A long road to hoe

A ground breaking ceremony for the Rinehart Road Widening Project will be held Tuesday, Jan 27 at 11:30 a.m. in front of the Public Safety com-

The contract for the project was awarded to M.K. Eby Construction, low bidder at \$5,119,129.67. Eby is the same contractor who built the second phase of Lake Mary Boulevard. The contract length is 450 days, with construction to be completed by March of 1999.

The widening of Rinehart will include the installation of a 16-inch reclaimed water main and a 20-inch potable water main along the length of the roadway, medians with landscaping and irrigation, five stormwater retention ponds and four new traffic signals. Dual left turn lanes, from eastbound Lake Mary Boulevard onto Rinehart and a right turn lane, from westbound Lake Mary Boulevard onto

Rinehart, will also be installed. in addition to the widening of Rinehart, work is schedule to begin on the new Interstate-4 interchange at Rinehart and C.R. 46A. That project is expected to start in June and take two years to complete.

Waste amnesty day

Seminole County is spon-soring another household hazardous waste Amnesty Day on Feb. 8 fr until 3 p.m. Residents of Seminole County may bring their residential household hazardous waste to the Central Transfer Station, 1634 State Road 419, Longwood, for free and proper disposal.

Residential Amnesty Day includes free disposal for the following items: battery acid, lawn chemicals, solvents, insecticides, disinfectants, gasoline, paint thinner, used motor oil, auto batteries, oil based paint, glue and cement and pool chemicals.

Businesses may call CARE ENVIRONMENTAL SERVICES at 1-800-494-2273.

The governor honors city's best Samaritan

By RUSS WHITE Herald Staff Writer

SANFORD - for Carshena Baker, a senior at the University of Central Florida, the afternoon offered a lesson in love and kindness.

Her keen eyes watched as the staff and residents at the Good Samaritan Home prepared for a visit by Florida Gov. Lawton Chiles.

"Let's see what you're going to wear for the governor." Baker heard a nurse tell an elderly man.

"What's so nice here," Baker said, "is that the residents have their dignity. They've grown old and they don't have much of anything else. But they've come to a home where they are loved. And they're not bossed around."

This love and respect, everyone says, originates with Good Samaritan Home director Thelma Mike. It was for Thelma Mike, that Gov. Chiles came to Sanford on Thursday.

He came to thank her for her

outstanding community service, providing food, shelter and loving care to the poor, the homeless and the aged. He brought Mike a seascape painting done by his wife, Rhea Chiles, and said it was given as a "Heartland" award to special citizens of the state.

You have, indeed, earned the title of Mother Teresa of this community." Chiles said at a ceremony held in the crowded courtyard at the home. A hundred or so Sanford community leaders attended.

Chiles had come to the Good Samaritan Home several times before. As long ago as 1972 when he was a senator, Chiles had written into the Congressional Record that he had seen the people of Sanford *black and white, rich and poor - work together for the common good." He praised Ruby Lee "Mother" Wilson for her efforts. Wilson had begun the home in 1948.

Seminole Community College: It's a fiesta!

BY DAVID PRAZIER Herald Staff Writer

SANFORD - There's a flesta going on at Seminole Community College. During the 1997-98 achool year, SCC has shaped its curriculum and activities around Mexican culture. From the fine arts to studying the growing season for Mexican farm workers, SCC has felt the Latin influence becoming more prevalent as the new millennium grows near.

Dr. Kenna Noone, professor of anthropology, said that SCC will send students again this year for Spring Break to Mexico during March. SCC will offer credit courses in anthropology and physical geogra-phy. This is the fourth year that SCC has sent students to Mexico during the break.

Noone also encourages teachers, working or not, from anywhere in the state, to sign

up for a course in recertification that will be in Mexico. The one week trip will be in June, but sign-ups are in April. The week is planned out before hand with a list of things to see and do. Those interested in attending can call (407) 328-

Fifth graders dare to forsake drugs in program that targets students

By MARIA OREM Herald Staff Writer

HEATHROW - Drug prevention was the focus at Heathrow Elementary School Tuesday during a special presentation by Seminole County sheriff's deputies.

As part of the sheriff's office Drug Abuse Resistance Education program, deputies spoke to students about the dangers of illegal substances. The presentation followed the graduation of 149 fifth grade students from the

D.A.R.E. program.

