Kenneth W. McIntosh, 33, Seminole County prosecuting attorney and former Sanford municipal judge, was named the Outstanding Young Man of the Year and presented the Distinguished Service Award at the Jaycees annual awards banquet Saturday at the Police Benevolent Building.

Winner of the Good Government award was George Touhy, executive vice president of First Federal Savings and Loan Association.

Both McIntosh and Touhy were cited for their outstanding contributions to the community in the fields of better government, community service and civic improvement.

"Sanford has been good to me and I will continue to try to repay in some small way the kindnesses extended to my family and me since we came here," said McIntosh as he accepted the award from Wendell Springfield, DSA chairman.

"We all have a distinct responsibility to try to make our community a better place in which to live. The Jaycees have done much in this line, too," said Touhy. Paul Lewis, chairman of the Good Government Award made that presentation.

Billy Drennan, a bagboy at Food Fair supermarket, was honored by the Jaycees for his "unselfish act of heroism" in risking his own life to snatch two small children from a blazing auto in the store's parking lot a few months ago. He was presented with a framed letter of commendation and a \$25 savings bond. (A similar award recently was given Drennan by Food Fair Company.)

Named Young Teacher of the Year was Donald Farreras, vocational agriculture instructor at Sanford Junior High School. He was cited for his precise and example in inspiring his students to use their abilities to the fullest.

Gerald Behrens of Lake Monroe, was named Young Farmer of the Year. The local vegetable grower was cited for development of labor-saving devices and record yields of crops through the use of modern methods. County Commissioner Ed Yarbrough, a former winner of the Young Farmer Award, made the presentation.

The Outstanding Young Sailor was Drannon Vines, AMH-1/c of RVAH-13, who lives in North Orlando. Vines was voted the winner by other Navy men because of his active civic, church and community life in Longwood as well as his outstanding Naval career record.

Jaycee President Clyde Long presided at the Awards Banquet along with Awards Chairman Charles Fox.

In order to remain eligible for Federal funds in this Sanford Naval Air Station "impact area," the law requires that schools file their desegregation plans before March 1, 1965. The Seminole County School Board has complied with this directive

World Honors Sir Winston

LONDON (UPI) — The nation Sir Winston Churchill saved in its most desperate hour began trying to pay back its debt to him today.

The protocol and precedents of centuries are being swept aside to make sure that Britain pays its last full measure of devotion to the 90-year-old man who died Sunday.

"He will be buried like a king," the British Broadcasting Corporation (BBC) phrased it — the first commoner in all English history to be accorded that honor.

Queen Elizabeth commanded a state funeral and Parliament ratified her decree this afternoon.

And then, in an unprecedented move, it was announced the queen and members of the royal family would attend the funeral in St. Paul's Cathedral on Saturday.

Royalty rarely attends funerals except those of other royalty.

And Churchill, despite the fact that he was a knight of the realm, was a commoner.

Doubtless he could have had any degree in the British peerage he desired, but accepted the knighthood because that enabled him to remain in the House of Commons. The queen's presence will be an honor that not even was accorded to the Duke of Wellington, conqueror of Napoleon. Queen Victoria ordered a state funeral but did not attend it.

The world joined the queen

in paying tribute. Every hour throughout Sunday a postal truck halted in front of No. 28 Hyde Park Gate and left a bag.

By 3 p.m. more than 400 cables and telegrams had been delivered, and then the delivery ceased to make sure that members of the Churchill family would not be disturbed throughout the evening. This morning the postal authorities again started moving the enormous backlog of condolences which grew by the hour.

One message Sunday was from Queen Elizabeth to Lady Churchill: "The news of Sir Winston Churchill's death causes inexpressible grief to me and my husband. We send our warmest sympathy to you and your family. The whole world is the poorer by the loss of his many-sided genius, while the survival of this country and the sister nations of the Commonwealth in the face of the greatest danger that has ever threatened them will be a perpetual memorial to his leadership, his vision and his indomitable courage."

People did not wait for official action to express their sorrow. The little town of Westerham, where the Churchill's have a country home, announced it would erect a statue and set up an educational trust fund.

Foundation Of 'Society'

WASHINGTON (UPI) — President Johnson today sent Congress a record \$99.7 billion budget heavily emphasizing welfare programs essential to his "Great Society" and providing for small new military spending cutbacks.

Although Johnson barely managed to stay under the \$100 billion mark, his requests for burgeoning domestic programs in the fields of health, education and housing indicated that fiscal 1966 will be the last year federal spending can be held under that level.

In fact, by another method of calculating, the federal government will pay out a whopping \$127.4 billion during the 12 months starting July 1. In either case it was the biggest budget in history—war or peace—and called for more red-ink spending.

Foundation For Society

Johnson called it neither extravagant nor miserly. He said it was the foundation for a "Great Society" which must be "bold . . . compassionate . . . efficient."

"It is aimed," he said, "at improving the quality of our way of life. And it is aimed at insuring that all Americans share in this way of life."

Topping Johnson's proposals was a \$1.7 billion slash in excise taxes to help guard against any drastic slowdown in the four-year-old economic spurt. He said this—coupled with the second installment of last year's big income tax cut—would point the nation toward further new highs in employment, income and profits.

