Diet Is Important At DeBary Manor

The DEBARY MANOR Nursing Home and Convalescent Center is one of the most modern and up-to-date nursing homes in Central Florida. Located in Volusia County, it not only serves that county but Seminole and other surrounding counties.

One of the most important parts of the DEBARY MANOR is the kitchen, dining room areas and the food served, and their two dining rooms, both of which provide a beautiful view of the surrounding area, or are served in the patients' rooms.

Each meal is prepared according to a doctor's prescription. There are eight basic types of meals prepared. Two of the most common are low-salt and no-salt meals.

In addition to preparing the meals daily, the staff of the kitchen performs a special task for the patients of the DEBARY MANOR. On special occasions, such as a patient's birthday or anniversary, the kitchen staff bakes and decorates a cake. Then, the kitchen staff leads the singing of "Happy Birthday." "Happy Anniversary," etc.

Important to the health and comfort of the patients is an ample supply of fresh linens. To take care of this need, the DEBARY MANOR maintains its own efficient laundry facility, complete with commercial washers, dryers and ironers.

FAITH ROBINSON (left) is the Dietician for the DEBARY MANOR. She is shown instructing Laura Harrelson, the Food Service Manager the proper ingredients of a well-balanced meal.

Murder Suspect Cries As His Trial Nears End

The tension of two days' participation in a trial for first degree murder, in which the death penalty could possibly be evoked, were apparently too much for Carl Lee Bowers. He "broke down" on the witness stand late Tuesday afternoon, sobbing that he had lived his common-law wife whom he is accused of murdering. The 12-man jury was hustled from the courtroom.

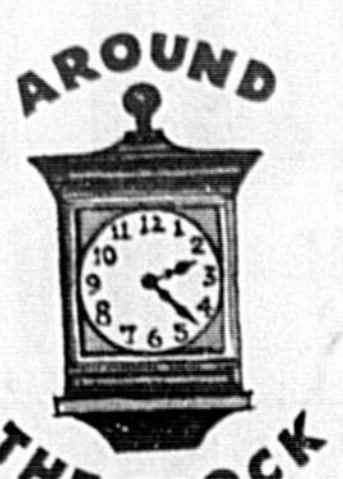

Bowers has been indicted for the shooting of Beryllien Bess Bowers, then pistol-whipping and stomping her face in the 1969 Halloween afternoon slaying.

State Attorney Abbott Herring said this morning, in his closing argument, that evidence proved Bowers guilty of the pre-meditated murder of his wife. He noted the earlier testimony of a neighbor who claimed that he saw Bowers drag his wife down the steps of his mother's home into the mud and stomp her in the face.

In this morning's testimony, Mrs. Bessie Bowers, mother of the defendant, said that she was in her house while Bowers and his wife were in a back bedroom. She heard the sound of the shots, entered the room with a neighbor who was visiting, and saw her daughter-in-law lying on the floor with blood on her face. Bowers was standing nearby holding a gun in his hand. The two women then ran, screaming, out of the house and down the street.

Bowers, when questioned by his attorney, Sam Murrell, of Orlando, stated that he did not remember the scene. He claims that his first recollection of the incident is his ride to the jail with Constable Chester Boyd following the alleged murder.

Circuit Court Judge E. Thom Rumberger will continue to hear the closing arguments this afternoon, as attorneys make their final pleas.

AROUND THE CLOCK

By JOHN A. SPOLSKI
This'll cause more than a few tongues to wag (especially those of us with powered chariots) ... according to AP, a high federal official said the government's forced automobile safety inspection program cannot be shown to prevent accidents.

So then why do we have to ... Ah, forget it, John.

YOU FIGURE IT OUT ... We say, "we've got to fight in Vietnam for the cause of democracy. And in the next breath, we refuse to ship jets to Israel ... perhaps the strongest bastion for democracy, and one of our few true allies."

And how about the government offering a subsidy to the tobacco-growing farmers ... only to have the government come out with a strong dollar-campaign against the evils of smoking?

Early to bed and early to rise may not make a man either healthy or wealthy, but it most certainly will insure him a lot of dull evenings.

No, you don't hear 'em right now, but just wait until the general election-time rolls around. The loudest, most vociferous group will be those who didn't listen to Carl Bruce's second notice ... to return the voter registration card.

Can you imagine ... almost 1/6th of the total list of registered voters from Seminole County HAVE NOT RETURNED THEIR CARD.

"Not houses finally root or the stones of walls well built, nay, nor canals nor dockyards make the city but men able to use their opportunities."

An unidentified voice called that jewel in early this a.m. and said it would be most appropriate, with that the current controversy on the subject(s).

Never esteem anything as of advantage to thee that shall make thee break thy word or lose thy self-respect.

Dade Expert To Join Probe Clues Sought For Bar Explosion

By BILL SCOTT
A Miami explosives expert was expected to arrive in Seminole County this afternoon to assist investigators sifting the ruins of the Post Time Lounge, located on U.S. 17-92 in Casselberry, for clues to what caused the blast and resulting fire that destroyed the gaggle club early Monday and took the life of Jack Ross Berrhill, of Orlando.

Carl John Brody, of the Dade County sheriff's office, is expected to join in the probe that started after the body of Berrhill was found in the wreckage that is smoldering today.

Berrhill, 39-year-old husband of Olga Berrhill, an employee of the lounge, was to face racketeering charges starting today at Fort Pierce in St. Lucie County.

According to statements made by the wife to authorities, the man left the area some 35 minutes before the blast was heard and his body later discovered.

Mrs. Berrhill is alleged to have said her husband left in the car with her but after an argument she reportedly put him out of the car.

Russell Rostan, part owner of the club, and several lounge employees, were at a nearby restaurant eating an early breakfast when the explosion came about 3:30 a.m.

They rushed back to the scene to get the Monday night's receipts which reportedly totaled some \$2,400.

The money was not left in a safe, according to sheriff's investigators and no blast would have been required for some would-be thief to get the money from the registers.

Estimates of the loss range from \$50,000 to \$100,000, but according to averages it is expected that total loss will be around \$75,000.

Yesterday J. Q. Galloway and State Deputy Fire Marshal Tom Easterling were busy going through the smoking ruins trying to piece together what caused the tremendous blast that blew out all four walls and allowed the roof to crash down on the floor.

For some time, it was thought that more than one person might have been caught in the explosion, but according to investigators today nothing else resembling anything human has been found.

Several items have been placed in boxes for later laboratory tests, but the exact nature of the materials has not been divulged.

Victim's Friends Are Questioned

By TOM ALEXANDER
The Herald learned this morning that sheriff's investigators were checking different acquaintances of Jack R. Berrhill, 39, of Orlando, who was killed by the Casselberry blast. According to Duane Harrell, chief deputy of the sheriff's department, Berrhill was in the building at the time of the explosion which scattered debris over a wide area surrounding the topless go-go night spot.

A Seminole County road department dragnet was brought in early yesterday afternoon to assist investigators probing the rubble for the possibility of a second body and clues to the explosion.

Tom Easterling, deputy state fire marshal from Winter Park, along with sheriff's investigators found two empty gas containers in the rubble. According to a bar employee, "We didn't have any cans in the building."

A statement attributed to Sheriff's Capt. J. Q. Galloway revealed that Mrs. Olga Lee Berrhill, 34, a waitress at the night spot, had dropped her husband off at the bar shortly after he had picked her up around 2:45. Mrs. Berrhill, according to Galloway, had argued with her husband and dropped him back off at the Post Time to find a ride home 15 minutes prior to the explosion.

Davis was also authorized to proceed with bond validation proceedings, following approval on second reading by title only of the bond ordinance for the new water and sewer system.

City Clerk Bolla Wagner reported to council redistricting plans for the municipality. Wagner advised that he had considered the population density by neighborhood, and was assisted by the Tri-County Planning Commission and data of the city. Wagner presented four alternate maps which the council will study before a final decision is made.

Davis advised the council that the sheriff indicated to him willingness to negotiate for incorporating Altamonte prisoners in the county jail facilities. Sheriff John Bolla had requested that Davis contact adjacent counties to ascertain interest in the matter, and learned that a contract could be executed between the County Commission and the municipality for retaining the prisoners on a temporary basis.

Altamonte Approves Annexation Of Roads

To be annexed is west of SR 436 to I-4; south of Maitland Boulevard to the Orange County line; east from Longwood Avenue to U.S. 17-92 in Casselberry; and north on SR 427 to the railroad crossing.

Jordan Re-elected At North Orlando

North Orlando's 140 registered voters turned out en masse yesterday to return Mayor Clifford Jordan to office for another two year term. Jordan won handily over his opponent vice-mayor David Tilson with 80 votes to Tilson's 43.

The only other contested seat on the village council was the Group 5 seat for one-year term. Political newcomer Richard Allen defeated his opponent, Charles Kelley, who is currently chairman of the North Orlando Planning and Zoning Board by a small margin.

Allen polled 65 votes against Kelley's 58. Pasquale Del Villaggio, unopposed for the Group 2 seat on the council, received 96 votes. Wayne Miller, also unopposed for the Group 4 seat, garnered 94 votes. Both of these seats are two-year terms.

The apathy which had existed in registration of qualified voters in the area did not exist in those going to the polls. A 90 per cent turn out was evidenced with 126 persons voting.

Davis continued that he had studied the opinion of two attorneys general in the matter, and learned that a contract could be executed between the County Commission and the municipality for retaining the prisoners on a temporary basis.

MAYOR JORDAN

BULLETIN

Trial of Harlan Blackburn, slated to start today, has been postponed pending a decision by the U.S. Supreme Court in answer for a motion for dismissal because the 18th judicial district (Seminole and Brevard counties) is not contiguous. Blackburn was to stand trial on a charge of lewd and lascivious conduct.

Don Oakley Says:
What Bomb Next?

By DON OAKLEY
NEA Editorial Commentator
Don't just stand there, capitalist-fascist America-collapse! Or at least start running scared. That, apparently, is the expectation of the madmen (and women) responsible for the bombings of office buildings in New York and a courthouse in Cambridge, MA.

BARGE CANAL CONSTRUCTION DELAY REQUESTED BY CONSERVATIONISTS

TALLAHASSEE, Fla. (AP) — Conservationists opposed to the Florida Barge Canal Association said Tuesday for a moratorium on the project until questions about its ecological impact are fully answered.

William Partington, chairman of the Florida Defenders of the Environment, made the plea as the Senate Natural Resources Committee concluded two days of hearings on the hotly-debated \$70 million project.

