Committee favors keeping SCC athletics

SANFORD — The Seminole Community College Athletics Program Study Committee was expected to recommend to the Board of Trustees that sports continue at the college.

The fate of athletics at SCC was in the hands of the Board of Trustees. The board was expected to vote late Tuesday on recommendations from the committee.

According to a memo from college President Ann McGee, the committee was to offer five recommendations:

- That the college commit to continuing the athletics program at SCC;

- That the athletic director devise a financial strategy for the athletics program that is consistent with the college's 10-year financial plan currently under development;

- That an Athletics Program Review Study Committee be appointed by the president in the fall of each year with a report date of January;

- That the athletic director will develop and implement a plan to secure an increasing portion of operational funding for athletics from external sources.

- That, by May of 2006, the athletic director will develop a long-range plan with measurable indicators of success for athletics that will be analyzed and approved by an executive team.

The board was to meet at 7 p.m. Tuesday.

County manager bows out

By Steve Paradis
Herald Staff

SANFORD — If County Manager J. Kevin Grace had more support from the Board of County Commissioners, maybe he would not have resigned during the commission meeting Tuesday, said a disappointed Chairman Carlton Henley.

"No, I'm not happy," Henley said after Grace submitted his letter of resignation to the board.

Commissioners voted 3 to 2 to accept the resignation, which will take effect Dec. 31. Henley and Commissioner Dick Van Der Weide opposed the resignation.

"If he had expressions of support from more commissioners, I think he would have stayed," Henley suggested. Henley and Van Der Weide also opposed naming Assistant County Manager Don Fisher as interim county manager, but they lost that vote by 3 to 2 as well.

Commissioner Randy Morris said he

had mixed emotions about accepting the resignation.

"We've had a very good experience

through the years with Mr. Grace," Morris said. "I wish Mr. Grace the best in his future endeavors."

Henley was asked afterward if Grace made the decision on his own. After a pause he said only Grace could answer that question.

Grace said he didn't want to talk with reporters yet, but did give a statement.

"I have reached the conclusion that it is time for the county government to transition to new leadership, and the Board has concurred," the statement said. "We have reached an agreement that will allow this transition to be both a smooth and positive one for all parties."

Grace said he was very proud of his 13 years with Seminole County Government. He served as county manager for a little more than six years and the remainder before that as deputy county manager.

During discussion in the meeting and again outside the commission chambers, Henley listed what he felt

were great achievements of Grace. Henley pointed to the Criminal Justice Center, which was constructed on time and under budget.

For nine years, the county could not reach agreements with its unions, but under Grace, two of those unions have made work agreements with the county. Henley also mentioned more than 120 miles of paved roads, many sidewalks, parks and trail improvements during Grace's tenure.

"We are the envy of every other Central Florida county," Henley concluded. "We're in the best financial shape we've ever been in."

He held out some hope that one person on the Board could change his or her vote.

"Kevin is a tremendous person," he said. During the meeting, he addressed his Board colleagues: "I would hope this board would ask him to stay."

Van Der Weide has served on the Board longer than anyone.

City will take over reins of housing authority

By Steve Paradis
Herald Staff

SANFORD — Control of the Sanford Housing Authority will return to the city after more than two years in the hands of the U.S. Department of Housing and Urban Development.

Housing Authority Executive

Mica

Director Angel Tua said Monday that HUD is terminating receivership declaring that the authority is "back on its feet." He said changes in the last few years have been dramatic.

Mayor Linda Kuhn called this a new beginning in Sanford. A new Board was appointed to oversee the Housing Authority. While the Board will take over, the project is still HUD-funded, and was three years ago when U.S. Rep. John Mica brought HUD in to directly quell mismanagement.

Computers and files were confiscated at the time in 2003. Apartments were in disrepair and many were vacant.

Chamber cancels Mardi parade

By Dan Ping
Herald Staff

SANFORD — The annual Mardi Gras parade through downtown Sanford will not occur in 2006.

Officials with the Sanford Chamber of Commerce, which hosted the event for three years, informed city officials Monday night that they would not organize the event.

"We will not be doing the Mardi Gras parade," said Angelia Gordon, president of the chamber. "We will do the Mardi Gras Ball at the Sanford Civic Center."

The event drew about 20,000 people to downtown. For some of the businesses, particularly the restaurants, the Saturday event was the single biggest day of the year.

"I can't believe the chamber is doing that," said Terry Cranias, owner of Angelo's Pizzeria. "Mardi Gras was a huge event for our business and many of the other businesses downtown. It's ridiculous. They take something that was very successful and shut it down. What kind of Chamber of Commerce is that?"

Theo Hollerbach, owner of the Willow Tree Café shared Cranias's frustration about ending a successful event.

"What aggravates me is that we finally get something

Residents anxious over how parkway will connect with I-4

By Steve Paradis
Herald Staff

SANFORD — Seminole County residents didn't seem to mind where the Wekiva Parkway would enter the county, but its intersection with Interstate 4 caused much anxiety for those who live in or near three proposed paths.

Nearly 400 people attended a public workshop at the Sanford Civic Center Monday. It was the last of three such workshops. The other two took place last week in Lake and Orange counties.

The parkway when built would cover 25 miles connect-

ing State Road 441 in Apopka, north to State Road 46 and east to I-4.

The Expressway Authority and the Florida Department of Transportation is responsible for the project. A study is underway to determine the alignment of the parkway, interchange locations and roadway characteristics.

Those attending Monday's workshop poured over large maps showing proposals for the entire parkway. Project personnel were on hand to answer questions. A Power Point presentation explained the process for the parkway.

Residents were encouraged

to submit written concerns, and there was even a court reporter on hand to take verbatim responses from residents.

Bob Poe owns a home in Wekiva River Oaks in Seminole County. His property is along the Wekiva River near the bridge to Lake County. He has gone on the record often opposing the parkway's location, but he is satisfied with plans to build feeder or frontage roads along with the limited access highway.

"The way they're doing this makes more sense," he said, pointing to maps at the workshop. "This time I'll support it."

The parkway as it enters Seminole County from the west would cross the Wekiva and continue straight east.

One proposal brings it straight down 46 to the interstate. Another swings the track north through wetlands and connecting with the interstate near the Sanford Port Authority.

A third route is shorter and

Brender

brings the parkway south to join the interstate at State Road 417.

Gary Brender is a Lake Mary city commissioner who also serves on the Seminole County Expressway Authority. He seemed to favor the southern route because it would displace fewer residents who may not have the means to relocate.

