Your gift for that very special serviceman can make Christmas Day a lot brighter, even in Vietnam. But it has to travel almost halfway around the world.

To be sure it reaches him in good condition and in good time for Christmas...just

follow these important steps.

1. The deadline for mailing by surface transportation, November 11th, is already past. To be sure your package arrives on time, send it air mail—and mail it by December 11th at the latest.

(The Post Office Department and the Department of Defense have been assured that all air mail packages received by then will be delivered to Vietnam by Christmas.)

2. Make sure the name and address is complete and clearly legible, placed length-wise on the lower right hand side of your

package, leaving room for the necessary postmark, notations, etc. Be sure to include the important 5-digit A.P.O. or F.P.O. number in the address to avoid serious delays. 3. It may be necessary to mark the

7. The post office can also tell you what weight limit applies. (It varies by A.P.O. and F.P.O. number.)

8. Be very sure the package itself is secure and substantial. Take into account the contents, the climatic conditions, and the handling within Vietnam. Paper alone or ordinary pasteboard boxes are inadequate. Canvas or similar materials, doublefaced corrugated cardboard boxes, solid fiber boxes or wooden containers are recommended. le County Mutual Concert Association Proudly Presents The Third Ball On December 2nd At 7 P.M. At Sanford Civic Center 5

FASHIONABLE FURNISHINGS for every area of the home are found at CARROLLS FURNITURE STORE. Whatever your taste or price range, your selection is Evailable here. Mr. B. R. Carroll suggests a lovely table lamp as a gift to Mrs. Arthur Beckwith Jr. If you desire distinctive designs, or are in a mod, mad mood, all your furnishings can be purchased at Carroll's.

IT'S A WHITE CHRISTMAS for Mrs. Robert Lovelace who will make a sophisticated debut during the Holiday Season in this stunning white crepe short gown, enhanced with luxurious fur trim, from the ultra high-fashion selection at RO-JAY. Arriving daily from leading fashion houses in time for the Holidays are the last word in after-five gowns—both short and long. Whatever your taste, including champagne, your fashion favorite will be featured at Ro-Jay's.

HER COMPLEXTION WILL GLOW like the brightest star with her make-up toned to her individual coloring for glamor around-the-clock.

Mrs. Marjorie Shepard, right, expert cosmetologist at MERLE NORMAN COSMETIC STUDIO, shows Mrs. Robert J. O'Neil a Beauty Care Kit, containing the essentials for the beautifully groomed woman. Whatever the occasion, complete beauty care is "yours exclusively" in Sanford, at Merie Norman's.

GLAMOR IS THE WORD! A royal investiture, perhaps? Not really—Mrs. Mike Whelchel is gowned in a perfectly gorgeous creation from MARY ESTHER'S which she'll wear to the Champagne Ball and maybe other Holiday events. Fashioned of seafoam pure silk with gold trim and sequins, a total graceful silhouette is reflected in the shimmering chiffon floating panels in back and front.

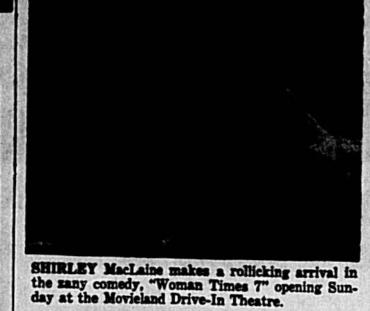

AFTER THE BALL IS OVER make HOUSE OF BEEF headquarters for those festive parties coming up. Sanford's newest dining facility will be your gracious host to any size dinner party and exotic cuisine will be the order of the day. Oh yes, of course you may include champagne or your favorite imported wine to complement your entree. Sylvia Powell, assistant manager, Gertrude Skinner, manager, and Pat Waldkrich, assistant manager, (left to right) leave no stone unturned in arranging the very best for you.

STYLISH COIFFFURES all set for the Champagne Ball were created by Phil Boyd of LELANI HOUSE OF BEAUTY for Mrs. Mikired Mc-Alexander, Mrs. Laverne N. Bass and Miss Dorothy Newsome, left to right, when the trio met at the home of Mrs. J. J. Cates to give a preview of the season's high-fashion hair styles. Phil reminds milady that he is now carrying wigs by Al Italia for those days when her

THE CHURCH POR ALL . . .

. . . ALL POR THE CHURCH

The Church is the greatest factor on earth for the building of charge-ter and good eitherable. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization con survivo. There are four assaud reasons why every person should attend services regularly and support the Church. They are: (1) For his even sales. (2) For his children's sale. (3) For the sake of his community and mation. (4) For the

munity and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church requirity and read your Bible daily.

If someone asked you which you would rather have for a pet, a lespend or a purposet—you would probably think they were erang. Why? Become to you a pumpose is a seft cuddly mintal — a lespend, a fermions heart of pray. But suppose when you were small, someone had taught you that both animals are similar? Then, the question would not soom absord.

So much depends upon how we've been taught. A mistaken interpretation of a particular word can distort our thinking. Take for instance, the word Christian. Some people think of a Christian as a function de-gooder. Others see him as a hypocrite, praying loudly on Sundays while ignoring religious responsibility. Still others, know of the spiritual riches to be found in following the examples of Jesus.

Your church teaches and interprets. God's truths. The spiritual values.

Your church teaches and interprets God's truths. The spiritual values you learn there can illuminate your entire life.
