Reds In Germany Enlist Youths In Fight For Peace

'Young Pioneers' Are Formed In Eastern Section Of Nation

BERLIN, May 25.—Hitler started indoctrinating German youth in Nazism at the age of ten. But the Communists now call the Eastern Germany start with the six-year-old.

"We are not old enough yet to go into the factories and help realize a better life but we are not too young to help fight for peace, because we were not too young either, to suffer from the war and its consequences."

5 Negroes Seek Court Order For U Of F Admission

TALLAHASSEE, May 26.—Five negroes yesterday asked the Florida Supreme Court to order their admission to the University of Florida.

In almost identical suits, they alleged they had been arbitrarily refused admission solely because of their race and color in violation of the United States constitution.

The suits were brought against the Board of Control, President J. Hills Miller and Registrar Richard B. Johnson of the University.

The negroes are represented by Alex Akerman, Jr., of Orlando, former Republican member of the state House of Representatives.

Chairman J. Thomas Gurney of the Board of Control told him that in view of racial segregation provisions of the constitution and statutes of the state, the board had no authority to admit the negroes to a white institution.

It is those statutes the negroes are attacking in the Supreme Court.

ITALIAN DISORDERS

ROME, May 25.—New disorders broke out in both the north and south of Italy today as the farm strike, which has already resulted in two deaths and over 100 injured, entered its eighth day.

Follies arrested more than 150 strikers who had invaded farms, fought with workers and tried to occupy land.

At Andria, near the Adriatic port of Bari, some 5,000 strikers marched onto farmlands.

Friendly Greeting At Parley

MEETING IN THE ROSE MARBLE PALACE in Paris at the opening of the Big Four Foreign Ministers Conference, a cordial hand shake is exchanged by U. S. Secretary of State Dean Acheson (right) and Russia's Foreign Minister Andrei Vishinsky (International Radiophoto)

Public Is Invited To Donate Books To Junior High School

The public is requested to donate books to fill gaps in the shelves of the Junior High School library which has 300 books for 700 children, whereas the ratio should be five books to a child, according to school authorities.

Mrs. Heimen Jacobson is chairman of a library committee and Mrs. S. O. Chase chairman of the book committee which has undertaken to secure the donation of needed books before June 15.

Auto Production Due To Set New Peak In Quarter

DETROIT, May 25.—The car industry is virtually certain to set a new production mark for the April-June quarter. Even the Ford shutdown is not likely to prevent it.

The factories built approximately 550,000 units last month to top all marks since mid-1941. They are likely to produce about 550,000 in May. Thus they need only a relatively small volume in June to top the post-war mark of 1,119,584 vehicles built in the final quarter of 1948.

Rollins To Award Diplomas To Its Largest Class In June 2 Exercises

WINTER PARK, May 26.—(Special)—Rollins College will award diplomas to 145 seniors, its largest graduating class in history, at Commencement Exercises Thursday, June 2, at 10 A. M. in the Knowles Memorial Chapel.

President Hamilton Holt, who retires as head of the college after 24 years, has been selected by the senior class to deliver the commencement address. It will be his last public appearance as president in Florida before his retirement on Aug. 31. He has also been elected an honorary member of the class of 1949.

At the same time the college will award special honors to seniors, including the Algerton Sydney Sullivan Medalion for outstanding character, the Libro Cup for a senior woman for leadership, and the General Beave Awards for scholarship to five students.

75,000 Schools In U. S. Offer But One Teacher

Big Differences In Education Quality Are Cited In Report

WASHINGTON, May 25.—(AP)—The nation still has more than 75,000 little but not all red schoolhouses with only one teacher.

Most of these are in rural areas. Generally speaking, the most expensive way for a state to give a child an education is in a small school.

This is pointed up by a report from the Council of State Governors' committees—the first study of U. S. education that has been made by any agency representing all the states.

The report says that there are immense differences in many states in the quality and cost of education offered children.

The report says that in Colorado the operating cost per pupil in one rural district is \$30 but in another it is \$60.