He talked with group after group of Seminole County residents who stopped at the map showing proposals for connections with I-4.

Winter Springs starts holidays this weekend

WINTER SPRINGS — The city of Winter Springs Holiday Weekend will feature a tree lighting, an orchestra concert and the annual holiday parade Nov. 18 through 20.

Events will start Friday, Nov. 18 with a tree lighting ceremony at the Winter Springs Town Center. The ceremony will include a live performance by the Indian Trails Middle School Show Chorus and the Winter Springs Elementary School Chorus.

The activities will take place from 6 to 8 p.m.

On the following day, Central Winds Park will serve as the location for a live performance of holiday music and popular instrumentals by the Orlando Philharmonic Orchestra.

The concert is scheduled to begin at 7:30 p.m. Also taking place beginning at 6 p.m., will be an Instrument Petting Zoo which will allow children and adults to experiment with orchestral instruments with the help of the philharmonic's professional musicians.

There is no cost for admission to this great event, but officials advise everyone to come early to get a great spot in the Central Winds Amphitheatre area for the concert. There will be parking available at Winter Springs High School as the entrance for Central Winds Park is a short walking distance.

The Holiday Parade will take place on Sunday, Nov. 20 starting at Winter Springs Elementary School on State Road 434 running east toward the Village Market Plaza. The parade start up time is scheduled for 2:30 p.m.

It is expected to have more than 70 entries, including representatives from sport teams the Orlando Magic, Orlando Predators and Daytona Cubs as well as Winter Springs High School and Masters Academy Marching Bands, representatives from University of Central Florida, Sea World, several non-profit organizations, area churches and a large variety of entries. There will be plenty of candy distributed to everyone whom attends.

For more information, call 407-327-6593.

County housing authority gets new director

OVIEDO — Kevin Dunk recently accepted the position of executive director of the Seminole County Housing Authority.

Dunk began official duties Nov. 7. The county housing authority is located in Oviedo, assisting more than 600 residents in Seminole County through the Public Housing and Housing Choice Voucher Section 8 Programs.

The Housing Authority of the city of Orlando employed Dunk in March 2004 as the Section 8 Program director. Prior to his position with OHA,

Dunk was the deputy director of Racine County Housing Authority in Wisconsin.

Dunk's combined experiences represent more than 16 years with Housing Authority programs.

"I look forward to providing professionalism, leadership and quality services to the staff, partners, and clients of the Seminole County Housing Authority," Dunk said.

Renee "Pat" Telson, chairman of SCHA, also expressed his thoughts on the appointment.

"We are so privileged to have Mr. Dunk as our new director and are looking forward to an abounding relationship. He brings a plethora of experience to SCHA which likewise will enable the residents to receive quality service".

Many Sanford residents turned out to honor veterans at Sanford's Memorial Park last Friday on Veteran's Day using cars and feet power. Others chose to use different means to make the trip, such as several fishermen who arrived by boat and a flyover by a seaplane. The Sanford Police Department honor guard was on hand. One member here prepares to present arms and fire his weapon in salute to veterans.

Thefts

- Walter Martell, 35, of Ronald Reagan Boulevard, Longwood, was stopped by Sanford police Monday at a Highway 417 when the vehicle he was driving was shown to have been stolen in Polk County. He was arrested for grand theft of a motor vehicle. Donald Mullard Bass, a passenger in the vehicle, was also arrested on charges of resisting an officer without violence, trespassing in a conveyance and possession of an alcoholic beverage.

- Tony Brown, 47, of West 8th Street, was arrested by Sanford police early Tuesday at 18th Street and Cedar Avenue. He reportedly took two cases of beer from a store in the 1900 block of French Avenue. He was charged with petty shoplifting from a merchant and possession of narcotics equipment.

- Ariel Mateo, 28, of West 25th Street, was arrested by Sanford police Monday at a store in the 3600 block of Orlando drive. Officers said he took two packages of lady's briefs, valued at \$12.96, from the store without paying. He was charged with petty larceny.

- Candice Renee Brown, 24, of Cowan Moughton Terrace, was arrested by Sanford police Friday at a store in the Seminole Towne Center. He reportedly took \$800 in merchandise from the store using a stolen credit card. He was charged with larceny - theft of over \$300 and obtaining property by fraud.

- Matthew Ross Davison, 38,

- Terry Jenkins, 51, of Broadway Avenue, Midway, was arrested by Sanford police Sunday at a store in the 1500 block of French Avenue. Officers said he took \$9.38 in items from the store without paying. He was charged with petty shoplifting from a merchant and failing to leave property on order of the owner.

Assault - Battery

- Alexander Erwin Edwards, 18, of Barewood Drive, Sanford, was arrested by Sanford police Saturday at his residence as the result of a fight with his brother. He was charged with battery - touch or strike (domestic violence).

- Charles Canada, 65, of Cypress Avenue, was arrested by Sanford police Saturday at his residence after an altercation with a female. He was charged with battery - causing bodily harm (domestic violence).

- Javier Alica Jr., 24, of

Northlake Drive, was arrested by Sanford police at his residence Sunday following a dispute with a female. He was charged with battery - causing bodily harm.

Traffic Stops

- Angel Martinez-Montenegro, 21, of Palmetto Avenue, was arrested by Sanford police Friday following a traffic crash at 27th Street and Highway 17-92. He was charged with driving under the influence (DUI) of alcohol or drugs, and operating a motor vehicle without a valid license.

Trespassing

- Jose Antonio Laguer-Pantojas, 30, listed as homeless, was arrested by Sanford police Sunday on property in the 3200 block of Orlando Drive. He was charged with trespassing in property.

- Thomas Michael Ruby, 54, and Ronald Cleveland Dixon, 47, both listed as homeless, were arrested by Sanford police Monday at a store in the 3700 block of Orlando drive. Each was charged with trespassing - failing to leave property on order of the owner.

Other Charges

- Nathaniel William Acker, 51, of East 8th Street, was arrested by Sanford police Sunday in the parking lot of the Sanford police station.

He reportedly wanted to turn himself in on a warrant. Officers found him in possession of a crack pipe and charged him with possession of narcotics equipment.

Sheriff seeks information on lottery thieves

SANFORD — The Seminole County Sheriff's Office is releasing video to generate leads about, and to alert convenience stores of, distraction thieves who are stealing scratch-off lottery tickets.

Two incidents happened in Seminole County in October and it is believed the two are linked. The first occurred at the 7-11

convenience store located at 4085 W. State Road 46, near Sanford on Oct. 10.

