

## Questions And Answers On Filibuster Squabble

WASHINGTON (UPI)—Questions and answers on the Senate's filibuster fight:

Q. What is the reason for the fight?

A. The underlying issue is the contention that the present filibuster rule has kept the Senate from passing "adequate" civil rights legislation.

Q. What is the present rule?

A. Rule 22, adopted in 1917, requires a vote of two-thirds of the entire membership to invoke cloture, or shut off debate.

Q. Who are the opponents in the fight?

A. A coalition of "liberal" Democrats and Republicans is pressing for changes in the rule. Southern Democrats oppose any change. Senate Democratic Leader Lyndon B. Johnson (Tex.) has offered a "compromise" proposal.

Q. What do the liberals want?

A. They seek a new rule which would permit the Senate to cut off debate by majority vote of the Senate's 96 members after 30 days.

Q. What is Johnson's proposal?

A. Under his resolution, debate could be halted by a two-thirds majority of senators present and voting.

Q. How will the issue be resolved?

A. The next test vote is expected to come on a move by the liberals to substitute their proposal for the Johnson resolution. If that fails, the Senate probably will vote on Johnson's resolution, although other amendments or substitutes may be offered.

Q. How long will the fight last?

A. It is expected to go on at least two or three more days, but could be curtailed or prolonged.

Q. What are the prospects?

A. The majority vote proposal is expected to lose. A prospective attempt to put across a 60 percent cloture rule is believed to stand a better chance. But it is more likely the Johnson plan eventually will be adopted.

Q. What was the rule before the present one was adopted in 1917?

A. From 1917 to 1919, two-thirds of those present and voting could limit debate; this is the same as Johnson's compromise.

## Cub Scout Killed Shielding Mother

MONTICELLO, Ind. (UPI) — Sammy Joe Moss, 10, dressed in his blue Cub Scout uniform, was shot and killed Monday night when he tried to keep his mother, den mother of the cub pack, from being shot by a disappointed outsider.

His mother, Mrs. Alma Moss, 34, was wounded critically when she tried to help her son as he fell in the line of fire, a bullet wound in his head.

Police said Albert M. Colvin Jr., 30, Kokomo, admitted the shootings. He was shot in the forehead, but was not wounded seriously. Police said the wound was self-inflicted.

The boy had dressed in his uniform for a den meeting in his home. The shooting occurred just a few minutes before the meeting was to have begun.

Colvin, police said, admitted he had shot his son as he lay on the floor, just as he was trying to help him.

## Two Women Hurt In Traffic Mishap

Two Sanford women are patients in Seminole Memorial Hospital following an accident yesterday afternoon on Highway 17-92, south of the Trading Post. A two-month-old baby escaped injury.

The accident occurred when Mrs. Lois Ann Clemen, 48, pulled out from the west side of the highway across the path of a pickup truck heading south, officials said. The Clemen automobile was hit in the left rear and spun around in the opposite direction.

Mrs. Clemen was thrown from the car onto the pavement sustaining a severe head cut. Her condition was listed as good this morning by hospital authorities.

A passenger, Mrs. Loretta Stick, 52, is reported in "fairly good" condition, with a cut over her left eye and internal injuries. Driver of the pickup truck was an electrician from Orlando, William M. Laing. He was uninjured.

Damages to the truck were estimated at \$400. Mrs. Clemen's 1950 car was considered a total loss. Highway Patrol Trooper J. L. Hicks said he had charged Mrs. Clemen with violation of right-of-way.

## Boy Says It's Tough To Be Tiny Guy

HOLLYWOOD (UPI) — "Do you know what it means to be tiny?" Fighting back tears, the youth asked the question in the waiting room of the Hollywood police station.

Then, unable to contain his emotions, he buried his face in his dirty hands and sobbed.

"They're always laughing at me," he cried. "I'm almost 15, but they say I look like 9 or 10."

Truly, he did. That was why a YMCA clerk tipped off police when the youth, who identified himself as Christopher Panter, of Alberta, Can., tried to register Monday night.

Carrying a paper bag which contained blue jeans, some flannel shirts, a blanket and a guide map of Hollywood, the youth told officers he had run away from

home in Vulcan, Alberta, and taken a bus here.

"That was last Friday," the youth said. "All I want is a chance to get a job where people won't make fun of me."

In the next room, Officer Jesse Tubbs, a young, dark haired policeman, peered through the details.

The youth's height, 4 feet, 4 inches. Weight: about 80 or 90 pounds. Hair: blond and wavy. Wears glasses. Clothes: a ragged red and white flannel shirt and brown corduroy trousers.

"It was hard to believe the kid's story until he started talking," said Tubbs. "He's brilliant and sensitive. Maybe too brilliant."

He said he's a senior at Vulcan High School.

"I can take care of myself," the youth said. "I saved up my money and took all of it except 24 cents out of my savings account to buy the ticket."

"I'm experienced, you know. I've done a little grocery work, and a little accounting—simple, of course. I've even done a little acting."

Bound for jail, the youth was almost smiling until he was told he would have to be booked as a transient.

"Does that mean juvenile jail?" the youth asked, his lips quivering.

"I'm afraid it does, son," Tubbs said. "Until we don't contact your folks."

"Oh, please, sir," the youth sobbed. "Don't put me back in there. I ran away once before and they caught me in Vancouver, French Ave."

## Four Youths Fined For Firecracker; One Denies Charge

An 18-year-old Seminole High School graduate has denied having anything to do with throwing a firecracker at two boys on Sunday.

William Bernowsky said this morning that he did not see Patrick Erickson light the cherry bomb that injured Reggie Boland.

"Harry Sturick and I were on passengers in the car," he said. "If I could have prevented what happened I would have done anything, to the point of holding the firecracker in my own hand."

Bernowsky said that he and Sturick were picked up by Charles Messer and the Erickson boy, and were "just taking a Sunday ride."

"I have four younger brothers of my own, and would never do anything to harm a child intentionally," Bernowsky said.

Bernowsky rescued tiny Nancy Nichols from Lake Mary last summer. The boy was cited for his quick thinking, when he rushed into the water, scooped her up and applied artificial respiration.

The four boys appeared in court last night before Municipal Judge Ambrose Oliff. The charge of possession of fireworks was changed to unlawful assembly in the cases of Bernowsky and Sturick. They were fined \$102.

Charles Messer, driver of the car, Messer pleaded guilty to the charge of possession of fireworks. Patrick Erickson was fined a total of \$202 after he was found guilty of discharging and possessing fireworks and assault with a deadly weapon.

The prank ended in remorse for all the boys. Bernowsky said on a morning that he had visited Reggie Boland, and wanted "to apologize for any part" he had in the matter.

The injured boy was treated for leg and hand wounds at Seminole Memorial Hospital after the accident, and released.

## Officers Seeking Orlando Kidnapers

MACON, Ga. (UPI) — Police and the FBI were conducting a wide spread search today for a man who kidnaped a young woman and her 3-year-old son in Orlando Sunday.

Mrs. Dorothy Patrick told Macon police that she fled from her kidnaper when he became intoxicated and fell asleep in the back seat of his car.

She said the man had forced her and her young son into his car and told her that her husband paid him to "take you off somewhere and leave you."

Mrs. Patrick told officers Roy Harris and J. D. Bennett that they stopped at a concession stand in Lakeland, Fla., after leaving all day Sunday, and the kidnaper had beer and sandwiches.

The car ran out of gas in Macon and the driver became intoxicated after drinking the beer. She said she grabbed her son when he went to sleep and ran.

The kidnaper awoke and chased her but fled on foot when he saw several passers by on a nearby corner watching the chase.

The car was a 1956 Ford with Michigan license plates.

## H-Bomb In Space To Dive On Target Termed Possible

WASHINGTON (UPI) — A scientific report circulating here conjures up a picture of H-bombs poised in space to dive at targets on earth whenever their masters feel there ought to be a war.

The report, prepared by Rand Corp. research experts for the House Space Committee, discusses "bombing from satellites."

It says both the United States and Russia have taken note of this possibility.

All satellites launched so far have been peaceful instruments for gathering scientific information. Both this country and the U.S.S.R. have programs for satellites capable of returning instruments and film—or perhaps a man—safely to earth.

This, the Rand report says, "implies the possibility of bombing from a satellite."

It would take refined propulsion equipment to accomplish this. You can't just dump something out of a satellite. If you did, it would just tag along in orbit.

But the idea of launching a warhead from a satellite in a long trajectory to earth is, the report says, "an entirely reasonable one."

"For unmanned satellites," the report continues, "the ejection operation can be initiated and controlled directly from a ground radar station in sight of the ejection point."

Or, it adds, "ejection and descent guidance could be carried out on a fully automatic basis in the satellite at any time after receipt of a general signal from the ground to proceed to the attack."

## Longwood Jaycees Get Sanford Goat

The Longwood Jaycees now have a goat in their membership. The club was honored with "Spunky" VII, a gift from the Sanford Jaycees. Tom McDonald presented "Spunky" to the club under a set of rules to be followed.

They are (1) No one one club shall deliver "Spunky" to another club until at least seven calendar days have expired since receiving him, (2) "Spunky" cannot be returned to any club until he has visited all the clubs in the district (3) at each district caucus the number of club "goat miles" will be figured on the basis of the number of men that accompany the delivery of "Spunky" to another club, multiplied by the round trip miles.

(4) The club in the district that has the least number of goat miles will give to the club with the highest number of miles a present or a prize, (5) any club that keeps the goat for over 30 calendar days, consecutively, without delivering him to another club, must deliver him by walking "Spunky" in its possession at midnight on Wednesday preceding any caucus, conference, or convention must take "Spunky" to the meeting.

