Strike Stops East Coast, Gulf Shipping

60,000 Out; LBJ Calls In Fact Finders

NEW YORK (UPI) — An anti-automation strike by 60,000 longshoremen today paralyzed the multi-billion dollar maritime industry in ports from Maine to Texas.

The dockers jumped the gun on last night's strike deadline but President Johnson already had begun preparations to obtain a 72-hour stay Act injunction that would suspend the walkout for 90 days.

Although a few ships, including three luxury liners here, managed to sail in pre-dawn high tide today, the strike was found to halt all waterfront activity promptly in ports along more than 2,400 miles of Atlantic and Gulf coasts.

When down to the wire negotiations between the International Longshoremen's Association (ILA) and shippers failed Wednesday, President Johnson swiftly created a board of inquiry to determine whether the nation's economic health would be endangered. Certification of this to the President would empower the Justice Department to seek a court-ordered 90-day "cooling off" period.

The board scheduled a morning fact-finding session with Thomas Gleason, president of the ILA, and Alexander Chopin, head of the New York Shipping Association, amid speculation the government would set with usual speed to obtain the injunction — perhaps today.

The strike was likely to tie up as many as 200 ships. About 185 were berthed in the port of New York which stands to lose an estimated \$1.3 billion a day as long as the strike persists.

The National Maritime Union and the Seafarers International Union have pledged to support the ILA strike, which began in New York and some other port hours before the midnight deadline. About 20,000 seamen and 10,000 tractors were tied along with the longshoremen.

Top Award Goes To SHS Yearbook

Seminole High School's 1964 Scholastic yearbook has been awarded an All American Honor Rating by the National Scholastic Press Association. Mrs. Walter Bohannon, faculty advisor announced Wednesday.

Editor of the 1964 yearbook was Miss Diane Smith and Associate Editor was Miss Susan Halback. Faculty advisor was Mrs. Bohannon and business manager was Miss Sandra Goodwill.

"We are very proud of the award, and add our faculty commendations to the superior accomplishment of these students who did a top-flight job in content, photography, writing and layout," said Mrs. Bohannon.

Photographers were Robert Borsosky and Danny Dunn, Maureen Firestone and Lynn Haines were in charge of Accounts and Barbara Heron handled advertisements.

Baker Replies To Attack On Marina Stand

City Commissioner Joe Baker, seeking re-election and being opposed by E. C. Harper Jr., said today that "My opponent has been ill advised and misinformed concerning my stand on the lakefront development project."

Baker, in a statement today declared: "I have supported and recommended that our lakefront be developed in such a manner that it could be utilized by both large and small boat owners alike."

Harper alleged in a statement Wednesday that Baker was finding it "politically expedient to endorse the bankers' marina project" and said that Baker, "during the July 13 hearing by the City Commission, made a motion that the City lease a half mile of Sanford's lakefront to a private group for 40 years with a guarantee of receiving only \$3 in return."

Baker said today, "In his desire for political victory, my opponent has ignored the truth. I did not make such a motion and as yet I have made no motion to lease the lakefront nor recommended such a proposal as stated."

Baker said that various groups have proposed improvements for the lakefront. "When the bankers' group made the preliminary presentation to the City Commission at the Mayfair Inn I was the first to speak in favor of the proposal. I stated then and on numerous times since, as I do now, that I am in favor of the proposed development."

"I have presented to the City Commission, spoken for and supported the fact that any marina construction must provide for our own local small boat owners."

Baker concluded: "The official minutes and the recordings made of City Commission meetings and hearings support my statements and prove that my opponent does not know what he is talking about."

DEMOCRATIC CANDIDATES got a boost this morning when this display appeared in downtown Sanford urging a final surge of registrants for the Nov. 3 election. Shown above are, from left, Bill Tanner, Seminole campaign committee chairman; Bob Billhimer and Kathleen Reynolds, state committee members; Joe Davis, state representative; Lawrence Swofford, County Commission candidate and mayor of Altamonte Springs; Mary Earle Walker, tax assessor; Jim Birkenmeyer, school board member; Al Davis, District 6 peace justice; Mrs. Gladys Flowers, Mrs. Roy Tillis and John McClosky, Democratic workers and Mrs. Kay Gehr, president, Seminole County Democratic Women's Club. (Herald Photo)

During a recent meeting of the Chocomaury Town Council and a discussion on about the benefits and value of the lakefront in view of high water — that R. C. Superintendent Herman Joyce, when he was the machine, had better wear a ski boot.

MRS. BARTHOLOMEW

MRS. TROY RAY

Concert Drive Leaders Named

Judge C. Vernon Mize, president of the Seminole County Mutual Concert Association, announced today that Mrs. Troy Ray and Mrs. Barton Bartholomew have been named co-chairmen of the 1964 membership drive for the association.

The drive for memberships, both new and renewal will be formally kicked off with a social gathering of the membership committee at the Loch Arbor home of Mr. and Mrs. Frank Mebane, Tuesday at 8 p. m.

Judge Mize said that Mrs. Vaun Parker is in charge of the mailing of invitations to the committee.

Thresher Hull Photographed

WASHINGTON (UPI) — The Navy announced today it has obtained photographs of the hull of the nuclear-powered submarine Thresher, which went down in the Atlantic with 122 men aboard on April 10, 1963.

The submarine was lost in the North Atlantic and an exhaustive search last year failed to locate the wreckage.

The Navy said today it now had photographs showing the tail section, the stern planes, the topside rudder and the superstructure of the sub. One section carries the shattered Thresher's number "593."

The photographs were obtained by a task group headed by the deep-diving bathyscaphe Trieste II approximately 220 miles east of Cape Cod, Mass. That was where the Thresher

Snake Killed
A three-foot long water moccasin was killed early last night at the tennis court in Fort Mellon Park, police reported today.

First UF Contribution Received

First honors for pre-campaign contributions to the United Fund of Seminole County's 1964 drive goes to the Southern Bell Telephone Company, Robert F. Shedd, Sanford manager, already has handed over the company's check for \$200 to G. Troy Ray Jr., UF campaign committee chairman.

The official campaign will open on Oct. 12. But the preliminary work is already helping the volunteer campaign planners busy organizing solicitors who will call on every resident of the county.

In welcoming this telephone contribution Ray told of the work he and his chairman, E. C. Kirchoff have been doing. Already there is considerable enthusiasm to make this year one in which the \$40,000 goal is not only reached, but exceeded.

The chairman, in talking to prospective workers, has found general understanding of the UF program, but some misunderstanding in two areas.

One is geographical. Many Seminole county residents are employed in other counties. Most of them feel that in giving to the UF through payroll deductions, a popular way to give, they support the United Fund. Ray has had to point out that support of the fund's agencies in Seminole county is the prime need.

Funds collected in other counties do not come home to help the Boy and Girl Scouts, Salvation Army, Red Cross, USO, Mental Health Association, Family Counseling Service, Children's Home Society, and Good Samaritan Home.

The other was in an intimate knowledge of how much each of these agencies do in Seminole County for its residents. Perhaps the most dramatic way to understand what each of the agencies means is to imagine what it would be like without them.

Ray invites every resident to visit UF agencies and learn just what they are doing and why their role in the community is essential.

October 16, of course, the Red Feather time-of-the-year. Every county and city resident will hear about the United Fund in national and local campaigns. Much of the material will be so broad in scope that it may appear to be generalities.

Hilda Aims At Louisiana With 125-Mile Winds

NEW ORLEANS (UPI) — Hurricane Hilda built up to a "severe" blow with 125-mile-an-hour winds today and slowly headed for the low-lying Louisiana coast.

Highest winds were clocked at 125 miles an hour, up 40 miles an hour from Wednesday when the tropical storm, eighth of the season, developed into a full-blown hurricane.

At noon EDT, the storm was centered about 350 miles south of New Orleans. It was moving northwestward at 6 miles an hour, less than half its 14-mile-an-hour forward speed Wednesday.

Forecasters said the storm would continue northwesterly for 12 to 18 hours, before curving northward.

Senate Reopens Baker Inquiry

WASHINGTON (UPI) — Senate investigators reopened the Bobby Baker inquiry today with all the trappings of a major hearing — and all the excitement of an auditor's report.

Television lights glared, cameras whirred, and the big hearing room was half-filled with spectators as the Senate Rules Committee started delving into a new chapter of the Baker case.

The latest allegation was that Baker was involved in a \$25,000 political payoff to the Kennedy-Johnson presidential campaign of 1960.

Baker's name was not even mentioned. And among the missing was the Republican's battery of Sen. Carl T. Curtis, Neb., and Hugh Scott, Pa.

Conservation Week Gaining Support

Several private conservation groups and governmental agencies have agreed to participate in the Florida Conservation Week program being arranged for here later this month.

The project is scheduled for the Civic Center and lakefront area and will start Oct. 26 and run through the week.

Sponsored by the Sanford Chamber of Commerce, it has attracted these private groups, according to Jim Talmadge, Chamber manager:

American Forestry Association, Sierra Club, Florida Nature Conservancy, Isaac Walton League of America, Florida Audubon Society, Society for Conservation Inc., Wilderness Society and World Wildlife Fund.

Governmental agencies to take part include Florida Department of Agriculture, Florida Game & Fresh Water Fish Commission, Florida Board of Conservation, Suwannee River Authority, Florida Forestry Service, Seminole County Agricultural Service and Recreation Department of the Florida Development Commission.

Two nationally known wildlife artists, Ray Harm and Lee Adams, will display their work at the Civic Center auditorium.

Knowles Warns Of Snakes On Lakefront

"There're snakes in those piles of hyacinths along the lake front," City Manager W. E. Knowles warned today. Knowles said he almost ran over one of the water moccasins on his way home Wednesday.

"The blockades have been removed, and the Boulevard is now open for traffic. Holes in the roadbed have been temporarily filled. But people must watch out for the snakes when they go down there to fish, or to look at the water. Moccasins are hard to spot, they blend with the landscape," Knowles warned.

End To Racial Strife Urged

United Press International, Mississippi Gov. Paul B. Johnson today appealed for an end to racial disorder in Southwest Mississippi.

Johnson blamed a recent series of racially connected bombings on a "handful of hoodlums" and warned in a six-minute tape recording broadcast by McComb, Miss., radio stations that integrationists were attempting to stir up strife.

Welcome Home For VAH-7 Set

The red carpet will be rolled out Saturday at Sanford Naval Air Station as one of its squadrons returns from a world cruise with history's first all nuclear-powered task force.

The returning airmen, members of Sanford-based Heavy Attack Squadron Seven (VAH-7), will launch six twin-jet A-5A Vigilante attack bombers from the USS Enterprise as the carrier approaches Norfolk, Va., and the end of its 80,000-mile journey. Three others will arrive sometime Monday.

The arrival time is still subject to change. However, the aircraft are tentatively expected to land soon after 9:45 a.m. at Sanford where families, shipmates and civic officials plan welcoming festivities.

The squadron has been deployed aboard the 85,000-ton Enterprise, largest combat ship in the world, since February.

The squadron is commanded by Commander R. E. Brown.

Mayor A. L. Wilson Buys First Block of Tickets

MAYOR A. L. WILSON buys the first block of tickets for the All Night Sing to be presented at the Civic Center Nov. 27 starting at 8 p.m. The program, featuring Big Jim Wait, is being sponsored by the Sanford Fire Department with proceeds used for the Firemen's Benefit Fund.

Southside To Study Traffic Problems

Southside School parents voted Tuesday night to appoint a committee, with powers to study the traffic problems around the school, and petition the city commission for certain changes to alleviate same. This action followed a discussion of the situation that took place at the opening meeting of the school P-T, presided over by Gene Taylor.

The traffic committee came about after a proposal by Mrs. Velle Williams Jr., that 14th Street between Magnolia and Palmetto Avenues be made "one way, west" for one hour before opening and closing school. Another parent thought the traffic should be one way on all three pick up sides of the school.

President Taffler informed the group of a countywide legislative committee that has been organized for the purpose of petitioning the state legislature to change the "two mile limit" for bus students.

In other action, H. W. (Buddy) Rawls was introduced as chairman of the annual Halloween carnival, with Ben Butler as co-chairman. In connection with this, announcement was made of a meeting of room mother to be

chairmen held at 9:30 a.m. Tuesday at the school. School Principal Mrs. Velma Mitchell stated that Southside School is cooperating with the school board in their effort to have parents meet as a group and discuss certain pertinent matters. Mrs. Mitchell also introduced the faculty members, and other assistants; told of the importance of average daily attendance; stated that Southside is evaluating seven spelling books; and announced two conference days during the school year.

President Taffler reported the appointment of the following committee chairmen: Bert Hollingsworth, devotionals; Mrs. Dick Aiken, publicity; Mrs. M. L. Raborn, Jr., room mother; Mrs. Velle Williams Jr., safety.

Room count for the evening was won by the first grades. A social hour followed the business session.

Forest City Association Nominates

By Maryann Miles

The Forest City Community Association met Monday night and the following officers were nominated for the coming year: John Bethea, president; Allen Forward, first vice president; Murry Long, second vice president; and Adelph Juhl, secretary-treasurer.

This slate of officers will be presented to the members at the Monday, Oct. 5, meeting to be held at 8 p.m. at the Near Lake Elementary School. Nominations from the floor will be heard at that time. Refreshments of coffee and doughnuts will be served. Members of the nominating committee are Dick Lashley, Brian Benjamin, Forward, Juhl and Long.

Officers will be installed at the December meeting.

Picnic Sunday At Lake Golden

A picnic at Lake Golden at the Sanford Naval Air Station is planned for Sunday from 1 to 5 by the Knights of Columbus.

Arrangements have been made with the Marine Corps guard to permit K of C members and their families to pass through the gate. Swimming and games will be held during the afternoon.

MRS. HELEN TUCKER OJC Appoints SHS Graduate

Appointment of Mrs. Helen M. Tucker as instructor in English at Orlando Junior College was announced yesterday by Dr. A. N. Norton, dean of the college.

Mrs. Tucker holds the master's degree in English from Stetson University. She previously won the B.A. degree in English from Rollins College. Mrs. Tucker has also taken work at the University of North Carolina and at Agnes Scott College.

While pursuing her graduate studies, Mrs. Tucker was appointed to the Stetson University faculty to teach courses in English fundamentals and humanities.

The new English instructor is a native of Sanford, and a graduate of Seminole High School. She is married to T. E. Tucker, a Sanford banker. The Tuckers have three children: Jelle, 10; Mary Neal, 8; and John S. They are members of the First Presbyterian Church of Sanford.

