Soviets Ask UN Debate On Arms

UNITED NATIONS, N. Y.—(UPI)—Russia today asked the General Assembly for a full debate on Premier Nikita S. Khrushchev's outline for "general and complete disarmament."

Khrushchev, in the major speech of his U. S. tour, last Friday proposed to the assembly that all the world's arms, atomic and all forms be abolished within four years, leaving Soviet only to maintain internal security.

Soviet Foreign Minister Andrei Gromyko, as chief of Russia's delegation, asked that the item "general and complete disarmament" be included in the agenda as "an important and urgent matter."

The 21-nation steering committee which must recommend any item included in the agenda, did not immediately schedule a meeting to take up the Russian request.

The Russian delegation circulated with Khrushchev's speech a bulky "declaration of the Soviet government on general and complete disarmament." This document, according to an explanatory memorandum filed by Gromyko, constitutes the backbone of Russia's argument for the Khrushchev plan.

Later today, the assembly was scheduled to take up an Indian effort to evict the Chinese Nationalists in favor of the Chinese Communists. The result was expected to be a wider margin against the move than last year's 44-38 vote.

Walker S. Robertson, U. S. undersecretary of state for Far Eastern Affairs, planned to deliver a powerful speech in favor of a U. S. motion to shelve the Chinese representation issue for the duration of the assembly's current session.

New York Sets Up System of Alarms to Avert Racial Strife

NEW YORK (UPI)—The city's Emergency Relations Commission is readying an alarm system to head off racial strife.

Officials said Sunday the commission already has begun setting up a daily check of relations between different races in some parts of the city.

Eventually, the commission hopes to be able to get on-the-spot reports of trouble brewing in any of about 800 different neighborhoods. Official agencies and local groups could then move in to calm down tensions before an explosion, the official said.

Dr. Alfred J. Marrow, chairman, said representatives of the agency helped ease tensions when they met 350 Negro and Puerto Rican pupils were transferred from overcrowded schools in Brooklyn to a predominantly white section of Queens last week.

Pickets appeared twice during the week at affected schools in the Glendale-Ridgewood section, and a large proportion of the white students boycotted the schools on opening day.

Russia Releases Reports By Lunik

MOSCOW (UPI)—Radio Moscow reported Sunday night that the first stage of its second "Lunik" rocket as well as its payload of instruments hit the moon last week.

The official report said analysis of tracking data indicates that the rocket stage is dead east of the Sea of Serenly, near the crater of Aristylus, Archimedes and Autolycus—about 480 miles east of the center of the moon.

Instruments in the payload radioed back reports indicating that the moon has no magnetic field, nor is it surrounded like the earth by a belt of radiation, the Russian radio said.

"The rocket strictly followed the calculated trajectory," the broadcast said. "All circuits, units and elements of the rocket functioned normally in flight."

"Radio equipment on board the rocket insured reliable tracking, beginning with the launching and ending with the arrival of the capsule with the instrumentation of the moon's surface."

Galloway Beats Forger In Race

A downtown footrace ended with Constable Slim Galloway's capture of 32-year-old Fred C. Harris here Saturday.

Harris is in the county jail, charged with breaking into Wilkins Construction Co., Paola, stealing checks from the company office and cashing a forged check for \$400 with the Sanford Yellow Cab Co. The Wilkins Co. break-in happened Friday night.

A cab driver saw Harris Saturday at First St. and Park Ave.

CHRISTENSEN SCORES after snagging a pass from John Lovelace, who got the pitchout from Mike Roberts to fool the Titusville Terrier defense and put the Seminoles ahead 13-7 in their opening game. More pictures and details of the game on Page 3. (Bergetrom Photo)

Nikita, U.S. Labor Leaders Argue

SAN FRANCISCO (UPI)—Soviet Premier Nikita Khrushchev got into an uproarious and hot exchange with American union leaders late Sunday night after receiving in San Francisco the warmest public reception of his tour.

Union chiefs were still arguing today exactly what Khrushchev said in the commotion, but there was general agreement that he did insist that workers in Russia have the right to strike.

Khrushchev blasted Walter Reuther, United Auto Workers Union president, as a "capitalist stooge" when Reuther asked him why he pretended only Communists wanted to help the working man.

The AFL-CIO was holding its national convention here but President George Meany pointedly stayed away from meeting Khrushchev. James B. Carey of the Electric Workers Union along with Reuther was a prime mover in arranging the dinner.

Reuther held a "briefing" for 300 newsmen after the session and gave his version of what had happened.

Reuther said he asked Khrushchev: "I would like to know what a Soviet worker can do — can he strike? Can he withhold labor's power?"

Khrushchev was said to have replied: "Yes, he has the right to strike and there have been strikes since the revolution. But there have been no recent strikes because the government is on his side."

Reuther said he pressed the point further and got the argument that "labor and government are of one mind."

The Communist leader became very upset, Reuther said, when union leaders asked him to explain the mass exodus from North Korea, Poland, Hungary and other nations where Reds had taken over the government.

Khrushchev told his questioners to think it over and answer for themselves.

"You drink some beer and you will find the answers," he said.

"At this point, Reuther said, matters got out of hand."

According to Reuther's version, Khrushchev called him a capitalist lackey, a capitalist stooge. Reuther said he told another questioner "that's a stupid question" and called Reuther a "dictator" when he tried to amplify a question.

Khrushchev was asked about self-determination, particularly in East Germany. Reuther said Khrushchev said German workers supported the nationalization of industry and insisted there are free elections in East Germany.

Asked about Hungary, Khrushchev said: "Hooligans and saboteurs launched the counter-revolution in Hungary." Reuther said the premier said he never had doubts about launching military power against hooligans and saboteurs.

Six Girls Escape Flaming Car As Mother Watches

MEMPHIS (UPI)—A Memphis mother stood helpless and hurried as her car full of six girls caromed off two other cars, a bicycle and building here Saturday but the children escaped the blazing runaway vehicle.

Mrs. Ello Grisanti said she left the six children in her car while on an errand. The ignition was off, but a key was in the car, she said.

Police said the car backed across the street when Sharon Grisanti, 12, apparently turned on the ignition with the gear shift in reverse.

After the car hit another car, Sharon shifted to a forward gear and officers said it shot back across the street.

It hit a bicycle and another car, bursting into flames and ramming a building before coming to a halt.

Mrs. Grisanti said she heard the first crash and then watched the rest of the accident helplessly.

All six children escaped the badly damaged car before firemen arrived to put out the fire.

Diana Grisanti, 11, suffered back injuries, but was reported in good condition at a local hospital. Mary Bradlee, 14, was admitted for observation, but all the other children suffered only minor injuries and were not hospitalized.

School Trustees On Nov. 3 Ballot

County school trustees will be elected Nov. 3. Freeholders and payers of personal property taxes are eligible to vote in the biennial election of the three persons who hire county school instructional personnel recommended by principals and the school superintendent.

Chairman R. F. Cooper and Roy Mann, both of Sanford, and Jim Birkenmeyer of Casselberry are the current office holders. They are eligible for re-election.

Union Refuses Pact Swift Complains

CHICAGO (UPI)—Swift & Co. charges that striking meat packing unions refused a pattern settlement that would have put its 18,000 workers back on the job today.

The company said it offered to "put into immediate effect money gains matching those in other meat industry settlements" but the United Packinghouse Workers and the Amalgamated Meat Cutters and Butcher Workmen rejected the proposal in weekend talks.

Labor Hints Sympathy Slowdown

SAN FRANCISCO (UPI)—Labor leaders indicated today that production slowdowns may be staged in several major industries if the government invokes the Taft-Hartley Act and striking steelworkers are ordered back to work.

It was learned authoritatively by United Press International that a possible general slowdown across the nation was being planned, mainly by officials of the United Auto Workers.

However, labor officials declined to issue a formal statement because of the possibility of opening the way to legal action against the unions involved.

One high-ranking AFL-CIO leader, attending the union's convention here, said possible slow downs were being considered in the aircraft and electrical industries, as well as in steel and autos. He said any industry which used large quantities of steel might be involved, if an injunction is issued and steel production resumes.

President Eisenhower can invoke the Taft-Hartley Act when he strikes is creating a national emergency. Under an injunction, the "work" would be ordered back to their jobs but would be free to go on strike again if no settlement had been reached after 90 days.

In the past, auto workers have been able to cut production by as much as 40 per cent by upsetting the timing of the production line. It was believed that production in other industries also could be drastically slashed.

Deadlocked steel negotiators returned to the bargaining table today 2 p. m.

The United Steelworkers Union received new backing last week when the AFL-CIO convention voted to raise a fund supporting the union's strike fund participation. The AFL-CIO union members, the fund could bring \$1 million a day.

The strike already has cost the industry and USW more than \$3,000,000,000, Steel Magazine said today. Striking workers have lost \$707,800,000 in wages, it said.

News Briefs

Mamie Not Ailing
WASHINGTON (UPI)—A White House aide has squashed rumors that Mrs. Mamie Eisenhower has been ill. The source said the first lady's health is "fine" and added: "I wish mine were as good."