The female suspect waited until the clerk had turned away from the front counter and took 30 lottery tickets.

On Oct. 22, at the 7-11, located at 1930 W. State Road 434, near Longwood, it appears the same female suspect struck again,

according to the Sheriff's Office.

She and a male accomplice apparently distracted the clerk, and the female suspect made off with \$100 worth of lottery tickets.

Anybody with information is asked to contact Deputy Jake Bramer, at the Seminole County Sheriff's, District 6 Office, at 407-665-1410.

Grace

Continued from Page 1A

"I realize we're the envy of the region," Van Der Weide said during the meeting. "I think Kevin Grace has been a wonderful county manager. He's done a wonderful job."

Van Der Weide wanted those supporting Grace's resignation to state why. Morris said Van Der Weide's request was inappropriate.

Commissioners Brenda Carey and Bob Dallari joined Morris in accepting the letter of resignation.

Morris also moved the second motion to have Fisher act as interim and to conduct a national search starting in January. Grace agreed to serve as an advisor through the fiscal year.

Grace said in his statement that his service with county government had been the highlight of his career.

"I want to thank the Board of County Commissioners, county staff, and the citizens of the county for their tremendous support over the years," he said.

doublewide for 20 years," he asked residents. He will get \$35,000 for his home, he suggested. "Where is he supposed to go?"

He emphasized that nothing is written in stone, and that there would be multiple public input sessions as the process moved along. He said they hope to make recommendations on the parkway in May 2006.

One concern he pointed out to residents was that the parkway and the frontage roads need about 230 feet of land to be built. The state has about 200-feet of right-of-way now, so some properties along 46 will lose up to 30 feet.

He also pointed out to residents whose property may be

affected that the state will pay for resident's attorneys if they feel they aren't getting fair value for the property.

"Florida has strict laws on taking property," he told residents. "No one gets put out on the street. The key is coming up with a number that both sides can agree on."

The state will obtain two appraisals and property owners can also get their own appraisals. Some wanted to know how long it would take before construction begins.

Brender said after the lines are settled in 2006, redesigns will have to take place.

"If we're building something by 2010, I'd be surprised," he said. "We just hope we can treat everybody fairly enough."

going in this town and then it ends," Hollerbach said. "I thought (Mardi Gras) brought the community together. The one thing about having a good community that people want to be a part of is having traditions and events. We can't keep anything going."

Gordon told city commissioners the chamber could not organize the event because of a lack of funds, primarily money she anticipated on receiving from the city.

The city has budgeted \$35,000 to pay the chamber for performing economic development functions that include, among other things, conducting tours for real estate agents and other companies looking to do business in Sanford, assisting the city with recruiting new businesses and promoting economic development within the city for existing businesses.

Gordon has failed to sign the contract and the city will not release any monies until a contract is executed.

Gordon and chamber officials protested the contract during Monday's work session as being too one sided. Under the terms of the contract, the Chamber would receive \$5,000 less each year for the next six years until eventually the city provided no money to the chamber.

"You're asking us to provide the same level of service for less money each year," said Bob Horian, a member of the chamber's board.

Mayor Linda Kuhn responded that the services outlined in the contract were functions typically performed by chambers of commerce.

"You're saying that if the city doesn't pay you, the chamber will stop doing these things?" Kuhn asked.

Cranias hopes some other organization will host a Mardi Gras parade and is frustrated that the event may not happen. "The chamber is suppose to be about helping the business community," Cranias said. "They're not helping."

Middle school rezoning workshops set

SANFORD — The School Board of Seminole County continues to work on rezoning attendance zones to create an attendance zone for the Markham Woods Middle School, scheduled to open for the 2006-2007 school year.

Students that may be affected by the proposed policy amendment are those students presently zoned for Greenwood Lakes Middle School in Lake Mary, Sanford Middle School, and Millennium Middle School in Sanford.

A Core Committee will conduct additional policy development workshops as follows:

- Nov. 21, 5 p.m., Core Committee Meeting, Greenwood Lakes Middle School, 601 Lake Park Drive, Lake Mary;
- Nov. 29, 7 p.m., Core Committee Community Input Meeting, Millennium Middle School, 21 Lakeview Ave., Sanford;
- Dec. 5, 5 p.m., Core

Committee Meeting, Sanford Middle School, 1700 French Ave., Sanford;

- Dec. 13, 6 p.m., School Board Meeting (Approval of Proposed Plan for Advertising Only), Educational Support Center, 400 E. Lake Mary Blvd., Sanford.
- Jan. 24, 7 p.m., School Board Public Hearing regarding Proposed Plan and Final Adoption, Educational Support Center, Lake Mary Boulevard, Sanford.

For more information, call 407-320-0039.

Also check out the School Board's Web site at www.scps.us, information is posted under the icon for middle school rezoning.

A copy of proposed middle school attendance zones for Markham Woods Middle School and other affected schools will be posted on the Web when available. Summaries of the Core Committee meetings will also be posted on the Web.

Student among elite competitors

SANFORD — Nimish Ramani, a student at Seminole High School, is one of only 14 young scientists from across the nation to compete in the Siemens Westinghouse Competitions in Math, Science & Technology coming up Nov. 18 and 19 at Georgia Institute of Technology.

The students will present original research projects to a panel of university judges.

Winners will awarded \$3,000 for individual projects, \$6,000 for team projects (scholarships) and be automatically entered in the National Finals in New York City for a shot at the \$100,000 grand prize.

In addition to Ramani, two other contestants are Florida students, Neha Hippalgaonkar from Lake Highland Prep in Orlando and Shiv Gaglani, a senior at West Short High School in Melbourne.

U.S. Rep. John Mica talks with resident Felicia Figgins at the Sanford Housing Authority.

Housing

Continued from Page 1A

Monday afternoon. He told reporters that he took the drastic and controversial step in asking HUD to take control in 2003 because the board back then had a number of complaints against it.

"People deserve good clean housing," Mica said Monday. "The federal government should not be a slum lord."

Tua said the problem was not a funding shortage from HUD, it was mismanagement. A grand jury heard arguments against the former administrator, but no one was ever indicted. Mica said Monday that someone should have faced charges.

"There were problems with some of the board," he said. "Some should have gone to jail in my opinion."

He said there aren't too many instances where HUD is brought in like it was in Sanford. However, he did talk about leveling other HUD projects in Daytona Beach and Palatka and starting over because the facilities had become dens for drugs and disrepair.

