

Greyhounds Pull Out Tilt In 9th

The Sanford Greyhounds banged out three runs in the ninth inning to break a 3-3 tie and pick up their eighth straight win as they defeated Tampa, 6-3 Monday night.

The Greyhounds now sport a 10-3 record and have never been defeated on the road this season. The Greyhounds travel to Leesburg tonight and return home Wednesday meeting Leesburg.

In the game Monday, Bill Baldwin, threw two wild pitches with the bases loaded in the ninth to give the Greyhounds their margin of victory. Sanford's Mike Maloney sacrificed the other run home.

U. S. Pinning Decathlon Hopes On 2

LOS ANGELES (UPI) — Years ago the United States might not be well represented in decathlon competition at the Rome Olympic Games were dispelled today as Rafer Johnson neared top form for the 10-event competition.

Johnson, holder of the U. S. record of 8902 points, has recovered from a back injury suffered last fall in an automobile accident and is gradually increasing his work in decathlon events.

Two of the world's three top decathlon men Monday appeared before the Southern California Track and Field Writers and Coaches Assn. Joining Johnson, who ranks second in the world to Russia's Vasily Kuznetsov, was Nationalist China's C. K. Yang.

Both Johnson and Yang are coached by UCLA's Elvin (Ducky) Drake.

The modest Chinese athlete let Johnson and Drake talk about him and only expressed the hope that he soon would recover from a shoulder injury that has bothered him in throwing events.

"I think Yang is capable of beating Kuznetsov's best mark (8887 points), and also beating him," Johnson said. "It will take around 8900 points, possibly 8400, to win at Rome."

Although he would not predict how well he expected to do, Johnson told of his progress this season and said he had tried all events except the broad jump and 1500 meters in practice.

The broad jump work has been delayed by Johnson because he wants to be sure he is entirely recovered from his injuries before he tries that event and in the

Civitan, Kiwanis, CPO Take BRL Play

Babe Ruth League action was thick and heavy Monday night with the CPO, Civitan and the Kiwanis Club coming out the winners.

CPO defeated the Rotary Club, 2-1; Civitan bested the Elks, 2-1 and Kiwanis blanked Lake Mary, 2-0.

In Little League play, Woodmont slammed Perfection, 12-2.

Dr. Harold Ring defeated Gene Witzel in the final round of the Spencer Memorial Trophy tournament play held Sunday.

Witzel was defending champion. First flight winner was Tom Finnerty.

Other flight winners were Andy Carroway, Tom Langford, Bill Vilhen, Dr. Harry Woodruff and Harry Weir.

Sweeney's Holds Bowlerette Lead

Sweeney's remains in first place in the Jet Bowlerettes by a four point margin.

Sweeney's record is 17 wins against seven losses.

There is a three-way tie between Nell's Hair Salon, Trimette Figure Salon and Duke and Duchess Shop for second place with 13-11.

Mary Esthers is in third, Howe's Fashions in fourth with 12-12. Yowell's and House of Rahija Fortraits are tied for fifth with 11-13. Ro-Jay's is sixth with 9-15 and Ivey's Shoe Store is in last spot with 8 1/2 wins, 15 1/2 losses.

All members of the Sweeney's team bowled extra, good last week and really surprised Yowell's by taking all four points by at least 100 sticks per game. Ariene Deeringer came through like a pro with her 197 game and 503 series.

United Press International That \$50,000 bonus the Giants gave teenager Mike McCormick is paying off four years later and 3,000 miles away.

It was back in 1956 that the Giants signed the 15-year-old high school and American Legion ace from Arcadia, Calif., who had been groomed to be a big league pitcher since he was seven years old. At the time, they predicted he would some day become a major league star.

It took four years but all the signs today are that the 6-foot, 2-inch, 195-pound left-hander has come into his own. He turned in his third straight victory Monday night when he pitched the Giants to a 4-0 win that snapped the Milwaukee Braves' four-game winning streak.

A crowd of 41,943 saw McCormick turn in his third brilliant effort at Candlestick Park. In three victories there the California kid has pitched two shutouts and yielded a total of one run and nine hits.

The victory moved the second-place Giants to within one game of the league-leading Pittsburgh Pirates, whose nine-game winning streak was ended, 4-3, by the St. Louis Cardinals. The Cincinnati Reds beat the Los Angeles Dodgers, 6-5, and the Chicago Cubs defeated the Philadelphia Phillies, 8-7, in other National League games.

The Cleveland Indians scored a 3-2 victory over the Washington Senators and the Baltimore Orioles "walked" to an 11-6 decision over the Chicago White Sox in American League action.

Carlton Willey matched zeroes with McCormick for five innings in the 7,122-yard Memorial Park course with six-under par 66's.

homer to give the Giants a 1-0 lead in the sixth. The Giants added four clinching runs in the eighth with the aid of an error by shortstop Johnny Logan and Del Crandall's second passed ball of the game. Willey, who suffered his first loss, fanned nine before giving way to a pinch-hitter.

Elroy Face, the Pirates' 1959 reliever pitching hero, walked across the Cardinals' winning run in the ninth inning and thereby suffered his second defeat of the year. Face didn't lose his first game until September last season and compiled an 18-1 record.

Stan Musial started Face's down fall with a single. Daryl Spencer's fourth hit and second double of the game followed by an intentional walk filled the bases with none out. Then Face walked pinch-hitter Carl Sawatski to end it.

Ed Bailey's three-run eighth-inning double off World Series relief hero Larry Sherry provided the Reds with their second win in 10 games. Jir O'Toole received credit for the triumph although Raul Sanchez and Bill Henry succeeded him. Jim Gilliam and Charlie Neal homered for the Dodgers and Billy Martin connected for the Reds.

Don Zimmer singled with two out and the bases filled in the ninth inning to cap a three-run Cub rally. The Phillies had gone ahead with a three-run ninth-inning burst of their own highlighted by rookie Frank Herrera's two-run single.

Plenty At Stake As Palmer, Collins Meet In Golf Playoff

HOUSTON, Tex. (UPI)—Masters champion Arnold Palmer was sure of at least \$3,400 more to add to his \$44,000 plus bankroll today as he and Bill Collins got set to tee off for an extra 18 holes to decide the winner of the \$35,000 Houston Classic golf tournament.

Palmer and Collins wound up the fourth round of the tourney the same way they ended the first round — in a deadlock. They began Thursday by burning up the 7,122-yard Memorial Park course with six-under par 66's.

But the strain of competition was beginning to tell Monday in what was to have been the final round. Collins, of Crystal River, shot a three-over-par 75 and Palmer, who plays out of Ligonier, Pa., carded a 73, one over par.

For each it was the worst round of the tourney, and each ended the regulation distance with 280's for the 72 holes.

Today's playoff will decide who gets the coveted trophy and first prize money of \$5,300. The playoff loser will get \$3,400.

Collins Action Requested On Basis Of Vote Results

One of the biggest majorities in a record Seminole County primary vote Tuesday elected Mrs. Mary Earle Walker tax assessor again as she defeated Richard McCanna by a two to one total.

Mrs. Walker's victory brought a proposal today from J. Brailley Odham that Gov. LeRoy Collins have her reinstated in the office immediately.

Odham sent a telegram to Collins asking that the governor take whatever steps are open to him to put Mrs. Walker back on the job without the customary protocol.

Mrs. Walker swamped McCanna in all of the 16 precincts with a tally of 5,091 votes to McCanna's 2,423.

Mrs. Walker, suspended by Gov. LeRoy Collins late last year, piled up an early lead and by the time six precincts were in had compiled a 500-vote margin.

When she arrived at the voting registrar's office about midnight, Mrs. Walker was hailed by friends and supporters. She thanked the voters of Seminole County and said "I will work to the best of my ability for the best interests of the county."

"I felt the victory was a vote of confidence for me," Mrs. Walker added.

Mrs. Walker took every precinct by at least a 2-1 margin, with the exception of Altamonte Springs, where McCanna collected 225 votes to her 250.

Odham's telegram to Collins said: "The voters of Seminole County in yesterday's primary cast 5,091 votes for Mary Earle Walker and 2,288 votes for Richard E. McCanna in the Tax Assessor's race. It is obvious that the people of Seminole County want Mrs. Walker to be their tax assessor."

You suspended Mrs. Walker based on the information you had and on the fact that the comptroller's review of Seminole County's tax records had said the records that did exist were the worst of the 87 counties. In my opinion, failing to extract from her a promise that she would do better, you as governor did the only thing you could do in discharging the duties required of you as governor when you suspended her.

The two men who were present with you at the hearing, Sen. Douglas Stenstrom and Rep. Mack Cleveland of Seminole County, made no public comment following the hearing which you held with Mrs. Walker. Mrs. Walker's ads during the campaign have said that she was "unjustly" suspended by you, the governor, when "I dared to fight for your rights." You will recall that at the hearing her attorney, Mr. Algie Speer, made the charge that there was one man responsible for your decision and that was Mr. Odham. This impression, in my opinion, has been successfully conveyed to the people of Seminole County. They felt that my tactics were high handed.