Negro In Parliament?
LONDON (UPI)—Dr. David P. Hill, 65, was expected today to become the first Negro to run for Parliament in Britain. He is hoping to be accepted as the Labor Party candidate for Hampstead, a fashionable North London suburb.

Fruit Shipments
WINTER GARDEN (UPI)—Daily carloadings in boxes from the Citrus Vegetable Inspection Division: By rail, 3,180 grapefruit; by boat, 2,715 grapefruit; by truck, 34,825 grapefruit; total, 40,720. Cannery receipts, 500 grapefruit.

Fish Duel Resumes
ISLAMORADA (UPI)—Spanish fishing experts of Florida and California renewed their inter-state angling duel here today with the elusive bonefish as the target. Points are scored on the basis of size of fish caught and pound test of line. Only spinning tackle is used and no line heavier than 12 pound test is permitted.

Spain Eyes Export
MADRID (UPI)—Spanish orange growers, armed with this season's bumper crop, are aiming to regain the world market lost by Spain during the past few seasons. Trade experts said that though the crop was still on the trees it is expected to reach early 1,500,000 tons, of which an estimated 1,200,000 will probably be sold overseas.

Printing Study Due
TALLAHASSEE (UPI)—Proposed regulations governing the purchase of non-legislative printing will be discussed again here Tuesday by the State Cabinet. The most important rule in the group would require any state agency requesting printing bids to send the purchasing council director a copy of the bid invitation at least a week before the bids are opened.

Squalls Lash All Of Florida; Five-Inch Rain Douses Miami

MIAMI (UPI)—Squalls lashed most of the Florida peninsula today and more bad weather and in store as tropical disturbances approached rapidly from the Caribbean.

At least three vessels were lost or in trouble in rough waters of the Gulf of Mexico along the Florida West Coast, and a 100-foot motor vessel was aground in the Atlantic off Andros Island in the Bahamas.

Small craft warnings were displayed along the East Coast and keys and southward from Cedar Key on the West Coast. Northeast and east winds 20 to 30 miles per hour accompanied very heavy rains.

Almost five inches fell on Miami Beach in 24 hours.

Seas were four to eight feet high in the Florida Straits and were expected to worsen with the approach of the tropical disturbance.

The weather bureau said the bad weather over the weekend and this morning was caused by a high pressure area which moved over Florida from the eastern United States.

Normally, the bureau said, Florida could expect some improvement in weather as the high pressure area weakened. But the tropical disturbance, however as an easterly wave, was expected to reach the southern tip of Florida Tuesday morning.

The disturbance this morning was in a line about 100 miles long extending from the central Bahamas to the extreme eastern end of Cuba.

It was attended by showers and thunderstorms and winds to near 35 miles per hour. The weather bureau said the wave and associated weather would move westward about 15 miles per hour, reaching the southeast Florida coast, the Florida Straits and western Cuba Tuesday morning.

Raise Expected In Interest Rate For FHA Home Loans

WASHINGTON (UPI)—The government plans to raise the maximum interest rate on FHA-insured home loans from the present 8 1/2 per cent to 9 1/2 per cent.

Informed sources said today that the increase would be announced shortly after President Eisenhower signs the compromise housing bill passed by Congress. The president is expected to act this week.

The interest hike is designed to make FHA loans more competitive with conventional loans. Officials said it would have two effects on prospective home buyers seeking loans insured by the Federal Housing Administration:

The total cost of an FHA loan will rise to 6 1/2 per cent since the borrower still must pay an additional half-point insurance premium.

Home buyers will find it easier to get FHA loans because lenders will be more willing to make them at the higher interest rate.

According to industry reports, conventional home loans are running at about 6 per cent in most areas of the country.

Rising interest rates and the tight money market have caused lenders to shy away from FHA loans. This has resulted in a steady decline in applications to FHA for mortgage insurance. FHA applications in August totaled 68,700, the lowest for any month since December.

The FHA insures loans for up to 30 years. The new housing bill will lift the maximum mortgage from \$20,000 to \$22,500 for single-family houses and from \$20,000 to \$25,000 for two-family residences.

Mass Execution Brings Civilian Revolt In Iraq

BEIRUT, Lebanon (UPI)—The mass execution of 13 Iraqi army officers and four former civilian leaders in Baghdad was reported today to have touched off wild demonstrations against the regime of Iraq Premier Abdul Karim Kassem.

Cairo radio said thousands of persons marched through the streets of Baghdad Sunday in protest against the Kassem regime and the Communists who have infiltrated his government. It said Iraqi troops were called out to quell the demonstrations.

The Sunday executions were announced by Baghdad radio. The 13 army officers headed by Brig. Nadhim Takachell commander of the 2nd Division, at Mosul, were shot. The four civilians, former members of the deposed government of Nuri Es-Said, were hanged.

It was the biggest mass execution since the revolution of July 1957 and political sources here said it indicated the Communist were more strongly in control of Kassem than before.

Syrian newspapers reported today police tried to break up the demonstrations but that thousands of men and women in the streets resisted. There were no reports of injuries or arrests.

The executions brought strong condemnation in Cairo newspapers and Al Ahran said the men killed were victims of the mass liquidation method of a regime using blood and murder to stamp out nationalism and Arabism.

Mrs. Della Hardy, Sanford Resident For 43 Years, Dies

Mrs. Della Hardy, a Sanford resident for 43 years, died yesterday at her 320 Pine St. home.

Mrs. Hardy, 51, was the wife of the late Henry Hardy and a member of the Central Baptist Church of Sanford. She was born in Hampton, S. C.

Surviving are her four children, Henry Hardy Jr., Mrs. Charles Hays, Mrs. E. Keith all of Sanford, and Mrs. Richard Bradley of Rockford, Ill.; two sisters, Mrs. Barto Wright of Sanford, and Mrs. J. R. Bridges of Jacksonville; four brothers, Jim, Henry, Rufus and Jack Henton, all of Sanford, and 11 grandchildren.

Funeral services will be at 2 p. m. tomorrow at Brison Funeral Home, with Rev. Gail Smith officiating and the Rev. Joel Brown assisting. Burial will be at Evergreen Cemetery.

Mr. George Engle Dies At His Home

Mr. George J. Engle, 72, died at his 2032 Jefferson Ave. home here yesterday.

Born in New York City, Mr. Engle lived in Sanford for the past eight years. The retired jeweler was a member of All Souls Catholic Church and of the Knights of Columbus.

Surviving are his wife, Mrs. Ethel Engle, Sanford, and a son, George P. Engle, of Tenafly, N. J. The time of funeral services will be announced by Brison Funeral Home.

Miss Edna C. Gross Funeral Today

Funeral Services will be held tomorrow for Miss Edna Clara Gross, who died suddenly at her Longwood home, last Wednesday.

Miss Gross lived in Longwood for the past four years. She was born in Brooklyn, N. Y. Surviving is Miss Gross's cousin, Mrs. George Green of Brooklyn.

Funeral services will be at Brison Funeral Home, with the Rev. Charles Hill officiating. Burial will be in Oaklawn Memorial Park.

Official Of Lions Speaks Tomorrow

Lions District Governor Dallas Duppenthaler of Winter Garden will speak to the Sanford Lions at their Civic Center luncheon tomorrow.

Duppenthaler heads a district comprising 43 clubs, mostly between Ocala and Kissimmee. He will induct new members Joe Ervin, Bill Presley, and Donald Gerber into the local organization.

Ike Starts UPI Wire

GETTYSBURG (UPI)—President Eisenhower opened a new United Press International coast-to-coast news wire system Sunday by pressing a gold telegraph key. The president's clicking of a ceremonial White House instrument started transmission of a dispatch over the primary circuit of a "double trunk" transcontinental teletype system.

Disturbance Blows Near Coastline

MIAMI (UPI)—Squalls lashed most of the Florida peninsula today and more bad weather and in store as tropical disturbances approached rapidly from the Caribbean.

At least three vessels were lost or in trouble in rough waters of the Gulf of Mexico along the Florida West Coast, and a 100-foot motor vessel was aground in the Atlantic off Andros Island in the Bahamas.

C. A. Hendrickson Dies At Age 74

Charles A. Hendrickson Sr., 74, died in an Orlando Hospital Saturday after a short illness. Mr. Hendrickson, a Sanford resident for the past five years lived at 801 E. Fourth St.

The native of Brooklyn, N. Y., came here from Wheeling, W. Va., where he lived for 33 years. In Wheeling, Mr. Hendrickson was caretaker of the Masonic Temple for four years, a member of St. Paul's Lutheran Church and of the city's Masonic Lodge.

Surviving are his wife, Mrs. Martha S. Hendrickson of Sanford; a daughter, Mrs. William Lawfield of Warren, Ohio; a son, Charles H. Hendrickson Jr. who is stationed at Norfolk, Va., with the Navy; six grandchildren; two great-grandchildren; two sisters, Mrs. Laura Towart of Sanford, and Mrs. Diederick Borg of Washington, D. C.

Funeral services were scheduled for 2:30 p. m. today at Brison Funeral Home, with Rev. Herbert W. Goers officiating. Burial will be in Oaklawn Memorial Park.

