A tip to Central Florida residents and visitors alike: Take a look at the Florida Conservation Week displays in the Civic Center. There's a treat in store for you. Impressive, to say the least.

Because of the weeklong program on conservation, the Starlight Promenaders will not be able to meet there this Wednesday. Both class and club will meet instead at the DeBary Firehouse.

The Longwood Chamber of Commerce will meet at the Civic League Hall tonight at 8. The Seminole County Eye Bank group will present a program including a film to be shown by Mrs. Frank Woodruff of DeBary. The public is invited.

Florida Highway Patrol Cpl. Bill Stringfield was named program chairman for November for the Sanford Lions Club and then got transferred to West Palm Beach. Before going, however, Bill finished his club assignment and has arranged a number of speakers for the club's weekly Tuesday noon luncheons at Lake Monroe Inn.

Citrus interest is focused on Sanford this week as a highly complicated trial gets under way. The courtroom was filled yesterday with spectators watching the proceedings.

Dottie Austin, The Herald's city editor, speaks tonight at the Ladies Night program of the Lions Club. She also reports a pleasantly hectic day yesterday in Orlando as she covered the President's visit to Central Florida for her newspaper. Got a special "badge" to show for it, too.

Somewhere in Our Town, someone has a new umbrella. Not unusual. But this one is special. It's been used by an elderly man for some time to help him get around. He depended upon it greatly. But the lure of the umbrella was too great for someone in this area. They stole it. The owner's wife called us the other day, asked if we could help. She says all she wants is for the trusty walking aid to be returned. No questions will be asked.

We'll be glad when the Seminole County Humans Society gets fully organized and can begin operations. Hardly a day goes by that The Herald doesn't get a call from someone wanting information on where animals can be taken. There was another one from Oviedo today.

"Rebel" never had a chance. A month ago the mischievous boxer pup, who made his home on Mayfair Circle, had a leg broken by a deliberately thrown stone. This week he was found dead in the driveway . . . poisoned.

Efforts Continue
DETROIT (UPI)—The United Auto Workers and General Motors today continued their efforts to restore total labor peace and settle plant-level contracts at 28 locals.

8 Yanks Die
PHNOM PENH, Cambodia (UPI)—Cambodia announced today that its forces shot down a U. S. Air Force C-123 transport plane last Saturday, killing eight Americans.

SEN. HARRY P. CAIN, a Republican ex-U.S. Senator from the State of Washington, now stumping Florida as head of the State Citizens for Johnson, was welcomed to town today by Walter A. Gielow (right), publisher of The Sanford Herald. (Herald Photo)

Demos Raise Cain From GOP Ranks

Former U. S. Sen. Harry P. Cain, Republican of Washington, is in Sanford today helping local LBJ for the USA Committee members round up support for President Johnson in next Tuesday's election.

Senator Cain arrived late last night and began a round of conferences with Democratic leaders, including the LBJ Chairman, Dr. W. Vincent Roberts.

This noon other Democratic Party workers lunched at Jim Spencer's Restaurant to continue plans for the last week of the political blitz which hit Central Florida yesterday with the appearance of the President in Orlando.

Cain, a conservative Republican, is now affiliated with the First Federal Savings and Loan Association in Miami. He is currently on tour of the state in behalf of the President and his vice presidential running mate, Sen. Hubert H. Humphrey.

This afternoon, following luncheon with Seminole and Sanford party leaders, he is to speak at Stetson University.

The senator from the State of Washington has had a long, colorful and dramatic career.

Glider Readied For 9,000 MPH

CAPE KENNEDY (UPI)—The Air Force tonight plans to use a rocket that once stood guard in England to hurl an unmanned glider 31 miles high for a 9,000-mile-an-hour flight back to earth.

The flying laboratory, designed to lead the way for manned spacecrafts of the future, will study for the first time the effects of an airplanelike flap on high speed winged spacecraft diving into the earth's atmosphere.

The 1,200-pound Delta winged vehicle is bolted to the nose of a Thor rocket for the shot. As an intermediate range ballistic missile (IRBM) stationed in Northern England, the booster once carried a nuclear warhead for a payload.

The space glider, fourth in a \$40 million research program called ASSET, is expected to crash into the Atlantic 950 miles away after its 15 minute glide to earth.

Florida Marine Among 9 Dead

HUELVA, Spain (UPI)—The U. S. Marine Corps carried on today with the largest peacetime amphibious landing exercise in history despite the loss of nine lives in a helicopter collision.

Undersecretary of the Navy Paul B. Fay, who watched the landings from the flagship Potomac, said the tragedy "put a cloud over the whole operation."

The Pentagon identified among the dead Pfc. Harry Truman Hines, son of Mr. and Mrs. Fleming Hines, of Ona, Fla.

LBJ Invades 'Goldwater Country'

WASHINGTON (UPI)—President Johnson redirected his campaign to the vote-heavy Northeast today following a trip into "Goldwater country" in the South.

The Chief Executive planned to fly to Boston and then to Pittsburgh today for major speeches aimed at bolstering his strength in those key electoral centers.

From Pittsburgh he was scheduled to fly to Albuquerque, N. M., for an overnight stay springboarding an important campaign swing through Southern California Wednesday. On the way West, he planned a brief stop at Evansville, Ind., to pick up Mrs. Johnson.

Monday, Johnson campaigned in Florida, Georgia and South Carolina. He expects to win in Florida and Georgia but sought to build up his strength in pro-Goldwater areas of those states. And he was cheered by a huge crowd reception he received in Columbia, S. C., even though polls indicate he is behind in that state.

By United Press International
GOP presidential nominee Harry M. Goldwater, with one week to go until election day, today stepped up his charges that President Johnson is a power seeker who will "do anything" to achieve his ends.

Goldwater launched one of his strongest attacks yet on the Chief Executive in a speech prepared for delivery in Bristol, Tenn. He said that Johnson would not be satisfied with an election, but "wants to be crowned."

ABOARD THE LADY BIRD SPECIAL (UPI)—Campaigning Lady Bird Johnson flew to Tulsa and McAlester, Okla., today to boost the political stock of the President and all Democratic candidates in Oklahoma.

Justice Dept. Wins First Round

United Press International
The Justice Department won the first round in a legal fight with a federal district judge in Mississippi.

The U. S. 5th Circuit Court of Appeals, sitting in Jacksonville, stayed the judge's order to jail a U.S. attorney for refusing to sign federal grand jury indictments. The stay was issued pending a hearing on the case.

CONSERVATION WEEK officials and visitors attended a luncheon honoring Secretary of State Tom Adams Monday as Florida Conservation Week opened. Among those attending the Jim Spencer Restaurant gathering were, from left, A. B. (Tommy) Peterson Jr., Sanford Chamber president; Capt. C. W. Swanson, Naval Air Station commanding officer; Sen. Mack N. Cleveland Jr.; Miss Frisella Schnarr, Miss Florida for 1964; C. H. Coulter, State Forestry Service; Adams; Mayor A. L. Wilson and James P. Avery, Seminole County Commission chairman.

Natural Resources Conservation Urged

By Harry I. Johnson
Managing Editor
Secretary of State Tom Adams called for a concerted effort in promoting conservation practices in the state as he officially opened the Florida Conservation Week here.

Adams spoke at the Civic Center to a generous audience of local, county and state officials as the Conservation Week program, sponsored jointly by the Sanford Chamber of Commerce and Florida Development Commission, got under way.

The secretary of state declared employees "have risen or fallen" depending on the conservation of natural resources, especially the water table in an area.

"We have been blessed with natural resources," he said, and urged his listeners to seek stringent means to conserve them.

He noted how 25 years ago California was experiencing the growing pains now involving Florida and how it is imperative for the West Coast state now to spend \$12 billion dollars to get enough fresh water for inhabitants of the southern portion of California.

Every new housing development, every new parking lot reduces the amount of water absorbed by the earth and for reuse of residents, Adams warned, calling for a concerted effort on the local, state and national level for additional conservation.

Several conservation honors were presented prior to Adams' speech to a host of persons in the state who have pushed conservation practices.

Making the presentation was Sanford Mayor A. L. Wilson. Special hostesses for the opening day was Miss Frisella Schnarr of Hollywood, Miss Florida for 1964.

Jim Talmadge, Chamber executive manager, was master of ceremonies, introducing several dignitaries to the audience. A. B. (Tommy) Peterson, Chamber president, outlined the start of Florida Conservation Week.

The Rev. LeRoy D. Soper, rector of Holy Cross Episcopal Church, gave the invocation.

State Inspector Takes Stand In Citrus Trial

Dr. George Westbrook, inspector for the Florida Department of Agriculture, occupied the witness stand this morning in Circuit Court as a citrus fraud trial entered its second day.

Charged are Ralph W. Alderman and Billy Lamar Hammond. The charges stem from the alleged \$200,000 swindle from Hi-Acres Concentrate Inc., of Seminole County.

Dr. Westbrook showed slides and offered technical data on the methods inspectors use in determining the contents of citrus and thus their worth to the growers, processors and other interested parties.

Defense attorneys are Dominik J. Balli and J. Russell Hornaby, of Orlando. The prosecution is being handled by State Atty. A. L. "Mike" Steed assisted by William D. Hopkins of this circuit.

Conducting the trial is Circuit Court Judge Thomas A. Beasley, of DeFuniak Springs.

Jurors chosen yesterday afternoon are Richard S. Costello, of Winter Park; Clinton F. Gore, Maitland; James E. Ewer, Apopka; Lewis Albert Roberts, Sanford; Richard F. Chandler Jr., Sanford; Robert M. Kilmeck, Casselberry. The alternate is Joseph B. Shaw, Sanford.

Alderman and Hammond are on trial in seven counts of grand larceny.

Merchants Seek Covered Meters

The Sanford Merchants Association, through its executive committee, is expected to request City Commissioners at their adjourned meeting Monday to cover all parking meters, except those in parking lots, for a 90-day trial period.

The Chamber committee will suggest to the Commission that overtime parking fine be increased to 50 cents as a deterrent to using spaces over the free two-hour maximum period.

"We feel that free parking has now become a necessity to meet the competition of the present and future shopping centers," said Chairman B. L. Perkins Jr.

"If the Commission will approve this request, we hope that at the end of the 90-day trial period, we can prove the advisability of permanent removal of the meters," he added.

Every new housing development, every new parking lot reduces the amount of water absorbed by the earth and for reuse of residents, Adams warned, calling for a concerted effort on the local, state and national level for additional conservation.

Several conservation honors were presented prior to Adams' speech to a host of persons in the state who have pushed conservation practices.

Making the presentation was Sanford Mayor A. L. Wilson. Special hostesses for the opening day was Miss Frisella Schnarr of Hollywood, Miss Florida for 1964.

Letter Writer Geo. Bobrow Is Defendant

By Julian Steinbaum
W. Lawrence Swofford, mayor of Altamonte Springs, today filed a \$200,000 libel suit against George J. Bobrow.

Swofford's suit listed four specific complaints against Bobrow, all contained in a letter published in The Sanford Herald over Bobrow's signature Oct. 8.

Bobrow stated in the letter, "Many of the worst roads in the county were built while Swofford was a county commissioner. After he was defeated in a try for another term in 1959, the new Board in 1960 found it very necessary to reorganize the road department."

The suit claims this charges Swofford with being reckless, irresponsible and incompetent while a County Commissioner and of wasting public funds.

Next, Bobrow's letter declared, "He advocated and was instrumental in raising Seminole County tax assessments to one of the highest percentages of appraised evaluation in the entire state . . . (and) . . . He conspired with a group to have the governor throw tax assessor, Mary Earle Walker, out of office. She was then replaced with a pre-selected appointee, who began a reassessment program that caused angry demonstrations throughout the county. The resultant rash mistakes of amateurish appraisals, according to official estimates, will have cost the county tax payers over \$75,000 to correct."

This, says the suit, indicates that Swofford unlawfully raised the tax assessment of Seminole County and was guilty of malfeasance in office, and that Swofford committed an unlawful act of conspiracy in violation of state law.

Bobrow's letter, said the suit, claimed that, "In the mayor's town of Altamonte Springs . . . it seems that he went to great pains to keep the city taxes as low as he could on his own commercial land and property on SR 436. He proved his 'ability' by appraising this property as worth \$8,410 against the county appraisal of \$23,150. Thus his property is assessed for 1963 taxes at almost 36 per cent of the county valuation, whereas the acting town clerk advised that the assessors on property owned by others in the town generally range between 75 per cent and 90 per cent."

Swofford's action today says Bobrow's statement charges the mayor with misconduct and malfeasance in office, dishonest, reckless, irresponsible and incompetent and "that plaintiff exerted influence for his personal advantage and gain."

Bobrow's letter also said, "This experience shows that the mayor has the 'ability' to exert favoritism to certain taxpayers, especially himself, by knocking off about \$12,000 on his assessment."

"This, the suit says, means 'Favoritism in the discharge of the duties of his office as mayor and by misconduct and malfeasance in office.'"

FRIENDLY PRESIDENT Lyndon B. Johnson makes his way toward crowd straining at the fence surrounding the speaker's stand as Secret Service men surrounding him get set for the battle to keep the President from being mauled by eager people and thousands of reaching hands. (Herald Photo)

Rebuilding To Start Soon At Forest Lake

By Maryann Miles

The fire which destroyed the administration building at Forest Lake Academy last summer has caused considerable inconvenience to students and faculty alike as the shortage of space has called for quite a bit of doubling up.

Preliminary plans for the new administration building have been drawn up and are being checked for necessary minor changes. As soon as all plans are definite and working plans complete, construction is expected to begin on the structure.

At this time the masonry portion of the old building is being demolished.

Work has been started on the new laundry building, a vital need on the campus for quite some time. The laundry

offers work opportunities to approximately 40-50 students each year, making it possible for these young people to earn a considerable portion of their expenses while attending school. Some have even straddled as much as three-fourths of their total expenses for the year.