"This will be a zero tolerance facility," Mica declared Monday of the Sanford authority. Police officers on hand said calls to the area go

up and down in frequency. Kuhn said two liaisons between the city commission and the housing authority would help with safety and other issues.

One of the liaisons will be a Sanford Police captain.

"They will act as board members, but they don't have a vote," she said of the liaisons.

Safety was not one of the problems addressed in HUD's seizure of the authority, but residents did say they felt somewhat safer and most welcomed the paint, roofing and other cosmetic changes that were desperately needed in many apartments.

Not everyone has experienced the progress, however. Linda Dockins has only lived in the authority for a few months. Her apartment has problems, she said, but management keeps telling her to be patient.

"I waited four years to get in here," Dockins said. Her floor needs repair, there is loose tile and her door is not secure well, she said.

"The only reason I stayed is because they told me to have patience," she said just before meeting Mica on his tour. She said Tua came personally to

ask her to hold on and changes would take place.

Dockins praised Board member Barbara Green, who organizes monthly activities for more than 200 young people in the projects.

Serving with her on the board will be Leo Girard, Bernard Mitchell, Sylvester Chang and Oscar Redden.

Kuhn said issues brought by residents will be addressed in a more immediate way than before. The transition back to the city should be fully realized within the next two weeks.

Right now, according to Tua, the authority has a 97 percent occupancy, but a waiting list of 348 people.

There are still deficiencies, and Tua and others acknowledged that aspect. More day care is needed as well as more activities for young people and education for residents.

"This should be a place where any of us would be happy to have any of our family here," Mica said.

Girard told reporters that he had a decision to make: Should he just complain about the problems, or try to be part of the solution. That led him to a spot on the new Board for the authority.

Click It or ticket this holiday season

SANFORD — Florida's Click It or Ticket campaign brings attention to the needless deaths that occur on our roadways each year during the Thanksgiving holiday because motorists fail to use their safety belts.

The Seminole County Sheriff's Office is joining law

enforcement across the state in an effort to save lives this holiday season by reminding everyone to buckle up. This traffic safety initiative will run from Nov. 18 through 30, to include the busy Thanksgiving holiday travel period.

The Thanksgiving holiday period is one of the heaviest traveled times across the United States. The result is a significant increase in traffic crashes. Last year in Florida alone, during the same time period as this year's campaign, 77 people died in motor vehicle related crashes and over half of those fatalities

were not using their safety belts.

Too many people are being killed in traffic crashes because they just didn't take a few seconds to put on their safety belt, said Lt. Pete Ketting, traffic safety coordinator for the Seminole County Sheriff's Office. Children and young adults learn best by example, he added, and everyone needs to make sure they set the right example.

The Click It or Ticket enforcement and education campaign sends a message that safety belts and child safety seats when used properly save lives.

OVIEDO BABE RUTH TOURNAMENT

Oviedo Babe Ruth Baseball and Softball will be holding its 7th Annual Holiday Classic, December 8-11.

The entry fee is \$250 per team and each age division (League Age ... defined as your age on May 1, 2006). Rookie: Machine Pitch (7-8 year old); Minor (9-10 year old); Major (11-12 year old); and Prep (13-15 year old) is limited to the first eight teams to submit the entrance fee.

The event will be either a Double Elimination or Pool Play Tournament (dependent on the # of teams). Each Team is guaranteed a minimum of three games (and probably more). Champions and Runner-Up teams in each division will receive trophies.

Teams are selected to participate on a first come, first reserved basis. Your entrance fee is what will reserve your place in the tournament. Rosters can be turned in later (12-15 players per team). Deadline for submission of entry fee is November 19.

All players participating must be on a 2005 Fall League Babe Ruth League Roster. This can be an All-Star team from your league or you can mix players from different teams from within a league any way you want.

Games start on Friday night typically (maybe Thursday for local teams), but teams traveling from the farthest distance will be scheduled for games beginning on Saturday if at all possible. Games will be limited to two per day (weather permitting) and Championship games are scheduled for Sunday.

Rams girls win 1A State Volleyball title

By Dean Smith
Herald Staff

Orangewood Christian capped off a great season on Friday by sweeping past two-time defending State Champion Bayshore Christian to claim the Class 1A State Championship at the 2005 FHSAA Girls Volleyball Finals at The Lakeland Center.

The Rams got a big scare in the semifinals on Thursday as they raced out to a 2-0 lead over St. John Lutheran (24-5), but then saw that lead slip away as their Ocala-based rivals battled back to even

the match at 2-2 and force a winner-take-all fifth game.

Fortunately for Orangewood Christian, the girls were able to right the ship in time and rolled into the finals by the scores of 25-20, 25-13, 21-

25, 21-25 and 15-9.

Leading the way for the Rams were Blair Muller with 58 assists and three service aces, Ria Varnell with 23 kills, seven digs and four service aces, Meg Weathersby with 21 kills, 18 digs and

two service aces, Jessie Jakes with 18 digs, eight kills and four service aces, Gabby Torrez with 17 digs, Lauren Ziegler with 12 digs and Anne Piekiewicz with nine kills and three digs.

Orangewood Christian was not about to suffer any loss of concentration in Friday's Championship Match as it did on Thursday.

After going extra points to nip Bayshore Christian (22-5), 26-24, in the first game, the Rams took control.

Now it gets tough

Lyman, Lake Brantley face powerhouses in next round

By Dean Smith
Herald Staff

As if the first round wasn't tough enough, the playoffs ratchet up a notch or two this week for the two remaining local teams in the 2005 FHSAA Football Championships.

And it's hard to figure whether Lake Brantley or Lyman has the toughest task.

The Patriots get to play at home, but they must face an Edgewater team that has finished second in the state the past three years.

Lake Brantley has an even added reason to get past the Eagles as it had Edgewater on the ropes in last year's regionals before letting the lead slip away late.

The Eagles are playing with a vengeance of their own as they were ranked No. 1 in the state in Class 6A before losing to Winter Park the second to last game of the season, sending Edgewater on the road throughout the playoffs.

The team responded to the loss by upsetting the new No. 1 team, East Ridge, which clobbered Lake Brantley the final week of the regular season, last Friday in overtime in Clermont.

Game time is set for 7:30 p.m. this Friday at Tom Storey Field.