Juvenile Crime Study To Start

WASHINGTON (UPI)—The Senate Juvenile Delinquency Committee will begin an extensive study this week of the nationwide problem of "teen-age terrorists."

Chairman Thomas C. Hennings (D-Mo.) said the first hearings would be held Wednesday and Thursday in New York City, scene of sustained juvenile violence in recent weeks.

Hennings invited New York Gov. Nelson A. Rockefeller and New York City Mayor Robert F. Wagner to suggest ways the federal government could be of help in combating juvenile crime.

In addition to presiding over the hearings, Hennings has accepted an invitation from Judge Samuel S. Leibowitz and Foreman Carl F. Fell to meet informally with the grand jury on Friday to discuss New York City's juvenile problem.

Driver Aids Man Caught In Flames, Leaves Too Soon

DECATUR, Ill. (UPI)—A motorist pulled a man from a blazing car then drove away without learning the victim was his brother, police reported.

Donald Jinks, 23, died early today at a Decatur hospital from burns suffered in a gasoline fire at a two-car crash near here.

The victim had been killed from the burning wreckage Sunday night by his brother, Willard Jinks, who heard an explosion, turned around and drove to the wreck, police said.

Police said another car struck the Jinks car from behind, touching off a gasoline tank explosion. Edwin Roarick, 21, and Jim Brown, 18, both of Decatur, occupants of the second car, were seriously injured.

Willard Jinks made a report of the accident but drove away without learning the name of the man he had pulled from the wreckage.

A "BULL'S EYE" CERTIFICATE is given Chief Robert H. Kennedy (center) of 3515 Orlando Dr., Sanford, for scoring a direct hit on a radar target during a high altitude bombing run. Commander Floyd L. Harris (left) of VAH-9 bestows the honor on Kennedy on board the USS Saratoga. (Navy Photo)

Cheap Money, Federal Power Bringing U.S. To 'Level Of Socialism,' Byrd Says

OLD POINT COMFORT, Va. (UPI)—Sen. Harry E. Byrd (D-Va.) said today that a combination of cheap money and concentrated federal power has brought the United States to a "level of state socialism which is obvious, if not admitted."

The retirement plan you buy for tomorrow can help meet today's needs... thanks to the exclusive Adapt-A-Plan. Ask your Gulf Life representative.

EDWARD E. BARK, Superintendent
FRED J. HARRIS, Superintendent
Palmetto Bldg., Box 1221

Byrd renewed his attack on federal bureaucracy, the Supreme Court rulings and the big national labor union leaders in a speech before the Virginia League of Municipalities.

He said the federal fiscal situation "deteriorated faster during the past 18 months than in any comparable period" to his knowledge. In six months, he added, the government moved from estimates of virtually balanced budgets in fiscal years 1958-59 to combined deficits of \$15 billion.

"By cheapening our money and concentrating power in the federal government we have descended to a level of state socialism which is obvious, if not admitted," Byrd said.

The senator charged that the

Supreme Court under Chief Justice Earl Warren "by naked power... has violated our state constitutions, struck down our state statutes, and disregarded the will of our people."

Byrd said that the "Warren Supreme Court" has accumulated a "righteous record" of decisions which he said are destructive of the "orderly pursuit of Democratic freedoms."

Byrd said that the "Warren Supreme Court" has accumulated a "righteous record" of decisions which he said are destructive of the "orderly pursuit of Democratic freedoms."

Byrd said that the "Warren Supreme Court" has accumulated a "righteous record" of decisions which he said are destructive of the "orderly pursuit of Democratic freedoms."

HAPPINESS THROUGH HEALTH

BY DR. F. LEO KERWIN

Successful Nerves

There are, after all, only two types of people in this world and the one thing that marks the separating line is the condition of their nerves.

The man or woman whose nerves are in normal working order free from unnatural pressure is vitally alive, energetic and healthy.

It doesn't seem possible that such a little thing as nerve pressure could make so great a difference in the lives and happiness of people who are otherwise alike and yet, of two men equal in wealth, education and opportunity, the one with the most healthy set of nerves is the man most likely to succeed in his chosen field, be it commerce, art or industry.

If you could look inside the bodies of those who have achieved success in different lines of endeavor, you would find excellent sets of nerves,

Round Table Victor

Enterprise Gets Veteran Doctor

DR. J. R. WELLS

Dr. J. Ralston Wells is opening an office in the Whitehair Building in Enterprise and will practice geriatrics (conditions of the aging) and will act as consultant with the other doctors.

Dr. Wells is a member of the staff of Fish Memorial Hospital, Deland. He was the first chief of staff at the Halifax District Hospital when it opened in 1920 and remained there until 1942.

Dr. and Mrs. Wells and son, Jimmy, are making their home on Stone Island, just out of Enterprise and he will commute to his office. He was in World Wars I and II and was discharged with the rank of colonel. He has also served as head of a Veteran's Hospital in Grand Island, Neb., as professor of surgery at Woman's Medical College in Philadelphia and as instructor at the University of Pennsylvania.

LIN RISNER makes five yards for Sanford through the Titusville line, breaking into the secondary before being stopped. On the previous play, Risner had gained a first down but the Seminoles were called back and penalized 15 yards for holding. (Bergstrom Photo)

Roller Skaters To Play Hockey

A new sport, Roller Hockey, is coming to this area tonight when the Skata City Hockey team clashes with the wheel artists from Daytona Beach.

The first game of the fall season in this brand new State League is slated to start at 8:30 p. m. The season opener will be played at home. Skata City is right off Highway 17-92 on the Dog Track Road, about midway between Sanford and Orlando. Other league games will be Jacksonville, Bradenton and St. Petersburg. Later, as the sport grows, other teams will be added to the league, according to Skata City managers, Shealy Best and John Miller.

Nearly 120 different makes of cars were introduced to the American public during 1958.

Edwards Team Ties With Steinmeyer For Bowling Lead

Two teams were left sharing the top spot after this week's action in the Thursday Night Mixed Bowling League.

B. Edwards Builders Supplies and Steinmeyer Roofing both have an 8-4 record, keeping one jump ahead of the second place team, Florida State Bank, which has won 7, lost 5. Third spot is held by South Pinecrest, 5-7, and Sunland and the Furniture Center hold on to fourth, with 4-8 each.

Steinmeyers won two games from Sunland, with the help of anchor man Don Stetler 322, and John Ogden 815. Grace Newton added to their total by picking up the difficult 5-7 split. George Cooklin was high man for Sunland, and team-mate Erlene Dederling topped the 5-7 split.

B. Edwards team, bowling on the center lanes, took two games from the furniture team, after losing the first one by a close margin. Howard Harrison, a new addition to the team, rolled a 497 to be high on these two alleys. Jim Mackey led the Furniture Center with his 483 series. Picking up splits during this battle was Bill Foster, the 5-7, Wallace

EL PASO, Tex. (UPI)—Nobody figured Marty Furgol to win the \$20,000 El Paso Open golf tournament. That's because they didn't know he hid himself of his "tired blood."

Marty grabbed \$2,800 to boost his winnings this year to \$12,637.30 and served notice that "I'm looking forward to continued success on the tour."

He fired a sizzling seven-under-par 65 in the final round Sunday to win with a 273, four strokes better than Jay Hebert of Sanford, Fla., and Ernie Vosler of Midland, Tex., who tied for second with 277.

Dodgers, Braves Pass Giants

JOHN LOVELACE was grounded after running the ball to the 25 yard line in the first quarter to set up the first Seminole score of the season. He dashed from the 43 after Sanford had recovered a fumble. Ray Lundquist (40), Mike Roberts (11) are coming up in the background. (Bergstrom Photo)

Sanford Wins Opener, 14-7

The score was Sanford 14, Titusville 7 and Coach Jim Pigott expressed it very neatly when he said "the boys did a real good job."

The Seminoles played good football to win over a tough Titusville eleven. They had to play well because the Terriers were doing a real good job too, outgaining Sanford on offense and holding their own defensively.

John Lovelace got the pleasure of scoring the first Seminole touchdown of the season when he took a Mike Roberts pichout and dashed 29 yards to score with only 22 seconds left in the first quarter. Jerry Christensen began a big night for himself with the extra point kick to tie the score at 7-7.

The Terriers had jumped out front earlier in the quarter with a drive from midfield that saw Bronga, the fullback, go across with an 18 yard run through a hole in the line. The Terriers ran the extra point to make it 7-0.

Christensen scored the second and decisive Sanford touchdown in the second quarter after a Titusville fumble was recovered on the Sanford 43 yard line.

Ray Lundquist squirmed through tacklers to put the ball on the 25 and Lovelace ran it to the 12 for a

first down. Roberts, who called a good game, pitched out to Lovelace who hit Christensen in the end zone for the score. Christensen who had fooled the defense and caught the ball all alone in the corner, then kicked his second extra point.

That ended the scoring, but there were several good offensive efforts by both teams in the second half.

Jimmy Gracey made an important save for the Seminoles when he grabbed Titusville's Castland on the three yard line with two minutes left in the final period.

