

Congress Gets FDR's Proposed Health Project

(Continued From Page One)

Despite the committee's action, administration leaders said they had hoped the senate would vote the amount asked by the President. In that case, the actual appropriation probably would be determined by a compromise committee of senators and house members.

Senator Wagner, Democrat, New York, asserted the bill as reported out "would do more than bring misery and privation to millions of American citizens—it would seriously threaten our entire recovery movement."

Abandonment of the relief and recovery program voted by the last congress to stem the business recession which began in 1927, Wagner said, "would be a form of national economic suicide."

He said the relief sum asked by the President contemplated a net reduction of 400,000 in WPA employment by June and was "based on the most optimistic estimates of business revival."

The estimate assumed, Wagner added, that private industry would absorb 1,500,000 of the persons unemployed in the next five months.

Golfers Seek More Funds To Maintain Course Of 18 Holes

(Continued From Page One)

Herbert E. B. Smith, I. F. Boyle, John Laidlaw, H. M. Grimsball, F. A. Drie, A. W. Epps, H. H. Meyers, Homer Little, Dr. S. Tolson, George Gormly, E. Campbell, A. C. McReynolds, J. D. Ivey, Andrew Carraway, J. W. Allison, and Carrall Dall.

Also Mrs. C. H. Eckerson, Mrs. Otto Caldwell, Mrs. Roy Symes, Mrs. E. Conpton, Miss Nancy White, Miss Rebecca Stevens, Mrs. J. D. Ivey, Mrs. Madge Cunningham, Mrs. T. R. Archibald, Mrs. Mary Rawlins, Miss Doris Walker, Mrs. E. B. Smith, Mrs. W. R. Dypson, Mrs. J. N. Toler, and Miss Lillian Dunlap.

Out of town players were C. A. Willard, Willard Henry, E. F. Wilson, Chas. R. Williams, Frank M. Gannon, Charlie E. Williams, Haley Clark, Jack Williams, and Charles Rhinehart of Orlando; A. C. Miller of Winston Salem, N. C.; Mr. and Mrs. Jack Aycock of Jacksonville; E. E. Sykes, of Belle Center, O.; D. E. Barrowman of Marion, O.; C. E. Gormly of Jacksonville; P. L. Axt of Bloomfield, N. J.; Mr. and Mrs. J. N. McKenzie, of Boston; M. Patterson and C. J. Selby of Winter Park; J. L. Jackson and J. Bennett of Orlando; Jack Billingham and D. H. Crawford of Winter Park; R. C. Blal of Orlando; and Mrs. E. W. Correy of Boston.

Grapefruit Price Harmony Sought By Florida, Texas

(Continued From Page One)

Texas the price has been set at \$10 a ton for white grapefruit, \$18 for pink seedless and \$3.50 for fruit sold to the cannery.

Many Florida growers shut down following the establishment of the minimum on Friday, saying they could not compete with the lower Texas minimum.

The United States each year produces 165,142,000 pounds of milk, equivalent to approximately a quart a day for each man, woman and child.

New Fast Freight Service Is Begun By ACL Railroad

WILMINGTON, N. C., Jan. 23.—A new, fast southbound freight service which enables 32 hours arrival time here than its previous freight service from the North to Sanford was announced by the Atlantic Coast Line Railroad as having just gone into effect.

Previously a car of freight leaving New York Monday, for example, was due to arrive in Sanford at 9:40 A. M. on Friday. Under the new schedule freight will speed southward so that a car leaving New York Monday will arrive in Sanford at 1:30 A. M. on Thursday. Freight deliveries to other points reached by the Atlantic Coast Line Railroad and its connections will be similarly expedited. This new fast freight service, it is claimed, will prove of large value over a wide territory to those receivers to whom rapidity of freight movement is of primary importance.

The new service is a companion one to the already existing very fast northbound freight service earlier inaugurated by the Atlantic Coast Line Railroad, and maintained most successfully, which is said to aid greatly the successful marketing in the North of products of this section requiring speedy transport.

Those very fast freight schedules, it is said, are the outgrowth of a progressive endeavor to meet the business needs of the territory the Atlantic Coast Line Railroad serves. Rock ballasted, heavy-rail double tracking, automatic signals and train control, modern power and improved equipment, it is said, now make such rapid transportation possible with a degree of safety earlier unattainable at much slower speed.