But he warned that there cannot be complacency while nearly four million people are unemployed, plants and machines stand idle and "an estimated 35 million people continue to live in poverty."

Johnson called for an increase of \$3.6 billion—nearly 50 per cent—in spending for health, manpower, education, housing, welfare and the war on poverty. Schools alone would get \$2.7 billion compared with \$1.5 billion this year and less than \$250 million a decade ago.

Area Of Increase

He requested major budget increases for education, health, housing, aid to the needy and the war on poverty. He also renewed his plea for hospital care for the elderly now sure to pass Congress in some form—and proposed a seven per cent hike in Social Security benefits.

Offsetting this, Johnson proposed a "careful pruning" of outlays for defense, veterans and farmers. The rate of increase in spending for space exploration also would be slowed down for the first time since 1959 although Johnson set reaching the moon this decade as a national goal.

The Chief Executive approached the budget in two ways—the familiar administrative budget under which spending would be \$99.7 billion and the "cash budget" first emphasized by John F. Kennedy which includes such outlays as Social Security

Larson Death Shocks State

TALLAHASSEE (UPI) — Flags flew at half mast Monday and messages of shock and sorrow flowed in from all corners of Florida at the unexpected death of State Treasurer and Insurance Commissioner J. Edwin Larson.

The 64-year-old silver-haired dean of the state Cabinet, a veteran of 24 years as treasurer, collapsed while making a speech here Sunday and was pronounced dead less than a half-hour later.

Death was attributed to a cerebral hemorrhage.

Funeral services for Larson, one of the most powerful political figures in Florida and known to veteran observers as "a Democrat of Democrats," were set for 10:30 a. m. Wednesday here.

The body will lie in state in the rotunda of the Capitol, just around the corner from Larson's offices in the north wing, from 10 a. m. to 3 p. m. Tuesday.

Somber satin bows were placed on the doors of Larson's office with a notation they were closed out of respect to "Mr. Ed."

"Florida has lost one of its most outstanding citizens," said Gov. Haydon Burns.

Burns immediately called off the regular Tuesday cabinet meeting and said that all state offices in the Capitol would be closed Wednesday.

State treasury branch of offices around Florida were ordered closed Monday, Tuesday and Wednesday.

Larson had only served 18 days of a new two-year term at his death. It is up to Governor Burns to appoint a successor who will serve out the term and run as an incumbent in 1966.

But the Governor said he would not discuss the matter until after the funeral in deference to Larson's family.

Larson's wife of 37 years, Clara, was at her husband's side when he collapsed during a speech to about 100 persons at the dedication of an Easter Seal rehabilitation clinic.

He had just started his address when he caught his breath suddenly and began to stagger to the ground.

Larson, a native of Brookton, Pa., who came to Florida in 1923, is survived by

three daughters in addition to his wife. They are Mrs. Lillian J. Clewley, of Tallahassee, Mrs. Louis Fischer, of Miami, and Mrs. Dana Johnson, whose husband is in the Air Force.

The 16th treasurer of the state, Larson served in the 1929 and 1931 state House of Representatives and represented Clay and Baker counties in the 1933 Senate.

He served six years as collector of internal revenue for Florida after being appointed to the post in 1933 by President Franklin Roosevelt.

Desegregation Starts Tuesday In City Schools

When the second semester begins Tuesday for Seminole County students, initial desegregation of county schools will also begin, the Seminole County School Board has announced.

The board last week approved two of three applications for Negro students to attend schools nearer their home.

Applications approved were those of Ingrid Burton, 14-year-old daughter of Mr. and Mrs. U. S. Burton, of 900 Locust Avenue and Jocelyn Harold, seven-year-old daughter of Mrs. Juanita G. Harold, 1114 Pine Avenue.

The request of Charlotte Ringling, daughter of Dr. and Mrs. J. C. Ringling, 318 Locust Avenue, was denied.

All of the requests were submitted during the first semester for action effective beginning the second semester.

Ingrid Burton, a straight A student at Crooms High School will transfer to ninth grade classes at Sanford Junior High School Tuesday morning.

Jocelyn Harold, also an above average student, whose mother is a school teacher, will transfer to the second grade at Southside School.

The Ringling application for transfer to Southside School was denied on the grounds that the child's home is nearer Hopper Elementary School than Southside, Stewart Gatchel, school personnel director, said.

In order to remain eligible for Federal funds in this Sanford Naval Air Station "impact area," the law requires that schools file their desegregation plans before March 1, 1965. The Seminole County School Board has complied with this directive

Hospital Wing Rites Slated

Ground will be broken Tuesday at 9:30 a. m. for a new \$1 million wing at Seminole Memorial Hospital.

A host of city and county officials is expected to be on hand for the ceremony.

Last month the board of trustees got a \$170,000 bid from the Development Corporation of America. Previously, the County Commission allocated a third of the cost of the addition, to be paid in equal annual installments over a three-year period.

The federal government, under the Hill-Burton Act, approved a grant of the other two-thirds of the cost.