Castland had caught a pass from the Terrier's 119-pound quarterback, Bain on a fourth down play and almost scored. Sanford ran the ball back for a first down around the 15 with 56 seconds left and Roberts coolly ran two keeper plays into the middle of the line to run out the clock.

Play was about even in the first half, with Sanford racking up eight first downs to five for the Terriers and gaining 97 to 92 for the opponents.

Titusville outgained the Seminoles in the second half, running for 120 yards on the ground and 17 passing to a net gain of 66 yards for the home team.

Prediction by Coach Pigott that his backs would be fast and plenty

shifty proved correct. Lovelace and Lundquist showed good bursts of speed and were hard to grab when they started knifing around among tacklers.

Lundquist ran the ball 10 times for 81 yards and Lovelace gained 89 yards in 16 runs. John Mann tried three times for 11 yards and Len Risner picked up 18 in four tries.

Co-Captain Charles Bogan played a stout defensive but it would be hard to single out a standout in line play as the whole Seminole team played well.

Neely Ross, who had been ill with the flu, saw action and played as if the germs might have done him some good. He made several key tackles and broke up other plays with his rushes.

Alex McKibbin, who alternated at quarterback with Roberts, proved an alert in the secondary and made several jarring tackles.

Next on the Sanford schedule will be the Daytona Beach Seabreeze team. This game will be at Daytona Friday night.

Lakeview of Winter Garden edged the Seabreeze eleven, 18-14, in the opener, but Pigott said he considers the next Seminole foes "dangerous, especially fast and hard to watch."

TERRIER HALTED by Alex McKibbin as Charles Bogan (72) and Ray Lundquist (40) close in to help. Runner was Fullback Bronga, who ripped off a gain of seven yards for a first down on this play. (Bergstrom Photo)

Georgia Starts Upsets; Gators Win,

United Press International

Weeping Wally Butts, long known for his dark views regarding the prospects of his Georgia Bulldogs, moaned louder than ever this fall about Georgia's losses and injuries—then the Bulldogs went out Saturday and shocked the Alabama Crimson Tide 17-3.

Butts seemed to have good reason for his crying-louder act. His all-conference fullback Theron Sapp had graduated; his star line-backer Dave Lloyd had turned pro; his fastest halfback Fred Brown was hobbled by a leg injury; and he had few promising sophomores.

But, without Sapp, Lloyd or Brown, Georgia was an efficient offensive machine Saturday. Junior quarterback Francis Farkenton's pinpoint passing and sophomore fullback Bill Godfrey's running were major factors. Another sophomore standout was end Durwood Pennington who kicked a 23-yard field goal and two conversions.

The Georgia victory was the biggest surprise on the first weekend of Southeastern Conference football and clearly labeled the Bulldogs as the dark horse in the 1959 race.

The other contests ended about as predicted—But the manner in which most of them were won was unexpected.

The defending national champion Louisiana State Tigers beat the Rice Owls 26-3 before a national television audience after trailing 3-0 at halftime; the Georgia Tech Yellow Jackets edged the Kentucky Wildcats 14-12 after leading 14-0 at the end of the first period; the Florida Gators trounced the Tulane Green Wave 30-0 by scoring 23 points in the final period; and the Mississippi Rebels beat the Houston Cougars 16-0.

Everybody gets into the act this coming weekend. Auburn, unbeaten in their last 24 games, and Tennessee open their seasons at Knoxville; Vanderbilt opens against Georgia at Athens; and Mississippi State plays Florida at Gainesville. Georgia Tech will be host to Southern Methodist, LSU will entertain Texas Christian, Tulane goes to Miami, Alabama goes to Houston, and Kentucky will be at home to Mississippi.

All-America halfback Billy Cannon brought LSU to life with a third-period, 17-yard touchdown

run Saturday after Rice embarrassed the Tigers for 30 minutes. In the fourth period, the Tigers looked like the team that was named No. 1 in 1958.

Kentucky came within five yards of beating Tech at Lexington Saturday night. The Wildcats were trailing by two points and were on the Tech five with a fourth-and-one situation. A field goal, aimed at the widened goal posts, would have put the Cats ahead, but they gambled on a run that failed.

Friday night at New Orleans, junior quarterback Jack Jones passed for two touchdowns and returned an intercepted pass 33 yards for another touchdown to lead the Gators. But although Jones figured in most of the scoring, the pushing of halfback Bobby Joe Green was rated the chief Florida weapon.

Senior guard Bob Khayat was the hero in Mississippi's win over Houston, and Kentucky lineman set up the Rebels' first touchdown with a 52-yard pass interception return and kicked a 22-yard field goal and a conversion.

United Press International

Johnny Podres and Duke Snider, the heroes of Brooklyn's only world championship, have given the Dodgers a mighty push toward their first pennant in Los Angeles.

Climaxing a dramatic three-game sweep with their 8-2 rout of the Giants Sunday, the Dodgers seized a half-game lead in the frenetic three-cornered National League scramble with only a week left to play. No seventh-place team ever has won a pennant the following year but that's the goal at which the Dodgers are shooting.

The Milwaukee Braves, who moved into second place with their 8-5 victory over the Phillies, can tie the Dodgers for first place by winning at Pittsburgh again tonight. After tonight, all three contenders will have five games left—the Dodgers and Giants against the Cubs and Cardinals and the Braves against the Pirates and Phillies.

The American League race, meanwhile, may be settled Tuesday night when the Chicago White Sox play the Cleveland Indians. The White Sox need only win that game to clinch their first flag in 40 years.

The Dodgers completed their sensational rise to first place Sunday in a three-hour and 16-minute struggle during which they kayoed 20-game winner Sam Jones in 3 1/3 innings and then clinched matters with a four-run outburst in the ninth.

The Dodger pitching hero was Podres, who struck out nine batters and yielded five hits in 7 2/3 innings to win his 14th game. The victory was nailed down until Clem Labine got Eddie Brossoud to hit into a "game-ending double play with the bases filled in the last of the ninth but it was Podres who held the fort while the Dodgers ran up a 4-0 lead.

Snider, enjoying a fine comeback after his poor 1958 showing, homered to put the Dodgers in front, 1-0, in the second inning and singled home another run in the seventh. Shortstop Maury Wills had three hits and Don Demeter drove in three runs in the Dodgers' 10-hit attack.

Mickey Vernon, 41-year-old pinch-hitter, singled across the tie-breaking run in the ninth and the Braves were wrapped it up with two insurance rallies. Joe Jay, who pitched the last 3 2/3 innings in relief of Lew Burdette, won his sixth game while 15-game winner Robin Roberts lost his 16th decision. The Phillies tied the score in the eighth inning on Carl Sawatski's two-run homer—the only hit off Jay.

The Indians remained "alive" in the AL race by beating the Athletics, 4-3, while the Tigers defeated the first-place White Sox, 3-4.

Cal McLish scattered nine hits and struck out four batters to raise his record to 19-8 behind a 12-hit Cleveland attack that included homers by Minnie Minoso and Tito Francona.

Don Mossi prevented the White Sox from clinching a tie for the pennant with a nine-hitter that brought him his 16th win. Harvey Kuenn had a homer, double and two singles and Tex Lepcio had three hits to account for seven of the eight Detroit hits.

Vern Law scored his 18th victory as the Pittsburgh Pirates beat the Cincinnati Reds, 10-1, and Stan Musial homered for the 3,200th hit of his career in the Cardinals' 11-4 rout of the Cubs in other NFL games.

Elston Howard's two-run seventh-inning homer enabled the Yankees to beat the Red Sox, 7-4, and Camilo Pascual scored his seventh shutout as the Senators downed the Orioles, 5-0.

Hanson Wins

ATLANTA—Bev Hanson shot a two-under-par 69 to win the \$7,500 Atlanta Women's Open golf tournament with a 72-hole total of 289.

Cardinal Addresses The Russian

Richard Cardinal Cushing of Boston apparently addressed a speech Sunday to Russia's Nikita Khrushchev. What he said may be the thoughts of many.

The Roman Catholic Archbishop of Boston, told a nationwide radio audience that "we baptized communism when our government recognized it; we canonized it when we invited its leaders to our shores."

Tracing the history of militant communism back to Lenin, the Boston prelate attributed much of its growth and expansion to the fact that "Communists have never failed to find bankers and businessmen, professors and students, traitors and sympathizers, politicians and would-be statesmen to overlook their frauds and perjuries, their wars, hot and cold, that are part of the bloody record they have written on every page of the history of the last five decades."

Quoting Lenin's deathbed statement that communism had brought oppression and massacres instead of the intended freedom for the masses, and that Russia should have taken the path of St. Francis of Assisi, Cardinal Cushing directed his talk to Khrushchev:

"Mr. Khrushchev, guest of our president, it is not too late for you to turn back. That you will do so I have encouraged millions of people to pray for you and your people during your visit to our country. At the same time, we are praying for the multitudes in your captive nations and for the unnumbered dead whom you sent to premature graves. They will become a nightmare to you as they did to Lenin, Marx and Stalin before they died."