"It's a wonderful program," said Barbara

"It's a wonderful program," said Barbara
Foster, assistant principal at Heathrow Elementary. "There was great enthusiasm by the
students and many parents were there to show their support.

In order to graduate from the program, students were required to complete a workbook, sign a promise to lead a drug-free life, and also write an essay. During the graduation cere-mony, each student received a D.A.R.E. T-shirt, a certificate, a pencil and a bookmark

listing the eight ways to say no to drugs.

Deputy Vvette Saladino, who served as the school's D.A.R.E. instructor during the 17-week program, said she focused on building students' self esteem and teaching resistance

Why Americans are still overweight

dietim, becami popular in the 1960 colories has turn the key to shedding unwanted pointed. But when studies during the 1980's found that saturated fat in Americans diet was one of the main ranses of heart disease as well is weight gain, but became the new villain in our food. Since then hundreds of reduced fat had products have tone on the market and millions of Americans have seen them as the answer in calm for better health Yet statistics show that obesity in this country is in creasing with one third of all Americans about 67 million people at least 20 percent

overweight. Where did we go wrong?

Research scientists at a recent symposium of the American Institute for Cancer Research stated that the importance of calories in controlling weight and reducing cancer

tisk has been forgotten a tiend that is endangering our health as much as high fatcating. According to cancer researcher David Kritchevsky, Ph. D. of the Wistar Institute in Philadelphia. In the United States cholesterol counts seem to have fallen, while the meidence of obesity has gone up. This may be cause we have done such a good job of selling the idea that fat and calories are the same thing that the public will eat a box of fat free cookies thinking that there's no lat so it's okay. The probiem is the other ingredients used in those cookies might give them the same number of calories as if fat had been

Calories and the rate at which we burn them through exercise have been found to play a vital role in our risk for colon prostate and breast cancer development, according to several studies conducted with both women and men inthe past decade. 'We now have data on well over a million people that show that the more overweight you are, the higher the number of cancers for which you become at risk." Kritchevsky noted. "It you are a male the risk of prostate can cer is increased if you're 10

percent overweight, and if you're 30 or 40 percent overweight you're at greater risk for colon cancer.

Researchers believe from this and other evidence that restricting the number of calories we cat as well as burning them off through regular exercise is at least as important as cutting back on fat Kritchevsky cited one experiment with skin can cet where mice got more tumors from a diet that was high only in calones and not in fat. than from another diet that was high in lat. He added that in studies where rats were given treadmill exercise, their meidence of tumors was as much as 25 percent lower than among rats that did not exer-

DEAR ABBY I had an unfortunate encounter on an airplane recently, and I'd like to share what I

learned I was seated in coach, in a window seat, with a woman on the aisle and a middle-aged man in the middle. We chatted briefly about where we had been and our destination The man was polite and neatly

dressed After takeoff, I put my seat in a semireclining position so I could nap. The man took out a newspaper and began reading. As he turned the page, his right elbow touched my breast. The first time, I thought since we were in such cramped quarters, it could have been an accident, so I ignored it. When it happened again, I told him in a firm voice not to touch me again - but he did it a couple more times. Since he had both hands on the newspaper, the lady on the aisle didn't know what was happening Not until I threatened to smash his ribs with the thick magazine I had rolled up did he stop

When I mentioned this to the flight attendant, he said I should have called him immediately, and he would have moved me to another seat I replied that I was not sure what was happening at first, and that we had been told the plane was full. He told me it did not matter when in doubt, ask to be moved They would have found another

So, ladies, even if you aren't sure you are sitting next to a sexual predator, call the flight attendant and ask to be moved I could have lost my cool and bashed that jerk with my magazine. On an airplane, such an act carries a very stiff federal sentence, and I could have been jailed for assault and battery

E T IN LOS ANGELES DEAR E.T.: Thank you for a helpful letter. A less assertive individual might have suffered In silence and never found out that the flight attendants could help. Although the majority of us may never have to use the information, it's reassuring to know what to do in a pinch.