Mrs. Tucker joins the junior college faculty as a part-time instructor in the college's day division. Her appointment has made possible the offering of additional sections in freshman English to accommodate the peak fall enrollment of more than 2,000 students.

Lyman Club At Meeting

By Jane Casselberry

Lyman High School D.E.C.A. Club officers and their coordinator, Lloyd Barnes, attended the Central Florida D.E.C.A. Council Wednesday morning at Uncle John's Pancake House on Colonial Drive, Orlando.

The council is composed of clubs from Seminole, Ocala, Lake and Orange Counties and was formed to coordinate activities of the various chapters in the area.

Homemakers Council Names New Officials

By Mrs. H. L. Johnson

The new name of Seminole County Extension Homemakers Council became official Tuesday when the council voted to change the name from Seminole County Home Demonstration Council. This will comply with the recent name changing throughout the state.

The meeting was held in the new offices of the County Agriculture Building with the county president Mrs. Kay Sassaman presiding. The meeting opened with the repeating of the pledge and homemakers prayer.

New county chairmen appointed were: Health and Safety, Mrs. Frank Stuedle of the Longwood club; Home Improvement, Mrs. G. R. Gray of Elder Springs; Clothing, Mrs. Rita Gallagher; Creative Arts, Mrs. L. Leeper of Sanford, and 4-H, Mrs. H. L. Johnson of the Lake Monroe Club.

The council voted to give some money for the 4-H Achievement Day to be held Saturday, Oct. 3rd.

The coming American Legion Fair was discussed at great length. No definite plans were made at this time although the council will enter a booth. Each club will also exhibit.

Mrs. Gray was chosen as Council Program Chairman. There will be an open council meeting in Geneva on October 15th. Letters will be sent in each member concerning this.

The annual Christmas party will be held on December 6th and the Lake Monroe Club will be official hosts. They will have charge of the installation; Lake Mary, name tags and registration; Sanford, decorations; Elder Springs, program; and Longwood, Oviedo and Geneva, refreshments.

Miss Wilson, Mrs. Sassaman, Mrs. Johnson, Mrs. Stuedle and Mrs. Joanne Dubois will attend a meeting in DeLand on October 9th to discuss plans for a short course with Volusia, Marion and Seminole Counties.

A nominating committee was appointed by the president composed of Miss Eva Hunt, chairman, and Mrs. Edwin Kennedy, Mrs. J. H. Tisdal, Mrs. Carter, Mrs. T. J. Chaffin and Mrs. B. R. Gray. Mrs. Ralph Newnam and Mrs. Arthur Potham gave a wonderful report on their trip to Tallahassee where they attended the short course. This was thoroughly enjoyed by the large group in attendance.

Hospital Notes

SEPTEMBER 29, 1964 ADMISSIONS

Bernice Zittrower, Mary Rawlins, Finnie McCasill, Deliah Perry, Edith Caenn, Pattie Weeks, Effie Lawson, and Willie Marie Macks, all of Sanford; Evelyn Putt, Florence Burford, Michael McCann, and O. H. Barnett, all of DeBary; Carolyn A. Taylor, North Orlando; David Brown, Longwood; and Mary Kdenfield, Sanford.

BIRTHS

Mr. and Mrs. Eddie Macks, Baby Boy, Sanford.

DISCHARGES

Mary Rawlins, Theresa Mower, Mary Lou Perry, Sharon Hardesty and Baby Girl, Elizabeth Anne Miles, Delores Walden McGee and Baby Boy; Ardis Carter and Baby Boy, Laura Braswell, and Maxine Davis, all of Sanford; David J. Runkel, DeBary; Elizabeth Nelson, DeLand.

Hunts Slated

Dove hunters will have the opportunity to hunt doves on two managed fields in Central Florida during the 1964 dove hunting season. J. W. Dickertstaff, Central Region Manager for the Game and Fresh Water Fish Commission has advised The Herald.

The T. G. Lee Field, about 1500 acres, is in Orange County south of Orlando on Judge's Road. It is planted with hegar and corn.

The Leffler Field, 200 acres is in Seminole County south of Sanford on State Road 419, is planted with corn.

All hunters under 65 years of age will be required to possess a special \$2 hunt permit, valid for one hunt only, in addition to regular license requirements. These permits will be sold at the check station at each field on hunt days.

Hunts will be conducted Saturday and Wednesday only from noon until sunset during the dove season which opens noon, Oct. 3.

H. H. Massey Sr. Dies Of Hurts

Harry H. Massey Sr., 68, of Oviedo died Wednesday in Orlando of injuries received last Saturday in an auto crash near Orlando.

Mr. Massey was born in Craxton, Ga., and had lived in Oviedo for the past 14 years. He is survived by his widow, Mrs. Louise Massey, of Oviedo; sons, Harry H. and Bobby Massey; daughter, Miss Linda Massey, and mother, Mrs. Mary Massey, all of Oviedo; father, Will Ellis Massey, of Craxton, Ga.; brothers, Joe and Herbert Massey, of Oviedo, and Roy Massey of Chuluota; sister, Mrs. W. G. Strickland of Maitland.

Sorority Taps Sanford Girl

Diana Beasley of Sanford, a sophomore at Florida Southern College, has been pledged by Sigma Sigma Sigma sorority during the annual fall rush.

She is the daughter of Mr. and Mrs. W. R. Beasley, 210 Summerlin.

Freshmen will not be eligible for pledging until deferred rush in January.

Funeral Notice

Funeral services for Harry H. Massey Sr., 68, of Oviedo who died Wednesday of injuries sustained Saturday in an auto crash will be held Friday at 2 p.m. at the Church of God of Prophecy in Oviedo. Officiating will be the Rev. L. C. Mook. Burial will be in Oviedo Cemetery. Brian Funeral Home is in charge of arrangements.

Senior MYF Has Party In Casselberry

By Jane Casselberry

A backyard barbecue was held by the Senior M.Y.F. of the Casselberry Community Methodist Church Sunday afternoon at the home of Carla Bielsa, at 273 Northeast Triplet Dr., Casselberry. Hamburgers, hot dogs, baked beans, potato chips, salad, cold drinks, and cake were served. Rick Casselberry was surprised with four-tiered birthday cake decorated with blue and gold, colors of the M.Y.F. and Lyman High School, in honor of his 16th birthday. After lunch was served games were enjoyed.

Others attending the party were Valerie Shea, Debbie and Cheryl Strong, Alice Harris, Becky Wagner, Connie Swinford, Ann Trawick, Sandy Howe, Judy Beauchamp, Melinda and Cathy Casselberry, Steve Duncan, Jimmy Merritt, Doug Burns, and Dan Casselberry.

The party was chaperoned by Mrs. August C. Bielsa, Mr. and Mrs. John Strong, M.Y.F. Counselors, and Mrs. Leonard Casselberry.

RICK CASSELBERRY (left) was surprised with this four tiered cake, baked by his sister, Melinda, in honor of his sixteenth birthday, at a Casselberry Community Methodist Church Senior M.Y.F. party Sunday afternoon at the home of Carla Bielsa, right, 273 Northeast Triplet Dr., Casselberry. (Herald Photo)

HONORED GUESTS at a coffee given Sunday in Dol Ray Manor, Altamonte Springs, by Miss Margaret Gattis, were Guy Allen, E. Pope Bassett, Dr. Robert Hoover and Walter R. Hoberg, Republican candidates for state and county offices. Each candidate spoke briefly to the more than 40 guests and Rep. Jan Fortune reported on local, state and national issues and political activities. (Herald Photo)

Members of the nominating committee are Dick Lashley, Brian Benjamin, Forward, Juhl and Long.

Officers will be installed at the December meeting.

Another Work Day Scheduled At Ball Park

By Jane Caselberry
Seminole Little League's Cooper Field at Casselberry Recreation Park was the scene of plenty of activity Saturday and another work day is scheduled for this Saturday.

Two new dugouts and new bleachers to seat 400 people are being constructed. The level of the playing field is being raised a foot to provide better drainage and a regulation grass infield provided.

Little League board members on hand to see the job well done were Garrett Coyle, Darrell Griffin, James Latollette, John Brewer and C. L. Cooper.

Mrs. Cooper and Mrs. Coyle served lunch to the hungry workmen.

Providing men and equipment were Hubbard Construction Co., which supplied a grader and roller; LaRay Construction Co., backhoe and loader; Hahn Construction Co., dump truck and welding machine; Dalrymple Paving Co.; Pyle Land Clearing Co.; Panning Lumber Co.; Inland Materials, supplying concrete for foundations; City of Longwood, dump truck; Estel Spurlin, construction forms for dugouts and bleachers; and Woodrow Prescott, trucks and loaders.

Holloway Block Co. and Kissam each donated 350 blocks. Luffler Road Paving Co. will supply trucks on Saturday and L. B. Foster Pipe Co. will donate new three-inch galvanized pipe for the new backstop.

Men from the Prairie Lake Baptist Church Brotherhood donated their labor.

Water Carnival Held By Scouts

By Jane Caselberry
An inter-troop water carnival was held Saturday on Lake Mobile in Altamonte Springs with Scoutmaster Jack Stuart of Boy Scout Troop 28 in charge.

Other troops participating were Altamonte Troop 114, Mark Neal, scoutmaster, and Troop 341 of Casselberry, W. T. Daniel Jr., scoutmaster.

Winners of the swimming events: 50 yard side stroke, Clarence Wilson, Troop 114, first place; Donnie Rhoades, 341, second; elementary back stroke (50 yards), Todd Miller, 341, first; Bruce Deiber, 341, second; and Melvin Allen, 114, third; 50 yard free style, Cris Cass, 341, first; Walter Hittline, 341, second; 100 yard free style, Cris Cass, first; Mike McManus, 341, second; and Clarence Wilson, 114, third; 200 yard free style relay (four man team), Troop 114, first; Troop 341, second; 200 yard medley relay (four man team), Troop 341, first, and 114, second.

THE OGLESBY FAMILY is well-represented in the local unit of the National Guard—Company B, 124th Mechanized Infantry. Shown at this week's drill at the Armory are, standing from left, Freddie Oglesby with eight years service; Donald with one week, Joe with two years, Henry with three years. Kneeling is Del Oglesby, a first cousin with more than two years.

Barry Says LBJ 'Soft On Reds'

IN INDIANA WITH GOLD-WATER (UPI) — Sen. Barry Goldwater renewing his "soft on communism" charges, today accused President Johnson of downgrading U. S. nuclear strength while Red China was "preparing to set off a nuclear bomb that will be heard around the world."

In a speech prepared for delivery in Indianapolis, as his whistle stop train moved through Indiana the Republican presidential nominee mounted another sharply worded attack on the administration and on the President himself. He said Johnson is a man of "no principles" on which to base his programs and his foreign policy.

Goldwater moved into Indiana from Toledo, Ohio, where a small but noisy bunch of youngsters waving LBJ signs interrupted his speech several times.

Both Goldwater and Ohio GOP Chairman Ray C. Bliss said they were well pleased with the candidate's two-day whistle stop trip through 11 Ohio congressional districts.

LBJ To Speak In 5 Cities In Florida

MIAMI (UPI) — President Johnson will fly into Florida Oct. 26 for a five city speaking tour, state Democratic officials said yesterday.

The tentative schedule calls for Johnson to make speeches in Miami, Boca Raton, West Palm Beach, Orlando and Tampa. He is to dedicate Florida Atlantic University, which opened this year at Boca Raton.

State Republican Chairman Tom F. Brown said in Tampa, meanwhile, GOP vice presidential candidate William Miller will make speeches in Miami, Jacksonville and Sarasota during a tour of the state Oct. 7-8.

He is scheduled to address a luncheon in Jacksonville on Oct. 7, and a rally at Miami that night. He will make two speeches in Sarasota on Oct. 8.

JAMES R. MEYER of Winter Haven, vice president of the Central Florida District of the Florida State Elks Association, is shown as he met here recently with local Elks Lodge. At right is Wade S. Snyder, exalted ruler of the Sanford Lodge 1241.

Red China Test Believed Near

WASHINGTON (UPI) — President Johnson and his top advisers believe that Red China is on the verge of setting off a primitive atomic bomb, possibly within the next few days.

Some U. S. officials believe Peking's initial nuclear test may be timed to add a massive propaganda and political boost to the celebration of the 15th anniversary of the Communist takeover in China, which began Thursday.

They said intelligence reports in recent days disclosed that the Chinese Reds apparently had reached a point where they could explode a primitive device at any time.

Year's most talked-about new cars

'65 Chevrolet Impala Sport Sedan—with a roof line all its own.

'65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. Now length, width and lowness. A roomier new body by Fisher housing an interior that's a knockout—with richer looking fabrics and now curved side windows. Also a snowpiece of an instrument panel with the look of walnut

In the Impala series. And a more serene Jet-smooth ride that's rooted in a new Full Coil suspension system and Wide-Stance design. Fact is, if you overlook just one thing you can easily convince yourself you're onto a big expensive car here. And that one thing is its Chevrolet price.

New Corvair Corsa Sport Coupe—with new higher powered range of engines.

'65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. From the new top-of-the-line Corsa series to the Monzas and lowest priced 500's, there's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. Dramatically new interiors. A flatter ride with a more solid feel stemming from a new independent suspension and wider wheel stance. And a higher powered range of engines — with up to 180 hp available in the Corsas. How sporty can a car get? Your dealer's got the Corvair that'll show you.

See 5 beautiful shapes for '65—Chevrolet, Chevelle, Chevy II, Corvair & Corvair—at your dealer's

Pirates Clip Reds, Cards Lead National; Yankees Win 2

70-Foot Single May Be Biggest In Pennant Race

By Fred Down

The biggest blow in the most fantastic National League pennant race of all time may have been a 70-foot single.

It was a trickling rain all the best of 30-year-old rookie catcher Jerry Mag and when it stayed fair it brought home the run that gave the Pittsburgh Pirates, a 1-0, 14-inning Wednesday night victory over the Cincinnati Reds and boosted the St. Louis Cardinals into sole possession of the lead.

Earlier, the Cardinals continued their sensational drive toward their first flag since 1904 with an 8-1 victory that extended the St. Louis Cardinals' losing streak to 10 games.

As a result, the Cardinals and Reds go into their final three games of the season with the Cardinals enjoying a one-game lead and the advantage of playing out their season against the last-place New York Mets.

The Reds have one game left with the Pirates and two with the Phillies. The Phillies, who once owned that fat 94-70 game lead, now can do no better than tie for the flag.

Mag's winning hit came after Don Chisholm opened the 14th inning with a double and moved to third on Bill Mazouzi's sacrifice. It broke up a four-hour and 16-minute struggle in which a record 36 batters struck out.