"Time is running out. With your visit to America, everything has now been tried to please you, to convert you. You wanted this visit. All things considered, it is probably your greatest victory in the cold war. Having failed in all our efforts to satisfy you, we now turn to our secret weapon—prayer."

Florida, FSU Open Biggest Year

GAINESVILLE (UPI)—Classes began at the University of Florida here and at Florida State College in Tallahassee today with a record total enrollment of almost 20,000 students.

A record 12,178 filled classes at the university as the 1960 fall term began. There were 7,600 enrolled at Florida State, also a new high.

The enrollment at the university was expected to grow before late registration closed Sept. 26. Registrar R. B. Johnson said the school ranked among the nation's largest and grandest colleges.

The Florida State enrollment, which includes 4,000 men and 3,600 women students, also was expected to be boosted by late registrants.

FSU President Robert M. Strieder said he has received "warm and cordial" replies from southeastern Conference schools on Strieder's letters asking support of membership for Florida State.

Schools To Offer Spanish Course

A beginning "Conversational Spanish" course for adults will be organized at Seminole High School Sept. 28 at 7:30.

The course will meet each Monday night for an hour and a half, with Seminole High Assistant Principal Edward Christensen teaching.

There will be a minimum of grammar. The course is designed to enable students to read and express themselves in Spanish. It will last throughout the school year.

The only cost will be a \$1 registration fee and \$3 for "The Self-Teacher in Spanish." Interested persons may call E. S. Douglas, Director of Adult and Vocational Education, School Administration Bldg., Sanford, Phone FA 2-4165.

Local Heart Fund Group Hears Talks

Seminole-DeBary Heart Council directors attended the Florida Heart Association staff workshop in Jacksonville Saturday.

Ernest Southward, local president; Tom Armas, president-elect; Mrs. Armas, Mrs. Leonard Munson, fund raising chairman, and Mrs. Michael Casio, publicity chairman, attended.

BLOOD DONOR OF THE YEAR?

Assignment Washington

By ED KOTERBA

WASHINGTON—Sen. Everett Dirksen (R., Ill.), a combination Wizard of Ozes and court jester of the Senate, had no peer for lofty wit during the final slap-happy days of Congress.

I've been impressed with his sugary shenanigans over the years, but it took Sen. Hiram Fong (R., Hawaii) to express this trait most picturesquely. Remarkably Fong just after he was introduced at length by Dirksen at a recent party: "Now I know how a pancake feels after syrup has been poured over it."

But last week the pressures sent the worried minority leader to the hospital for several days. Upon his return, however, the stuff-haired whiz of words filled the Senate chamber with howls of laughter.

On this memorable night of repartee, the man from Illinois was taking a stand against spending \$200 million for building sewage plants to reduce pollution in rivers.

Pitted against him were such notable Democrats as Richard Neuberger or Oregon, Hubert Humphrey of Minnesota and Robert Kerr of Oklahoma.

After a speech of eloquence attacking the manner of financing the clean-streams project, the barbs flew. Here are excerpts from the Congressional Record: Neuberger, defending the ideals of conservation: I would suggest the senator read the speeches delivered in this chamber denouncing Roosevelt for their "recklessness" with the public purse in seeking to save the forests, uplands, soil and so forth.

Dirksen: Mr. President, I do not have to remember those denunciations. I came up at the knee of a widowed mother, one of many children. My mother was an immigrant mother. She did not look to the dome in Washington for help. We did not come supplicating Uncle Sam for assistance in those days.

Neuberger: And I ask, "Who said you did?"

Dirksen: Nobody said so, but what the senator is trying to do is to pin upon me, I think, some kind of peculiar perversity.

Neuberger: The senator pinned it on himself.

Later, the Oregon Senator noted that he received a wire from his Republican governor asking not for simply \$50 million for clean streams but for \$100 million.

Dirksen: Oh, my friends, I simply have to say that there are Republicans who are unregenerate and unreconstructed and who embrace evil just as there are Democrats who do.

Then, when the man from Illinois mentioned that after all, the bill was opposed by the Eisenhower administration, Senator Humphrey reacted spontaneously. This is how the straight-faced record records it:

Mr. Humphrey: Whu-up!

Then, said Dirksen: "If there is anyone who is an expert in the field of calculated confusion, it will be my distinguished friend from Minnesota." (Humphrey protested that his confusion came naturally.)

And from the sidelines, Senator Kerr drew that Senator Dirksen's return from the hospital—was so delightful and entrancing that he was moved to suggest that the man from Illinois visit the hospital more often.

Named For Nikita

HOPE MILLS, N. C. (UPI)—Mr. and Mrs. Walter Street, trying to decide on a name for their 18th child, finally choose one they'd seen in the newspapers. They named the baby Nikita Khrushchev Street.

We Faster to Call by Number

Southern Bell
Growing With The Future

Too Late To Classify

By HUBBELL RAY

Have you pondered over the vast sums being so feverishly spent in the exploration of outer space and asked yourself if the program really made sense? Are the millions we spend to place a tiny sphere in orbit worth all this money and effort?

Our technological knowledge is advancing at such a rapid rate that it is difficult for the lay mind to understand what our scientists are up to. We have, from the meager reports that filter down to our level, that these satellites carry nose cones that contain radar and other equipment designed to provide us with information we are told will be useful to mankind in the years to come.

In the September issue of *Holiday* magazine, science editor Arthur C. Clarke describes in language the layman can understand, some of the results to be looked for as the program progresses.

In an article entitled, "Faces From the Sky," Clarke visualizes the results we may expect from the establishment of TV-satellites 20,000 miles above the earth from which TV and radio programs can be transmitted with ease to any point on the earth, making it possible for one nation, or any nation for that matter, possessing such a station or stations in space to flood the entire globe with propaganda.

Anyone with a radio or TV receiver whether located at the North Pole or in the heart of the Sahara Desert would be able to pick up programs clearly from such a space station and because of the character of the waves employed would be almost impossible to jam. There would be no longer an iron curtain as far as radio and TV communication is concerned.

Russia has been supplying Asia and the Middle East with cheap radio sets that most any family can afford. Is it because she hopes to be able to flood those sets with her special brand of propaganda? Or the other hand, if the U. S. is first with a TV-satellite in the sky will we use it to advance truth and acquaint the world with America or will we flood the sound waves with horse opera and rock 'n' roll?

But Clarke tells us that the expansion of TV and radio communication is only one result we may expect from the space satellite. It can also expand every other form of communication.

Through its use we may provide the world with a telephone system whereby people of the earth will be able to communicate with each other by radio phone anywhere on the globe by simply dialing a number on a gadget no larger than a wrist watch.

Nowhere on earth could a person become lost or out of touch with his fellow man as his radar-watch would give him his position and direction and he could summon aid in case of emergency no matter where he happened to be.

Another startling possibility the author foresees is the transmission of mail by a sort of radioteletype. Such a letter would be written or typed on a special message blank provided by your local post office. The letter or message would be transmitted by much in the same manner photographs are transmitted today by wire. Machines on the satellite would pick up the message and send it to the addressee wherever he happened to be located. The receiving office would automatically reproduce the letter just as it was written by the sender and it would then be delivered to the addressee.

All this sounds fantastic. But scientist Clarke assures us that there is nothing impossible or complicated about it. He states that everything he has described in his amazing article will result from the application of existing techniques.

One of these days, it's going to be spring. And one of these days, you may be interested in a larger home or a better home... one that may require some financing.

Zeta Xi Sorority Plans Activities

The Zeta Xi chapter of Beta Sigma Phi held the first meeting of the year at the home of the president, Mrs. Lloyd O. Swain. Mrs. Thomas Larsen, and Mrs. Glenn McCall, guests from the Gamma Lambda chapter, discussed plans concerning a dance with the group.

Names of the rushees for Fall Rushing were presented and approved. Mrs. Swain announced committee chairmen for the year. They are Mrs. Sam T. Skelton, program; Mrs. Anna Mull, publicity; Mrs. Joan Wright, public-

Four New Members Welcomed By VAH-5

Lake Monroe Inn was the scene of the VAH-5 Wives buffet luncheon Thursday at 1:30 p. m. Mrs. D. W. Carwell and Mrs. E. G. Tiffany acted as hostesses. Multi-colored leaves served as place cards and the table was decorated with dried arrangements in an Autumn theme.

Mrs. L. M. Rowell welcomed four new members to the group. They were Mrs. Ardis Blaha, Mrs. H. A. Lackey, Mrs. J. T. Osborne, and Mrs. Glendon Smith. Mrs. Mary McCumber and her mother, Mrs. Rusl, were welcomed as guests.

VFW Aux. Meets Plans Activities

The "Hobo Dance" scheduled for this Wednesday at the V. F. W. Club, was the main topic of the evening at the meeting of the Ladies Auxiliary to VFW 3282 last week. In the absence of the president, Miss Rita Tredway, secretary, presided at the business session.

Miss Tredway took the clothline, the auxiliary has been collecting, to the Veterans Hospital in Lake City, Sunday. The group wishes to thank all who contributed to the project.