(6) "Spunky" can be delivered to another club only at an official meeting or function of the general membership of the club to which he is being delivered. Names were pulled out of a hat to see who would be the official "Goat Keeper" — Dick Zartman won the honors.

Other business included a Jaycee will be assigned to different entrances to the Longwood area; \$20 to be spent on new records for teenage dances to be held every Friday night instead of every other week.

Jaycee wives will go to the Jan. 20 meeting at Deland with their husbands. The meeting will honor the national Jaycee president, Bob Cox, with a banquet.

## Borge To Appear In Concert Here

Victor Borge, famous comedian and pianist, will appear in Sanford Jan. 31 at the Civic Center. Borge's appearance will benefit the Heart Fund in this area.

Mrs. Leonard Munson announced this morning that final plans for the concert are incomplete. Ticket sales will be revealed at a later date. The performance is tentatively scheduled at 8 p. m. Mrs. Munson is chairman of the Heart Fund in Seminole County.

## Two Wrecks, Car Blaze, Crazy Lights, Confusion

A big tractor trailer turned over and slid 80 feet on its side early this morning at the intersection of 17-92 and Lakeshore Blvd.

Police said the accident was caused by excessive speed on the part of the driver, Hilton Toomer Crawford, Waycross, Ga.

The truck overturned when it hit the center island just beyond the Motors Inn, and skidded across the highway to the shoulder. Crawford was traveling south on French. He was charged with reckless driving by Capt. Arnold Williams.

## City Fills Posts On Various Boards

J. H. Vanlenty was appointed to the Board of Bond Trustees by Sanford City Commissioners last night.

Vanlenty joins Volle Williams Sr. and Herman Jacobson on the board.

Sidney Vihlen, Dan Hatten and W. A. Horn were appointed to the Electric Board and LeRoy Givner and W. D. Hawkins to the Plumbing Board.

Commissioners approved the ordinance abolishing the city utilities department, and putting its functions under the Public Works Department. The parks, zoo, cemetery and swimming pools were put into the Recreation Department.

Sid Richard was confirmed as head of Public Works, and Ronald Perry as director of the Recreation and Parks Department.

## Report Requested On Sewage Plant

An up-to-date report on the sewer disposal plant and a projection of its use in the future has been requested by the Sanford City Commission.

The proposed treatment plant came in for much discussion last night when Commissioners pondered the effect of no plant on Sanford's growth. The city said in a July, 1957, meeting with the State Board of Health that a primary treatment plant would be under construction or completed by July, 1959.

Construction costs then were estimated at \$375,000. To this end, \$40,000 has been set aside each year. Commissioners were discouraged about the cost of the financing, should bonds not be available.

The issue would then go to the public for a vote, requiring 50 per cent plus one of the freeholders in the city to pass the \$275,000 issue.

The plant would remove 40 to 50 per cent of the raw sewage from Lake Monroe, Commissioners said.

## Secretary Thinks Acceptance Could Bring Another War

WASHINGTON (UPI) — Secretary of State John Foster Dulles today branded as brutal and stupid the Russian proposals for a German peace treaty. He said they would run the risk of plunging Europe into a new war.

Dulles told a news conference the United States was prepared to guarantee Russia against the possibility of resurgent German militarism if Germany were reunified under free elections.

But, he said, the Russian demand for a neutralized and demilitarized Germany is worse than brutal. It is stupid and unrealistic because it eventually might lead the Germans to try to play the East against the West and thereby again shatter world peace as it did in 1914 and 1939.

Dulles said he and other U. S. officials are not engaged in any specific negotiations with visiting Soviet Deputy Premier Anastas I. Mikoyan. But he added he hopes each side is getting a better understanding of what is really in the mind of the other.

Discussions Important Dulles said it was important to have the discussions with Mikoyan because they could lead to avoiding miscalculations which otherwise might plunge the two countries into real trouble with each other. There are enough real difficulties between Moscow and Washington, Dulles said, without adding to the problem by permitting misapprehensions to exist.

Dulles said the United States was conferring constantly with its Western Allies on the German and European situation. He said this government would offer no counter proposals to Russia unless they were agreeable to the Western Europeans, whom he described as equally or more concerned in the matter than the United States.

## Father Won't Sign Kidnaping Charges

NEW YORK (UPI) — The father of infant Lisa Rose Chinchio refused today to sign a complaint against the 43-year-old grandmother charged with kidnaping the baby from her hospital crib and keeping her for nine days.

Frank Chinchio, 26, an attorney, made his refusal in Brooklyn felony court where Mrs. Jean Lavaronne, mother of eight, was to be arraigned on a kidnap charge which carries a possible penalty of 20 years to life imprisonment.

Chinchio and his wife, Frances, 26, had previously expressed pity for the kidnaper who stole their daughter only 2½ hours after birth. The child was recovered Sunday with evidence that Mrs. Lavaronne had tended her with no less concern than her own mother.

During the agonizing search for the child the parents had appeal to the kidnaper on the presumption she was a frustrated mother, promising that she might visit the child after she was returned to her family.

Police had expressed belief that the kidnaping was done in order to trap the woman's sweetheart into marriage, and pave the way for getting four of her own child dren out of orphanages.

## Florida Escapee To Be Returned

LAFAYETTE, La. (UPI) — Police Chief Carlo P. Lisi said today his office had picked up Clifford Helton of Pensacola, an escapee from a Florida prison.

He said the 31-year-old man was picked up on suspicion and a fingerprint check revealed him to be a missing Florida convict. A federal marshal will return him to Florida this week.

## Merchants To Plan Drive For Business

Representatives from each type of business in downtown Sanford will meet at 9:30 a. m. tomorrow to plan a proposed sales program.

This will be the last Retail Merchants Division meeting before a general session with all merchants. Charles Staubitz, veteran merchandising expert, will present advertising and promotion ideas for approval. Staubitz is assisting the committee without charge. He already has offered many suggestions for improving downtown trade.

Headed by Chairman Francis Koussilist Jr., the committee and representatives are expected to suggest at least three general sales drives, with individual suggestions.

A standardized opening and closing time for downtown merchants also is under discussion.

Meeting with John Krider, manager of the Chamber of Commerce, representatives of the press and radio yesterday pledged to assist the Retail Merchants Division with adequate publicity and editorial support.

Krider urged cooperation on the part of all merchants and stressed the importance of the Wednesday meeting at the Chamber of Commerce.

The purpose of the Division is to stop the growing trend (now estimated at 60 per cent) to shop in Orlando and surrounding shopping centers.

## City Fills Posts On Various Boards

J. H. Vanlenty was appointed to the Board of Bond Trustees by Sanford City Commissioners last night.

Vanlenty joins Volle Williams Sr. and Herman Jacobson on the board.

Sidney Vihlen, Dan Hatten and W. A. Horn were appointed to the Electric Board and LeRoy Givner and W. D. Hawkins to the Plumbing Board.

Commissioners approved the ordinance abolishing the city utilities department, and putting its functions under the Public Works Department. The parks, zoo, cemetery and swimming pools were put into the Recreation Department.

Sid Richard was confirmed as head of Public Works, and Ronald Perry as director of the Recreation and Parks Department.

## Borge To Appear In Concert Here

Victor Borge, famous comedian and pianist, will appear in Sanford Jan. 31 at the Civic Center. Borge's appearance will benefit the Heart Fund in this area.

Mrs. Leonard Munson announced this morning that final plans for the concert are incomplete. Ticket sales will be revealed at a later date. The performance is tentatively scheduled at 8 p. m. Mrs. Munson is chairman of the Heart Fund in Seminole County.

## Baseball Comes Back; Sanford Is Fortunate

Sanford once again has joined the ranks of organized baseball. The successful climax to a two-month campaign came Sunday when the Florida State League voted to accept Sanford as the sixth member, succeeding Gainesville.

We in Sanford can be proud of the accomplishment, made possible by many. We also may take pride in the spirit of acceptance by the other members of the league. Members of the board of directors wanted Sanford in the league. They were eager to make this known.

League officials were willing to try another season with seven teams, although they had voted previously to go with six or eight. A seven-team organization made for a cumbersome operation; one club was idle each night, or two teams were forced to travel to one city to play a doubleheader each night.

When Gainesville was unable to get a working agreement with a major league team, Sanford was in. We in Sanford can be proud of what outsiders think of our city. In addition to the fine vote of confidence from other league members Sanford had offers from three major league teams, Gainesville, on the other hand, could get offers of aid from none.

After turning down Gainesville's plea, Baltimore offered a working agreement to Sanford. Previously, Sanford had received offers from the Pittsburgh Pirates and the Washington Senators. In the final analysis, Sanford chose Washington's offer as best.

Obtaining a league franchise will mean much to Sanford and Seminole County. We view it as concrete evidence of progress. This is tangible. It marks the end of an effort which began last November, proving that Sanford can get things done when it so desires.

To many we are indebted for this progress. Among those who made it possible are W. K. McRoberts, who posted the \$1,000 guarantee; John Krider and Jerry Covington, who attended the league meetings to discuss the project; the Washington Senators, Pittsburgh and Baltimore, who gave the encouragement needed to keep the drive alive; Peter Schaaf and Julian Jackson, secretary and president, respectively, of the league, who thought Sanford should be a member.

The Herald is proud, too, for its part in the success story. It was convinced in November that baseball could return. We are happy about the outcome. See you at the game.

## Lesson For Youth

Four Seminole High School students now know that a prank may lead to trouble, for others and themselves.

Had the youths been able to visualize the aftermath of the cherry bomb, firecracker, or whatever the explosive, it never would have been tossed from the automobile. Although the explosive did serious damage to a younger boy, the damage could have been greater.