Wyoming claims the student with the most costly elementary schooling, among all the states, at \$177 a year, or \$1.77 a day for one child, with another it is \$1.77.

New York has a school with three students. The cost per pupil is \$1,050.

The report says it is impossible to provide small schools in many isolated communities but that the existence of 75,000 one-teacher schools is not justified because of geographic conditions in any other way.

Florida, Minnesota, Missouri, Nebraska, and Wisconsin have over 4,000 one-teacher schools each. In contrast, Utah reports only 38 such schools and Rhode Island 9.

Enrollment in kindergarten and grades one to six should not be fewer than 175 pupils with seven teachers.

The council says that a national commission on school district reorganization, the report says, the commission offers these titles:

Results Of Indiana Tornado

A GARAGE WAS NO PROTECTION for the car as a three-ton roof smashed through Terra Haute, Ind. The walls were blown in and the car crushed in this rubble as the wind tore across the town. Forty-five persons were killed and 100 were injured by the storm which swept the Midwest states.

Volume Of Retail Sales Show 20% Decrease In April

WASHINGTON, May 25.—Retail sales in April dropped about 20 percent higher than the year-ago level. The report said that the decline was the largest since 1947, and that the decline was the largest since 1947.

Saw Forrestal Last

NAVY Corpsmen, Robert Vance Harrison, captured a fragment of the airplane that was shot down by the sea on April 27, the report said.

HEC Board Studies Miami Station Site

HELICOPTER RESCUES Navy Hero In Gull

JACKSONVILLE, May 25.—A rescue helicopter today rescued a Navy hero who had been stranded in a gull.

GARDEN CLUB AWARD

PORTLAND, Ore., May 25.—(AP)—The highest award of the National Council of 28 Garden Clubs was presented last night to Liberty Hyde Bailey, Cornell University horticulturist.

PAY HIKE

MIAMI, May 25.—(AP)—The Miami Herald today announced that a national arbitration board has awarded union pressmen a four percent increase in pay retroactive to Aug. 22, 1948.

3rd Member Of Shelton Gang Hurt In Ambush

Doctors Say Victim Of Bad In Flight Club Will Survive

CHARLETT, N. C., May 25.—(AP)—Ambush gun boys taken a shot this time probably in a successful crack of the Shelton gang of prohibition days.

The latest victim of Big Earl Shelton, who succeeded to the leadership when his two older brothers were cut down from ambushes, Big Earl was taken to Louisville, Ind., hospital last night with a bullet in his neck.

The two big brothers before midnight while on a night job in Donald R. Lusk's bar. Hospital authorities in Evansville said the shooting was "professional."

Police offered no theory to explain the shooting. Big Earl had retired from most activities several years ago, and owns a 60-acre farm near the southern Illinois community. He has two surviving brothers, Roy, and Delton.

The two older brothers, Carl and Bernie, both were shot from ambushes in late 1935. Carl, commander of the Shelton gang, was shot in the chest in October, 1937. Bernie, the strong man of the outfit, was shot in the back of the head in a bar near Evansville in July 1945. Carl's four other brothers had not been captured.

Police officers in Evansville said the Shelton gang had been active in the city for several years. The city would say way any other way.

Gen. Kenney Sees Need For U. S. To Have Radar Screen

BOSTON, May 25.—(AP)—A radar screen system for the United States will enable United States air forces to detect the planes of the Soviet Union, Gen. Kenney said.

Gen. Kenney, commander of the 5th Air Force, said that the United States should have a radar screen system to detect the planes of the Soviet Union.

FLANDERS ATTACKED

MOSCOW, May 25.—(AP)—The Soviet foreign policy weekly, Izvestia, today attacked the American Senator Ralph E. Flanders (R-Vt.) today as a "warlike Republican from Vermont state."

KILLED IN FALL

NEW YORK, May 25.—(AP)—A top 16-year-old boy, Robin Ubina, 16, was trying to get a new kite into the air yesterday. His eyes fast on the kite, he walked backward towards the wire's edge.