Tickets are being sold by all auxiliary members for the "Hobo Dance" which is also a hospital benefit affair. They are \$1 per person for the dinner and dance.

Others attending the meeting were Meses. Edna Norman, Sally Peralto, Margaret Dillard, Myrtle Sparkman, Irene Stafford, Myrtle Tredway and Miss Rita Tredway.

Lifelike model birds now come in kit form. Assembled, they give floral displays and window boxes a touch of wild-life.

Good Ending

Lemon nutmeg cream ends late summer meals refreshingly. Combine 1 cup of sugar, 1/2 cup of ground nutmeg, 2 tablespoons of cornstarch and 1/2 teaspoon of salt. Beat in 1 egg. Gradually stir in 1 cup of water and 1/2 cup of fresh lemon juice. Cook over low heat or hot — not boiling — water until thickened. Cool. Fold in 1 cup of heavy cream, whipped, 1 teaspoon of vanilla extract and 1/2 teaspoon of grated lemon rind. Chill in 6 sherbet glasses and serve garnished with whipped cream and grated lemon rind.

Bread meat or fish for dinner in the morning. The breaded coating will stay on better after a few hours in the refrigerator.

EXECUTIVE OFFICERS of the Business and Professional Women's Club discussing plans for the coming year at the monthly supper meeting at the Civic Center. It was decided to increase the number of children eligible for dental care at the clinic the club is sponsoring. Plans were discussed concerning the observance of B.P.W. week Oct. 4 to 10. From left, Jessie Brisson, recording secretary; Myrtle Graddock, treasurer; Harriett Sitawter, president and Roberta Richards, second vice president. (Bergstrom Photo)

MRS. EMORY G. TIFFANY, president of the Officers Wives Club, left, presenting Mrs. David Laudo, chairman of the Seminole County Assn. for retarded children, a check for \$124 to be used by the organization. The check represented the entire proceeds from the bake sale sponsored by the Officers Wives Club last Tuesday at the Naval Air Station with wives of VAH-9 in charge. (Bergstrom Photo)

Elsie Knight Circle Plans BWC Meeting

Plans for the quarterly meeting of the BWC Federation of the Seminole Association, which will be held at the First Baptist Church on Oct. 1 were made at the meeting of the Elsie Knight Circle held at the home of Mrs. C. A. Anderson, Jr. in Pinecrest recently.

The BWC meeting will begin at 7:30 p. m. with a supper, followed by a program. Mrs. V. G. Hasty was appointed by Mrs. W. D. Gunter, circle chairman, as general chairman in charge of plans for the supper. She will be assisted by various members of the circle.

Mrs. Gunter presided over the business session following a "cook-out" held on the patio of Mrs. Anderson's home. Co-hostess was Mrs. Henry Hutchison. A letter was read from the girl at the Florida Children's Home in Lakeland sponsored by the circle, thanking members for a gift sent to her on her birthday. Each month the child is remembered with a check to be used for spending money.

The program was presented by Mrs. V. C. Messenger, who used a poster to illustrate the theme "Go, Pray, Give. For Florida State Mission Work." Following the closing prayer, given by Mrs. Fred Fisher, members placed their envelopes in the poster Mrs. Sue Stevenson gave an interesting account of her recent trip to Mexico.

Those attending the supper meeting were Mrs. Hasty, Mrs. Estelle Gilson, Mrs. Sue Stevenson, Mrs. Hutchison, Mrs. G. B. Drake, Mrs. Fisher, Mrs. F. L. Dampier, Mrs. J. V. Jones, Mrs. F. B. Beard, Mrs. H. E. McSwain, Mrs. Gunter, Mrs. Messenger, Miss Martha Fox, Miss Sara Tatum and Mrs. Anderson.

F. Bryant Speaker At Circle

Farris Bryant, Florida state chairman of the March of Dimes, will speak at a meeting of the Anna Miller Circle and their husbands Tuesday night at the Elks Club.

John Sauls, Seminole County March of Dimes chairman and his wife, Clara, will also be guest of honor at the meeting and dinner preceding the program. A ham and turkey dinner will be served at 6:15 p. m. and all members and their husbands are invited to attend.

Following the dinner and program, members will meet in another room and installation ceremonies held for new members. At a previous meeting Mrs. Harry Adair, president, appointed two committee chairmen: Mrs. Clayton Smith, chairman of the committee to keep in close touch with the Harry Anna Crippled Children's Home and Mrs. Leonard Skates, historian.

Personals

Miss Barbara Ruprecht spent Saturday in Tampa attending the state board meeting of the Florida Home Economics Association. Miss Ruprecht is state chairman of the Family Economics-Home Management Section of F. H. E. A.

Mr. and Mrs. David Wayne Mathes, W. First St., have returned from a two weeks vacation that took them to Atlanta, Ga., and Nashville, Tenn., where they visited with several of the artists of the "Grand Old Opry", taking pictures for their music studio here.

They also spent some time with Pauline's mother in Kentucky and in David's home town of Suedeville, Ohio. On the return trip, via the Blue Ridge Mountains, they stopped in Savannah to visit David's two elder brothers — The Michael Caolos have moved to their new home at 131 E. Woodland Dr. in the Pinecrest Addition.

Dinner Meeting At Finch Home

Members of the Homemakers Class of the First Baptist Church met at the home of Mrs. H. J. Finch, 618 Mellenville Ave. for a covered dish supper meeting last week.

The Finch home was attractively decorated and guests enjoyed turkey dinner following the dinner and prayer by Mrs. Fred Fisher, Mrs. W. E. Giles presided at a business session. It was stressed that the class should have more personal contact with the members and prospective members.

Newcomers were welcomed Mrs. Marjorie Cowan co-hostess for the evening, presented gifts from the class to Mrs. Clyde Humphrey and Mrs. Giles in appreciation of their service as teachers the past year. Also honored with a gift was Mrs. W. T. Canavaugh. A social hour followed.

Those attending were Mrs. Canavaugh, Mrs. Humphrey, Mrs. Fisher, Mrs. H. C. Holloway, Mrs. J. B. Phillips, Mrs. Clayton Smith, Mrs. R. F. Steele, Mrs. Roy Vance, Mrs. A. L. Thomas, Mrs. E. H. Wood, Mrs. Robert J. Schmidt and Mrs. J. N. Murphy.

Jr. Story League Meets Tonight

The Little Women's Junior Story League will meet tonight at 7 p. m. at the home of Mrs. Virginia Roche, Catalina Dr. Any child nine years old or more who is interested in joining the group, is invited to attend.

Dues of \$1 for the year will be accepted at this meeting.

"Where Quality is Higher Than Price"

Chairman Selected For PTA

Sylvan J. Davi, Jr., president of the Pinecrest PTA, has announced that chairmen for the organization have been selected to serve during the 1959-60 season.

Many worthwhile objectives have been set up and Mr. Davi stated that "This is an excellent opportunity to serve our school and community."

Four important meetings will be held during the coming year, dates to be announced later.

Student Enters Piedmont

George Doyle Faris, son of Mr. and Mrs. E. E. Faris, 1301 Park Ave., has entered Piedmont College in Demorest, Ga. He will take the regulation Business Administration course this year but plans to study electronics later.

While a student at Seminole High School he was a member of the track team, the glee club (all four years) and the latin club. He was treasurer of the latter during his sophomore year. His favorite subjects were bookkeeping and math.

For recreation he likes water-skiing, swimming, boating, fishing and dancing. George is industrious and likes to mix work with his recreation. He worked for the Sanford Herald several years, starting as delivery boy and finally as Assistant Circulation Manager.

He also worked at a filling station and at the Mar-Lou Motel between school hours and vacations. During the past summer he has worked as an electrician's helper, and visited his grandparents and other relatives in Chattanooga and Crossville, Tenn.

He is mechanically inclined and spends many hours of his leisure time "tinkering" and working on his car.

Mrs. Messenger New President

Mrs. Verne C. Messenger was elected president of the Fidelity Class of the First Baptist Church at a meeting of the class at her home on North Elliott Avenue. Mrs. S. P. Griffin presided over the business session.

Others elected include Mrs. L. G. Garner, vice president; Mrs. Mineva Williamson, secretary-treasurer; Mrs. Lorraine Graham, assistant secretary and reporter; Mrs. A. L. Gunter, leader of Group 1; Mrs. J. P. Whitaker, Group 2; Mrs. W. T. Canavaugh, Group 3; Mrs. W. H. Willis, Group 4; and Mrs. Ernest Nelson, Group 5.

Reports of group leaders were given and routine business matters discussed after which refreshments were served. Miss Sarah Tatum was welcomed as a new member.

Those present were Mrs. Griffin, Mrs. Graham, Mrs. Whitaker, Mrs. S. J. Brooks, Mrs. Williamson, Mrs. Gunter, Mrs. Messenger, Miss Lorene Franklin and Miss Sarah Tatum.

H.D. Club Meets Plans Workshop

The Seminole Evening Home Demonstration Club opened the seasons programs with a very interesting demonstration on corsage and flower arrangement by Mr. William Grow.