He said the canal would lower the water table and damage more than 800 lakes in an 85-mile radius of the Oklawaha River, center of the 109-mile ditch.

"For this damage the creation of two new lakes is offered in restitution," Partington said.

Defenders of the canal charged that the Defenders of the Environment is being financed by railroads, which up pose the canal because it would prevent competition in hauling freight.

"I think the coalition between the Audubon Society and the railroads reminds me of the coalition between the ministers and the bootleggers when there's a wet-dry election," said Edgar Johnson, former Alachua County commissioner.

Partington denied the accusation. He said the Defenders of the Environment were financing the conservation organization.

"We have asked for help from time to time on legal matters," he said. "We have gotten no assistance—legally, economically, financially, politically, in any shape or manner, and I'm saying that as a stark fact."

Partington offered the same defense when asked to explain why he had not supported the canal.

Allen Men Plan Special Service Good Samaritan Home Celebrates

By MRS. R. D. THOMAS, JR.
 The 22nd anniversary of Good Samaritan Home will be observed Sunday at 3 p.m. at Free Will Holiness Church.

Dr. Ross, general chairman stated, "This will be a day that our friends may join us in praising God for the past, present and the future of the Good Samaritan Home. Again we say thanks openly to our many friends for the kindness and support through the years. Everyone is invited to join us on this very special occasion."

The annual Men's Day observance will be held at the Allen Chapel AME Church Sunday with special services being presented at 11 a.m. and 5 p.m.

"The Revival of Christian Faith During the 70's" is the theme for the day.

The 11 a.m. message will be delivered by Robert O. Dabney, of Leesburg. Dabney, a graduate of Xavier University, has to his credit a vast amount of experience in the field of education.

He began his teaching career in the early forties in the public schools of Sumner County, where he has served as principal, teacher and coach for eight years.

After moving to Lake County and continuing in the system, he became athletic director at Lake County Training School and at Carver Heights High School in Leesburg.

Dabney, a member of Omega Psi Phi Fraternity, is one who has the distinction of being one of the very few Negroes to become a head coach of a major sport in a predominantly white school, where he guided the Leesburg Yellow Jackets basketball team to a district championship this year.

He is active in civic, church and school activities. He and his wife are the parents of a daughter, Debbie.

At 3 p.m., Charles Roberts, principal of Hopper Elementary, will present his discourse, climaxing the Men's Day observance.

Roberts is a graduate of Florida A and M University and a member of Kappa Alpha Psi Fraternity and has taught in the public schools of Sevier, serving as teacher and then principal for the past 16 years. He is a member of Zion Hope Baptist Church, chairman of E. L. Blackbeare and Dr. J. C. Ringling are spearheading this observance. This committee along with the pastor, Rev. J. Edward Connelly and members of Allen Chapel request your presence at both services.

The Trinity United Methodist Church family will observe Women's Day on Sunday at 11 a.m. and a Men and Women

ALLEN CHAPEL YOUTH DEPARTMENT solicits your help in securing 185 Top Value Stamp Books to purchase a new piano for the Sunday School. Here you see president Gregory Washington and others of the Junior Church gathered around the old piano. Drive ends March 21.

Church, Ovidis, will deliver the message. The following churches are members: Allen Chapel and St. James, Sanford; New Bethel, Midway; Grant Chapel, Ovidis; Rev. J. E. Connelly is host pastor. The public is invited to attend.

There is a fee charged for this trip which includes transportation, admission and lunch. This announcement is to inform parents that an installment system is being used. The fee may be paid in two payments and should be paid in full by April 15.

The has will leave Goldsboro Elementary at 8 a.m. and will return around 4 p.m. For additional information, contact the sponsor, Mrs. Salve F. Bentley or Leroy Hampton at Goldsboro Elementary.

Contributions to Gretchen Perry, a sixth grader at Hopper Elementary and winner of the spelling bee at her school. Gretchen is being coached by Mrs. E. Neiman and is looking forward to competing in the county-wide spelling bee at Casselberry on Saturday afternoon.

Here's wishing for you, Gretchen, a spelling good time.

The AME Church Federation will meet Sunday, March 22, at 3 p.m. at the Allen Chapel AME Church, 1203 Olive Avenue. Rev. F. Samuel Payson, pastor of Grant Chapel AME

Pilots Still In Seattle

By Herschel Nissenon
 Associated Press Sports Writer

The Seattle Pilots aren't going to Milwaukee just yet, but at least one major league baseball team is on the move this week. The San Francisco Giants have today for a nine-game tour of Japan, the first time a big league club has made the trip before the season.

The entire squad is making the trip, including slugging first baseman Willie McCovey, whose inflamed right eye has been diagnosed as a side effect of a drug prescribed for arthritis in his right arm.

Dr. San Kimura of the University of California Medical School prescribed non-steroidal anti-inflammatory drugs to ease McCovey's pain. The Giants return to the States March 21, one week before the start of the season.

The Giants prepped for their trip by dropping an 8-6 exhibition contest Tuesday to the Chicago Cubs. The winners snapped a 6-kill on an eight-inning singles by Clee James and Paul Popovich.

Most of the baseball news, though, was made off the field. All sorts of papers were served on American League owners meeting in Tampa, Fla., prevailing transfer of the Seattle franchise to Milwaukee for the time being.

Pitcher Steve Carlton, the St. Louis Cardinals' last hold-out, signed a two-year contract and said he was "completely satisfied." The Cards had offered him to report under a section of baseball's reserve clause.

Commissioner Bowie Kuhn disclosed that voting for the all-star teams is being given back to the fans.

The Grapefruit League high-light was Minnesota's first exhibition victory after nine defeats, a 5-2 triumph over the Cardinals. Jim Kaat hurled six strong innings, Tony Oliva drove in three runs and manager Bill Rigney had a ball—the game ball.

"Lee Cardenas came up to me after the game," Rigney reported, "and said, 'We waited a long time for this; you should have the ball.'"

While the Twins were breaking the ice, the Detroit Tigers continued to be beset by problems. They committed eight errors and the Kansas City Royals clobbered Mike Killeeny, Fred Scherman and Dennis Sanders for 19 hits in a 12-4 rout. Killeeny took the loss, one of the free Irishmen who wasn't whooping it up on St. Patrick's Day.

Sick-fielding Ron Woods continued to wield a hot bat in his bid to crack the New York Yankees' outfield. Woods hammered a two-run pinch homer in the sixth inning, capping a huge rally—the Yanks trailed 8-0 after three innings—that climaxed in a 9-8 triumph over the Boston Red Sox. It was the third consecutive game Woods won with his bat. He hit .183 last season.

Gary Nolan pitched five scoreless innings and Johnny Bench and Ted Savage homered as the Cincinnati Reds tripped the Philadelphia Phillies 4-2. Claude Osteen of the Los Angeles Dodgers worked a similar shutout span and rookie Steve Garver slammed a three-run homer in a 5-0 victory over the Pittsburgh Pirates.

AMERICA'S FISHING KING

GADABOUT GADDIS, recognized as the top fisherman in America will be in Sanford a week from today at the Plaza Rocking Chair Theatre in the Sanford Plaza. A film about Gaddis and his fishing angles will also be shown. The title of the film is "Fishing USA". Gaddis is shown here admiring one of his latest catches with an unidentified lady admirer.

Just Call Miami... Super City U.S.A.

By BRUCE COOK
 HONOLULU (UP) — Just call Miami, Fla. "Super City, U.S.A."

Football's grand classic—the Super Bowl—will be played in Miami for the third time in five years next Jan. 17.

Miami has been considered an underdog in the bidding for the National Football League title game mainly because it Bowl, site of the game, will be already been played there in 1968 and 1969.

But NFL club owners meeting here voted almost unanimously Tuesday for the Florida city after hearing its sales pitch for the 1971 Super Bowl game.

"I'm pleased. I couldn't be more pleased," said Miami Mayor Stephen C. Clark, who led his city's Super Bowl delegation. He said the Orange County Convention Center has already been expanded by 4,000 seats to a capacity of 80,000 and that for the first time the Super Bowl will be played on artificial turf.

In addition, the mayor announced Miami will put on a parade the night before the Super Bowl. Clark said the parade will follow the route of the annual Orange Bowl parade and will feature floats representing the 26 NFL teams.

Other league action taken so far included decisions to:

- Keep the NFL one-point conversion rather than adopt the AFL two-point option.
- Make the scoreboard clock the official timepiece on the field, an AFL policy.
- Put the name of each player on the back of his jersey, also an AFL style.