Americans To Be Evacuated From Barcelona

(Continued From Page One)

their drive into the China interior.

HENDAYE, Franco-Spanish Frontiers, Jan. 23.—(AP)—Men and women last night worked feverishly on concrete gun pits and barricades in Barcelona's streets preparing to fight it out with rebel columns moving upon the town of Martorell, barely 10 miles from the capital's suburbs.

A Catalanian decree closed all factories and most stores, cafes and business places, with the exception of war industries, and ordered all men under 55 and women from 18 to 40 to report to military authorities for assignments.

General Franco's guns blasting a path into the city filled Barcelona with a constant rumble, drowned out at hourly intervals by his bombers which swept upon the city in relays and took an estimated 100 casualties in 12 days.

Loyalists communiques, which made no effort to minimize the amazing speed of Franco's war machine, said three rebel columns, including Italians, were converging on Martorell, a town of 3500 people perched above the Llobregat river on the main highway to Barcelona from Tarragona.

OVIEDO

With the opening of processing plants for packing of citrus and celery in Oviedo, this Seminole County town is experiencing its usual seasonal pickup in business.

Already the Lake Chirm Fruit Company and the Nelson Company packing house are operating full-time while Duda and Sons, the Florida Precooling Company and the Lake Chirm Precooling Company handling increasing amounts of celery which is resulting in increased employment.

In addition, the setting of lite celery has added more workers to the weekly payroll and at present it seems that all those desiring jobs have them.

Painters are putting the finishing touches on the new home of J. E. Partin on North Central Avenue.

Mrs. W. T. Walker, Miss A. A. Red Cone and Miss Lois Rudell were shopping in Orlando Saturday.

Mr. and Mrs. George Jacobs of Chulota were in Oviedo Wednesday.

The Pure Oil advertising plane paid a visit to Oviedo Wednesday, flying over the town for nearly 30 minutes.

Paul Bryant who is connected with the New York Central Railway was seen visiting with friends in Oviedo last Thursday.

E. H. Brown, who is connected with the Seagrave Airline Railway, was in Oviedo on business Thursday.

Lem Wood of Tampa, an officer of the Gulf Fertilizer Company, was in Oviedo Wednesday.

Rylee Henderson of Orlando was in Oviedo Wednesday.

The Atlantic Coast Line Railroad has had a crew of workers in Oviedo clearing away the wreckage of the four box cars which were burned with the adjoining vacant wash house last Wednesday. The crews had to rebuild much of the track since the ties were burned and the rails badly warped.

Among the Methodists who attended the missionary meeting in Sanford this week were Mrs. C. R. Clouty, Mrs. B. F. Wheeler, Mrs. Don Carraway and the Rev. and Mrs. Norton.

The Lions Club Basketball Club has won its two last games. They met the Green Tree Club of Orlando in a game in the Oviedo High School Gym last night.

STATE MARKET REPORT

Daily report of prices of fruits and vegetables at the Sanford State Farmers' Wholesale Market to truckers, cart assemblers and other dealers for a 24 hour period ending at 12:01 A. M. today as reported by J. G. Michael, Manager.

Annual Drive Of C Of C Gets Off To Flying Start

Frank Evans, As General Of Campaign Army, Presides Over 'Kickoff' Breakfast

Program For This Year Is Announced

Leading Citizens Appeal For Unity And Support Of C. Of C.

The annual membership drive of the Seminole County Chamber of Commerce got off to a flying start at a "kick-off breakfast" held at the Valdes Hotel this morning when a list of ten major projects for the coming year was presented to the members of the campaign army and a number of appeals for greater co-operation among the citizenry and less factionalism was voiced by prominent business and professional men.

SPEEDS TO HITLER

Municipal League Resolutions Are Endorsed By City

Mayor Says City Funds Not Available For Boat Basin Project

A resolution of the Florida League of Municipalities opposing the levying of income tax on the salaries of city and county employees as well as tax on their bonds, was endorsed by the City Commission at its regular meeting in the City Hall last night.

City News Briefs

The weekly meeting of the Kiwanis Club will be held in the Valdes Hotel at noon tomorrow. Earl Hoy and Jack Smalley are in charge of the program.