Pittsburgh starter Bob Veale fanned 16 in 12 1/2 innings and Cincinnati starter Jim Maloney struck out 13 in 11 innings.

The Reds, who haven't scored in their last 20 innings, collected nine hits but left 18 runners stranded, including 13 in the last eight innings.

Curt Simmons, who found a new career with the Cardinals after being cut loose by the Phillies in 1960, went eight innings for his 18th win of the season. The one-time \$63,000 Philadelphia bonus left-hander has beaten his former teammates 14 times in 18 decisions as a Cardinal.

The Cardinals blitzed Jim Manning in 3 1/2 innings and ran up an 8-0 lead in four frames. Key blows for the Cardinals were a two-run homer by Tim McCarver, two doubles by Bill White and a double by Curt Flood.

The San Francisco Giants ripped the Houston Colt 45s, the Los Angeles Dodgers downed the Chicago Cubs 2-0 and the Milwaukee Braves tripped the New York Mets 6-3 in 12 innings in other NL action.

Sullivan Downs Atlantic Bank In Bowl Loop

Sullivan's Camera Service Center won a three-point verdict over the Sanford Atlantic National Bank last week in the Keglers League at Jet Lanes to take a two game lead over second place Glass-Met.

Clarence Henning was pouring his strike ball into the pocket for Sullivan's as he blasted out a terrific 234/608 for the night's high game honors.

Sam Faron and Martney paced Faron Builders to a three-game romp over the Pick Ups with 223/818 and 181/518 respectively. Al Kipp tried to do it all by himself for the Pick Ups as he pulverized the pins with a whopping 220/608 which was good enough to annex the high series honors.

Despite some fine rolling by Willie "Firecracker" Maglio, the Moose swept all four points from the CPO Testotators as Al Johnston came through with a steady 179/516 and Dick Fry assisted with a good 194/548. Maglio turned in a 218-224/4-3 series to keep them in the thick of it. Button also chimed in with 189/503 for the CPO's.

Some steady rolling by Bill Erick 217/522 and Doug Owens 221/534 paced Glass-Met in a four-game sweep over the CPO Lushes.

A couple of good splits were picked up as John Staniewicz was equal to the 6-7-10 and Chab for Sullivan corralled the 3-7-10.

HERE'S BIG LEE SPARKMAN AGAIN! The 215-pound Seminole full-back shakes off one Colonial tackler as he picks up seven yards after taking a handoff from quarterback Ron Hinson. Two other Granadiers move in to help bring down the Tribesman. Seminole won 13 to 6.

LSU Is Rated Six-Point Favorite Over Florida

NEW YORK (UPI) — An even money battle pitting Navy, rated fifth in the nation, against ninth ranked Michigan heads a list of inter-sectional college football contests on tap this Saturday.

The Middles hopes of victory rest firmly on the supposition that Jolly Roger Staubach, whose late game antics earned Navy a 28-6 win over William and Mary last week, has fully recovered from his early season ankle injury.

Wolverine signal-caller Bob Timberlake, one of the best of the Big Ten quarterbacks, figures to provide some stiff competition for the 1963 Heisman Trophy winner.

The Texas Longhorns, rated No. 3 in the nation, were picked a solid 14 points over Army. Each is 2-0 for the season.

The Trojans of Southern California, ranked No. 2, are favored by six points over Michigan State in another big inter-sectional game, while Alabama figures to roll over Vanderbilt by four touchdowns in a Southeastern Conference clash.

In other leading games: East Penn State 6 over Oregon, Pitt 20 over William and Mary, and Syracuse 21 over Holy Cross.

Midwest: Notre Dame 6 over Purdue, Washington 6 over Iowa, Nebraska 6 over Iowa State, Illinois 6 over Northwestern, Ohio State 12 over Indiana, and Kansas 7 over Wyoming.

South: South Carolina 3 over Georgia, North Carolina State 4 over Maryland, LSU 6 over Florida, Georgia Tech 10 over Clemson, Duke 14 over Tulane, North Carolina 15 over Wake Forest, and Mississippi 19 over Stanford.

In the pro games: NFL: Philadelphia 2 over Pittsburgh, Chicago 3 over San Francisco, Detroit 3 over New York, St. Louis 9 over Washington, Baltimore 8 over Los Angeles, Cleveland 11 over Dallas, and Green Bay 11 over Minnesota.

AFL: New York - San Diego even, Houston - Kansas City even, Buffalo 9 over Oakland, Boston 10 over Denver.

San Francisco 2 over Texas Christian, Texas A&M 3 over Texas Tech, Baylor 5 over Oregon State, Missouri 13 over Oklahoma State, and Rice 14 over West Virginia.

FAA WEST: California 7 over Minnesota, Colorado 7 over Kansas State, UCLA 7 over Stanford.

New Smyrna And Little 'Hounds' Meet Tonight

By Jim Macchias

Lyman High begins junior varsity gridiron competition tonight when the Baby Greyhounds play the first of a four-game slate at Lyman Field against the visiting New Smyrna Beach Baby Barracudas.

The contest was originally slated to be played in New Smyrna Beach but due to a conflict in the use of the stadium the game was moved Wednesday to Longwood.

Head Coach Dick Silvers would not venture a lineup for this contest. "All the boys need experience and we expect they'll get it."

Silvers pointed out that the club's roster was comprised mostly of soph but he added, "they've got a lot of spirit and we feel they have a good chance to give a good account of themselves."

The game will get under way at 7:30 p.m. Silvers doesn't have too much depth to go along with the lack of experience. His squad tonight will include linemen Danny Hall, Joe Pennebaker, Tom Fletler, Bob Harrington, Chester Rupe, Bob Shaw, Charlie Newell, Jimmy Chambers, Bill Dempsey, Gary Gunter, Danny Overton, Mike Tatum, James Ravender, Doyle Lewis and Russ Brandes.

Among the backs will be Gary Smith, Mike Warren, Larry Baker, Mike Logo, Ray Gaines, Bob Eldridge and Dave Straughan.

Lyman High's Greyhounds move into Orange Belt Conference competition for the first time in the school's long history Friday night when the Longwood eleven travels some 10 miles to Apopka for a fracas with the Blue Darters.

The 'Hounds opened their season last week with a 13 to 6 loss to the Ocoee Cardinals. Meanwhile, Winter Garden Lakeview took Kissimmee and its Kowboys to the tune of 20 to 7. Apopka went out of the conference to lose 20 to 6 to the Metro's Bishop Moore.

RVAH-5 Savage Daughters Tops In Navy League

The RVAH-5 Savage Daughters donned their war bonnets and held the Pusycats to a 2-2 split to earn first place in the Hooter Motor Navy Wives league.

The Dragonettes, 7-8-9ers and Tigerettes are tied for second place with nine wins and three losses.

It was disaster "do" for the Disasterettes when they took four points from the Checkertail "B's".

Libby Cox's 191-495 helped RVAH-5 "O" Wives sweep up the Odd Balls. The Checkertail "A's" also grabbed four points from RVAH-1 "O" Wives B thanks to Marge Fields and her 172-461.

Verna Bolton's 213 made it three wins for the Hoot Owl against NAS "O" Wives. The Oups Ops whooped it up with three wins from the Mafita. Fran Ballard's 182 was the high game for the Dragonettes three wins from the Vigilantes.

The Tigerettes beat the Savageettes and Margaret Botta's 193-452 helped the 7-8-9ers defeat the Retired Wives.

Pryor's insurance, lead by Vergil Anderson, swamped Wisdom Rod Service for four points to enable them to move into fifth. Roger Jones was the "star" for Widows with a 529 series.

American Legion Post 83 won three points from Sanford Manufacturing to take sixth place. They are tied with Pryor's and are only four games out of first. Harold Appleby and Harold Harlet were both high for the Legionnaires with their 536 series while John Stanger was high for Sanford Manufacturing with a 496 total.

In the final match, Bob's Restaurant and Cook's Corner split, two wins and two losses each. Eddie Monroe was high for Bob's with a 559 and Bob Guthrie was high for Cook's with a 537.

GREYHOUND FLANKERS for the 1964 grid season are Lyman ends (front row, from left) Larry Miller 88, John Stuart 83, Gene Winkelman 82 and Randy Seaman 81; (back row) Russel Brandes 80, Tim Blair 87 and Jimmy Chambers 67. The only returning letterman in the group is Winkelman.

Lyman Opens OBC Play At Apopka On Friday

Lyman High's Greyhounds move into Orange Belt Conference competition for the first time in the school's long history Friday night when the Longwood eleven travels some 10 miles to Apopka for a fracas with the Blue Darters.

RVAH-5 Savage Daughters Tops In Navy League

The RVAH-5 Savage Daughters donned their war bonnets and held the Pusycats to a 2-2 split to earn first place in the Hooter Motor Navy Wives league.

Jets Take First Place In City Bowling League

Last week in the City Bowling League first place Rose and Wilk's Restaurant and the Jet Lanes team met head on for first place and when all the smoke had settled Jet Lanes was on top with a three-point victory and now lead the league by one game.

Nip Tigers 7-6 And 11-8; Could Grab Flag Today

By Fred Down

UPI Sports Writer

Pedro Ramos isn't eligible to pitch in the World Series but he'll occupy an honored place in the gallery of New York Yankee pennant heroes.

Acquired from the Cleveland Indians Sept. 6, the 29-year-old Cuban has given the Yankees the necessary late-inning bullpen strength to move to the threshold of their fifth straight American League pennant and first under freshman Manager Yogi Berra.

Ramos—who joins a list of late-season acquisitions who helped the Yankees to pennants which also includes Johnny Mize, Johnny Bain, Tom Ferrick and Eno Slaughter, to name a few—has been credited with one victory and seven "saves" in 11 appearances.

Ramos did his late-inning act twice Wednesday night when the Yankees cut their magic pennant-clinching number to two by defeating the Detroit Tigers 7-6 and 11-8.

Jerry Adair and Jackie Brandt hit homers and rookie Wally Hunter struck out eight in a 10-hitter for his 19th win as the Orioles dealt Washington's Lee Narum his 15th loss in their opener. The Senators came back with a 12-hit attack, including a homer by Willie Kirkland and two hits each by Don Blasingame, Don Lock, Dick Phillips and Ed Brinkman, to give Cleveland Osteen his 15th win in the nightcap.

The Cleveland Indians swept a doubleheader from the Boston Red Sox 5-0 and 3-0 and the Minnesota Twins beat the Kansas City Athletics 6-1 in other AL action.

Ellen Betts Is High Game Winner With 189

Ellen Betts rolled a 189 to take high game honors in last week's session of the Sandspur Bowling League. She was followed by Helen Padgett's 186, Dot Powell's 184, Betty Callan's 178 and Jane Adcock's 171.

Eleanor Anderson's 320 was tops for series play. The 4-5-7 and 5-8-10 splits were collected by Helen Buxton. Cammy Meyers got the 3-10, Margaret Diamond the 4-6-7, Marie Bryant the 4-5, Marilyn Ferguson the 3-7, and Sue Jackson the 3-7-9.

An all spare game was turned in by Dot Schattan, a 182.

About Sports Thinking Out Loud

By Julian Stenstrom
Going to Evans in Orlando this weekend to watch the Seminoles tackle the Trojans?

They hear this!
Evans High School officials reported today that they sold out all seats during their first two games. At gametime there were still long lines of fans trying desperately to get to the box office for tickets and some spectators missed almost the first quarter of play.

They said they were going to do everything they could to accommodate the crowd Friday night as fast as possible but they advised Sanford fans to get advance tickets.

SHS Athletic Director Fred Ganas said this morning that both student and adult tickets are now on sale at Seminole High's administration office and he, too, suggested local fans get advance tickets. They will be on sale during school hours only.

By the way, The Herald's sports desk phone has been buzzing. Fans want to know how to get to Evans Field. Here's how:
Go south on 17-92, turn right (west) on Lee Road (just this side of the J. M. Fields department store), turn south again on SR 441, turn right (west) on Silver Star Road and proceed about three miles to the Pine Hills section and you'll find Evans Field.

Last football season someone called and raised Cain because The Herald did not publish conference statistics.

This season we're burning the midnight oil trying to keep track of everything we can on Seminole High and other teams in the Metro. Not only that, we're trying to do the same for Lyman High and the Orange Belt Conference clubs. Oviedo is an independent.

At this writing the Seminoles find themselves tied for second place with Edgewater's Eagles and the Trojans of Evans. They could move into a tie for first if they whip Evans because Boone's Braves go out of the league to meet Melbourne.

We're going to predict that Seminole will take Evans on the condition that big Lee Sparkman is in the SHS lineup. If he isn't we'll call off any prediction. Further, we'll pick Lyman to win its first OBC tilt by handing Apopka its third straight loss. Oviedo will take Umatilla and we'll venture a guess that the Crooms Panthers will bounce back and whip Euclid of DeLand.

And, don't forget that the Lyman JayVees tilt tonight with New Smyrna has been switched from New Smyrna to Lyman Field in Longwood and the affair starts at 7:30.

Big Trouble

NEW YORK — (NEA) — The Eastern Big Five — Pitt, Penn State, Army, Navy and Syracuse — has compiled a 143-97-12 record in inter-sectional football games from 1952 through 1962.
During that 12-year period, Syracuse leads in win-loss percentage with .707 followed by Penn State (.703), Navy (.684), Army (.651) and Pitt (.529).

Baby Seminoles Meet Boone JV's Today

By David Higginbotham
Herald Sports Writer
Sanford's Baby Seminoles will make an effort to post their 32nd ball game without a loss when Head Coach Ralph Stumpf's Little Warriors tangle with Boone High's Baby Braves at 4 p. m. today at the Boone High Field in Orlando. The JayVees will be putting

their excellent record of 31 tilts without a setback on the line. The only gray spot on the five year plus string is a scoreless tie against the Baby Sandcrabs of Daytona Beach in last season's opener.
It will be the second game of the season for the tiny Seminoles. They ratched the Baby Wildcats of Winter Park

High 24 to 0 in the first outing of this season last Thursday afternoon.
Stumpf and his side, John Colbert, have made the necessary corrections — at least they hope so — on running plans and have drilled the squad at "full speed" through the week in preparation for today's game.

Chuck Pigott has not been too active this week due to an arm sprain sustained in the Winter Park contest. Pigott was the leading defensive man in that affair—coming up with the top number of tackles.
Colbert—as usual—is optimistic but Stumpf is still taking them one at a time. He said earlier in the season that

the club is as good as last season's eleven and they have proved it so far this fall. Seminole tallied four times against the Baby Wildcats but failed to convert a single PAT attempt. But chances look better today. Last week they tried to kick three and run one but none went on the scoreboard. Stumpf is utilizing the

squad's depth by playing a dual team setup. He has a first string offensive unit and another defensive eleven. The platooning procedure worked last Thursday and Stumpf and Colbert trust it will jell again today.