You know, and God above knows, that I personally never discussed with you Mrs. Walker's suspension prior to your action, but irrespective of that fact I am certain that the public believes otherwise.

I do not offer to anyone any apologies that I was critical of Mrs. Walker's tax assessment records. I do not apologize for having fought for a tax equalization because it was both lawful and necessary.

I feel the fact that Mrs. Walker has successfully conveyed to the people that the high level of assessment, or full cash value is here to stay - which is certainly a change in her position - was an additional decisive factor in helping to re-elect her. Now that she has publicly committed herself to a position of full cash value assessments (which if she had done to you she could have prevented her suspension in the first place), and now that she has been re-elected by an overwhelming vote of the people, I feel that it is my duty to recommend to you publicly that she be immediately reinstated so that our government can be truly representative of the people's expressed will.

Richard E. McCanna, whom you appointed and who stepped in to do a job for the people of this county, deserves the gratitude and appreciation of every citizen of this county. One thing is sure, and that is that McCanna had nothing whatsoever to do with the suspension and to those other men that I know of - John Courier, who was contacted by me; Bert Hollingsworth, a CPA of Sanford who was contacted by me; and David Gatchel, then a County Commissioner who was suggested by Senator Stenstrom - were possible appointees to the job. McCanna in the end received the unanimous vote of your local committee, the entire legislative delegation and the entire County Commission. He has served with credit and distinction and served at a time when no one else would or could and one thing of his accomplishment is certain: that through the fine job that he did do, a high level of assessment and a fair level of assessment was endorsed by the great majority of candidates for local office, including his opponent Mrs. Walker herself. I am proud to say that I voted for Richard E. McCanna in appreciation for the fine job that I feel he has done and the service he has rendered to the people of Seminole County.

I realize that normally suspensions must await the end of a term or Senate confirmation of your action. It is obvious that in following either of these courses unnecessary time and expense occurs without benefit to anyone. As I said previously, I feel the fact that Mrs. Walker has publicly committed to the lawful and high level of assessment is assurance enough that the suspension of her mind and the fact that she has been re-elected here in my opinion makes this departure from normal procedure a proper course of action to follow. I am hopeful that this can be done.

By sending this telegram to you I am releasing to the local newspaper a copy of same. I shall appreciate your favorable reply at your earliest convenience.

CHEERS GREETED Mrs. Mary Earle Walker, left, Tuesday night as she piled up a commanding lead in the Tax Assessor's race in the Democratic primary. Mrs. Walker captured all 16 precincts in her bid for re-election. Miss Rebecca Stevens is shown congratulating Mrs. Walker after the final returns were in. (Herald Photo)

Four County Board Runoffs Set May 24

County Commission candidates will have to start campaigning all over again now.

Four commission race runoffs will be held May 24 with T. V. Brown facing J. C. Hutchison in District 1; J. D. Cordell and Ted Williams, District 2; James P. Avery and Lawrence Swofford, District 3 and Homer Little and John Fitzpatrick, District 4.

In the District 1 race, Hutchison was high man with 2,833 votes, with Brown running a close second and polling 2,472 votes. Third man in the race, Donald J. Bales, polled 1,184 votes.

Hutchison took nine precincts while Brown took seven. However, Brown proved strong in the Sanford precincts.

In District 2, Williams, who during the campaign had said he would not even issue vote cards because he was unlucky at the polls, pulled the largest vote tally with 2,999 votes as compared to Cordell's 2,010. J. H. Van Hoy, who was appointed county commissioner from the district two months ago, polled 1,166 votes.

Williams took the majority of the precincts and Cordell came up strong in the three Sanford precincts.

In the most hotly contested race, incumbent Lawrence Swofford was high man in District 3, polling 1,596 votes. Swofford dominated the Sanford precincts while his closest opponent, Avery, who polled 1,513 votes, proved strong in the county.

Otis Fouracre was third with 1,374 votes followed by A. R. Lormann, 1,369 and Edward Zimmerman, 979.

In District 4, incumbent Homer Little polled the largest vote, 2,386, to Fitzpatrick's 2,334. George Ball polled 1,643 votes.

During the early returns, Fitzpatrick trailed Little by a big majority but pulled up strong in the large Sanford precincts. Fitzpatrick led by 684 votes to Little's 587 in Precinct 2.

Little pulled away to early lead in the Chululota, Geneva, Altamonte Springs and Oviedo precincts.

Bryant, Carlton Make Runoff; Senator Leads In Primary Vote

MIAMI (UPI)—A Harvard lawyer noted for his oratory and a young rancher whose father was governor will fight it out May 24 in a Democratic primary runoff for governor of Florida.

Farris Bryant of Ocala, 41, and Doye E. Carlton Jr., 37, will start off almost neck-and-neck in first primary returns as they scramble for the votes of the eight best candidates.

Carlton regained the lead over Bryant in the race as late returns came in.

With 1,849 of the state's 1,971 precincts reported unofficially, Carlton led the first primary with 178,002 votes to 177,589 for Bryant.

The lead had shifted between the candidates at least three times during the counting late Tuesday and early today.

Farris Bryant polled the largest vote in the gubernatorial race in Seminole County, followed by Doyle Carlton and John McCarty. Bryant got 2,307 votes, Carlton had 1,707 and McCarty rolled up 1,597.

Hayden Burns was fourth with 1,182 in fifth place was Ted David, 878, then Fred Dickinson, 684.

George Downs, 108; Harvin Belsler, 106; Bill Hendrix, 40 and Jim McCorvey, 38.

Jacksonville Mayor Hayden Burns ran a surprisingly strong third with 135,333 votes and at one time late Tuesday was within 900 votes of catching Carlton.

Biggest prizes in the runoff campaign will be John McCarty's 35,199 vote in Dade County, Hayden Burns' 45,851 vote in Duval, and Ted David's 21,927 vote in Dade.

David, the most liberal on the

race issue in the field, announced he would campaign actively for Carlton in the runoff. David got a state total of 77,828.

Burns was to head Wednesday morning refusing to concede he was out of the race and said it would be inappropriate for him to announce who he will support in the runoff.

McCarty, who ran fourth with 122,778 votes, also turned out without saying who he might support. Dickinson, who polled 104,083 did the same.

Other vote prizes for the two runoff candidates will be Burns' 21,006 in Dade and 16,039 in Hillsborough; David's 16,404 in Broward, and Dickinson's 21,804 in Palm Beach and 11,588 in Dade.

But Bryant would run strong in rural areas and northwest Florida as he did Tuesday. Among others, he carried Alachua, Jackson, Lake and Manatee. He also carried counties with some of Florida's larger cities, including Escambia, Orange, Pinellas, and Volusia.

He ran well in Hillsborough County although Carlton carried that county 24,723 to 16,089.

Significant runoff carried 30 counties—most of them rural—while Carlton carried only 11—most of them big.

Burns carried eight counties, Dickinson six, Harvin Belsler six and John McCarty five. David won only Broward, Bill Hendrix, George Downs and Jim McCorvey failed to carry a county.

The counties Carlton carried were Collier, Dade, DeSoto, Glades, Hardee, Highlands, Hillsborough, Indian River, Leon, Polk and St. Johns.

Florida's Republican voters nominated George Peterson of Fort Lauderdale for governor over Emerson Rupert of St. Petersburg, but Democratic nomination for governor is good as election in Florida.

Conner, Hancock Runoff Set; Green Renominated

MIAMI (UPI)—State Treasurer J. Edwin Larson and Comptroller Ray Green won re-nomination in Tuesday's Democratic primary, but it will take runoffs to fill the seats of retiring Secretary of State R. A. Gray and late Agriculture Commissioner Nathan Mayo.

Doyle Conner of Starke and W. R. Hancock, who spread-eagled a six-man field, will duel for Mayo's old office.

State Sen. Tom Adams of Orange Park rolled up a one-sided lead in the first primary, but was forced into a runoff by Jess Yarborough of Miami for the post being vacated by Gray.

In other state-wide races: Edwin Mason of Miami and Jim Blanton of St. Petersburg outdistanced Harry Arkus of Tampa to win runoff spots for a seat on the Railroad and Public Utilities Commission.

In a contest for judge of the Veterans Supreme Court Justice Glenn Terrell won handily over Miami attorney Charles Bodner in his re-nomination bid.

In a contest for judge of the First District Court of Appeals, Donald K. Carroll of Tallahassee won with comparative ease over Robert Bell of Jacksonville.

With 1,777 precincts reported in the aggregate race, Conner polled 245,232 votes to 198,775 for Hancock. Third was Loran Carlton with 61,467.

Adams rolled up 185,142 votes in the secretary of state's race. Yarborough trailed with 113,840 votes.

Larson, state treasurer since 1946, piled up 327,109 votes. Far back were Al Cahill, 88,518; Ernest Collins, 63,578; and W. O. Murrell Jr., 30,325.

Green piled up a 424,142 to 121,142.

079 lead over his only opponent, J. L. Lee of Live Oak.