The corsages were given as door prizes. Mrs. C. E. Hunter and Mrs. H. L. Johnson gave reports on Health and Clothing.

During the business session plans were discussed concerning a workshop to make pads and bandages for the cancer drive. Final plans will be made at a later date.

Four new members were welcomed, Helen Ferguson, Ann Riley, Hess Beyers and Rita De Jong.

'Best Man' Becomes Couple's Slayer

SAN BERNARDINO, Calif. (UPI) — A 36-year-old man told detectives today how he stepped out of his intended role as best man and murdered a couple about to be married.

Lawrence Garner admitted fatally shooting Richard Nowlan, 28, an escaped convict, and his bride-to-be, Patricia Hurley Skene, 27, Sept. 9 during a pause on their way to Las Vegas, Nev., where they planned to be married.

"I killed him because I didn't like him," said Garner. "He was an arrogant character."

The bodies of Nowlan and Mrs. Skene, a divorcee and known Los Angeles narcotic user, were found in a lonely desert area the day after the shooting. Identity papers had been stripped from their bodies and it took detectives several days to learn their names.

Garner told detectives he and his girl friend, Sandra Kay Grounds, 23, were driving to Las Vegas with the couple, planning to finance the trip with holdups, when he began to resent Nowlan's superior attitude and informed him he would not go through with the holdup scheme.

He claimed Nowlan threatened him and his family if he backed out.

"That's when I made up my mind I was going to kill him," Garner said.

"After we left Adelanto near here and were out in the desert, I started looking for a good place to kill Nowlan. We stopped the car and Sandra and I took a short walk."

Garner said he and Nowlan decided to take target practice in the lonely desert area while the two women waited in the car.

"Nowlan said he had to go back to the car for more ammunition," said Garner. "I shot him in the groin. He fell down and begged me not to kill him. I shot him again, this time in the head."

"I went back to the car and told Pat there had been an accident. She ran to Nowlan and put his head in her lap. She was looking down at him when I shot her in the back of the head."

Garner said he and Miss Grounds returned to the Los Angeles area and then fled to Mexico. They were deported as undesirable and arrested last Friday in Nogales, Ariz.

Soviet Arms Proposal On Agenda

UNITED NATIONS, N. Y. (UPI) — The United Nations steering committee put Soviet Premier Nikita S. Khrushchev's disarmament plan on the General Assembly agenda today and Russia immediately demanded a separate debate on it.

No objection was made in the 21-nation committee to Deputy Foreign Minister Vasily V. Kuznetsov's request that the plan outlined by Khrushchev here last Friday be included in the assembly's agenda.

But Kuznetsov objected vigorously to Brazilian Augusto Frederico Schmidt's proposal that the Khrushchev plan be lumped with other aspects of disarmament already listed for discussion. The committee left that decision to the assembly.

Kuznetsov said Khrushchev's proposal should stand by itself for discussion and not be "hidden away" among other proposals where it might not "be given sufficient attention as to substance."

The steering committee met before the full assembly went into a session in which the United States hoped to match or better last year's vote in beating down attempts to seal Communist China in the United Nations.

Storm Brewing Near Bahamas

MIAMI (UPI) — A tropical storm began building up in the Bahamas Islands today, only 475 miles east-southeast of Miami. Highest winds were reported at 40 miles per hour.

The Weather Bureau called the disturbance a "tropical depression." But the bureau said it was expected to intensify and probably would become a tropical storm during the day.

It was designated Gracie as the seventh tropical disturbance of the year.

The center of the depression was located by hurricane hunter planes 125 miles southeast of the island of San Salvador.

The Weather Bureau advised all interests in the Bahamas to "take necessary precautions for possible intensification during the next 24 hours."

"All interests in south Florida should keep in touch with the latest advisories and bulletins," the advisory said.

The depression formed in an easterly wave of squalls that has been watched closely for several days as it moved westward across the Caribbean.

The squall winds began circulating in the tropical pattern this morning as the wave slowed down over the central Bahamas and began drifting slowly northward about seven miles per hour.

"Future course of the depression is rather indefinite," forecasters said. "Present indications are that it will drift slowly in a northerly direction during the next 12 hours and gradually increase in size and intensity, possibly reaching tropical storm force during the day."

Highest winds were located in squalls near the center. Winds of 25 to 35 miles per hour extend out 150 miles north and east of the center, the weather bureau said.

A widespread air and sea search continued, meanwhile in the Gulf of Mexico for seven men missing on two boats in choppy water. A seaman fell overboard from a fishing trawler being towed to Tampa early today and was feared drowned.

News Briefs

Solons Got Leeway

WASHINGTON (UPI) — A bill giving House members more leeway in the use of their free telephone and telegraph allowances has been signed into law by President Eisenhower.

Fruit Shipments

WINTER HAVEN (UPI) — Daily carloadings in boxes from the Citrus Vegetable Inspection Division: By rail, 2,000 grapefruit; by boat, 820 grapefruit; by truck, 39,392 grapefruit; total, 42,370. Canberry receipts, 5,450 grapefruit.

Skelton Goes Home

SANTA MONICA, Calif. (UPI) — Comedian Red Skelton, 46, was released from St. John's Hospital Monday where he recuperated from exhaustion. The doctors said Skelton was suffering from physical fatigue.

Callas Asks Help

ROME (UPI) — Maria Callas flew off to an important concert in London today and asked "all my good friends" to help her through an emotional crisis. She termed "rubbish" the remarks of her estranged husband concerning a romance with Greek shipping magnate Aristotle Onassis.

Swift Talks Rescess

CHICAGO (UPI) — Weary negotiators began today a three-day recess in talks to end a strike by 18,000 Swift and Co. workers. Swift officials and representatives of the United Packinghouse Workers and the Amalgamated Meat Cutters and Butcher Workmen said talks would be resumed Thursday.

Cuban Plot Broken

HAVANA (UPI) — The Cuban army announced today it had broken up a revolutionary plot Monday night to seize Baracoa Airport in eastern Cuba and arrested 40 men. The army announcement said the plot was broken up by three government spies who infiltrated the revolutionary group and tipped off the Cuban army.

Growth Injection

KOBE, Japan (UPI) — Doctors at the Kobe Medical University claimed today that transfusing a midgelet with the blood of a giant would increase the midgelet's height.

The school's internal medicine department said it had injected the blood of a six-foot, 18-year-old girl into a 25-year-old man whose growth had been stunted since he injured his head in a fall at school in the sixth grade.

In one year, the university reported, the man's height grew three centimeters (1.18 inches).

Unconfirmed reports said that on the basis of this finding, some businessmen already were inquiring about importing whole blood into Japan from countries where the people grow tall.

One newspaper which carried the report said it received a telephone call from a reader inquiring whether it would work in reverse for a tall person who wanted to be less noticeable.

Winners Listed In Tournaments For Cancer Benefit

Bill and Jeanne Foult were the winners of the Mayfair Country Club in the Babe Zaharias Golf Tournament. Bill's net score under the Calloway System was 69. Jeanne's net score was 70 in runner-up position at Mayfair were Sunny Powell with a 71 and Barbara Rowell 72.

At the Casseberry Country Club, Bill Knauer Jr., with net score of 68½ and Audrey Ramsey with a net of 73 were the winners. Runner-up in the men's division was Dick Dickinson with a 69. There was a three way tie which was decided by matching score cards hole for hole. Sara Sparrow was runner-up in the ladies division with a 73½.

Trophies will be presented the winners next Monday at the quarterly meeting of the Seminole Chapter of the American Cancer Society. The meeting will be 8 p. m. at the Grace Methodist Church, Sanford.

The Babe Zaharias tournament was sponsored by the Women's Golf Associations at the two clubs. Mrs. Clifford Overman, president at Casseberry, and Miss Ellen Betts, president at Mayfair, were credited by the Cancer Society for the event's success.

A total of \$281.50 was raised in the two days with a \$50 donation by Hillard Casseberry on behalf of the Casseberry Country Club.

Teachers To Hear Stelson Professor

Seminole County Education Association secondary teachers will hear a talk by Stelson Education Professor R. J. Longstreet at the association's first meeting Thursday. Elementary teachers will hold grade group meetings.

Dr. James B. Conant's report on American high schools will be Longstreet's topic at the 8 p. m. meeting at Altamonte Elementary School.

Association officers for the 1959-60 school year to be installed by Supt. R. T. Milnes are president, W. W. Wharton; vice president, Mrs. Alicia Schmidt; recording secretary, Miss Martha Thompson; corresponding secretary, Miss Marguerite Dodson; treasurer, Freeman E. Baggett.

Southeast Seminole To Promote Areas

The Southeast Seminole Chamber of Commerce has voted to distribute brochures advertising the Oviedo, Slavia, Chuluota and Geneva areas.

Sample copies of such a brochure were shown last night at the chamber's meeting at Oviedo. The organization will have a business office in a Broadway building now occupied by Ernest Wheatling.

The advertising brochures will contain historical background material, business listings and information about taxes, schools, churches and other facilities.

President Ben Ward Jr. announced that the chamber will appoint new committee chairman at its next meeting.