City May Take Over Operation Of Golf Course

Dads Discuss Action As Economy Move After Golfers Cite Improvement Needs

Maintenance and operation of the Municipal Golf Course may be placed in the Parks Department of the City under the general supervision of Superintendent of Parks James Moughton, following a study of the situation by a committee composed of Mayor Edward Higgins, and Commissioners George Ruffin and James Gut.

This committee will meet Wednesday afternoon to consider various phases of this plan in an effort to determine whether the City can operate the course more economically than through the Parks Department than through the Sanford Country Club, which took over maintenance and operation of the course after it was abandoned by the City several years ago.

Senate Debates On Cut In FDR's Relief Measure

Adams Says Lower Interest Is For Best Interest Of Citizens

WASHINGTON, Jan. 24.—Sen. Adam (D-Calif.) opened the Senate debate on the \$250,000,000 relief bill today with the assertion that maintenance and propagation had been established in an effort to increase the amount.

Forrest Lake Dies Following Short Illness

Forrest Lake, for many years mayor of Sanford and former member of the Florida Legislature, died in the Fernhill-Loughlin Memorial Hospital shortly before midnight last night following a illness of little more than two weeks.

The celery market is getting off to a better start than it did last year.

We are not deserted by all our friends when times are hard.

The Cleimont Press is that of the opinion that usually it's those men who are hard pressed...

"Don't cash wooden checks for strangers," reads a sign.

The Ocala Star's splendid editorial page got to pushing around a super-abundance of advertising the other day...

Another good thing about the 22 cent minimum price established for Florida grapefruit...

South Florida shares Senator Pepper's charge that we have to depend on Senator Vandenberg of Michigan to represent us.

Seems the tweedledums have a big job ahead—rebuilding the democratic party once it is rescued from its socialistic and Communist captives.

The Sanford Herald expresses the belief that women are much better automobile drivers than men.

Answering reports that the worst season in Florida is lagging, the St. Petersburg Independent says that for the period from Dec. 31 to Jan. 18, there were 1,844 registrations in the Sunshine City...

People often say, "What can I do in my humble way to help Sunshine County grow and prosper?"

The Evils Of Persecution

We are sorry that more people could not have heard the talk by Rabbi Morris Skopp of Orlando before the Sanford Rotary Club Monday noon—a Jew, pleading not for a square deal for Jews, but for the preservation of American ideals and principles...

That there is need in this country for just such an appeal as Rabbi Skopp made may come as something of a shock to some of us who have believed that freedom of worship was so firmly entrenched in our traditions...

Obviously propaganda. The Jews could not possibly have all the money and be communists at one and the same time. Communists are people who do not have money, who want to take it away from those who have.

All of us must realize that it is not the freedom of the Jews alone which is at stake, but the freedom of all of us. As Rabbi Skopp so truly said, the Jews were persecuted first in Germany only because they represented the minority group.

It is inconceivable that such things as have happened in Germany during the past few years could ever happen in this country, or in any democratic country, but if it ever should, it would not be the Jews who would suffer most, but the rest of us, who would find that in turning ourselves into bigots, thieves, and murderers...

After all, what would you rather be, one who has been murdered, or a murderer, one who has been robbed, or a thief, the persecuted, or the persecutor...

It is not the Jews who are to be most pitied in Germany, but the Nazis. And so it is in this country. It is not the Jews who are hurt the most by the slanderous lies circulated about them, but those who help to spread such malicious propaganda.

Un-Armed Police

It may come as somewhat of a surprise to most Americans to learn that British police officers do not ordinarily carry guns. This information was revealed the other day after a series of mysterious bombings...

"I have been a traditional boast of Britishers that their police carried no lethal weapons, the justifiable implication being that the populace had too great a respect for law to make necessary the arming of its guardians."

"To be sure, the occasion for it is the recent series of bombings laid to Irish extremists, whose inspiration to lawlessness is older than the madness that has gripped a large part of the Continent."

"In any event, one must view with dismay their effect on that feeling of public security and good will in Great Britain typified by its unarmed police."

How many more of its time-honored institutions must give way to the new fear that stalks the earth?

Claims That Foxes Are Aid To Farmers

ST. PAUL.—(AP)—Winter eating habits of foxes are more beneficial than harmful to farmers, said Donald M. Hatfield, University of Minnesota Entomologist, after a study of the animals.