One moment, the four were carefree youths. The next, they were in trouble. This is a good example of acting, then thinking. Youngsters with a yen for fun and excitement will might bear this incident in mind.

## Alliance Church Elects Officers

Leo Watson has been elected recording secretary and Sunday membership reports from school superintendent of the Alliance Church.

The report of the nominating committee was accepted and the slate elected unanimously. Other officers include W. B. Webb, treasurer; Mrs. Fay Lee, missionary; Mrs. J. C. Lee, secretary; and Jack R. Brooks, financial secretary and youth work coordinator.

## Washington Calling

By MARQUIN CHILDS

WASHINGTON—At midnight on January 19 an important anniversary will have passed. That date marks the official end of the first half of President Eisenhower's second term in the White House.

Under the 22nd Amendment to the Constitution, adopted in 1951, the President is limited to two terms of four years each.

Under the 22nd Amendment to the Constitution, adopted in 1951, the President is limited to two terms of four years each. The President is limited to two terms of four years each.

While all lame-duck Presidents under the American system of fixed terms of office have been under a serious handicap, few have found themselves in the situation confronting Mr. Eisenhower. As a result of the crushing defeat of last November his

party has been reduced to a small fraction in the Senate and the House. These fractions are themselves divided and the President's support has dwindled among both conservative and liberal Republicans. The State of the Union message was largely a reiteration of the budget-balancing theme, with the addition of still another commission to tell us where we are to go.

With a budgetary deficit of \$12 billion in the current fiscal year the Administration has proclaimed a balanced budget for next year. The likelihood, however, is for another deficit, perhaps as high as \$9 billion. And while the political trick will be to put the blame on the Democrats, the party in power, in the executive branch will have to take the consequences.

Despite the continuous barrage of high-powered publicity, sober and knowledgeable critics of the Administration's defense policy are saying that the "missile gap" will shortly leave this country in a precarious condition. The "delicate balance of terror," as it has been aptly called, will tip increasingly against the security of the United States.

## Graham Admitted To Mayo Clinic

MINNEAPOLIS (UPI)—Evangelist Billy Graham, "urgently encouraged" to have his eye ailment treated as quickly as possible, entered Mayo Clinic today in near-by Rochester, Minn.

Graham abruptly cancelled a speech in Dallas, Tex., Monday in order to fly to Minneapolis where he spent the night.

Newsmen said Graham appeared very tired upon his arrival here and quickly checked into a hotel. Graham, who had been attending the world evangelism conference of Texas Baptists in Dallas, had not planned to leave Texas until today. However, he changed his schedule on the advice of doctors who warned him against a delay in treatment.

Graham is suffering from an ailment that has caused blurring of vision in the left eye and severe headaches. The condition was described as a swelling of the retina resulting from "excessive work and stress."

## Inez Robb Says

BY INEZ ROBB

It is my hunch that so many Americans have such pressing problems with the family of the present that we don't have too much time to speculate over the family of the future.

But a symposium on just that subject, "The Family of the Future," will occupy a half-dozen experts at Anaheim, Calif., tomorrow. I suppose we should rejoice at the mere fact that six experts believe that the family has a future.

But since one of the experts on the symposium is Dr. Donald William Kerst, the atomic scientist who developed the betatron,

and since he is to speak on "the impact of science on family life," it is a reasonable conclusion to surmise that Dr. Kerst believes both life and the family have a future in the Atom Age.

However, it is not Dr. Kerst's optimistic reassurance that interests me so much as the fact that at the symposium, actress and U. S. delegate Irene Dunne is to discuss "the responsibility of the parental discipline is apt to be equally lacking in filial love. Children are not apt to have any respect for parents who are so lacking in respect for themselves that they tolerate rude and unruly offspring."

It is now an accepted premise that all children "hate and resent" their parents. Well, by golly, it wasn't accepted when I was a child! From my own family to the community.

That is a tired, old subject, if anyone asks me, done to death in the past quarter-century. Most of us can repeat the old credo forward and backward.

What would have made a stunning opinion—in one woman's opinion—is: "The Responsibility of the Family to and for Itself." I. e., the responsibility of members of a family to and for one another. That is an age-old, ancient concept of family life, before the days of permissiveness and progressive education.

But it is a concept that may seem stunningly new and advanced to a generation of "modern" parents who have reared children without discipline or responsibility and to children who have grown up without love or respect for their elders.

For it is my long-time observation that the home that lacks

perience, it wasn't true, either. In those ancient days, families were presumed to love and cherish one another and, thank God, we didn't know any better than to do just that.

But in that antediluvian age, children were disciplined, lovingly and for their own good, and heaven have mercy on any of my cousins or me had we spoken disrespectfully or behaved contemptuously toward any of our elders. It was an atmosphere in which mutual love and admiration and respect could and did grow, and have grown only stronger with the years.

I would hope that the family of the future resemble the family of the past more than the family of the present, in which children exercise an absolute dictatorship over the home. As we know only too well, power corrupts absolutely.

Our children have been corrupted by lack of discipline in parental hearts and lack of love in their own. But that knowledge doesn't make the brain any easier to live with or any more endurable, even though we know that often they are more to be pitied than scorned.

One facet about the family of the future is certain—it'll have at its command a lot more push buttons. But the push buttons won't guarantee Utopia unless the adults develop a lot more gumption and get back in the driver's seat.

## Rev. Spear Chosen Ministerial Head

The Rev. Robert Spear has been installed as president of the Seminole County Ministerial Association.

Other officers chosen to serve during the coming year are the Rev. Donald Gravener, vice-president, and the Rev. Ernest Hollick, secretary-treasurer.

The Rev. Perry Stone, retiring president, performed the ceremony.

A copy of a bill providing privilege of confidential communication to ministers was presented for consideration. The Revs. A. G. McInnis, John W. Thomas and David S. Carnell were appointed to study the proposal. The committee will consult the state senator and representatives concerning the interpretation of the bill.

The Association passed a resolution commending Rev. Stone, who is leaving the area to assume another ministerial charge in North Charleston, S. C. The group also extended thanks to Mrs. Stone for the record of past year's activities and provided the Association with its first historical account.

## Jaycees To Open Meeting To Public

Because of the interest shown in the reevaluation of Seminole County property Jaycees have invited non-members to their luncheon Thursday to hear Robert A. Dowling, president of the Dowling Appraisal Co.

Reservations for the luncheon may be made by calling the tourist information booth by Wednesday noon. The luncheon will be held at noon Thursday in the Sanford Civic Center.

A question and answer period is expected to follow Dowling's talk about reassessment in Seminole County.

## Directors To Meet

The Board of Directors of the American Red Cross will meet in the Chapter office at 3 p. m. Wednesday.

## Deaths

AMSTERDAM, N.Y. (UPI)—Former New York State Supreme Court Justice Christopher J. Heffernan, 76, died Monday after a long illness.

PELHAM, N.Y. (UPI)—Dr. Holland N. Stevenson, 72, a former pathology instructor at Johns Hopkins and Creighton universities, died Sunday after an illness of several months.

WASHINGTON (UPI)—John F. O'Mahoney, 65, a former New York stock broker and sometime vaudeville performer, died Sunday, four days after suffering a heart attack while here on business.

## Milk Yield Higher

CHICAGO (UPI)—Fewer cows will produce the nation's milk in 1959, according to the American Feed Manufacturers Association. Output will match 1958 production, but the more than 19 million cows to be milked represent a two per cent decline in the cow population. The greater yield is credited to favorable prices and heavier grain feeding.

## Doctor Addresses Women

Dr. Louis M. Orr, Orlando, president of the American Medical Association, was guest speaker at the luncheon meeting of the Ovidio Women's Club Friday. He was introduced by Mrs. Oregon Burnett.

Dr. Orr predicted a time of trial ahead for medicine for the farmer and for the business man. He stressed the importance of an informed public. Masters of Deceit, by J. Edgar Hoover, was recommended for family reading.

He outlined the setup of the American Medical Association, calling it a "federation with a most democratic system of operation." He said that the membership numbers 150,000 or more doctors. Six per cent of the total annual budget goes into scientific activities, the training of doctors and research.

In listing services of the AMA, Dr. Orr mentioned doctor placement, investigation of and protection against quackery, accreditation of hospitals and schools of nursing, a department of public relations and committees on pesticides and the marketing of same, on medical motion pictures and research.

Dr. Orr emphasized that the AMA is not a union. He called it a representative group of physicians who are organized for the betterment and protection of the nation's citizenry. He explained that citizens of this country face little if any ultimate danger from radioactive fallout under our present nuclear testing program. "The Russians have tried to brainwash us into thinking the opposite is true so that we will stop nuclear testing while they continue to test in secrecy," he said.

Following Dr. Orr's address, Mrs. R. W. Estes, president of the club, expressed appreciation at his visit. The regular business meeting was conducted. It was announced that the combined drive would be sponsored by the local club beginning Feb. 2. Mrs. Herb Ragdale and Mrs. Al Dawson were chosen as co-chairmen of the drive.

Prior to the program a luncheon was served to the club. Mrs. Joseph Leinhardt headed the luncheon committee. Assisting her were Mrs. E. G. Cross, Mrs. Lynn Mosier, Mrs. C. R. Clonts, Miss Ruth Davidson, Mrs. J. T. McLean and Mrs. B. F. Wheeler Jr.

The room had been attractively decorated with floral arrangements. Tulips, pansies, and roses were used. Rev. George H. Carlton, pastor of the First Methodist Church, sang a solo. Guests for the luncheon were Rev. Carlton, Dr. Edward W. Stoner, and Mrs. Lena I. Hunt.