Christmas Parade Theme Wanted

The Jaycees have opened a contest to choose a theme for the annual Christmas Parade.

Entries should be sent on a post card, including the sender's name and address and the theme proposed, to the Jaycee information center on French Ave.

The contest will end Sept. 29 and a \$25 savings bond will be given to the winner. Themes may be of religious nature or otherwise suitable to the Christmas Parade.

Previous themes included "Christmas Story," "Christmas Through A Child's Eyes," "Let's put Christ Back in Christmas" and similar ones.

Sanford Group Sees Evinrude

The latest lines in Evinrude boat motors were displayed to more than 200 boat dealers and newspapermen in a state exhibition at the Tampa Terrace Hotel yesterday.

Attending the Tampa showing were Mr. and Mrs. Harry Robson, owners of Robson's sporting Goods and Ronald Taylor, a Robson's employee.

The new Starlight 73 motor was featured and a ride on the Hillsborough River, movies and talks on Evinrude motors breakfast and dinner at the Tampa Terrace were included in the exhibition.

Hypnotist To Speak To Kiwanis Club

Joe B. McCauley of Orlando will be guest speaker at the Kiwanis Club meeting tomorrow at the Civic Center. McCauley is an Ethical Hypnotist teacher and will speak on "Hypnotism and Its Various Uses."

The speaker majored in psychology at Orlando Jr. College and Rollins College and received special training in hypnosis at the Ethical Hypnotic training center, Irvington, N. J. He got his license in June of this year and is the first licensed hypnotic teacher in the U. S. He works on a referral basis.

Engel Funeral To Be Wednesday

Funeral mass for Mr. George J. Engel, who died yesterday, will be held at 11 a. m. Wednesday at All Souls Catholic Church, with the Rev. Richard Lyons officiating.

Burial will be in Oaklawn Memorial Park, with Brison Funeral Home in charge.

Governor's Action On Roll Expected

READY FOR BIG DAY at the Bahia Shrine Temple's first Family Day Picnic Saturday are left to right, Shriners Chester Rearick, of DeBary, picnic chairman; Harold Kastner, coordinator of units; and Andrew Ramsay, president of the Sanford Shrine Club. All Shriners, their families and friends are invited to the all day Sanlando Springs festivities.

Seminole Problem Up To Him

TALLAHASSEE (UPI) — Gov. LeRoy Collins was expected to give his decision today in a controversy over the 1959 Seminole County tax roll.

Aides said the Seminole County problem would be the first item brought to the governor's attention upon his return from a trip to New Hampshire.

The governor was reported driving back to Tallahassee and could not be reached for comment this morning. He was expected at the capital sometime today.

Collins said today he has wished the heads of the Seminole property assessment battle and will leave it strictly up to Collins.

Green said he will discuss the matter—which has been before him on four previous occasions—with Collins when the governor returns.

"There is nothing more this office can do," Green said. "I thought I had settled it four times and each time, the officials down there seemed to get further apart. It's almost reached the stage of a shooting war."

"I'm going to turn that ball over to the governor."

The commission voted to refer the matter to the governor and comptroller for a decision last week after tax assessor Mary Earle Walker refused to accept a commission-ordered reappraisal. A telegram was sent by the commission to the governor and comptroller, but both were out of the state at the time. Green returned but Commission Chairman John Kridler said no reply has been received to the message.

Kastner Heads Big Gift Division Of UF Campaign

Seminole County United Fund campaign division heads have been named and division quotas set in the drive for \$41,821.

Under Campaign Chairman A. B. Peterson Jr., Harold H. Kastner will head the Major Gifts department which has a \$20,000 quota.

Leading collections from industrial employes will be construction manager Art Harris. Engineer William Bush has charge of collections from businesses with eight or more employes. The goal for the industrial and business employe subdivisions is \$6,300.

Chairman of the Diversified Division, in charge of solicitation from businesses with fewer than eight employes is Herbert Stenstrom. The diversified quota is \$4,500.

The Residential Division chairman has not been announced but a \$2,500 residential collections goal has been set.

Collections from city and county government workers will be supervised by city building inspector M. A. Yelvington and County Zoning Director Robert Brown. The Government Division quota is \$1,500.

The Rev. John W. Thomas of Holy Cross Episcopal Church has charge of the Church Cooperation division in the drive which runs through Oct. 15.

The Metropolitan Division, organized countywide chiefly through the Negro Schools has a \$1,500 goal. Dr. G. H. Starke, Crooms Academy Principal Roy A. Allen, and Hopper Academy Principal Alma Hurston head this section.

No Dates Slated For Tax Hearing

County Commissioners decided this morning that they weren't in a position to set dates for tax equalization meetings.

The commissioners can't set the hearing dates until they know when the tax rolls will be submitted, advised Attorney Mach Cleveland Jr.

A request for a tentative budget from the county clerk, to be presented not later than next Tuesday was made by the commission. According to the state attorney general the commission must have a proposed budget.

A five per cent increase over last year's budget could be anticipated for the coming year said Deputy Clerk Earl Burdick. This would bring the 1959-60 budget to about \$38 million.

The commissioners prepare the final budget from the tentative figures drawn up by the county clerk.

Minister Says He'll Make Race On Segregation

TALLAHASSEE (UPI) — A Southern Baptist minister from Winter Park Monday became Florida's second announced candidate for governor in 1960. Both candidates are staunch segregationists.

The Rev. George A. Downs, executive secretary of the Florida Citizens Council said he would run on a platform of total segregation.

"I am entering the race to give the people of Florida whose philosophy agrees with ours a clear-cut choice in the election," said Downs.

The announcement came as a surprise to at least three other potential candidates who may make segregation the top issue in the coming campaign. State Sen. Harvie Belier of Bonifay, an ardent segregationist, made his formal announcement a month ago.

Senate President Deway Johnson, Quincy, and Jacksonville attorney Fred W. Kent said Downs' decision to run will have no effect on their own plans.

Electronics Men To Be Introduced

Representatives of Dearborn Electronics Laboratories and Dynatronics Inc. will be introduced to Sanford business and professional men at the monthly meeting of the Coffee Club sponsored by the Chamber of Commerce.

The Coffee Club will meet at 10 a. m. Thursday at Mrs. Appleby's Valdes Restaurant.

Christianity, Communism Compared

read "prince of peace," made a comparison between communism and Christianity at a civic banquet here Monday night.

The Soviet premier said the Communists looked upon building a new society as something "most sacred."

"We want to build a society of complete equality as preached by Christ," he said. "If you will look into our aspirations you will see that we have taken many of Christ's precepts—such as 'Love thy neighbor.'"

Khrushchev returned to that philosophy in a different vein by bringing up his heated feud with Mayor Norris Poulson of Los Angeles. Poulson angered the Soviet leader with his "we will bury you" reference in a speech Saturday night.

The premier said he wanted to say some pleasant things about Los Angeles and Mayor Poulson.

"The mayor has a very charming wife and family," Khrushchev said. "At dinner something happened—perhaps he got up on the wrong side of the bed—that is why he delivered that unhappy speech."

"Let us be condescending," he added. "Even the teaching of Christianity tells us to forgive the trespasses of others. Let us consider he spoke not from the heart, not from the mind, but it was just an unhappy incident."

The speech capped a busy day of handshaking, backslapping and slight-seeing for the Soviet leader including his first close-up look at an American industrial plant and a spur-of-the-moment meeting with rank-and-file union men.

The premier also revealed that he had heard of a tomato throwing incident during his drive through the streets of Los Angeles. "Someone threw a tomato—it may have been a very good tomato—and the chief of police decided to deprive us of the pleasure of visiting your land of fantasy, Disneyland," he said.

Khrushchev was far more cordial than he had been on previous occasions. He said that in San Francisco he felt as if he were among true friends.

"I stopped the car at random and asked an ordinary housewife on the street what was her dearest wish, and she said 'peace... no war.' Those are the sentiments that fill the minds of all citizens in the Soviet Union," he said.

Eisenhower Calls In Top Advisors

WASHINGTON (UPI) — President Eisenhower called seven top advisers to the White House today to help him prepare for his crucial weekend talks with Soviet Premier Nikita Khrushchev.

Summoned to the conference were high diplomatic, military, intelligence, science and atomic officials, headed by Undersecretary of State C. Douglas Dillon and Deputy Defense Secretary Thomas Gates.

They included John McCoom, chairman of the Atomic Energy Commission; Allen Dulles, director of the Central Intelligence Agency; Adm. Arleigh F. Burke, chief of naval operations; Dr. George B. Klatskowsky, presidential science adviser; and Gordon Gray, special presidential assistant for security affairs.

No agenda for the conference has been made public but the two world leaders are expected to discuss the Berlin issue and disarmament among other problems dividing the East and West.

Phone Company Sets Open House

Sanford's Southern Bell Telephone Co. branch office will hold open house Sept. 30-Oct. 1, from 6:30 to 9:30 p. m.

The long distance switchboard in operation a movie for the children and refreshments will be featured in the tour of the building at 508 W. Ninth.

"Come and bring the whole family," Manager Bob Shadden invited Sanford area residents.