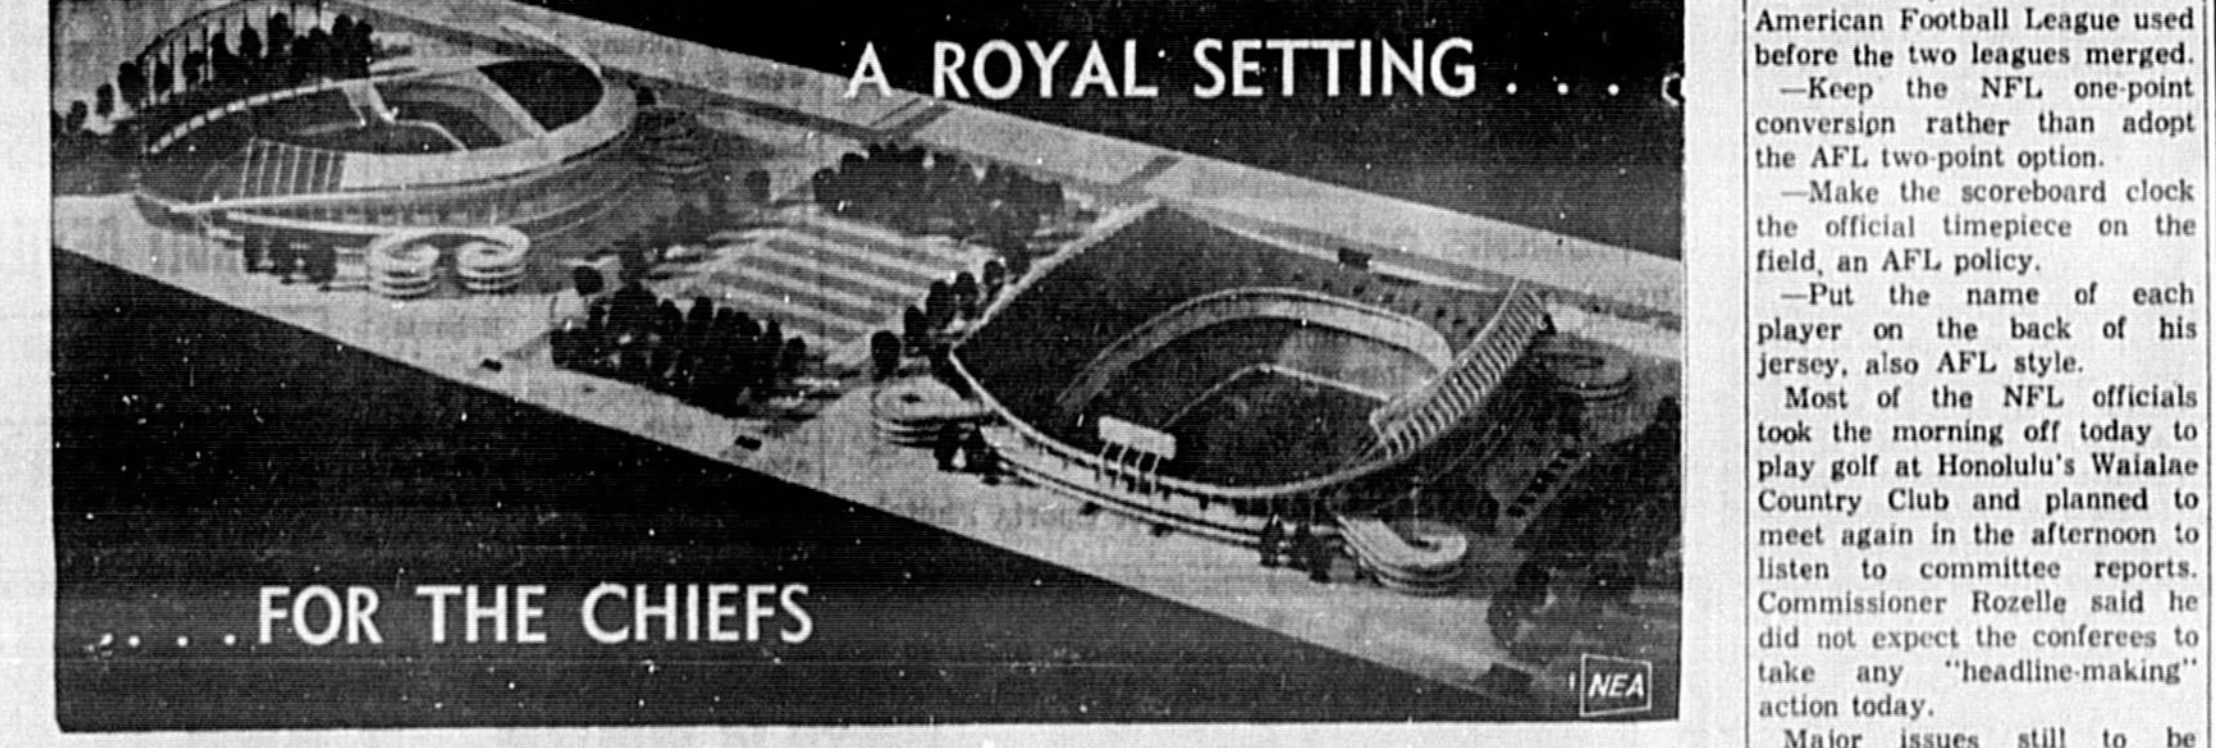

Most of the NFL officials took the morning off today to play golf at Honolulu's Waialae Country Club and planned to meet in the afternoon to listen to committee reports. Commissioner Rozelle said he did not expect the conferees to take any "headline-making" action today.

Major issues still to be discussed include the plight of the Boston Patriots. The Patriots have no place to play, and while the league would like to keep a franchise in Boston, it cannot do so unless there is some assurance that the city or state will build a new stadium.

Owners of the 26 league clubs, having picked Miami for the 1971 Super Bowl and resolved league differences, left off at the next phase of their week-long session was muddled in Boston.

The Boston City Council was expected to decide late today whether to build a new stadium for the home of the Boston Patriots and an NFL decision on the Pats' future hung on the outcome.

Miami was successful in its bid for the Jan. 17, 1971 Super Bowl Tuesday, becoming the first city to host the game three times.

A ROYAL SETTING... FOR THE CHIEFS

SOME SUNDAY in October, 1971, Kansas City fans may be treated to a "real" doubleheader. The new twin-stadium complex, pictured above, will be completed by then and—who knows?—may be the baseball Royals and football stadium, at left, will seat 42,500; football stadium, at right, 75,000. Complex will occupy 270 acres and cost \$25,800,000.

Winning Streak Cut

Raider Nine Halted By Sante Fe

By GARY TAYLOR
 Herald Sports Writer

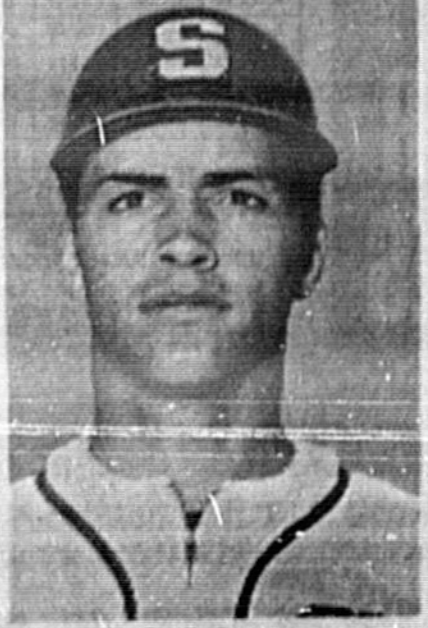

Dennis Pitts ended a superb pitching performance for the Seminole Junior College Raiders, striking out 18 and walking only two while allowing only five hits in nine innings. The Raiders collected nine hits and blasted five doubles. But all this meant nothing, only the run count. The Raiders tried desperately to rally in the ninth but fell short, 10-3.

Playing on their home diamond, Sante Fe jumped to an early lead in the bottom of the second inning when Paul Gossett walked and Tom Diller followed with a circuit clout over the right field fence.

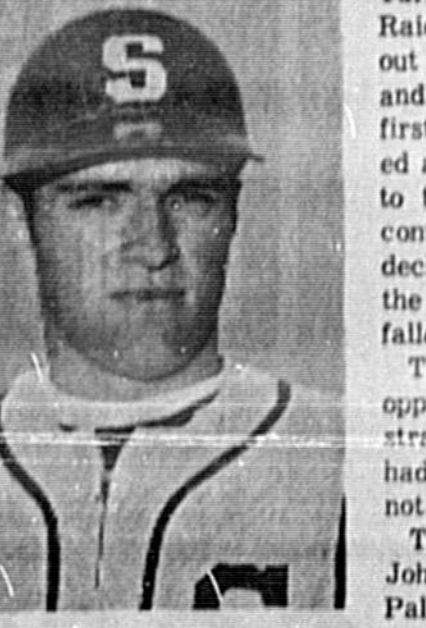

Sante Fe added to their lead when they scored a lone run in the bottom of the sixth and the Raiders found themselves trailing 3-0 when they came to bat in the top of their ninth to take their last outs.

Pinch-hitter Mark Dowell walked and Jim Moses also stammered a pinch-hit double. Bill Nolan collected his second double of the game and the Raiders found themselves with a man on second, no outs, and trailing only 3-0.

Sieve White grounded out, and Nolan was unable to advance. Gossett pitched the hit that went to left field and Nolan was

Strikes And Snares

BY JOHN A. SPOLTON

A Long, Long Wait

If you're a beginner bowler, or one who's been at it for a couple years and you're still looking for that first 200 game, perhaps this story will give you some encouragement (or something, eh?).

There are cases when you pull somebody in from the street, who hasn't ever been into a bowling establishment before—much less even bowled a string, but he or she proceeds to get nothing but Xs and think it's so easy to make a 200 game.

However, there are the rest of us who can well remember the period of time, what with lots of near-misses of games missed, the well on his back that last frame . . . and never quite made the "charmed circle."

Eventually, you do get a break or two and miracle of all miracles spans a 200 effort. Take the case of Gladys Downey, for example.

Bowling in the Tuesday morning Seminole Printers League, Gladys . . . AFTER A WAIT OF 15 YEARS . . . Mrs. D. rolled a 200 game. And with it goes our Bowler's Salute of the Week. (After 15 years she should get an award just for showing up . . . nice going, Gladys—and may you have many, many more.)

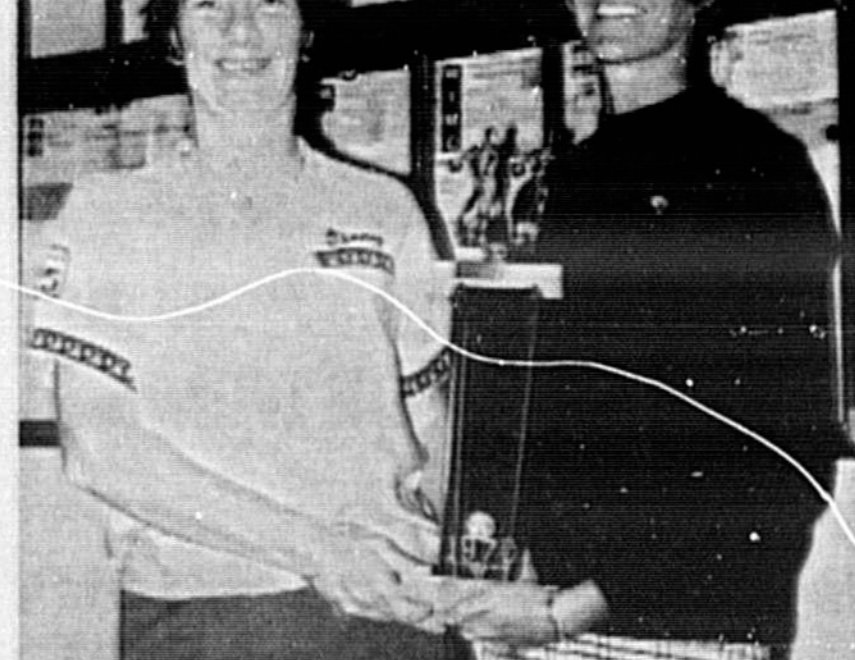

It's scheduled for two weekends of March 28th and April 4th. In this one, an adult is paired with one of our younger bowlers and according to handicaps (based on the experience of each) they are in competition with other teams (one adult and one youngster).