The university conducted its research because sportsmen and game wardens contended that foxes were responsible for a decline in pheasant population.

The contents of 92 foxes' stomachs showed that but four to six percent of the bulk was pheasant material.

RAYMOND DUVALL, 30-year-old alleged Indianapolis, Ind., bandit-killer, who sought obscurity in the role of a country dairy farmer, probably will be returned to that city for trial.

MEMPHIS, Tenn.—(AP)—The American Academy of Orthopedic Surgeons will hold its 1940 convention in Boston, Jan. 13-18.

Total of 1,076 lobster traps were lost by Shelburne county fishermen in a gale which swept the Nova Scotia coast in December.

Heart Disease Leads As Cause Of Death

CHICAGO.—(AP)—Heart disease was shown by Chicago board of health statistics to have caused nearly one-third of all deaths in this city during 1938.

The stress of modern living, worry and improper diets are some of the leading causes blamed for the trouble.

EVANSVILLE, Ind.—(AP)—A local organization (Goodwill Industries, Inc.) dealing in scrap iron refused to sell the commodity to a Cleveland, O. company at double the prevailing price because the metal was to be forwarded to a foreign munitions maker.

REFUSES BIG METAL DEAL

Further, both the Army and Navy have known for years that they have had to pay heavily in overhead charges, because of the limited number of each design of plane they could buy.

President's program calls for buying larger numbers of each type.

Further, both the Army and Navy have known for years that they have had to pay heavily in overhead charges, because of the limited number of each design of plane they could buy.

ANOTHER MUZZLE

Mass Production Would Materially Reduce Cost of Planes For Army

By PRESTON GROVER WASHINGTON, Jan. 24.—(AP) In his national defense message to Congress, the President asked \$300,000,000 to buy 3,000 airplanes for the Army...

These figures apparently are the basis for the estimate in his message reading: "This (\$300,000,000) should provide a minimum increase of 3,000 planes, but it is hoped that orders placed on such a large scale will materially reduce the unit cost and actually provide many more planes."

Old line aviators are simply horrified at some of the innovations proposed in mass production. They have been attuned to fancy work craft with every part polished and finished in chromium and hand tested for perfection.

Reports coming in to government sources from Germany have indicated that the Nazi plane manufacturers long ago gave up such perfection of detail.

The same reports say that German planes are being built for small men. Big men can't get into the closely fitted cockpits of their fighting planes.

Yankee designers for several years have made the cockpit lit tight, but there has yet been no intimation that light-weight and featherweight fighting men were preferred.

But the elimination of unnecessary fittings on parts going into the body of the plane has been advised here in the interest of economy and speed.

Further, both the Army and Navy have known for years that they have had to pay heavily in overhead charges, because of the limited number of each design of plane they could buy.

President's program calls for buying larger numbers of each type. Moreover, just the last year a manufacturer can keep inventing better and better designs.

Civil Service Exams Will Be Held For Jobs

The United States Civil Service Commission has announced open competitive examinations for the positions named below.

Topographic draftsman, and chief, principal, senior, and assistant topographic draftsmen, \$1,620 to \$2,600 a year.

Ocala Wildcats Nose Out Celery Feds 26 - 25 Score

Local Team Leads Until Final Minutes Of Game

Substitute Ocala Center Makes Free Throw With Only 14 Seconds Remaining For Needed Margin

By GLENN GOVOCEK

Leading by a four point margin with only 2-1/2 minutes remaining in the game, over-confidence or the desire for a more impressive victory over the visiting Ocala Wildcats cost Seminole High School's Celery Fed quintet, a 26 to 25 loss to the visiting Northeast Conference foes at a well-lit and hard fought game in the local gym.

The Feds failed to freeze the ball while leading in the final minutes of play as they did against the Daytona Buccaneers last week. During the last two minutes the Wildcats were able to find the basket two times to tie the score 25-25.

With only 14 seconds remaining, Joe McNeil, substitute center for the visitors, made a foul that which proved to be the deciding factor in the game. In a futile attempt to make a marker in the last 10 seconds of play the Feds shot at the basket but it missed and at least 10 attempts were made to bat the ball into the net for a counter. However, the timekeeper's whistle ended the game before the Feds were successful.