Seminole Endorses Parrish As Senator From 37th District

Seminole County voters by a 2-1 majority, endorsed Bernard Parrish of Titusville to represent them as senator from the 37th District.

Parrish polled 4,978 votes to Gary Bennett's 1,884. Parrish took all 16 precincts by at least a 2-1 majority.

Broward County newspapers reported that Parrish also got nearly a two to one victory in his home county.

Parrish led in all but four small precincts in Broward's 41 voting areas in gaining an 8,136 total to 4,307 for Bennett, they reported.

Florida's Republican voters nominated George Peterson of Fort Lauderdale for governor over Emerson Rupert of St. Petersburg, but Democratic nomination for governor is good as election in Florida.

TV Networks Get Probe Warning

WASHINGTON (UPI)—House payola investigators left a broad hint to the television networks today to improve their programming or become the possible target of a congressional inquiry.

Rep. William H. Springer (R-Ill.) served notice before the subcommittee completed its public hearings on payola Tuesday that he, under one, intended to press for an investigation into TV programming if the quality of shows isn't improved.

Springer said his mail indicated the people back home were more concerned about this than they were about rigged quiz shows or payola - a report which came other subcommittee members also have made.

Beckwith Wins Race For Clerk

Arthur Beckwith, taking 15 of the 16 precincts in the county Democratic primary, was elected clerk of the Circuit Court.

Beckwith defeated incumbent David Gatchel with an unofficial vote tally of 4,108 to 3,469.

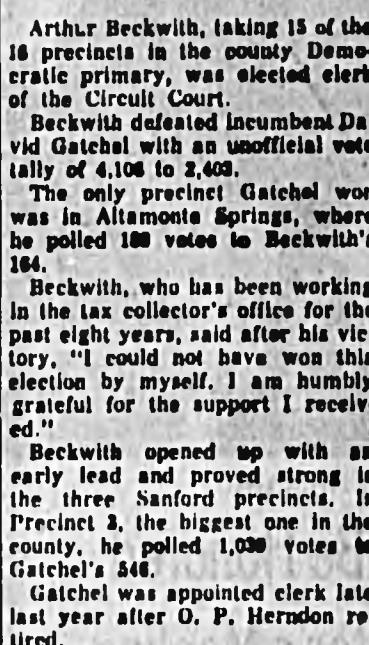

The only precinct Gatchel won was in Altamonte Springs, where he polled 188 votes to Beckwith's 184.

Beckwith, who has been working in the tax collector's office for the past eight years, said after his victory, "I could not have won this election by myself. I am humbly grateful for the support I received."

Beckwith opened up with an early lead and proved strong in the three Sanford precincts. In Precinct 2, the biggest one in the county, he polled 1,030 votes to Gatchel's 548.

Gatchel was appointed clerk late last year after O. P. Herndon retired.

GOP Hails Nixon's Win In Indiana

By United Press International
Republicans today hailed Vice President Richard M. Nixon's showing against Sen. John F. Kennedy (D-Mass.) in Indiana's presidential "popularity contest" as a great omen victory which foreshadowed GOP success in November.

Returns from all but a few hundred of the 4,290 precincts gave Nixon 368,248 votes and Kennedy 231,117 in Tuesday's primary. The candidates were without major opposition in their separate races.

The Massachusetts Democrat, who made four campaign swings through the state, had predicted in advance he would pile up the most votes, Nixon, who did no campaigning in Indiana, had forecast he would trail.

Ike May Call Congress Back

WASHINGTON (UPI)—Rep. Joel Brothill (R-N.Y.) said today President Eisenhower is thinking about calling Congress into special session if the House and Senate slash his foreign aid program substantially.

Brothill made the statement after he and 16 other Republican congressmen had breakfast with the President at the White House.

Brothill said the President made no specific threat but that he got the "definite impression" that Eisenhower would call Congress back into session if the mutual security program is materially cut. The present session is expected to adjourn in time for the July convention.

"I had the feeling that if we did not go along with his mutual security program, there was danger of being called back into special session," Brothill told reporters.

Hobby, Bruce Re-elected Mann Gets School Post

Voters returned Sheriff J. L. Hobby to office in the primary after a close race with J. Q. (Slim) Galloway.

Galloway, showing strength in many of the bigger precincts, took two of the three Sanford precincts. However, Hobby finally got 4,633 votes to 3,697 for Galloway.

Mrs. Camilla Bruce seeking re-election as supervisor of registration, grabbed the biggest vote majority of all candidates in the primary when she swamped Mrs. Kathleen Reynolds by a 5-1 vote. Mrs. Bruce got 3,149 votes, compared to Mrs. Reynolds' 1,190.

Roy Mann won handily over Ray Slaton for the school board from District 2. Mann collected 3,382 votes to Slaton's 1,904.

In the justice of the peace race in District 2, Thomas G. Moon defeated Phillip M. Packard, 426 votes to 280.

In the four-man race for the justice of the peace District 6, Elmer Ashley got 622 votes to L. L. Cox, 336; John Nettleton, 335 and Homer Sewel, 304.

In the constable's race in District 6, Grady Hall rolled up 1,156 votes compared to W. D. Bridge's 523 and Frank Lucey's 184.

Official Canvass Of Vote Underway

The election board met today to tabulate 377 absentee ballots and to make the official canvass of Tuesday's primary.

The complete official tabulation by precinct will be published in Thursday's Herald.

Dear Abby:

By Abigail Van Buren

DEAR ABBY: In a fit of depression I told my sister-in-law a lot of personal things that were troubling me. Now I wish I had kept my mouth shut. There were other people involved (men); some are in the family and some are not.

My sister-in-law is not exactly a gossip but occasionally she lets things "allip out." I have been worried sick over it. When I see some of my relatives or any of the people with whom she is friendly, I have the feeling that they know all about me.

My husband travels and he could just as easily work out of another city. Should I ask him to put in for a transfer?

BLABBERMOUTH

DEAR BLABBERMOUTH: Don't ask your husband to put in for a transfer unless you are prepared to give him a good reason. You would probably be wise to try to put the whole unfortunate incident out of your mind and stay where you are.

DEAR ABBY: Our 12-year-old son has taken accordion lessons for four years and is quite a good little musician. The problem is this:

When we have guests his father insists that he play for them. The boy does it willingly but if he should make a mistake, his father shouts and humiliates him until the tears fall. The guests are ill at ease and I get sick inside. My husband says if the boy practiced more he would make fewer mistakes. But I know he is frightened to death of his father. The child is ready to give up the accordion

and I don't blame him. Can you offer some helpful advice?

SYMPATHETIC MOTHER

DEAR MOTHER: There is more involved here than accordion lessons. Your husband's lack of patience and understanding is tragic. Have the accordion teacher tell Father that public criticism does more harm than good. If he can't keep quiet while the boy plays, he should either leave the room or quit asking the boy to entertain the guests.

DEAR ABBY: A person who is very close to me is now 55 years old. He was recently sent to prison for 15 years. Can he draw his Social Security while he is in prison or not?

MUST KNOW

DEAR MUST: Social Security benefits to an otherwise qualified person ARE paid while the person is a prison inmate. The checks are mailed in care of the prison. (Of course there may be prison rules with respect to disposition of checks received by inmates.)

CONFIDENTIAL TO "IN DUTCH": Someone once said, "A man is a fool to put anything in writing if he knows how to talk. And he shouldn't talk if he is able to nod or shake his head."

"What's your problem?" Write to Abby in care of this paper. For a personal reply, enclose a stamped, self-addressed envelope.

For Abby's pamphlet, "What Teenagers Want to Know," send 25c and a large, self-addressed, stamped envelope in care of this paper.

Around The Clock

The Bridge Club sponsored by the Recreation Department will meet at 7:30 p. m. Thursday at the tourist center in Ft. Mellon Park, with Mrs. Peter Schaal of Orlando directing the play.

Frank Scott, son of Mr. and Mrs. F. D. Scott, 437 Scott Ave., has been placed on the Dean's List at the Baylor School, Chattanooga, Tenn., for scholastic achievement, the school announced.

The officers and men of VAH-8 will have a buffet-dance Friday at the NAS ballroom to honor all "Hoot Owls" past and present, who have shared the preparing of the squadron for readiness. Chief Bob Drayton is making arrangements for food and entertainment, which he said will be "outstanding."

William Chesser Dies At Age 50

William Owen Chesser, 50, of Sanford died Sunday at Bethesda Naval Hospital.

He is survived by his wife, Wainetta Virginia Chesser; three daughters, George Williams, Fayley, Chesser Fayley and William Owen Chesser Jr.; three sisters, Mrs. Ida Robinson, Mrs. Anna Nelson, and Mrs. Mary Johnson; three daughters, Mrs. B. Johnson, Mrs. W. Faye and Mrs. Tuguia Lee. Funeral services will be held 2 p. m. Saturday. Gramkow Funeral Home is in charge of arrangements.

Balloon Orbit Test Thursday

CAPE CANAVERAL, Fla. (UPI) — An attempt to place a 100-foot balloon into orbit around the earth to provide a bounce-off surface for communications signals will be made Thursday by the Civilian Space Agency.