DEAR ABBY As both a businessman and consumer, I find negative signs to be far more offensive than signs that carry positive messages. The attitude signs reflect is often indicative of the attitude of the business as a whole

In my business, we concentrate on never saying "no" to a customer until all other options have been explored I publish a telephone directory, and often encounter customers who want preferential treatment in the placement of their ads. I believe it's unfair to give preferential treatment to one customer who is buying the same ad space as someone else. So, we now offer "preferred placement" for a fee. If a customer asks for something as unreasonable as a free ad without reasonable cause. I reply, "I will give you a free ad if you pay for the next three

DEAR EILEEN: Good safety idea, but why stop with those who use a riding mower? Taking it a step further, all workers with any risk of head injury should take precautions.

Team makes ministry a success

By SUSAN WENNER Herald Staff Writer

SANFORD Dora and Elijah Richardson work as a team at the House of Refuge Ministries located at 1001 Celery Ave. in Sanford The couple has pastored the church for almost five

Dora serves as the administrative pastor while her his band. Elijah, labors as the pulpit and head minister Members share that the duohas added a spiritual touch and a healing to the group as well as an example to follow:

With a membership of now 200 including adults and children. Dora spoke for the conple about their vision and some of the various works that the church is involved in She shared. We believe in a strong teaching program with the children because the schools have lost the moral basis. We need to leave these children a heritage concerning the Lord

A very active part of the church is its dance team. On Tuesday evenings the praise dancers come together to practice There are three dance teams that perform periodically. One team of five to six dancers will perform Sunday. dan 25 for an ordination and installation service that the church has planned

Dora said. Were a God fearing group of people. We love the Lord and want others to know that Jesus is the an know that holiness is the way to live. We're learning that to keep the enemy away we must they could still study. encourage, strengthen and bless each other God is always opening knowledge to us and helping us learn to fimetion as a body of godly believ-

She continued. We are

an explosion of his Spirit in our House. We are a dedicated group. We had many on the altar praying three times a day for 31 days since August. Wewere fasting from 12 at night to 6 in the afternoon. At 6 every morning many were back at the altar praying. We are a praying group of people."

According to Dora the members are experiencing a revivalin all of the services." She praised the mass choir and those playing guitar, drim, saxophone and organ in what she described as old fashioned holmess style worship. It's a powerful praise and worship service, she said. We believe that Jesus deserves our praise

At the opcoming ordination service the congregation will be treated to a guest speaker. Dr. J.V. Morsch will deliver a message. He is the former superintendent for the Central Florida District of Nazarene churches and a powerful speaker, according to Dora

She cited that the church leans heavily in missions. We are involved in prison outreach she said. We meet every second and fourth week at the Lake County Correr service. On the first Tuesday of the month we go to Tamoka Correctional Institution to teach at the workcamp. Then, on the third Thursday we go to the main unit there. We conswer. We want them also to duct some extensive teaching. We give them leaflets and other materials so if they were moved

Other missions m lude mursing home work and street evangelism. We just finished some street evangelism at Castle Brewer We held an outdoor meeting and then went door to door to talk to people. We also growing numerically and spirit have a radio program on WTRR them up spiritually.

Church shares excess funds with those most in need

By SUSAN WENNER Herald Staff Writer

SANFORD - Members of First Presbyterian Church of Sanford shared a bit of their surplus with local and other various charities. Over \$11,000 was distributed among these groups following a weekly dinner that the congregation holds every Wednesday night

According to Horace Paul, elder and budget chairman, in years past money had been tight but last year the church was blessed with an overabundance so the session agreed that others in need should share in this blessing. We wanted to make it more of an event for our members rather than just mailing out checks." he said. This way they can see where all the money is going and meet those involved with those works. They can also have a chance to thank them for their work."

Major Bruce Williams accepted the check for the Salvation Army while Irene Brown took part for the Sanford Christian Sharing Center. Both organizations assist with clothing and food for the needy.

Mother Weaver was present on behalf of the Rescue Mission. They are active on 13th Street housing the homeless, feeding and clothing them Clare Paul accepted money for the Friends of Abused Children and Sylvia Mikol represented New Hope Center, which hosts a Thrift shop and offers help to grieving families and Children's Wish foundation

Other groups receiving funds were Good Samantan Home. The Good News Jatl & Prison Ministry, Grace N Grits, Habitat for Humanity, Daval Home, Thornwell Home and House of Goodwill, a ministry of First Presbyterian Church offering a GED program and Narcottes Anonymous meetings

Paul added," the Lord has been good to us and with this surphis we decided to share with the needy and the underprivileged. We normally have our Wednesday dinners but this week it will help others too."