From a nearby rooftop, Anthony Martin, 17, saw the danger. He tried to leap a 10-foot shaft to stop Ubina. The shaft was too short. Martin didn't make the other side.

Idea Of Poppy As Memorial Sprang Up As Naturally As The Flower

By MYRTLE ANDERSON

The idea of the poppy as a memorial flower for world war dead sprang up as naturally as the little wild flower itself. In the days of the first world war, the flower was the one touch of beauty which survived amid the hideous destruction of war. The soldiers of all nations were awed and impressed by nature's protestation of these bright red poppies in a region where death reigned supreme, and they came to look upon them as the living symbol of the sacrifices of their dead comrades.

There are none who do not remember the immortal poem of Colonel John McCrae, who was soon to join his comrades lying beneath these poppies. He was the first to call attention to the poppies growing between the crosses in Flanders fields. Returning soldiers brought back with them the vision of those crosses and those poppies, and it was to be engraved indelibly in their hearts with the memories of the comrades they had left on the battle front. Spontaneously the poppy took on a sacred significance.

The idea of using the poppy as a memorial flower was born in many places at approximately the same time. Miss Malva Michael of Athens, Georgia, was perhaps the first person to wear a poppy for this purpose. She was serving on the staff of the Y.M.C.A. Overseas Headquarters in New York, and on November 9, 1918, she received an unexpected check from members of a Y.M.C.A. conference being held there that day. Col. McCrae's poem had moved her strangely and she decided immediately what she would do with the money. She went out and bought red poppies and presented each man at the conference with a poppy to wear in memory of our hero dead. This was the first use in America of the wearing of the poppy for all who died.

The first street sale of the poppies in a large city was held in Milwaukee, Wisconsin, in June, 1919, to raise money for the 32nd Division's Homecoming. The American Legion in Milwaukee sold the poppy to raise money for service work just before Memorial Day, 1920.

Her great admiration for the American Legion led Miss Michael to induce its members to adopt the poppy as its official flower of remembrance and, through her efforts, the Georgia Department did adopt such a resolution. Legislators from Wisconsin and Washington were also influential in bringing about its adoption. Georgia and Wisconsin brought resolutions to this effect from their department conventions to the National Convention in Cleveland in September of 1920, and it was here the poppy was adopted as the Memorial Flower of The American Legion—its first adoption in America by a great national organization.

The nation-wide sale of memorial poppies was begun by The American Legion and Auxiliary in 1921. At first poppies made in France by French widows and orphans were used. In 1922 the first poppies made by American veterans were produced in the hospitals in Minnesota, and this work has steadily expanded until poppies are being made in nearly a hundred hospitals and disabled veterans' workrooms all over America.

The crepe paper poppy was selected as the official poppy of The American Legion and Auxiliary because it provided the maximum work for the disabled man, with the minimum expenditure for materials. The fabric poppy was considered, but it was not selected because making this poppy would not provide sufficient employment for the disabled veterans.

In the poppy was found a way to link the honoring of the dead with service for the living victims of war, and it came to take on a double significance. It was ruled by The American Legion that all funds received from the sale of the poppies must be used for the welfare and comfort of veterans and their families.

In 1924 it was seen that the poppy program lent itself more naturally to the work of women than of men and The American Legion gave the Auxiliary com-

Oviedo News

By MARIAN R. JONES

Miss Dorothy Lucille Niblack, only daughter of Mr. and Mrs. Charles T. Niblack, reigned as the lovely queen of the May Day festivities at the Oviedo School. Miss Niblack's attendants were Misses Carlene McKinnon and Joanne Meek, Johnnie Courier, III, eldest son of Mr. and Mrs. John Courier, Jr., served as her crown bearer; and her cousin, little Suzanne Partin, daughter of Mr. and Mrs. James A. Partin, was her flower girl.

Miss Niblack's lovely blonde beauty only made the entertainment furnished by her schoolmates more enchanting. She calmly reigned over the folk dances and songs on her school mates, who had vied her to be their queen.