The Feds failed to play as good a game against the visitors from Ocala last night as they did against Orlando and Daytona Beach in games last week. Their offensive again refused to click but the locals were able to find the basket on their free throws, making 11 of 16 attempts.

The Feds got off to a poor start and at the end of the opening quarter, the Ocalans were leading by a score of 8 to 4. In the second quarter, however, the locals retaliated by making nine points while allowing the visitors only four in the second frame and at

the half time the Seminoles were leading by a score of 13 to 12 and increased this lead to 23-18 at the end of the third period.

Loss of last night's game hurt the Feds' standings in the conference considerably and in order to take the conference championship another year they must win most of the remaining games on their schedule.

At present the Feds are at the lower end of the conference standings, having played three conference games and lost two of these to their opponents.

Tonight at 8:00 P. M. in the local gym the local exagers will take on the Deland High School quintet in another conference test.

In view of last night's performance the Feds are unpredictable but they should be able to win from the visitors who are about on par with Sanford in the loop standings.

Friday night the team will go to Leesburg for a game with the Yellow Jackets.

King Ruddy Takes Feature Event At Longwood Track

Kids Became Jittery So Called Police

King Ruddy, a three-year-old who has been a hot box contender for the past two seasons, won the feature five-sixteenths of a mile event last night at the Sanford-Orlando Kennel Club in the fast time of 32 2/5th seconds.

King Ruddy broke fast to beat off a challenge from Specky Karl at the first turn and another by Miss Andrews on the backstretch, but had enough left to win by four lengths.

The greyhound trained by J. P. Folienus paid the handsome price of \$18.40 for a \$2 ticket. Second came Acquitted and Miss Andrews was third.

Two other dogs which have been in the money many times but never taking first place finally came through last night. They were Careful Maid, winner of the third event, and Joe's E. who took the seventh. Both paid better than 3 to 1.

The daily double was 2-5 and paid \$89.20. The dogs were Ocean Pearl, who paid the highest price of the evening when she returned \$27.60 for a \$2 win ticket, and Careful Maid who took in the third.

The quinella was 1-5 and paid \$14.40. The dogs were Scotch Lassie and Silver Blade.

FIRST--5-16 mile: time, 32 2/5. Careful Maid, 12.50, 2.50; 4.20; More Mullion, 12.00, 3.00; Sahara, 5.20.

Daily Double, 2-5, paid \$89.20.

FOURTH--5-16 mile: time, 33 3/5. My Request, 12.50, 3.50, 5.50; Alex Pride, 11.50, 4.00; Hasty Jim, 2.00.

FIFTH--Futurity: time, 35. Roaming Widow, 11.50, 2.00, 4.00; Kansas Traffic, 7.50, 2.00; Glen Hook, 2.20.

SIXTH--Futurity: time, 39 1/5. Belt Venture, 16.00, 3.50, 4.20; Baxter Boy, 11.00, 2.40; Dynamo Red, 5.00.

SEVENTH--5-16 mile: time, 35 2/5. Joe's E., 3.00, 2.50, 2.60; Father's Gift, 2.60, 2.20; Lula Bess, 4.00.

EIGHTH--5-16 mile: time, 32 1/5. King Ruddy, 18.40, 2.50, 2.60; Acquitted, 3.40, 2.50; Miss Andrews, 2.20.

NINTH--5-16 mile: time, 33 1/5. Mystic Melody, 9.50, 2.20, 2.60; Suttler, 11.50, 2.20; Miss Ard Na Loch, 2.00.

TENTH--Futurity: time, 35 2/5. Scotch Lassie, 5.10, 3.50, 2.60.

MILWAUKEE, Wis., Jan. 24. — (AP)—Richard Schwacher, 10, was left at home with an older neighbor girl while his parents attended a wrestling match.

About 10:30 P. M. Richard telephoned the police and said: "I'm scared. Won't you send somebody out?"

A squad found every room in the house lighted. Richard and the girl were glancing nervously at rattling windows and doors.

The officers assured the children it was just the wind and left as the Schwachers returned.

Silver Blade, 4.40, 2.00; Weary Sky, 6.60.

Quinella, 1-5, paid \$14.40.