The inflatable sphere will be the largest of the earth's man-made satellites and the first such object to be placed in orbit, if all goes as planned.

The three-stage Delta rocket, which also will be making its space debut, is expected to carry the aluminum-coated plastic balloon aloft. The experiment will be carried out by the National Aeronautics and Space Administration which plans to put the communications satellite into a circular orbit, 1,000 miles from the earth.

The launching will be the first in a series known as "Project Echo," which is designed to investigate the possibility of using satellites to set up a global communications system. A vapor-deposited aluminum shell surrounding the sphere is designed to reflect up to 98 percent of radio waves beamed against it.

Chuluota Library Now Open To Public

The Chuluota Women's Club opened the library last month. It is located in the Community Club Building and is open every Monday from 2 until 4 p. m., and Monday evening from 7 to 9 p. m.

Books can be borrowed for two weeks without charge. There are about 1,000 books to choose from including excellent reference volumes, fiction, mysteries, classics and stories for children and adults. Members of the CWC are operating the library on a voluntary basis and the committee is hoping that residents of Chuluota will avail themselves of the opportunity being given to them.

End To Prejudice Urged By Board

ST. PAUL, Minn. (UPI) — The Minnesota Governor's Human Rights Commission Tuesday urged an end to "discrimination, prejudice and segregation" in southern outlets of the Woolworth, Kresge and Grant stores.

The commission made its request in letters to Minneapolis district managers of the three firms.

"We have noted with interest and sympathy the attempts of Negroes in the south to attain equality of service and opportunity now accorded other citizens," the commission's letter said.

The commission commended the stores for "adherence to a democratic policy of service" in Minnesota. "We feel saddened, however, to learn that this policy is not being followed in your stores in some of the other sections of the nation and that humiliation, rejection and instances of discrimination have resulted," the commission said.

South's Chronic Unemployment Areas To Get Aid From Government

WASHINGTON (UPI) — Four large cities and 20 smaller areas in the South, plagued by chronic unemployment, would get federal aid under the area redevelopment bill being considered today by the House.

The bill would provide \$251,000,000 in loans and grants to depressed areas, including the ones in the South.

It is more lenient than a measure passed by the Senate, which would not have included any of the four major areas and only six of the smaller ones.

The Senate version would provide aid to Florence-Sheffield and Jasper in Alabama, Fayetteville and Rockingham-Hamlet in North Carolina; LaFollette-Jellico-Tazewell in Tennessee and Big Stone Gap-Appalachia in Virginia. The House Banking Committee took this bill, changed the qualifications, and enlarged the proposal to include many more major and smaller areas. Under the committee version, Birmingham, Ala., Durham, N. C., Chattanooga, Tenn., and Roanoke, Va., would get aid. In addition to the smaller areas in the Senate version, these communities will also get aid: Anniston, Gadsden and Talladega, Ala.; Toxco, Ga.; Opelousas, La.; Biloxi-Gulport, Miss.; Hendersonville, Lambert, M. Ala.; Rutherfordton - Forest City, and Shelby - Kings Mountain, N. C.; Bristol - Johnson City - Kingsport, Tenn.; and Radford-Pulaski, Richlands-Bluefield in Virginia.

West Gets Solid NATO Backings

ISTANBUL, Turkey (UPI) — The United States, Britain and France won solid backing from the other 15 members of NATO for their summit approach to Russian disarmament, Germany and Berlin, informed sources said today.

The foreign ministers conference of the Atlantic alliance was expected to reflect this in a communique today on two days of talks.

It will give President Eisenhower's Prime Minister Harold Macmillan and President Charles De Gaulle a strong position when they meet Premier Nikita S. Khrushchev in Paris in 11 days.

Authoritative sources said Tuesday night the United States told its allies here there is a better chance for real progress this time than at the last summit meeting in 1957, mainly because Russia now has just as big a stake as the West in disarmament.

Secretary of State Christian A. Herter, who leaves for Athens this afternoon for talks with Greek government officials, made another strong plea Tuesday night for long-range planning to meet the problems of the coming 30 years. The United States first proposed this last December.

'Colorful' Sanford History Recalled At Lions Club

Whoever thinks Sanford is a staid little river town just hasn't taken note of its colorful past.

Sanford once had a mayor who wrestled his pet bear to entertain guests, a few spectacular fires, and the distinction of being the only "dry" town in Florida in 1877.

The bear wrestler was Mayor A. Robbins, a political figure of the early 1900's. The fires hit on the land and on the water. The biggest one in the town's history burned everything between Magnolia and Sanford Aves. and First and Second Sts. on Sept. 11, 1887.

Some sour grapes may have gone up in smoke since the fire followed a "wet" versus "dry" election in which Sanford voted to stay "dry."

These and other interesting facts about the "city of gracious living" were presented by a lifelong Sanford resident at the Lions Club meeting Tuesday.

Ed Lane, who was born here in 1891, told a few of his memories of Sanford, plus some local history that happened before his time.

The fire on the water happened when the steamboat "Starlight" went up in flames near the shore of Lake Monroe. It was cut loose, drifted into the center of the lake, and sank. There was good fishing near the old "Starlight" for a long time, Lane said.

Steamboats used to come to Mel-

lonville before Sanford existed. The "Osceola" was 168 feet long with a 500 ton displacement. It accommodated 150 passengers and piled the St. John's daily between Sanford and Jacksonville.

After the boats came the trains. An excursion train ran from Sanford to Orlando in 1880. Sometimes the passengers had to get off their fatcar seats to push the train up the steeper hills. At one time, 70 percent of Sanford's citizens were railroad people, Lane said. A ride to Orlando used to take an hour and 40 minutes. The Atlantic Coast Line bought out the old Plant Investment Company's railroad here in 1902.

The First Presbyterian Church came here in 1870 and still has the first church bell to be rung in Orange County. Sanford was part of Orange County until 1913. The

Cemetery Bars Chessman Ashes

GLENDALE, Calif. (UPI) — Caryl Chessman was denied the society of free men for the last 12 years of his life. Today his ashes, were barred from the cemetery where his mother is entombed.

Forest Lawn Memorial Park Tuesday night refused the remains of the executed convict-author on the ground that he was an agnostic and had expressed himself in life as unrepentant.

The action by officials of the cemetery where many movie stars are buried touched off a storm of protest, including a threat by one of Chessman's attorneys to take the case to court.

A. L. Williams, general for the American Civil Liberties Union of Southern California and one of the attorneys who helped Chessman elude his death sentence for 12 years until his execution Monday, said:

"I shall recommend to Rosalie Asher, executor of Chessman's estate, that a writ of mandamus be filed in the Los Angeles Superior Court requiring Forest Lawn to receive Chessman's ashes for entombment and enjoining Forest Lawn from carrying out its threatened discrimination."

Harry M. Williams, owner of the San Rafael, Calif., mortuary where Chessman's remains were cremated Tuesday, said he was shocked by the cemetery's action. "This man has paid his debt," said Williams. "Who are they to judge him now?"

Chessman had made arrangements for his cremation and entombment with Williams before he was executed in San Quentin's gas chamber Monday on his conviction of 17 felonies in Los Angeles, including kidnapping, robbery and rape.

Kangaroo Meat That 'Wound Up' In Sausage Has Everybody Hopping

WASHINGTON (UPI)—The kangaroo meat that wound up in the sausage has some Americans hopping.

But the Australians — who eat only the tails — find it a laughing matter.

Two Pennsylvania state officials charged Tuesday that thousands of pounds of kangaroo meat, designated as baby mink food, actually "found their way into the hands of sausage manufacturers and into the stomachs of unsuspecting citizens in Pennsylvania and elsewhere."

The meat couldn't have upset those stomachs, according to an agricultural expert at the Australian Embassy here, because the kangaroo is immune to most animal diseases. But, he noted, a

kangaroo is not a prime Texas steer, if you get what he means. "I don't know how much you know about the kangaroo," he said. "I mean how he gets around. He's a pretty athletic sort of fellow. You might say he's all muscle. He's a stringy sort of beast."

which could explain why the Aussies don't eat the kangaroo. But they do use the tails in a delicacy called kangaroo tail soup. The embassy said only a few tons of kangaroo meat were shipped to the United States each year for pet food. The embassy has meat statistical tables showing the exact amount of beef, mutton and lamb shipped here. But the kangaroo is lumped under the heading "remainder."

Pennsylvania Atty. Gen. Anne X. Alpera and state Agriculture Secretary William L. Henning charged that three Pittsburgh firms operating as The Illinois Beef and Provision Co. sold more than 22,000 pounds of kangaroo meat to sausage makers for human consumption.

State Agriculture Department tests were reported to have indicated an extremely high bacteria count in some of the meat. The officials said kangaroo meat was not included in the definition of meat in the Pennsylvania, meat hygiene law.