The difference between the million dollar estimate and the actual construction bid will be used for hospital furnishings, according to Robert Bessner, hospital administrator.

LBJ's Condition Is 'Quite Good'; In Good Spirits

WASHINGTON (UPI) — President Johnson spent a "very satisfactory" night and his condition was "quite good," the White House said today.

Press Secretary George E. Reedy reported that Johnson's temperature was below 100 but above normal all night. He said however, that Johnson rested comfortably throughout the night.

Later a White House spokesman said the President's temperature had returned to normal range.

The President was admitted to Bethesda Naval Medical Center early Saturday with a painful cough and sore throat.

The harsh wracking cough is gone now.

Johnson, himself, was described as being cheerful and in good spirits.

Asked whether Johnson had made a decision on whether to attend the state funeral of Sir Winston Churchill, Reedy said there is "no change—the situation is the same as it was last night."

Johnson said Sunday that he wanted very much to go but "it all depends on how I feel."

Pause Overdue In New Year Stock Market

Wall Street Chatter
NEW YORK (UPI) — E. F. Hutton & Co. says it would appear that some pause in the new year stock market advance is now more than overdue and that some allowance should be made at this time for a consolidation of the recent market rise.

Noting that some of the most active stocks have tended to close lower in recent sessions, the brokerage house says this would seem to suggest that selling pressure is on the rise.

Hache & Co. writes that the market appears poised to scale the 900 level and beyond in the Dow-Jones Industrials. Hache says that the stock market should be given a lift by the President's budget message expected to be delivered in about a week. It notes that this statement in the past has had a "stimulative effect on various areas of the economy."

Thomson & McKinnon says that new highs for the Dow-Jones industrial average can be expected but a broad, extended upswing is not. The Wall Street house says stock prospects do not shape up as uniformly favorable for all major and secondary industry groups.

International Statistical Bureau writes that "across the board purchases of railroad stocks can no longer be suggested." It cites the "impressive" advances made by these issues in 1964. It also says that 1965 earnings of Class 1 carriers "will do well to equal the estimated 1964 level."

He Can't Win For Losing

REDLANDS, Calif. (UPI) — County officials today are trying to straighten out the tax problem of Howard O. Bristow, who paid more property tax than he owed but now owes more.

Last November, Bristow mailed the county tax collector a check for \$353 one month before the deadline.

The county wrote back that his tax was only \$343 and that it could not cash his incorrect check.

He overlooked the county's letter.

The next letter informed him his taxes were delinquent and he now owed \$363 — the taxes plus a \$20 penalty for being late.

ECONOMY R. ECONOMY R.

Highlights Of President's 1966 Budget

WASHINGTON (UPI) — Highlights of President Johnson's new fiscal 1966 budget: **TAXES** — He wants to cut federal excise taxes by \$1.7 billion. Congress will get detailed recommendations later. Despite new tax relief, federal revenues expected to rise \$3.2 billion to \$94.4 billion as a result of economic growth. Social Security taxes would be raised to finance hospital care for elderly and increased pensions.

SPENDING — \$99.7 billion, up \$2.2 billion over this year. Major increases for education, health, housing, aid to needy and war on poverty. This would be partly offset by careful pruning of defense, veterans and farm outlays and other economies.

DEFICIT — \$5.3 billion in the red compared to \$6.3 billion during current fiscal year. This, Johnson said, marks "continued progress toward a balanced budget."

U.S. ECONOMY — Booming, thanks to \$11 billion cut in income taxes voted last year. Slightly reduced growth rate will boost total national output of goods and services to record \$69 billion in coming year. Even so, "our economy is still producing at a level well below its potential." 4 million people are unemployed and 35 million continue to live in poverty.

WAR ON WASTE — Government agencies saved \$3.5 billion last year through greater efficiency, elimination of unnecessary expenses. "Next year will be still better." The

American people "are as opposed to waste as I am" and "we can and will eliminate it."

DEFENSE — Will cost \$51.6 billion down \$600 million from this year but still more than half the total spending. Decrease in spending attributed to "vigorous cost reduction program" including closing down of 95 unneeded bases. U.S. armed forces will continue to be second to none in

power and adequate to cope with any challenge.

SPACE — Outlay of \$5.1 billion will maintain momentum of man-on-the-moon program and other space projects, including a start on "Voyager" craft designed to find out if there's life on Mars. Space spending up \$200 million from current year — smallest increase in seven years.

WAR ON POVERTY — Will move into high gear, with office of economic opportunity spending \$1.3 billion in fiscal 1966 compared to \$347 million this year. Funds will provide for 300 community action projects, enrollment of 600,000 persons in job corps, neighborhood youth corps, other anti-poverty programs.

HEALTH — Spending by national institutes of health on medical research would rise by \$11 million to about \$1 billion. Will seek federal subsidies for medical and dental education, regional medical centers, stepped-up attack on air and water pollution.

EDUCATION — Federal investment would rise from \$1.5 billion to \$2.7 billion a year — an increase of 75 per cent, due mainly to Johnson's new proposals for aid to elementary and secondary schools serving poor children.