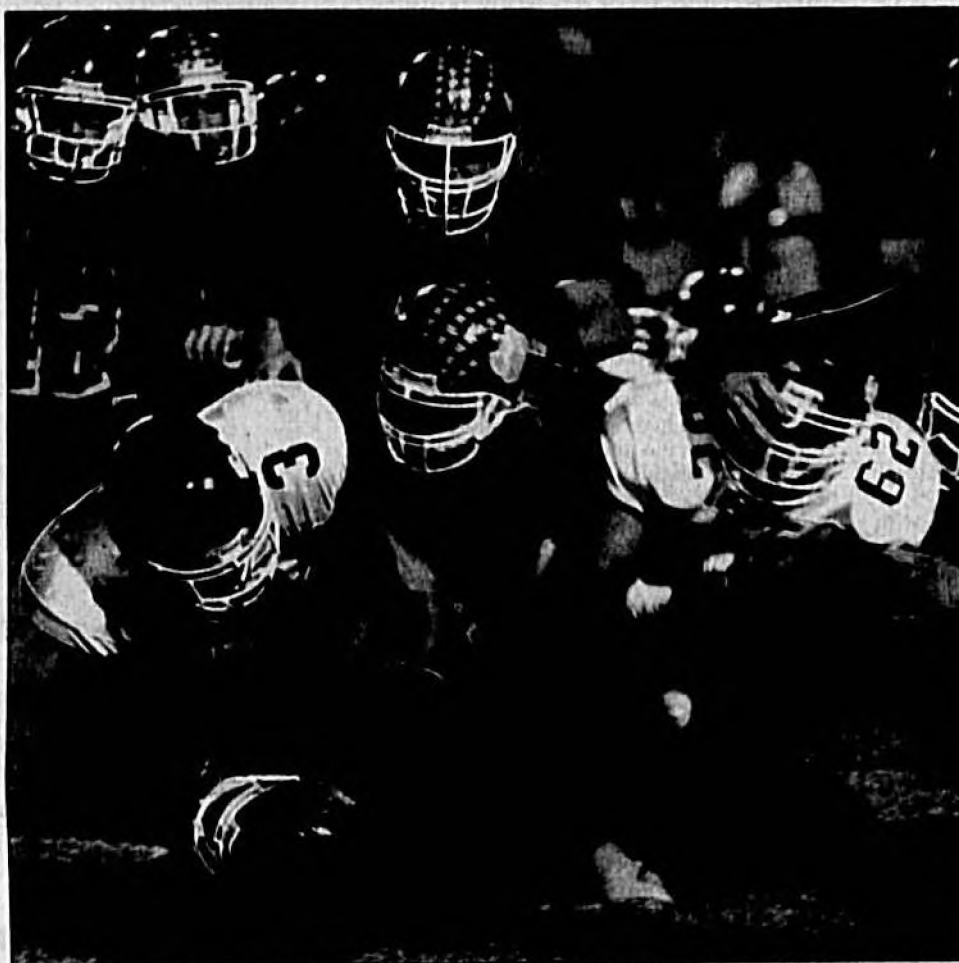

Lyman, meanwhile, overcame a horrible first half to knock off Melbourne, 21-14, in overtime.

In fact, the Greyhounds did not get into Melbourne territory until the third quarter and were held scoreless until the fourth quarter.

The Bulldogs (4-7) took a 14-0 lead at halftime on a pair of one-yard runs by quarterback Keith Jennings.

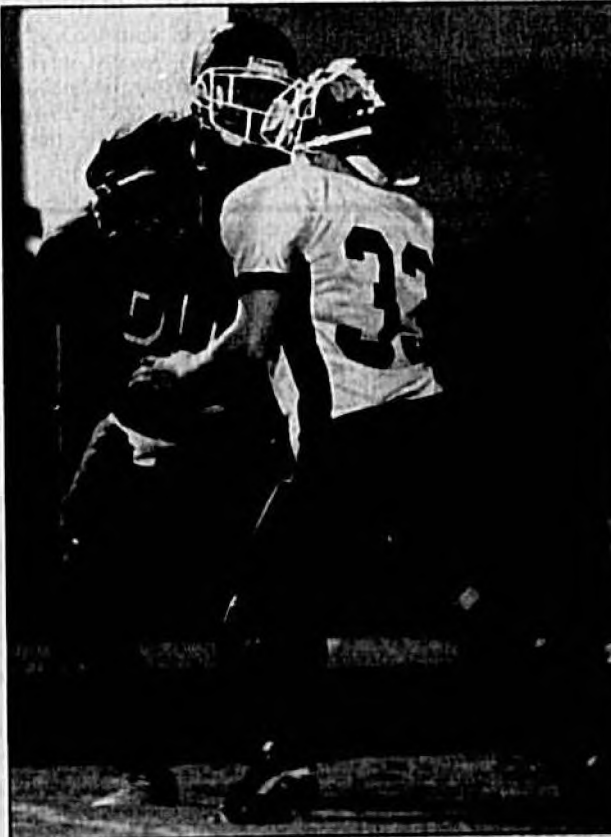

But the Lyman defense, which has been the team's strength all season, came on strong to shut down the visitors the remainder of the game.

See Football, Page 2B

Herald photos by Jim Wentz

The Lyman defense (top) came up big over the final half of the game and overtime as the Greyhounds rallied to win their first-ever football playoff game with a 21-14 overtime victory over Melbourne High School in a Class 5A-Region 1 Quarterfinal at the Carlton D. Henley Sports Complex last Friday night. Lyman rallied with two fourth quarter touchdown passes, both caught by senior Ryan Fleming (No. 80, blue uniform, right), to tie the game at 14-14, and then David Muniz, who threw the tying touchdown pass on a halfback option, scored what proved to be the game-winning touchdown on a six-yard run. The Greyhound defense made the lead stand up, stuffing a reverse on a fourth-and-goal from the seven to give the hosts the win. Lyman will travel to Niceville this Friday for a 7:30 p.m. Class 5A-Region 1 Semifinal.

UCF rallies past UAB, 27-21

Special to the Herald

Matt Prater kicked two field goals in the last five minutes to raise UCF to a 27-21 victory over UAB on Saturday at Legion Field in Birmingham.

UCF (7-3, 6-1 Conference USA) took advantage of four UAB turnovers in the fourth quarter.

UAB (4-5, 2-4) led 21-13 entering the fourth quarter, but on the third play, UCF's Travontil Johnson intercepted a Darrell Hackney pass and returned it 19 yards to the UAB 31.

Three plays later, Jason Peters ran 14 yards off tackle for a touchdown to bring UCF within two points. The Golden Knights went for a 2-point conversion and made it on a pass from Steven Moffett to Mike Walker, tying the game 21-21.

