injuries. During a hospital interview, Hicks is said to have identified the men in the vehicle.

On March 25, police interviewed a man who said he had been in the vehicle, but when shooting started, he dove out and pulled a nearby child to safety. The man also is said to have identified the other vehide occupants. Police said both Hooks and Williford turned themselves in at the police station. At one point during an interview with Glover, he told officers he thought someone had shot at the vehicle (the brick) and returned fire with his firearm.

Hooks was charged with homicide/attempted murder. Williford was charged with homicide/attempted murder, accessory after the fact. Hicks was charged with firing a missile into a vehicle. Glover and Hooks were both charged with homicide/attempted murder, accessory after the fact.

City wins first legal battle with schools

By Christopher Patton Managing Editor

LAKE MARY - City officials in Lake Mary are claiming a partial summary judgment issued by a circuit judge Thursday is the first step in resolving a dispute with the School Board.

Started more than a year ago, the disagreement stems from a plan to put a school for troubled students into a Judge issues partial summary judgement in dispute between School Board, Lake Mary

building at 450 Technology Park, off Lake Emma Road. The city balked at the School industrial park was an inappropriate area for a school and refused to change the land use of the property.

The partial summary judgment affirmed Lake Mary's interpretation of the Board project saying the comprehensive plan, but it does not settle the entire case. The School Board was contending it was a ministerial matter that the city had

to change the designation of the property and they were automatically entitled to have a school there, said Lake Mary City Attorney Catherine Reischmann.

"The main issue was resolved that the comp plan

allow us to do what we did," said Lake Mary Mayor Thom Greene. "Her opinion (Judge Nancy Alley) basically matched our argument made by our attorneys so from a legal standpoint we feel our position is very strong."

CPH Engineering welcomes back Capt. Paul Blackketter

By Christopher Patton Managing Editor

SANFORD — Capt. Paul Blackketter of the 1st Battalion, 124th Infantry brought back plenty of thanks and stories from his deployment in Iraq during a visit Thursday to his Sanford employer, CPH Engineering Inc.

Blackketter was in service for 15 months with 560 soldiers of a National Guard battalion based out of Miami. Employed at the CPH Bradenton See Soldler, Page 9A

office in the Tampa area as a project manager for planning commercial sites, Blackketter returned to the company's Sanford headquarters to say thank you for the company's immense support during

CPH employees continually sent out about 10 to 20 care packages to his battalion each month. In all, CPH personnel with the help of the community sent more than 200 boxes of needed items to

Longwood considers downtown truck ban

By Christopher Patton Managing Editor

LONGWOOD — City leaders approved a new set of regulations for Longwood's historic district on the first reading earlier this

month, but not without a host of changes. The historic district codebook was devel-

oped to maintain and enhance the architectural style and character of the area generally bounded by Pine Avenue to the south, County Road 427 to the east, Palmetto Street to the north and Milwee Street to the west. Two regulations the Commission pushed to strength-

Shooting leaves man in critical condition

From Staff Reports

Sanford police are working a shooting incident near the city's historic district with strong leads, according to authorities.

Troy Letroy Dixon, 25, of Cedar Creek Circle, Sanford, was transported to Orlando Regional Medical Center early Thursday, following a shooting incident in the 1400 block of Oak Avenue in Sanford.

Police were summoned to the area shortly after midnight, in reference to gunshots heard. Two separate calls to the police told of a total of six shots having been fired.

Police searched the area and found Dixon on the ground, in the north side gutter of the westbound lane of 13th Street and investigated. Dixon said to have been conscious and alert, signaling for assistance. bill. When he asked the people in the

in the area. Dixon is said to have told police that three white males and a white female had approached him in a two-tone brown station wagon or possible blue-gray faded out minivan and asked for change for a \$20

car for a ride home, he said they tried to rob him, and he took off running, at which time he was shot twice.

Rescue 31 and Engine 31 responded to the scene and Dixon was airlifted to ORMC where he underwent emergency surgery. At last word, his condition was listed as critical.

Officers reported finding Dixon in possession of \$140 in currency, which was taken in as evidence.

Although a search for the reported vehicle was extensive, it was not immediately located and the case is continuing under investigation. Sanford police received numerous leads in the investigation as there were reported several witnesses to the shooting.

Dixon has been in the Seminole County Jail more than a dozen different times for various charges including the possession and sale of drugs.

Sanford to restrict City Hall parking

By Christopher Patton Managing Editor

SANFORD — A downtown parking lot frequently used by Seminole County Courthouse visitors will be prohibited to them come Monday morning.

Sanford police will begin patrolling and ticketing motorists who ignore new restrictions at City Hall municipal lot across Park Avenue from the courthouse. While the lot has always been limited to two-hour parking for visitors, officers will begin enforcing the rule and limiting parking to only those who have business with the city of Sanford between Monday and Friday from 7 a.m. and

The change in enforcement comes about as the city is expected to lose about 75 parking spaces due to construction of the mixed-use development, Gateway at Riverwalk, which will feature condominiums and retail shops. Some of the western most lots are already blocked off and were typically used for employee parking.

City employees will be issued decals and two rows of the main parking along Fulton Street will be reserved for them, said Cleo