Grace Fellowship knows the value of Parent's Day Out

By JEANA HUGHES Herald Correspondent

No one knows better than a parent of a preschooler how precious a little quality time can be. One of the new ministries at the Grace Fellowship Congregational Church is specially designed for busy parents and their inquisitive preschool children. Parent's Day Out will provide child care. Monday and Thursday mornings from 10 a.m. to noon for children from one year old to kindergarten.

Parent's Day Out is not a preschool or a daycare. Yes, it provides parents with some much needed time to run errands or keep appointments. And yes, it provides a safe place for children to play and socialize. At Grace Fellowship they go beyond simple babysitting. The program, run by Barbara Watson and Jane Unsworth, is hild care with a strong Christian foundation.

"Come and follow me to my Father's house" is more than a catchy theme. Christian values and character building are woven into songs, games. crafts and stories. The program meets the spiritual needs of the children while ensuring much needed, quality free time for parents. Watson and Unsworth agree on the importance of preparing children from an early age by using the Bible as a strong foundation and teaching basic principles of being a good citizen.

It doesn't stop there. As a part of the program parents are required to volunteer one morning a month and to provide a snack for the group. Parent participation is an important element to the uniqueness of this program. Watson and Unsworth (both mothers) understand the importance of adult time when raising healthy children, balanced with special time for parents to be involved in their children's activities. "When to the family," said Watson

The program cost \$25 per month for one morning a week or \$50 a month for two mornings a week, and will follow the Seminole County Public School schedule. The program is limited to fifteen children. Registration is required and there is a \$20 registration fee. Watson and

you reach out to the children you also reach out. Unsworth volunteer their time, and money raised from the program is used to provide supplies for

the children Grace Fellowship Congregational Church is located at the corner of 24th Street and Park Avenue. For more information about Parent's Day Out call the church at 322-4584.

Keffers in concert

The Keffers, Gary, Linda, Amy and Paul, a Southern Gospel family group, will be singing at Westview Baptist Church, 4100 Paola Road (46A) in Sanford on Sunday, January 25, during the 7 p.m. worship service. The public is invited and encouraged to attend. The Keffers have conducted a full-time ministry since 1984, when members began to tour in churches holding revival meetings and special services. The Keffers have recorded 13 albums. Their ministry is dedicated to seeing sould saved, Christians encouraged and gospel music promoted. For more information, call 323-0523.

All Souls announces upcoming mission Special to the Herald

What more fitting a way to kick off the New Year than with a spiritual awakening of your being. With the age-old habit of making New Year resolutions, we seldom think about "food for the soul."

All Souls Catholic Church, in Sanford, will be hosting a Mission from Sunday, Jan. 25 through Wednesday, Jan. 28. Each evening's service will start at 7 p.m. and last approximately an hour and a half. On Sunday, a Pot Luck" supper will be held before the Mission at 5 p.m. A light refreshment will be served after the Mission talk Monday Wednesday,

The theme of this year's Mission will be "Change Our Hearts," and it will be led by Father Edward Beck, a Passionist Minister, from the Bronx, New York, Father will speak at our Jan. 24 and 25

Father Edward Beck

masses, and his homily will be an introduction and invitation to the Mission. There will be only one Mission service each day. Father Beck has found a tremendous value in having the whole community come together for one service so that all are joined for the same

experience as a faith community. What a wonderful opportunity for all of us to begin our journey towards

the year of the millennium. The Mission provides an opportunity to those who are not presently active in church life to become so again or, perhaps, for the first time. Your attendance at, and participation in, the Parish Mission is a great witness to the parishioners who will be making many sacrifices to attend these nights of renewal. Hopefully, it will not just be their renewal but all of ours as we continue to serve for God and the ways in which God is revealed in our life."

All Souls Catholic Church is located at 800 South Oak Ave. in Sanford, and our pastor is Father Richard W. Trout. For further information about our Mission, please call 322-3795.

THE WEEK IN PREP ATHLETICS

Games of the Week You're no sports fan if

you miss...

By JEFF BERLINICEE Herald Staff Writer

Jan. 23: Lake Mary at Oviedo, girls soccer, 7:30 p.m.

The Lady Rams are one of the hottest teams in the state as the season begins to wind down.