Entry forms are now available and will be circulated to both of our younger leagues. It's not limited to parents of children bowling in either of the leagues; it's open to any adult.

For some strange reason (we're loaded with greenies around here at St. Patty's time), we had a picture taken of the winners of the recent Sanford Women's Bowling Association Tournament.

What happened is beyond our comprehension . . . first, we took a pit, and it was a double expo. And then we had our picture taken at the bridge one more time, and then we couldn't find the negative!

That is, until this week (remember, the Herald prints an average of 24 photos each day . . . so, there are those times when it does get a little chaotic) . . . and now that we've found the print, let's introduce you to 1970 Doubles Champions—Ginny Gaudreau (left) and Claudia Jara.

It was an S.R.O. crowd on hand again (thank goodness) for the regular Saturday evening feature called, Moonlight Bowling. The opportunity of having lots of fun, plus loading your pockets with the long-green, must be two of the most popular reasons for so many putting their names onto the short waiting list.

This past Saturday, a plus was brought out of the monthballs again, when each hour on-the-hour we had our own Moon Shot.

Some one bowler is picked out of the crowd, and if he or she rolls a strike, they get a bonus of crown, or those plus just might be all yellow in color, or something . . . not that we try to distract you for a couple of bucks . . .

SMBA Election of Officers
The Sanford Men's Bowling Association will have their annual combination meeting/dinner on Saturday, March 28th at the Trophy Lounge. The meeting, with the election of officers one of the main topics on the agenda, will take place at 6:30 p.m.

The dinner, and the presentation of trophies and prize money to the team, will be held at 8 p.m. This is open to all league bowlers in the area, and wives are invited.

Seminole Tankers Splashed

BY JOHN A. SPOLTON

The swimmers for Seminole High can hold their heads high as they gave their finest performance of the young swim season," were the words of coach Grey Boyles. A large crowd cheered the Seminoles as they went down to the last event before bowing to a strong, undefeated Ocala Swim team.

The Seminoles girls lost the meet when they were edged in the 400 relay by a score of 53-45. The boys could have tied the meet had they won the last relay and this would have happened as an Ocala swimmer missed the well on his back that last frame . . . and never quite made the "charmed circle."

Cyclones First In Deltona

The Cyclones hold the lead with only a three point gain over the Matias, 79 wins and 55 losses for the Cyclones and 70 wins and 58 losses for the Matias. Mighty Miles are right behind with 69-35. Fourth place is held by the Spooks with 65-41-5 followed by Top 4 with 60-48.

Dan Burton led the men in scoring, as he rolled a 220 game and a 501 series. Len Adams had 201 and 203 games for a 557 series while Doug Lovell rolled a 197 game for a 523 series. Jack Rudy came in with a 192 game and 520 series, John Hudson 172 and 502 series, John Ewing 196 game, Robert Jerge 180, Dieter James 175, James Anderson 178, Mark Sauls and Edie Kartman 170 and Paul Rose 172.

Madeline Perrault, who kept score for the men's tournament, really got some helpful hints, as she bowled a 204 game and a 549 series, high for the ladies on Sunday night. Let's all hope Madeline continued success. Charlie Jerge rolled a 188 game and a 514 series, while Lynn Sharkey had a 176 game, Charlotte Scherer 171, Gladys Grauman 159 and Pauline Rose 162. Mary McCarthy 150.

The men entered a tournament in the Sanford Bowling Ass'n Annual Tournament and finished in fifth place. John Ewing, Jack Hudson, Jack Rudy, Doug Lovell and Len Adams were the team members. John Whitley Ewing, rolling games of 201, 215, and 234 for a series of 640, won the singles competition and placed 4th in the All events. Jack Rudy placed 7th in the All Events. Next stop for the team is the Florida State Tournament in Orlando.

NEW MANAGER
DENVER (AP) — Bill Ellis (Cot) Dual, new manager of the Denver Bears in the American Association, was a right-handed pitcher and a switch-hitting outfielder in his playing days. These included six stints with the Boston Red Sox and St. Louis Cardinals.

Linksters Battle
Falling to defeat at the hands of county-rival Lyman, the Seminole High golf stars dropped their fifth match of the season, 112-107.

Love man for the Fighting So-inoles was Rick Smith who just-joined the golf team at the completion of the basketball season. Smith shot a 40. Mike Leary had a 41, Bubba Parks a 42 and Al Green a 44.

The team, under the leadership of coach Bob Martin, now has an 8-5 record. The team's next match is with Trinity Prep Friday at the Myrtle Beach Country Club. The match will start at 3 p.m.

SMBA Election of Officers
The Sanford Men's Bowling Association will have their annual combination meeting/dinner on Saturday, March 28th at the Trophy Lounge. The meeting, with the election of officers one of the main topics on the agenda, will take place at 6:30 p.m.

The dinner, and the presentation of trophies and prize money to the team, will be held at 8 p.m. This is open to all league bowlers in the area, and wives are invited.

Just a quickie note that this Sunday is the deadline for entering the Men's State Tournament, scheduled for Orlando. Remember, your averages must be verified by association secretary Red MacLary, prior to your submitting an entry to the state office.

Seminole Turf Club Looks To April Opening

By TOM ALEXANDER
Herald Sports Editor

(Final Of Three Part Series)
Mark-SS days and counting . . . There will be no hold or mis-fire and Seminole Turf Club will open on schedule April 20, with the first of nine races nightly—six nights per week. Post Time will be 7:15 each evening.

The exciting spectacle of thoroughbred racing at its best will surely be the sign of STC's success, with success being spelled in capital letters.

A constant traffic flow will be assured according to Gary Smith, track administrator, who points to the newly enlarged parking area at the racing arena of some 20 acres and a new road leading from the track to SR 486.

In the past, the only racing patrons could arrive and depart the facility was on Seminola Boulevard a winding two lane roadway leading from the four lane thoroughfare of 17-82.

Casselberry city officials and the entire municipality have pitched in to make sure every convenience for motorists going to the track will be in operation. A first night premiere crowd of some 7,000 race fans is expected to toast the first break from the starting gate.

Pari-mutuel windows will be convenient to everyone and Smith points out, "They aren't betting against the track, they're betting against themselves and that's a lot of fun."

A new tote board has been installed to keep racing fans up to date on lineups and finishes and to show payoffs for the win-place-show categories in each race.

36 TV monitors have also been installed to show "instant replays" of each race and to show tote board figures on the upcoming racing action.

A "beer garden" will probably be one of the features for apron fans who like to be up close to the action and snack bars along with cocktail convenience bars will be easily accessible to all racing patrons.

New light towers have been installed, and a "daylight" effect will surprise many of the night racing patrons. The new racing mecca is considered to be one of the best lighted night racing arenas in the nation.

Lyman Ralley Spurts Hounds Past Tribe

By ROBERT SMITH
Herald Sports Staff

Unable to overcome a strong fifth inning rally by Lyman, Seminole High's baseball corps dropped their third game of the season by a score of 8-6.

The Fighting Seminoles jumped out in front in the first inning. Tommy Gracey reached first base on balls, stole second and scored on a single by Ronnie Nobles.

In the third frame of play, the Tribe pushed across three more runs. Starting pitcher Kip Braden slammed a single, followed by another single by Dale Wagner. Gracey chased but was out in the fourth before exploding with a three-run fifth.

The Seminoles tried gallantly to make a comeback in the sixth when Bill Kirkpatrick singled, Andy Steele reached on an error and both players hurried across the plate on a single by relief pitcher Paul Watson. But Lyman tied the game with a run in the bottom of the sixth frame.

The Seminoles record now stands 2-3 with cross-city rival Crockett on the schedule as they meet at 4 p.m. Friday at Seminole High field.

Lyman's record now stands 1-1 with a 1-0 record in the 1970 season. Lyman's record now stands 1-1 with a 1-0 record in the 1970 season.

Seminole, Lyman 'Clads In DeLand For Meet

By CHUCK GRILE
Herald Sports Staff

The strong Lyman thiacklads and Sanford Seminoles trek to DeLand today at 4 p.m. to be hosted by the strong DeLand Bulldogs track squad in a meet that will give some indication as to what to expect this week end when again the Greyhound squad will travel to the site of this Volusia County school for the Big D Invitational.

The Greyhounds have been doing a fine job thus far this season in all their events. In their last meet in Winter Park, the meet consisted mainly of relay events. Lyman has a strong track team in the two-mile run and field events. The Greyhounds are strong in individual running, but still this year they came in eighth out of eight teams in the meet.

After the acquisition of his athletic players, the Hound field events have become a strong asset to the club. Heralded football star Rich Browne has broken the shot put record three times with his latest accomplishment coming at 5 feet-10 inches.

Also providing points for the Greyhounds in the field is tall Paul Cross, who jumped 5 feet-10 inches in the high jump, tying the existing school record. Cross is only a junior and is looking forward to owning that record before the close of 1970.

In the running events, Bruce Kneusel leads the pack with his mile run, backed up by a host of other speedsters. Young Tony Adair has been turning in excellent times in the half mile, while Wilbur Ferguson and Kenny Harmon have been supplying punch in the shorter events. Also, Gordon Demos has been shining for the Greyhounds in the high hurdles.

This afternoon sets up a busy week for the Greyhounds and the hopes are at Lyman that the young thiacklads can bring victory to Lyman once more.

Host DeLand, Seminole, Lyman and Crooks will battle it out in a big four-way track meet today. Little is known about DeLand this year as they are under a new coach, but they are usually strong in the relays and distance runs.

Lyman has a strong track team as they have both speed and endurance and they could prove to be the team to beat. Seminoles continue to improve in the 800-yard relay and the Mile Relay and should improve in the Sprint Relay. Duane Rodgers (27) and

12 Hours Of Sebring
By HLOYS BRITT

SEBRING, Fla. (AP) — Enzo Ferrari's new race cars have shed some weight since they made their debut in the U.S. several weeks ago. The loss may have cured some of their ills.

"We were too heavy at Daytona," a spokesman for the Italian works team said Tuesday. "and the cars suffered from it. Now we are down to fighting trim."

Five of the new 12 cylinder sports models sailed through technical inspection for Saturday's 12 hour Sebring endurance race and charts showed they had lost a whopping 220 pounds each since the 24 hours of Daytona.

"The extra weight we carried at Daytona caused suspension and frame breakage, made the cars handle badly, and took away some of the speed," the Ferrari spokesman said. "We hope this doesn't happen down here."

The Houston Astros will play 65 night and 16 day games this season in the Houston Astro-dome.