About 40 members plus guests were present.

## Teachers Have Meet

Teachers of the Beginners Department of the First Baptist Church met January 4 at the home of Mrs. J. L. Jackson. Ten teachers were present.

Mrs. Oliver Gibbs gave the devotion. Mrs. Benny Austin led in prayer.

All members were asked to attend the study course that began at the church Monday.

The teachers voted to hold the February meeting at the church. Refreshments were served.

To get perfect halves of English walnuts for garnishing, place the walnut on its flat end. Hold it by the seam and strike with a hammer on the pointed end. Use a sharp but bouncing blow.

## Local DAR Chapter Has Meeting Friday

Sallie Harrison Chapter, National Society of the Daughters of the American Revolution, held its regular monthly meeting Friday afternoon in the home of Mrs. W. E. Baker, Lake Mary. Assisting Mrs. Baker were Mrs. R. M. Ball, Mrs. St. Clair White, and Mrs. C. B. Wyatt.

The regent, Mrs. F. E. Roumillat, presided and opened the meeting with the usual procedure. An article on the D. A. R. Museum in Washington written by the curator was read by Mrs. R. E. True. Mrs. C. E. Butler, defense chairman, gave an address on National Defense. She stated that an alarming number of immigrants are being smuggled into this country illegally. Many of them are liabilities to the government as they are on relief or are criminals. The National Society gives an award to naturalized citizens who have proved their loyalty to the United States.

The following delegates were elected to State Conference which meets in St. Augustine in March: Mrs. Roumillat, Mrs. Turner, Mrs. J. R. Ray, Mrs. Laurence Tinsley, Mrs. Howard Bremer, and Mrs. C. E. Butler. Representing the local chapter at the Continental Congress in Washington in April will be: Mrs. Roumillat, Mrs. Turner, and Mrs. A. W. Lee. Alternates are: Mrs. Laurence Tinsley, Mrs. H. W. Tucker, Mrs. Stuart Brown, and Mrs. H. E. Walker.

A recorded program of music comprising many Confederate favorites and a resume of the lives of the composers was presented. Refreshments were served to the 18 members and two guests present.

## Garden Circles

**ROSE CIRCLE**

Mrs. Connelly, owner of Mimi's nursery at DeLand, entertained Rose Circle on Friday. The group enjoyed an instructive talk on African violets and an inspection of the large greenhouses filled with every conceivable variety of violets.

Mrs. Connelly stressed the point that 90 per cent of the problems encountered are due to overwatering. A plant, she said, will recover from lack of water but not from too much water. Because of the humid Florida climate the favors top watering. This should be done late in the afternoon to prevent leaf spotting caused by sun on wet leaves. There must be air in the soil for the plant to grow—violets must not sit in water. This can cause crown rot.

The second big problem is light. Lack of bloom is lack of light and probably nothing else. Mrs. Connelly suggested an east or west unshaded window as the best location for violets. She recommended artificial light, such as a table lamp.

Mrs. Connelly recommended Py-Gro as a fertilizer; VC-13 for control of nematodes; Metathion for control of mealy bugs and cyclamen mites.

**MAGNOLIA CIRCLE**

Magnolia Circle had an interesting meeting at the home of Mrs. P. H. Colbert with Mrs. H. K. Ring as co-hostess.

Mrs. J. D. Woodruff, the guest speaker, used "Annals" as her topic. She explained the preparation of the seed bed and the general care of annuals. It is late for seed planting now and better to purchase young plants.

The chairman, Mrs. Joseph Messler, gave a resume of the board meeting January 14 has been designated as Litterbug Day and she urged all to assist in a city-wide cleanup.

Mrs. W. Sinclair told of the gifts given by the Sunshine Committee of Christmas cheer. The novelty sale proceeds were added to the treasury.

enjoyed the music rendered by Harry Colbert on a guitar.

**MIMOSA CIRCLE**

Colored slides of Florida Spring Wild Flowers were enjoyed by the members of the Mimosa Circle of the Sanford Garden Club on Friday morning. The group met at the home of Mrs. Walter Price in Lake Monroe with Mrs. C. Hittell as co-hostess. Miss Kay Henninger gave the commentary on the slides.

Mrs. Ray Pech, chairman, opened the meeting with the members reading A Garden for the Lord's Prayer. Fourteen members responded to roll call.

Members were asked to save their heavy ice cream bags for the State Litterbug Campaign to be held the week of January 14. All members were urged to attend the general meeting of the Sanford Garden Club on Feb. 19. The hostesses served refreshments.

**PALM CIRCLE**

Mrs. Blanton Owen of Oak Ave. was hostess for Palm Circle on Friday afternoon.

Following a short business meeting conducted by Mrs. A. D. Rountree, Mrs. Price Goodson, DeBary, gave a demonstration of weaving using native pine needles and raffia. After demonstrating work in various stages she showed baskets, trays, and mats of beautiful design and workmanship.

Mrs. Rountree assisted the hostess in serving coffee, sandwiches, candy, nuts, and fruit cake.

**HIBISCUS CIRCLE**

The Hibiscus Circle met at the home of Mrs. R. Humphrey on Third St. Mrs. Humphrey was assisted by Mrs. Brodie Williams and Mrs. T. A. Burleigh.

A business meeting was conducted. Mrs. H. E. Moreland presented a talk on philodendron. Mrs. L. E. Spencer gave an account of the district meeting. Three new members attended for the first time. Mrs. R. L. Dallas, Mrs. Arthur Edwards, and Mrs. C. E. McKee.

Delicious refreshments were served at the end of the meeting. Twenty-four members were present.

**CAMELLIA CIRCLE**

The Camellia Circle met Thursday night at the home of Mrs. Sal Manfree in Loch Arbor.

Mrs. Beulah Thornton showed the circle slides which she made while traveling in America and Europe last summer. The slides were scenes from lovely gardens, palaces and buildings. She explained to the group that each person in Europe who owns land, no matter his wealth, brightens his property with an abundance of flowers. The information Mrs. Thornton revealed was of great interest to circle members.

Following this program, the group enjoyed refreshments served by the hostesses, Mrs. Manfree, Mrs. Harold Chapman, and Mrs. Bruce Saxon.

# Score Is Key To Tribe Hopes

EDITORS NOTE: This is the second of 16 dispatches by the major league managers giving mid-winter appraisals of their teams.

By JOE GORDON  
Manager, Cleveland Indians  
Written For UPI

SACRAMENTO, Calif. (UPI)—The Cleveland Indians' pennant hopes this season hinge on the recovery from operations of two established stars and the development of several boys who are long on potential but short on experience.

Of course, our biggest question mark is Herb Score. If that left-handed fireballer recovers from the injury which almost cost him his eye, he will be hard to stop. Score could be the best pitcher in the American League this season ... or he could be just another has-been.

And don't be too surprised if Mike Garcia makes a come-back this year. Mike had a due operation last summer and it might have cured his bad kick. He worked out with us near the end of the season and seemed to be ok. I'm convinced he can still throw.

High On Colavito  
The man with the best potential on the club is outfielder Rocky Colavito. He came into his own for the first time near the end of last season and if he improves at the same rate this year he can become one of the greatest hitters in baseball.

We are also looking for good

## New Group Plans To Promote Fight

NEW YORK (UPI)—A new promotional group mapped plans today for a world heavyweight title fight at Madison Square Garden within three months while attorneys for the International Boxing Club considered means of partially reviving the IBC from its knockout by Uncle Sam.

Young Bill Rosenzweig of Los Angeles reportedly heads the new promotional outfit; and Kenneth C. Royall of New York, former secretary of the Army, heads the IBC attorneys who were slated for a meeting today with Truman Gibson, IBC president, and other IBC officials.

The attorneys and IBC officials were to discuss the advisability of asking New York's Federal District Judge Sylvester J. Ryan to "reopen" some of the dissolution orders of his 1957 monopoly decree, which was affirmed Monday by the U. S. Supreme Court at Washington.

Judge Ryan's sweeping antitrust decree provided that James D. Norris and Arthur M. Wirtz, long-time principals in the IBC, must sell all their stock in New York's Madison Square Garden Corp. And they must also dissolve the IBC clubs of New York and Illinois.

## Florida Southern Beats Jacksonville

LAKELAND (UPI)—Florida Southern defeated Jacksonville University 89-79 Monday night to gain a tie for second place in the Florida Intercollegiate Basketball Conference.

Forward Bob Gelling led Southern's attack with 22 points, while guard John McNamara got 20. Pete Fannon and John Watson each had 18 for Jacksonville.

Southern and Jacksonville are now tied for the No. 2 position in the Florida league, with the University of Miami in first place.

Its 454 square miles makes Los Angeles the nation's largest city by area.

seasons from Minnie Minoso and Larry Doby. If these boys come through, we'll be tough to beat. There was some talk last season that the Indians might be moved away from Cleveland because the fans were no longer supporting the club. I think we have the kind of team this year that will lure the citizens of Cleveland back to Municipal Stadium.

We are going to have a fast,

## Seminoles Beaten By Cats, 73 To 55

The Sanford Seminoles ran out of steam in the second half last night and were beaten by Winter Park, 73-55, in an Orange Belt Conference basketball game.

## 'Double X' Seeks Baseball Job Again

SCOTTSDALE, Ariz. (UPI)—Jimmy Fox, dismissed by the Boston Red Sox team for which he starred two decades ago, let it be known today that he still wanted to stay in baseball and would look now for a job with another team.

"Double X," second only to Babe Ruth in home runs and a member of baseball's Hall of Fame, got his walking papers from the Boston organization after serving a season as coach and "special batting instructor" for Minneapolis Millers.