The new building will provide even more work opportunities for the students. During the past two years, the laundry has progressed both financially and in the number of students employed.

Bids have been received on the construction of a new girls dormitory and work is expected to commence within a short time.

During Hurricane Dora, the girls had to evacuate to the cafeteria building with all their belongings.

Rainy days provide quite a problem for the students going from English classes in the Youth Tabernacle to physics class at the other end of the campus in the dairy. Many of the classrooms are nice, but there are a few in old houses, the dairy and tabernacle that are crowded.

There are no lockers available since the fire and students have to carry their books. The library which was housed in the burned building, is now part of the cafeteria and the registrar's office is located in a section of the home economics room.

It is not surprising that everyone concerned is looking forward to the completion of the new buildings.

Johnson Meets British Leader

WASHINGTON (UPI) — President Johnson was to meet today with British Foreign Secretary Patrick Gordon Walker whose new Labor government is seeking cut-rate methods to streamline nuclear defense.

Their talk is expected to be general in nature, since the British minister and Secretary of State Dean Rusk already have canvassed in some detail a broad range of international issues.

Gordon Walker's visit is expected to be followed by an Anglo-American summit between Prime Minister Harold Wilson and President Johnson here soon after Nov. 3 if Johnson wins the election.

Should Republican presidential candidate Barry M. Goldwater win, the new British regime would have to start all over again in assessing its relations with Washington.

Alaska's first settlement was established by the Russians at Kodiak in 1872.

Spessard Partial To Florida-LBJ

ORLANDO (UPI) — President Johnson expressed thanks to the elected members of Florida's State Cabinet Monday for endorsing him. He met the Cabinet members at Miami Sunday night.

And at a breakfast at Orlando Johnson kidded Sen. Spessard Holland about getting federal money and talking economy at the same time.

"Spessard is always serious about spending money at any time," the President said. "But he always does loosen up when it affects Florida."

Legal Notice

ELECTION PROCLAMATION

Under and by virtue of authority in me vested as the Mayor of the City of Sanford, Florida, I hereby call a Municipal General Election to be held throughout the City of Sanford, Florida, on the 3rd day of November, 1964, for the election of One City Commissioner for a term of three years.

Said election shall be held at the proper precinct polling places in conformity with the combined registration under Seminole County Registration Officer and the laws and ordinances relating to elections as now in force in said City.

The polls will be opened at 7:00 o'clock A. M. Eastern Standard Time, and will close at 7:00 o'clock P. M. on said date.

I hereby appoint Peter Bukur, Howard Cushing, Mrs. Horlene Bonham, Mrs. Nellie Kader, Mrs. Lillie Buckler, Mrs. Charlotte Smith and Mrs. Lucille Kirehoffs as Clerks, and Mrs. Louella Almy, Mrs. Anna Bukur, Mrs. Rosa Boyle, Mrs. Olive Adams, Earl M. Tannar, Jr., Mrs. Minnie Strickland, Mrs. Martha Raborn, Mrs. Emma Lou Saunders, Mrs. Ann Greasy, Mrs. Paullette White, Mrs. Neal Farmer, Mrs. Georgia Price, Mrs. Florence Leasing, Edward Ludwick, Floyd Palmer, Miss Edna Childen, Mrs. Lucy Smith, Mrs. Minnie Smith, Mrs. Mary Holler and Mrs. Josephine McCallum as Inspectors of said Election.

IN WITNESS WHEREOF, I have hereunto set my hand as Mayor of the City of Sanford, Florida, and have caused to be affixed hereto the seal of said City on this 23rd day of October, 1964.

A. L. Wilson As Mayor of the City of Sanford, Florida

Attest: H. N. Tamm, Jr. City Clerk Publish Oct. 27, 1964.

WW I Veterans Set Election

By Donna Estes

The World War I Vets and Auxiliary of Barracks 28908 of Altamonte Springs held a covered dish luncheon preceding the regular meeting at the community house. Auxiliary president Mrs. Otto Baumgartner and the women of the auxiliary served as hostesses for the event.

Distinguished guests present included Mayor and Mrs. Lawrence Swofford, Councilman and Mrs. Keith Nixon, Councilman and Mrs. Robert Newell, Councilman S. D. Fritch, State Rep. and City Attorney Joe Davis, and Frank Lash, Department Deputy Chief of Staff of the World War I Vets.

Other guests were Mrs. Marylou Fitzpatrick, of Oak Park, Ill., and Mrs. Mary Holloway.

After the luncheon and social hour, the barracks held a short business meeting.

There will be nomination and election of officers for the coming year at the next meeting to be held Thursday, Nov. 19, at 2:30 p.m. at the community house.

All eligible World War I veterans and their wives are invited to attend.

PRESIDENT JOHNSON descends steps of speaker's platform after he told crowd "Let me say loud and clear—I'm ready to become a Central Florida citizen". He immediately made his way to the fence to shake more hands. Strained by mass of humanity, fence gave way at one point. Note Volusia County sign and "Hi there, Lyndon." Just behind Johnson is presidential flag. (Herald Photo)

Council Steps Up Child Care

By Dottie Austin City Editor

The Seminole County Juvenile Council, holding its fifth annual meeting Monday has embarked on an ambitious long range program under the leadership of newly elected President Tom Rich-ey.

The three-phase program, aimed at improving facilities for the handling of delinquent or dependent children of the county includes:

1. Establishment of a child guidance clinic with a child psychologist;
2. Addition of more professional juvenile counselors for the Juvenile Court;
3. Establishment of a juvenile detention center to keep children out of the city and county jails.

Judge Vernon Mize, who is leaving Juvenile Court to resume private practice in January, presented the needs of the juvenile protection program and urged its adoption.

At the same time, he commended the Juvenile Council for its efforts in getting the Foster Care program underway here three years ago.

Incoming Juvenile Judge Karlyle Housholder, contacted by The Herald by telephone today, said:

"I endorse this program

100 per cent and will do all in my power to further it in any way I can."

In pointing out the need for the various facets of the program, Judge Mize noted that he had long advocated the establishment of a guidance clinic in Seminole County.

"The mental and emotional health of the children who come before the Juvenile Court is being completely neglected. Private treatment is very expensive and beyond the means of most parents, especially those whose children find themselves in trouble with the courts. There is a guidance clinic in Orange County to which we have access but it is overtaxed and the waiting lists are long," the Judge explained.

In pointing out the need for a detention center for children Judge Mize told the Council that all of the surrounding counties, including Volusia, Lake, Brevard and Marion have such centers and "only Seminole County in Central Florida is still putting children in jail with adults."

In promoting the hiring of more juvenile counselors for the court, Judge Mize noted that many children who are first time offenders can be deterred from getting into trouble again if a case worker has time to follow-up on them, counsel with the child and his parents and get to

Treasury Chief Dillon Hits Sen. Goldwater For Five-Year Plan To Cut Income Taxes

MIAMI BEACH (UPI) — Treasury Secretary Douglas Dillon today renewed his attack on Republican presidential candidate Barry Goldwater's plan to cut income taxes five per cent a year for five years.

"In this uncertain world, we simply cannot responsibly schedule fixed tax reduction for years ahead in blithe ignorance of, or unconcern for, expenditure needs and the

state of the economy," Dillon said in a speech prepared for delivery to the American Bankers Association.

"Changes in our tax system must be recognized for what they are—strong medicine to be prescribed only after the most painstaking and careful diagnosis.

"A willingness to use fiscal stimulus under one set of conditions must be matched by a willingness to accept restraint when needed."

GOP Stand On REA Will Cost Votes

CLEARWATER (UPI)—Republican presidential candidate Barry Goldwater will lose millions of votes in rural areas because of his stand on rural electrification, the nation's top electric leader predicted.

Clyde T. Ellis, general manager of the National Rural Electric Cooperative Association, made the prediction in a speech to delegates at the association's region-two meeting.

Ellis said Goldwater has voted unfavorably on legislation affecting rural electrification 92 per cent of the time that he has been in the Senate. He added that vice presidential candidate Rep. William Miller voted against rural electrification and related issues 88 per cent of the time.

This, Ellis said, compared to an 87 per cent favorable voting record in both houses of Congress by President Lyndon Johnson and a 96 per cent favorable record for Johnson's running mate, Sen. Hubert Humphrey.

Ellis told the 400 delegates from Florida, Georgia and South Carolina that it was Goldwater who insisted that the Rural Electrification Administration (REA) had "outlived its usefulness" and that the Tennessee Valley Authority (TVA) should be sold to private companies even if the government "should get only one dollar for it."

Enterprise Unit Lists Honor Roll

By Mrs. Ritchie Harris
Students on the honor roll at Enterprise Elementary School for the first six-week period have been announced.

Fourth graders are Ruth Gilmore, Amy Morrow, Johnny Sheffield and Cheryl Walsh.

Fifth graders include Buddy Baker, Robert Barber, Frank Blomd, Dena Laughlin, Pat Lester, Fred Perlick, Richard Potter, and Donna Semones.

Halloween Party Set At Longwood
By Donna Estes
All the young ghosts, hobgoblins and witches in the city of Longwood are invited to the third annual Halloween party sponsored by the Longwood Volunteer Fire Department Saturday at 6:30 p.m. in the city park.

Fire Chief Claude Lajo reports that all the hot dogs and cotton candy that the youngsters can eat will be available.

Attendance is expected to exceed last year's estimated crowd of 700 children who consumed 75 pounds of hot dogs and more than 1,000 cones of cotton candy.

GENE TAFFER (left) and Bud Rawls (right) make a vain effort to hide Dick Aiken behind a scarecrow as the three clown it up at a meeting to plan for the annual Southside School Halloween carnival Friday from 5:30 till 9 p.m. Taffer is president of Southside PTO; Rawls is carnival chairman, and Aiken, well he's just a Daddy.

Election Returns Will Come Fast

For the first time in history, the Florida vote returns will be reported to the nation minutes after the polls close on Nov. 3.

This project is being sponsored by the Network Election Service (NES)—a pool arrangement of the three major broadcasting media and the Associated Press and United Press International.

The other partners in the NES are the American Broadcasting Company, the Columbia Broadcasting System and the National Broadcasting Company. The partners in NES have divided up the 50 states and the District of Columbia and will report the total vote from these states to the NES New York headquarters on election night. From New York, the vote returns will be released to the nation by the individual members of NES.

The formation of NES came about as a result of experience gained in the Presidential primaries earlier this year. It was learned during these primaries that the cost of reporting state votes on an individual network basis was rapidly becoming prohibitive. This gave birth to the Network Election Service.

ABC News was assigned the state of Florida, and Alva Smith from the Los Angeles, California News Bureau was appointed State Manager with headquarters in Miami. The Florida Jaycees, under the leadership of Cody L. Bailey from Ft. Pierce, Florida, will function as precinct and county courthouse reporters for ABC News and NES on election night. Cody Bailey is past state president of the Florida Jaycees and presently serves as Chairman of the Board.

NES will concentrate its effort on the 16 most populous counties in Florida where 80 per cent of the registered voters reside. In these 16 major counties, Jaycee reporters will cover all precinct polling places. In the other 31 less

Safety Stressed For Students Enterprise

By Mrs. Ritchie Harris
The Enterprise Elementary School PTC has been successful in getting the word "school" painted on the highway 400 feet in each direction from the school. A school patrol is being organized.

Arnold Pancrats, faculty safety advisor, took the members of the new patrol to each of the classrooms and introduced them to the students. Due to the scattered facilities of the school since the recent fire, the children have to travel more on the highways of the area than formerly.

The fourth and fifth grades are in one building and the sixth is housed in another part of town, requiring the children to walk to lunch at the school cafeteria and to and from the bus stops.

The need for a safety patrol is therefore greater now than when the school was housed on one campus and the safety patrol members are trained to conduct the groups safely with highway traffic.

Sgt. James McKinnon, of the Florida Highway Patrol, will present a program on safety Friday at the school. Members of the patrol are Jim Sheffield, captain; Fred Perlick, lieutenant; and John Barber, Mike Blankenship, Mount Lucy, Levy Prescott, Tim Meadows, Eileen Sullivan, Jimmy Randall and Roger Beal.

Music Afternoon

By Mrs. Frank White
The music department of the DeBary Woman's Club will present an afternoon of music at the home of Mrs. Price Goodson, at 31 Sunset Dr., DeBary, Friday at 3 p.m.

The Savoy operas and Gilbert and Sullivan operettas will be heard and discussed.

Home Nursing Needs Met In Seminole

Success in the control of infectious diseases has been the result of the combination of increasing scientific knowledge, the efforts of private individuals, and those of the official health agencies. No modern state is willing to forego the advantages accruing from the continued control of infectious diseases. We must maintain our community immunization levels at a high enough point to minimize the danger of diphtheria, tetanus, smallpox, polio, whooping cough, typhoid, etc.

Seminole County is meeting this home nursing need through its Health Department with a Home Nursing Service which is available to all who need it in Seminole County by calling the Health Department at 322-2724.

Next meeting will be held on Wednesday at 7:30 p. m. at the Health Department on French Avenue (17-92) and Ninth Street, Sanford. At this meeting they will have Dr. Thomas L. Largent, a member of the Seminole County Medical Society, speak on cancer of the lung and cervix, Dr. Leone said.

The very fact, however, that the control of infectious diseases has been very successful has brought about some of the problems with which the health department must now deal. For example, maternal and child deaths have been drastically reduced. This means not only that more children are living to maturity but that the population is increasing relatively rapidly and that more people are living into the later years of life.

While modern medications have improved longevity, we have as yet no adequate means to combat the physiological time clock governing the aging process. This means that more people live to need nursing care at home. Improved methods of medical treatment will make it possible to send many persons home who would otherwise spend much of their life in mental institutions or TB hospitals. This places additional responsibilities on the communities. The full advantage of early discharge from these hospitals can not be realized unless the citizens who are discharged have some means of home supervision.