Barge Canal Locks Near Known 'Quake Areas'

TALLAHASSEE, Fla. (AP)—Locks on the Cross Florida Barge Canal are located perilously close to known earthquake areas, a conservationist organization told a Senate Committee Monday.

"The location of the canal locks and the dams on or very near the Oklawaha River fracture zones introduces the risk of earthquake damage to these facilities," said a report prepared by Florida Defenders of the Environment. "The history of Florida earthquakes is not reassuring in this respect."

Dozens of conservationists and numerous backers of the canal appeared in a Capitol room to discuss the issue before the Senate Natural Resources Committee. The committee is holding a two-day hearing on continuation of the controversial canal.

Cal. Roger Bachman of the Department of Natural Resources criticized advocates of halting the project for arguing emotionally.

"There has been great misinformation, some of it through misquoting in the news media, but much of it by the deliberate design of those who want to halt the canal at any cost," he said. "Committee members warned state officials not to fall into the same trap they accused their opponents of."

"We'll strike that from the record and tell the jury to ignore it," cracked Sen. Elmer Friday, D-Fort Myers. "The proponents can fall into the same trap as the opponents can fall into the same emotional trap as the opponents on this."

The House Conservation Committee, meanwhile, voted 8-4 in favor of continuing the canal.

Prince Overthrown In Cambodian Coup

By RICHARD PYLE
 Associated Press Writer

SAIGON (AP)—Prince Norodom Sihanouk, Cambodia's ruling chief of state, was reported to have been overthrown in the wake of violent demonstrations in his capital against the presence of North Vietnamese and Viet Cong troops on Cambodian soil.

Aides of President Nguyen Van Thieu handed him a message saying the Royal Cambodian Council and the Cambodian National Assembly had deposed the 41-year-old prince who has completely dominated the neighboring kingdom's politics for more than 20 years.

Sihanouk is in Moscow.

"I just don't believe it yet," said Thieu, who received the report at a reception. But he handed the message to an aide who read news in this version in English.

"After a meeting between the Royal Cambodian Council and the Cambodian National Assembly, it was decided to overthrow King of State Sihanouk. The group named Choeung Heng, president of the National Assembly, as acting chief of state until new elections are held.

"Real power remains in the hands of Gen. Lon Nol and Sirik Matak."

Gen. Lon Nol is prime minister of Cambodia and chief of the country's 400-man armed forces. Sirik Matak is a top minister in the government, and he and the general are known to share doubts about Sihanouk's attempts to keep his country neutral in the Vietnam war.

Aides of Thieu indicated that the message came from Radio Phnom Penh.

Earlier today the airport at Phnom Penh was reported closed to commercial traffic, and diplomatic sources in Saigon said their communication lines to the Cambodian capital stopped operating.

Phnom Penh has been wracked intermittently for more than a week by demonstrations against the presence of thousands of North Vietnamese and Viet Cong troops using Cambodia as a base for operations against South Vietnamese and American forces.

Sihanouk left Paris last Friday, after the demonstration started, announcing he would stop in Moscow and Peking seeking help in getting the North Vietnamese and Viet Cong troops out of his country. But his embassy in Moscow said today that the prince's plans to visit the Soviet capital still were indefinite.

Later, after the report from Saigon, a spokesman for the prince in Moscow said he had no advance warning of the coup. "The prince does not yet know about this mess," he added. "We will see what our course will be later."

JUST WASN'T HIS DAY. No doubt thinking about the shorcomings of a dog's life, this pooch looks dejectedly at spot where hydrant stood before being hit by motorist.

School Lunches Increased 5¢

By BILL SCOTT
 Starting April 1, the price of all school lunches will increase by five cents.

This was approved yesterday by the Seminole County School Board as a necessary move to pay back debts owed creditors for food products sold the schools for the lunchroom program.

Children now paying 30 cents a day for elementary school meals will begin paying 35 cents and junior high and high school students paying 40 cents will find their meal increased to 45 cents.

The student discount system which allows the purchase of a week's meal ticket at one time at a five cents per day saving will be permitted under the new prices, but a 25 cents a week increase will still result as the weekly discount price now of \$1.25 will move up to \$1.50 for elementary schools.

Meals by the day would mean a \$1.75 weekly cost for the elementary grades.

Same procedure also covers the junior high and high schools. Board voted to increase the price as the first step in an overall lunchroom policy change which will eventually mean a centralized purchasing arrangement for all the county schools.

Under the central system, which board indicated it planned to approve at the March 25 meeting, all county schools would operate under the same daily menu and all foods would be purchased through one central office instead of present method of allowing each school to purchase through its own menu policy.

Ray Slaton, board member, indicated displeasure over schools owing \$10,000 in a milk bill carried over from last year and expressed concern over the \$85,000 debt owed for food purchases.

Shopping Center Plans Unfolded For County

By MARION BETHA
 Plans for the "cross county" shopping center north of SR 436 and west of Palm Springs Road were unfolded at all meetings to the County Commission yesterday.

James Rush, attorney for the developer, Edward De Barolow, appeared in a request to change the zoning from A-1 to C-2 on the triangular piece of land. Rush stated that the request was made for an additional 20 acres to the 60 acres which have already been rezoned. The added area will be used for increasing the parking capacity as well as for a third department store.

Rush elucidated that the shopping center will encompass a million square foot area and have three department stores, will employ 2,500 persons and will add considerable revenue to the county with ad valorem taxes and sales tax. Rush continued his request with the statement that all land lying below a 60-foot elevation had been deleted from the request.

Developers have agreed to three-lane west side of Palm Springs Road with ad valorem taxes and sales tax. Rush continued his request with the statement that all land lying below a 60-foot elevation had been deleted from the request.

Heavy Fight At Saigon

SAIGON (UPI)—South Vietnamese infantrymen, supported by helicopters, firing rockets and machine guns, killed 30 Communist troops in fighting in a marshy lowland near the Gulf of Thailand, military spokesmen said today.

The government troops fought the battle Tuesday eight miles northwest of Kien Thien district town and 114 miles southwest of Saigon.

Military spokesmen said the South Vietnamese regulars lost one killed and 16 wounded.

The battle was the largest reported by Allied forces in South Vietnam Tuesday.

Troops of the U.S. 1st Air Cavalry Division reported killing 10 Communist soldiers Tuesday 28 miles northwest of Saigon and two miles from the Cambodian border. The Americans, backed by fighter-bombers, artillery and helicopter gunships, lost one killed, spokesman said.

Another six guerrillas were killed by elements of the U.S. 25th Infantry Division in fighting 34 miles northwest of Saigon and five miles east of the Cambodian frontier. Spokesmen said American losses in the 20-minute firefight were one killed and five wounded.

Three Americans died and four were wounded in a clash between paratroopers of the U.S. 17th Airborne Brigade and Communist soldiers 230 miles northeast of Saigon. Communist losses were unknown.

South Vietnamese spokesmen said six Vietnamese civilians were killed and five wounded.

On a vote, the board approved price increase with only Pat Bule voting nay.

vacate and abandon, after which he would maintain it at his expense.

Porter further maintained that the road is impassable due to erosion caused by water and sewer lines being laid in the area. This is a mystery, since Lavender stated that no one had a permit in the area to lay lines and he had "no idea" who was doing the work.

Chairman John Alexander, who is in charge of the erosion board, also pushed the road, upon his inspection, was not impassable although pot holes existed and the shoulders were eroded.

Drummond advised that the contractor doing the sewer work be located and be made to replace the right-of-way with the original road, and to restore the shoulder and tip end of the street which is eroding.

Area Deaths

Mrs. Wilhelmina Osterom, 78, of 119 Country Club Road, died Tuesday afternoon at her residence. She was a native of Holland and came to Sanford two years ago from Ormond Beach. She was a resident of Long Island for many years and a member of the Good Shepherd Lutheran Church.

Survivors include her husband, Harry Osterom, Sanford; two sons, Harry L. Osterom, Garden City, N.Y., and Eugene C. Osterom of Wilmington, Del.; three daughters, Mrs. Janice H. Miller, Levittown, N.Y., Mrs. Wilhelmina A. Miller of Sanford and Mrs. Grace A. O'Brien, Sanford; three sisters, Mrs. Neokle Alink, Sanford; Mrs. Heedekje Ramp, Long Island, N.Y.; and Mrs. Teague Deubelen of Holland, 13 grandchildren and a great-granddaughter.

Funeral services will be held at 10 a.m. Friday at the Good Shepherd Lutheran Church with Rev. J. Gordon H. Miller, pastor. Burial will be in Inverness Cemetery. Heavy rain or travelers warnings were extended before daybreak to cover most of the Tennessee Valley. More than an inch doused Nashville during the night.

Clear skies were confined to the region south of the Southeast and West Virginia.

Locally heavy rain soaked the region south of the seat belt, from the eastern Gulf Coast to the Tennessee Valley.

Airliner Landed By Wounded Pilot

BOSTON (AP)—A pilot shot in both arms landed an airliner with 73 persons aboard after a mile-high cockpit struggle Tuesday night left the cockpit dead and a passenger seriously wounded.

The slain pilot was James E. Hartley, 31, of Fort Lee, N.J. Under police guard in a hospital he was said to be in satisfactory condition.

An Eastern Airlines spokesman said a struggle for the gun broke out after the passenger told the pilot, Capt. Robert Wilbur Jr., 35, of Fairview, N.J., "Take me east."

The plane was then a mile high over the town of Franklin, about 36 miles south of Boston, making its final approach to Logan International Airport after a flight from Newark, N.J.

When the airliner landed, the stewardess went to the cockpit, where she saw the cockpit slumped in his seat. The passenger lying on the floor and Wilbur riddled the control tower. "Where the hell do you want me to park this thing?"

At Massachusetts General Hospital both Wilbur and Wilbur were said to be in satisfactory condition.

An airline spokesman said the passenger had told the senior stewardess Christine Peterson, that he had no money to pay his fare—normally collected in the air on such shuttle flights—and wanted to see the pilot.

Miss Peterson said the man drew a pistol and she led him to the cockpit door and told Wilbur the man wanted to see him. "I'm busy," said Wilbur. "You don't understand, he has a gun," Miss Peterson said. She said the pilot then told her to bring the man in and to get everything as all right.

The struggle for the gun, the airline spokesman said, broke out after Miss Peterson left the cockpit.

State Police Capt. Robert E. Hering said the weapon was a .38-caliber pistol.

Lester T. White, a customer services representative for the airline, described Wilbur as a "rough looking fellow" with long hair, dressed in fringed suede jacket.