"It was a shock," said Fox at his home here. "Joe Cronin (Red Sox general manager) gave me the impression I was set with the organization," he said. "You think you've got a job and then out of a clear blue sky you're out on a limb."

It was only a year ago that Fox, who earned more than a quarter of a million dollars before retiring in 1945, turned up in Miami, Fla., broke and out of a job. He was invited to last year's Boston baseball writer's dinner and a short time after that, was offered the post of coach with Minneapolis at a salary of about \$8,000.

Fox said he was never given a full explanation for the move. But in Boston, Cronin explained that the move was made primarily because Minneapolis planned to use combined coaches and players in an economy move.

## Stetson Is Beaten By 3 Foul Shots

DELAND (UPI)—Mississippi Southern sank three free shots in the final 41 seconds Monday night to squeak past Stetson, 58-56.

Senior guard Hal Kea and center Sam Hollingsworth led Southern, getting 22 points and 12 points respectively. Hollingsworth got two free throws in the closing seconds and Kea added the third for the victory.

Guard Gene Wells was high scorer for Stetson with 19. The score was tied 17 times during the game, with Southern holding a 29-27 lead at intermission.

## Quits Auto Racing

LONDON (UPI)—Tony Vandervell, British racing auto owner, said today he is quitting the sport on doctor's orders. "My doctor told me I must give up the strain of running a 30-man racing team," Vandervell said. Vandervell's six Vanwall racing cars have become famous at race tracks the world over during the past few years.

hustling club with a lot of young players. It should be interesting to watch all season. We've got a lot of fellows who like to win and they are going to play that way. General Manager Frank Lane obtained Billy Martin for second base. Everyone knows he's a hustler.

## Charity Night Set At Track Thursday

Track officials are continuing preparations for Thursday's annual Charity Night at Sanford-Orlando Kennel Club.

All profits from the special 10-race card will be donated to charity organizations in Seminole and Orange counties.

Charity and scholarship donations by the kennel club last year exceeded \$10,000, including some \$3,000 raised at the Charity Night racing.

Asst. Mgr. Jack Ledoux said especially fast cards are planned each year for the benefit races because "good causes such as these deserve the best racing talent available."

In tonight's featured ninth race of a 10-race schedule, I'm Golden's ability is figured to glitter from the eighth post position. The fast red dog weighs 78 pounds, and has scampered to one of the three pay positions in four of six starts.

An all-gold finish will result if heavy (81 pounds) Golden Glide shows another stretch finish like she did on Christmas Eve. The beautiful red fawn dog has posted only one race in the top three, but impresses fans with good times.

The first and 10th races tonight will be long 3 1/2 mile events, when only the strongest breds can survive the grueling tests.

'Bama Hangs On To Defeat Gators  
GAINESVILLE (UPI)—Florida threw a scare into Alabama with a second half rally Monday night, but the Crimson Tide recovered its poise in the waning minutes and went on to win, 22-17.

Alabama took a comfortable lead in the first half and was in front 43-34 at halftime. The Gators, led by Frank Etheridge, sliced in the lead in the second half until Alabama sharpshooters Roy Johnson and Larry Kaplan found the range.

Etheridge was high scorer for the night with 20 points. Johnson got 17 and Kaplan 14 for Alabama.

## Exiles Ignore Mikoyan, Greet Russian New Year

NEW YORK (UPI)—A group of Americans on whom Anastas I. Mikoyan's salesmanship is utterly wasted greeted the Russian New Year today in a ceremony touched with the almost forgotten splendor of the czarist Russian court.

While the Red deputy premier slept at the Soviet U. N. delegation headquarters, New York's long-established colony of White Russian exiles danced away the night at the tenth annual Bal Blanc White Ball across town at the Hotel Astor.

If Mikoyan's visit stirred fading memories of Bolshevik atrocities and assassinations among the aristocratic celebrants, there was no outward sign to mark the arrival of the New Year according to the czarist Julian calendar.

The guest of honor at the \$25-a-ticket dinner dance was Prince Vera of Russia, 52, second cousin of the murdered Czar Nicholas II and sister of another victim of Bolshevik firing squads. The plain, bespectacled Romanoff princess, who works for the Russian Children's Welfare Agency here, said Mikoyan couldn't spoil her evening because she believes her adopted countrymen are too smart to fall for Communist sweet talk.

## Graham's Trouble Apparently Nerves

ROCHESTER, Minn. (UPI)—An eye spasm that has plagued evangelist Billy Graham appears to be more an emotional reaction than an organic disability, according to his private physician.

Dr. Kenneth Geler, Graham's longtime friend and physician who came here to assist examinations at the Mayo Clinic, described the ailment as "a spasm of a blood vessel in a sensitive portion of the left eye."

"It is a nervous reaction more than an organic thing," Geler said, resulting from "nervous tension and strain."

"The public's interest in this case is quite understandable," he said. "Everyone loves Billy."

The 40-year-old revival leader entered Mayo Clinic Tuesday for tests after pain connected with the spasm forced him to cancel a Dallas, Tex., speech and postpone a planned Australian crusade for a week.

A spokesman said Graham probably will remain in the clinic until Friday.

## Quotable Quotes

United Press International

BONN, Germany—West German Chancellor Konrad Adenauer, on the possibility of Russia starting a war over the German problem: "They (the Russians) want to control the world, not a dead world, but... power over a living world. For this reason, the question facing them is how to come closer to their goal by means of the cold war."

WEST POINT, N.Y. — Army football coach Earl (Red) Blaik, on resigning after 18 years as head coach: "It is with a deep sense of personal regret that I leave the military academy. I have concluded, however, that this is the proper time for me to withdraw from college sports."

WASHINGTON — Rep. Paul A. Fino (R-N.Y.), on plans to reintroduce his federal lottery bill: "This painless form of taxation will bring into the coffers of our government over 10 billion dollars a year in added revenue which can be used for tax cuts and part payments towards our tremendous ever-increasing national debt."

## Suit Is Dropped Against Circus By Mrs. Sanford

SARASOTA (UPI)—Charges of mismanagement and money-squandering against top officials of Ringling Bros., Barnum & Bailey Circus have been withdrawn by three minority stockholders.

Mrs. Hester Ringling Sanford and her two sons had the mismanagement suit dropped in Circuit Court here Tuesday. The defendants were President John Ringling North, Vice President Henry Ringling North and General Manager Arthur Concello.

There was no explanation of the action, except that they told Circuit Judge Woodrow Melvin that they had received no answer to the suit and that they did not wish for the litigation to continue. There was a report, however, that the matter had been settled out of court.

The plaintiffs had charged that the circus lost 20 million dollars in the past 10 years because of mismanagement. They asked that the defendants be dismissed as circus officials and ordered to account for funds allegedly wrongfully spent.

## Cuba Interrupts Trials, Executions

By FRANCIS L. MCCARTHY

HAVANA (UPI)—The revolutionary Cuban government announced today it was only interrupting — and not ending — the wave of executions of Batista men accused of murdering up to the past six years.

In an apparent bow to public criticism abroad the presidential palace announced the government would halt mass trials and executions until new regulations are fully circulated to the rebel courts. It invited full press coverage when the trials are resumed.

The Cuban people appeared fully in agreement with the revolutionary justice that has taken more than 200 lives. Rebel leader Fidel Castro and Foreign Minister Roberto Agramonte issued statements defending rebel action thus far.

No date was fixed for resumption of the revolutionary justice which was halted throughout the island late Tuesday after a reported 200 persons had been executed by rebel firing squads. Additional thousands still face trial.

## Boy On Trip, Hopes To Save Eyesight

NATCHEZ, Miss. (UPI)—A little boy flies to the West Coast today on the slender chance that a specialist there may be able to restore his failing sight.

Hugh Thornhill, who will be seven years old Thursday, had been scheduled to have his one good remaining eye removed today because of the continuing ravages of glaucoma.

But Tuesday a man named C. Shreie in Utah wired Natchez Mayor Troy Watkins, reporting that Dr. William Ferguson of 490 Coast St., San Francisco had saved the sight of his grandchild, who had suffered the same disease.

Churches, the Police Department and various organizations in Natchez organized a quick fund drive toward the purchase of an airline ticket.

Hugh's parents, Mr. and Mrs. Louis A. Thornhill, were to accompany him on the flight. They originally intended to make connections with a westbound American Airlines flight at Memphis this morning, but decided Tuesday night to go by way of New Orleans. The exact flight schedule was not available.

Ferguson told Mrs. Thornhill by phone Tuesday that chances of "are very good."

### WMU Circles To Meet Thursday

By MARIAN R. JONES

All circles of the First Baptist Church will meet Thursday night, 7:30 at the Educational Building. Immediately following individual brief business sessions, circles will adjourn to the main room for WMU business and program.

"The Mountains Break Forth", story of Alaska, will be presented by members of the Katie Sue Circle, Mrs. Gene Gore, chairman.

All members are urged to attend in observation of WMU Focus week. Refreshments will be served by social chairman of the four circles.

### Wrecked Village To Move, Rebuild

**ZAMORA, Spain (UPI)**—The village of Ribadellago, crushed last week when a giant dam burst above it, will be rebuilt, but at "some distance" from its original site, a government spokesman said today.

The village was smashed early Friday by a giant wave of water that left almost one-third of its 500 inhabitants dead or missing. As of noon today, the official casualty toll stood at 24 dead and 121 missing.

A convoy of American Air Force trucks was rushing aid to the survivors today.

The trucks carried powdered milk, cheese, mattresses, blankets and cots and 10,000 flight rations, an Air Force spokesman said.