A part of every medical care program is the need to take care of patients who are not acutely ill enough to be in the hospital but who are in and out of part-time professional nursing services at home. These services may include assisting in rehabilitation of a stroke victim, instructing a

NEW SOLID-STATE PORTABLE STEREO

PTC Discusses School Lunches

By Mrs. Ritchie Harris
Mrs. Gladys Earnest, county school lunchroom supervisor, was the guest speaker at meeting of the Enterprise Elementary School PTC. She spoke on the school lunch program.

Open house was held in the kitchen following the meeting. It was announced that a microphone has been given the PTC by a special friend of the school.

Trading stamps are still needed for sheets, pillows, pillow cases, and a medicine cabinet for the school clinic. School sweat shirts in all sizes are now being sold at the school, Echols Grocery in Enterprise, or Drach's Needleshop in DeBary.

All parents are urged to join the PTC and Mrs. Olive Craighton will be at the school on Wednesday, Nov. 4, to receive dues sent by the parents through the school children.

Women Realtors Win Two Awards

By Mrs. Frank White
Jo Peck and Bert Lederhaus, of DeBary, attended the Florida Association of Realtors convention in Tampa recently.

Two awards were won by the Volusia County Council of Women Realtors, according to Jo Peck, who is president of the group. One award was received for their achievement book and the other for the state project, "Build America Better," with the chapter having as their part in this program, "Eliminating Architectural Barriers."

Choice For President

There are . . . two issues of crucial importance in America today, so crucial that the future of our democracy may well depend on how they are met. We think Mr. Goldwater is wrong on both of them. One is how to keep this country at peace in a dangerously complex, rapidly changing world. The other is how to solve our explosive civil rights problem without dividing this nation into armed camps.

Mr. Goldwater's supporters are displeased when he is accused of oversimplification. It seems clear to us, however, that Mr. Goldwater's approach to foreign policy is based on a world that doesn't exist—a world where everyone is either a friend or a foe, where the threat of military force will solve every problem, where one must either win or lose in every engagement.

We think the senator is dangerously eager for simple solutions. We deplore Communism as much as he, but we don't think ultimatums will intimidate our enemies or reassure our friends. We don't think the Cuban problem could have been solved by instructing the generals to win.

We don't doubt the senator's devotion to peace or the sincerity of his views. We do question the range of his knowledge and understanding of today's nuclear world.

helpful and necessary legislation. Yet Senator Goldwater was one of the few Republicans to vote against the legislation. He even opposed bringing the bill to a vote in the Senate. Again, we do not question his sincerity; we question his ability to provide the necessary leadership.

On both of these important issues Mr. Johnson has continued the approach of his predecessors, whereas Mr. Goldwater would strike off in new directions. Without obscuring everything the present administration has done, we believe Mr. Johnson is on the right course. It is essentially the same course on both foreign policy and civil rights that Mr. Eisenhower and Mr. Kennedy steered before him, and it has been approved many times by Congress and, indirectly, by the people . . .

But the choice must be made on the broad question of who is likely to provide the ablest leadership for this nation. Mr. Johnson has made a good record in his short time in the White House. He has been energetic in dealing with domestic problems. He has been firm but prudent in foreign affairs. He has exhibited rare political ability in working with Congress.

A comparison of the vice presidential candidates supports the same conclusions. We differ with Hubert Humphrey on many points. . . . But on the major issues of foreign policy and civil rights, Senator Humphrey is in the same tradition as our recent presidents. He has, furthermore, a long experience and a demonstrated ability in government. His opponent has neither.

—From Des Moines Sunday Register

On the racial issue, Mr. Goldwater has declared himself in favor of equal rights for all citizens, but he believes the problem is primarily a local one to be solved by the individual states rather than the federal government.

As a general theory, we agree that citizens should solve as many of their problems as possible at the community level. We agree that an overly-strong central government is unhealthy for a democracy. But a part of wisdom is recognizing that not all problems can be solved by the same formula. Certainly it is now clear that the racial problem is acute and that the states by themselves are unable or unwilling to handle it.

The new civil rights law by itself will not solve the problem, but it is

Thought For Today

For we have not a high priest who is unable to sympathize with our weaknesses, but one who in every respect has been tempted as we are, yet without sinning.—Hebrews 4:15.

God is better served in resisting a temptation to evil than in many formal prayers.—William Penn.

Lyle C. Wilson Says: 'Crooked' Vote Probable

United Press International

On the record of past elections, the Nov. 8 presidential vote count probably will be crooked in spots. Your ballot may be stolen. If you have been voting long it is likely that your vote has been stolen before this.

The National Municipal Review (NMR) some years ago published an Honest Ballot Association (HBA) estimate that at least 1 million votes were stolen in the 1952 election.

HBA chief investigator George Abrams warned at the time:

"Election frauds are increasing. Nearly every area in the United States—big city, small town—crackerbarrel village—has some type of election fraud. It may be in a national election or one involving local school boards, judges or highways."

Samuel H. Stull, an election investigator for Congress, said in a 1956 report on election scandals that:

"Approximately 50 public figures who occupy high state and municipal offices today would not have won them had the elections been carried out according to law."

Abrams and HBA fingered the 1952 election of Franklin

D. Roosevelt to be governor of New York, citing "the famous long count." FDR beat Republican Albert Ottinger.

"Democratic boss Ed Flynn's cronies," said Abrams, "sat quietly in the Bronx counting ballots at small pace until 2 a. m., when the traditionally Republican upstate returns showed Ottinger's exact margin."

"When the Bronx boys knew how many votes were needed, they went to work. Republican ballots in the Bronx were thrown out under any pretext. Lead concealed under the finger nail and every other trick to invalidate Republican ballots were used. Mr. Roosevelt woke up governor with a 26,000 state-wide plurality. He had a whopping 95,000 vote margin in the Bronx."

NMR recalled that in 1950 Harry F. Kelly was believed to have defeated Democrat G. Mennen (Soapy) Williams in Michigan for governor by 4,000 votes out of about 1.8 million cast. A recount gave the election to Williams by a margin of 1,154 votes. NMR commented like this:

"A comprehensive, non-partisan study made four years later by the University of

Michigan's Samuel J. Elders-wald and Albert A. Applegate concluded:

"The law's requirements for ballot security were disregarded by election officials in precincts involving more than 12,000 votes. In one case, testimony of election officials indicates that boxes and ballots were violated after having been properly sealed on election night."

NMR cited a report by a U. S. Senate subcommittee after the 1952 election in which Democratic Sen. Dennis Chavez defeated Republican Patrick J. Hurley for the Senate in New Mexico. NMR quoted the report:

"At least 55,000 New Mexico citizens were deprived of their constitutional rights to a secret ballot . . . sworn affidavits of fraudulently altered ballots was obtained in 23 precincts."

NMR added: "Paper ballots, still used in two-thirds of the United States, offer the easiest opportunity for fraud. They are easy to change, easy to fake, easy to stuff." They also are easy to burn.

BIG GAP

Bruce Bissat -- Ray Cromley

Political Notebook

WASHINGTON (NEA) — The White House is not the only place there is confusion over personnel security.

If you work with "sensitive" matter at the Atomic Energy Commission, you must not only be cleared by a thorough full field investigation, but you also must be rechecked with additional full field investigations every five years. You are also checked every time derogatory or suspicious information appears concerning your actions. Security officers keep a sharp lookout.

If you work at certain military or civilian intelligence functions, regular or reserve, the same or more stringent regulations apply.

This is good.

This protects the documents as long as they stay in the hands of Atomic Energy Commission employees or these certain intelligence men.

But sensitive documents, to be useful, must be used by a variety of people at a variety of places — by men at the White House, at the Arms Control and Disarmament Agency, at the State Department, in numerous offices at the Defense Department out-

side the intelligence groups, at other government agencies and by some employees of private companies working on certain government contracts.

A full field investigation is not required every five years in or for most of these places, even for some of the men handling sensitive material.

It is obvious that the tightness of security at the Atomic Energy Commission and in some intelligence quarters can be nullified if sensitive information gets into the hands of men or women who are not so carefully and regularly checked and rechecked.

Probably 990 out of 1,000 of these people will be honest, loyal and careful. But if only one man out of 10,000 is careless, then there can be serious trouble. In security, even an honest and loyal man is a security risk if he is indiscreet.

Some will ask: "If a man is thoroughly checked out once and found loyal, what is the need for thorough re-investigating him every five years after that?"

The reason is simple. We know so little about people that it is very difficult to be certain of weeding out se-

curity risks even with a full field investigation. Homosexuals are especially difficult to identify. Security is a business in which one mistake (overlooking one security risk) can be fatal.

If the government is to be reasonably certain of the reliability of officials in sensitive positions, there must be regular rechecks.

The importance of these rechecks can be illustrated by two examples, both from the hush-hush sensitive National Security Agency, which formerly did not use the automatic five-year thorough recheck system.

That two employees of NSA were homosexuals was not discovered until they deserted to Russia via Mexico and Cuba. A thorough investigation every five years or less would have uncovered their activities.

The espionage of a former NSA-assigned sergeant was uncovered when he applied to change his status from sergeant to civilian. This called for a deep recheck of his background. The sergeant felt the breath of an investigation down his back and committed suicide before he was caught.

Scientists Aid China

By K. C. Thaler

United Press International

LONDON (UPI) — Scientists trained in France and the United States are believed to have masterminded Communist China's nuclear development that led to the recent atomic explosion in Sinking Province.

Dr. Chien Hsueh-shen, who worked on scientific defense projects in the United States during World War II, is mentioned among the bomb builders. After the war he tried for some time to go back to China following the revolution of Mao Tse-tung. In 1953 he finally succeeded in leaving the United States and reportedly is the man who started the Peking Institute of Dynamics.

Two other Chinese scientists who are one-time American citizens are cited in this context. They are Chen Ning-

yang and Tsung Tan-li, who won the Nobel Prize before returning to Peking.

French sources now report that several Chinese trained in France are also among the top scientists responsible for the Chinese atom bomb.

Among them, according to these reports, is Chien Sanchiang, a 54-year-old scientist who was trained by one of France's leading nuclear physicists, Frederic Joliot-Curie.

After the war Chien won the prize of the Paris Academy of Science for his research in nuclear physics.

He has been assisted by his wife, a leading physicist in her own right who worked with him in France.

Later Chien went to Russia and subsequently became director of the Institute of Atomic Energy of Red China.

In the heyday of Sino-Soviet friendship Russia too helped train Red Chinese scientists, but Soviet informants claim that Moscow has long been careful not to pass on vital nuclear information.

PE. Pol. Adv.

Dr. Crane's Worry Clinic

Worry should be limited by every high school and college student. Throughout this year, for you parents can boost your child's school marks in English and Public Speaking by following the strategy outlined below. It also enriches your soul for your old age.

CASE U-41: Harley B., aged 19, is a college sophomore.

"Dr. Crane," he began, "I am taking a course in Applied Psychology next term under Dr. Roy Hobe.

"He uses your textbook 'Psychology Applied,' so I have already purchased my text.

"But I thought it might be a good idea to browse through it before the course begins.

"Wouldn't that give me a running head start?

"Would you suggest anything I might give special attention to as I skim through your text before the class begins?"

Harley is obviously a very shrewd student. Would that all were as farsighted!

Alas, one of America's great-

est needs today is for soul tonics!

Excessive stress is placed on medical topics for parking up the appetite or raising the hemoglobin of the blood.

But too little stress is placed on spiritual health.

So students should enrich their minds with choice quotations, poetry and even a few inspiring religious hymns to buoy up their morale in old age.

For the time may come when you can't see well enough to read, so fill your mind is youth with a treasure-trove of rich quotations.

At the bottom of many pages in my college textbook I have thus inserted about 200 superb quotes from the great leaders of the past.

So I urged Harley to memorize as many as possible and link them with their authors.

Then, in public speeches as well as English themes, he can use an appropriate quotation to add scholarly richness.

Suppose he is addressing a music club. He can then start

with John Erskine's expert comment on the keynote:

"Music is the only language in which you cannot say a mean or sarcastic thing."

If he is called upon to address a garden club or if he is in the pulpit surrounded by beautiful flowers, he can begin with:

"Flowers," said Henry Ward Beecher, "are the sweetest things God ever made and forgot to put a soul into."

If he is facing an audience of engineers or architects, then begin:

"Architecture," said Goethe, "is frozen music."

And note the later usefulness of the following rich gems:

Franklin: "Little strokes fell great oaks."

Moody: "Character is what you are in the dark."

Thoreau: "Be not simply good—be good for something."

Churchill: "It is a socialist idea that making profits is a vice. I consider that the real vice is making losses."

Epictetus: "Choose the best life, for habit will make it pleasant."

Hugo: "When you have accomplished your daily task, go to sleep in peace. God is awake."

Beecher: "All words are pegs to hand ideas on."

Elihu Root: "Men do not fail; they give up TRYING."

Thompson: "Don't brag. It isn't the whistle that pulls the train."

Go to your library and borrow my college textbook so you can encourage your children to memorize some or all of those 200 choice quotations, for thus you will enrich their souls and boost their school marks, too!

Letters

To The Editor

The Herald welcomes letters from its readers on public affairs. The writer may use a pen name provided the letter also carries the writer's true name and address. Letters of fewer than 200 words will be given preference. Letters addressed to others are acceptable provided they do not deal in gossip. Poetry is not published by The Herald.

To Whom It May Concern:

With reference to a letter published Oct. 8, 1964, over the signature of George J. Bobrow, and a subsequent letter published Oct. 12, 1964, over the signature of W. L. Swofford, this is to advise that it is the policy of The Sanford Herald to accept letters to the editor, such as these, from the public to permit an open, forum type discussion of public information and issues.

It is impossible for The Sanford Herald to verify all the facts contained in these letters and it, therefore, must accept them to be true and correct to the best of the letter writers' knowledge and belief.

The Herald constantly reminds its readers who wish to publish their views through the newspaper's "Letters to the Editor" to discuss facts and circumstances and not to deal in personalities.