SUCH EXCITEMENT IN SANFORD LAST NIGHT! And most of it took place at spirited election parties. One such party—called a "listening party"—was the home of Carolyn and Gordon Stanley. They furnished a big blackboard to keep track of state and local returns—and, of course, every one huddled around the TV and radio. Coming and going during the evening were Sylvia and Howard McNulty, Helen and Gene Tucker, Nancy and John Morgan, "Boo" and Fred Ganas, Doris and John Burdick, Laura and Vann Parker, Caroline and Ben Wiggins, Laura and Andy Bracken, Susan and Bill White, Mary and Harry Maheny, "Lucky" and Al Payne, Dotie and Bob Karns, Sally and "Crusty" Rosemond, Shirley and Carl Schilke, Winona and Bobby Newman.

Farewells will be said to the Lopers by the Castle Memorial Class of the First Methodist Church on Thursday, the 12th, in McKinley Hall—at this time the class will have a family-style potluck supper with the Loper family as honored guests.

Another informal gathering Saturday night was a party and steak cook-out at the home of Ken and John Ivey—their guests were Ty and "Jig" Ramage, Cloe and Lou Edwards, Barbara and Ken Rowell, Jane and Cliff McKibbin and Creala and Earl Higginbotham. Since Captain Edwards had just observed a birthday on Friday the Iveys surprised him with a cake and everyone joined in singing the traditional birthday greeting.

TEENAGER MENUS
What would you choose if you were asked to make up a meal which almost any teenager would consider ideal? You wouldn't be far off the track if you were to pick hot dogs or hamburgers with potato chips followed by pie or ice cream for dessert. Those are the top choices of youngsters from eight to 18 years reported in the 1960 National Children's Preference Study of the American Hobby Federation, a non-profit educational organization.

What you probably would not think to include would be some things like spinach or carrots. Yet most of the youngsters rated them second and third on their list. These findings show that young people can be credited with more nutritional sense than is usually accorded them.

How To Be A Good Clothing Buyer

Are you getting the greatest satisfaction and value from the money you spend on clothing for the family?

Now is a good time to take stock of your family's clothing. It is not necessary to spend a lot of money for clothing in order to be well dressed, but the important thing is to plan and choose clothing wisely. Here are some suggestions for you to consider:

Plan carefully for the year's expenditures so that each member of the family will get his share of the clothing dollar.

Make clothing on hand do for a longer period of time through prompt attention to repair and other good care.

Buy only the essential items needed for growing children and other family members.

Select new garments carefully in relation to clothing on hand in terms of color, type and style.

Buy basic, classic fashions that will stay in style a longer length of time and which can go many places.

Ask for complete information concerning the wear and care of the article before you buy it. Informative labels will help you get this information accurately.

Let your retailer know when an article of clothing fails to live up to your expectations. Both retailer and manufacturer will welcome your reactions to their products, since they have no way of knowing how their goods stand up in use unless you tell them.

Administration Comes Up With Medical Aid Plan

WASHINGTON (UPI) — The administration, which has turned thumbs down on Democratic proposals, came up today with its own plan for subsidizing medical care for persons over 65.

Informed sources said the administration plan would offer most persons over 65 a chance to buy for \$24 a year hospital and nursing home insurance covering most of the cost of serious illnesses.

The provision would actually cost more than that but the federal government and the states would share the cost of the subsidy with the U. S. Treasury shelling out an estimated 600 million dollars a year.

Welfare Secretary Arthur S. Flemming was ready to unveil the plan to the House Ways & Means Committee at a closed session today.

It was the administration's answer to Democratic proposals which would add hospital insurance to benefits available under the Social Security program and raise Social Security taxes to pay for it.

The administration's action cleared the way for election-year approval by Congress of some kind of new program. But there still is no assurance any program will become law. If Congress insists on the Democratic approach, as seems likely, Eisenhower may veto the bill.

Flemming gave Republican members of the Ways & Means Committee a preview of the administration plan at a secret session at the Capitol Tuesday.

The plan, as described by informants in advance of the official unveiling by Flemming, would work as follows:

It would provide benefits for all of the 10 million Americans 65 or over except those with incomes above a specified level. Excluded would be those who file income tax returns reporting gross incomes of as much as \$2,500 a year for single persons and \$3,000 a year for married couples.

This group comprises about 8,000,000 persons.

The chance to buy protection against catastrophic illnesses for \$24 a year would be offered to persons who have less income than that but who are not so impoverished that they are on public relief. There are nearly 30 million persons in this group.

The plan would provide additional federal assistance to the states to provide care for the 1,700,000 persons on state-operated relief rolls. They would not pay anything for the protection.

The federal government's share of the costs would be paid directly to the states. The states could operate their own programs—with the federal government and the individual sharing in the cost. Or they could arrange for re-insurance with private firms.

The benefits would include hospitalization, nursing home care and visits by nurses to private homes. The individual buying the insurance would be required to pay (1) the entire cost of the initial days of treatment; (2) a portion of the cost of the remaining days of medical care.

Government subsidies would cover the largest percentage of the cost of up to 100 days hospitalization, 60 days of nursing care, needed dental and surgical benefits and up to 50% of the cost of prescribed drugs.

Ike's Program Appears Doomed To Failure

WASHINGTON (UPI)—Chances appeared dim today that President Eisenhower would get what he wants from Congress this year.

Congressional Democrats, stung by Eisenhower's special message Tuesday calling on them to put aside election-year temptations to overspend, hurled the charge of politics back at the President.

Speaker Sam Rayburn (D-Tex.) said the message sounded "like the Republican platform."

Senate Democratic Leader Lyndon B. Johnson (Tex.) said it was the job of Congress to exercise its "collective judgment as to the measures that should be passed in the public interest."

He said Congress was "proceeding in good order" to do just that.

With the battlelines drawn for the remainder of the session, here is the outlook for the main items on Eisenhower's legislative program:

Help for Chronic Unemployment Areas: Eisenhower said this needed "priority attention" but indicated he still opposed a Senate-passed Democratic plan. Prospects are that Congress will challenge the President to a veto in this field.

School Construction: The President again urged Congress to approve his plan for federal help in bond-financing and reiterated his opposition to a Senate-passed Democratic plan for outright grants. Democrats are confident they can push a scaled-down version through Congress.

Boosting the \$1.00-an-hour Minimum Wage: Pro-labor Democrats concede they must scale down labor's demand for \$1.25 if they are to send any legislation to the White House. Labor Secretary James P. Mitchell has suggested \$1.10 to \$1.15.

Farm Legislation: The President asked Congress to ease federal controls, but offered no specific solution. The House Agriculture Committee is working on a Democratic plan which is certain to draw a veto, if it gets to the White House.

High Gas Taxes and Postage Rates: Nobody expects the election-year Congress to pass this legislation.

Foreign Aid: The President urged Congress not to cut his \$4,175,000,000 program. Congress is certain to cut it, perhaps by one billion dollars or more.

Sanford Win Streak Ends

By JERRY COVINGTON

The red hot Sanford Greyhounds were cooled Tuesday night by the Leesburg Orioles after winning the straight.

The Orioles took a 6-0 lead and held it until the sixth inning when the Greyhounds pushed across two runs, but that was where the contest ended. Leesburg won, 6-2.

Jim Dunlap started for the Orioles and struck out 12 Greyhounds batters in six innings before he was removed because of a blister on his throwing hand. He allowed the first six Greyhound batters to face him.

Manager Bobbie Robertson used three pitchers starting with big Jim Postlewiec, and following with Forest Bailey, and Floyd Lippold.

Tonight the Greyhounds return home after a successful road trip where they defeated Tampa twice and fell to the Orioles. This defeat marked the first loss for the team on the road this season.

Tonight Robertson will probably go with ace righthander Ken Sanders against the Orioles. Sanders has a record of 2-1 and defeated the Orioles in the season opener.

In the past few games the hitting and pitching of the Greyhounds has been terrific. Every man in the lineup has been banging the ball with great ability and the pitching has been practically untouchable. The eight game win streak was the longest by a Sanford team in many years. Their record for the season is 10-4 and they are in first place by a small margin over Palatka.

Thursday the locals travel to Palatka and then return home again Friday night where they will face the Reds. These are the two big games for the week as these two hard hitting clubs will be battling for the top in the FSL.

A large crowd is expected to be on hand to greet the Greyhounds as they return home. After last year the local fans all said that they had to be shown and now the Greyhounds have done it. They have the most solid pitching staff in the league and with the power in the lineup they should be right there all the way.

A FISHERMAN'S dream is proudly displayed in Marathon, Fla., by Mrs. Lucille Plotz, of Brooklyn, N. Y., as she weighs a new world's record tarpon for women. With the aid of Capt. Johnny Brantner, Mrs. Plotz landed the 177-pound fish near Marathon.

Johnson Favored in Bout Tonight

PHILADELPHIA (UPI)—Harold Johnson of Philadelphia, top-ranked light heavyweight contender, will be seeking his 12th straight victory tonight when he meets Clarence (Tiger) Floyd in a 10-round nationally-broadcast fight.

Floyd is a 2-1 underdog, but he is favored because it gives him the chance to score the upset of the season.