Looking for a real nice Falcon DeLuxe 4 dr. Station Wagon? Then come on by. We have it. It's Red and White. Automatic, Radio-Heater. Very nice.

Braves, Lion Cubs Clash

By David Higginbotham
Herald Sports Writer
Tonight the Sanford Junior High Braves will host the Oviedo Junior High Baby Lions under the lights at Sanford's Memorial Stadium.

The contest will get underway at 7:30 p.m.
In the Braves' tilt with South Seminole last Thursday they lost by one point. The 7 to 6 score in favor of South Seminole, according to the Braves' Head Coach Dan Pell-

ham, showed the squad was "loafing." Pellham's question is "Why do they work hard in practice and slow down in the game?"
The Braves have "worked hard" in their drills in preparation for the tilt tonight

and the team seems to have more confidence in its ability and is ready to go all out to whip the Lions, observers say.
The squad has no serious injuries and is expected to be at full strength tonight. The squad's spirit and its positive plan for a win are in top shape.

Coach Ed Buckner has been going over the miscues made by the line and coaches Owen McCarron and Ron Hunt are doing the same. The mistakes seem to be fairly well ironed out, but their work will be tested when they face the Lions.
Pellham still has a trick or two up his sleeve that he did not use last week against South Seminole.
The tilt tonight is the

Braves' first home game.
On the other hand, the young and inexperienced Lions will be entering their first contest of the season. They don't have depth and size and this is expected to give the Braves a big edge in the affair.
Bill Caffee or Rex Clonts will be at quarterback for the Lion Cubs with Hank Tulp and Hal Layman at the half-back spots. Either Charles Evans or Bruce Thompson will run from the fullback slot.
Linersmen will include ends Neil Stanko, Jim Merritt, Paul Stapp and Ted Janson, tackles Perry Prasley, Larry Olliff, Mike Staley and d Tommy Moon, guards Bobby Lee, Mark Colbert and Joe Patton, and centers John Aris and Steve Bratton.

Panthers Sharpen Defense In Preparing To Meet DeLand

By Bob Thomas
Herald Sports Writer
The Crooms High Panthers will attempt to get back on the winning trail when they tangle with DeLand's Euclid High Friday night at Memorial Stadium here in Sanford.

This contest is always one of the biggest of the season for the Panthers since Euclid is one of Crooms' oldest arch rivals.
After winning its opener over Ocala, Crooms went to Gainesville last week and both its offense and defense tactics were left in Sanford. The Panthers couldn't get rolling and they couldn't stop Lincoln High.

Coach Willie Hunt, however, went to work on his defensive tactics this week, particularly pass defense. Crooms has shown that its secondary is vulnerable to a passing attack. Holt has also drilled his squad in blocking fundamentals, tackling, punt coverage and protecting the kicker.
Robert Alford, injured last week, is on the mend and is expected to see duty Friday night.

Recent bright spots at the Panthers' fair are Ebie Jackson, a fullback, and Jimmy Holley, a halfback. Both have been running well in drills this week. Offensive guard John Banks has been very impressive in the workouts.
Quarterback James Gunn has returned to the club after being out of action due to illness.
Friday night's affair will get under way at 8 p.m.

Lopez Plans For 1965 AL Season

CHICAGO (UPI) — Manager Al Lopez, who still has a mathematical chance of leading his Chicago White Sox to a pennant, already is making plans for next year.
Lopez signed a two-year contract with what General Manager Ed Short called "a well-deserved raise," bringing his salary to an estimated \$50,000 a season.

Lopez said "There is so much good pitching material in the farm system, I could trade a starting pitcher for more hitting power. One good ball player more would have made a big difference this year."
He said the White Sox are still looking for a hitting outfielder and a stand-out catcher.

Lopez, 56, will complete his eighth season with the White Sox Sunday. Before joining Chicago, he managed the Cleveland Indians for six seasons.

VAH-1 Officers Win 3 Games From Acey Deucey

Monday Night action Navy Intra-mural Bowling League found the VAH-1 Officers taking three from the Acey Deucey Club with Jack Ford shooting a high of 178/510.

The New Breed found their winning ways again by capturing four from NAS Ops C. Leading the action was Hastings with a 210/561, Fred Hollen's 514 series, Casey with an even 500 and John Stanger's 202/526.

Also gaining a clean sweep was the VAH-3 Odd Balls over the Photo Lab Section. Shooting stars were Fire-Cracker Maglin with a 100/547. Undoubtedly, one of the most improved bowlers in the area is Class B Champion Willie Maglio who'll definitely be competing in the Class A Category in the next City Tournament.

Four Clubs Tie For Top Spot In Business League

A four-way tie for first place exists in the Businessmen's League — Ward Realty, Atlantic Coast Line, Dick's Appliance and HLH One all sport records of eight wins and four losses followed by the Elks at seven wins and five losses.

In loop action Glass-Met took four from Autonetics to knock them out of first place. Jean Belque paced Glass-Met with 211/547. Ward Realty won three from Wall Plumbing as Tim Denny shot a season high 219. For Wall it was Gordon Searns pounding out a 191/520 series.

As it exists now, there are four different possible playoff combinations, and Giles plans to draw lots to set up the pairings to cover all eventualities.
The four combinations are a tie between St. Louis and Cincinnati, St. Louis and Philadelphia, Cincinnati and Philadelphia or among all three teams.

National League To Decide Today On Playoff Plans

CINCINNATI (UPI) — Plans for a possible pennant playoff in the National League will be drawn up today in the office of National League President Warren Giles.

As it exists now, there are four different possible playoff combinations, and Giles plans to draw lots to set up the pairings to cover all eventualities.
The four combinations are a tie between St. Louis and Cincinnati, St. Louis and Philadelphia, Cincinnati and Philadelphia or among all three teams.

In case of a playoff, the site of the first game will be determined by agreement, if agreement cannot be reached, Giles will determine the site of the first game by lot.

SHS CHEERLEADERS this year are (from left to right) Carol Torres, Susan Piercy, Bonnie Cuolo, Linda Spencer, Carol Besserer, Diane Powell, Bettie Wiggins and Merinello Griffith.

Only Casey Jones To Be Missing From 'Lady Bird Special'

United Press International
The Democrats' Southern
campaign train, "The Lady
Bird Special," will feature
about everything but Casey
Jones at the throttle.

During Mrs. Lyndon B. Johnson's whistlestop trip through eight states, there will be:

- Appearances by the President and his two daughters, in addition to "Lady Bird";
- Special LBJ ranch and Southern dishes served as snacks on the train;
- An airplane flying ahead of the train to spot large crowds and radio back suggested stops;
- Pretty girls passing out post cards, balloons, whistles, pencils, candy and other items for children;
- And "special entertain ment" for the crowds in some cities.

President Johnson will see the first lady off Tuesday at Alexandria, Va., and meet the train four days later at his destination in New Orleans. He may also join the train at stops along the way. The Johnson's two daughters, Lynda Bird and Luci, will alternate in riding the train.

Covering 1,800 miles, the train will make a number of scheduled stops in each state and will make other stops "where ever the crowd warrants."

"The first lady is making the trip to meet as many people as possible," said trip co-chairman, Mrs. Donald S. Russell, wife of the South Carolina governor. "She wants to assure them of the deep love she and the President feel for the South."

Page 6 — Oct. 1, 1964

County Demos Name Tanner

The Democratic Executive Committee of Seminole County has announced that Bill Tanner has been named chairman of the Campaign Committee to head up county activities for the coming election.

Other members of the committee include Mrs. C. M. Flowers, Mrs. Claude Hittell, Mrs. Kathleen Reynolds and Allan Forward.

Robert Billhimer and Mrs. Reynolds, both members of the state Democratic committee will act as liaison members between the state and county organizations to coordinate activities.

Mrs. J. D. Morrison is chairman of the county Democratic Executive Committee.

Zoo Robbed; 2 Gators Gone

The alligator population at the Municipal Zoo continues to dwindle as thieves prowled the area at night.

Sometime over the weekend, police were told, two gators were taken. They measured three to four feet in length, according to zoo officials. An attempt was made to take a third but it was found the next morning prowling around the zoo grounds with a bullet wound in it.

Snake Bites DeBary Girl

Judy Kelley, 14-year-old daughter of Mr. and Mrs. P. F. Kelley, of 202 Alta Vista, DeBary, received emergency treatment Wednesday night at Seminole Memorial Hospital as a result of a bite on the hand by a snake, originally thought to be a rattlesnake, but later identified as a rat snake. She was reported in good condition this morning.

She left a Boy Scout Court of Honor, which her family was attending, early to go home and do her home work, and when she reached for the doorknob she was bitten by the snake.

Music lovers can now keep their favorite records within easy reach with a new attractive brass-plated pole for records. Each record pole has a set of three extending racks, large enough to hold standard albums and to allow room so that they can be slipped easily in and out of the racks.

chairman Joseph J. Tribble Wednesday criticized "biased reporting" in estimating the sizes of the crowds that greeted Democratic vice president-

ial candidate Hubert H. Humphrey and a Republican "truth squad" in South Georgia this week.

Pinchurst, N. C. — Former

vice president Richard M. Nixon on will address a Republican fund raising luncheon here Oct. 10, it was announced Wednesday.

Birmingham, Ala. — Mrs. William Miller, wife of the GOP vice presidential nominee, will make a two-day campaign in Alabama next week.

Tallahassee, Fla. — GOP gubernatorial candidates Charles Holley predicted Wednesday that half of the members of the Democratic Florida

Legislature will vote for Barry Goldwater for president.

Knoxville, Tenn. — Sen. Carl Curtis, Neb., a member of the GOP "truth squad," said

Wednesday the election of Goldwater would pose no danger to the Tennessee Valley Authority (TVA).

Beaufort, N. C. — Republican gubernatorial candidate Robert Gavin said Wednesday that a one party system leads to "machine boss rule" and poor programs."

Art Federation Sets Convention, Exhibits

By Mrs. Frank White
 The Florida Federation of Art, Inc. will hold its 37th convention and 38th annual exhibition at the DeBary Mansion, the DeBary Community Center and the Mayfair Inn in Sanford Nov. 19-21.

The exhibition is being presented by the board of directors and no member of the exhibition committee is eligible for awards.

Paintings, ceramics and sculpture may be entered. Artists eligible to compete

Paintings must have been painted no more than three years ago and should be a minimum of 12 inches and a maximum of 40 inches including the frame.

Thirty entries including award winners will be selected to go on circuit. Awards are as follows: Best of Show, any media, F.F.A., \$100; second, landscape, any media, F.F.A., \$75; still life, any media, \$75; figure painting, any media, \$75; Florida Federation of Women's Clubs, purchase award, \$75; third, seascape, any media, DeBary Arts and Crafts Club, \$50; third, custom designed imported picture frame, \$50; third, Past Presidents Award, graphics, \$50; fourth, water color, any category, Sanford Chamber of Commerce, \$25; oil paintings, any category Board of Directors, \$25; and the Governor's Plaque for a Florida scene.

There is a limit of two entries per person and entry fees of \$3 for one entry or \$4 for two from one person may be mailed to Annual Exhibition Chairman, State Headquarters, The DeBary Mansion, DeBary. Checks should be payable to Florida Federation of Art, Inc. and be accompanied by entry slips. Final date for entries is Oct. 31.

Library Needs To Be Told

The needs of public libraries for more money, more books and more staff will be the pertinent topics on Library Financial Resources which will be discussed at a meeting at the San Juan Hotel in Orlando October 14.

State legislators, public officials and library boards members will take part in a symposium on ways in which the library may improve its financial status.

Attending from Sanford will be Mrs. Sarah King, head librarian.

The new Library Services and Construction Act provisions will be explained and principles of library budgeting for large and small libraries will be described.

Mrs. Gretchen Schenk, outstanding library leader, author and consultant will give the keynote speech at the 10 a.m. meeting, with a luncheon following which provide an opportunity for informal discussion. Reservations for the luncheon should be sent to the Albertson Public Library in Orlando.

13 Tables At Bridge Party

Thirteen tables, directed by E. Z. Walters were in play in the weekly meeting of the DeBary Duplicate Bridge Club Tuesday in the Firemen's Recreation Hall.

NS winners were first, Mrs. Joan Paulk and L. Barch; second, Mrs. A. G. Beson and Mrs. E. E. Anderson; third, Mrs. Frank Austin and Miss Ethel Johnson; fourth, H. Guy Chase and E. Z. Walters.

EW winners were first, Mrs. William Hague and Mrs. E. M. Hinkle; second, Mrs. Edna Bieley and Mrs. Ruth Magnusson; third, Mr. and Mrs. Myron Accardi; fourth, Mrs. Charles Hassell and Mrs. William Woodcock.

Series winners for the month of September were first, Mrs. Myron Accardi; second, Mrs. E. M. Hinkle; third, Mrs. Dolores M. Finn; fourth, Mrs. E. E. Anderson; fifth, Mrs. William Hague; sixth, Mrs. Ruth Blatt; and seventh Mrs. A. G. Beson.

\$28 Stolen

About \$28 in cigaret machine money was taken from the Pig & Whistle, police reported this week. The machine was broken open to get the money box.

BPOE DOES Celebrate Sixth Anniversary

Amidst a tropical setting of oriental lanterns, palm fronds, hurricane lanterns and colorful table decorations, a group of nearly 200 guests enjoyed authentic Polynesian food which was prepared and supervised by the president of the DOES, Mrs. Finley Nash, who spent several years in the

Orient and Hawaiian Islands. The gay Ma Mu's of the ladies and brilliant shirts of

the men helped to add to the festivity of the evening which was a combined celebration

in honor of Mrs. A. P. Bowersox, Florida's North District president, and the sixth anniv-

ersary of Sanford Drove No. 100, Benevolent Patriotic Order of DOES.

A presentation of a gift from the Drove was made during the evening by Mrs. Nash to Mrs. Bowersox.

The Drove had representatives from Jacksonville Beach, Sarasota, Winter Park and Orlando clubs, among whom were several past state presidents, and a national past supreme president, Mrs. Earl Boisclair.

Following the dinner which

consisted of numerous, authentic Hawaiian dishes, the group continued to enjoy an evening of dancing by Fete Sakur's "Populaire."