WELFARE — Increased federal contributions to public assistance payments, which in many states "are inadequate to meet even minimum standards of health and decency." Improved unemployment insurance payments. Increase in funds for retraining of unemployed workers.

PEACE CORPS — To be expanded from 15,000 to 17,000 members, with costs rising from \$80 million to \$100 million.

POSTAL RATES — Johnson will appoint a commission to study whether new rate boosts are indicated. Post office will lose \$714 million in coming year under present rates.

HIGHWAYS — New "user charges" will be proposed to cover increased construction costs on the interstate highway system. He will also seek mandatory curbs on billboards, junkyards and other eyesores along federally financed highways.

Publix President Elected To Florida Power Board

George W. Jenkins, president of Publix Super Markets, Inc., headquartered in Lakeland, was elected a member of the board of directors of Florida Power Corporation, St. Petersburg, at a meeting of the board.

For 20 years, members of Florida Power Corporation's board of directors have all been Florida residents who have a direct interest in the growth and development of the 22-county area served by this electric utility. The election of Jenkins continues this all-Florida tradition.

Jenkins is well-known throughout Florida and nationally known in his field. He and his company have been featured in articles in The Saturday Evening Post (1954) and Look magazine (1964). He is a former president of the National Association of Food Chains and has served on the board and as president of Super Market Institute.

GEORGE W. JENKINS

Jenkins was born in Warm Springs, Ga., in 1907, is married and has six children. He has been active in civic affairs, has served as president of his Rotary club, president of the Chamber of Commerce, president of National Boys Football Foundation, and honorary chairman of Florida Southern College. He received honorary degrees of doctor of law from Florida Southern in 1956 and the University of Tampa in 1963.

Publix operates 141 super markets all in Florida, 10 of which were opened in 1964. Their annual volume in 1964 was \$250 million. The first Publix market opened in Winter Haven in 1960, the second in 1961. Both were sold when their first super market was opened in 1960. In 1964 a chain of 10 small grocery stores was purchased and converted to Publix super markets.

Humane Society Meets Tuesday

T. P. Clark has been elected president of the Seminole County Humane Society.

Other new officers include:

T. P. CLARK

Mrs. Paul Jenkins, vice president, and Mrs. Ruth Jenkins, secretary-treasurer. Named to the board of directors were T. P. Clark, T. L. Carter, John Carlson, H. L. Carter, Paul Jenkins and Tom Taylor.

Clark stated that the local society is studying the situation of animal care in other counties. It is the hope of the group to have the construction of an animal shelter.

Next meeting is planned for Tuesday at 7 p.m. at the First Street. At the time, City Manager W. L. Knowles, the Seminole County Sheriff's Department and a local attorney will be asked to attend and help the Society through out legal and financial problems.

WSCS Meets In Geneva

By JoAnn Bass
The general meeting of the Geneva Methodist WSCS, held Tuesday at the church, was opened with devotion by Mrs. Lola Bernard.

Mrs. Edward Yarbrough presented the program on prayer in conjunction with the society's recent adoption of a "Prayer and Partner" program.

At the business meeting presided over by the president, Mrs. Brook Murrell, a committee was appointed to make plans for a church supper to be held in February. Thank you notes were read by the secretary from Donald Atwood and Mrs. Minnie Stone.

Sanlando Circle Has Meeting

Confronting World Issues in Our Community was the subject of the program at the first in a series of meetings of the Jane Hill Circle of First Baptist Church of Sanlando Springs held Tuesday at the home of the chairman, Mrs. Lewis Haines, on Boston Avenue in Altamonte Springs. The program was directed by Mrs. H. H. Hamby with devotional given by Mrs. James H. Smith.

Refreshments were served by Mrs. Haines to the nine members and six guests at the meeting.

Dental Health Discussed For Enterprise PTC

By Mrs. Ritchie Harris
Enterprise Parent-Teacher Council heard a program on diseases and care of the teeth presented by Dr. Steven Stamper of Daytona Beach in conjunction with Volusia County's observation of National Children's Dental Health Month during February.

Through the month a "smile" contest will be conducted and a boy and girl will be selected as winners from each school.

In other highlights of the January meeting, Mrs. Marian Braddock, PTC treasurer, presented the principal, Mrs. Sylvia Hardin, a check in the amount of \$121, proceeds from the recent variety show, to be used to furnish the school library.

Prize monies won by the first grade in taking third place in the DeLand Christmas Parade were presented to the teachers, Mrs. Virginia Hushing and Mrs. Elizabeth Mason to buy a useful item for their classrooms.

Room counts won by Mrs. Florence Carter's fourth and fifth grade combination.

Announcement was made that the PTC will sponsor a carnival from 2 until 5 p.m. on May 1.

February meeting will be an open house with room visitation open to the parents.

South Seminole Garden Club Learns To Condition Plants

By Jane Casselberry

The South Seminole Garden Club heard a talk on conditioning plants by Mrs. Eric Vihlen of Grapeville Nursery, Sanford, at a meeting at the Women's Club in Casselberry. Mrs. W. J. Krohne Sr., gave a devotional on "Weeding" comparing the bad habits in life to weeds in the garden.