Following the festivities everyone enjoyed the delicious basket picnic, sponsored by the local P.T.A., with Mrs. W. R. Meek serving as chairman of the occasion.

Miss Niblack, the lovely daughter of Mr. and Mrs. Charles Niblack, and Miss Joanne Meek and Miss Carlene McKinnon, daughters of the W. R. Meeks and J. W. McKinnon respectively, are members of the 1928 graduating class, and will receive their diplomas on June 8.

The Women's Society of Christian Service of the Oviedo Methodist Church held their installation ceremonies at the Oviedo Methodist Church. The newly elected officers installed were: Mrs. H. R. Hunt, president; Mrs. James E. Pearson, vice-president; Mrs. Charles G. Shaffer, recording secretary; Mrs. Don Hrey, promotion secretary; Mrs. Joseph Leinhardt, treasurer; Mrs. T. W. Lawton, secretary of Christian Social Relations; Mrs. B. R. Wheeler, secretary of Spiritual Life; Mrs. C. S. Lee, secretary of student work; Mrs. W. A. Toussie, secretary of youth work; Mrs. Charles T. Niblack, secretary of children's work; Mrs. Marion Estes, secretary of literature and publications; Mrs. J. M. Staley, secretary of song work; Mrs. B. G. Smith, secretary of Committee on Status of Women.

Mrs. John Brazell, of Kingsland, Georgia, has been the guest of our hostess, Mrs. N. S. Quarterman and Mr. Quarterman.

Mr. and Mrs. Marvin Danell

haye as their guests Mr. and Mrs. Dan Steele and son Bobby of Atlanta, Ga.

Mrs. Don Carraway has been visiting relatives and friends in Jacksonville.

Mr. Ed Sweat, of Jacksonville, formerly of Oviedo, was the recent guest of friends in Oviedo.

Mr. and Mrs. Billy West were the recent dinner guests of the C. L. Wests at their home on Lake Charm.

Miss Beverly Jones of Orlando, was the recent guest of her grandmother, Mrs. Holly H. Jones.

Miss Agnes Richards, of Los Angeles, Calif., who has been visiting her sister, Mrs. Clara E. Mariner, has returned to her home.

While here she and Mrs. Mariner visited many interesting places in Florida.

Mrs. Libby Walwright of Miami has returned home after spending a few weeks here as the guest of her son Ben, Mrs. Ben Walwright and grandchildren.

A special film showing the work of the Rev. Spottwood, a missionary to the Philippine Islands and former pastor of the Oviedo Methodist Church, were shown at the Oviedo Methodist Church Sunday night.

The Men's Club will meet Thursday night at the Oviedo Methodist Church. All men are urged to come.

Mrs. H. H. Terrell, of Highland, Ohio, has returned to her home after spending several months here with her daughter, Mrs. Joseph Leinhardt and Mr. Leinhardt.

A board meeting of the W.P.C.M. of the Oviedo Methodist Church was held at the home of the new president, Mrs. H. R. Hunt, at her home on Lake Charm.

Mrs. George Morgan sustained painful injuries, although not serious, because of a fall at her home this week.

Postmaster J. B. Jones is in Tampa, where he is attending the National Association of Postmasters.

Young of the scorpion are brought forth alive and are carried by the mother for a short time.

From where I sit... by Joe Marsh
Two Heads Are Better Than One (Or None)

I got a kick out of having stuff down at the hardware store. And I always ask for a little advice from one of the two brothers who run it, because I know beforehand exactly what the answer will be.

Legislature Has Time To Pass Tax Bill, Warren Says

SAUNDERS SEEKS 10 PER CENT CUT IN BUDGET INSTEAD OF REVENUE HIKE TALLAHASSEE, May 27 (AP)—The Senate today passed an amendment to the general appropriations bill which would increase the salaries of Supreme Court justices from \$9,000 to \$12,000 a year. The amendment, offered by Senator Moore of Sebring, was denounced in split speeches by Senators Bradford of Grand Ridge, Ray of Haddon and Davis of Madison.