Walter A. Giselow
Editor and Publisher

The present Administration can be judged by all its participants, one of whom, Adlai E. Stevenson, U. S. Representative to the UN during a Commencement address at Colby College, June 7th this year said: "While sometimes their emotion exceeds their judgment student demonstrators have even been toppling governments all over the world in the last few years. It is getting so that old-fashioned dictators can't en-

joy a safe night's sleep any more. Happily for us, students have not tried to overthrow the government of the U. S. but they certainly are making their views felt in public affairs. I think especially of the participation of American students in the great struggle to advance civil and human rights in America. Indeed, even a jail sentence is no longer a dishonor but a proud achievement. Perhaps we are destined to see in this law-loving land people running for office not on their statures records but on their prison records."

Is this the kind of example you want your children to have?

Very truly yours,
Katherine Ladd
(We've read of many an American patriot who preferred " . . . liberty, or give me death." Was the Boston Tea Party wrong? Taking quotes out of context can be misleading.—Editor.)

Lake Mary School Hits All-Time High

By Frances Webster
A Conference Day between parents and teachers was observed at Lake Mary Elementary School and reports show that this year the school is larger in every way than it has ever been before.

The addition of a new wing with three attractive class rooms and a large library with a full time librarian, Miss Jean Neil, have made the school an efficient institution of public instruction.

The former art supply room was remodeled for the new school year and turned into a third grade class room. The old library room was remodeled into another class room, and the addition of bulletin boards, blackboards and drapes made these two rooms attractive.

The enrollment in first grade this year required the formation of two additional classes. The number of teachers has grown from the original three to 24, and 11 of this number are new this year.

The present faculty includes: Floyd Richards, principal, and Mrs. Marsha Mitchell, secretary.

First grade teachers: Mrs. Joe Boblitt, Mrs. Geneva Cochran, Mrs. Margaret Reynolds, Mrs. Joyce Roberts, Mrs. Alice Hook and Mrs. Richard Barnett.

Second grade teachers: Mrs. Erma Craig, Mrs. Faye Stetson, Mrs. Mary Taylor and Mrs. Barbara Estes.

Third grade teachers: Mrs. Martha Smith, Mrs. Margaret Manfree, Miss Frances Cobb and Mrs. Mary Hornsby.

physical education type of program for the fourth grade that includes physical fitness, and additional audio-visual aids are also being utilized from the tri-county film library in Orange County. Educational TV is being used in the intermediate grades to enrich the science program.

Conference Day closed with a meeting of interested parents that night to organize and make plans for the Winter Festival that is held every year at the school.

Members of the "Christ for Me" Teenage Class were special guests.

Mrs. Henderson is teacher of the teenage class and many of their parents came as members of the Friendship Class, making it a family affair. Everyone brought their own stew and mixed it all together in one big black pot.

Those not in costume were fined, with the money going to the church organ fund. Following the supper, the group enjoyed an evening of fun and fellowship.

Offices At Stake In Nov. 3 Voting

WASHINGTON (UPI) — The offices at stake in the Nov. 3 elections:

President: Lyndon B. Johnson, Democrat, versus Barry M. Goldwater, Republican.

Vice President: Hubert H. Humphrey, Democrat, versus William E. Miller, Republican.

The Senate: Thirty-five of 100 seats to be filled. At stake: 23 Democratic seats, 9 Republican seats. Present lineup: 26 Democrats, 24 Republicans, including 40 Democratic and 23 Republican holdovers.

The House: All 435 seats at stake. Present lineup: 237 Democratic seats, 178 Republican seats.

Governors: Twenty-five of the 50 states electing. At stake: 18 Democratic and 7 Republican seats. Present lineup: 34 Democrats, 16 Republicans, including 16 Democratic and 9 Republican holdovers.

Linda Hunt Gains Honors At David Lipscomb College

Miss Linda Margaret Hunt, daughter of Mr. and Mrs. Willie F. Hunt, 2408 Palmetto, has been elected to the Bionettes, pep squad of David Lipscomb College, Nashville, Tenn.

She represents the Delta Club. Each of the six Greek letter campuswide activity clubs chooses 12 women to make up the group, which trains as a precision drill team to perform at varsity basketball games.

Miss Hunt, a graduate of Seminole High School, is a Spanish major.

David Lipscomb College observed its 73rd anniversary this month with the largest enrollment in its history. It has 2,232 students in college, high school, junior high school, and elementary school of which 1,348 are in the college.

Lipscomb is a fully accredited senior liberal arts college supported, operated and staffed by members of Churches of Christ. It is one of the few senior colleges in the country where daily Bible study is required for all students.

LINDA HUNT

Donald Jackson Fair Chairman For Lake Mary

Donald Jackson has been appointed chairman of the civic booth committee of Lake Mary Chamber of Commerce in charge of arrangements for the community's exhibit in the American Legion Fair Monday.

Jackson is asking for help from the residents of the community in submitting ideas, serving on the committee or lending any of the following needed items: Loose gravel, sand, squares of sod, bags of peat, plastic pool, small fountain, ferns, palms, flowers, foliage, or anything for a garden scene.

The items will be picked up and returned, and Jackson guarantees that he will personally take care of them. Contact him this week if you can help or for more information.

Jackson wants to try to win for Lake Mary the Presidential Trophy awarded to the best display. The Chamber's entry will be in six categories including palm trees, fern, cut flowers, potted plants, and foliage in a garden display.

Virginia Racial Law Held Unconstitutional

WASHINGTON (UPI) — The Supreme Court Monday struck down as unconstitutional Virginia laws requiring the listing of race on the state's voting, poll tax and real estate assessment lists.

The court, however, left standing a state requirement that parties to a divorce decree specify their race.

The actions came in a brief order affirming decisions of a three-judge federal court in Alexandria, Va., last April 28. A Supreme Court order deals only with the question of whether the high tribunal will accept a case for hearing. It does not consist of any formal opinions.

On the issue of divorces, the judges in Alexandria held that the state was entitled to obtain

such information to compile vital statistics. But they also held that the racial listing in the other categories were unconstitutional.

warms in WINTER :: **cools in SUMMER**

TOTAL YEAR-ROUND COMFORT WITH Reverse-cycle Electric Air-conditioning
SAFEST • CLEANEST • NOW CHEAPEST, TOO!

Reverse-cycle central and window models now cost little more than straight cooling units. So the heating feature is practically a free bonus! And the recent \$10 million electric rate reduction (our 4th major price cut in 10 years) makes year-round electric air conditioning the biggest bargain ever.

You save space and the extra cost of separate heating and cooling systems, since one compact unit does both. Needs no flues or vents. You just dial for cool comfort in summer and cozy warmth in winter.

It's the safest way by far, because year-round electric air conditioning is flameless and fumeless. No constantly burning pilot flame.

Your whole house stays cleaner, too. Flameless electricity creates no by-products of combustion...no smoke, soot, fuel grime, or odors. You'll save on cleaning and cut re-decorating expenses.

Electric Air Conditioners have been drastically reduced in price, over the last several years. Now everyone can afford this comfort. So, join the hundreds of thousands of Floridians already enjoying this truly modern double blessing. See your appliance dealer or air conditioning contractor today.

COST OF LIVING UP 16%
PRICE OF 1 KW. CO. ELECTRICITY DOWN 31%

SINCE 1963

The average price paid per residential kilowatt hour.

Now cheaper than ever to **GO ALL-ELECTRIC**
...then to use it in combination with flame-type fuels.

Eight-Game Menu On Week's Seminole Pigskin Bill-Of-Fare

Baby Greyhounds Face Barracudas

By Julian Stenstrom
Seminole County grid fans will get another eight-game menu on this week's pigskin bill of fare. All four Seminole County high school teams will see action plus two junior varsity elevens and two junior high school machines.

The action gets under way Wednesday night when Head Coach Dick Silvers takes his Lyman High Baby Greyhound eleven to New Smyrna Beach to tangle with the Baby Barracudas. Silvers' club has a record of victories over the Baby Bulldogs of DeLand and the Baby Blue Darters of Apopka plus a tie with the Baby 'Cudas in an earlier engagement.

Thursday afternoon Head Coach Ralph Stump's Baby Seminoles close out the SIS junior varsity slate when they meet the Baby Eagles of Edgewater at Edgewater High's field in Orlando. Gametime for the Baby Tribe-Little Eagle tilt is 3 p.m. To date the Little Seminoles have a record of wins over Winter Park, Colonial, Oak Ridge and Maynard Evans while losing one to the Baby Braves of Boone.

Thursday night action continues when Seminole High meets the Bishop Moore Hornets in another Metro League affair at Colonial Field in Orlando. The contest, originally slated for Friday night, had to be changed because of conflicting engagements in Orlando as to the use of certain fields.

The game is listed as Bishop Moore's homecoming contest. Friday night Lyman High travels again — this time to Leesburg where the Greyhounds are expected to run into some of the toughest opposition in the Orange Belt conference. So far this season Lyman's only victory was a 20 to 12 win over non-conference New Smyrna Beach. Its losses have been to Ocoee, Apopka, Titusville and, of course, last week's heart-breaker to DeLand, 13 to 21.

Also on Friday night the Oviedo Lions — an independent — will continue its march toward hoped-for unbeaten season. The Lions won four victories and a tie during the first six games on its slate, go out of town to clash with Melbourne Central Catholic. It could be one of the tougher ones for Oviedo but every time they have surprised to face a tough opponent this season the Lions have been able to cope with the opposition in a manner that leads fans to believe the Oviedo eleven can make it.

Art Scott's boys have victories over Zephyrus, Crescent City, Ocoee, Crystal River and Clermont plus that one tie with Umatilla's Bulldogs, 6-6.

The Crooms High Panthers with a record of five wins and a single loss stays home to clash with Carver Heights High of Leesburg in an affair billed at Sanford's Memorial Stadium.

Coach Willie Holt's eleven hits its peak last Thursday night in Jacksonville when it knocked off highly touted Matthew Gilbert 12 to 6. The Panthers have won over Ocala Howard, DeLand Euclid, Winter Park Hungerford and Palatka Central to go along with that one setback at the hands of Gainesville Lincoln.

In the Florida Big Nine North Conference, Crooms has three victories against one loss. Friday night's affair will not be a conference go.

HIS SHOOTING SHARP—Army Capt. Lones Wigger Jr. of Great Falls, Mont., collected the 32nd gold medal for the United States in the Tokyo Olympics. In the small-bore rifle competition he set a world record, scoring 1,164 points out of a possible 1,200. (NEA Radio-Telephoto)

Biddy Basketball Season Opens November 28th

The 1964-65 Biddy Basketball program sponsored by the Sanford Recreation Department will open its season's play 9 a.m., Nov. 28, at Seminole High's Gym.

Tryouts for boys wishing to play this season will be held on Nov. 14 at 9 a.m. at the gym. The league will be composed of eight teams this year and all boys, 9 through 12 are asked to take advantage of this recreation department sport's activity.

Sanford has been the state defending champions for three consecutive years. Sanford began domination of state biddy basketball in 1961-62 season at Tallahassee and at the state tournaments matched their feats in 1962-63 and 1963-64 in Sanford.

Sanford set two records by being the only team to win this honor three years running and established a single game scoring record by blistering Ft. Walton Beach 109-27 in the opening game during last year's state tournament in Sanford.

Biddy league teams play a 14-game schedule locally and an all star team is selected to compete in post season tournament play. Boys who are eligible to participate are those who will be 9 years of age after Nov. 15, 1964, and any boy who will not be 13 on or before Nov. 15, 1964.

Boys who played last year do not have to attend try-outs. For further information contact the Sanford Recreation Department.

Impatients Take 4 From Beatles

The Impatient Bowlers swept four from the Beatles to take over first place in the Bantam Division of the Saturday Morning League.

Penny Bernal was the pacesetter for the Impatients with a 164/418 to lead the girls in that department.

Glenn Skelly shot a 160 game and Kelvin Spolaki exploded for a 164/411 for the Beatles but it wasn't enough to overcome Penny's fine games.

The Pin Smashers took three from the Beatles as Dennis Stewart hit a 166. The Jet Bowlers took the measure of the Rattlesnakes in three as Rob Smith lent a helping hand with his high game to date a nice 111.

PERSISTENCE PAYS NEW YORK — (NEA) — Both Bob Pettit of the St. Louis Hawks and Bob Cousy, former of the Boston Celtics, were cut from their high school basketball teams, but came on strong later.

This week's bowler of the week salute goes to Harry Pentecost of City League. Harry started out slowly this fall, after being off during the summer but has now found the

REX BROOKS (80), Oviedo end, is pictured just before he hauled in an aerial from ace Lion quarterback, Jim Courier. Brooks was hit moments after he latched onto the ball by Clermont's Dave Ingersoll. Oviedo won, 19-7.

Strikes . . . Sparer

By John A. Spolaki
Let 'em all have their own Miss America, Miss U.S.A., Miss Universe, Miss World and whatever other title they'd like to capture. Let 'em have whatever they want.

But don't let them lay their cotton pickin' hands onto the Miss Bowling title. That's ours, my friends! Strictly the property of Seminole County. And here's the story behind that statement.

The Sanford Women's Bowling Association is planning a dinner dance at which time our queen will be crowned. This dance is scheduled for some time during November. As soon as the date is selected it'll be published.

To get on with this happy yarn, the association is in need of some "capital" (green stuff, you know?) for its treasury in order that it continue the fine job of promoting bowling for the women in the area.

Other ways this group will raise money will be the turkey promotion, Sunday night scotch doubles and I'm certain there'll be a few more in the coming weeks.

Incidentally, on that turkey deal, all you'll be required to do is knock down eight or more pins on your first ball, for one game. You don't have to make a spare, either. If you can accomplish that you'll get a 10-pound turkey.

Up to this time, here are some of the representative "queens" from various leagues: Hi Nooners, Claudette Behrens; Shooting Stars, Sue Pruitt; Holler Motors/Navy Wives, Thelma Unger.

