The Church is the greatest factor on earth for the building

of character and good citizen-ship. It is a storehouse of spiritual values. Without a strong Church, neither democ-

racy nor civilization can sur-vive. There are four sound

reasons why every person should attend services regu-

larly and support the Church.
They are: (1) For his own
sake. (2) For his children's
sake. (3) For the sake of his

community and nation. (4) F the sake of the Church itse

which needs his moral and material support. Plan to so to church regularly and read

your Bible daily.