### Forgot Eyeglasses

**LONDON (UPI)**—Viscount Hailsham, Conservative Party leader had to scrap his prepared speech and speak off the cuff here Monday. He forgot his eyeglasses and was unable to read his prepared text.

### Gettysburg Battle

**HARTFORD, Conn. (UPI)**—The Battle of Gettysburg is being fought again, this time in court. It's a copyright infringement suit over a musical score to Lincoln's Gettysburg Address.

## Cold Hits Area, But Damage Very Slight

Three straight days of freezing, or near-freezing, temperatures in Seminole County caused some damage to vegetables, fruit, trees and other plants.

But, if the cold wave had to come, it came at the best possible time, according to Warren O. Johnson, chief forecaster of the Federal-State Frost Warning Service in Lakeland.

Johnson said many farmers are between planting seasons. Early crops had been harvested, new crops had not peeped above the ground when the cold hit. He said it would be several months before the full damage estimate could be made, but added that it should be very slight.

The freeze was nothing like that which hit Seminole County, and most of Florida one year ago.

It was, however, cold enough to be somewhat uncomfortable. Heavy frost wilted flowers and blooming shrubs; the 32-degree temperature got furnaces in high gear, brought out sweaters and a few topcoats.

As in the case of the temperature a few weeks ago, Sanford again was the city with the "mostest." It was here that the cold was concentrated, just as the warm air was concentrated when we had the warmest city in the U.S.

With very little damage to tender vegetables, a few trees nipped and flowers killed, Seminole County is fortunate. It could have been much worse.

Of course, all of this could be changed before spring arrives. But we're trying to put the "whammy" on the weatherman by suggesting that this was the winter for the Sanford area.

Now that all of the cold weather (we hope) has departed, we now may turn our attention to more pleasant conversation, such as: how hot will it be in summer?

## Opposes Prosecution

The father of a baby kidnapped from a New York hospital nursery about two and one-half hours after birth has declined to press charges against the 13-year-old grandmother arrested for the theft of the tot.

The decision of Frank Chionchio, a 28-year-old attorney, is certain to be the subject of much discussion, particularly among law enforcement officers.

Allowing the widow to go free, some will contend, would encourage such acts. On the other hand, Chionchio and his wife were keeping a public pledge to the kidnaper, a promise of no prosecution if the child were returned unharmed.

The 11-day-old baby was in good health, had received the best care the woman could give. But, she didn't return the child. FBI and police officers traced the child to the home and proved that the tiny girl was Lisa Rose Chionchio. The woman insisted that the child was her own, but later confessed after undergoing a medical examination.

And why did she steal the Chionchio child when she had eight of her own? Well, officers said, it appeared that she had hopes of "conning" her boy friend into marrying her. The child was to be Exhibit A in her case for marriage.

Chionchio finally agreed to sign the complaint. This came only after a judge told him that he could be subpoenaed and forced to testify against the woman. When he signed the complaint, however, Chionchio let it be known that the State of New York, not the Chionchio family, is pressing charges.

He said, too, that the family has no ill will for the kidnaper.

The joy of getting the child back safely evidently outweighs the sorrow and fear caused by the tot's 10-day absence.

## Inez Robb Says

BY INEZ ROBB  
When Dr. Milton S. Eisenhower, president of Johns Hopkins University, says that for too long the United States Government has been too buddy-buddy with Latin-American dictators, my impulse is to shout "Amen!"

His suggestion that we carry up to the democratic leaders and forces South of the Border merits another "Amen!"

But Uncle Sam isn't the only American guilty of offering sanctuary, aid and comfort over the years to South America's most notorious tyrants. Many leaders

of industry, gossip columnists, and both cafe and cafeteria society on the East and West Coasts have made heroes of these bums and their offspring. The very persons who should have exercised the most wisdom, taste and democratic discernment in their association with such characters have shown the least.

The last time I saw Fulgencio Batista in the United States, he was being escorted to a session of the United Nations by the last "queen" and formidable ruler of New York society, the late Mrs. Cornelius Vanderbilt. I couldn't have been more surprised or shocked if she had turned up with a rattlesnake.

At that time Batista was between his two iron-fisted, dictatorial reigns over Cuba. Everyone in the United States who could read knew him for what he was. I wouldn't have permitted him in my back door, much less the front. But society or what passes for society in New York took him up. After all, he had pockets of money and he had learned not to mix his peas with his mashed potatoes before taking them up on a knife.

I read that Batista owns a house in Miami Beach and an apartment in New York. And it is a sure thing bet that if he decides

to occupy either, he will find ready-made cafe sycophants to keep him company in either city and gossip columnists to record his every move.

What really counts on the cafe circuit, East and West, is the ability always to pick up the tab, and let's never mind where the money came from or how bloodstained it is. I'll still buy champagne, won't I?

Look at the success of Junior Trujillo on the Hollywood circuit! A few sports cars distributed here, a few fur coats there, and he was the darling of the colony and its historians. Or maybe the movie columnists were only too painfully aware of the fate of Dr. Jesus Galindez whose writing apparently offended the tyrant of the Dominican Republic.

But for once Uncle Sam resisted the impulse to cotton up to one of the boys. He refused to bestow on Trujillo, J. G., a certificate of graduation from the U. S. Army Command and General Staff College at Fort Leavenworth, Kan., where Junior had matriculated but scarcely studied.

After that, Junior picked up his yacht and went home. But never fear, if he returns, a few sports cars wisely distributed here and a few fur coats there, and Junior will be back at the top of the heap on the cafe circuit.

Every report on Vice-President Nixon's almost fatal reception during his South American tour pointed out that South American resentment of United States sanctuary for dictators played a large role in the inexcusably violent flare-ups.

American industry should get over the lingering idea that you can do business with dictators. And surely "society" on both coasts can find someone to pick up the check besides the enemies of democracy.

If Uncle Sam at last is going to give the arm to South American dictators, after their own people have given them the foot, as in Batista's case, the rest of us Americans ought to follow suit.

## Letters To The Editor

Editor  
The Sanford Herald  
Sanford, Fla.

Dear Sir:

Yes, sir, it's about time that the local merchants wake up and concentrate on "Courtesy" and "Trade at Home." I am a Navy wife, and I want to like it here; although I can't spend too much money. I have a large family to feed and clothe.

The clerks in the downtown stores, ESPECIALLY in your largest store, don't seem to care whether they wait on you or not. They always walk away to greet and wait on their local friends. I had my fill when I redeemed my Welcome Wagon coupons. Believe me!

It would be wonderful if especially the president of the local merchants' association would check on himself before instructing at meetings. Too bad you didn't think of having your drive before Christmas; I bought 63 presents, my friend 78—yes, in Orlando. We bought the least at the base; we bought where the clerks looked at us and did not look us over as to our potentialities in buying power.

Please believe me, I am most sincere. I do like it here, except for the above.

Very Truly Yours,  
Mrs. A. T. (Bertha) Hawthorne  
P. S. The Welcome Wagon idea is fine; I am not critical of that at all.

## Service Officer Will Visit Here

Veterans, dependents or survivors may consult a state service representative from the Florida Department of Veterans Affairs on Thursday.

Appointments for the meetings may be made in advance by calling Karlisle Householder, Seminole County Service Officer.

Personal interviews will be available from 2:30 p. m.

The dollar volume of new residential construction in 1959 is expected to reach about 14.6 billion dollars.

## Wedding Creates Business Crisis

TOKYO (UPI)—The wedding in May of Crown Prince Akihito to commoner Michiko Shoda is creating a crisis in Tokyo business circles.

Business firms reported that a record number of women employees are quitting their jobs so they can be married the same time as the prince.

Akihito and Miss Shoda will become formally engaged Wednesday, and the wedding is tentatively set for May.

Women office clerks believe that they will have a better chance for happiness if they get married at the same time.

Very Truly Yours,

Mrs. A. T. (Bertha) Hawthorne

## Nelson And Neal Scheduled On TV

Nelson and Neal, twin piano team scheduled to appear in Sanford Mar. 30, will be the surprised guests tonight on "This is Your Life," televised in the Sanford area by WESH-TV, Channel 2, at 10 p. m.

Nelson and Neal's performance will conclude the series of entertainment in the Mutual Concert Association program.

The Chanticleers will open the series Jan. 30 at the Sanford Civic Center. The male quartet has a record of several European tours and many nationwide. This will be their second appearance in Sanford.

Season tickets are still available from Association members. The non-profit organization is offering three performances for \$3. Student tickets are \$1.50. The Dance Drama group will be seen in Sanford Feb. 3.

A meeting of Association ticket salesmen will be held next Monday at 3 p. m. in the Mayfair Inn. Chairman Frank Mebane Jr. has urged all solicitors to attend.

## Local Briefs

Tonight is the final opportunity for square dance beginners to register for the new class at the Sanford Civic Center. The class will begin at 7 p. m. under the direction of Mr. and Mrs. Joe Curtis. Advanced square dancing starts at 8 p. m. Visitors are welcome.

Mrs. David Wendell, Lansing, Mich., hasn't forgotten the little boy who found her wallet in Lake Mary last November. When The Herald made a remark about Stanley Howell having first crack at her cookie jar after the Wendells moved to Florida, grateful Mrs. Wendell jumped the gun and sent him three pounds of home-made cookies. The wallet contained \$1,375, with which the Wendells planned to buy property in the Lake Mary area.

## Lake Mary Couple Celebrates Golden Wedding Anniversary

Mr. and Mrs. J. A. Peckham, Lake Mary, celebrated their golden wedding anniversary at an open house Sunday. The couple

was married in Detroit on January 11, 1908. They have resided in Lake Mary for the past 55 years. Mr. Peckham is retired from the A.C.L.