TALLAHASSEE, May 27 (AP)—Governor Warren told the Florida Legislature today he believed it had "ample time" left in its regular session to pass some revenue-producing bills. Warren's statement came as some lawmakers kept talking about the need of a special legislative session devoted entirely to finding ways to finance the State. Warren informed the Legislature of its "constitutional duty" to provide money for running the State. Even before Warren's brief note to the Legislature an opponent of the new transactions tax program drawn by a special committee said more than 40 House members agreed the Legislature should buckle down and work on finances.

Rep. Patton of Franklin said this bill had "finally determined" we do need to raise some more money, settle down and concentrate our efforts toward properly financing the State from some sensible tax. As the Senate began determining how much the State will spend in the next two years the House completed legislative action on the bill to decontrol rents in St. Petersburg.

Walter B. Currie Tells Lions Of Leadership Need

Members of the Lions Club were today reminded of the need of constructive leadership in the community, state and church by Walter B. Currie, special representative of Lions International, who became the Scotch herring known as "Scuttle". He advised leaders of the club to take advantage of the information made available by Lions International in promoting community enterprises and declared that it represented the experiences of 7,800 Lions clubs. Urging that the local club take active part in community enterprises, he pointed out that the current hospital drive offers such an opportunity. "It is easy to be selfish," he declared. "If I find a man who is not selfish I will be glad to take him up to the Smithsonian Institute and frame him."

The Lions Club voted that the meeting dates be changed from Friday to Tuesday, and that meetings start at noon instead of 12:15 o'clock. The Club approved a \$25 donation to the hospital drive, and members were urged by King Lion J. Hamilton Rhee to contribute individually.

CUB SCOUT PICNIC Cub Packs 10 and 34 and their families will hold an annual picnic on Saturday, R. E. Reely, chairman of the committee announced this morning. Ballantyne Springs will be the scene of the event which will be from 8:00 to 5:00 P. M. Ice cream and cold drinks will be furnished by the Methodist Men's Class.

AUTO REPAIR The Firestone Store today announced re-opening of its service and automobile repair department under management of E. E. Paris Jr., formerly of Chattanooga, Tenn., and for the past year service manager of Orange Buick Co. Opelika, according to C. C. Borsdorf, store manager.

Mr. Paris has been in the automobile repair business for 22 years. His wife and two boys, now in Chattanooga, plan to join him here in August.

TRUMAN CRUISE WASHINGTON, May 27 (AP)—President Truman will spend the week and cruising on the Potomac River and Chesapeake Bay. He arranged to start with a few members of his staff aboard the presidential yacht Williamsburg this afternoon (2:00 P. M. EST). The return to Washington is set for 4:00 P. M. Monday. Mr. Truman plans to go ashore Sunday at Annapolis to attend religious services at the Naval Academy Chapel.

Union Rejects Ford's Bid To Settle Strike

DETROIT, May 27 (AP)—A company peace bid to settle the 23-day Ford strike was rejected today by the CIO-United Auto Workers. Ford's proposal covered arbitration of work standards on disputed assembly lines in two struck plants. It was concerned only with whether work standards impair the "health or safety" of employees, in line with the Ford-UAW contract. The union has insisted that the powers of the arbitrator be limited to whether the company has the right to work employees in excess of 100 per cent of "normal work standards."

Emil Mazey, secretary-treasurer of the UAW, declared the company plan "definitely is not acceptable as it stands." The Ford proposal is "very complex" and "not understandable," Mazey said. He explained that the Ford arbitration plan did not deal with a major point in the union's earlier proposal—allocation of manpower in assembly lines. The union insisted that point is the key to settlement of the dispute.

Ford, at the union's request, made available to the UAW in advance the company proposal. John S. Bugas, Ford vice president in charge of industrial relations, said the proposal was turned over to the UAW in writing last night. Its details were not publicly disclosed at the time. Bugas said the union had asked for it "well in advance" and that the company made it available "for discussion" at today's session.