A couple of old-time popular promotions being brought back by popular demand (that of the proprietor) are the Challenge Board and the Jackpot Bowling.

On the challenge board, if you successfully defeat four consecutive challengers, you retire the pot. First name up as a challenger is that of Jack Kanner.

On Jackpot Bowling, if you roll six consecutive strikes within the first nine frames of a game you pick up the jackpot which climbs with each additional entry. It may be rolled in open or league competition on a pair of lanes. There's a minimum guarantee on both these events.

The club has undertaken this project to raise funds to send several members to the Thanksgiving Invitational Meet in West Palm Beach late in November where several hundred of the state's finest skaters will compete.

Oviedo Hi Lions May Host Maine 5 At Christmas

There's more than an excellent chance that the Ellsworth, (Me.) High School basketball team, last year's state champions, are not going to have a white Christmas this year.

According to word from Paul Mikler, athletic director at Oviedo, High School, the Ellsworth High eagles will be in central Florida during the Christmas holidays for a two-day engagement with the Oviedo Lions.

It all came about recently when Mikler asked The Herald to run a story about seeding games for the school's basketball schedule. The Lions—a very small school, and an independent—were having difficulty. Oviedo is too good for the small schools and the big schools won't play the Lions because there is too much to lose and nothing to gain.

As a result, word got to Ellsworth, Me., through some folks who vacation in Oviedo each winter and the two-game stint is being arranged.

Mikler said the exact dates have not been set. He hopes that one game can be played in Oviedo and perhaps another in Sanford where there is a larger seating arrangement. The contests are slated to be broadcast back to Ellsworth.

What about Oviedo going to Maine next year? "We're trying to make the arrangements," said Mikler. "If it works out, we will."

Mikler said the two-game series will have to be approved by the Florida High School Activities Association but he added that he could see no difficulties to be encountered in obtaining permission.

"Right now we have 19 games scheduled," said Mikler, "and we could use a few more. These include the two games with Ellsworth."

Sanford Skaters Receive Medals

Presentations of proficiency medals earned by local skaters were made Sunday at the weekly practice of the Melodee Dance and Figure Club at Melodee Skating Rink on Onora Rd. Practice is under the direction of "Pro" Jack Huffman.

The following received medals, earned in October tests for the No. 1 Figure Bar: Edward Michalek, Sharon Holloway, Edward Lachara, Ricky Pedrick, Cindy Kennedy and Polly Pedrick.

No. 2 Figure Bar winners were Edward Lachara, Edward Michalek, Sharon Holloway, Edward Lachara, Ricky Pedrick and Walter Nutting. Wayne Holloway and Justin Holloway won their bronze medal free style.

Eight-year-old Justin did an axle-jump which is considered one of the hardest jumps to perform. He also won second place in the juvenile boys singles division at the Florida State Roller Skating Championship in June.

The field goal which won a 9-7 victory for University of California over the University of Miami accounted for the first points scored against the Hurricanes in the third quarter of any game this season.

Durzo, McKibbin Grab Golf Honors

Hazel Durzo was Class A winner and Jane McKibbin took Class B honors in the weekly Ladies Day Tournament at Mayfair Country Club.

Several of Sanford's lady golfers traveled to Riviera Country Club last Wednesday and played in an invitational tournament. Three from Mayfair Country Club who copped prizes were Jo McDaniels, first low net; Lucille Pearson, second low net and Jimmie Livingston, third low net.

This Wednesday the tournament will be a nine-hole, blind five holes. Luncheon will follow in club house at 1 p.m. All members are requested to wear Halloween costumes. Prizes will be awarded for best outfits.

About Sports Thinking Out Loud

Remember last week when we told you we had talked with Jim Pigott and he said he'd been working on the SIS defense?

Apparently Jim and his associates, Jim McCoy and Dick Williams were able to spot the trouble and make the necessary adjustments Friday night the locals went wild by racking up 55 points. That's quite an improvement over their two previous games when they were able to get exactly zero points in as many tilts.

Of course, the locals were against the lewly Winter Park Wildcats who haven't exactly set the woods afire this season although they were picked to be among the top clubs in the circuit before the fall slate got under way.

Too, the Tribe was running against a ball club with almost a majority of its regulars out with injuries. True the locals made quite a bit of improvement and it's likely to have a fine effect on the club's statistical records in the Metro League.

We didn't get to see the affair. Last Wednesday night we were laid low by something—at least the doctor didn't know exactly what it was and off to Seminole M... I went with the aches and pains we'd acquired. But two days of tests didn't reveal anything wrong with the flesh and bones and today we're back in the local news emporium as usual. But we did miss seeing the Tribe run up its highest point total of the season.

Too, we were planning to get out to the pigskin orchard Thursday night to see the SIS junior varsity play the Baby Trojans. We missed that one, too. However, we're going to try to watch them this week in their final contest, although it is away from here. This is the best way to go—a line on what Pigott, McCoy and Williams, Inc., have to look forward to next season in the way of replacements for graduating seniors.

Around the county this past weekend, those Lions look like they're going to do what they set out to accomplish before the season even got under way. The kids out there, so the word goes, had decided this was the time for an unbeaten season and by golly they've been able to arise the occasion five times out of six and come up with victories. That other tilt was the 6-6 tie with Umatilla—a night when the Lions were ailing with coughs, colds and moat the ol' virus bug.

Lyman played one of its better ball games even though it lost to DeLand, 13 to 21. The Bulldogs raced to three opening period touchdowns but the 'Hounds started fighting back and that sparking Greyhound halfback, Paul Lambert, got away for a 41-yard touchdown run. Gene Winkelman took an eight-yard pass from Jack Blanton for another and, statistically, the 'Hounds should have won it.

Lyman out "first-downed" the Bulldogs 18 to 16 and outsped DeLand 307 yards on the ground to 178. But DeLand's 217 yards in the air on six connections out of 10 spelled the difference.

J. Harris Racks Up 607 Score

John Harris had his big bomb tearing up the pins last week in the American Division of the Navy Intramural League at Jet Lanes as he shot games of 201-211/607 while pacing Wing "B" to a three-game nod over the VAH-3 Oddballs.

He had capable backing in the form of Stubbins with 195/511 and Isenburg with 197/521. The Oddballs had their share of heavy bombers as Willie "Firecracker" Maguire pounded out a 214/573, Ronald Skelly a 191/559 and Ron Rasmussen a 202/523.

"NAS Maint "A" held its first place advantage by virtue of a three-game win over Photo Lab. Doc Beatty shot a 208 game and Ken Martin rolled a 209/579 for Maint "A" while Himes came through with a good 214/542 for the Lab boys. IOIC "B" won three from Med/Dent as Woody Wood pounded pins to the tune of a fine 198/526.

VAH-3 Line kept close to the pace with a three-point margin over VAH-3 Ops team as Wayne Smith churned a cool 196/546. Acey-Deucey split with NAS Ops "C" as Jack Frost rolled a good 203/577. In final league action a deadlock was waged between New Breed and VAH-1 Officers. For New Breed it was Fred Hollen with his "sweep all" ball and a 193/533 with John Stanger backing him up with a fine 197/506 series.

NEW V-M Tapeomatic TAPE RECORDER

A compact, lightweight, quality tape recorder . . . not a toy! Weighs only 18 lbs., yet its brilliant sound and functional features are comparable to many bigger, bulkier and much more expensive recorders.

Practical 3-speed performance means you have a choice of highest musical recording fidelity or maximum recording and playback tape time for all your monaural tape recording pleasures or projects.

Ideal for home, school or business . . . marvelous new home entertainment for the whole family!

Randy Nobles, C. W. Denton Pick '42' To Win Contest

Counting the ties between Louisiana State and Tennessee and Navy and Pittsburgh as "just not played," 17 contestants in The Sanford Herald's Pick-the-Winner football contest last week made only one error.

That was the unexpected upset of Florida State University by Virginia Tech.

That meant the key to determining last week's winners was the magic number of "42"—the highest number of points scored by any one team.

On this basis, contest judge Roy Green awarded first place the prizes to Randy Nobles of 2008 Holly, Sanford, and C. W. Denton, 1802 W. Third St., also Sanford.

Both winners hit the most points scored on the "button" with 42.

Two contestants guessed "41" and they split third prize. They are Mrs. Ester Rive, 910 W. 30th, Sanford, and Hamilton Blabe, 1118 Magnolia, also of Sanford.

Only three out of the hundreds and hundreds of entries picked VPI to upset the Seminoles. Of course, the next most common mistake was made by those who selected Kentucky to whip the up-and-coming Georgia Bulldogs and Florida to score over Alabama.

One entrant picked two games as ties—but he selected the wrong ones.

This week's list of games appears in today's edition of The Herald. Seminole football fans are invited to join the fun and try their prognosticating abilities. More than one winner has been surprised he or she won one of the prizes.

BILLY MIKLER (20), Oviedo halfback, picked up a first down for the Lions as they registered a 19 to 7 triumph over the Clermont Highlanders last Friday night. It was Oviedo's fifth victory in six games. The other was a 8-6 tie with Umatilla. (Herald Photo)

OSU Will Trample Iowa, Says Hoople

By Major Amos E. Hoople
Foghorn Philosopher

Eqad! It grieves me to report that the loyal followers of the Hoople System have been victimized by the pranks of a cruel and dastardly wind.

In preparing my predictions for the Wisconsin-Iowa and Colorado-Iowa State games of Oct. 17, I carefully assessed the assets and liabilities of the four teams involved and then set down the scores as 31-21 in the first mentioned contest and 14-7 in the second.

However, before I could finish compiling my selections fate took a hand. I was called from my office on important business and while I was away from the desk a capricious wind slipped through an open window and sent my work sheets helter-skelter around the room.

Let me see, where was I? Oh, yes. My secretary, seeking to be helpful, rearranged the papers without telling me, and in so doing she transposed the work sheets of the teams involved.

Um-m-my staff members typed up the forecast and in the printed version the forecast read: Iowa State 14, Colorado 7. These were the exact final scores of the games, but the winners were my original selections, Wisconsin and Colorado. Would you believe — bak-kuff—that a playful breeze could have such disastrous results?

Ireland's famous "Book of Kells" was written and drawn by hand in 700 A. D. and contains four gospels from the Bible.

TO BE AWARDED EACH WEEK

FIRST PRIZE \$10.00
SECOND PRIZE \$6.00
THIRD PRIZE \$4.00

Nothing To Buy — No Obligation

THE CONTEST PAGE WILL APPEAR EACH WEEK DURING FOOTBALL SEASON.

MAIL OR BRING ENTRY BLANK TO:

Contest Editor
Sanford Herald
Sanford, Florida

Winners Of Last Week's Contest:

FIRST AND SECOND PRIZES: A TIE—\$4 each to Randy Nobles, 2008 Holly Ave., and C. W. Denton, 1802 W. Third St.

THIRD PRIZE: A TIE—\$2 each to Esther Rive, 910 W. 30th St., and Hamilton Blabe, 1118 Magnolia.

CONTEST RULES

- 10 football games this weekend are placed, one in each ad on this page. Indicate winner by writing in the name of team opposite the advertiser's name on the Entry Blank. No scores. Just pick winners.
- Pick a number which you think will be the highest number of points scored in any one game on this page and place this number in the space provided in Entry Blank. This will be used to break ties.

One entry only to each contestant. Entries must be brought to the office of this paper or postmarked no later than Friday Noon, October 30th.

The DeBary Woman's Club Sponsors Fall Fashion Show And Card Party

The DeBary Women's Club held a desert fashion show and card party Friday, Oct. 23, at the Community Center. Mrs. William Yobe of Gibbs, DeLand, supervised the showing of the new fall fashions. Rose Fidler was the narrator and Assanth Butler the pianist with background music at the piano.

Gloria Accardi appeared first in gold stretch hostess pants, white mohair sweater and gold scarf and wore gift shoes. Her next outfit was a shortie black nylon nightie and robe edged with lace and puff sleeves. She appeared next in a candlewhite holiday dress suitable for afternoon, cocktails or the theater with a self wrap around belt with tasseled ends. She wore a small leopard hat and white gloves. Her after-five Kelly green cocktail dress had tiny ruffles down the skirt and she carried a small white clutch bag.

Mrs. Newell Hawkins modeled a pale pink nightie and lounging robe with Bishop sleeves and gold slippers. Her next presentation was a brown dressmaker suit, trimmed with a mink collar. She wore a green hat, brown bag and shoes. Her evening gown was a turquoise shade, slit at the back for easy walking and dancing, with a black sequined jacket, long black gloves and small black bag.

Doris Cole chose an aqua full length nightie with long sleeves and a pink quilted robe. Her next choice was a

red three-piece knit suit, white fur hat with red metallic band, red bag and white gloves. Next she showed a black afternoon or party dress with cap sleeves, followed by a royal blue sheath, blue velvet hat and iridescent jewelry.

Mrs. Edmund Iovanna chose a pale pink short nightie and robe to match with gold slippers. Her next costume was a two-piece turquoise knit suit and small hat to match. With her light hair, Mrs. Iovanna set off a French blue knit

dress and a blue turban and bag.

Mrs. Earl Seiter wore a blue and green mohair two-piece knit suit and full gold hat, trimmed with green.

Mrs. Hackley modeled a two-piece knit print suit in autumn brown and gold with a contrasting hat and gloves to match, and also a bright green afternoon dress with basic lines, that could double for parties and the theater. For the out-of-doors events, she fashioned an oyster white cape with large brown buttons and a two way collar, and wore a beret type hat.

Mrs. Harold Wills wore a garden print nylon Jersey with a scooped neckline and flat-tering details on a navy blue background. The dress was colorful and pretty and it had the air of a dress one could live in from noon till midnight.

Her traveling costume was a red silk and wool three piece with the outer jacket worn with several other dresses and the dress itself was pretty enough to be worn for cocktails or any after-five functions. Her next selection was a white brocade, two-piece evening suit with the jacket lined in olive green and she wore white gloves and carried a small clutch bag.

