Ed Building

First Baptist Church of Sanford this week voted approval of plans to build s three-story educational buildng with target date for befinning construction set Oct. 31 at the climax of a special building fund drive now underway. Completion date for the new unit is Sept. 30, 1966. Thomas and Slater, Inc., of Daytona Beach, were low bidders on the project and officials of the church and archiects are now working out ietails of a construction contract. Bid, after adjustments, stands at \$315,000.

Negotiations for part o the needed construction fund have been completed with Sanford Atlantic National Bank by the church's building committee and the present fund raising drive will increase the amount of cash

already on hand. The new puilding will be the first unit in a long range plan for development of the 500 block on Park Avenue where First Baptist Church is located. Other parts of the plan call for a new sanctuary, another educational building and provisions of adequate

tconomic Slun

TALLAHASSEE (UPI) -Florida apparently went through an economic slump in June, But officials can't explain why. sconomy seems to be back on

an even keel.

The indication of the slump was a 2.2 per cent decline in sales tax collections in July, compared to the same month year ago. Since the tax collections are for sales the previous month, the slump was in One thing in particular that

has the experts stumped is a 3.5 per cent dip in sales tax collections in July in Brevard County, site of the missile test center and a boom area almost continuously in recent Harry Coe and Larry Voor-

hees, assistants in the State Revenue Department, said that another discrepancy is that both gross sales in grocery stores, which produce a lot of sales tax on non-food tems, and sales revenue from restaurants were up for June. This leaves department store and clothing sales as the ap-parent focal point of the slump, although sales in both categories were off only

alightly.

The saving factor is that August sales tax collections, on sales in July were up a healthy 8.2 per cent over last year. Normally collections rise from year to year, an average of five to six per cent over comparable months the previous years.

Polk County registered

The men of Gainesville have the horses, but also a tough schedule. Mississippi State, North Carolina State, Captains of the grid squad (SEAL) Auburn, Tulane and Miami are the soft portions of the Gator slate. To win the SEC, Florida must defeat LSU, Mississippi and Georgia and to gain national prestige, Ray Graves' team must hurdle Northwestern and Florida State. We don't think any team can handle LSU this year and we'll stay out of family squabbles and pick the Gators to tie FU. The rest should be success and a S-1-1 season.

Florida State has just as tough a schedule with the likes of Alabama, Georgia, Kentucky and Florida, but even with all that great defensive talent at Tallahassee, you can't win unless you score. Now, new Bonne Bell Ten·O·Six Cleansing Bar for honest skin!

There's never been anything like this Ten-O-Six® Cleansing Bar. It looks like soap but it's not. It's purer. So pure you can see through it. It's gentle. So gentle that it can't ever irritate or dry your skin. And, it's medicated. Containing the same exclusive ingredients found in famous Ten-O-Six Lotion.

Why is this new complexion aid so special? First, you never have to use soap again. Soap dries out precious oils your skin needs, often leaving an irritating alkaline film. Bonne Bell's Ten-O-Six Cleansing Bar is non-alkaline, nondrying, non-irritating. It removes surface dirt and make-up with medicated suds. Use it along with your Ten-O-Six Lotion. And, soon honest skin is yours! Honest.