Keystone Airpark Flight Is Scheduled

Roy Browning, former manager of the Sanford School of Aviation, today announced that a mass flight of sportsman pilots to Keystone Airpark and Ranch, which he manages, will take place early Sunday to mark the start of the summer season. The airpark embraces 2,800 acres, including good fishing and hunting facilities and is 48 miles southwest of Jacksonville between Keystone Heights and Starke on Highway No. 100.

American Legion Auxiliary Will Sponsor Poppy Day Tomorrow

Poppies, symbols of the poppy fields of Flanders where many American soldiers of World War I died in combat, will be sold in downtown Sanford Saturday from 8:00 A. M. to 8:00 P. M. to honor the dead and aid the disabled of both World Wars. Mrs. Henry Thurston is general chairman of the Poppy Day program, and is assisted by a committee headed by Mrs. E. A. Covington, president of the local American Legion Auxiliary unit and including Mrs. J. E. Hodges, Mrs. C. E. Hunter, Fred Holly, J. Q. Galloway, B. L. Miller, Roy Tillis, W. E. Smith, Joel S. Field, Mrs. Edgar J. Routh, Nora Newsum, Henry McLaurin, Miss Aracelia Takach and Miss Jeanette Laine. The group will be assisted by Junior Auxiliary members under leadership of Marjorie Lippincott and by members of the Pep squad of Seminole High School.

Berlin Jarred By Total Halt In Rail Service

RUSSIAN MANEUVERS THREATEN AIRLIFT; REUTER CALLS IN AIDES FOR PARLEY BERLIN, May 27 (AP)—The full impact of the Berlin rail strike, making a gigantic mess of transport, struck groggy Berliners in the breadbasket today. Here is the situation as of now: 1. Not one railroad wheel moved from West Germany toward Berlin and the city's freight yards are a vast graveyard of stalled cars. 2. The western railroads began to slip into their backlog of three-weeks' food supply maintained by the Allied airlift, once again the chief source of supply for the beleaguered city. The airlift never stopped after the lifting of the Russian blockade. The Western Allies were waiting to see what happened and the 8,000 tons a day coming in now showed the decision was made. 3. Western Berlin's mayor, Ernst Reuter, called in his district sub-mayors for a special conference. 4. The Western Allies insisted that the latter stand off by themselves the independent railroads which would be a German matter. They refused to do anything which would look like strike-breaking. Meanwhile the Russians announced they will begin summer air supply and air maneuvers' operations and will not accept responsibility for Allied aircraft flying over "dangerous areas."

The Russian announcement to American authorities and its ground force will be conducted by their airplanes in the Luftwaffe, not control to Berlin. British and American officials (Continued on Page Two)

Clinkscale and Thornley Praise Leesburg Festival

C. G. Clinkscale, Montezuma Hotel proprietor, and J. L. Thornley, local Shriner, today told glowing tales of the parade and celebration in connection with the Watermelon Festival which they attended Wednesday at Leesburg, where 10,000 people attended the program. Turning the parade and colorful floats as "big city stuff" that would have been a credit to Jacksonville, Miami or Tampa," they pointed out that the Seminole High School band was the most colorful and outstanding among five high school bands at the parade. Among outstanding floats were those of Silver Springs and of Ross Allen with his cage of snakes, they declared. There were many pretty girls in the parade, including 18 bathing beauties in a contest, they declared and termed Leesburg a progressive, up and coming town. Praises by representatives George Smathers, Miami, and Sid Herlong, Leesburg, were much enjoyed, and the two local men cited Mr. Smathers as a likely prospect for governor or Senator, and declared that Mr. Herlong gave a revealing report on national legislation.