Mrs. Peckham, gowned in a flowered silk with a gold corsage, and Mr. Peckham greeted guests at the door. Their granddaughter, Mayrene Peckham, Tampa, kept the guest book. The lake front home was decorated with floral arrangements and candles in a gold motif.

The refreshment table was overlaid with a lace cloth and centered with a white and gold cake. Presiding at the punch bowl were the two daughters-in-law, Mrs. Clarence Peckham, Tampa, and Mrs. Stanley Peckham, Ben Hill, Ga.

Others assisting at the table were Ann Haskins, Tampa, and Mrs. A. J. Price, Winter Park.

Attending were: Mr. and Mrs. John Dickey, Mr. and Mrs. I. E. Estridge III, Mr. and Mrs. John Higgins, Mr. and Mrs. Robert Harvey, Mr. and Mrs. W. R. Howard, Mr. and Mrs. David Van Ness, Mr. and Mrs. Jack Schirard.

Miss Lois Barneau, Donald Howard, Miss Nancy Smith, Ed Nau, Miss Patty Walker, Edward McCall, Miss Barbara Flynn, Bobby McGill.

It and Mrs. Lou Page, Jacksonville, were weekend guests of Lt. and Mrs. Harry F. Bryant.

Mrs. Chester Sprick, Detroit, Mich., is visiting her mother, Mrs. Mabel Lowe.

At the close of the meeting refreshments were served to the 18 members present.

## Sorority Has Dance

A dinner dance was enjoyed Saturday evening at the Mt. Plymouth Hotel by the Gamma Omicron Chapter of FSA, their husbands and escorts.

The group gathered at the hotel at 7:30 p. m. for cocktails. A private dinner in the dining hall followed.

The couples danced after dinner.

Attending were: Mr. and Mrs. John Dickey, Mr. and Mrs. I. E. Estridge III, Mr. and Mrs. John Higgins, Mr. and Mrs. Robert Harvey, Mr. and Mrs. W. R. Howard, Mr. and Mrs. David Van Ness, Mr. and Mrs. Jack Schirard.

## Central Circle Has Meeting

The Central Circle of the Sanford Garden Club met at the home of Mrs. H. H. Brewer Thursday afternoon. Co-hostesses were Mrs. B. C. Moore, Mrs. Wurt Warner, and Mrs. James Moughton.

Mrs. Moore, devotion chairman, read a poem, "Beauty in Commonplace Things". She led in prayer.

Mrs. J. W. Schwarz, president, reported that Sanford has been voted a bird sanctuary. Mrs. I. W. Turner presented an interesting and informative paper on plants, trees, and flowers spoken of in the Bible.

At the close of the meeting refreshments were served to the 18 members present.

# 'Ifs' Hold Key To Card Hopes

**EDITOR'S NOTE:** This is the third of 16 dispatches by the major league managers giving mid-winter appraisals of their teams.

**By DOLLY MEMUS**  
Manager, St. Louis Cardinals  
Written for UPI

**HOUSTON, Tex. (UPI)**—The St. Louis Cardinals, if we can come through as we expect to with a few "ifs" for the club, definitely should be considered one of the top contenders for the 1959 National League pennant.

We're not going to be in there this year just to get into the first division, but to win the pennant. But it would be too early at this time for me to definitely predict we will win it.

The main club to beat again will be Milwaukee, although they have never won a pennant without Red Schoendienst and probably will have trouble staying on top without him. He's one of the steadiest infielders in the business and they will have a tough time replacing him.

**Respects Pittsburgh**  
Pittsburgh also will be thought of quite highly by their well-balanced club. Their pitching has improved over last year and they should be one of the top contenders. San Francisco also is im-

proved and Jack Sanford should help their pitching staff. In fact, every club in the league has helped itself some and with Schoendienst missing from the Braves lineup, there should be a very tight race for the pennant.

As for the Cardinals, we need

to strengthen our pitching staff. Our starters will be Sam Jones, Larry Jackson and Vinegar Bend Mizell. Jackson is just coming into his own and should be a big winner.

Ernie Broglio will be a bright prospect in spring training and I

believe he will help us a lot this year, although he's never pitched in the big leagues. He has a good fast and curve ball. Jim Brosnan will be our "long man" in the bullpen. Alex Keller, acquired in a trade with Cincinnati, will be effective as a relief pitcher, and is good against left-handed hitters.

**Good Spot Relievers**  
We also have Marv Grissom, whom we got in a trade, and Lindy McDaniel, both of whom should be good spot relievers. Our infield should compare well with any in the league, with Joe Cunningham at first, Don Blose at second, Ken Boyer at third and Alex Grammas at short stop. Lee Tate still is considered a good prospect at short.

Our outfield, with Stan Musial, one of the greatest ball players I've ever seen play, in left field, should have good control over the long hit this year. We've moved Musial back to the outfield from first because I think this will let him play in more games.

Centerfield still is open for grabs. We have Gino Cimoli, Kurt Flood, B. G. Smith, and Ellis Burton under consideration. Charley James, who played with Houston last year, also will get a long look for the outfield at spring practice.

## Blaik Will Retire; Successors Hinted

## Burnett Increases Lead In Bowling

Tonight in the Sanford Bowling League, the "Match of the Week" will pit second place Bokur's Music Shop against league-leading Burnett's Painters.

The Painters will be trying to increase their lead to a safe margin on lanes 1 & 2. Gene's Seminoles Dry Cleaners will take on New York Life Insurance on lanes 3 & 4, with the Celery City Printers Co. attempting to regain fourth position from Mather of Sanford.

Mather swept three games from Seminoles Dry Cleaners last Wednesday night to go into fourth place ahead of Celery City. The Printers could take only one game from Burnett. New York Life took two games from Bokur's in other alley action.

Garry Fox led the Mather team in its sweep with his 541 series. Captain Bill Katre tried to stem the tide, but his 320 wasn't enough. In the "Match of the Week" between second place Bokur's and third place New York Life, the Insurance men were led by their double victory by H. K. "Doc" Ring, who rolled a 517, while Captain George Swann led the Mather team to their win with his 497 pinfall. Burnett increased its league lead to six and a half games, as consistent team bowling, led by Tom Brown's 494, overcame the Printers, who were led by Carl Von Herbulis' 522.

"Split-shrinkers" for the night were many, as the league picked up action after the holiday vacation. Fox made the 27. Von Herbulis the 45.7. Harold Herbst got the 5-6-10. Clyde Piercey made the 5-7-9. Swann and Ring picked up the 5-7. Jesse Cook the 2-10. Hank Kretzer the 5-8-10, and George Kenis the 2-7-10.

In the battle for individual honors in the league, Fox took over the lead as the high average bowler, beating out Dick Richards by three pins. However, Richards still has the high three series for the season, while Jesse Cook has the high individual game with a 242. Celery City Printers have rolled the high team series and the high team game with a 916-2588 total.

Averages after last week's bowling are:

Fox and Richards—164. DePalma—163. Von Herbulis—164. Maloney—163. Wheeler and Best—162. Katre and Steller—161, and Steele at 160.

Pezold and Callan at 159. Swann, Kenis, and Cook at 158. Ferguson and Bokur at 157. Gilstrap, Kretzer, Rugenstein, and B. Borsdorf at 154. Kirchhoff, Piver, and Ring at 153. Huhn—151, and Herbst, Proctor, and Hollar at 150.

Burnett—149. Brown—148. Piercey—145. Estridge—143. Harrison—134. O. Borsdorf—128, and Prescott—117.

## Fastest Field Set For Track Tonight

Probably the fastest field of the season is scheduled tonight at Sanford-Orlando Kennel Club when racing fans will see three Grade A events, one of which will be a popular 5 1/2 mile race.

In the ninth event of the 11-race card, Fable Birdie will be out for her third straight triumph, from the third post position. But this will be Fable Birdie's first run in the tough A competition, and fans will favor stalwarts such as Guttersnipe, Rocky Macclinty and Pretty White.

In the 10th event, track champion Indurall moves out from the third post position. The 70-pound speedster won his last race by nine lengths, and few fans expect an upset.

A lightweight on Indurall's left, the second position, however, may have different ideas. She's spunky Young Pepper who gathered enough pep to upset a fast Grade A field Monday, paying \$60 to win.

Another fleet greyhound is Cr Tears, who so far has only had a rear view of Indurall. But Cr Tears always makes a gallant stretch finish, and some observers think the red fawn female will defeat Indurall before long.

Hel Del leads the field in the extra long 11th race. She's the only hound to defeat Indurall, her full brother. Hel Del drew the second post position.

## 25 Cubs Are Signed

**CHICAGO (UPI)**—The Chicago Cubs brought their list of contracted players to 25 by announcing the signing today of right-handed relief pitcher Elmer Singleton and outfielder Paul Smith.

## Two Coaches Fired

**STARKVILLE, Miss. (UPI)**—Wade Walker, Mississippi State's head football coach, announced Monday that assistant coaches Bob Kallous and Harper Davis have been fired. The dismissals are believed to have been brought about by the school's poor 3-6 won-lost record last fall.

**Duke Signs, Ready To Start Training**  
**LOS ANGELES (UPI)**—Duke Snider, the big man in Dodger plans, was ready and willing today to get an early start at spring training now that he's disposed of the business of signing his 1959 contract.

Snider, highest paid of the Dodgers, probably took a slight cut from last season, but still was believed to have received about \$30,000. Sidelined part of last season with a bad knee, Duke got special permission to go to the Dodgers spring camp at Vero Beach, Fla., with pitchers and catchers next month, instead of waiting for other regulars.