Mrs. H. T. Crittenden conducted the meeting and welcomed the guests. Mrs. Arthur Putman reported on the tree planting and dedication held recently at the state headquarters in Winter Park as part of the state federation of garden clubs' two-year project for planting flowering trees. In 1964 the garden clubs reported 100,000 trees planted in the state.

Mrs. W. H. Holmes is general chairman of the spring flower show to be held in April. A planning meeting will be held Feb. 16 at the home of Mrs. Glenn Humes at 131 Hattaway Dr., Altamonte Springs.

The next general meeting will be at 12 noon, Feb. 23, at the Agricultural Experimental Station on Highway 17-92 south of Sanford. Guests at the meeting included Mrs. Ralph Miller, Cal-

ifornia; Mrs. Esther Corzine, Washington, D.C.; Mrs. Paul Altman, Longwood and Mrs. Ray Winder, Fern Park. Refreshments of cookies, cake, coffee and tea were served by the hostesses, Mrs. Milton Tinsley, Mrs. Robert Lormann, Mrs. W. J. Krohne Sr., Mrs. James Johnson, Mrs. Gertrude Cross, and Mrs. S. S. Atrow.

By Frances Wester

The January meeting of Circle Two of the U.P.W. of the Community Presbyterian Church of Lake Mary was held at the home of Mrs. Harry E. Sandusky, the new chairman of the group for the coming year.

The other circle officers appointed during the business session are as follows: Vice Chairman, Mrs. Joe Smathers; Secretary, Mrs. Don Smith; Publicity, Mrs. Ralph Williams; Fellowship, Mrs. Fannie Leffler; World Service, Mrs. Smathers; Program, Mrs. Marie Lowe; Local Church Service, Mrs. Elizabeth Roberts; and Joan Project, Mrs. Fern Benedict.

Mrs. Lowe, the new program chairman, gave an outline of the duties of the various circle officers and an out-

Practical Nurse Training Course Survey Slated

Miss Miriam McCrea, director of education for the State Board of Nursing, will conduct a survey in Sanford Feb. 24 with the view of establishing a licensed practical nurses training course at Seminole Memorial Hospital.

E. S. Douglass, director of vocational-technical training for Seminole County schools, said the practical nurse training course would run for about 1,200 hours or one year.

The general vocational educational advisory committee has urged the School Board to take steps to enlarge vocational-technical offerings and to request a state survey for an area vocational-technical center.

Members of the committee are Carl Schilke, George Means, Byron Kimball, Scott Burns and J. P. Toole, chairman.

Douglas, after outlining progress during the last year, told the committee that plans are under way for new courses, besides practical nursing, in electronics assembly and carpenter apprentices relating to related training.

Firemen Call Special Meet For Today

By Maryann Miles

A special meeting of the Forest City Volunteer Fire Association has been called for 7:30 p.m. today for the purpose of electing six directors.

The meeting will be held at Bear Lake Elementary School with Louis J. Stubbs as acting chairman.

Officials, who announce that the six directors must be chosen in order that the charter can be changed from the Wekiwa department to the Forest City department, urge all members to attend and advise that anyone already subscribing to the Wekiwa service automatically are members of the new Forest City group.

New members also will be accepted at tonight's meeting.

DeBary Club To Install Officers

By Mrs. John Leone

New officers of the DeBary Extension Homemakers Club will be installed during the 1:30 p.m. business meeting Thursday at the Community Center.

Mrs. Edna Eby, Volusia agent, will serve as installing officer and also will be program speaker for the day giving an address entitled "What Are My Responsibilities as a Citizen?"

Workshop session and instruction, beginning at 10 a.m., will be given by Mrs. Doris Cole who will teach the members how to make rose trees.

Reverage for the noon lunch will be supplied by committee chairmen.

Florence Fools Fred Freely

SOUTHAMPTON, England (UPI) — Frederick Revely, a retired school teacher, has discovered after 40 years of marriage that his wife, Florence, is 23 years his senior.

Until this week 73-year-old Fred believed Florence was just eight years older than himself.

Then a kitchen accident revealed the secret.

Florence slipped and broke a leg. In the hospital she confided to nurses her real age.

When Fred went to visit her, the nurses told him she was "making a remarkable recovery — for a woman of 96."

But he added with a grin: "It doesn't make any difference. . . She still doesn't look a day over 81 to me."

Jim Salvail Named President Of Explorers Canoeing Post

By Curtis Abney

Jim Salvail has been elected president of Explorers of Canoeing Post 502, now being rechartered by the Sanford NAS Petty Officers Club.

Other newly elected officers are Wayne Stankiewicz, vice president; Ron Ogden, secretary; Curtis Abney, publicity secretary; Glenn Richards, treasurer, and Tom Michela and Roy Riser, cabinet representatives.

The Explorers are making plans for future activities. Since canoeing is the post's main objective, many canoeing and camping trips will be planned. Many other numerous activities will be undertaken.

All young men of ages 14 through 17 who have an interest in canoeing, camping and other Explorer activities are invited to join our post in the fun and experiences we share. They may contact one of the Post's officers.