Mrs. Allan Hunter modeled a black and white checked suit dress with a black tie at the throat and a black, off-the-face hat with black bag and gloves. Her next offering was a white sequined evening gown with long white gloves, glitter jewelry and white slipper pumps. This gown was cut in a scalloped slit at the front for easy walking and dancing. Her next appearance was in a black evening gown, fringed at the bustline with hot pink trimming, and her long black stole was edged with pink and fringed at the ends. She wore black slippers and pearl jewelry with glitter.

Mrs. G. Deininger chose a brown and green print dress with hat to match and carried a small gold and brown bag. Her after-five dinner dress was a metallic gold basic dress with bag and gloves in gold and plain gold and brown shoes.

Mrs. Clyde Harris wore a black wool knit three-piece suit trimmed in red, a red blouse and a red hat. Black gloves, shoes and costume jewelry completed this lovely outfit. She next wore a black brocade two-piece suit, soft white blouse, black hat trimmed with white and white gloves.

Refreshments were served prior to the fashion show and door prizes were won by Mrs. A. Wahner, Mrs. Edgar Corson and Mrs. Allan Hunter.

MRS. ROSE FIDLER, left, narrated the Fashion Show recently given by the Woman's Club of DeBary, and Mrs. C. E. Butler, right, furnished the background music.

MONTE-SANO AND PRUZAN COAT the scene for fall '64 in a Litex tweed of gray, black and white. Double-breasted, its "dandy" air is achieved through the use of black velvet as the open collar (left). A striped coat of velour, designed by Donald Brooks for Townley (right) is double-breasted, with wide notched lapel collar. It is detailed at the back with a deep pleat from shoulder to hem. Its fullness is controlled by a half-belt.

DeBary Personals

By Mrs. Frank White
Mr. and Mrs. F. Mildenberg of Plantation Rd. spent the months of May to October at their cottage in Montauk Point, Long Island, N. Y. They visited the World's Fair and stayed a week at a motel near the Fair. They had plenty of fishing off their cottage.

Mrs. E. Shoptaugh of Shell Rd. returned from a visit with friends and relatives in Kentucky, South Carolina and North Carolina. She arrived home on Wednesday, in time to attend the DeBary Women's Club fashion show and card party.

Mr. and Mrs. Anthony Opep of Smyrna Dr. entertained Mrs. Opep's sister, Mrs. M. Washick of Kansas City, Kansas. They visited Tampa and St. Augustine, and enjoyed watching the World Series on T.V. as a nephew, Ray Sadecky, was one of the pitchers for the Cardinals.

the county school survey team, was visiting friends Thursday. Bob is the oldest son of the late Rev. R. T. Caldwell. Rev. Caldwell was the former pastor of the Barnett Memorial Methodist church here for several years, and since his death, Mrs. Caldwell has been making her home in Tavares.

Mr. and Mrs. William Hahn Sr. of Broadway Street, Enterprise celebrated their 50th wedding anniversary Sunday. Former residents of Medford Long Island, New York, they have made their home here for the past seven years. They celebrated with their family at Jim Spencers Restaurant in Sanford Saturday evening and Sunday with open house at their home. The family includes William Hahn Jr. and his wife and three sons of North Orlando, George the wife a daughter of George Hahn, deceased of Medford, Long Island and John Hahn, wife and four children of Lake Conway Estates, Orlando, Florida.

Some of the guests from out of town Sunday included Mrs. E. Smith and Mr. R. Scott of Ft. Pierce; Mr. and Mrs. George Lipponer, Maitland; Mr. and Mrs. Walter Driscoll, Orange City; Mrs. Robert Scott and Mr. and Mrs. Rodewald, DeBary and many friends and neighbors around the Enterprise area. Mr. and Mrs. Hahn wish to take this

opportunity to thank all their friends for the lovely cards of congratulations.

Mrs. Helen Snodgrass attended the re-union of the DeLand High School class of '35 held at the "Showboat" in DeLand Saturday evening.

Garry, Carl and John Swain of New Smyrna Beach were week end guests of their aunt and uncle, Mr. and Mrs. Buckley Whittington.

Mr. and Mrs. Carroll Peterman have moved into their new home on Third Street.

Mr. and Mrs. Layton Oglesby celebrated their 5th wedding anniversary Sunday. They were guests of honor at a family barbecue dinner given by Mrs. Harold Goodwin, Mrs. Freddy Oglesby and Mrs. Geneva Bradley.

Canned Bacon To Be Produced Domestically

Canned bacon, sliced and prefried, will soon go into commercial production as an industry development based on early research by the U. S. Department of Agriculture. This new convenience food, ready for the table after a minute's heating, is vacuum-packed by a process worked out by the USDA Agricultural Research Service.

The process was based on research showing that bacon spoilage can be prevented by keeping the moisture-to-salt ratio low, and that this can be achieved without making the bacon too salty by partially dehydrating it before canning.

Danish packers have been producing canned sliced bacon by USDA's process for about five years, and it has been available here as an import. Until now, however, the product has not been produced domestically.

TYPEWRITING SELF TAUGHT
A new approach to teaching the typewriting touch system. This compact booklet enables you to type as you read. No supervision required. Method appeals to students, and adults of all ages. Send \$1 to TYPEWRITING, P. O. Box 671, Sanford, Fla.

The McClellans Home From Visit To Maryland

By Maryann Miles

Mr. and Mrs. Malcolm McClellan Sr. of Cove Court in Lake Brantley and two of their daughters, Peri and Torry, have recently returned from visiting their son, Malcolm Jr., who is attending a Naval Academy preparatory school in Bambridge, Md.

Malcolm Jr. has completed boot training at Great Lakes, Ill., and was company honor man. After passing an aptitude test which qualified him for Annapolis, he was sent on to Maryland for further training. If he successfully completes this nine-month training program, he will qualify for the U. S. Naval Academy.

The McClellans enjoyed every minute of their two-day visit with their son. On Saturday morning they had an opportunity to listen to the commander of the school and in the afternoon they enjoyed a football game. Later and in the evening there was a reception and dance.

On Sunday Malcolm Jr. had leave, so they enjoyed the sights around Bambridge, and then it came time to drive the 900 miles back to Forest City.

The family is looking forward to the young man getting his Christmas leave, which will start Dec. 16.

Miss Emily Gail Lovelace Becomes Bride In Double-Ring Church Rites

By Jane Casselberry

daughter of Mr. and Mrs. John R. Lovelace, of Casselberry,

became the bride of Douglas A. Desabrais, son of Joseph Desabrais, of Russell, Mass., and the late Mrs. Desabrais, at the Casselberry Community Methodist Church Friday, Oct. 23, at 7:30 p.m.

Rev. Delmas Copeland, minister, officiated at the double-ring ceremony.

The church was decorated with baskets of white tuberoses, chrysanthemums and ferns. Traditional wedding music was played by Miss Barbara Ferrell at the organ.

The bride who was given in marriage by her brother, Travis R. Lovelace, carried a cascade bouquet of white carnations, centered with a lovely white orchid and a white Bible, a gift of the groom.

She chose for her wedding a traditional gown of nylon net and chantilly lace with bouffant skirt and fitted bodice, scalloped neckline and full length tapered sleeves. Tiers of lace ruffles decorated the back of the skirt. Her fingertip veil of French illusion was fastened to a half-cap encrusted with pearls and sequins. Her only jewelry was a large single pearl necklace.

The matron of honor, Mrs. Frank Purcell, wore a pale orchid taffeta dress and her

matching veil was attached to a bow of the same color. She carried a cascade bouquet of pink carnations.

The best man was LeRoy Belahner of Longwood and serving as ushers were Jerry L. Martin, Sanford, and Stanley Radwicz Jr., Longwood.

The bride's mother wore an ensemble of powder blue brocade, matching accessories, a white mink stole and corsage of pink rosebuds.

Following the wedding, a reception was held in the church annex with Mrs. Travis Lovelace and Mrs. Helen Sechrist assisting.

The serving table was decorated with a lovely centerpiece of white chrysanthemums, stock, pink carnations and fern.

A beautiful three-tiered wedding cake topped with a miniature bride and groom was served with sherbet punch, minis and nuts.

After the reception the couple left for a short wedding trip to St. Augustine. The bride chose for her going-away outfit a pink wool ensemble. Upon their return they will make their home on Highway 17-92, Longwood.

MR. AND MRS. DOUGLAS A. DESABRAIS

SMH Auxiliary Announces Officers For Coming Year

On October 17th the Hospital Auxiliary held their luncheon and general meeting in DeBary with Mrs. A. Hunt in charge of arrangements. There were 54 members present to hear the slate of new officers for the year 1965.

The nominating committee, consisting of Miss White, Chairman, Mrs. A. Hunt, Mrs. L. Stafford, Mrs. L. Trued and Mrs. Melvor placed the following names before the members as officers for the

coming year: Mrs. C. Butler, president; Mrs. A. Feistel, 1st vice president; Mrs. A. Hunt, 2nd vice president; Mrs. T. Broome, recording secretary; Mrs. R. Wilkins, corresponding secretary; Mrs. C. Reardon, treasurer; and the Directors at Large — Mrs. C. Brunley, Mrs. F. Korst and Mrs. W. Toll. The names were voted on and accepted by the membership as the new officers for 1965.

Mrs. Carl Schlike, president and Mrs. C. Butler, incoming president for 1965 are making plans to attend the Association of Florida Hospital Auxiliaries Conference and Institute to be held November 5th and 6th in Clearwater.

The ladies of the auxiliary would also like you to know that they have many nice gifts in their shop now — and they are also selling the Social Capers, which is a book calendar and very useful. The monies they make from their shop are used to provide a nursing scholarship and they also turn monies over to the Hospital at the end of the year.

Wedding Bells Ring More Often During 1964

Wedding bells are ringing more often this year than they did last year, according to the Health Insurance Institute.

The Institute cited Public Health Service statistics showing that there were 980,000 marriages during the first seven months of 1964, compared to 910,000 in the same period of 1963, an increase of nearly eight per cent.

If the trend continues for the rest of the year, it will represent the sharpest one-year increase in the number of marriages in the United States since the postwar years of the late 1940's, the Institute said.

Beauty Briefs

Shampoo and Massage — Massage your scalp each time you shampoo your hair. The stimulation makes for healthier hair. A tight scalp tends to cut off circulation and thus hampers growth of hair from the roots.

Warm Tub Relaxes You — Every housewife needs to relax before going to bed. Take time for a few minutes in a tub of warm to hot water or take a hot shower. The result will be surprising.

• Open Friday Evenings

By Dottie Austin
NAVY WIVES are always searching for new and different ideas on how to keep busy and entertained during the long lonely months of a sea cruise. A group of the Hoot Owl wives have come up with some exciting plans this time.

They are cooking up menus for "before and after" dinner theater parties, built around the attractions that the Mutual Concert Association is bringing to town this winter.

They figure the events will get them out of their old routine ruts and expand their minds, at the same time offering a most pleasant and enjoyable evening.

Along with exploring new musical experiences with such groups as the Stetson Choir, the Burke Family Singers, and others, they are going to broaden their culinary horizons with the new Officers Wives cookbook.

Sara Jane Smith, ringleader of these interesting plans has gotten the following Hoot Owl wives to get their memberships before the drive ends on November 5th.

They are Dottie Austin, Shirley Youngblade, Doty Malczowski, Pat Burch, Arvie Atkinson, Kitty Snyder, Ginnie Sullivan and Kathleen Henson.

OCTOBER has been a busy month for VAH-11 and Det 8 officers wives, particularly those lucky enough to have their husbands home for an unexpected brief stay.

However, even those who found they had an additional wait for theirs to come home had plenty of activity on the club's calendar.

Jane Sandusky and Betty Hines hosted a coffee at the BOQ Afterburner, with three new members welcomed. Eileen Cornell and Charlene Graham attended their first function as officers wives. Their husbands were recently commissioned aboard the USS Roosevelt. Ann Miller, bride of Lt. Whitney Miller of Det 8 also joined the group.

Alice Werner has volunteered to take over Jo Moloney's duties as representative to the NOWC board and Cookie Weissman will take Alice's place as chairman of the telephone committee.

Van Nichols was hostess for an evening bridge party for Checkertalk wives at her Mailand home on Oct. 15th.

Ann Dee Munday and Loretta Allen will give a luncheon at the Hamilton House, Thursday.

It was a stroke of luck this month that Lt. (jg) Kenny Fields was on hand when his new daughter, Kimberly Jo, arrived on Oct. 18th. Lt. (jg) Ed Walters got an advance look at his three month old Sheryl, too while the FDR was in the States.

Several birthdays were made brighter by father's presence. Cdr. R. W. Kenny's son Matthew turned eight on the 16th and Lcdr. Harvey Aubuchon's Mark was seven the same day. Joyce Aubuchon just squeezed her birthday in on the 22nd before Harvey left the following day.

All of Eleven's traveling wives have returned from Europe now except Margot Patterson, who will remain in Germany with her family until December.

Jan Beat and Bea Garcia arrived back at the same time as the ship and will visit with their families until the cruise ends.

Carol Dennison is back in Sanford now and ready to stay put for a while. She's been traveling since early June.

VAH-11 TIGERETTES are all excited about the "get-acquainted coffee" to be held November 17 at 10 a. m. at the Ballroom, with all enlisted wives invited to attend. This was the main topic of discussion at their monthly meeting on October 15th.

Janice Culver has been elected treasurer to replace Peggy Saroney who is leaving on October 31st. Hostesses for the meeting were Suzanne Koozer and C. Ferrera.

The October coffee is slated for today at 7:30 p. m. at the home of Pat Russell and the November business meeting will be held the 19th at 7:30 p. m. at the Ballroom. Hostesses for the meeting will be Elaine Orazi and Margaret Reynolds.

Assigned to bake for the USO in November are Janice Culver and Ruth Weiss.