UAB drove to midfield on its next drive, but Hackney fumbled the snap in shotgun formation and UCF's Glenroy Watkins recovered at the Blazer's 41-yard line. UCF drove to the UAB 8, where the drive stalled. But Prater kicked a 25 yard field goal to give the Golden Knights a 24-21 lead with 5:31 left to play.

On the first play of UAB's next possession, Hackney completed a 15-yard pass over the middle to Chico Cleveland, but the tight end

fumbled when he was hit. UCF's Ronnell Sandy recovered at the UAB 44. A personal foul penalty against UAB moved the ball to the 29. UCF couldn't move the ball and Prater's 48-yard field goal attempt missed, giving UAB another chance.

But a Hackney pass was intercepted by Joe Burnett, who returned it 27 yards to the UAB 22. Five runs by Kevin Smith took the ball to the UAB six. On fourth down, Prater kicked a 23-yard field goal to give UCF the 27-21 lead with 50 seconds remaining.

Peters rushed for 84 yards and Smith had 67 yards.

Moffett completed 15-of-24 passes for 183 yards for UCF, which posted 358 offensive yards. Walker had 71 yards on four carries.

Marculus Elliott, who tied the game 7-7 in the second half on a 22-yard run, rushed for 116 yards.

Hackney completed 20-of-39 passes for 240 yards for the Blazers, who finished with 430 yards of offense.

After losing its first two games of the season, the resurgent UCF Golden Knights (7-3) look for their eighth win in nine games this weekend in

UCF senior place-kicker Matt Prater was named Conference USA Special Teams Player of the Week after kicking two field goals in the final five minutes, breaking a 21-21 tie, and tied a school record with four field goals in UCF's 27-21 victory over UAB Saturday at Legion Field in Birmingham.

County places well in Cross Country

Seminole County may not have had any state champions in cross country this season, but it was a good state meet for locals anyway in the 2005 FHSAA Cross Country State Meet at Little Everglades Ranch in Dade City this past Saturday.

Lake Brantley junior Amanda Hintze finished third in the Class 4A Girls' race, leading the Patriots to a seventh place team finish.

On the boys' side, Lyman junior Robert Saltzman was county best fourth as the Greyhounds wound up fifth in the team race.

The best team finish for the county was the Trinity Prep boys, which came home third in Class 1A behind a seventh place finish by freshman Ranley Gousse.

The Crooms Academy boys also had a good meet as junior Matthew Debrew ran 30th as the Panthers placed 14th as a team in Class 1A.

The Trinity Prep girls, led by a 15th place run by eighth-grader Chelsi Woodruff, came home sixth.

In Class 3A, Lake Howell finished 16th in the boys' race with junior Jonathon Suiter placing 45th, and the Silver Hawks girls were 23rd with freshman Daniels Cell finishing 93rd.

This Friday and Saturday Seminole County will be quite well represented when the 2005 FHSAA Swimming & Diving Finals are held in Fort Lauderdale.

Having been assured by convention and visitors bureau officials that hotel accommodations won't be a problem, the FHSAA office announced last week that the 2005 FHSAA Swimming & Diving Finals state championship meet will be held at the Fort Lauderdale Aquatic Complex as originally planned.

The two-day meet will be held Friday and Saturday, Nov. 18-19. Swimming preliminaries and boys diving competition in all three classifications will be held on Friday. Swimming

Make way for manatees

Special to the Herald

Florida manatees are on the move, seeking warmwater sites to spend the winter. The Florida Fish and Wildlife Conservation Commission (FWC) appealed to boaters today to be especially cautious to look out for manatees and be alert to changing speed zones on waterways.

Manatees generally start traveling to warm water when the air temperature drops below 50 degrees or when the water temperature dips to 68 degrees. The FWC changes seasonal speed zone signs on many waterways to accommodate manatee migration.

The FWC said boaters should scan the water near, and in front of, their vessels for swirls resembling large footprints, a repetitive line of half-moon swirls, a mud trail or manatee snouts or tails breaking the surface.

Kipp Frohlich, leader of FWC's Imperiled Species

Management Section, said boaters can help manatees have a safe migration by:

- * Staying in marked channels,
- * Wearing polarized sunglasses to improve vision,
- * Abiding by posted boat speed zones,
- * Using poles, paddles or trolling motors when in close proximity to manatees, and
- * Having someone aboard to scan the water for signs of manatees while their vessels are under way.

"If you think you see a manatee, give it plenty of room, because it may not be alone. It may have a calf or be traveling with other manatees," Frohlich said.

For more information about manatees, visit MyFWC.com/manatee.

WINTER BOAT SPEED ZONE CHANGES BY COUNTY (MANATEE-RELATED)
Brevard County:
 Nov. 15 - March 31

* No Entry and Motorboats Prohibited - North Indian River area around discharge canals of the Reliant Corp. Power Plant and Florida Power and Light Frontenac Power Plant.

* Idle Speed - West of Intracoastal Waterway (ICW) in general vicinity of power plants.

Volusia County:
 Sept. 1 - March 31
 * 25 MPH - Portions of the Tomoka River and Spruce Creek.

Oct. 15 - April 15
 * Motorboats Prohibited - Blue Spring Run.

* Slow Speed - St. Johns River, south of Lake Beresford to Channel Marker 67.

The Greyhounds (8-2) finally got on the board with just 9:22 left in the game when quarterback Chris Bridgman threw a 27-yard pass to senior Ryan Fleming.

Lyman then reached into its bag of tricks when star running back David Muniz took a pitch from Bridgman and hurled a 25-yard touchdown pass, again to Fleming, to tie the game at 14-14 with 1:31 left.

Muniz then did what he does best in overtime, running the ball in from the six on second down and the Greyhounds took their first lead of the game when kicker Nick Basquill-White nalled the extra point to put the hosts up, 21-14.

Lyman's defense then did the job, forcing two incomplete passes and a three-yard run to leave Melbourne with a fourth-and-goal from the seven.

The Bulldogs tried to fool the defense with a reverse, but the Greyhounds were ready and stacked up the play after just a two-yard gain, giving Lyman its first-ever playoff victory.

Despite the victory, the Greyhounds will have to hit the road to face Class 5A-District 1 champion Niceville (9-1), which romped past Jacksonville-Ed White (7-4), 31-7, last Friday. Game time in the panhandle is also set for 7:30 p.m.

Winter Springs (6-5) very nearly gave the Seminole Athletic Conference a sweep on the opening night of the playoffs as they rallied to tie its game with Flagler Palm Coast in Bunnell before falling, 22-13.

The Bears were stymied most of the night on offense as quarterback Taylor Salem was sacked 10 times and the locals did not have a first down for almost three quarters of the game.