Sunday, our newly elected cabinet representatives, Tom Michela and Roy Riser, and the Post advisor, Herb Pedrick, attended the district explorers cabinet meeting at the Morris Restaurant in Deland. There they participated in discussing the future council canoe derby in May.

Roy Riser was a nominee for alternate to go to the council cabinet meeting in April. He will represent the St. Johns Explorers cabinet.

The Post will meet Wednesday 7:30 at Ron Ogden's home, 312 Fernmont Drive, Sunland Future meetings will be held on Wednesday at 7:30 in the conference room at the Sanford NAS.

Friday and Saturday evenings, a training session will be conducted by the advisor for the newly elected officers and all members of Post 502 at the Sanford NAS.

Miss Patti Walker And Tommy Speer Feted At Pre-Nuptial Buffet Dinner

Dr. and Mrs. H. S. Woodruff recently entertained with a buffet dinner at their Mayfair home in honor of Miss Patricia Ann Walker and her fiancé, Thomas A. Speer. This is the first in a series of pre-nuptial parties planned for the bride and groom.

Lovely floral arrangements decorated the Woodruff home. Centering the buffet table, which was covered in white cutwork linen, was an arrangement of white glads and daisies in a silver pedestal container, accented with silver candle holders containing white tapers.

Mr. and Mrs. Claude Grizzard, the Woodruff's daughter, assisted with the arrangements.

Others attending the buffet

were Mr. and Mrs. Leon Walker, Jr., Mr. and Mrs. E. M. Gordon, Dr. and Mrs. Frank M. Walker and A. K. Powers.

MISS PATTI WALKER, left, and her fiancé, Tommy Speer, were recently honored with a buffet dinner at the home of Dr. and Mrs. H. S. Woodruff. Pictured with the engaged couple are Mrs. Claude Grizzard who assisted her mother, Mrs. Woodruff at the right.

Public Invited To Film Relating To Child Molest

The Woman's Club of Sanford cordially invites the public to view the film, "Riddle of the Friendly Stranger," a story of child molesting, which every parent and child will benefit from.

The film has been previewed by school officials, the Health Department and other interested citizens with the recommendation that all elementary students and parents share in the movie.

Filed in St. Petersburg, the story is tastefully — in sound and color presented by a police woman and her dummy, "Galby" and covers problems in dealing with child molestation.

The Woman's Club feels this is a most worthwhile enterprise and has arranged the following schedule so that all interested persons may attend the film showing: Mon. Jan. 25, — Pinecrest School; Tuesday—Lake Mary School; Wednesday—Granmar School; Thursday, Goldsboro School, with the time for each program slated for 7:30 p.m. (Soc. Ed.)

Try using styrofoam balls, cut in half, for pin cushions. Covered with velvet, or other material, they add a decorative touch in a sewing room, bedroom or bath.

Fashions And Card Games Combine At Woman's Club Benefit Tomorrow

Future fashions on parade activity this Tuesday, Jan. 26 at 7:30 p.m. at the Woman's Club of Sanford.

JERRY KIRK, left, and Ann Ray are looking over one of the fabulous fashions from Playgirl, which will be featured in the Woman's Club Fashion Show and Card party tomorrow night, with club women serving as models.

The club women are preparing for their annual Benefit Card party and Fashion Show with the interest of the entire public in mind.

Members of the club will don carefully selected fashions from Playgirl and portray real pros in the array selected by Mrs. Bonder. Featured fashions will be appropriate for the working girl and the homemaker as well as the clubwoman.

Card players will delight in playing the game of their choice with many prizes awarded.

Proceeds from this worthy benefit will help defray the cost of the Woman's Club Project, a film entitled "The Riddle of the Stranger." This film is recommended by the Florida Federation of Women's Clubs and other organizations to educate children in visible signs of recognizing child molesters.

Refreshments will be served and tickets can be purchased from any club member. So plan to attend an exciting evening of cards and fashions with all your friends. (Soc. Ed.)

Miss Barbara Riser Bradley, daughter of Mr. and Mrs. Gordon Bradley Sr. of this city and Frank Westley Bowden Jr., son of Mr. and Mrs. Lawrence Edward Leeper of Osteen, were united in holy matrimony on Saturday, January 23, 1965 at 8 p.m. at Holy Cross Episcopal Church.

MRS. FRANK WESTLEY BOWDEN JR.

The Reverend Leroy Soper officiated at the impressive candlelight and double ring ceremony before the altar flanked by standing wrought iron candelabra with tall white tapers. Two altar vases held magnificent arrangements of white glads and fugi mums combined with jade foliage, and two standard baskets contained white glads and fugi mums. Potted palms and greenery were featured along the choir railing.

Miss Beatrice Buck, church organist, presented the pre-wedding organ recital and for the processional played "Rigaudon" and "Trumpet Voluntary."

Given in marriage by her father, the bride was radiant in a white formal gown of tissue silk peau de sole with the fitted bodice featuring a batteau neckline and three-quarter length sleeves accented with Chantilly lace appliques outlined with seed pearls. The sweeping chapel train was attached to the shoulder, gracefully cascading over the bell shaped skirt, embellished with Chantilly lace and seed pearl appliques.