Rita Hayworth Becomes Aly Kahn's Bride In Simple French Ceremony

VALLAURIS, France, May 27 (AP)—Richard Roy Hayworth, of the movies became the proudest bridegroom to perform the wedding ceremony today. The ceremony was a 10-month courtship. Rita, 31, and Aly Kahn, 39, were married in the French town of Vallauris. The bride wore a white gown and veil. The ceremony was held in a simple French church. Hayworth is a Hollywood actor. Kahn is a writer. They have been together since 1934. (Continued on Page Two)

Open Gambling In Jacksonville Denied By Burns

MIAMI, May 27 (AP)—Gambling in Jacksonville is "practically nonexistent," Mayor Paul Bergson said today, replying to a charge by a business-Mason member of the House that the city is a gambling den. "I Jacksonville had a gambling industry the size of what you have in Miami and at Miami Beach," Burns said today. "If Jacksonville had a gambling industry the size of what you have in Miami and at Miami Beach, it would be the largest industry in the city," he said. Burns made the comment following publication of a story in the Tampa Tribune that gambling was "side open" in Jacksonville. The Young Democratic candidate for mayor will take office June 24 after the finality of a general election, refused to go into the subject of just how wide open gambling is in Jacksonville. He said when he came from his brief post-campaign vacation (Continued on Page Two)

Student Officials Get First Hand Information On County's Operation

Boys and girls elected by each school students as "County Officials" in the Joyce sponsored youth government program were guests of heads of County departments at the Court House yesterday, just a lot of first hand information about how County affairs are run, and had a lot of fun in addition. When Sheriff P. A. Merritt showed his youthful counterpart, Allan Hetzel, the neat, clean, colorful sheets, blankets and other facilities in the County Jail the latter's eyes popped wide open. "Gee, I didn't know a jail was supposed to be so clean," exclaimed Allan, and he straightway resolved that if he ever got to be sheriff in reality, he would "clean up the whole county," as he put it. Clarke Muesler, youthful clerk of the court, waited patiently for O. P. Herndon, county clerk, to arrive at his office and is reported to have remonstrated with Mr. Herndon for being five minutes late. "I told him," said Mr. Herndon with a grin "that my alarm clock didn't go off, my car had a flat tire, and that I got caught in a traffic jam, but he said that was no excuse." As a result of this controversy the Youth Board of County Com-

British Court Frees Eisler Of U.S. Charge

Red Was Not Convicted Of Extraditable Offense, Magistrate Declares WASHINGTON, May 27 (AP)—Attorney General Tom Clark today held the United States has not given up its efforts to get Communist Gerhard Eisler back from England to serve his prison sentence. LONDON, May 27 (AP)—Magistrate Sir Lawrence Dunn today denied U. S. demands for the return of Gerhard Eisler. After almost two hours of argument in London's High Street Court, Dunn and the United States had failed to prove that the fugitive Communist had been convicted of an extraditable offense. The judge ordered Eisler freed. He said Eisler "no doubt committed the offense for which he was convicted." "The question is whether he was convicted of an offense in America which is considered both in America and here alike to be extraditable."

"I should have thought the answer was absolutely not." Eisler sat steadily in the prisoner's box while the judge gave his decision. He showed no emotion and he had hands free with the judge who had acquitted him. The case had been set on for the trial of the case was the single point of law discussed by the judge in his summation. Sir Valentine Helwig, representing the U. S. Embassy, contended the crime was the same as any other crime. U. S. Form, left wing member of Parliament (Robert Edey), de (Continued on Page Two)

Defense Attorney Makes Final Plea To Save Rutledge

CHAR RAPIDS, Va., May 27 (AP)—In his closing words to the jury today in the Dr. Robert Rutledge, Jr. murder trial, defense attorney R. S. Milner declared that he had no doubt that his client was innocent of the crime. "There is no guilt in the case," he said. "You are going to have the glad news, gentlemen, that of letting him go home to his wife, Sydney, 22." Defense Attorney Walter A. Barringer and County Attorney William C. Crissman still remained to be heard as court recessed at 11:00 A. M. (EST) until 1:00 P. M. The case was expected to reach the jury tonight or tomorrow. Milner disclosed, and district Judge J. E. Holsherman confirmed by a nod of his head, that only four possible verdicts would be considered: 1. Acquittal. 2. Murder in the first degree which carries the penalty of death by hanging or life imprisonment. 3. Murder in the second degree which carries a sentence of 10 years to life in prison. 4. Manslaughter—eight years in prison and a fine of up to \$1,000. Milner had opened his address by picturing the defendant's bloody wife as a "gallant young woman trying 'to save her husband'."