Still, Winter Springs had tied the game at 7-7 at halftime when Salem hit Ashuwa Richardson with a screen pass and the senior running back raced 41 yards for the score.

The host Bulldogs, who have now won nine games in a row to get to 9-2 on the season, regained the lead early in the fourth quarter, but the Bears never quit and finally got something going in the final minutes, driving 87 yards on 12 plays with Tim Boykins going the final six yards to tie the game at 13-13.

But the visitors missed the chance to take the lead with only 1:55 left when the extra point kick was blocked.

Flagler Palm Coast then moved the length of the field with C.J. Johnson catching a 35-yard touchdown pass from Tory Thompson with only 22 seconds left to all but seal the win.

The Bears tried to come back again, but Salem was sacked in the end zone for a safety.

romping past the two-time champs from Tampa, 25-12 and 25-16, to earn their first state title.

Pacing the champs, who end the season with a 30-1 record, were Muller with 31 assists and 11 digs, Weathersby with 16 kills and 19 digs, Varnell with nine kills, four service aces and four digs, Jakes with seven kills, two serving aces and six digs, Pietkiewicz with nine kills and nine digs, Torrez with 10 digs and Emily Rush with eight digs.

Other members of the Orangewood Christian squad were Laura Childers, Lizzie Rabon, Taylor Folkes, Shannon Walsh, Shannon Soulard, Amanda Earil and Chelsea Pittman.

Seminole County's other entrant at State, Lake Howell, gave it a real tough fight in its Class 5A semifinal, but the Silver Hawks fell in straight games to Lawton Chiles High School from Tallahassee.

The first two games were extremely close, with Chiles

winning, 25-22 and 26-24, but the third and final game went pretty-much Chiles' way as it won, 25-16.

Leading the Silver Hawks' attack were Ruthie King with seven kills, 19 digs and three service aces, Vicky Hilbert with 12 assists and six digs, Autumn Thomas with five kills and 13 digs, Whitney Welborn with seven assists and 19 digs and Brittainy Dalgier with eight kills.

Other members of the Lake Howell team were Molly Maykut, Kelley Lucanegro, Sarah Harris, Sarah Lucanegro, Kate Burrows, Allison Waters and Ashley Olving.

Lake Howell ends the season with a 24-7 record, while Chiles, which lost the final on Friday to Venice (25-7), 25-18, 25-11 and 25-11, finishes the season with a 28-4 mark.

SCC men at home Friday

Houston against Rice. With Southern Mississippi's loss to Houston this past Saturday, UCF can finish its remarkable run in 2005 with a Conference USA Eastern Division championship with a win over Rice.

The Golden Knights, who earlier in the year ended a 17-game losing streak, have taken Conference USA by storm and sit in first place in the Eastern Division of the league with a 6-1 mark.

This weekend's game will be televised on the CSTV All-Access package. Detailed broadcast information will be released later this week by CSTV.

PRATER NAMED C-USA SPECIAL TEAMS PLAYER OF THE WEEK

UCF senior place-kicker Matt Prater was named Conference USA Special Teams Player of the Week, the league office announced Monday. Prater tied a school record with four field goals in UCF's 27-21 victory over UAB Saturday at Legion Field in Birmingham.

Prater's big day started with a 47-yard field goal to end the first half, giving UCF a 10-7 lead at the break.

He booted a 36-yard field goal to cut UAB's lead to 21-13 in the third quarter. In the fourth quarter with the score tied at 21, Prater kicked a 25-yard field goal with 5:31 left to give UCF the lead for good. He added a 23-yard field goal with 50 seconds remaining in the game to lift UCF to the 27-21 win.

His four field goals tied a career-high and placed him with four other kickers for the top spot in UCF history for made field goals in a game.

STETSON TO FACE USF IN 2005 NCAA MEN'S SOCCER REGIONAL

Stetson will face in-state rival USF in the 2005 Division I Men's Soccer NCAA Tournament First Round Friday in Tampa at 7:30 p.m.

The Hatters (9-10-1) earned an automatic bid after claiming the 2005 Atlantic Sun Conference Championship title with 2-1 win against top-seeded Campbell Saturday in Macon, Ga.

Stetson will be making its first-ever NCAA Tournament appearance.

"Winning the conference tournament for the first time in school history is a huge step for the team, so they are very confident and very excited about going to the NCAA Tournament," said head coach Sean Murphy. "We are going to bring a lot of emotion into the game and the guys will definitely put up a fight."

After getting off to a 1-7 start the Hatters turned things around by finishing up the second half of the season 8-3-1 including a 1-2 overtime loss against the Bulls and two victories in the A-Sun Championship.

The winner of Friday's game will go on to play 13th-seeded Virginia next Tuesday.

UCF WOMEN'S BASKETBALL TO OPEN SEASON FRIDAY

After winning three consecutive Atlantic Sun Conference Championships, the UCF women's basketball team steps onto the national stage with the move to Conference USA. The Golden Knights are ready for the challenge.

"This team has a tremendous amount of chemistry," said two-time Atlantic Sun Coach of the Year Gail Striegler, who is in her seventh year at the helm. "We have an interesting mix of flashy and blue-collar players. They all just want to be a part of this team and will do whatever it takes to win because they feel like they have something to prove."

The Golden Knights open the season this Friday by hosting the UCF Golden Knights Classic at the UCF Arena.

The opening game holds interest for local fans as former Seminole Community College All-America Yelena Leuchanka will be playing center for the University of West Virginia, which will be taking on the University of Texas at San Antonio starting at 3:30 p.m.

UCF, with new assistant coach Lauren Bradley, the former star player at Lake Mary High School, making her major college coaching debut and for-

mer Lyman standout Celeste Hudson playing a lead role for the Golden Knights, will then host FAMU at 5:30 p.m.

Those two games will be followed by a men's game between UCF and longtime cross-town rival Rollins starting at 8 p.m.

On Saturday, the UCF Golden Knights Classic will conclude with FAMU taking on UT-San Antonio at 4 p.m. and UCF facing West Virginia at 6 p.m.

BACKCOURT

The Golden Knight backcourt is experienced in both directing plays and sinking baskets. At the top of the key are seniors Shayla Smith and LaShay King, who have logged time in more than 150 games over the past three years. Smith earned the starting point guard role as a freshman and has continued to improve her outside shooting, which enables her to be a versatile offensive threat. She has secured spots in UCF's record books in both three-point shooting and assist categories.