MRS. VIRGINIA BOWERSOX, left, president of the North Florida BPOE DOES, and second president of the Sanford DOES, was honored recently as the Sanford DOES celebrated their sixth anniversary with a colorful luau. With Mrs. Bowersox from the left are Mrs. Finley Nash, present DOE president; Mrs. Brad Foley, fourth president; Mrs. Richard Mapes, third president and Mrs. E. G. Caruthers, first president.

Fashionettes

Corduroy, long a daytime classic with the college and young career girl set, now goes into evening. Several designers show the fabric in dressy clothes for fall and winter. Mr. Mori, for example, uses white, wide wale corduroy for sleeveless skimmer dresses built on princess lines, for two-piece outfits with vest-jacket tops, and for slim-skirted dinner suits topped with cutaway jackets copied from men's tuxedos. Rhinestone buttons add glitter to the group.

Guess what's showing in the men's shoe field for fall and winter? High heels. This is what the National Shoe Retailers Association reports. These are shoes with heels just a few lifts higher than the conventional, and are influenced by shoes worn by the Beatles.

One certain way for a man to know that a color is definitely wrong for him is to have a woman tell him he looks "cute" in it, says Ron Postal, director of the National Council of Men's Fashions.

The trend in handbags is to small, more compact looks, moderate sizes replacing the huge carry-alls of former seasons. In part, this change is due to the overall fashion trend to the casual look. Young women, for instance, won't be carrying around so many cans of hairspray as teasing and bouffant coiffures give way to the sleek, casual cut.

THE SLEEK silhouette, neat and masterly fitted, is the big news in fall furs. Autumn haze mink coat (left) has Johnny collar which can be worn up or down. Pockets are set in pleats and full sleeves turn back into cuffs. It can be worn with or without its leather belt. Street-length natural snow lynx coat (right) has horizontally worked pelts, shawl collar, bracelet-length sleeves and cocoa-colored leather belt. These coats were designed by Andre Fath for Coopchick-Forrest.

The Garden Gate

Hemerocallis Circle

By Mrs. M. E. Smith

Perhaps the great popularity of hemerocallis in Florida is that these lilies have more good qualities than any other perennial flower. For instance, the variety of color ranging from the original orange and yellow to reds, pinks, browns and almost endless combinations of colors make them pleasing for ornamental purposes whether in the yard, along the highway, or in the home. Likewise, the many varieties offer possibility of blooms from May through August. Their adaptability to planting—background, grouping, borders—and the dependability of these plants make them popular with both the novice and the experienced gardener. Also freedom from common pests gives this class of lilies practicality for the busy person or for the "lazy gardener." Lastly, the amount of care their culture requires puts them in the fool-proof list of flowers.

Hemerocallis is a combination of two Greek words, "hemera," day, and "kallos," beauty. In fact, the common terminology, day lily or "beautiful for a day," goes back to this origin. In point of age these lilies antedate the name: hemerocallis is one of the really old flowers, for it is known to have been brought to Europe about 1575 from the Orient—China, Japan, Manchuria or Korea.

Originally there were only two types of hemerocallis, "Lemon Lily" and "Tawny Lily." The popularity of this flower is evidenced by the hundreds of varieties to be found in almost any community today. It was predicted that by the turn of this century there would be over 4,000 varieties of this lily.

Although propagators have succeeded in producing a wide range of colors in these lilies, three of the greatest needs have not yet been met—more early blooming reds, more low growing breeds suited to border culture, and varieties whose blossoms will remain open in the evening. There are a few of the latter.

Of the numerous ways of propagating hemerocallis, three are suited to the initiate—division of clumps, proliferations and seeds. Either of these is quite simple. In

the first method the entire clump is taken up, dirt washed away from the roots, and the ramets either pulled or cut apart. Each ramet will produce a plant and flowers the first year planted. Fall is the best time for this procedure, but it can be done during flowering season. In the latter case, plants do best to cut the foliage to within about a foot of the ground at transplanting. Frequent watering is essential to a good start. Late afternoon is the best time for watering.

If proliferations, side shoots on the flower scape, are available, all lilies do not produce them, this is the simplest means of increasing plants. To do this simply cut the scape one inch above and one inch below the shoot, place the cutting in rooting medium—one part peat and one part of coarse sand—and keep under glass to hold moisture. In approximately two weeks the root system should develop. These scape cuttings do well for me just planted where I wish them to grow; some shading is necessary for several weeks.

Propagation from seeds is for the persons who have time and the desire to produce new varieties. An understanding of Mendel's Law is essential to success, for the choice of "parent" plants is vital. This method is not for the late sleepers as hand pollination is the second step; pollen hardens quickly; also insects steal pollen in the early morning. Those who wish to try this way of propagation will find "Daylilies and How to Grow Them," Arthur Ben Davis, (Sanford Library) a very reliable source. Central Florida also has a number of successful hybridizers and commercial growers listed in this book.

Hemerocallis will grow anywhere and under both poor and good conditions. These lilies thrive best in loose friable soil. Organic matter is fine for them especially in sandy soil, where it increases the water-holding power and lessens the leaching of fertilizer. Incidentally, one tablespoon full of a good commercial fertilizer, 4-8-4 or 5-10-51 dug around each plant in the early spring is usually sufficient. Watering is important from the time flower scapes begin until blooms fade if maximum beauty is desired. Mulching helps hold moisture, uniform temperature, and becomes available food. Any type of mulch is good. Will you try this interesting culture?

GONKS, whimsical stuffed dolls, the newest craze with Britain's teen-agers, are invading the American fashion world this fall. Here, Mac-Gonk, a bagpipe playing fellow and Gone-Gonk, the hep chap, lend their charm to felt shifts in festive colors designed by Carl Schulman.

Miss Draper Repeats Vows With Thomas A. Williams

Miss Mary Lynn Draper, daughter of Mr. and Mrs. Howard Owenston Draper, of Helena, Ala., and Thomas Augustus Williams, son of Mr. and Mrs. E. C. Williams, of Sanford, were united in holy matrimony on Friday afternoon, Aug. 28, at the Ingleside Methodist Church in Baton Rouge, La.

The double ring ceremony was performed by the Rev. H. G. Williamson, with Mrs. Lee Tony, organist, presenting the nuptial hymns.

The lovely bride was gowned in ivory peau de soie, street length, with a chantilly lace coat and her mantilla veil was of chantilly lace.

Following the wedding, an elaborate reception was held at the home of the bride's cousins, Mr. and Mrs. St. Clair Bliven, on Castle Kirk Drive.

The wedding is of special interest to Sanford residents, since the groom was very popular here.

A new group of plastic-lined "costume" bibs entice youngsters with such designs as sailor, clown jack-in-the-box, "my son, the doctor," and a big-league star. The bibs are generously cut and snap-fasten at the neck with no strings to tie or wear.

Inspection Mark Of Poultry Assures Quality

There's no need to worry about the wholesomeness of the poultry you buy. Chances are better than eight to one that the chickens and turkeys sold at your market have been inspected by the U. S. Department of Agriculture.

You can make it a sure, safe bet by looking for the official inspection mark. It's in the form of a circle. And you'll find it on a paper wing tag, on the giblet wrap, on an insert, or perhaps printed on the overwrap.

In effect, this mark says the poultry is wholesome, not adulterated, truthfully labeled, and has been processed in a sanitary way. It's your assurance of wholesomeness — your symbol of safety, says Myrtle Wilson, Home Demonstration Agent.

Chuluota His And Her Club To Meet Monday

The first meeting this season of the Chuluota His and Her Garden Club will be held at 7:30 p.m. Monday, Oct. 5, at the home of Mr. and Mrs. Cyrus Willard, 271 Fifth St. Attention of members is called to the fact that this is a change in the schedule.

Ernest C. Lundberg, assistant Agricultural Agent of Seminole County, will be the guest speaker. Following his talk on "Hints on Cold Weather Protection" there will be a question and answer period. Members will have an opportunity to present their gardening problems.

Perfect for town wear . . . for luncheon, matinee and on into evening. This smartly styled costume of textured 81% rayon/19% silk. The short sleeved dress with bow belt. The demifit lined jacket secured by single button.

Patric Haney Guest Of Honor On Birthday

By Mildred Haney
Mr. and Mrs. Charles McCarthy, Mary Lou McCarthy and Doug Lovell were guests who helped Patric (Ric) Haney celebrate his birthday Sunday evening at the Haney home on Hartley Avenue.
Ric, now a teenager, enjoyed many gifts and the desert luncheon which climaxed an evening of reminiscing by the older guests of their teenage days.
Birthday wishes, just like candles, seem to have a little way of giving added sparkle to a very special day. Ric was given one for happy yesterday, one for a happy now and one for a rosy future, as he blew out the candles on his cake.

Miss Bandy Bride Of Lt. Jameson

LT. AND MRS. BAKER JOE JAMESON

Miss Sandra Odell Bandy, daughter of Mrs. Elmer G. Bandy, of Birmingham, Ala., and the late Col. Bandy, and Lt. Baker Joe Jameson, U.S.A.F., son of Mrs. Bonnie H. Jameson, of Magnolia, Ark., and the late Mr. Jameson, were united in holy matrimony on Saturday, Sept. 19, at 4 p.m.

Evening Fatigue First Symptom Of Pre-Heart-Attack

NEW YORK (UPI) — The occurrence of unexpected fatigue in the form of early evening tiredness has been tagged as the first stage in developing of a heart attack. According to a report by Dr. Robert S. Green, of Cincinnati, Ohio, this symptom is the first of three "pre-heart-attack fatigue stages" which can begin months before the attack.
In the report in "Medical World News," a new magazine for physicians, Dr. Green also said the second stage is marked by progressively increasing fatigue during the early part of the work week and for longer periods each day. This occurs three to six months before the attack. The third stage, called "absolute fatigue," is marked by a washed-out feeling in which the heart has a time meeting the smallest demands.

son, were united in holy matrimony on Saturday, Sept. 19, at 4 p.m.

Father Michael Mulroy officiated at the impressive ceremony at St. Francis Catholic Chapel on the campus of the University of Alabama. It was one of the most elaborate weddings of the season.
Immediately following the wedding, a reception was held at the Newman Club.
Lt. and Mrs. Jameson are making their home at McGuire A.F.B., N.J.
Attending the wedding from Sanford were Mrs. John Wurtz and Mrs. H. C. Waters, aunts of the bride.

Homemakers

By Mrs. H. L. Johnson

We have Janice Cowley's excellent recipe for her Apricot Cake. She said to make it several days before you want to serve it and the flavor will be just right.

APRICOT CAKE
1 box Duncan Hines Lemon Supreme
1 cup Apricot Nectar (or Orange Juice)
4 eggs
1/2 cup oil

Put all into bowl except eggs and add them one at a time. Mix well. Bake in 225 degree oven 1 hour or until done. Immediately remove from oven and pour on cake: 1 cup powdered sugar mixed with juice of 1 or 2 lemons. The longer the cake sets the better, as the juice will soak down through the cake.

Use an angel food cake pan, greased and floured.

CARAMEL BAKED APPLES
6 large baking apples
1 pkg. instant caramel nut pudding
2 tbsps. water
1 cup light corn syrup
1/2 cup raisins
2 tbsps. oleo, melted

Wash and core apples. Place in shallow baking dish. Combine nut pudding and water. Stir until well blended. Add corn syrup, raisins and oleo. Beat until well blended. Spoon syrup over apples, filling the centers. Bake at 350 degrees about 45 minutes, or until apples are tender. Bake apples occasionally while baking. Serve with syrup while warm. Serves 6.

How do these SALMON TORCUPINE STEAKS sound?
1-lb. can salmon, drained
1 cup instant rice, uncooked
2 tbsps milk
2 whole eggs

Locally Owned And Operated by
Glean McCall and "Ernie" Mills
COR. 1st & MAGNOLIA PHONE 322-2482
DOWNTOWN SANFORD

1/2 cup finely chopped celery
1/4 cup finely chopped onion
2 tbsps. chopped parsley
1/2 tsp. salt
1/2 tsp. pepper
2 tbsps. cooking oil
1 10 1/2-oz. can cream of mushroom soup
1/2 cup milk

Mix together salmon, rice, 2 tbsps. milk, eggs, celery, onion, parsley, salt and pepper. Form into patties. In skillet, brown patties in hot oil. Blend together soup, 1/2 cup milk and pour over patties. Reduce heat, cover and simmer 15 minutes. Serves 4.

And how's this?
PEACH PARADISE PIE
3 egg whites
1 tsp. vanilla
1/2 tsp. salt
1 cup sugar
1/2 cup vanilla wafer crumbs
1/2 cup chopped pecans
1 tsp. baking powder
1 pkg. peach gelatin
1 cup boiling water
1/2 cup cold water
1 cup heavy cream, whipped
Beat egg whites, vanilla and salt until foamy. Gradually beat in sugar, continue beating until stiff peaks form. Fold in crumbs, nuts and baking powder, spread in greased 9-inch pie plate, piling high around edge. Bake at 300 degrees for 45 minutes, or until firm on the outside and pale gold in color. Cool. Dissolve peach gelatin in boiling water. Add cold water; chill until thickened slightly. Whip cream. Pour into meringue shell. If desired, garnish with drained peach slices. Chill until firm. Makes 1 1/2-inch pie.

PEANUT BUTTER SOUP
1/2 cup chopped onion
1/2 cup chopped celery
2 tbsps. butter or oleo
1 cup peanut butter
3 vegetable bouillon cubes
4 cups boiling water
1 1/2 tps. lemon juice

Cook onion and celery in butter until tender. Blend in peanut butter. Dissolve bouillon cubes in boiling water. Gradually add bouillon to peanut butter mixture blending thoroughly. Stir in lemon juice and heat to serving temperature. Serves 6.

Some kind reader sent in this Fruit Relish recipe. She did not sign her name. But I thank her very much for it. It's called TANGERINE CRANBERRY RELISH.
2 tangerines, quartered and seeded
4 cups fresh cranberries
2 cups sugar

Put tangerine pieces with peel and cranberries through food chopper. Add sugar to

POPCORN
PEANUT BRITTLE
1 1/2 cups sugar
1/2 cup dark corn syrup
1/2 cup water
1/2 tsp. salt
4 cups prepared popcorn
1 cup shelled peanuts
2 tbsps. butter
1 tsp. vanilla

Combine sugar, corn syrup, water and salt in heavy saucepan. Stir over low heat until sugar is dissolved. Cook over medium heat to hard crack stage, (300 degrees) or until a small amount of syrup forms hard, brittle threads when dropped into very cold water. Meanwhile spread popcorn and nuts in a well-greased shallow pan and heat in 350 degree oven 10 minutes. Remove syrup from heat, quickly add margarine and vanilla, stir until butter melts. Pour over popcorn-nut mixture, toss. Spread mixture thin on flat surface. Break into small pieces. Makes 1 1/2 lbs.