Lake Mary last week knocked off the seemingly unbeatable Spanish River, perennial state champions, with a convincing win and are peaking at the perfect time. Jordan Kellgren has been unbeatable in the net for the Lady Rams and Ashley Kellgren had four goals last week, including three against Spanish River, and she is only a freshman.

The Lady Rams are 12-1 with an earlier loss to Spanish River as their only defeat.

Oviedo is playing well and will be a threat in districts. Plus, the Lady Lions have the added incentive of playing well for coach Roby Stahl, a flature in all facets of Seminole County Soccer, starting at the youth level. He is leaving to take the position of Director of Coaching and Soccer Education for the Ohio South Youth Soccer Association.

The Lady Lions are led by nine returning starters from last season, including Kristal Waits, Brooke Asby and Karyn Hall.

Jan. 28: Lake Howell at Lake Mary, boys basketball, 7:30

Lake Mary is in a state of turmoil right now, trying to find answers as Paul Beik, one of the best all-around players in Central Florida, continues to watch the games in street clothes after dislocating his knee against Lake Brantley two weeks ago.

Somehow, the Rams have managed to stay in games since the injury but has died down the stretch with a last second loss to Seminole followed a night later by an overtime loss to Oviedo.

Forget the record, Lake Mary is tough and center Jamal Harrison who joined the team two weeks ago, has been dominating at times. Guard Alphonso Davis also joined the team two weeks ago and has added some leadership to the Rams' backcourt.

Lake Howell has stumbled at times since a strong start but boast the strongest front line in the county and guard Reggie Kohn is a strong team leader. The Silver Hawks have fallen after overlooking opponents along the way and with Friday's epic battle looming against Oviedo, they may be prime for an upact.

Jan. 30: Oviedo at Lake Howell, boys basketball, 7:30 p.m. If you get to only one SAC basketball game

all season, make it this one. It will be a war. Last month, Oviedo knocked off the fourthranked Silver Hawks on a Brad Combes bank shot with seconds remaining. It was a

bitter loss and, almost immediately after the ball went through the net, Lake Howell started to talk about the rematch in their own gym.

Lake Howell and Oviedo are both coming off ugly upset losses so they need a boost before districts start a week later. Just as last time, look for Lake Howell to dominate underneath while the Lions' quickness and smarts keeps it close.

Home court advantage? It's at Lake Howell but Oviedo brings the largest fan contingent of anyone in the conference. It's a toss-up and the winner will get a major confidence

boost going into districts. Jan. 28-30: Class 6A District Playoffs, girls backetball, TBA.

Lake Mary should take the title pretty easily. They are currently undefeated and ranked number-one in the state. Lake Mary has easily turned away all challengers as they look towards a return to Lakeland for the state Final Four. You know the cast of characters by now: Ashlee Ballance, Lauren Bradley, Mary Leah Sutton, Stephanic Dale and Becky Pedro along with Lindsey Manz and coach Carl Brown.

The runners-up will have to head out on the road for regionals, and that is a wide open fleld.

Oviedo is probably the favorite. Except for a blowout loss to Lake Mary two weeks ago, the Lady Lions are playing some of the best basketball in the area and are led by point guard Mary Lou Johnston, Seminole County's leading scorer. Howell boys nip Rams to earn bye in soccer district

By TONY DeSORMIER Herald correspondent

WINTER PARK _ It's not always quantity or quality that counts, but just being in the right place at the right time.

Lake Howell junior Igor Goncalez was Thursday night, getting his right foot to the ball and flicking a shot into the net to give Lake Howell a 3-2 victory over Lake Mary in a pivotal 6A-District 3 and Seminole Athletic Conference boys' soccer game at Richard Evans Field.

With the victory, the Silver Hawks (9-3 overall, 5-2 in district play, and 4-2 in SAC contests) clinch the No. 2 seed in next month's district tournament.

Lyman already has the top seed wrapped up. The loss sets up Lake Mary (11-5, 3-2 district, and 4-2 SAC) as the No. 3 seed.

Securing the No. 2 seed in the district tournament is huge," said Lake Howell coach Scott Betsinger. 'As I understand it, we get a first round bye and the home field advantage in our first playoff game. If we had lost tonight, we could have been as low as the No. 5 seed."

For most of the game, it appeared the Silver Hawks would have to deal with that scenario. Lake Mary controlled much of the play, outshooting the Silver Hawks 14-8 over the game.