In West New York, police said Wilbur had been working as a short order cook and had been living with his mother and sister.

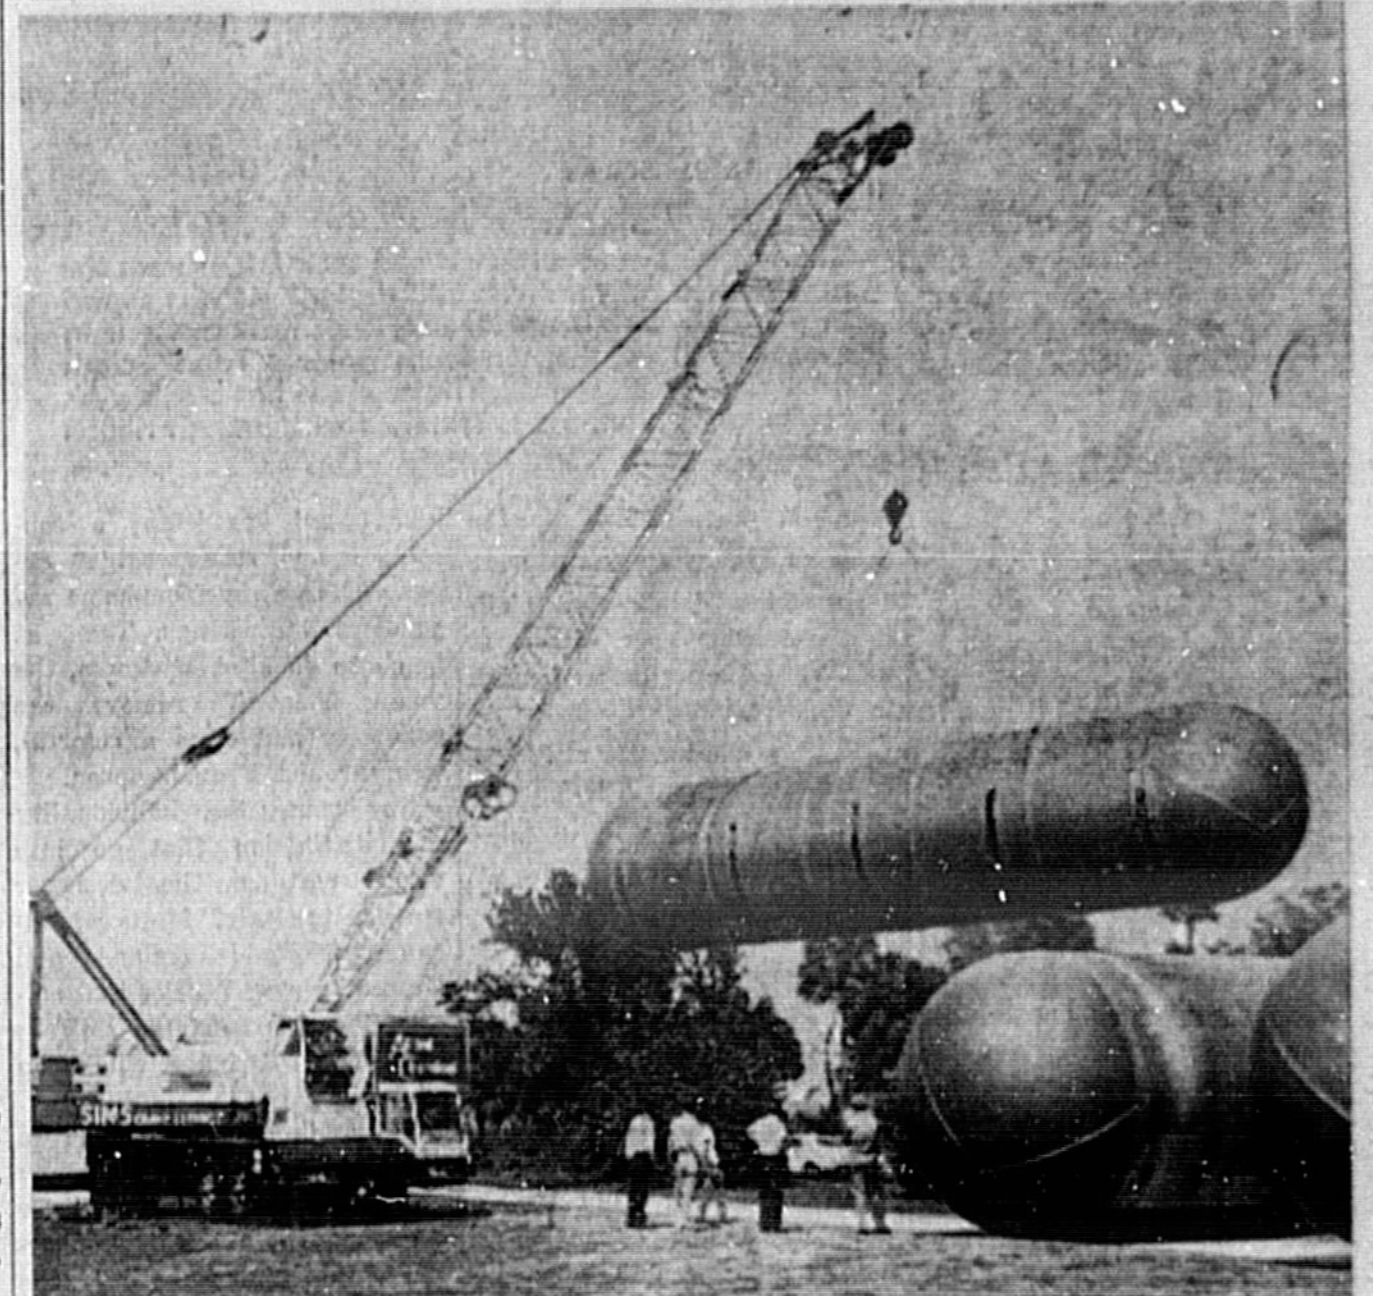

Probe Names 14 Officers

WASHINGTON (AP)—The Army investigative panel that charged two generals and 12 lower ranking officers with violating military regulations involving the alleged My Lai massacre has called for increased troop indoctrination against mistreatment of civilians and prisoners.

The special panel also urged reviewing reporting procedures to ensure that inquiries into future incidents will flow up the chain of command and not be blocked at company or battalion levels.

The recommendations were included in a report made public Tuesday that resulted in charges of dereliction of duty and failure to obey regulations against 10 field grade officers and three captains in the alleged massacre.

Lt. Gen. William H. Peers, who headed the Army investigation, refused to characterize the original field probe—which produced negative results—as a cover-up of the alleged massacre. Also charged with dereliction of duty and failure to obey regulations was Brig. Gen. George H. Young Jr., who was assistant commander of the American Division at the time.

BEAUTIFICATION move for the lakefront received a boost today when first work was started in removal of the "tank farm" along Seminole Boulevard, south to Fulton Street. Other firms with storage tanks in the area are expected to follow suit in the near future.

Heavy Snow Blankets Midwest

By THE ASSOCIATED PRESS
 Heavy snow piled into the central Rockies and the Ohio Valley today and aimed a winter-edged punch at the Eastern Seaboard.

The snow fell out of a pair of storm systems which swirled over opposite sections of the nation only two days before the calendar arrival of spring.

Nearly a foot of snow blanketed Lander, Wyo. Strong, gusty winds compounded the effect and caused considerable blowing and drifting. Four inches whitened Colorado Springs.

Widespread rain was in effect for various parts from Montana to Arizona and New Mexico.

The Ohio Valley storm, which buried portions of the Southern Plains under 1 to 2 feet of snow Monday night and Tuesday, lost some of its punch as it rolled eastward. Five to 6 inches fell on parts of Ohio and Indiana through Tuesday.

Heavy rain or travelers warnings were extended before daybreak to cover most of

Moratorium Is Asked On Census For Dade

By EARLE JOSIAH
 Associated Press Writer
 MIAMI (AP)—Vowing to halt the "massive miscalculations of the past," minority groups say they have asked the U.S. Bureau of Census to declare a one-month moratorium on census proceedings in Dade County.

T. Willard Fair, director of the Miami Urban League said the request to George Brown in Washington was endorsed by the Urban League, United Black Federation, representatives of the Cuban Community, and the Liberty City Community Council.

Fair said more than five million persons were left out of the 1960 census. The inaccuracy, he said, "was both drastic and subtle for minority groups."

An estimated 10 per cent of the black population was missed, Fair said.

"The direct effect can be measured in loss of political power in many electoral districts and in misappropriated funds which should have been channeled into communities for education, health services and housing programs," the black leader said.

"Thus for ten years," he added, "minority groups have been denied an equitable share of federal resources and they are the groups that can least afford to be slighted."

Fair said plans for the 1970 census still contained major defects.

The group is demanding that during the one month waiting period, the Census Bureau aggressively recruit black welfare recipients and public housing dwellers, and that the local bureau set up assistance centers located in the ghetto.

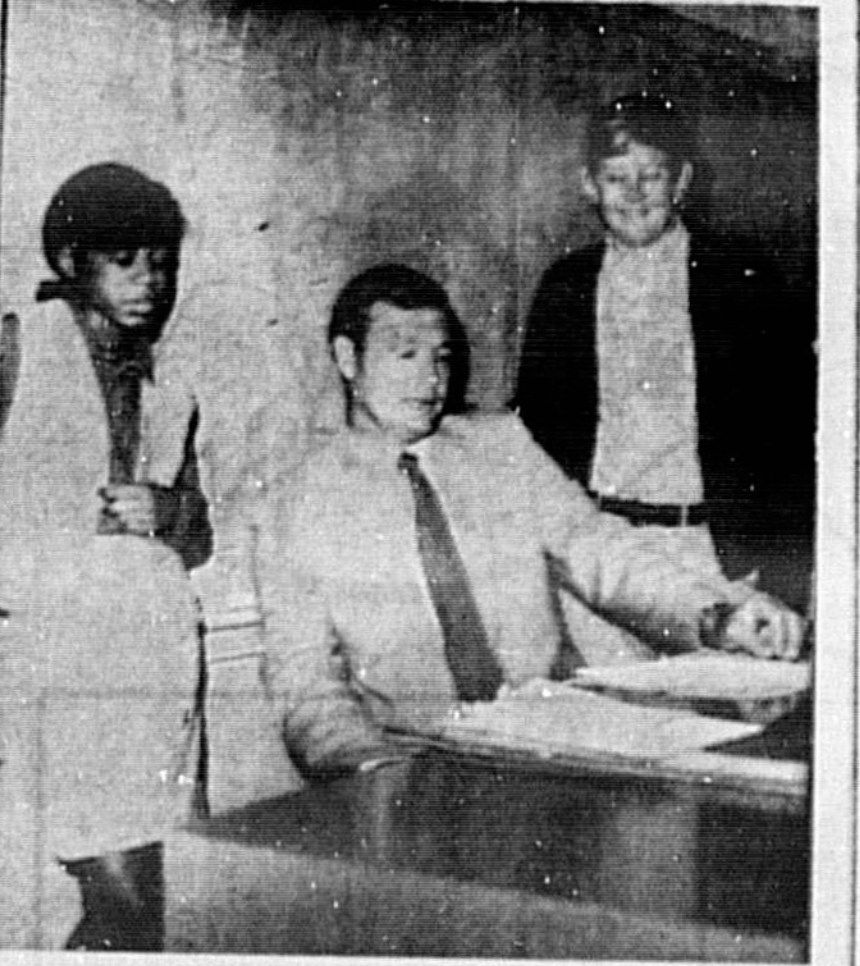

Also that census forms be bilingual, to accommodate an estimated 100,000 Cubans in Dade County who speak Spanish only.