CHOCOLATE COATED POPCORN
2 qts. salted popcorn, popped
1 cup light corn syrup
1 cup sugar
1/2 cup water
2 tbsps. butter

Little Blue 4 dr. 1961 Falcon Std. shift, Radio and heater. Just the economical second or third car for you. Or the lat. one. It's sharp. Call 322-1481, now.

Strickland-Morrison, Inc.

Corner

2 squares unsweetened chocolate, melted
Pour popped corn in large bowl, big enough to hold twice the amount, set aside. Combine light corn syrup, sugar water and butter in saucepan. Cook over medium heat stirring constantly, until sugar is dissolved. Continue cooking, without stirring to 290 degrees or to a hard crack stage, when a small amount of mixture is dropped in cold water. Remove from heat. Add melted chocolate, blend well. Slowly pour the hot mixture over the popped corn, stirring until the corn is uniformly covered. Separate the kernels of corn, working quickly, and spread on trays until cold.

Here's a "coming up" holiday appetizer.
OLIVE AND CHEESE APPETIZER
1/2 recipe plain pastry
24 large pimento stuffed olives
24 thin 1-inch squares Cheddar cheese

Roll out pastry on a lightly floured board to 1/8 inch thick. Cut into 24 2 1/2-inch squares. Place cheese on squares and top with olives. Bring two opposite corners of pastry over olives and pinch together. Place on baking sheet and bake in 450 degree oven for 10 minutes or until browned. Makes 24.

Someone asked for ways to fix popcorn. Here are several recipes which I have received from the Home Service Department of Best Foods Co.

OLD FASHIONED POPCORN BALLS
1 cup dark or waffle corn syrup
1 cup brown sugar
1/2 cup water
1 tsp. vinegar
2 tbsps. butter
2 qts. unsalted popped corn

Combine corn syrup, brown sugar, water and vinegar in saucepan. Cook over medium heat, stirring constantly until mixture boils. Continue cooking, stirring almost constantly to hard ball stage (280 degrees) or until a small amount of mixture forms a hard ball when tested in very cold water. Remove from heat quickly, add butter and blend. Slowly pour over popped corn in large bowl, while mixing well. Form into balls, using as little pressure as possible. Butter hands if desired. Makes about 15 balls about 2 1/2 inches in diameter.

A lady from DeBary wishes a recipe for lamb chops and sweet potatoes. I found this recipe in the Florida Meat Recipe book. It is Lamb Chop and Yam Skillet. I hope she likes it.

2 tbsps. butter
1 medium onion, sliced
4 shoulder lamb chops about 1/2 inch thick
salt and pepper to taste
1 1-lb. can of Louisiana yams, drained

Melt butter, add lamb chops and cook over low heat until browned on both sides. Add onion and cook 5 minutes. Add yams, salt and pepper. Cover and cook over low heat 25 minutes or until chops are tender.

A pretty table doesn't necessarily mean the adequate meal — make what you eat count. Here are some "dress up" ideas to help meet your daily requirements in the vegetable-fruit group.

FRENCH-FRIED ONION RINGS
1 large onion, cut in 1/2 inch slices
milk
1 cup pancake mix
1/2 tsp. salt
1/2 cup water

2 tbsps. chopped parsley
Separate onion slices into rings. Soak in milk 15 minutes. Place pancake mix, salt and water in bowl, beat 2 minutes, add parsley. Drain onion rings, dip in batter. Drain off excess batter. Fry in deep fat 375 degrees about 2 minutes or until golden brown, turn only once. Drain on absorbent paper. Serves 8.

CRUNCHY APPLE CRISP BASE
5 cups sliced cooking apples
1 tsp. lemon juice

TOPPING
1/2 cup flour
1 cup quick or old fashioned uncooked oats
1/2 cup brown sugar
1/2 tsp. salt
1 tsp. cinnamon
1/2 tsp. nutmeg
1/2 cup butter, melted

Heat oven to moderate 375 degrees. For base, place apples in shallow 1 1/2 qt. baking dish. Sprinkle lemon juice over apples. For topping combine dry ingredients. Add butter and mix well; sprinkle over apples. Bake in 375 degree oven about 30 minutes. Serve warm or cold with ice cream. Serves 6.

The Dorcas Class Members Enjoy Family Dinner Meet

The Dorcas Sunday School Class of the Central Baptist Church and their families assembled recently at the home of Mr. and Mrs. Ollis Owen on Sylvan Lake for the monthly business and social meeting.

The members and guests enjoyed a covered dish dinner, with the hostess furnishing the entrée of delicious chicken and yellow rice.

Following the social and dinner, the ladies held the business meeting with the president, Mrs. J. Q. Galloway, presiding. Mrs. J. G. Osborn opened the meeting with prayer, followed by the president appointing a nominating committee for the new church year. General business was discussed, and the meeting was closed with prayer by Mrs. W. L. Harmon.

Members attending were the Almes, G. H. High, W. L. Harmon, T. G. Richardson, L. G. Appleby, J. Q. Galloway, Phyllis Nash and H. E. Wilcox.

The October meeting will be held at the home of Mrs. Phyllis Nash, 4 1210 Magnolia Ave.

Shower Proves Successful With Chemical Burns

NEW YORK (UPI) — The best treatment for chemical burns, three New York surgeons report, is to put the patient under a shower—and keep him there.

In a study of 273 chemically burned patients, Dr. Bartraum E. Bronberg, in Chul Song, and Richard H. Walden found that those treated by continuous showering — in periods ranging from six hours to six days — skin grafts were necessary in only 20 per cent of the cases. Of patients not showered, 34 per cent required grafts. Most patients were children under age five.

For portable beauty, move potted plants around to different rooms in your home, the Potted Plant Information Center suggests.

They can be miniature gardens used to make subtle and simple changes in room decor.

South Seminole Parents Jam PTA Meeting

By Jane Casselberry
A record crowd of some 200 parents and teachers overflowed the South Seminole Junior High School cafeteria at the year's first meeting of the P.T.A. Tuesday night.

Following the business session they heard an abbreviated version of their children's schedule.

Mrs. Arthur Rhodes, president and Principal John Angel welcomed the parents.

Special guests at the meeting were Malcolm H. Stuart, administrative director of the Florida Congress of Parents and Teachers and Mrs. Frank Steddie, county Council parliamentarian.

A budget of \$200 was approved. It included bus safety project, \$200; convention and short course, \$100; hospitality and administration, \$50; yearbook, \$25; clinic, \$50; beautification, \$50; and membership \$25.

Fund raising events include chicken dinner and a Hootenanny.

Mrs. Mary Mobley and Mrs. Edgar Lyons were named delegates to the Council scheduled to meet Oct. 18 at Lyman High School.

The P.T.A. by-laws were amended to require the signature of both treasurer and president on checks.

Officers and members were invited to attend a Leadership Training School sponsored by the County Council at Lyman on Oct. 8 at 8 p. m.

Mrs. C. C. Tomlin, chairman of the Clinic Mothers, asked for more volunteers to work in the school clinic.

Following the room visitation refreshments were served.

HD Workshop Held In DeBary

By Mrs. Frank White
The DeBary Home Demonstration Club held its workshop last week at the Community Center and Mrs. Donald Drach presented new ideas for gifts and holiday decorations.

Luncheon was served and a business session held. Mrs. George Croake presided in the absence of the president.

Mrs. Croake presented a program on the new fall colors and materials. Primitive prints from Central America are in the forefront with peasant prints, stripes, colonial and outdoor motifs also popular.

Following her talk on what the smart woman will wear this fall and winter, color slides of "The Family and Old-Fashioned Hospitality" were shown by Mrs. Harold Eby, county agent. She showed the color combinations one could achieve by changing settings. She demonstrated a patio scene for family and guests, one for teenagers, buffets, formal and informal, and even the Bride's first breakfast table.

Mrs. Albert Moesel reported on the recent county council meeting as submitted by delegate Pauline Miller.

Crystals and metal trays and "bird cages" made from hangers were shown. Approximately 60 members and 12 guests attended.

Altamonte Library Sets Two Tag Days

By Julia Bartos
The Altamonte Springs Community Library Association will sponsor a tag day in front of Publix Market at the Seminole Plaza on Friday and Saturday.

Tags reading "Adventures in history, laughter, and mystery at the Altamonte Springs Library" will be given to those making donations.

Mrs. Mary Starke, chairman of the project states, "We hope to stimulate wider interest in our library, boost circulation, and at the same time bring our plans for our new library building closer to reality." "We hope everyone in this area will respond to this project and visit our library. Books for all interests including the latest best sellers are available there," she added.

DODGE CAMP WAGON, for year-round convenience to travel anywhere at anytime is on display at Seminole County Motors. Note the elevated top which is only four inches high when in the 'down position.' The Dodge Camp Wagon, shown above with Charlie Craig of Seminole County Motors, can do anything an ordinary station can do plus many exciting things to now limited to bulky travel trailers. (Herald Photo)

ATTENDING THE first meeting of the West Lake Brantley Women's Auxiliary held Thursday at the home of Mrs. Jeri Rigby on West Lake Brantley Rd., Forest City, were (seated left to right), Mrs. Clara Stenberg, Mrs. Edythe Griffith and Mrs. Rigby, president of the West Lake Brantley Association; standing, Mrs. Grace Schreut, Mrs. Jean Klinger and Mrs. Anna Nash. Their special project will be to assist youngsters needing help, especially at Christmas time.

INTERMEDIATE MYF members of the Casselberry Community Methodist Church are shown enjoying a splash party Saturday afternoon at the home of Mr. and Mrs. Hlynn Reiker, Northmoor Rd., Casselberry. They are, front left to right, Becky Reiker, Debbie Strong and Alice Deppen and back row, Bonnie Reiker, Melinda Casselberry, Debbie Webber and Sandy Porter. Joining in the fun were young Rusty Reiker and his guest Cathy Casselberry. (Herald Photo)

JOHN E. ROBINSON, field representative for Autonetica Division, North American Aviation, Inc., in Sanford, holds a training session with a sailor aboard the nuclear powered attack carrier Enterprise. Robinson is senior member of the Autonetics technical advisory board assigned to Heavy Attack Squadron Seven, which flies North American A5 Vigilantes from the carrier.

Food Service Group Meets

The School Food Service Association of Seminole County held its first monthly meeting of the school term recently at English Estates Elementary School. Mrs. Margie Howell, hostess and manager of the lunchroom, served refreshments. Mrs. Dorothy Bass, association president, extended greetings and after a business meeting, Mrs. Lou Fessler distributed yearbooks and told of the agenda for the approaching year.

Westside PTO Opens Season

The PTO of Westside Grammar School held its first gathering of the year Tuesday with an open house, followed by a general meeting. Parents were welcomed by Freeman Baggett, principal.

Scouts of Troop 244 conducted a flag ceremony, and Scoutmaster Jim Duhan presented the school with a podium and a gavel.

New officers and committee chairmen were introduced and plans for the year were discussed with a membership drive planned to encourage parents to join the PTO.

The drive will be conducted as a contest between classrooms with a prize going to the class enlisting the largest membership.

Baxter Biggs, PTO president suggested that identification tags be sold. The problem of school children crossing the highway at Third St. and French Ave. was discussed and Biggs appointed a committee to look into the situation. Refreshments were served by the sixth grade mothers.

PFC CHARLES W. KOKE, a 1959 graduate of Seminole High School, is presently in Wildflecken, Germany, for 28 days of bivouac training. Koke received an Associate of Arts degree in June, 1961, from Southern Union Junior College, Wadley, Ala. In August, 1963, he earned his Bachelor of Science degree in education from Athens (Ala.) College. He entered the Army Dec. 13, 1963, completed basic training at Fort Gordon, Ga.

Johnson Brushes Off Safety Advice From Warren Group

WASHINGTON (UPI) — President Johnson intends to keep on mingling with crowds and does not think that he is risking his safety by doing so.

That was the word from Treasury Secretary Douglas Dillon Wednesday after Johnson's first meeting with the four-man panel he set up to study ways of carrying out the Warren Commission's recommendations on presidential security.

Dillon, chairman of the group, told newsmen that his proposals would be ready by January. He said that a number of improvements already had been made to tighten security.

The major task is to provide better information about known potential assassins, Dillon said. The Warren Commission's report on John F. Kennedy's assassination urged that the "preventive intelligence" activities of the Secret Service be improved.

Dillon said that the committee discussed with Johnson his wide exposure to big crowds in motorcades, including frequent unscheduled stops which the Warren Commission frowned upon.

Luxurious Once // // Luxurious Twice. You can say it many times. And you have this '63 T-Bird right down PAT. It's a Landau-Hardtop. Only 16,900 miles. Must see to appreciate.

Wanted: Poverty War Help

Now that war has been declared on poverty, to the tune of \$47.5 million, what next?

Congress has provided the ammunition, but it cannot supply the people to man the guns. So, as he did on the famous World War I recruiting poster by James Montgomery Flagg, Uncle Sam is pointing his finger and saying: "I want you."

Specifically, the government is looking for about 6,000 full-time and any number of part-time volunteers to serve in three categories of the antipoverty army:

- VISTA (Volunteers in Service to America).** This is the so-called domestic Peace Corps, which hopes to enlist 5,000 people from the age of 18 on up, including retired persons.
- VISTA personnel will be called upon for a variety of tasks, such as serving in federal programs dealing with mental health, Indians and migrant workers as well as in the Job Corps and local community antipoverty programs.**
- Like the Peace Corps, VISTA volunteers will draw a monthly allowance, and \$50 will be placed in escrow to be paid to them in a lump sum at the end of their service (\$600 a year).**
- JOB CORPS.** Needed in the first year are about 1,000 teachers

and counselors to staff the rural conservation and urban training centers where an attempt will be made to salvage the potentials of thousands of school dropouts. Corpsmen will be paid salaries comparable to those they would receive as teachers elsewhere.

— **COMMUNITY ACTION PROGRAMS.** Part-time volunteers of all ages willing to serve without pay are wanted for a variety of joint federal-local antipoverty offensives. Such help might take the form of tutoring adult education classes or managing day-care centers for children while their mothers take lessons in health or homemaking or learn a work skill. Complete information about any of these services can be had by writing to the Office of Economic Opportunity, Washington, D.C. 20506.

Thought For Today

The fear of the Lord is the beginning of wisdom; a good understanding have all those who practice it. His praise endures for ever! — Psalms 111:10.