Although King has been known for her work at the point thanks to her passing and creative playmaking skills, this year her shooting will enable the Golden Knights to have more flexibility in the lineup.

Junior Lashaunda Slade enjoyed a spectacular sophomore year as she started 19 of the 29 contests at the point. The coaching staff expects that she will continue to improve and provide even more leadership on the court.

On the wings, the Golden Knights will rely on proven shooting of senior Celeste Hudson and junior Francine Houston. Hudson, a Lyman High School graduate and the 2005 Atlantic Sun Defensive Player of the Year, is talented on both ends of the court and a formidable threat behind the arc. She is the UCF record holder for most treys made (157) and attempted (429), while she is ranked third all-time in the school record books with a .366 shooting percentage from three-point range.

Although Hudson missed the final three contests of the season due to injury and was sidelined by rehabilitation during the summer, Striegler knows she will return to full strength by the season opener.

"Celeste can do it all," said Striegler. "She can take it to the rack and knock down the outside shot. She is a great passer as well as one of our best defensive players."

Houston, meanwhile, added some versatility to her arsenal and improved upon her ball-handling and defensive skills in the off-season. She was second on the team behind Hudson in three-point shooting in 2004-05 as she hit 53-of-162 shots (.327). Her new skills will enable her to be even more effective on the court.

"We have two reliable outside shooters in Celeste and Francine, but I don't think anyone can say we are purely an outside shooting team," said Striegler. "If they are defending our shooting guards, we'll have to work the ball inside. The key to a successful offense is to keep opponents guessing."

Hudson could also see some time at small forward along with fellow senior Shelby Weber and junior Keunta Miles. Weber enjoyed a breakout year in 2004-05 as she started 28 of the 29 contests. She is a versatile player, who will see time at the No. 3 spot or the post.

Seeing action in all 29 games a year ago, Miles provides even more depth at that position when she isn't playing in the paint.

Sophomore Amber Long, who redshirted last season after transferring from LSU, has the opportunity to prove herself and will most likely fit at the No. 2 or No. 3 position. Striegler calls Long "an intriguing player."

POST
Down low, the Golden Knights have several newcomers in addition to veterans like Weber and Miles that will be challenging one another for starting roles.

Meanwhile, sophomore Courtney Stroud has worked to return to game shape after being sidelined by injury for the past two seasons. Her physical play under the basket will be a real asset to the team.

Elizabeth Fieser comes to Orlando from Dodge City Community College. At 6-1, her skills allow her to play against players who might be larger than her.

The other transfer is junior Juliana Comes from Eastern Oklahoma State College. An extremely hard worker and very fundamental on defense, she will prove to be an asset as a defensive stopper in the paint.

Rookies Jackie Akers and Courtney Chesher also give the Golden Knights some options. Akers is a well-rounded, coachable player. Not only does she give UCF versatility thanks to her jump shot and her ability under the basket, but she also provides the team with formidable defensive skills as well.

The ERP application is for construction of a surface water management system for a 43.05-acre, commercial development known as Winter Springs Town Center, Phase II. The receiving waterbody is Lake Jessup.

Kimley-Horn & Associates, Inc., 3550 Maguire Blvd., Suite 200, Orlando, FL 32803, application #4-117-98874-1. The project is located in Seminole County, Section 31, Township 19 South, Range 30 East. The ERP application is for construction of a surface water management system for a 27.18-acre, residential development known as Grande Oaks. The receiving waterbody is an unnamed lake.

City of Sanford, P.O. Box 1788, Sanford, FL 32772, application #4-117-22367-10. The project is located in Seminole County, Sections 25, 34 & 36, Township 19 South, Range 30 East. The ERP application is for modification to the previously issued surface water management permit for the construction and operation of a 10.97-acre retrofit improvement project known as Cloud Branch Drainage Improvements, Phase 2. The receiving waterbody is Lake Monroe.

The file(s) containing each of the above-listed application(s) are available for inspection Monday through Friday except for legal holidays, 9:00 a.m. to 5:00 p.m. at the St. Johns River Water Management District Headquarters or the appropriate Service Center. The District will take action on each permit application listed above unless a petition for an administrative proceeding (hearing) is filed pursuant to the provisions of Sections 120.569 and 120.57, Florida Statutes Chapter 28-106 and 40C-1.1007, Florida Administrative Code (F.A.C.).

A person whose substantial interests are affected by any of the District's proposed permitting decisions identified above may petition for administrative hearing in accordance with Sections 120.569 and 120.57, F.S., or all parties may reach a written agreement on mediation as an alternative remedy under Section 120.573, F.S. Choosing mediation will not adversely affect the right to a hearing if mediation does not result in a settlement. The procedures for pursuing mediation are set forth in Section 120.573, F.S., and Rules 28-106.111 and 28-106.401-405, F.A.C. Petitions must comply with the requirements of Florida Administrative Code, Chapter 28-106 and be filed with (received by) the District Clerk, located at District Headquarters, 4049 Reid Street, Palatka, Florida 32177.

Petitions for administrative hearing on the above application(s) must be filed within twenty-one (21) days of publication of the notice or within twenty-six (26) days of the District depositing the notice of intent in the mail for those persons to whom the District mails actual notice. Failure to file a petition within this time period shall constitute a waiver of any right such person may have to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., concerning the subject permit application. Petitions which are not filed in accordance with the above provisions are subject to dismissal.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the District's final action may be different from the position taken by it in this notice of intent. Persons whose substantial interests will be affected by any such final decision of the District on the application have the right to become a party to the proceeding, in accordance with the requirements set forth above.

 finals and girls diving competition in all three classifications will be held on Saturday. A revised competition schedule will be announced next week. Participants in all three classifications, however, must plan on being at the facility on Friday morning for preliminary swimming.

"It has always been our first preference to keep the meet in Fort Lauderdale," said Commissioner John A. Stewart. "We were very excited to receive word today that ample lodging will be available for participants and spectators in the area."

"I also want to commend and extend thanks on behalf of the Association to the other facilities and groups that stepped forward and offered to host the event should it need to be moved."

To check on Seminole County swimmers that have qualified for the state meet, go to www.FHSAA.org and follow the links.

The Greater Fort Lauderdale Convention and Visitors Bureau has set up a special phone line for participants and spectators to call to make hotel reservations. The number is 1-800-356-1662 extension 2455. The line will be activated between 8 a.m. and 5 p.m. daily beginning Monday, Nov. 7. It is highly recommended that individuals wait until Monday and use the special phone line, and not attempt to directly contact hotels for reservations.