"The mail out process to be used for 80 per cent of the nation relies on commercial mailing lists, post office records, and door-to-door precensusing," Fair said.

"Unfortunately many poor families of the inner city and many of the rural poor will not be found on these lists."

He went on, "The tendency of the inner city is to distrust the stranger, particularly if that individual represents an unfamiliar government agency."

Fair accused the bureau of dragging its feet in its efforts to recruit minority workers.

Young Bureaucrats Shatter Precedent

By G. C. THLEEN Jr.
 Associated Press Writer
 WASHINGTON (AP)—Discontented young bureaucrats, angry over such issues as the Vietnam war and the Nixon administration's civil rights policies, are shattering the stereotype of the federal employe as a faceless civil servant.

To the increasing discomfort of their politically appointed bosses, a vocal minority among the under-40 crowd in government is making discernible waves in a distinctly unsewerly fashion.

Consider these news items from the past few weeks:

—Five hundred career government workers petitioned senators to reject President Nixon's nomination of Judge G. Harold Calwell to the Supreme Court.

—Eighteen hundred employes at the Department of Health, Education and Welfare demanded an accounting of Nixon administration civil rights policies from their boss, Robert H. Finch.

—More than one-third of HEW's civil rights division protested the ouster of their director, Leon E. Panetta, in a strongly worded letter to the President.

—The Labor Department faces a minor rebellion from neighborhood Youth Corps directors objecting to a 23 percent cut in money job trainees' salaries.

—Indevco, the uncensored thousands of young dissidents in the Washington bureaucracy are far outnumbered by the hundreds of thousands of federal employes who associate given policy each day without protest.

—But the activists' loose network of organizations—such as the Federal Employees for a Democratic Society—newsletter and union groups has extended over the past three years into virtually every federal organization except the FBI and the Central Intelligence Agency.

For some the issues are job

Policemen Pondering Own Union

By NEIL GILBRIDE
 WASHINGTON (AP)—Law officers from a number of cities will meet here this week to launch a renewed drive for a national policemen's union under an AFL-CIO charter.

"The first and foremost thing is to take the policeman out of this second class citizens' status and help him find his rightful place in the sun," said John Casanova, acting president of the International Brotherhood of Police Officers.

The union won't claim the right to strike, Casanova said in an interview, but "on the national scene, we'll seek to have collective bargaining rights."

Casanova called a meeting here Friday of a founding group that met in Omaha, Neb., last November to write a proposed union charter. The Friday session will set a national convention sometime in May of police officers all over the country who want to form a nationwide union.

AFL-CIO President George Meany last year turned down a bid from Casanova's group for a national AFL-CIO charter pending a further showing of interest on a nationwide basis.

Dear Abby:

By Abigail Van Buren

DEAR ABBY: A reader recently asked me if it was true that Indians never lost their hair. Since I do not recall ever having seen a bald-headed Indian I applied to my readers, and asked them to please send me a picture of a bald-headed Indian - if indeed one existed. Needless to say, I received pictures of indeed bald and balding Indians to fill a reservation. However, many readers still have "reservations" about "reservations."

DEAR ABBY: Well, you asked for it. I am enclosing a picture of a bald Indian. My husband, He is "Chief Deem"—a full-blooded Sioux, born on a reservation in Pine Ridge, S.D. in 1909. He claims he lost his hair because he put too much hair grease on it when he was young. Happy hunting, Abby!

I am a professional actor. I've made several TV commercials and have played in Gunsmoke.

DEAR ABBY: I worked for the Indian Bureau for more than 20 years in every section of the United States and I do not remember having seen one bald Indian! My husband was one-quarter Sioux. He was over 50 when he died, and he had a full head of hair.

MRS. J. R. H.

PORTLAND, ORE.

DEAR ABBY: Well, you can stop your search for bald Indians. There aren't any. Where I was raised there were more Indians than

whites, and I can't recall ever seeing a bald Indian. It's just a characteristic of their race. Nobody ever saw an Indian with hair on his chest, either.

A WHITE FROM WATERLOO, IA.

DEAR ABBY: I have no picture to send you, but I give you my word that I have seen a bald-headed Indian. He was a full-blooded Choctaw from Oklahoma. We met at Alcatraz many years ago when he was doing life plus 50 years. At that time he was only 21 years old, and he was bald!

CHARLIE IN JACKSONVILLE

DEAR ABBY: I am a Cherokee, and as you can see from my picture, I am completely bald.

I have met many Indians from various tribes and have seen a few bald-headed Indians, but they are rare.

Perhaps you recognize me. I am a professional actor. I've made several TV commercials and have played in Gunsmoke.

YOUR YAKIMA CORRESPONDENT (GREY OTTER)

DEAR ABBY: Well, you asked for it. I am a Chickasaw Indian and bald as a Cherokee, and have been since I was in my late twenties. I don't know why I lost my hair. Perhaps you've cured it, dyed it, or sprayed it. Write to me if you just washed it, brushed it, combed it and watched it go. If you will find something that will make it grow back,

Bake Easter Orange Cake

FOR EASTER... A delightful orange chiffon cake with an orange rum syrup poured over it.

BY CECILY BROWNSTONE
 AP Food Editor

Here's a dessert that's never been new—an orange chiffon cake with an orange rum syrup poured over it. The syrup is added after the cake is baked. But don't have any qualms about pouring on the syrup—the texture of the chiffon cake absorbs it beautifully and the syrup adds flavor.

ORANGE RUM CHIFFON CAKE
 2½ cups sifted cake flour
 ¾ cup sugar
 3 teaspoons baking powder
 1 teaspoon salt
 ¼ cup freshly squeezed orange juice
 ¼ cup salad (not olive) oil
 4 large eggs
 2 tablespoons freshly grated (medium-fine) orange rind
 ½ teaspoon cream of tartar

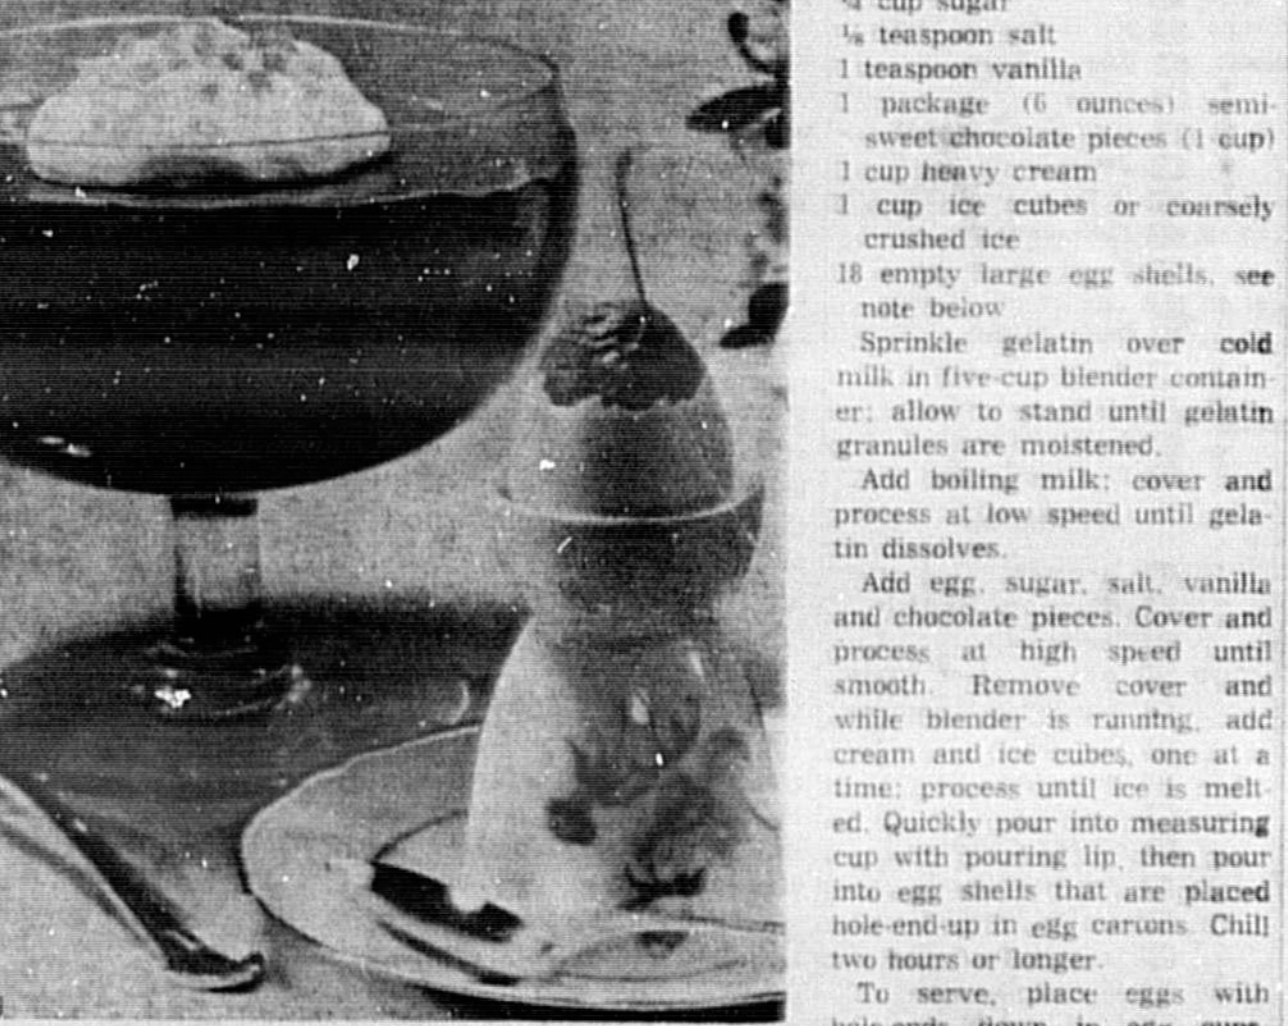

Orange Rum Syrup, see recipe below. Immediately invert on wire rack to cool—no rack necessary if cake pan has feet. When cold, use a small metal spatula to loosen around sides and tube; ease out of pan. Place cake, top side up, on cake plate. Slowly pour on Orange Rum Syrup over top, letting cake absorb it.