There can be no knowledge and no truth without accurate facts, but all the facts in the world do not add up to knowledge.—Dorothy Thompson.

ANOTHER YEAR OF GOOD BUSINESS

Bruce Blossat -- Ray Cromley

Political Notebook

WASHINGTON — (NEA) — Russian commentators, undaunted by distance from the scene, are busy trying to figure out the American presidential election.

But there's this "thought gap," and it seems to be worse than language differences.

To illustrate, let's have a look at the notions tossed out at a Moscow radio roundtable discussion, with translations provided by official U.S. sources.

Just for openers, Russia's Walter Cronkite and Chet Huntley seem to believe that our parties don't spend time selfishly spelling out their own platforms, but instead generously "lay bare" the opposition's proposals.

Our own politicians and observers concede that all is not well in the Republican party between Barry Goldwater's triumphant conservatives and the vanquished moderates.

But it will be news to New York Gov. Nelson Rockefeller, Michigan Gov. George Romney and other still-established

state leaders that "liberal-minded elements are being expelled from the party and their places taken by aggressive-minded persons from Goldwater's supporters."

The Russian chap who offered that one is accustomed to the Communist party's ruthless expulsions and assumes we play the same way. The Moscow commentators understand well enough that Goldwater hopes to achieve victory by taking California, Texas, Illinois, Ohio, Indiana, and a number of other southern and western states.

One Leonid Zayvalov solemnly contends, however, that:

"In the industrial areas Goldwater and his propaganda count on the votes of a certain number of workers engaged in the military industry who fear that a lowering of military orders can affect their living standards."

This fantasy accords nicely, of course, with the ancient Soviet theory—evidently impervious to contrary fact—that everything in America is

governed by wicked military monopolists and their workers.

Furthermore, President Johnson has thus far given no hint of an intent to cut back defense outlays materially.

The Russian analysts correctly report Johnson's wide lead over Goldwater in major public opinion polls. But they seem to think our pollsters go fishing after Labor Day.

Says the same Zayvalov: "It is well known that in the last two months (before election) the figures can change, so that it is difficult to foresee the final result."

It might indeed be tough to predict a given campaign outcome if the pollsters went vacationing just as the battle warmed up.

Zayvalov calls the eastern states the "bastion of the Democrats," evidently ignorant of New England's generally staunch support of the GOP candidates in presidential tests, and of the fact that such others as New York, Pennsylvania and Michigan have swung back and forth.

Having plunged boldly into telling Russian listeners what our election is all about, the Soviet "experts" might have dared to prophesy the Nov. 3 outcome in America. But here they grew limp.

Says Alexander Khananov: "We have attempted to inform you of the suppositions which are being made in America. But it is natural that no preliminary conclusions, no forecasts, can be made on the basis of this data at present."

"The elections are a domestic affair of the American people. We shall learn their result in two months. On this we conclude our broadcast."

Letters

To The Editor

Editor, The Herald:

I was highly indignant on reading an article appearing in The Sanford Herald on September 2nd, concerning our respected County Commissioner, Mr. Avery, inasmuch as a very small amount of truth was expressed.

I have owned a home and lived in the Deer Lake area for thirteen years and no commissioner, to my knowledge, has done so much for us as Mr. Avery. Our former commissioner, Mr. Swafford, before being retired, delivered a controversial ditch, some title to be installed. When he was defeated, he had the title removed—and further, he was a party to our tax being raised.

I refuse to be ungrateful to Mr. Avery, since he has fulfilled his promise that he would do his best to give us our proportionate share of the tax dollars collected—and one thing for sure—his word was always good. Mr. Avery suffered humiliation from our ditch owners, but he still succeeded in relieving our water danger by his determination to serve the taxpayers of Seminole County.

M. C. Roush

the many times rather erratic and peculiar behaviour of our half-grown young, it is rather refreshing to observe and to offer a word of commendation and praise to the administrators and teachers and pupils of the South Seminole Junior High and the coaches and students of the Sanford Junior High school during the recent game played between the two schools at the Lyman High Field. The conduct of coaches and players of both teams; the fine attitude, full with loyalty for their schools and yet showing a right attitude and sportsmanship of the attending students; the fine work of the Junior High band, all reflecting the caliber of leadership and teachers that are in the schools, should be noted and recognized by all of us and give us an incentive to take pride in our schools and the fine work done by them in the education in ever so many areas provided by them.

Rev. Lucas F. Grille

Editor, The Herald:

Being relatively new to Florida and the Orlando area, and reading several of the local and national newspapers and continually reading items of a critical nature concerning the schools, teachers, and

The Cramped Camper

It will take aggressive action by all levels of government—and by all of the conservation organizations interested in outdoor recreation—to enable us to preserve for our citizens the present pattern of outdoor opportunity. If we fail to act, outdoor camping space will be rationed and the camping experience will be largely a cramped, elbow-to-elbow affair.

Our population is growing at the rate of about 7,000 every 24 hours, constantly pressing on our outdoor camping areas. We are not keeping abreast with today's demands, let alone tomorrow's assured needs.

The most vivid example of camping pressure can be found in Yosemite Valley, where, in the last year, 950,000 campers were spent in the 2,300 campsites within the narrow confines of the valley floor.

The overcrowding of national park and recreation facilities illustrates the growing opportunity that private enterprises will have for developing complementary campgrounds adjacent to park areas, and with

per cent of the traffic on our new interstate highway system consists of passenger cars. Heretofore speed has dominated all other factors in highway planning. Driving too often has become a harrowing, nerve-racking, and vacuous swish, rather than a pleasurable exploration of the beauties of the American countryside.

Full use should be made for aesthetic enhancement of highway routes. The Bureau of Public Roads has a provision that allows 3 percent of Florida aid funds to be used for acquiring protective natural areas and for roadside landscaping. Almost no use has been made of this excellent provision. This is because of the shortsighted assumption by certain highway engineers that they can lay 3 percent more concrete with that money. Yet, where the provision has been applied, contingency funds have easily covered annual mileage goals.

Camping is a vital contribution to the American way of life. It develops character and strengthens family ties. It is an enjoyment that becomes dearer through the years and retains an appeal that can be equalled by few other outdoor pursuits. Yet, camping as I have experienced it and as I hope millions of Americans can, is threatened. Whatever your individual or group interests, they often are weak and ineffective in a Nation of more than 100 million. Thus, I again urge that you do what, whenever possible, your specific interests with those of other well-meaning conservation groups. Join them and support them in their programs. In turn, they will support you in the common cause of developing better outdoor recreation opportunities.

By Mewart L. Udall
U. S. Secretary of the Interior

Immediate access to them.

There can be but a few more great national parks. It is time we secured notable areas such as Fire Islands, Assalague, Canyons, Sleeping Bear Dunes, and the Ozark Rivers before our option runs out.

But setting aside these areas is not enough. Another generation, if untutored and unappreciative of the deeper meaning of this green legacy, might well stand idly by, allowing destruction of the basic natural values of these hard-won parks. The great conservationist Aldo Leopold said: "recreational development is a job not of building roads into lovely country, but of building receptivity into the still unlovely human mind."

Conservationists should begin to look to the plans and programs of their highway systems, and ask whether the full potential of their use by the American people is being realized. Recent surveys reveal that sightseeing by automobile is the favorite recreational pastime of a majority of Americans, and that 80

Dr. Crane's
Worry Clinic

Jimmy's parents can take out a college insurance policy to finance his later education. But he may not want to go to college unless they first "brain wash" him favorably toward educational subjects. So scrapbook this case and by all means send for the booklet below. All parents can use it.

CASE T-48: Jimmy J., aged

6, is a bright first grader. "Dr. Crane," his dotting parents began, "we want Jimmy to go through college and become a doctor."

"But we don't have much money, so how can we be sure he will get that kind of education?"

"Parents can now take out college insurance policies on their children, which will help finance their later education. But even more important is to instill a 'cultural hunger' in your toddlers!"

Unless you "brain wash" them favorably toward reading and other basic educational tools, your child will probably flunk out of high school.

Or, if he does finally graduate, he will be near the bottom of the class and thus find it almost impossible to get inside any college.

Remember, our colleges are glutted. Thousands of aspiring students are being turned away.

And tens of thousands who do get inside our state colleges are then flunked out by the end of the first semester.

Why? Because they can't read fluently! And because they lack the proper habits for efficient study!

In college, all students are surrounded by others with similar high I. Q., whereas in high school a brilliant child may be able to coast along and pass because many of his classmates are of lower I. Q.

But college is like the New York Yankees, where everybody is a "pro." You can't get by if you are an "amateur" at studying.

If a college freshman coasts even during his first week, he may then be unable to

overtake his more industrious classmates the entire year.

If his professors grade on the "curve," then he will be at the bottom of the class and get a "D" or "E" mark, despite his high I. Q.

Parents, encourage good reading habits! In fact, start reading good stories to your youngsters even while they are toddlers.

Help them grow fond of their newspaper, so read the better child comics aloud!

For this is actually a superb way to insure your child a college education later on. Despite your college insurance policy, your child will not want to go on to college or even be able to enter, unless you start him on the right track.

Reading is the motor in the entire educational machine so be sure you tactfully make a swift, fluent reader out of your child.

For school teachers can't do this alone! It usually takes parental help to make a cultured boy or girl who can qualify for college.

And urge your teen-age high schoolers to enroll in the one-year or two-year diploma courses.

Then they can finance their college work in extension university night classes, even while holding a good paying position in the daytime.

Send for my booklet "How to Raise Your Child's School Marks," enclosing a long stamped, return envelope, plus 20c.

Use it NOW to make sure your child can compete with college caliber youth when he is 18.

Letters

The Herald welcomes letters from its readers on public affairs. The writer may use a pen name provided the letter also carries the writer's true name and address. Letters of fewer than 250 words will be given preference. Letters addressed to others are acceptable provided they do not deal in personalities. Poetry is not published by The Herald.

Editor, Herald:

I think it shameful that former president Truman desires to show the world what an old goat he is, himself, by calling Goldwater an ass.

All real Democrats should cringe when undignified politicians such as Truman are given undue prominence by news media, whereby they can pop off as overheated steam boilers.

On the basis of natural talent, both Truman and Humphrey are better fitted to be bar-room houncers in a Drew Pearson saloon, than to be political leaders. For in such suitable surroundings, they could eject an unruly drunk with their oratory muscles.

This should be a worthy public service, because the boozier would go on the wagon in preference to a second blast from Harry and Horatio.

Yours truly,
George Bobrow

Barbs

By Hal Cochran

It's smart to execute good intentions instead of letting them die.

It strikes us as fortunate when you're too poor to have a nervous breakdown.

It's always easy to find a blotter right after the ink on a letter has dried.

The only comforter you need on real hot nights is a spread of good cheer.

A storm in the west blew a young boy out of bed. It should have waited until school started.

Why does a bus move much slower when you're waiting for it than when you're on it?

Mosquitoes should never have been taught to ride bare-back.

Q's and A's

Q—Is it true that the roof of a purebred dog's mouth is always black?

A—This is true in only a few breeds. Usually it is pink.

Q—Can hardwood and softwood cuttings be taken from the same tree?

A—Yes, at the appropriate times of the year.

Q—What familiar "nut" grows underground?

A—The peanut, classed as a fruit.

Adult Education, Its Relation To School System Told

By Mildred Honey
Guest speaker, Mrs. Edna Smiley, explained the operation and purpose of the Adult Education classes and their connections with the Florida School system and Daytona Beach Junior College at a meeting last week at the Deltona Community Center.

She showed slides of the various classes in Volusia County, showing students at work.

A list of the available classes were listed and teachers gave a short resume of the type of lessons to be expected.

Classes may be taken for credit toward a high school diploma or as non-credit. Late registration for each class will take place on Saturday of each week from 10-11:30 a. m. in the Little Red School.

A fee of \$5 entitles a person to take one or more classes and there will be a deposit on all books. All citizens of Florida are eligible for all classes. Classes will be held in Community Center or the Little Red School.

If there are not 15 or more members in a class by Nov. 1, the class will probably be discontinued.

The following teachers and their schedules are: Mrs. Don Emery, art, Thursday Oct. 29, 2 p. m.; Mrs. Mildred Clark, choral, Tuesday, Sept. 29, 3:45 p. m.; Roland Levers, shop, Tuesdays and Thursdays 9 a. m. starting Sept. 29; Zera Mallard, band, Tuesday, 1:30 p. m. and Saturday, 11:30 a. m. starting Sept. 26; Mrs. Rose, conversational Spanish, Monday, Oct. 5, 1:30 p. m. Mrs. Lucille Pennington, liquid embroidery, Wednesday, Sept.

Russia Accepts Chinese Offer

MOSCOW (UPI) — The Soviet Union Thursday accepted a Chinese Peking invitation to attend the 15th anniversary celebrations of the Chinese Communist regime, but included no top leaders in its delegation.

Premier Nikita S. Khrushchev has taken part in the liberation or founding anniversaries of several Soviet bloc nations in the past few months or has designated former President Leonid Brezhnev or President Anastas Mikoyan to represent the U.S.S.R.

To head the delegation to Peking, the Soviets named Viktor Grishin, head of the trade unions and a member of the party presidium. Another member is T. Kulstov, president of Kirghizia, the Republic in Soviet Central Asia. Communist China has claimed some of Kirghizia's territory in its demand for border adjustments.

The Peking celebrations are Oct. 2. Tass, the Soviet news agency, said the Chinese asked the Soviets to send "either a party - and - government, delegation or a public delegation - or not to send a delegation at all."

The group headed by Grishin can best be described as a "public" one of medium level.

Firms Submit Identical Bids

WASHINGTON (UPI) — The Justice Department reported Thursday that 3,032 companies submitted identical bids during 1962 on 2,550 federal, state and local government contracts worth about \$155 million.

The department is required by a 1961 executive order to report annually on a survey of identical biddings on contracts. This is designed to discourage collusive bidding, to aid in anti-trust enforcement and to reduce the cost of government.

Home Looted Of Jewelry

Theft of a quantity of jewelry and some money from the home of Mrs. David B. Bach, 219 Holly Ave., resulted in the detention of a 15-year-old girl in the county jail juvenile section.

Mrs. Bach reported the theft Monday and identified the girl as the one who had taken the items. Juvenile Court Judge Vernon Mize ordered the child detained.