The Rains struck first as Rob Hall played a

shot from the left wing to the far post, tucking it just under the cross bar with just 1:19 gone in the game.

Less than six minutes later, Lake Howell knotted the score as Goncalez converted a pen-

The Rams kept up their assault, forcing Silver Hawk 'keeper Jeff Subbert to make several tough saves in the first half. Lake Mary reclaimed the lead less than five minutes before half-time as Ruso Abrams converted during a short acramble that followed a throw-in.

"Because of the importance of the game (the possibility of claiming the No. 2 seed or falling as low as No. 5), some of the players were playing on eggshells in the first half," said Betsinger. "Some of the guys were afraid to make mistakes and we let a couple of possibilities go by us."

The rough, physical play of the first half continued in the second, resulting in four yellow cards being issued and a couple of verbal warnings being given. On the night, six yellow cards were flashed.

It looked like the Rams would pad their lead during a flurry about six minutes into the second half. Within a 10-second span, Hall, Don McIntosh, and Pat Mangan all got off quality

shots that Subbert somehow managed to parry.

"Jeff came up huge in that sequence," said

Betsinger. "That was the game right there."

Victor Nespecca set up the tying goal for the Silver Hawka when he made a hard charge down the right wing and into the penalty area before being taken down by a Lake Mary defender.

Austin Pumneo was true on the ensuing penalty kick, knotting the score once again at

About 2 1/2 minutes later, Goncalez managed to get his foot to the ball before a Lake Mary defender did and directed it into the net for the eventual game-winner.

Not that the Rams were finished -- Lake Mary continued to press for the tying goal, attempting seven second-half shots that required Subbert to come up with five saves.

With approximately 30 seconds left, one sequence saw Subbert end up with the ball just outside the goal line under a pile of players from both teams.

"It was ugly, but I'll take it," Betsinger said. shaking his head. "Lake Mary played an out-standing game, We just managed to take advantage of a couple of the few chances we had. This game could have just easily gone the other way."

Lake Howell's junior varsity team also registered an important victory Thursday, knocking off their Lake Mary counterparts, 2-1. It was the first loss of the season for the junior varsity

LYMAN WINS 20TH

LONGWOOD _ For the second time this season, the Lyman girls' banketball team pulled out a close

victory over Seminole, edging the Tribe 48-44 Thursday night.

"Both times were close," said Lyman assistant coach Gina Bonaventure. Tonight was Senior Night so the girls really got themselves prepared." The game was extremely close,

as the Greyhounds led 13-12 after one period and Seminole came back to tie the game at 22-22 at halftime.

The contest was still tied, 37-37, after the third quarter before Lyman pulled out the win by winning the fourth quarter 11-7.

Brianne Hickey led the Greyhounds with 12 points, while Kim Oant added 10 points. Meghanne Hickey and Xiamora Cruz chipped in with eight points each.

Tamara Gilchrist netted a gamehigh 19 points for the Fighting Seminoles. Felicia Henderson was also in double figures with 12 points and Shemeika Stokes added eight points.

Lyman (20-6) will close out the regular season with a home game on Saturday, before opening play in the Class 6A-District 3 Tournament at Oviedo High School next Thursday night.

The No. 2 seeded Greyhounds will take on the winner of Wednesday night's game between No. 3 seed Oviedo and No. 6 seed Lake Brantley.

Bears pin Sandcrabs

From Staff Reports

WINTER SPRINGS _ Winter Springs is for real.

After an easy victory over Lake Highland Prep on Tuesday night, Bears head coach Rick Tribit was not ready to overly praise his team, fig-uring he would get a better handle on how his charges were doing after a district match with Seabreeze on Thursday.

Well Tribit can start singing his team's praises now after Winter Springs won four of the first five weight classes and held on to edge the Sandcrabe, 41-36.

Webster and Mike Good did outstanding jobs," said Tribit. We're wreatling a lot better and with more intensity. But we still have a long way to go."

The Bears improved to 5-3 on the season and will host Atlantic High School from Port Orange at home next Wednesday starting at 7:30 p.m.

tricts last season, so they should be ready, especially at their home court.

Lyman doesn't always win pretty, but the

Lady Greyhounds get the job done. The Hickey twins lead the cast and Lyman went to regionals last year after a strong showing in districts. Lake Howell has guard Nikki Reed who can

do a lot of everything and may be the dark horse of the bunch. Lake Howell plays hard and is experienced enough to have been through this tournament before.