VAH-7 ENLISTED WIVES are planning election of officers at their November meeting with installation to take place at a dinner dance scheduled for the Lake Monroe Inn in December. Serving on the committee for arrangements are Mrs. Clifford Stringer, Mrs. J. R. Brussard and the president.

Mrs. W. R. Hays who is leaving the club because her husband is being transferred to Three was presented with a going-away gift of a charm bracelet with a disc bearing the squadron insignia.

Mrs. J. R. Franklin and Mrs. Sue Bussard were guests and hostesses were Mrs. A. Surbrook, Mrs. T. L. Sewell and Mrs. Bussard.

NOWC EXECUTIVE BOARD is planning a night-time function to include husbands.

The group has decided on a Harvest Ball which will be held November 21 at the Ballroom. There is to be an elaborate buffet of heavy hors d'oeuvres and music for dancing, with festivities getting underway at 7 p. m. Tickets can be obtained from the squadron or from the activity representatives.

"Line up your sisters now and mark the calendar—treat your husband to a night out—turn about's fair play," says Jo Watson.

Jenny Nelson attended her last meeting of the board at the recent NOWC meeting as her husband, Cdr. Clifford Nelson has orders to the Pensacola Naval Air Station.

Jenny has served as vice president in charge of the Thrift Shop and also as recording secretary and has done an outstanding job in both positions.

Betty Willhauck will be new staff rep. for the board. Present at the meeting at the home of President Evelyn Fitzpatrick were senior advisor Mrs. June Mayo, Jo Molandy, Alice Werner, Betty Stokes, Arvie Atkinson, Marcia Fuy, Holly Bell, Terry Shattuck, Thelma Unger and Jo Watson. Next meeting will be at the Shattuck home.

President Fitzpatrick says if you haven't gotten your cookbook, you can get it by contacting her to put in your order.

THE CHIEFS CLUB was the scene of a "bring your own steak dinner" October 17th with two couples Chief and Mrs. Ira Jarrell and Chief and Mrs. F. Kerr celebrating their 20th and 14th wedding anniversaries, respectively.

Another honoree of the party was Chief John Stankiewicz who is being transferred to VAH-10 at Whidby Island, Washington. A large, luscious cake, baked and decorated by Shirley Simas was presented in his honor.

HOOT OWL Wives get together to prepare for their theater parties which are planned in connection with the Mutual Concert Series. Here Dottie Austin, (left) polishes the tea service as Kathy Henson and Sara Jane Smith pore over the cookbook to find some good new recipes.

Last Wednesday the Chiefs' Wives Club had meeting to which all wives of E7s, E8s and E9s were invited especially.

HOSTESSES for the RVAH-1 Officers Wives luncheon held at the Georgian Manor in Maitland October 15th were Lorraine Williams and Gwendolyn Gilmore.

Door prizes, always a highlight of the luncheon were carried away by Edith Wimberly who drew the fural arrangement and by Vickie Wilster who won a shampoo and set from a local beauty salon.

On October 20th, members of the squadron heard a survivors benefits program which included information on dependent's indemnity compensation, serviceman's family protection plan, survivor's Social Security benefits, Medicare, Navy Relief and retirement benefits.

PATRIOTIC RVAH-3 Wives held a "United Nations Day" dinner Saturday at the home of hostess Barbara Butler and sampled foods from many countries, which each wife attending had prepared.

Barbara had passed out the recipes for the exotic dishes at a previous meeting, with instructions on how to prepare them. Then everybody brought something exciting to the potluck dinner.

The taste-tempting and eye-appealing dishes ranged all the way from Chinese food and Mexican food to Indian curry. The group sampled each and pronounced them all delicious, with plaudits to Barbara for thinking up the idea.

Special guests were Cdr. and Mrs. Dave Beal, Cdr. Dearolph is being transferred to Five soon. Arriving from Jacksonville in time for dinner was Susan Ryan.

Calendar
 Oct. 29—RVAH-5 EM Wives, Skate Party, Melodee Rink, 9 a. m. to noon.
 Nov. 5—211 Wives installation dinner, Ballroom, 7:30 p. m.
 Nov. 5—Concert Series drive ends.
 Nov. 9—RVAH-3 business meeting.
 Nov. 12—RVAH-13, meet 1 p. m. Sue Mauer.
 Nov. 14—RVAH-9 EM Wives progressive party.
 Nov. 17—Tigerettes get acquainted coffee, Ballroom, 10 a. m.
 Nov. 21—NOWC Harvest Ball, Ballroom, 7 p. m.

Highlights
 TV Time Shows of the Night: 10-11 p.m. CBS, The Doctors and the Nurses. "Hillie." Following her recent sparkling appearance on the otherwise dismal "Mr. Broadway" series, Barbara Feldon is starred in this hour and she's about the freshest thing to hit TV since Mr. Clean. She plays a nurse who falls in love with a married former patient (Darren McGavin) and has an affair with him — until she finds out just how far he's willing to go to satisfy his ambitions. Miss Feldon is simply wonderful and though the script tends to run downhill, she never falters for an instant. Very little action takes place in the hospital and we couldn't care less.

8-8:30 p.m. CBS, World War I, "They Sank the Lusitania." Another exceptional documentary. This one examines the whole concept of German U-boat warfare, why it was begun, how it was unleashed and what were its consequences.

8:30-9:30 p.m. CBS, The Red Skelton Show. Freddie the Freeloader appears as an undercover agent for the government tonight.

Horoscope Forecast

WEDNESDAY, OCT. 23, 1964

GENERAL TENDENCIES: Although there is a surface aspect of much trouble and many problems, there is also an influence which suggests that you are able to turn any and all such conditions to YOUR advantage by some unique application of your own particular type of understanding and talents. But refrain from blasting anyone.

ARIES (March 21 to April 19) Certain forms of pleasure could cost you a pretty penny now, but take the opportunity to capitalize on your talents instead. Don't let family members. Seek interesting personalities.

TAURUS (April 20 to May 20) Concentrating on work indoors is wise instead of making radical changes where business affairs are concerned. Look at home problems objectively. Use positive methods to clarify.

GEMINI (May 21 to June 21) Much care in driving and in conversation could easily save you much trouble later on. Be sure to look over reports. See that they are absolutely accurate. Don't take chances.

MOON CHILDREN (June 22 to July 21) Any risks taken in an attempt to make money fast could cause you loss in the long run. See where you can cut off expenses instead in present operation. Be steadfast.

LEO (July 22 to August 21) Try using a new system if you want to advance instead of losing your temper or being forceful with others. Eliminate the obsolete. Show others that you are a warm, understanding person and all is well.

VIRGO (August 22 to September 22) Ridding yourself of personal anxieties is wise so that you can make the coming days very happy and profitable. Look into fine, new systems. Excellent opportunities are ahead for you.

LIBRA (September 23 to October 22) Try not to be forceful with friends and use own ingenuity to get what you want, or you can lose good allies. Delve into enjoyable hobby by later. Social event could be boring in P.M. Avoid it.

SCORPIO (October 23 to November 21) Procrastinating will do no good, just dive right into civic work and it is done. Use that fine ability you possess. Put everything else aside for the day. Be patriotic.

SAGITTARIUS (November 22 to December 21) While making changes is a good idea, this is not quite the propitious time for such. Be sure to handle mislive you receive wisely. Don't let it throw you for a loop.

CAPRICORN (December 22 to January 20) Jump right into the duties ahead of you and forget all about frivolities for the time being. Keep your promises to others. Pay particular attention to the small details.

AQUARIUS (January 21 to February 19) Careful attention to what partners say will spell the difference between harmony and arguments. Be alert so that you don't get stepped upon. A smile works wonders.

PISCES (February 20 to March 20) Have privacy when you map out important work ahead or others may pirate ideas. In fact, being with others could lead to arguments as well. Others are rather jump.

IF YOUR CHILD IS BORN TODAY, he or she will be one of those interesting persons who likes to operate in a little different fashion from others and often be misunderstood because of this trait. Don't give him, or her, the chance to change things about in the home so that the mind will soon become disciplined. Then the child is fine for any work connected with the public or New Era pursuits.

"The Stars insist, they do not compel." What you make of your life is largely up to YOU!

Carroll Righter's individual forecast for your sign for November is now ready. For your copy send your birthdate and \$1.00 to Carroll Righter Forecast, The Sanford Herald, Box 1921, Hollywood 28, Calif.

Rejected Appointment
For the first and only time in U. S. history, the Senate, on Dec. 15, 1795, rejected President Washington's nomination of John Rutledge, of South Carolina, as the second Chief Justice of the Supreme Court.

Disability Benefits Upped By New Laws

About 250 disabled people and dependents in the Orlando Service area including Seminole County will become eligible for social security disability benefits or will have benefits they are now receiving increased, according to Colonel Byron R. Patton, social security district manager in Orlando.

The benefits and increases are provided by a new amendment to the social security law which changes the rule for setting the date on which a worker's "period of disability" started.

The new law removes a time limit which went into effect in July 1962 and permits the beginning of the "period of disability" for benefits purposes to be set at the time the worker actually became disabled. The change does not liberalize the requirements of the law in any way except to permit the actual date of disability to be recognized, Colonel Patton pointed out. It affects only people who worked under social security for at least five of the 10 years before they became disabled and who applied after July 1962, or have not yet applied.

"We have the names and addresses of those who applied, and we either have already written to them or we will within a few days," Colonel Patton said. "They do not need to take any action right away, but if they do not hear from us within two weeks they should call or write us."

"On the other hand," Colonel Patton emphasized, "there may be many former workers who are now disabled but who have never asked at the social security office to find out whether they may be eligible for social security disability insurance benefits. Some people did not apply because they realized that they were not eligible since they had waited beyond the time limit for filing an application. Others may not have heard about disability benefits. We want to hear from them as soon as possible."

Increases in benefits now being paid will be retroactive to November 1963 and will be paid with the checks to be delivered early in December. People newly eligible for benefits because of the amendment will receive back payments to November 1963 if they apply before the end of November 1964, stated Colonel Patton.

Lyman Students Attend Meeting

By Jane Casselberry

The Tec Club of Lyman High School was represented by six officers and members and their sponsor, Ralph Jensen, at the executive board meeting of Florida Tec Clubs Saturday in Tampa.

Purpose of the meet was to consider the eligibility of the various Tec Clubs to affiliate with the state organization and to prepare recommendations for the state convention.

Those attending were Mike McMillan, president; John Pugila, vice president; Barbara Day, secretary; Carlton Callenberger, sergeant-at-arms; Bob Dowdy and Bob Foreman.

FRIENDLY FISTICUFFS were inevitable in this election year when the donkey and the elephant met at Cub Scout Pack 540's Halloween Party at Casselberry Community Methodist Church. Underneath the original homemade masks are Lester Britton (left) and Harold Martindale. (Herald Photo)

PORTION OF THE CROWD of more than 50,000 persons who jammed Colonial Plaza parking lot at Orlando Monday to see and hear President Lyndon B. Johnson. Tens of thousands more lined the long parade route down Orange Ave. and Colonial Ave. (Hwy. 50), where the President alternately rode and walked, shaking every hand he could reach along the way. Brevard County sign was one of many other county signs which were seen. (Herald Photo)

Pointers On Hibiscus Told To Garden Club

By Maryann Miles

B. L. Barling, of a Clarion Road, was guest speaker at a meeting of the Bear Lake Garden Club at the home of Mrs. Charles Duncan, of 2090 Mochain Trail, Maitland.

A hibiscus specialist, he showed 150 color slides and gave the members pointers on growing, fertilizing and caring for hibiscus. He also explained what to do if the plants are infested with insects and how to protect them from a freeze.

All the members brought at least three articles which they had made to be shown at the Christmas Tree Lane, Dec. 3 and 4, at the Orlando Garden Center.

They each also brought a

white elephant article to go for World Gardens.

Present at the meeting were Mrs. Vernon Gleaves, Mrs. Vernon Herrington, Mrs. Albert Jacobs, Mrs. C. C. Jones, Mrs. William Massey, Mrs. Charles Moro, Mrs. Richard Ostrander, Mrs. Richard Scott,

Mrs. Robert L. Stevenson, Mrs. Max Weinar, and a guest, Mrs. Barling, wife of the speaker.

The next meeting will be held Nov. 17 at the home of Mrs. Vernon Herrington on Craig Drive, Bear Lake. Any area women who would like to join the Bear Lake Garden Club may contact Mrs. Brunk or any of the members.

The Masters' golf tournament was won by Arnold Palmer in 1959, 1960 and 1962.

Robert Rumbley Jr. Heads DeMolay Unit

Robert A. Rumbley Jr. was installed as master counselor of the Seminole Chapter, Order of DeMolay, in ceremonies at Masonic Temple Sunday.

Chairman W. W. Cash gave a welcoming speech explaining the high principles of the Order of DeMolay to the many visiting friends and relatives and the prayer was given by Rev. E. W. Smith, of First Presbyterian Church, Sanford.

Representative DeMolay awards were presented to Robert A. Rumbley Jr. and Steve Stein by the chapter advisor, E. L. Weber.

DeMolay members installed were: Robert A. Rumbley Jr., master counselor; Richard Burns, senior counselor and Leroy Nopper Jr., junior counselor.

Appointed DeMolay officers installed were: Eddie Hubbard, John Leach, Steven Stein, Ernest Heinbuch, John Butts, Mark Parker, Robert Law, Chris Akers, Wade Hancock, Richard Dunn, Paul

Markos, Frank Whigham, John Cullum, Danny Leeds, Don Fortner, Chuck Scott, Frank Murray, Gary Ferran and Ralph Stumpf Jr.

Installing officers Robert A. Rumbley Sr., E. O. Keith, John A. Fuller, Edmond L. Weber, John S. Parker and Capt. Arnold Williams also assisted in the inspiring rituals of presenting the Bible, flag and school book.

The Seminole High School Triple Trio, under the direction of Miss Ollie Reese Whittle, sang two songs.

Carol Besserer, Chapter Sweetheart, was presented a pendant with DeMolay insignia by past Sweetheart, Carol Westland.