State Department Rejects Nazi Debt Payment Proposal

Hitler Contends Any Payment Made To U. S. Must Depend On Trade Balance

GOP Bloc Unites On Relief Fund

Republicans Join Conservative Demos In WPA Appropriation

WASHINGTON, Jan. 25.—(AP)—The State Department rejected today Germany's contention that any payments she makes on Austrian debts to United States government and citizens must depend on the German-American balance of trade. The department also refused to accept Germany's position that she is not legally responsible for Austria's debts. The debts include a relief obligation to the U. S. government of \$25,000,000 which Germany wanted to put aside on the ground it was a war debt. Senate Republicans united today in an effort to hold the relief appropriation to \$25,000,000. That sum, voted by the House and approved by the Senate Appropriations Committee, is \$100,000,000 less than the amount asked by President Roosevelt to continue WPA until June 30. At a conference today the Re-

'Most Encouraging' Results In C Of C Campaign Reported

Bagwell Says Drive Is Receiving Full Support Of Public

Reports on the results of the annual membership drive of the Seminole County Chamber of Commerce are "most encouraging," Ralph Bagwell, Chamber secretary said today after a report from several of the teams working in the Sanford section. The campaign is certainly being given the support of the public, Mr. Bagwell declared adding that the workers are getting numerous new memberships while almost 100 percent of the old members are readily renewing their memberships. With only a few of the campaign divisions reporting at noon today, the Chamber secretary stated that 104 members have joined the 750 goal had been obtained. This figure was expected to approach the halfway mark with the report of all the divisions. The division of Col. I. F. Hoyle was leading and the team made up of Capt. Walter Hayner, H. James-Gut, Frank Lanson and F. E. Cormac was ahead with a total of 81 memberships to its credit. The team headed by Mrs. E. I. Hoyle reported a 100 percent response from all prospects to date. This team is in the division of Mrs. R. J. Holly. The drive which opened with a "kick-off breakfast" at the Waldorf Hotel yesterday morning will close Saturday.

Woodmen Prepare For District Meet Here Next Tuesday

Final arrangements for a district meeting to be held here Tuesday night were made at the regular meeting of the local camp of Woodmen of the World in the Woodmen Hall last night. Secretary C. C. Collins announced today. During the meeting which was presided over by Consul Commander J. P. McClelland, W. A. Barnett was introduced and given the Protection Degree by the local degree team under the direction of Capt. W. H. Hawkins. Representatives of the camps in this district will convene in the Woodmen Hall for the district meeting next Tuesday night at 7:00 o'clock after which a parade led by the Woodmen of the World Drum and Bugle Corps will be staged through the business district ending at the City Hall where a floor show and dance will be held. Mr. Collins said. The public is cordially invited to attend the dance.

New Badminton Club May Be Formed Soon

After being advised that the membership quota for the first badminton club is filled, at least eight persons expressed a desire to form a new club at a meeting of badminton players in the City Hall last night, according to Recreation Director Gerald L. Ash. Mr. Ash stated that if as many as 12 members could be obtained a new club which would play on Monday and Wednesday night would be formed. There was a large number of spectators at the "Lumber" games on the court in the City Hall.

Two Convicted For Murder Of Kinaman

MARIANNA, Jan. 23.—(AP)—Ralph and Kenneth Water were convicted today of first degree murder with recommendation for hanging for the slaying of Gedy Kinaman, Jan. W. W. Wimer of Lowndes, last June. The verdict came in a session of the state supreme court which heard testimony of 10 witnesses. The state's case was supported by the testimony of 10 witnesses. The state's case was supported by the testimony of 10 witnesses.

City News Briefs

There will be a meeting of the Recreation Committee of the Seminole County Chamber of Commerce in the Chamber Building this afternoon at 5:00 o'clock. Chamber officials announced today. Chairman W. R. McRackon will preside over the meeting. Murray Overstreet and L. F. Hoyle will leave tomorrow for Tallahassee where they have been summoned by Attorney General George C. Gibbs to attend a meeting of all the state attorneys and assistant state attorneys in Florida where matters of interest to be presented to the Legislature will be discussed. Officers and directors of the Rotary Club met last night at the home of H. H. Coleman where light refreshments were served after a short business session. Those present were: President George Rollins, Secretary A. W. Egge, R. W. Ruprecht, James L. Ingle, Martin Bram, H. B. Pope, Paul Stone, R. L. Dean and Mr. Coleman. Next Thursday a group of approximately 25 boys, members of the Baker Chapter of Future Farmers of America, will be the guests of the local farm chapter for the night. The Okaloosa county boys plan to stop over here enroute to the Tampa Fair, according to an announcement by Alex E. Johnson, advisor of the Chapter. Mr. Johnson also stated that about 25 or 30 members of the Seminole Chapter will leave on Saturday, Feb. 4 for the expedition to take part in several of the major contests. The local chapter will enter fighting teams in beef, fruit and vegetables, and poultry. A total of \$1,000 is being offered in prizes for the winners and in addition winners of the poultry judging event will be given a trip to the World Poultry Congress to be held in Cleveland.