The tournament opens on Wednesday with No. 4 seeded Lake Howell taking on No. 5 De-Land and No. 3 Oviedo facing No. 6 Lake Brantley.

On Thursday, the Lake Howell-DeLand winner gets the unenviable task of playing No. 1 Lake Mary and the Lake Brantley-Deland winner battling Lyman.

The finals will be Friday night following the junior varsity championship.

Audible ringing is unusual

By Peter H. Gott, M.D.

DEAR DR. GOTT: Don't laugh, because this is true: Our 14-month-old son has ears that ring so loudly that we and the doctor can hear it. He's not in any pain, and no one can figure out the cause. We are afraid he may go deaf.

DEAR READER: Tinnitus (ringing in the ears) is a common consequence of nerve damage from excessive noise. It can also occur in normal people for no apparent cause. I have never heard someone else's tinnitus. I'd always been under the impression that only one person can hear tinnitus: the patient himself. Therefore, your son's problem must be a very cially available vitamin preparations. unusual one indeed.

I do not know whether his hearing will be affected, but I would certainly encourage you to have him examined and tested by capable ear specialists in the hope that the doctors could discover a cause for the ear-ringing which must be, at best, an annoyance for him.

To give you more information, I am sending you a copy of my Health Report "Ear Infections & Disorders." Other readers who would like a copy should send \$2 plus a long, selfaddressed, stamped envelope to P.O. Box 2017, Murray Hill Station, New York, NY 10156. Be sure to mention

the title.

DEAR DR. GOTT: Does castration help repeat sex-offenders stop their behavior?

DEAR READER: Not enough sex offenders have opted for this drastic treatment to allow experts to conclude that castration is a suitable "therapy." In general, sex offenders have profound psychological problems that govern their inappropriate behavior. The theory that hormone levels or excessive sex drive are the causes of sex offenses has been discredited. For example, rape is viewed as a crime of violence, rather than of sexual appetite. Sex offenders seem to be better served by psychotherapy. Nonetheless, some offenders, who have chosen castration as a desperate step to control their impulses, report feeling better and less prone to obsessive anti-social misbehavior.

As you might expect, the legal ramifications of involuntary sterilization of criminals are profound. Even if castration were shown to be medically beneficial, years would pass before state legislators could pass criminalsterilization laws.

DEAR DR. GOTT: You asked if any 23

ing skin discoloration with PABA. I take 100 milligrams daily, along with 200 milligrams of pantothenic acid. It

completely cleared up the cloasma (skin discoloration on the cheeks), which had lasted several years after the birth of my son.

DEAR READER: Para-aminobenzoic acid, or PABA, is a naturally occurring substance, often linked to the vitamin B complex, found in cereals, eggs, milk and meat. PABA acts by combining with the outer layer of skin and preventing its removal by water and sweat. The compound is useful as a sunscreen and, as you point out, for treating certain skin diseases. It is added to some commer-

From the turf to the table-top

By Phillip Alder

Richie Schwartz, who lives in East Elmhurst, N.Y., makes a good living from the track. Yet he is also a fine bridge player. Last March, his team won the Vanderbilt Knockout Teams. And he was second in the 1996 Spingold.

Here is a deal that Schwartz declared beautifully in the Albuquerque Life Master Pairs, where he finished 24th with Mark Lair, of Canyon, Texas.

West opened with a weak two-bid, was West's hope. Schwartz was too strong to bid two no-trump (which clubs. shows some 16-18 high-card points), so he took a shot at game.

After West led the spade king, Schwartz could see only five top tricks: one spade, two hearts and two diamonds. There was work to do.

Declarer ducked the first spade lead, won the second, and cashed the diamond ace, dropping West's queen. Judging correctly that this marked East with the heart queen and club ace, Schwartz continued with three more rounds of diamonds, giving East the lead.

He could do no better than exit with a low club, won with South's king. Schwartz crossed to dummy's heart ace and led another club, winning with his queen when East ducked. Now declarer gave East the lead again, in clubs. He took two tricks there, but at showing 6-10 high-card points and a trick 12 he had to lead away from the good six-card suit. This left Schwartz heart queen around to dummy's jack. (South) in a difficult position — which Declarer's nine tricks were one spade, three hearts, three diamonds and two