The New York truck driver backs into the ranks of the contenders for the first time after scoring a surprise upset over Freddy's substitute Van Gray of Philadelphia here two months ago. Floyd hopes to make it two upsets in a row.

But in Johnson, Floyd will meet the most formidable test of his career. The 35-year-old power-puncher has scored 25 opponents in the course of a 28-3 career and is believed by one and all in his division.

Seminoles Rip Leesburg, 8-4

Behind the brilliant pitching of Ray Landquist and hitting of George Perdue, the Seminole High Schoolers rolled over Leesburg, 8-4 here Tuesday night.

Landquist scattered eight hits while Perdue batted out three runs for four times at bat.

The victory gives the Seminole 6-3 record in OBC play.

In Little League play Tuesday, they defeated First Federal 4-3 and in Babe Ruth League action, Ocala knocked off Rotary, 7-1.

ERGAS LEPS of Michigan University finishes all alone as his team wins the college distance medley championship of America at Penn Relays in Philadelphia. Leps, a Canadian-born Lithuanian, helped his team win with a 9:56.8 time. Duke University was second and Georgetown won third place.

Collins Begins Week Of Rest After Winning Houston Tourney

HOUSTON, Tex. (UPI)—Brewery Bill Collins began a "week of rest" today with \$2,000 prize money from the Houston Classic golf tournament and the knowledge he has just become a member of a very exclusive club.

When he won the \$25,000 classic in a special 18-hole playoff, Collins became one of the few golf pros to beat Masters champion Arnold Palmer this year.

Collins, a husky, 210-pound ex-marine from Crystal River had won only one major PGA tournament in his career—last year's New Orleans Open. But Palmer had been winning them right and left this year—so many that he is the biggest early-season money winner of all time.

His second-place win Tuesday totaled \$3,400. They fattened his already impressive bankroll to \$47,897.57.

Collins fired a three-under-par 24-24-29 Tuesday to win the big slice of the Houston money and edge Palmer by two strokes. Palmer, who plays out of Ligonier, Pa., turned the front nine even with Collins, but bogged the 12th hole when he missed a five-foot putt.

Beau Purple Cops Pre-Derby Trial

LOUISVILLE, Ky. (UPI)—With the preliminary tests all over and the big race only four days away, the field for the \$100,000 added Kentucky Derby had 15 certain starters today with the chance that several others still may join them.

Beau Purple's brilliant victory in last year's race has made him a household name. He was the favorite in the Derby trial at Churchill Downs Tuesday.

Encouraged several owners and trainers from starting horses in almost a greatest riding spectacle, which annually draws the attention of the entire country.

That triumph threw trained Jimmy Jones of Calumet Farm into a quandary, for he had three horses trail Beau Purple across the finish line, and it gave pause to Jimmy Fitz, who trains one of the favorites in Billy Arda.

Trainer, owned by C. V. Whitely, remained the solid favorite with a chance that the winner of the Santa Anita Derby and the San Geronimo would be an odds on choice at post time.

Whitely himself is the strongest favorite since Native Dancer started at 1-10 odds to win the last edition of his career in the first of the triple crown classic by Dutch Icarus in 1923. Nevertheless, in addition to Billy Arda and Beau Purple, Vanston Gray, Victoria Park, Green Country, Ray Gray, Tennessee, Country Club, Kentucky, Kentucky, Green, and Kentucky are all in the race.

Dodger Hurler Craig Injured

LOS ANGELES (UPI)—With a sigh of regret over the loss of pitcher Roger Craig, Manager Walt Alton of the world's champion Los Angeles Dodgers today said he would seek another starter from his present pitching corps.

Craig suffered a fractured collar bone when he pitched over at the plate in a rundown play as he tagged Cincinnati outfielder Vada Pinson Monday night.

The injury, at first believed only a bruise, was found to be a fracture when Dr. Robert Kevian, team orthopedic surgeon, studied X-rays of the shoulder.

Star Signs

TORONTO (UPI)—Jim Davis, guard and captain of the 1929 University of California basketball team, has been signed by the Toronto Argonauts. He is the second 1929 United States import.

Pierce Hurls Sox Into First Place In AL

United Press International

That's right, the experts were wrong again.

The little fellow they thought might be washed up has turned out to be the strong man of the Chicago White Sox' pitching staff.

Billy Pierce, all of 165 pounds when holding the 24-ounce baseball, was rated a definite question mark this spring because of his 14-15 1929 record and the fact he was pretty much ignored in the World Series. But he's turned in two of the three complete games achieved by the White Sox' staff this season and is the only starter with a winning record.

The 33-year-old left-hander, picked on his favorite cousin Tuesday night when he pitched the White Sox into sole possession of first place in the American League by beating the Baltimore Orioles, 5-3. It was his second straight complete game and made his career mark against Baltimore.

The New York Yankees moved into second place with a 10-3 rout of the Detroit Tigers, the Washington Senators beat the Cleveland Indians, 7-6, and dropped them into third place and the Boston Red Sox topped the Kansas City Athletics, 12-0, in other American League games.

In the National League's only action, the Cincinnati Reds scored a 5-3 victory over the Los Angeles Dodgers and the Philadelphia Phillies ended a six-game losing streak with a 10-9 win over the Chicago Cubs.

Pierce allowed 10 hits but he struck out six and did not walk a batter as he protected an early 4-0 lead. The White Sox took advantage of an error by shortstop Ron Hansen to score two unassisted runs off rookie Steve Yast in the second inning and added two more in the third on doubles by Nelson Fox and Minnie Minoso and Roy Sievers' single.

Three singles and a sacrifice fly by the Orioles two runs in the fourth and Hansen homered in the fifth but Pierce shut out Baltimore the rest of the way. Jim Landis had three hits and Fox, Sievers and Luis Aparicio two each to lead the White Sox' 12-hit attack.

Moose Skowron and Kent Hadley hit two-run homers and Roger Maris hit a solo homer to lead a 14-hit Yankee attack that also included doubles by Skowron and Kent Hunt and a triple by Gil McDougald. Ed Dittmar, who pitched the second through the sixth innings, won his first game. The loss was the seventh in a row for the Tigers.

Lenny Green singled home the winning run in the ninth inning for the Senators, who played their seventh straight one-run game. Tito Francona, who entered the game as a pinch-hitter in the third inning, contributed to four scoring innings for the Indians with a sacrifice fly, two doubles and a single.

Bill Monbouquette gained his second victory for the Red Sox when first baseman Norm Siebers' 10th-inning error enabled Don Buddis to score the winning run. Bob Cerv homered for Kansas City.

Frank Robinson hit a two-run homer and Dutch Dotterer drove in two runs with a homer and a double to lead the Reds' attack while Don Demeter's two homers and a double accounted for all Los Angeles' runs. The game was tied 1-1 in the sixth inning when Tommas drove in four runs with two homers for Chicago.

Ken Walters' ninth-inning homer, his third hit of the game, proved the decisive run for the Phillies, who overcame an early 3-0 Cub lead. Bobby Del Greco, Frank Herrera and Wally Post had two hits each for Philadelphia and Phil Thomas drove in four runs with two homers for Chicago.

TEACHING THE TEACHERS, Mrs. J. A. Kilpatrick showed Mrs. Ralph Loring how to make like a fish as the Red Cross Water Safety program got underway at Sanford's Municipal Pool Tuesday. Eighty-six mothers volunteered to help 848 youngsters learn to swim. Many of the mothers will become swimming instructors. Awaiting their turn to learn are Mrs. Bernard F. Fisher, Mrs. Frederick Burton, Mrs. Michael Teal, and Mrs. Raymond Rayns. Mrs. Nanette Jones and Mrs. Kilpatrick are both water safety instructors. (Herald Photo)

Things Getting Too Tough? Try 'Depression' Salad On Menu

By DICK WEST
WASHINGTON (UPI) I have here a new recipe which I would not want to try myself but which I will gladly pass along to any adventurous chefs in the audience. The dish is called "depression salad." Under current economic conditions, I don't suppose there will be too much demand for it. But it might be a good thing to file away for future reference. One never knows.

If you don't have any chickweed growing in your lawn, I'll be happy to send you some. Last weekend, I sprayed enough chickweed to feed the entire membership of the National Geographic Society. My intention was to destroy the stuff. This was before I read in the society's news bulletin that "such common garden nuisances as purslane, chickweed and pigweed are enjoyed by many when cooked."

Operation Alert Held Over U. S.

By United Press International
Civil defense officials today tabled up the theoretical damage and casualties from a mock land and sea attack on the United States.

According to the geographic, a botanist once gave his neighbors large helpings of pigweed, identifying it as spinach. They not only ate it but came back for seconds. I can hardly wait to try this on my neighbors, particularly the ones who are always bragging about their gardens. It ought to put an end to the back fence asserting about my agricultural abilities. But, back to the recipe.