1:30 p. m.; David Honey, English, Wednesday, Oct. 7, 8 p. m.; John Anderson, science, Tuesday, Oct. 6, 4 p. m.; John Anderson, psychology, Tuesday Oct. 6, 4 p. m.; Mr. Hardin, social studies, time to be announced; flower arranging, time to be announced for November; Mrs. John Bird, Healthful Florida Living, Wednesday Oct. 7, 9:30 a. m.; Mr. L. Nordmann, fishing, time to be announced for November; Mrs. James West, ed.

AMONG THOSE on hand to register for Deltona Adult Education classes last week at the Community Center were left to right, Mr. and Mrs. Edward Pankiewicz and Mr. and Mrs. Frank Muth, who are choosing from the large variety of courses offered.

Fall Meeting Held By Oviedo Garden Club

By Evelyn Lundy
The Oviedo Garden Club held its first meeting of the year on the lawn of the home of Mrs. C. R. Clontz with Mrs. Lynn Mosler as co-hostess.

A covered dish luncheon was served for the 14 members attending.

The meeting was presided over by the chairman, Mrs. J. R. Battle. Each member answered the roll by telling what Fall means to her.

A plant sale is planned by the club for the latter part of October.

Plans for keeping flowers in the bank and clinic were discussed with each member taking a turn at keeping flowers or a plant in the clinic and bank for a week. Other club projects are large pots containing podocarpus in the business section; keeping the area around the flowing well clean; and taking care of and beautifying the triangle adjacent to the cemetery.

Mrs. John Ridenour distributed the very attractive year books which she had made.

A most interesting program on plant propagation was given by Mrs. Battle. She explained the following methods of propagation, divisions, seed, rooting, and air-layering.

She demonstrated the art of rooting and stressed that the wood must not be too

young nor too old and the potting media must have proper drainage. She air layered a pittosporum and explained that this method is used when one desires a large plant in a comparatively short period of time.

Mrs. Clontz showed members some camellia plants that she had grown from seed.

Mrs. Hubert Ray was welcomed to the club as a new member.

"I read in The Herald what you said about the school children on Celery Avenue having difficulty in getting to school. If the streets were cut through the property which used to be Chase & Company farm, between Mellonville, Celery, Locust Avenues and the railroad, there would be streets safe for walking or riding bicycles.

"It would also help this end of town and help the owner sell his lots. I don't mean winding streets, I mean E. 14th St., Plumosa Drive from west to east and Bay and Willow Avenues from north to south."

Police Chief Roy G. Williams says he plans a demonstration on the agility and ability of the German Shepherd dogs which have been assigned to patrol duties in the city. There's three dogs in the city, getting acquainted with their new environment before starting their patrols.

Familiar scene, unfamiliar actor and prop: Early this morning a Florida Highway Patrol trooper standing beside his car on Highway 17-92 with the hood raised. A symbol of automotive difficulty and the need for help.

And speaking of troopers, our Corporal Bill Stringfield says he has mixed emotions on his assignment to Palm Beach. He got the promotion and the transfer the same time the other day; reports for his new duties Oct. 15. He's happy over the promotion and resulting step up the PHP ladder; sorry to leave Sanford and his many, many friends. Many Clock Watchers have the same mixed emotions, Bill.

The campaign tempo is picking up in our town. The Goldwaterites have been at it for some time but the Democrats are getting into high gear behind the leadership of Dr. Vincent Roberts.

Members of the "MILPERS" Club have been reminded today to make reservations for the organization's dinner meeting Wednesday no later than Monday night.

Children's Home To Dedicate Buildings

Bishop James W. Henley of the Florida Conference of the Methodist Church will dedicate seven new buildings on the campus of the Florida Methodist Children's Home at Enterprise this Sunday at 3 p.m.

Buildings to be dedicated are: The Lida C. Laird Administration Building, The J. F. Alexander Staff Dwelling, The Anna S. Macnamany Staff Apartments (3 duplex units), The Herman and Eva Blanton Cottage for Children, and The Ruby B. Bacon Cottage for Children.

The seven buildings, all erected since June 1, 1960, cost \$286,766, with furniture and equipment costing an additional \$35,100. Each building has been named after the donor. Mrs. Lida C. Laird and Mrs. Ruby B. Bacon are now deceased.

Taking part in the dedication service, in addition to Bishop Henley, will be Rev. Jesse E. Waller, president of trustees, Rev. C. Durward McDonell, vice president of trustees, and Rev. Bascom W. Carlton, superintendent of The Children's Home. The musical numbers will be by Mrs. Linton Day, soloist, and Mrs. Cecil Sellers, accompanist.

Since it was founded on the north shore of Lake Monroe in Enterprise in 1904, The Home has cared for thousands of boys and girls from throughout the state. At present the capacity is 108, but an additional program of foster boarding care and adoption provides service for many additional children.

Plans for The Administration Building and all the staff dwellings were drawn by Frank P. Patterson, Tampa, and the building contractor was Samuel Faron, of DeBary.

Theme Contest For Parade Opens Monday

Wayne Albert, chairman of the 1961 Jaycees Christmas Parade announced today that the parade theme contest opens Monday, with deadline for submitting entries set for Oct. 23.

"Children in grades one through six are invited to participate in the theme contest with the winner receiving a \$25 savings bond from the Jaycees and the honor of riding as a dignitary in the parade," said the chairman.

Last year's winner was 11-year-old Barbara Berry with the entry, "Christmas under the Sun."

Other themes previously used, which will not be eligible have included "The Christmas Story," "Christmas through Children's Eyes," "Keeping Christmas Through Christ," "Let's Put Christ Back in Christmas," "Parade of Christmas Dreams," "Christmas Fantasy" and "Old-Fashioned Christmas."

Entries must be delivered to the Jaycee Building on French Ave., or mailed to Christmas Parade Theme Contest, P. O. Box 1513, Sanford before 3 p. m. Oct. 23 to be eligible for judging.

"Be sure to include name, age, address, city, telephone and theme idea," the chairman urged.

"Cards are being mailed out now to all organizations asking for float entries in the parade, and arrangements may be made by calling the Jaycees office," said Albert.

Deadline for float entries is Nov. 15.

Three Arrested In Bloody Knife Battle

Two women were wounded in a wild cutting spree yesterday afternoon at 1509 Celery Ave. Three persons were arrested on two charges by Constable Robert Carroll.

Treated at Seminole Memorial Hospital for the battle wounds were women identified by Carroll as Rosemary Mudd and Lucy Huggerman. They and a man identified as Eugene Wallhall were charged with intoxication and breach of peace. Bond on each was set at \$185.

Constable Carroll said he "had never seen such blood splattered around a house." The investigation is continuing.

NEW SMYRNA BEACH officials paid a goodwill visit to Sanford Thursday afternoon to promote their "Good Ol' Days" celebration planned for next week. Attired in clothing of yesteryear, they were greeted by Acting Mayor James Crapps, in dark suit at right. Beside him is New Smyrna's Mayor W. S. Hathaway. The motorcade was escorted through the city by local police (Herald Photo)

VAH-7 Flies In From World Circling Tour

The "Flying peacemakers" of Sanford's heavy attack squadron 7 are home today—the world behind them.

The Navy squadron's nine A-5A attack bombers landed at Sanford Naval Air Station shortly before 1 p. m. ending an eight month tour aboard the nuclear powered carrier Enterprise which took them to all corners of the earth.

Eighteen flight crewmen stepped from their sleek twinjet aircraft to welcoming festivities and a reunion with families and friends they hadn't seen in some cases since January.

The reunion will be complete Sunday when Vah-7's 290 support personnel arrive in airlifts from Norfolk, Va.

The 83,000 ton Enterprise, largest combat ship in the world will slip into its home berth tomorrow where thousands of Norfolk citizens plan an elaborate homecoming celebration.

The Enterprise was the flagship of Nuclear Task Force One, history's first surface armada composed entirely of nuclear powered vessels. The giant supercarrier, the guided-missile frigate Bainbridge, and the guided missile cruiser, Long Beach sailed around the world in what was officially called "Operation Sea Orbit."

Vah-7's Vigilantes, serving with the powerful 100 plane Enterprise air group, demonstrated U. S. firepower for leading dignitaries in many countries along the 30,000 mile globe-circling route.

Before embarking on the circumnavigation on July 31st the Enterprise and Vah-7 served six months with the U. S. Sixth Fleet in the Med.

Commanding Vah-7 and its superionic Vigilantes is Cdr. B. B. Brown, who assumed leadership of the squadron shortly before it left Norfolk last February.

Cdr. Brown led today's fly-in to Sanford. Upon arrival, he was extended congratulations by scores of military and civic officials who had turned out for the homecoming.

LBJ's HQ Here Opens Tuesday

Dr. Vincent Roberts, chairman of the Seminole County Johnson-Fur-President campaign said today that Johnson campaign headquarters will be opened here next week.

"I just arrived back in town from a two-week medical course at Harvard University and have not yet had time to select the site for headquarters but will announce this the first of the week," Dr. Roberts said.

"I am told we have been getting requests for information, literature and bumper stickers and I understand we are expecting a shipment next week, which will be available at headquarters and in the Democratic Mobile Unit which will be touring the county," Dr. Roberts announced.

Pressure Put On Baker Inquiry

WASHINGTON (UPI)—Sen. John Sherman Cooper, R-Ky., vowed today that even if Congress adjourns, he will keep alive the investigation of charges that Bobby Baker was involved in a \$25,000 "political payoff."

"I intend to stay here and press to have it finished," Cooper said.

Chairman B. Everett Jordan, D-N.C., of the investigating rules committee, announced he was going campaigning next week on the "Lady Bird Special" heading south.

Longwood OKs Record Budget

The Longwood city council unanimously approved an ordinance setting a record budget of \$77,750 for the new fiscal year after three consecutive readings at the regular council meeting Thursday evening.

The largest single item in the budget, \$23,000, was allocated for streets, parks and buildings. Despite the record budget the rate of taxation remains at 10 mills and was set by taxation ordinance also adopted unanimously, after three consecutive readings.

In other business A. E. O'Neal and Associates, city engineers were authorized to draw plans and specifications to avert the city's water system.

Game Canceled

DURHAM, N. C. (UPI)—Duke University announced today its football game with Tulane University at New Orleans Saturday has been canceled because of Hurricane Hilda.

JUDGE MIZE

60 Days For Driver; Mother, Baby Safe

By Henry I. Johnson
 Managing Editor

A high speed chase, with pursuers and pursued clipping along at 110 miles an hour, ended early this morning when the fleeing car failed to negotiate a curve and plunged headlong into deep Lake Monroe.

Arrested on a host of charges by Florida Highway Patrolman Dan Sikes was a man identified as Donald B. Reynolds, 24, of Jacksonville. Arraigned before County Judge C. Vernon Mize late this morning, Reynolds pleaded guilty to a reckless driving charge and was sentenced to 60 days in jail. He denied resisting arrest as charged by Sikes. A third count of driving without a license is being checked out.

Sikes said Reynolds grabbed a six-month-old baby from the completely submerged car and was able to swim to shore. Another passenger in the car, identified by police as Linda Faye McKenzie, also scrambled out of the car and swam to shore.

The baby, Guy McKenzie, was taken to Seminole Memorial Hospital, examined and released.

Sikes reported he began the chase on Highway 17-92 near the southern end of Seminole County at about 4:30 this morning.

The pre-dawn race continued north on 17-92 and when the speeding car came to the end of French Avenue, the driver was unable to turn left onto the lakefront highway, continued straight toward the lake and the car leaped into the snake-infested waters.

Four city policemen in two patrol cars joined the chase. They are Patrolman W. R. Congrave and John Dodson in one car and Joe Crane and Larry Hamrick in another.

Two wreckers were required to get the car out. One hooked onto the vehicle while another was chained to the wrecker to give additional pull in freeing the car.

It was removed from the lake about 90 minutes after it flipped into it.

The victims were taken to city police headquarters, dried off and the baby was then taken to the hospital for examination. Reynolds was escorted to the county jail.

Reynolds is charged with driving without a license, resisting arrest without violence, willful and wanton reckless driving.

COMING OUT of Lake Monroe early this morning was this late-model car. It plunged into the lake after a wild, high-speed chase north on Highway 17-92. The driver failed to make a curve and headed straight in the lake.

County Funds Earn \$28,213 In Year

Interest on investments of Seminole County funds made by County Clerk Arthur H. Beckwith Jr., during the 1963-64 fiscal year which ended Sept. 29, amounted to \$28,213.12.

During the fiscal year of 1961-62 Beckwith instituted the procedure of placing funds not ready to be expended for county operations in time certificates. Since then a total of \$69,537.78 has been realized.

"Each year," says Beckwith, "the return has increased substantially."

Time certificates produced revenue in the amount of \$12,299.04 in 1961-62, \$24,007.31 in 1962-63 and \$24,213.58 in the budget year just ended. Interest on monies in the Jail Building Fund time accounts increased the revenue by \$4,993.85 to bring this year's total to the \$28,213.12 figure.

"This procedure," Beckwith asserted, "makes it clearly evident that the sound fiscal policies being employed by county officials in the handling of county funds has been financially beneficial to our citizens."

Runaway Boy Is Caught Napping

A boy, 9, and his Mom had words late yesterday afternoon and the boy decided he'd had enough.

Decided to "run away from it all" in fact.

The Mom called police at about 10 last night, explained her son had been fighting; she had scolded him; he left home and that was four hours ago.

Police started looking.

A half-hour later, Mom called back. Would headquarters send a policeman to her house? She had found the boy asleep in the family car.

Patrolman Carl C. Dodson got the assignment. The boy was still asleep in the car. The officer awakened the boy, told him not to worry his Mom like that.

The boy promised. Was escorted into the house.

"Guess that everything will be O. K. now," Dodson said in ending his police report.

Pentagon Gets GI's Assist

DUBUQUE, Iowa (UPI)—The nation learned more about a recent naval incident in the Tonkin Gulf from a letter an Iowa sailor wrote to his mother than from the Defense Department.

The sailor, Fireman James J. Kress, wrote to his mother about the third incident involving U. S. destroyers and torpedo boats from the Viet Nam mainland. He is the son of Mrs. Joseph Kress.

Concert Activities To Begin Tuesday

The 1964 membership drive of the Seminole County Mutual Concert Association will receive its initial impetus Tuesday with a reception at the home of Mr. and Mrs. Frank Mebane in Loch Arbor, honoring Judge C. Vernon Mize, president of the organization and his wife.

Judge Mize has accepted the leadership of the cultural organization for the second year, and announced that Mrs. Troy Ray and Mrs. Bart Bartholomew will be co-chairmen of the membership drive.

The reception has been set for 8 p. m. with members of the drive committee invited to meet with Judge Mize and with Mrs. Ray and Mrs. Bartholomew who will outline membership sales activities.