CAVALIER'S SURVIVORS

In warm winter clothes, seven of the ten survivors of the Cavalier posed for this group photograph on their arrival in New York. In rear, left to right are: Neil Richardson, first officer; David Williams, steward; Charles Talbot, passenger. Front row, left to right: Mrs. George Ingram, Mrs. Edna Watson, passengers; Captain M. R. Alderson and Radio Officer Patrick Chapman.

Tremor Spreads Damage, Panic On Chile Coast

Medical Supplies And Doctors Are Sent To Stricken Area

SANTIAGO, Chile Jan. 25.—(AP)—A midnight earthquake that spread damage and panic through a 100-mile strip along the Chilean coast disrupted normal communications between the capital and a large area to the south early today. First reports from amateur radio operators indicated that at least 11 were dead in the area which seemed hardest hit, 150 miles south of the capital. Soldiers posted to this area, which included the city of Talca, with population of 45,000, and Concepcion, port city of 75,000. Three Chilean military planes sped south to check up on the actual death toll as unconfirmed reports said it might reach 2,000 in the Concepcion area. President Pedro Aguirre Cerda and several cabinet members departed for the quake area on a special train with 50 physicians, 70 nurses, and medical supplies.

RESCUE SHIP

This airview of the Eneo Baytown carrying the survivors of the Imperial Airways Cavalier which crashed Jan. 21, is shown bucking icy gales 75 miles from New York. Air photo by Joe Boyle flew 100 miles on the first attempt to get the picture but was unable to sight the Eneo Baytown. On his second flight he got this picture.

Mrs. C. C. Earl Made Officer By Tourists

Mrs. C. C. Earl was elected vice president of the Sanford Tourist Club at the weekly meeting of the group in the Chamber of Commerce last night, officials of the club reported. No vice president was selected at the annual election of officers and Mrs. Earl, last year's president, was chosen to act in this capacity during the year. The secretary was instructed to write a letter to the Civic Department of the Sanford Woman's Club expressing appreciation for the interesting party given last week in honor of the club. The secretary was also instructed to write letters to two members of the club, Mrs. Peter Peterson and Mrs. W. H. Brookline.

Army Engineers To Hold Public Hearing On Canaveral Feb. 13

A public hearing on Canaveral Harbor will be held in the city auditorium in Cocoa at 10:00 A. M. Monday, Feb. 13, according to announcement received today from Col. Lewis H. Watkins, district Army engineer at Jacksonville. "These data should include freight and passengers which may be received or shipped over the proposed improvement, terminal facilities available, in which may be made available by local interests for handling the freight and passenger movements; commercial fishing of all kinds, including quantities caught per annum, number of boats engaged, the draft of same, and terminal facilities available, or which may be made available for the industry; and the use of the waterway for health and recreational activities, including number of boats and yachts engaged in this activity, draft of the boats, number of boat trips made per annum, number of passengers carried, and terminal facilities available for this activity." Oral statements will be heard, but for accuracy of record all important facts and arguments should be submitted in writing. (Continued on Page Three)

Less Than Half Of Autos In County Have 1939 Tags

Motorists Urged To Buy Licenses Before Last-Day Rush

With only five more days remaining before the deadline for purchasing 1939 license tags, the Florida Department of Transportation today urged motorists to purchase their tags before the last-day rush. The department reported that only 2,224 out of 4,740 licenses had been purchased as of the close of business today. Under the Florida law, the license tags must be purchased before the last day on which they may be used on the state's highways, the next Tuesday, Jan. 31. Urging those who have not already purchased their licenses to do so at once, Mr. Jenkins stated that his office will be unable to accommodate without waiting the large number who will wait until the last day to purchase their tags. The registration card and title certificate should be presented when calling for the new tag. Mr. Jenkins said, since this will save looking through the records for this information. If this information is not immediately available, the number of the old license tag should be furnished the tax collector.