It was part of "Operation Alert 1959," a three-day civil defense test of America's readiness to respond to an enemy attack. Sirens wailed in cities across the nation Tuesday as local defense officials got warnings that imaginary enemy bombers were headed toward the United States. City streets emptied, government officials fled and radio and television stations went off the air. President Eisenhower went on the air over Comrad, the special emergency radio system. He told the country that in the case of attack "a strong civil defense... offers the best program for the saving of lives." The practice alert went off without a hitch in most cities. The State Department in Washington removed 4,000 employees in eight minutes and thousands of persons cleared out of New York's Times Square in one minute and 44 seconds. New York police arrested 25 demonstrators who refused to take cover. Milwaukee police said they found a few non-conformists on the sidewalks but made no arrests. The federal government set up an emergency headquarters somewhere in Virginia. Governors and mayors also moved to the country where temporary command posts were organized.

Now you have all the ingredients for "depression salad," which, if you can afford it, can be served with an oil and vinegar dressing. If things are really rough, you don't have to stop with the salad course. The Geographic tells us there are all sorts of ways to free-load on nature's bounty. Castles, for instance, are virtually a lunch in themselves. It also suggests chilled cat-brier sprouts, bread made of seeds of cow lilies and candied wild ginger, adding that "wild" food experts still consider the unrolled fronds of ostrich fern a treat when served on toast with a cream sauce."

Douthitt Named Church Pastor

Rev. Joe Douthitt has recently accepted a call to the Osteen Baptist Church. He and his wife Beverly, were honored at a reception and covered dish dinner at the church educational building. Mrs. Douthitt was the former Beverly Benton of Sanford, daughter of Mr. and Mrs. J. L. Benton. The Douthitts have a four-month-old daughter, Joanne.

Water Safety Program Underway

Sanford's Red Cross Water Safety Program got underway at the Municipal Pool Tuesday with 348 children registered for swimming lessons. So many children signed up for the program that registration had to be closed. Co-Director Mrs. F. D. Scott said. To get around teaching two large groups of youngsters, the swimming lessons will be given on an assembly line basis. Mothers who have volunteered to act as instructors will be posted at different stations. A child will learn one part of the swimming technique at each station. A water safety instructor will have charge of the last part on the route.

Forty-six mothers will teach the 300 youngsters registered for the morning program. Six of the mothers will be baby sitters. Others have come from 40 mothers to help with the afternoon session which has 100 children registered. Three baby sitters will be available for this session. Mrs. F. D. Scott and Mrs. Martha Kilpatrick are directing the program. "This is the first time that this method of teaching has been used in the Municipal Pool and we hope it will prove most satisfactory and prove that we can continue to use it on the beginners' level," Mrs. Scott said.

Episcopal Young Churchmen Meet

A meeting of the Episcopal Young Churchmen's organization was held at the Holy Cross Episcopal Church Sunday. Approximately 300 members of the group gathered at the regularly scheduled meeting of the Orlando Deanery at 4 p. m. for the business meeting and supper. A program on aviation survival equipment, presented by Andrew Wolfe, Parachute Rigger First Class, proved very interesting to the young people. Exposure suits, oxygen equipment, parachutes, protective helmets, and life jackets were shown and their usage explained by Petty Officer Wolfe. The program concluded at 8:30 p. m. Rev. John W. Thomas, Rector of Holy Cross Church wishes to thank the many persons who assisted in making the program an outstanding success.

Reds Shoot Down U.S. Plane

MOSCOW (UPI)—Premier Nikita Khrushchev announced today the Soviet Union shot down an American plane Sunday inside Soviet territory. He charged that the act of sending a plane into "Russia" meant there was "little hope" for the summit conference.

Speaking before the Supreme Soviet, Khrushchev accused the United States of trying to impress and frighten Russia before start of the May 16 Big Four conference in Paris. He said the United States was returning to the cold war and issued a stern warning to Washington against the "latest provocation."

President Eisenhower ordered an investigation and prompt report on the circumstances surrounding the fate of the plane.

There was no immediate direct communication from the president, either on the announcement about the plane or Khrushchev's barbed remarks about the United States.

White House Press Secretary James C. Hagerty declined comment when asked whether Khrushchev's "brilliant speech" before the Supreme Soviet parliament might lead to reexamination of plans for the summit meeting and the Eisenhower visit to Russia.

Members of the Supreme Soviet (parliament) sat in shocked silence when Khrushchev made the announcement while looking directly at U.S. Ambassador Llewellyn Thompson.

Then they jumped to their feet and roared: "Down with the aggressor! This banditry!"

Khrushchev said it was the second of two recent American violations of Soviet territory. Another plane flew over Russia on April 9, he said, but that one was not shot down.

A Lockheed U-2 extreme high altitude weather reconnaissance plane of the National Aeronautics and Space Administration disappeared over the rugged mountains of southeastern Turkey during the weekend.

The one-man plane, one of two aircraft flying over the moun-

tains at altitudes of 50,000 feet or more, was reported 80 miles from the Iranian border and 100 miles from Soviet Azerbaijan when it disappeared. U. S. search planes have been unable to find any trace.

Khrushchev commented that it was a Soviet plane that approached American territory it might be the beginning of war.

"We have no bombers on duty but we have rockets which are more accurate and more reliable than your bombers," he said.

Khrushchev said he also was considering a "most serious warning" to the countries which provide territories for the disposal of American forces—a reference to NATO and SEATO bases ringing the Soviet Union.

Hundreds Didn't Get To Vote Due To Crowded Facilities

Hundreds of persons were turned away from the polls Tuesday because there were not enough precincts and polling places in Sanford, Mrs. Castilia Bruce, supervisor of registration said today after reporting that 9,738 persons voted in the Democratic primary.

Mrs. Bruce said that in the three precincts in the Sanford area and certainly more polling places.

She added that she will ask the County Commission to study this problem in the near future.

Mrs. Bruce said that in the three Sanford precincts 5,938 persons voted and with more precincts that

figure could have been more than 6,000.

The canvassing board, consisting of County Judge Vernon Mize, County Commission Chairman John Krider and Mrs. Bruce, met for seven hours Wednesday and reported that 70 per cent of the registered voters cast their votes in the primary.

The running is not over for eight county-wide candidates who must vie for votes in the May 24 second primary, and also the justice of the peace race in District 6 and constable's race in District 4.

Mrs. Bruce said applications for absentee ballots for the second pri-

mary are being taken in the registration office and that the ballots will be available early this week.

Runoffs to be held will involve District 1 County Commission candidates T. V. Brown and J. C. Hutchison; District 2, J. D. Cordeil and Ted Williams; District 3, Lawrence Swafford and James Avery and District 5, John Fitzpatrick and Homer Little.

Elmer Ashley and Homer Sewell will square off in the peace justice race in District 6 and R. E. Carroll and G. O. Owen will tangle in the constable race in District 4.

Final official countywide returns are:

Clerk of Court: Beckwith, 4,247; Gatchel, 2,671.

Tax Assessor: McCanna, 2,283; Walker, 2,269.

Supervisor of registration: Bruce, 3,253; Reynolds, 1,211.

District 1 Commission: Donald Bates, 1,264; Brown, 2,314; Hutchison, 2,730.

District 2: Cordeil, 2,400; Van Hoy, 1,215; Williams, 3,004.

District 3: Avery, 1,580; Four-acre, 1,644; Lorman, 1,300; Swafford, 1,600; Zimmerman, 1,804.

District 4: Bell, 1,780; Fitzpatrick, 2,410; Little, 2,434.

In the peace justice race for District 6 Ashley polled 622 votes to Sewell's 355.

G. O. Owen polled 1,084 votes to R. E. Carroll's 1,885 in the District 4 constable's bidding.

The 578 absentee ballots showed the following results:

Walker, 1,100; Beckwith, 1,100.

County To Request Study Of Wekiva For Flood Aid

The County Commission will ask the U. S. Corps of Engineers for a study of the Wekiva River in the hope of alleviating flooding.

The board today authorized Attorney Mack Cleveland Jr. to ask Congressman Syd Herlong for

procedures that must be followed to get the survey started.

County Engineer Robert Davie who attended a meeting of the chief of the U. S. Army Corp of Engineers and county officials of Central Florida in Tavares, Wednesday, said that he also requested of Herlong that both the Wekiva and the Santa Fe rivers be studied by the engineers.

Davie said today that Herlong gave him the assurance that he would look into the matter.

At the meeting, the board turned back for study the acceptance of a plat for Goldie Manor subdivision between Altamonte Springs and Forest City. The board authorized zoning Director Robert T. Brown and Davie to go over the plat before recommending its acceptance.

The board also turned over to Davie plans and specifications for Danilo Estates. The board received a letter from Engineers Laddie and Bush that the developers "had departed from the original plan."

Ramage Honored By County Board

Capt. J. D. Ramage, who will be honored by the Sanford community tonight, was hailed today by the County Commission for his outstanding work while serving at the Sanford Naval Air Station.

Capt. Ramage will be the guest of honor at a dinner-meeting of the Seminole County Chamber of Commerce board of directors at 6:30 p. m. at the Civic Center.

In a resolution adopted by the board, Ramage was thanked for his public service to the community.

Ramage, commander of Heavy Attack Wing one, will be transferred in June.