Her imported bouffant veil of silk illusion was attached to a crown of orange blossoms fashioned from silk organza and seed pearl clusters. She carried a cascade bridal bouquet of white Tiara roses accented with white seed pearls and satin leaves with a background of natural green foliage.

Mrs. Glynn Hodges attended the bride as matron of honor and was gowned in leaf green shadow silk, featuring a fitted bodice with a butterfly overskirt. Her short veil of illusion fell from a headpiece of matching green velvet petals and she carried a crescent designed bouquet of green fugi mums and natural jade leaves.

Attending the bride as bridesmaids were Mrs. Alex McKibbin and Mrs. Gregory Walker, who were gowned identically to the matron of honor, and their bouquets were of the same design.

Richard C. Beagley of Cocoa Beach served the groom as best man and usher were Gordon L. Bradley Jr., brother of the bride, Richard C. Tomalak and Thomas L. Cain, III, both of Cocoa and Glynn Hodges, Sanford.

Mrs. Bradley chose for her daughter's wedding a Windsor blue dress fashioned with a crepe skirt and lace bodice. She wore matching accessories and a corsage of white Phalaenopsis orchids.

The groom's mother, Mrs. L. E. Leeper, was attired in ice green satin with matching accessories and an orchid corsage.

Immediately following the wedding a reception was held at the church Parish House. Miss Janice Cook of Cocoa Beach kept the bride's book, which was on a table covered in imported lace and linen.

The refreshment table was overlaid in net and satin, draped at intervals with fern and flowers interspersed along the drape folds. Served with the traditional wedding cake was

All-Male Directors Board Has Female Trucker Prexy

NEW YORK (UPI) — The newest big wheel in the trucking industry wears pearls and pertume and is married to a man who hardly admires the woman driver.

She is Mrs. Joseph Shea, who is the new president of a New Jersey truck leasing firm which keeps 800 vehicles of the five-ton to 35-ton class plying the nation's highways.

Mary Shea, a trim brunette in her early 40's, has been with trucking since 1942. Yes, she said, she drives a car.

"But when my husband and I are together, he takes the wheel. He doesn't think much of women drivers."

In turn, Mrs. Shea thinks in the most complimentary terms of truck drivers.

"The truck driver is a man who puts in a lot of hours on the road," she said. "He is more courteous than most drivers."

"I know a number of them who are furthering their training... students who will drive a truck at night and go to school during the day."

North Orlando Sets Elections For March 16

By Margaret Cosby
Village Clerk and Supervisor of Registration Barbara Peters announces that the Village of North Orlando will hold its general elections on Tuesday, March 16.

Four council seats are to be filled, groups one, three and five for a two year period and group four for a one year period.

Mrs. Peters reports that the group four seat will be vacant for one year in order to complete the term of Mrs. Mona Grinstead who had been elected in 1964. Since Mrs. Grinstead left the village and found it necessary to resign last fall, Jay A. Wetz was appointed by the council to fill this vacancy until the March general election.

The village registration books are now open daily from 9 a.m. until noon, in the village office and on Wednesday evenings from 7 until 9. Books will remain open until Saturday, Feb. 27, at 4 p.m.

Any resident who has lived in the community for six months and in the state of Florida for one year prior to the election date is eligible to vote but must register during this period if he or she desires to vote in the coming election.

Persons interested in becoming candidates for office may secure necessary forms from the clerk after Feb. 1, filing dates for the forms are ten days, Feb. 17-27.

Blind Students To Appear Here

Seventeen boys and girls from the Florida School for the Blind, St. Augustine, will visit Sanford Wednesday to demonstrate first hand the accomplishments of the school.

The students have been invited to appear at the luncheon meeting of the Kiwanis Club at the Civic Center and members of the Rotary, Civitan and Lions Clubs have been invited.

The blind youngsters and their principal, Herbert D. Angus, will present a musical demonstration and a writing and reading demonstration, to illustrate the work of the school.

Hardy 'Scouts' Blaze Trails In 20-Degree Temperatures

By Jane Cassel
Who said America is soft? We take our hats off to two stalwart Seminole County Girl Scout leaders, Mrs. Lois Lockyer of Troop 910, Casselberry, and Mrs. Anita McGinnis, Troop 472, Eastbrook, who endured 20 degree temperatures and rain to take advanced camp and back packing training at Camp Ticochee near Barberville.

With 26 other brave souls, they left their base camp to hike into the wilderness carrying on their backs all equipment necessary for setting up a primitive camp, including tents, sleeping bags, water, food and cooking pots.

When these two gals were loaded down with full packs and other miscellaneous gear they found it difficult to stand, much less walk, but they trudged gallantly on to their destination.

They were allowed only two pots with which to prepare their "tasty" dehydrated food. Anita was confronted with a sticky problem indeed, when after mixing biscuit dough with her hands she found there was no water to rinse.

They retreated to the relative comfort of Adirondack shelters that night but found it difficult to crawl out of their cozy sleeping bags the next morning into the below freezing temperatures.