## Bout Postponed

**BOSTON (UPI)**—Next Monday's scheduled 10-round middleweight fight between Paul Pender of Brookline, Mass., and Rocky Tomassello of Mattawan, N.J., has been postponed. The bout was called off by promoter Johnny Buckley because Pender is ill with a virus infection.

## Lake Mary Reading Ability Is Subject Of Meeting

By KETIE JANE KEOGH

The guest speaker for the Lake Mary School P-TA recent meeting was Mrs. M. Golt, Supervisor of Elementary Education, who spoke on the teaching of reading in the schools. She displayed books used in the school, explained each and stressed importance of giving children experiences such as reading to them and listening to them retell the nursery stories. Readiness does not come to all children at the magic age of six, no one will find many levels of learning in each.

The Rev. John Pilley, of the Community Presbyterian Church, gave a devotion on readiness.

P-TA president, Mrs. W. C. Hopkins, expressed appreciation of the group, as a whole, to Mr. and Mrs. Robert Mohr for their work as chairmen of the Halloween Carnival. She also expressed her views of the recent P-TA State Convention in Sarasota.

The Spring Festival was announced, with exact date to be announced later.

Mrs. Marshall Smith, membership chairman, reported a total of 43 members in the local P-TA.

The first, second and third grade mothers served donuts, punch and coffee to the 45 members present.

Former Resident Dies  
Word was received this week of the death of Mrs. Winifred Ramsey, former Lake Mary resident. Mrs. Ramsey has been away from this area for some years, but was well known here.

While living here she was active in all work, especially in music of the Community Presbyterian Church. Through her efforts, a junior choir was formed and a new piano purchased, along with many things she inspired in the church.

She was an artist and a poet in many homes in Lake Mary. Her "Sunset on Crystal Lake" is the most memorable of her work that can be found today.

Mrs. Ramsey was 86 at the time of her death Dec. 30, in Audubon, N. J., where she was residing with her daughter and son. She had been ill for some eight years.

She was the widow of the Rev. Robert M. Ramsey, who died in 1931.

Surviving are two sons, Robert A. and J. Douglas, a daughter Katherine, all of Audubon, three grandchildren and one great grandchild. Funeral services were held in N. J., and interment was in Ringwood, W. Va., her home town.

Persons  
Mr. and Mrs. H. M. Gleason were weekend guests of his brother and sister-in-law, Mr. and Mrs. C. A. Gleason in Ocala.

Mrs. Richard Keogh will be hostess Tuesday, 8 p. m. for the Circle 2 meeting of the United Presbyterian Women.

Among out-of-town guests here to attend the Golden Wedding anniversary of Mr. and Mrs. J. A. Peckham Sunday were Mr. and Mrs. Stanley Peckham and son, Bobby, Ben Hill, Ga. and Mr. and Mrs. Clarence Peckham and daughters, Maylene and Joanne, Tampa.

Miss Jane Fales, Field Director's office, Presbyterian Church, Orlando, visited friends here this weekend.

## Lost By A Nose

BRISTOL, Va. (UPI)—Dewey H. Offield, arrested on suspicion of drunken driving, told police what they smelled on his breath was the aroma of blackberry jam.

Judge Robert Davis fined Offield on the word of the arresting officer that the aroma was that of whisky.

## 39 Years On Train Ends; Engineer Makes Last Run

C. Lawrence Lyons, engineer for the Atlantic Coast Line for the past 39 years, made his last run with the railroad yesterday.

Lyons, who makes his home in Tampa, retired with one last run through Sanford, from Jacksonville to Tampa. In 1920, he started with the ACL as an engineer, and for the past 17 years has been engineering passenger trains from Jacksonville to Tampa.

## Guns Spout Death Across Cuba Again

HAVANA (UPI)—Firing squads were active throughout Cuba at dawn again today but authorities in Havana said the "No. 1 war criminal" of the Batista regime temporarily had escaped revolutionary justice.

The reports said Maj. Gen. Fulgencio Batista had been hospitalized for an operation for stomach ulcers. Fidel Castro has accused him of a doublecross for allowing ex-President Fulgencio Batista and his principal henchmen to flee Havana.

At the same time the government announced the first step to war against Batista, the military dictatorship and presented Cuba with its first citizen president in six years.

Trial and execution of "war criminals" was reported interrupted throughout most of Cuba Wednesday although 10 more were executed by firing squads Wednesday morning.

Thousands await trial.

Today the trials and executions resumed and Castro pledged they would continue until the last of the "Batista assassins" are shot. Several thousand suspects are in jail, 600 of them in Havana.

Among the 600 taken to Cabana fortress was Castillo, who attempted personal peacemaking negotiations with Castro a few days before Batista's flight and who headed a short-lived junta government.

## Siren Wail Leads To Traffic Crash

A Casselberry policeman inadvertently caused an accident yesterday afternoon on Highway 17-92.

When a motorist passed a stopped school bus, the policeman gave chase with his siren screaming.

Ruth S. Herlein, Dayton A. Beach, and Edwin M. Clark, Traveler's Rest, S. C., heard the siren behind them at the same time. Mrs. Herlein stopped her convertible; Clark looked back to see what was going on, and ran his truck into the rear of the car.

## Boredom Banished With Gadget Bed

LONDON (UPI)—Do you lie awake nights? Do you toss and turn? Have you got \$7,000 for a bed that will end all those problems?

Well, this new model bed put out by a London bed manufacturer may not help with your insomnia but it will keep you from getting bored.

You can fiddle with separate heating units built into its two mattresses or brew a cup of tea in a tea maker. Or finger your jewelry in a built-in, velvet-lined jewel drawer. Or use the built-in electric razor or tape recorder.

## Woman Returns To Home At Night

Mrs. Irene Stevens returned to her Palmview Ave. home last night, after police and sheriff's authorities had searched in vain for her since 3:40 a. m. yesterday.

The expectant mother told Lt. Joe Hickson of the Sanford Police Department that she had not left the area all day. According to Mrs. Stevens, she had slept in a truck by the Foodmart on 25th St., and later walked to Wade's Super Market for something to eat.

## Waterlogged Safe Pulled From Lake

A waterlogged safe with the bottom chipped out has been pulled from the waters of Lake Brantley and identified as the one stolen last month from Vaughn Inc., Fern Park. The robbery still is unsolved.

Lake Brantley residents reported the find to the Seminole County Sheriff's Department when fishing boats scraped against the metal box.

## Boy Grabs Radio; Groceries Lost

A boy "about ten" stole a transistor radio that had been placed on a washing machine in the Park and Wash Laundry, Tuesday.

Mrs. Otis Johnson said the boy grabbed the radio as she was doing her laundry and ran across the dirt road behind the building. Police searched the area without results.

Gordon Meyer, owner of the laundry, also reported the theft of a wall clock and stated that clothes had been strewn around the floor.

## Sanford Will Host Veterans Sunday

Sanford will host the District 7 conference of Veterans of World War One of the U.S.A. Sunday morning at the Civic Center.

Registration for the 12 Barracks in the district will start at 9 a. m. Local arrangements have been made by Sanford Barracks No. 666. The conference will adjourn at 1 p. m. to the American Legion Building, 2 miles south of Sanford on Highway 17-92, where members of the Auxiliary will serve dinner.

## Judge Faces Criminal Contempt

### Criticism Invited

Criticism sometimes is hard to take, Sanford merchants, however, invite it.

John Krider, manager of the Seminole County Chamber of Commerce, and Francis Roumillat Jr., chairman of the Retail Merchants' Division, have extended an invitation to local residents to "state their cases" in letters to The Sanford Herald.

Krider and Roumillat said suggestions, analysis, desires and criticisms of local business-shopper relations "offer us, the merchants, the only means of learning what we want to know: how to serve you better."

Such a letter appeared on the editorial page of The Herald yesterday.

Local merchants are working in many ways to improve their services to shoppers. An all-out campaign to build Sanford as a shopping center now is under way.

Got a pet peeve which would help Sanford to serve you better? If so, take pen in hand.

### Army Will Shoot Moon Again Soon

NEW YORK (UPI)—The Army disclosed today that it expects "shortly" to launch its second moon rocket.

It Gen. Arthur G. Trudeau, research and development chief, made the announcement in a speech prepared for the National Security Industrial Assn.

The Army's first lunar probe was launched last Dec. 8 and traveled about 66,000 miles into space before falling back and burning in the atmosphere.

"We are now preparing for our second lunar probe to be launched shortly," Trudeau said.

He gave no other hint of the date. The Army passed up the last favorable time for a moon rocket launching at the start of this month and presumably also will let the next favorable time go by. That would be at the end of this month.

The government will launch about 10 space probes this year, including a dozen artificial moons.

T. Keith Glennan, chairman of the National Aeronautics and Space Administration, told newsmen Wednesday.

But Glennan refused to say if 1959 would see any American interplanetary shots.

### Alabamian Defied 'Rights' Probers

MONTGOMERY, Ala. (UPI)—Federal Judge Frank M. Johnson today ordered criminal contempt proceedings against Circuit Judge George Wallace for his defiance of the Federal Civil Rights Commission.

The U.S. district judge cited Wallace for contempt on grounds that he refused to produce records of the state's segregationist voting rights in Alabama.

Johnson had issued three separate orders to Wallace demanding production of the vote books with the final deadline Tuesday, but the outspoken segregationist turned the records over to grand juries in each county at the last minute.

Johnson said, "The respondent, Wallace, refused to technically comply with the order of this court . . . by devious methods."

The commission is investigating alleged violations of Negro voting rights in Alabama.