Joy Bell Ringers To Present Program Here

Mr. and Mrs. Wilbur Fish, "The Joy-Bell Ringers," from Columbus, Ohio, will present "The Life of Christ," a service of sacred music, at the First Baptist Church tonight, at 7:30 o'clock. Mr. and Mrs. Fish have played in clubs and churches in 30 states stretching from California to Exeter, Maine and from the Great Lakes to the Gulf of Mexico, and in each instance they have been warmly received. They have traveled over 250,000 miles. A variety of instruments will be used in this unique presentation. In addition to musical glasses they will use a set of Piccolo-Cello, Musical Saw, Vibra-Harp, and Piano Accordion. These instruments will be used singly and in various combinations. The service will be inspiring and helpful and is open to the public. The largest set of musical sleighbells in the world and a set of London Cricket Balls will also be used. All are invited. British farmers are freezing their meat and selling it as foreign in order to get better prices, it was reported to the Lincolnshire chamber of agriculture.

Insurgent Forces Carry Banner Into Loyalists Capital

Investigation Of All Grass Fires Ordered By City

Police To Work With Firemen To Stop Setting Of Fires

An investigation of all grass fires in the City of Sanford and prosecution of those found guilty of setting them was ordered by the City Commission in an effort to stop the large number of grass fires which the local fire Department is called upon to extinguish. Following reports by Fire Chief Mark Cleveland that much property inside the city limits has been threatened by spreading grass fires, the Commission authorized Chief of Police Roy G. Williams to send an officer to every fire in an effort to learn the identity of the person who started the blaze. In an effort to cope with the situation more efficiently, the Commission has asked City Attorney Fred R. Wilson to draft a new ordinance against the setting of fires. Declaring that in his opinion the grass fires are set by persons who do not realize their action endangers valuable property in the City, Fire Chief Cleveland stated that the most of the 30 calls received by the Fire Department so far this month have been to extinguish grass fires. "In several instances," the Fire Chief continued, "the firemen are called in time to save a garage, home or other building from a fast-spreading grass fire."

Occupation Of Spain's Largest City Is Only Matter Of Hours For Franco's Army

Italy Warns France To Remain Neutral

Gauntlet Of Shell-fire Run By Refugees Leaving City

Generalissimo Franco's troops today carried the banner of the Spanish Insurgents into Barcelona, Spain's largest city, as the civil war which has kept all Europe uneasy entered a new and critical phase. But even though the swiftly advancing Insurgents were within the gates, government military kept up a bitter, dramatic last defense of the vital seaport and industrial city which has been the government capital since Oct. 26, 1937. Insurgent dispatches declared the complete occupation of Barcelona was but a matter of hours. The Italian government, which has backed France openly, announced that 40,000 men of the Italian army would be called to the aid of the government and instructed and reported to all warning that any French intervention in behalf of Barcelona would give Italy "liberty of action."

WPA Road Project Is Given Approval

JACKSONVILLE, Jan. 25.—(AP)—Approval of an \$81,629 WPA project for a new route from Riverside to Ortega on the Jacksonville-Palatka-Ocala highway was announced yesterday in a communication from Senator Andrews, now in Washington. Senator Andrews' communication said President Roosevelt had approved the undertaking, which provides for clearing and grading the 5.74-mile stretch through suburban Jacksonville. It is sponsored by the state road department which will supply the \$61,885 federal allocation to meet the total cost. Preparations for the Gasparilla parade and the capture of Tampa by the pirate crews of Jose Gaspar on Feb. 6 are well ahead of schedule, according to Capt. G. A. Hanson. "In fact," the captain said, "the set-up at this time, almost a month before the parade, is the best in the history of the event." Roll experts estimate that approximately 7,000,000 acres, or 18 percent of the land in cultivation in the United States is too poor for profitable crop production.

LOCAL WEATHER

Fair, colder on east-coast and southeast coast and keys with frost in north and at scattered places in central portion tonight; Thursday fair, with rising temperature in extreme north portion.