VA OFFICE CLOSED

H. F. DeKenshaets, manager of the Veterans Administration Post Office Regional Office, announced today that the VA must discontinue its ill-fated service in this area effective May 31. Counties affected include Broward, Osceola, Seminole and Volusia. The Orlando VA Office itinerant contact representative formerly contacted veterans each month in McAlister, Cocoa, Titusville, Kissimmee, St. Cloud, Sanford and Deland.

PROCLAMATION

WHEREAS, The President of the United States has by authority vested in him, declared Saturday, May 28, 1949, as National Poppy Day; and WHEREAS, The Campbell-Lessing Post of the American Legion and the American Legion Auxiliary of Sanford are sponsoring and cooperating in a Poppy sale on that day, the proceeds of which are to be used in the national program of veteran rehabilitation and aid to disabled veterans; and WHEREAS, Many Citizens of Sanford were called into the service of their country in World War I and it is proper that recognition be accorded them by designation of the Poppy Sales day. Therefore, I, Andrew Carraway, Mayor of the City of Sanford, do hereby, on Saturday, 28 May 1949, as Poppy Day, in Sanford, Florida, and recommend to the citizens of Sanford that they participate in events of that day. Andrew Carraway Mayor

Senate Approves Hush-Hush Bill To Benefit U.S. Spies

WASHINGTON, May 27 (AP)—The Senate today passed without opposition a "hush-hush" bill to broaden the powers of the Central Intelligence Agency. It offers special benefits for spies and their families. A study measure has been approved by the House. Minor differences will have to be adjusted before the legislation is sent to President Truman. In a brief debate, Senator Laverne (R-ND) protested that he did not like the secrecy about the bill. It was handled so secretly that no public hearings were held. Laverne said he was unwilling to take a chance of "a veto being set up here."

Sawyer Stamps 'Good' On U. S. Business Trend

ATLANTIC CITY, N. J., May 27 (AP)—Secretary of Commerce Charles Sawyer today stamped "good" on the current business situation. Sawyer said "by any normal standard of business comparison our situation is good." In an address prepared for the 10th convention of the National Restaurant Association, Sawyer said: "Whether we shall maintain our economy at present levels will depend as much upon psychological factors as upon material factors. Your opinion of what the future holds, and your personal action along with that of 140,000,000 other Americans, will have much to do with the immediate development of our economic future."

Sawyer said there has been a relaxation of inflationary pressures evident in the last quarter of the year. In his first quarter of the year, the inflationary pressure has been more cautious in their buying in the last quarter. Sawyer said "More cautious business buying has produced a significant decline in the production of some goods."

Driskell Resigns County Home Post

L. P. Driskell, superintendent of the County Home, for the past three months, has tendered his resignation to the County Commission. It was announced here this morning. The resignation, if accepted by the Commission at its next meeting, will terminate Driskell's service as acting superintendent of the County Home. Driskell was appointed to the position in 1947. He is now superintendent of the County Home at St. Cloud. He was succeeded by James W. Hallow, who has been appointed temporary superintendent.

MEMORIAL SERVICES

Spanish war veterans and members of the American Legion, VFW, and DAV are requested by James Galloway, commander of Campbell-Lessing Post No. 53, American Legion, to attend Memorial Day services Sunday morning at 11:00 o'clock at the Congregational Church. The service will be given by the Rev. J. B. Root, veteran of World War I. All Legionnaires are requested to wear their caps.

PARKING LIMITED

Due to congestion of traffic on Palmfield Avenue between Third and Fourth Street, parking on the east side of the street has been limited to 30 minutes between 8:00 A. M. and 6:00 P. M. City Manager C. E. McKibbin announced this morning. No parking is allowed on the west side of the street in the block.

THE WEATHER

Table with 2 columns: City and Temperature. Includes locations like Jacksonville, Tallahassee, and temperatures ranging from 81 to 93.