ORANGE RUM SYRUP
 ¼ cup freshly squeezed orange juice
 1 tablespoon freshly squeezed lemon juice
 ¼ cup sugar
 ¼ cup light rum
 Dash of salt
 In a small saucepan over low heat stir together all the ingredients. Bring to a boil. Boil gently for three to four minutes. Use as directed in Orange Rum Chiffon Cake.

Fill Easter Eggs With Chocolate

Country Mile
 LOUISVILLE, Ky. (AP) — How far is a country mile? If markers on Interstate 71 east of Louisville are any indication, it could be quite a distance.

Not far from the Bedford entrance to I-71 a sign says "Louisville 16 1/2 miles far" and another sign 7 1/2 miles further says "Louisville 15 1/2 miles far" while five miles beyond that sign to the isolated statement "Louisville 15 1/2 miles far" is written.

The speedometer distance from the 16 to the nine-mile sign is about 13 miles, or nearly twice the distance indicated.

THE FAMILY LAWYER

In the mind's eye, the word "adoption" conjures up a vision of dotting parents taking possession of a gurgling infant—their at least to raise as their very own child.

That is, indeed, a typical scene in an adoption court. But there is another, quite different kind of adoption. In most states it is just as lawful to adopt an adult as to adopt a child. Furthermore, in terms of legal formalities, it is even easier.

For example, it is usually not necessary to get the consent of the adult's natural parents, as it is with a child, or to go through a waiting period before the adoption becomes final.

Why would anybody want to adopt an adult? Obviously, it is not to "raise" him. In most cases, the purpose is simply to make him the heir of the adopting parent or parents.

In fact, the procedure has been attacked for just that reason. In one case a childless old man adopted three of his relatives, each one middle-aged. After the man died, several other relatives went court to challenge the adoption.

"There is nothing humanitarian about the whole thing," they argued. "It is merely a device to cut us out of the estate leaving these three as the only heirs."

But the court ruled that even if this was true, it did not invalidate the adoption.

"This motive," said the court "is a perfectly proper one."

Nevertheless, critics fear that the mere possibility of an adult adoption may lead encouragement to fictitious heirs. In another case, a widower adopted his youthful housekeeper just before he died. This meant she could share in the man's estate along with his natural children.

But in a court hearing, the childless parent pointed out that the young woman had also been their father's mistress, that he had become mentally infirm, and that she had wielded excessive power over him.

The court thereupon decided the adoption was null and void.

The judge said an adult adoption, used as a substitute for a will, should — like a will — be free of undue influence.

Halibut With Onions, Mushrooms

By CECILY BROWNSTONE
 AP Food Editor
THE BRIDE COOKS DINNER
 Baked Halibut with Onion and Mushrooms
 Mashed Potatoes Green Peas
 Salad Bowl Bread Tarts
 Lemon Tarts Beverage
BAKED HALIBUT WITH ONION AND MUSHROOMS
 3 tablespoons butter
 1 pound fresh halibut steak, 1/2 to 3 inch thick
 1/4 teaspoon salt
 White pepper to taste
 Paprika
 1 small onion, peeled and quartered and cut into thin strips
 1 can (3 ounces) sliced broiled mushrooms, drained
 Preheat the oven to 425 degrees. Put two tablespoons of the butter into a nine-inch glass pie plate or similar small oven utensil and place in oven until butter is melted. Sprinkle both sides of halibut with salt and pepper. Place in pie plate and turn to grease both sides. Sprinkle top with paprika. Arrange onions at sides of fish; place mushrooms over onion; dot mushrooms with remaining 1/2 teaspoon butter. Bake in the preheated 425-degree oven until fish flakes easily and is opaque through—about 20 minutes. Makes two servings.

FAMILY SUPPER
 Try this different way to spruce up frankfurters.
 Frankfurters with Succotash
 Green Salad French Bread
 Pineapple Sundae Beverage
FRANKFURTERS WITH SUCCOTASH
 1 cup water
 1/4 teaspoon salt
 1 package (16 oz.) frozen succotash
 8 frankfurters, cut in 1/2-inch pieces
 1/2 cup commercial sour cream
 1 tablespoon prepared mustard
 1/2 teaspoon caraway seed
 1/4 teaspoon salt
 Paprika
 In a two-quart saucepan bring water and 1/4 teaspoon salt to a boil. Add succotash and frankfurters. Cover pan; cook on high heat until succotash is tender—about 10 minutes. Drain.
 In a small bowl stir together sour cream, mustard, caraway seed and 1/4 teaspoon salt. Stir into succotash and frankfurters. Turn into a one-quart shallow baking dish. Place under broiler until frankfurters are lightly browned—about three to five minutes. Sprinkle with paprika. Makes four servings.

DINNER FOR FOUR
 The flavor of chile benefits if it is made ahead and reheated.
 Quick Chile con Carne
 Rice Salad Bowl
 Corn Bread
 Ambrosia or Pineapple Ice
QUICK CHILE CON CARNE
 1 tablespoon butter or margarine
 1 and 1/2 cups frozen chopped onion
 1 green pepper, chopped (1/2 cup)
 1 pound ground chuck beef
 1 teaspoon salt
 1 teaspoon sugar
 1/2 teaspoon powdered cumin
 1/2 teaspoon garlic salt
 1/4 teaspoon pepper
 2 to 4 tablespoons chili powder
 1 can (1 pound) dried peeled tomatoes with added puree, undrained
 1 can (1 1/2 ounces) red kidney beans in chile sauce, undrained
 1/2 cup water
 In a 16-inch skillet in the hot butter, gently cook the onion and green pepper until soft. Add beef and meat with a fork until it crumbles and loses its red color. Stir in the remaining ingredients. Simmer until hot through—longer if you like. Taste; heat if made one day; refrigerated and heated the next. Serve over rice. Makes four servings.

Dundee Cookies
 DUNDEE COOKIES
 1/2 cup (1/4 pound) margarine
 1/2 teaspoon salt
 1/2 teaspoon baking soda
 1/2 teaspoon cinnamon
 1/2 cup sugar
 1 large egg
 1 cup quick-cooking oats
 1/4 cup chopped raisins
 1/4 cup coarsely chopped walnuts
 1 1/4 cups sifted flour
 3 tablespoons milk
 In a medium mixing bowl thoroughly beat together the margarine, salt, baking soda, cinnamon, allspice and sugar. Beat in egg. Stir in oats, raisins and nuts. Add flour and milk; mix well. Chill until firm—about three hours.
 Form into one-inch balls. Place about 1 1/2 inches apart on greased cookie sheets; flatten with heel of hand. Bake in a preheated 350-degree oven until browned—12 to 15 minutes. With a wide metal spatula remove to wire racks to cool. Store in tightly covered tin. Makes about three and a half dozen.

SATURDAY SUPPER
 Adjust the curry powder to suit your own taste.
 Indian Lentil Soup
 Grilled Frankfurters in Toasted Buns
 Cucumber Salad
 Mustard
 Fruit Compote
 Beverage
INDIAN LENTIL SOUP
 1 cup lentils
 2 chicken bouillon cubes
 2 tablespoons butter
 1/4 cup chopped onion
 1 clove garlic, peeled and minced
 1 teaspoon salt
 1/4 teaspoon chili powder
 1 to 3 teaspoons curry powder
 1 teaspoon lemon juice
 Wash and drain lentils. Turn into a large saucepot (4 to 6 quart) with the two quarts water and bouillon cubes. Cook over low heat until tender—about half an hour.
 In an eight-inch skillet melt the butter. Add onion and garlic and cook until onion is yellowed and softened. Add salt, chili powder and curry powder. Cook gently for several minutes; add to lentils. Cook gently for about 20 minutes; puree in food mill. Just before serving add salt to taste and the lemon juice. Makes almost two quarts.

SATURDAY DINNER
 This recipe produces one of the best of chocolate cakes.
 Roast Leg of Lamb with Potatoes and Carrots
 Salad Bowl
 Mint Jelly
CHOCOLATE SPONGE CAKE
 4 squares (4 ounces) unsweetened chocolate
 1 cup milk
 1 cup sifted cake flour
 1 teaspoon baking powder
 1/2 teaspoon salt
 4 large eggs, separated
 1 1/2 cups sugar
 1 teaspoon vanilla
 Break chocolate squares in half and place in a small saucepan with the milk. Over low heat, stirring constantly, heat until chocolate melts and mixture is smoothly combined. If there are any lumps of chocolate use a whisk to beat smooth. Remove from heat and set aside.
 On wax paper sift together the cake flour, baking powder and salt; return to sifter and set aside. In medium mixing bowl beat egg whites until frothy. Beat in 1/2 cup sugar; continue to beat in 1/2 cup more. Continue to beat if necessary until mixture forms stiff straight peaks when beater is slowly withdrawn; beat aside. Without washing beater, in large mixing bowl beat egg yolks until thickened and lemon color; gradually beat in remaining one cup sugar and vanilla until very thick and ivory color. Add chocolate mixture; beat gently to blend. Gradually sift in flour mixture, gently beating it in as you do so. Add egg whites; With a rubber spatula fold in.
 If there are any bits of white that don't fold in easily, gently break them up with the spatula.
 Turn into two greased nine-inch round layer cake pans. Bake in preheated 350-degree oven until cake tester inserted in center comes out clean—20 to 25 minutes. Let stand in pans for 10 minutes—cake will shrink from sides of pan; turn out on wire racks; with another rack turn right side up. Cool completely. Fill and frost with chocolate flavored whipped cream.