Elks Club Sponsors Mother's Day Event

FCC To Rehear Network Case

WASHINGTON (UPI)—The Federal Communications Commission will rehear the Miami television Channel 10 case June 2.

The channel was awarded in 1957 to Public Service Television, Inc., a subsidiary of National Airlines. Hearing Examiner Marvin Stern has recommended that a award be revoked because of allegedly improper contacts between the applicants and members of the FCC.

Council To Meet

The Longwood Town Council will meet in the town hall at 8 p. m. today.

Pre-School Child Meeting Changed

The Lake Monroe School's pre-school roundup will be held May 13 at 1:30 p. m., instead of May 11, as previously announced.

All parents whose children will enter the first grade in Lake Monroe school next fall are asked to attend the roundup along with their children who will enter the school next term. Children must be six years old before Jan. 1, 1961 to enter school next fall.

County health officer, Dr. Clyde Brothers, and county nurse, Mrs. Mabel Brown, will tell parents about the shots their children must get before starting school. County elementary school supervisor, Mrs. Margaret Goli, will talk about reading readiness.

Hops Fading For Trapped Man

IRONTON, Ohio (UPI)—Rescuers dug to within less than 10 feet today of a 19-year-old miner whose son trapped 23 feet underground in a dry well located in his father's church yard.

Rescuers held little hope that he would be found alive in the hole when he has been entombed since Wednesday afternoon in nearby Burlington.

Mason's Dinner Friday Night

The Wayfarers, an organization of DeBarry Masons, will entertain 200 Masons and their wives at a dinner here Friday.

District Masonic officers and other Masons will be guests of the DeBarry group for the dinner and entertainment program at the Sanford Civic Center. The dinner will start at 6:30 p. m.

Aid Doubtful

WASHINGTON (UPI)—The Democratic Congress appeared dimly today to reject the big budget-busting program of medical care for the aged proposed by the Eisenhower administration.

New Post Office Authorized For Altamonte

A new post office has been authorized for Altamonte Springs. Postmaster General Arthur E. Summerfield announced today.

The new post office will have about 2,100 square feet of floor space, plus a loading platform. The building site is on the south side of Altamonte Ave., 533.7 feet west of Longwood Avenue. The site's 9,000 square feet "will provide adequate parking and truck maneuvering areas," Summerfield said.

The builder who is awarded the contract to construct the post office will buy the land, put up the building according to Post Office Department specifications, and lease it to the department on a long term basis, with lease renewal options running up to five years. This is done under the Post Office Department's commercial leasing program.

Bidding forms and specifications will be available to prospective bidders in about 60 days. The Post Office Department will advertise for bids then. The announcement of Summerfield's authorization of the post office was relayed to the Herald today by Republican state committee chairman for Seminole County, Joseph Saunders.

Senate Control Assured By 'Pork Chop Gang'

TALLAHASSEE (UPI)—Control of the state Senate by the North Florida bloc known as the "Pork Chop Gang" seems assured in the next session, despite defeat of two of the bloc's principal members in Tuesday's primary.

Newman Brackin of Crestview lost in the first district of Oklawaha and Santa Rosa counties and H. H. Hair of Live Oak met defeat in the 17th district of Suwannee, Hamilton, and Lafayette counties.

But their successors are expected to be of like mind on reappointment and other issues which bind the 22-member "gang" together in control of the 28-member Senate.

Brackin lost to Clayton W. Maples, a Millen radio station owner. Hair was defeated by Rep. Houston Roberts of Suwannee.

Not only did the bloc show no sign of losing its grip, it may gain a vote in the seat which Doyle

Bryant Leads

The official Seminole County vote in the gubernatorial race shows that Farris Bryant polled the largest amount of votes, with John McCarty second and Doyle Carlton third.

Bryant polled 2,547 votes while McCarty collected 1,889 and Carlton 1,774.

Haydon Burns was fourth with 1,213 votes followed by David, 661; Dickinson, 400; Downs, 110; Belsar, 92; McCorvey, 36 and Hendrix, 35.

Over the state, the lead changed three times Wednesday. The latest vote tally with 1,921 precincts reporting shows that Bryant is in the lead with 184,642 votes.

Carlton has 188,550; Burns, 180,653; McCarty, 139,130; Dickinson, 112,058; David, 79,115; Belsar, 26,080; Hendrix, 7,694; Downs, 7,402 and McCorvey, 5,182.

Carlton Plans To Meet With McCarty On Votes

MIAMI (UPI)—Doyle E. Carlton Jr. plans to talk today with John McCarty, the only major vote-getter from the Florida primary who had not announced his hand in the governor's run-off.

"I have talked to John," Carlton said late Wednesday night. "I plan to telephone him again Thursday morning. John and I have been friends for many years."

Both Carlton and his run-off opponent, Farris Bryant, were lobbying for support in the May 24 runoff.

McCarty, who got about 146,000 votes as fourth place finisher, in a personal friend of both Bryant and Carlton.

The third place finisher, Jacksonville Mayor Haydon Burns, said Wednesday night he will not support either candidate. He indicated he is thinking of running again himself in 1964.

Fred Dickinson, who finished behind McCarty, announced Wednesday he will campaign actively for Bryant. Ted David, the sixth man in the race, said he would support Carlton.

Tornadoes, Thunderstorms Hit Southwest

By United Press International

Tornadoes, thunderstorms and hail lashed the Southwest during the night, causing widespread damage and at least one death.

The twisters leveled houses, uprooted trees and downed power lines in Oklahoma, Kansas and the plains states and touched off several fires.

At least 12 persons were injured by tornadoes that hit 10 Oklahoma communities. Several more were missing.

Hardest hit appeared to be Soper, a town of 300 near the Texas border. A twister dipped into the center of Soper and destroyed or damaged 30 homes and stores.

One of the buildings smashed by the tornado was a brand new barber shop, just finished Wednesday. Barber Jack Burson said the shop was completely blown away, with nothing left but a vacant lot.

Wind and hail knocked down all electrical power lines and blew over the town's water tower. The downpour caused flash flooding.

The National Guard was ordered into Soper to help clear up the wreckage strewn all over town and to prevent any looting of damaged property.

The Oklahoma Highway Patrol said five persons, all members of the Clifford Lamb family, were injured when a twister hit Oil Center. A number of houses and barns were blown down in the area.

Another twister hit the south central Oklahoma town of Kennesaw. Two families reported missing were later found in their storm cellars.

Five airplanes were destroyed at one Tulsa airport and two more at another. Police barricaded a section of Oklahoma City while workers repaired damaged power lines.

Another tornado struck several places north of Fort Worth, Texas. The winds scattered the wreckage of two houses over 1,000 yards of open field.

A six-month-old baby was picked up by the storm and flung down in the field but escaped serious injury. Live wires crackling on the ground hampered rescue workers.

Thunderstorms turned the normally trickle-sized Sand Creek at Newton, Kan., into a fair-sized river following four inches of rain. Ned Walker, 14, drowned on the swollen creek when his raft overturned.

A total of 100 persons were evacuated at Newton before the waters fell back.

Telephone Service Survey Planned

Charles Bigelow told the village council Tuesday that a survey is being drawn up to see whether North Orlando residents want Winter Park Telephone Co. or Southern Bell phone service.

Mayor Liddicott said he would get busy on the survey and see that it gets started. Bigelow said that if the survey shows a desire for Winter Park service, the villagers might be able to get Southern Bell to raise its rates but cut out the toll charge to Orlando.

Bigelow and Councilman Reggie Webster agreed that North Orlando would be better off with Southern Bell service if the toll charge on Orlando calls could be eliminated.

Liddicott said that Winter Park Telephone Co. and Southern Bell officials will meet with a representative of the Seminole County Chamber of Commerce May 11 to see if service in the county can't be improved.

Runoff Candidates To Plan Campaign

County candidates in the May 24 Democratic runoff primary will meet in the courthouse Friday to decide how they want the runoff campaign to be conducted.

At the 8 p. m. meeting, the candidates will decide whether they want to hold rallies before the runoff, county Democratic Executive Committee Chairman Robert Billheimer said today.

Reds Aiding Cuba Build Launch Pad

WASHINGTON (UPI)—Russia helping build a concrete missile launching pad in Cuba, a former Cuban intelligence chief has told congressional investigators.

But U. S. intelligence officials said they were inclined to doubt this. Cuba's ambassador to the Organization of American States called the allegations ridiculous.

Col. Manuel Antonio Ugalde Carrillo, intelligence chief under ousted Cuban director Fulgencio Batista said more than 1,000 Chinese Communist technicians and about 10 Russian technicians are in Cuba directing various projects for the government of Fidel Castro.

Nikita Announces New 5-Year Plan

MOSCOW (UPI)—Premier Nikita Khrushchev today announced a five-year plan for the abolition of income taxes in Russia, describing it as "a state act of tremendous political and economic importance."

In a speech to the Supreme Soviet last Wednesday, Khrushchev said also that the new plan has been to be about an hour of the Russian working day by 1964, reducing it to 5 to 6 hours.