Any less hardy souls, who might have been tempted to leave for home and electric blankets, would have found it impossible as car radiators were filled with icy slush and batteries failed to respond.

Brotherhood Meet-
The Brotherhood of First Baptist Church, Sanford, will meet at 7 p.m. today. Program will be presented by George Pittard, Personal Witness Leader.

DOROTHY COURIER, city clerk of Oviedo, and L. H. Webb, bank executive, display the new front license plates being distributed by the Seminole County Chamber of Commerce.

Stop running scared

The rain is wet . . . the road is slippery . . . the wind is fierce . . . but that doesn't trouble the 'Jeep' Wagoneer. No matter what's happening outside your windshield, you're safer when you're driving a Wagoneer. Why? In one word: "Drivepower." "Jeep" 4-wheel "Drivepower" is what Wagoneer has that no other car in the world has. It's what keeps all four wheels gripping the road, providing the kind of traction that you can't get with any ordinary vehicle. The 'Jeep' Wagoneer will take you through mud, snow or sleet, and over rugged terrain that no other car would even attempt. So for the love o' your family — get a 'Jeep' Wagoneer!

Congressman A. S. (Syd) Herlong will soon be mailing a questionnaire to each citizen seeking advice on such things as Medicare, foreign aid, aid to education program and the like and he will be seeking cooperation of all persons. The congressman says he'll mail a postcard-type questionnaire to each city delivery patron, boxholder and rural route patron.

The Ware Bible Class of First Methodist Church will hold its monthly business-supper meeting tonight at 7 at McKinley Hall. Hosts for the supper will be Mr. and Mrs. R. L. Hutchinson, Mrs. Louise Tillis, Miss Martha Stuart, Henry Hutchinson and Robert Cole. Chaplain Leo J. McDonald, of Sanford Naval Air Station, will be guest speaker.

If Capt. and Mrs. Chandler W. Swanson (he's the CO at the Naval Air Station) appear to be walking taller these days it's because of the news about their daughter, Elizabeth. She's been named to the Dean's List by the faculty of the College of Arts and Sciences for the fall semester. Elizabeth is attending the college at the University of Kentucky.

Jim Hardy, the popular patrolman who seats around town in his special machine, checking overtime parking, found another friend Friday — this one a different type. Jim was at First and Park checking traffic when he spied a lonely fellow wandering aimlessly in and out of the cars. Fearing the little pup might get hurt, he picked it up and put it in the "trouble seat" of his vehicle. The dog is brown with spots of white and has short hair. Looks like he's been well fed and he's a likeable mutt. Jim says.

Power Halted, Schools Close Due To Storm

United Press International
A fast-moving storm swept from the Southern Plains across the Mississippi Valley today, spreading heavy snow, rain and sleet.

Blizzard conditions diminished during the night in western Kansas, but the weather bureau described the storm as critical in eastern Kansas, northern Missouri and southern Iowa.

Snow fell from the Lake Superior region to the Texas Panhandle. Up to three inches of fresh snow fell during the night from northeast Iowa to eastern Kansas and was blown into drifts by strong northerly winds, Lamoni, Iowa, measured four inches of snow.

Thunderstorms rode out ahead of the storm center. The threat of falling temperatures raised the spectre of more ice for hard-hit northern Illinois. About 20,000 homes and businesses were still without electricity in the Chicago area Monday night. Ice-encrusted power lines were being mended by power company workers from Illinois, Indiana, Wisconsin, Michigan, Missouri, Minnesota, Iowa, Pennsylvania and Colorado. A 100-man crew arrived from Minnesota Monday night with 23 fully equipped line trucks.

Schools remained closed north and west of Chicago, where Monday's sleet had done little to ease the heavy burden of ice. Nearly 80 per cent of Elgin, Ill., was without electric power.

The Chicago area storm damage, which started during the weekend, had soared by today to nearly \$2.5 million. The rotating storm center was drawing mild temperatures far northward ahead of its path. Headings were in the 30s at midnight as far north as central Illinois and Indiana.

County Denies Plant Petition

Plans to build an asphalt plant in Seminole County were squelched this morning by the County Commission as the members upheld action of the Board of Adjustment.

The board's decision was appealed by Atty. Kenneth McIntosh, counsel for the builders, Henry L. Douglas and James R. Morgan. They proposed to build the plant off the Longwood-Markham Road and about two miles from Sanlando Springs.

County commissioners also backed the Board of Adjustment in other matters concerning location of trailers in restricted areas. These were appealed by the persons involved, but in each instance the appeal was denied.

Late Closings Seen For Bars

Sanford bars with a 200-seating capacity and complete kitchens may be permitted to operate through 2 a.m. Mondays through Saturdays, should the City Commission follow up action taken Monday night.

The commission directed City Atty. William Hutchinson to draft a proposed ordinance for first and second readings next month.

Commissioners made their decision to amend the present midnight closing after studying the prevailing situation in neighboring counties. Commissioners M. L. Raborn and Joe Baker presented their findings and proposed the late hours to permit city bars to compete with county and area establishments.