After the installation, refreshments were served at a reception in the dining room. Hostesses were Mrs. F. Nash, Mrs. L. Kosky and Mrs. R. A. Rumbley.

Records show that sausage was eaten several hundred years before the time of Christ.

Governor Petitioned For Audit Of Altamonte Springs Books

Councilmen Join With Residents

By Julian Stenstrom
 Attorneys for the Altamonte Springs Citizens for Better Government Committee today directed a letter to Gov. Farris Bryant asking that he appoint a state auditor to examine the books of the Town of Altamonte Springs for irregularities.

Attached to the letter, according to a statement this morning by Mrs. Gretchen W. Tope, 1123 Glen Arden Way, Altamonte Springs, chairman of the committee, was a petition signed by 63 municipally registered freeholders of the Town's 132 registered freeholders asking the governor to authorize the audit as provided under Florida Statute 157.61.

A statement, released by Mrs. Tope, declared: "I am led to believe that the entire Town Council has agreed to this procedure, although their agreement came only after the required number of signatures were secured on the petition."

Mrs. Tope also said in her statement, "We are expecting immediate action from the Governor."

Certain Criticism
 Meanwhile, members of the Town Council, including Mayor W. Lawrence Swofford, addressed a letter to Governor Bryant in which they advised the state's Chief Executive that they have joined in the signing of the petition. "This action," the letter stated, "has been precipitated because of certain criticism directed at the affairs of Altamonte Springs."

"We, as the governing body . . . welcome and encourage any such examination of the town's financial affairs as you may conduct."

"Any municipality," the letter continued, "in order to serve its citizens, must have the confidence and trust of those citizens and we feel an early examination of the town's affairs will allay any misunderstandings or doubt which may exist as a result of the influence of certain criticism and agitation."

The letter was signed by Councilmen Keith L. Nixon, Gene R. Stephenson, Robert E. Newell, Stuart D. Fritch and Mayor Swofford.

"Inequalities"
 E. Pope Bassett, Republican opposing Mayor Swofford, Democrat, for a seat on the County Commission, said today, "More than two weeks ago these alleged irregularities in the public records of Altamonte Springs were brought to my attention; specifically: The apparent inequalities in tax assessments and tax payments."

"I applaud this grass roots effort by approximately one-half of the registered freeholders of Altamonte Springs to inquire into the apparent favoritisms in certain aspects of their city government. Since that time," Bassett continued, "I have repeatedly asked Mayor Swofford to explain these matters and have received no reply." Bassett said he had done this in telephone calls, personal conversations and in political speeches.

"I believe," Bassett went on to say, "those who seek county

office should be above reproach."

No Comment
 Attorney Joe Davis, Altamonte Springs' town attorney and himself a candidate for reelection to the House of Representatives, had no comment. However, Mayor Swofford did release the following declaration:

"This is the political season and there is no doubt in my mind that this is a politically inspired move. Nevertheless, our four councilmen and myself have advised the Governor, by letter, that we welcome and encourage an examination of the financial records of the town."

It was pointed out in a conference this morning held by the committee's legal representative, that the committee is releasing a copy of a letter received by the Board of Commissioners of the Town of Altamonte Springs from Jack Greene, certified public accountant, stating that certain records were in "poor condition" and requesting that these irregularities should be corrected as early as March, 1964.

Swofford said, "Since we retain a competent certified public accountant . . . to conduct an annual audit of our records and such audit is available to any interested citizen in our Town Hall, I assume that the cost of such an examination will be paid for by the petitioners, the councilmen, individually, and the mayor, and I expect that it would cost about \$20 per person."

Municipal Accounts
 The petition addressed to Governor Bryant points to an examination "into the methods and accuracy of the municipal accounts, with particular emphasis on: (1) The city owned water department, (2) the tax rolls and valuation of property, (3) the payment of delinquent real property taxes, and (4) the qualifications of persons or persons responsible for keeping the books."

With reference to the annual audit, Swofford pointed out today that the auditor said he did not audit the water department's books had not been set up. Since that time, he added, the water department books have been established under the direction of the auditors.

Further, said Swofford, they have been inspected by the Housing and Home Finance Agency, a federal bureau that financed the installation of the municipal water system. The books, Swofford continued, were found to be in good order. He added that HHFA will make a final audit of the water department next month before turning the entire water system over to the town.

New Post Office Building Slated For Lake Mary

The community of Lake Mary will have a new post office building.

Postmaster Clarence (Cracker) Donaldson told The Herald today that he had received confirmation of the new installation from the regional office in Atlanta.

Postal inspectors and the real estate representative are now in the process of inspecting and selecting the site for the new facility, Donaldson said.

The new post office which has been necessitated by the growth of the area will be boosted to second class status instead of the present third class, Donaldson said.

"We actually have reached second class status now, but it will not be effective until July, 1965," he said.

Donaldson attended the national convention of postmasters in Cincinnati last week where he heard Postmaster General John Gronowski outline plans for improved parcel post service.

Gronowski promised "tender, loving care" for Yule packages this year with new scheduled delivery of parcel post available by Nov. 30 for the most populous areas.

"For the first time, service will be predictable with eight areas of the nation ready before the coming Christmas season to allow postal employees to tell customers with a high degree of accuracy when parcel post packages will be delivered, providing the zip code number is used."

"In addition, all sacks of mail will be limited to a free fall of 18 inches and individual packages to a free fall of 12 inches and foam rubber padding is to be installed to cushion the fall of packages."

"The post office department will use zip codes be used on all the packages which will insure three to five days faster delivery," Donaldson said.

Agent Grilled Relentlessly In Citrus Trial

An undercover agent for the Florida Agriculture Department was given a relentless grilling this morning in Circuit Court here as a citrus fraud trial continued.

On trial and facing several counts of grand larceny, bribery and related charges is Ralph W. Alderman, who is alleged to have cheated the Hi-Acres Concentrate plant of Forest City out of about \$100,000.

On the stand this morning was William H. Rozier, former Daytona Beach police chief, who told of his assignment in June, 1962, to check activities of Alderman's trucks at Hi-Acres.

Firing the questions at him was Defense Atty. J. Russell Hornsby, of Orlando, as he tried to wear down the witness and point up inconsistencies in his testimony.

Rozier told of watching an Alderman truck arrive at the plant, being unloaded, then reloaded, taken to a nearby spot for an overnight wait and then return to the plant with the same fruit.

He said he or other agents had the truck and contents under surveillance at all times during the episode.

Rozier, who said he used the alias, "Bill Smith," when applying "and obtaining employment from Hi-Acres, told of observing the truck being loaded from a Hi-Acres bin, driven to a point on Spring Lake Road, left there overnight, and then returned to the plant to be unloaded again.

Each time, he said, the load was examined as a new shipment of fruit.

State attorneys in the case are William D. Hopkins and Arthur L. Steed. The trial is being heard by Circuit Judge Thomas Beasley of DeFuniak Springs.

Alderman is charged with grand larceny, conspiracy to commit grand larceny, two counts of bribery and one conspiracy to commit bribery.

Earlier today, two truck drivers for Hi-Acres told of noticing they were being followed by what they believed to be agriculture department inspectors.

CHRISTMAS DECORATIONS will light up Sanford streets in a glow of Yuletide glitter this year as the Sanford Merchants Association adds these and many other lighted pole decorations. President B. L. Perkins Jr. (left) and Christmas lighting chairman E. C. Harper Jr. hold some of the attractive pole decorations which will be lit up this year. (Herald Photo)

Johnson, Goldwater Fighting To The End

United Press International President Johnson today characterized his election battle with Sen. Hubert H. Humphrey as a running mate.

The Arizona senator said Humphrey's candidacy has tied up the Democratic party "in a neat bundle for eventual delivery to the Americans for Democratic Action, the most effective radical Socialist organization in the land."

Goldwater was also to appear in Chicago and Oshkosh, Wis.

In his Cedar Rapids address he said that Johnson's support comes from "bureaucrats who fear the cold light of public scrutiny, from labor leaders who promise to deliver votes," and not from the grass roots.

Street Fights
 TULSA, Okla. (UPI) — A series of street fights broke out Tuesday before and after a speech by Lady Bird Johnson. The brawling was blamed in part on clashes between Goldwater and Johnson supporters.

Goldwater, in his first scheduled stop of the day at Cedar Rapids, Iowa, attacked in a prepared speech Johnson's selection of Sen. Hubert H. Humphrey as a running mate.

The Arizona senator said Humphrey's candidacy has tied up the Democratic party "in a neat bundle for eventual delivery to the Americans for Democratic Action, the most effective radical Socialist organization in the land."

Goldwater was also to appear in Chicago and Oshkosh, Wis.

In his Cedar Rapids address he said that Johnson's support comes from "bureaucrats who fear the cold light of public scrutiny, from labor leaders who promise to deliver votes," and not from the grass roots.

SCOTT FULLER

DICKIE DEAS

Two Southside Boys Win Yuletide Contest

Wayne Albert, chairman of the Jaycee Christmas parade announced today that two youngsters, six-year-old Scott Fuller and nine-year-old Dickie Deas have tied as winners of the Christmas theme contest, with the title, "My Christmas Dream."

Both boys submitted the same title on the same date. The \$25 savings bond will be split but both boys will ride in their own car in the parade, slated for Dec. 2.

Scott and Dickie both attend Southside School. Scott is the son of Mr. and Mrs. Ben Fuller, of 1316 Mellenville Avenue and Dickie is the son of Mr. and Mrs. Richard Deas, of 2018 Mellenville Avenue.

The winning theme, "My Christmas Dream," will be used as a basis for all the floats which will enter the parade.

This will be the 15th annual Christmas parade sponsored by the Merchants Division of the Chamber of Commerce and staged by the Sanford Seminole Jaycees.

Political Rally Slated Thursday

A political rally, one of the last of the current campaign, will be held Thursday at 6 p. m. at the new city parking lot at First Street and Park Avenue sponsored by the Seminole County Young Republican Club.

The public is invited to attend and hear all the candidates who are in opposition in the Nov. 3 election, on state, county and city levels.

Ten candidates, opposing each other for five offices, will be given equal time to make their appeals. On the state level are Rep. Joe Davis and Robert Hoover, M. D., for legislative representative; on the county level, Guy Allen and Mary Earle Walker, for tax assessor; Lawrence Swofford and Pope Bassett, for county commissioner; James Birkenmeyer and Walter Hoebig, for School Board. On the city level are City Commissioner Joe Baker, opposed by E. C. Harper Jr.

Even President Must Shell Out

MIAMI (UPI) — The State Democratic headquarters here received a bill for \$38 from the Florida Turnpike Authority.

The bill is for the toll charges run up by President Johnson's 21 car-five bus motorcade Sunday.

Officials said it would be paid.

In Sanford this week to preside over the alleged citrus swindle trial is Judge Thomas A. Beasley of DeFuniak Springs. Judge Beasley, according to Judge Volle A. Williams, is the only man in the history of the State of Florida to serve two terms as Speaker of the House of Representatives. His two terms, Judge Williams added, were not consecutive.

Was a time when a person could pick an orange, squeeze it and drink it or peel it and eat it and that was that. But oranges are big business now. Drop into the courthouse and listen to the highly technical aspects of the industry as unfolded during the trial.

Comments are starting to come into The Herald office now for the job done on the 1964 Progress Edition. Nice to know the reading public is recognizing a lot of hard work.

The County Commission Tuesday agreed to issue a permit for the Jai-Alai Fronton to install street lights in front of its parking lot on U.S. 17-92. Not only will the Fronton buy and install the standards and lights, it'll also foot the power bill.

County Commissioner Lee Gary paid The Herald a verbal bouquet on its annual progress edition but remarked, "You didn't publish a photo of the most striking church in Seminole County." "Which one is that?" was asked. Gary popped back, "Oviedo's First Methodist, of course."

The County Commission chamber in the Courthouse also has something new. On the paneled wall behind the commissioners' desks appears these words in "bank" style aluminum painted letters: BOARD OF COUNTY COMMISSIONERS SEMINOLE COUNTY Neat, sharp, keen, and attractive, too!

Johnson Needed - Cain

By Dottie Austin
 City Editor
 Republican Harry P. Cain, a former U. S. senator from Tacoma, Wash., told a capacity audience at a luncheon at Spencer's Restaurant Tuesday that the Democratic ticket of President Lyndon B. Johnson and Sen. Hubert Humphrey has more to offer the United States and the free world in experience, competence, resourcefulness, vision and courage than any other ticket in the 20th Century.

"What other two men have spent 50 years, collectively, teething really for the perils hazards and problems of the most important office in the world today," he asked.

Cain pointed out that Johnson had served many years as senator and three years as vice president, an office which has taken on vital importance in today's world and that Humphrey has also had many years of experience in the Senate.

"These two men have a tremendous accumulation of skills that can only be learned in the political arena. The late President Kennedy was well aware of the importance of the office

of vice president and went out of his way to insure that Vice President Johnson was prepared for the job he might have

to assume," Cain pointed out. "On that black and dreadful day last November, America was shocked, frightened and

upset by the sudden and tragic death of the young President, but Lyndon B. Johnson was prepared—he took over in a competent, decisive manner and dissipated our fears for America and for the rest of the world," said Cain.

"The vast majority of the nation is grateful to President Johnson for his firm hand in our darkest hour," he added. "President Johnson has made a wise choice in his selection of Sen. Humphrey for vice president for he will know the heavy pressures on the president, the specter of violence and the uncertainty of life. He knows it is important to make of the office of vice president something more constructive and important than ever before needed in the history of the country," Cain noted.

He emphasized that no one can know how the changes in Russian and British governments will affect world situations and Johnson and Humphrey, with their experience have a better chance of knowing how to deal with whatever these changes bring."

POINTING OUT THE FACTS. Republican ex-Senator Harry Cain, who is stumping the state for the Johnson-Humphrey ticket, points out the reasons for his decision at a luncheon meeting at Spencer's Restaurant Tuesday.
