## Weather

Partly cloudy through Wednesday with scattered afternoon thunder showers.

THE NATIONAL GUARD boys are back home. And before they can lay their rifles down they begin a brand new campaign to strengthen the local unit under a new program. "Go Army" is the slogan the group brought back with them from their two-week training session at Fort McClellan, Ala. In the picture are shown members of the local company "I", 124th Infantry Regiment, gathered about its campaign banner to recruit new members for its defense company. (Photo by Jameson Studio)

## Sodero Seeks Go Sign

Richard Sodero, of Winter Park, a partner in the operation of the Seminole Park and Fair Ground at the former Alcala Park, appeared before the Sanford Board of City Commissioners last night to request a franchise for the operation of an excursion and sight-seeing boat on the "Nile of the Americas" beginning with the coming season.

A prepared franchise had been prepared for Sodero and W. R. Kemp, for the use of the Sanford pier on an exclusive franchise basis. However, Sodero told the commissioners that "the original plan was to operate the sight-seeing boat and a restaurant from the pier on an exclusive basis."

Pictures of the two boats now under consideration for use on the St. John's River were shown the commissioners. It was explained that one of the boats proposed would carry 250 passengers and was equipped with dance pavilion, snack bar, speaker system and all conveniences. The other boat under consideration would carry 350 passengers with the added facilities of snack bar, cocktail bar, restaurant, dance pavilion and other conveniences. The boats considered were 75 and 100 feet in length.

The income on the boat, Sodero explained, is expected to gross around \$35,000 with the charter price to the promoters set at \$10. (Continued On Page Seven)

## Deeds Are Given For Highway 17-92

## Interested Citizens Turn Out

Burris Is First To Give Property

More than 200 interested citizens turned out last night at a meeting of the Citizens Committee headed by Benley Odham and held at the Dixie Lake American Legion Hut.

John Fox, county right-of-way official, carried more than 40 deeds to the meeting for presentation to property owners.

Answering questions posed by property owners and business owners along 17-92, Odham said, "We can't buck the State Road Department. County Commission Chairman John Meach and I tried to get the 40-foot center strip eliminated from the plans." And he emphasized, "You just don't buck the State Road Department."

Speaking for the four-lane widening, and paving of the proposed 17-92 from Sanford to Orlando, Odham said, "There is no limit to our opportunities here in our county. We are growing and (Continued On Page Seven)

## Youngsters All Ready For Fishing Jamboree

Over 600 Cracker Poles Prepared For Eager Hands Of Young Anglers

The Seminole County Jaycees Sixth Annual Fishing Rodeo is all in readiness for the youngsters of this area 14 years old and younger.

Bob Kilpatrick, chairman of the Jaycee Fishing Rodeo Committee, said this morning that more than 600 cracker poles, completely equipped to catch the big ones are in readiness to be passed out to the largest group in Fishing Rodeo history.

Competition is slated to get underway tomorrow afternoon shortly after 1 o'clock when buses from every direction will converge on Trout Pond bringing the youngsters to the big event.

Porter Lansing, local sportsman, said yesterday that Trout Pond has been studied by the Game and Fresh Water Fish Commission with well over 200 large broom. These fish should provide some excellent competition for the young anglers, Lansing pointed out.

There will be ice cream and cold drinks for the youngsters participating. Kilpatrick commented.

Every detail has been attended to by the Jaycees, in order that the huge crowd of youngsters will have every opportunity to catch (Continued On Page Seven)

## 29 Bus Drivers Get Instructions For Coming Year

The Transportation Supervisor for the Seminole County Board of Education met with 29 bus drivers yesterday to outline their duties, issue buses, and to have law enforcement officials stress the importance of their work.

Walter Teague, Transportation Supervisor, issued the transportation report books to the drivers of 24 county owned school buses and three privately owned buses.

Teague reminded the drivers that "Your job is an important one and one that must be done well."

Florida Highway Patrol Trooper T. Mark Mack told the drivers, "You will be expected to obey rules and regulations as well as any motorist, if not better." Mack added, "You will be expected to conduct yourselves not only as bus drivers but as teachers as well. Children will be observing the drivers and will pay attention to the rules you observe and disregard," he said.

The Trooper concluded, "The safety of the children in your buses is in your hands."

Deputy Sheriff O. G. Owens, representing the Seminole County Sheriff at the transportation meeting offered a suggestion that the area around the new Pinecrest school be placed in a 15-mile-per-hour zone with a "No passing (Continued On Page Seven)

## Drivers Licenses On Sale Thursday At Court House

The new 1955-56 Driver's Licenses will go on sale in the lobby of the Court House at 9 a. m. Thursday, Sept. 1, 1955. Each person must present the current license in order to renew a Florida license. The cost of each license has been increased 25 cents making renewal of Operators' licenses \$1.25 and Chauffeurs' licenses \$2.25. It will expedite the issuance of licenses if each applicant will have the 1955 license and the exact amount of money ready for the typist when he or she is next in line. This is especially true this year since the amount of the license was increased by the Legislature 25 cents.

Beginning Sept. 1, the examiners for the Florida Highway Patrol will give examinations at the American Legion Hut on the lake front on Tuesdays from 2:30 and on Fridays from 9:15 each week. These examinations are necessary for those first applying for a license, for all persons who do not hold a valid license from Florida or some other state at the time of application and for those persons whose licenses have been revoked and are now eligible to apply for licenses.

Following the custom of the past several years, Judge Ernest Houliholder and some of his staff will appear in the County on the dates and times listed below to write licenses:

Oviedo: Friday, Sept. 9, 2:30 p.m.  
Beech Lake: Tuesday, Sept. 13, 3:30 p.m.  
Geneva: Wednesday, Sept. 14, 10:15 a.m.  
Longwood: Thursday, Sept. 15, 2:30 p.m.  
Lake Monroe: Friday, Sept. 16, 2:30 p.m.  
Fern Park and Casselberry: Tuesday, Sept. 20, 2:30 p.m.  
Altamonte: Wednesday, Sept. 21, 2:30 p.m.  
Lake Mary: Thursday, Sept. 22, 2:30 p.m.  
Oviedo: Friday, Sept. 24, 2:30 p.m.

## Vocational School Is Looking Forward To Successful Year

The commercial department of the Seminole County Vocational School has completed its first day of registration. According to the interest shown, the school should have an outstanding year. Any resident of Seminole County wishing to prepare for office work is urged to register as soon as possible.

Numerous calls for secretaries, bookkeepers, and typists have already been received by the school from business men in this area. The demand for office workers is great.

According to its program of expansion, the school has been acquiring some new business machines. The latest addition is an electric calculator for the bookkeeping department. The school now has a fine variety of machines.

The complete business course is offered by the school, both day and evening. In the day classes, Miss Gladys S. Hall, principal and teacher, teaches shorthand, dictation and transcription, business English and spelling, and typing. Mrs. Lydia Watt teaches bookkeeping I and II, business machines, and office practice.

Evening classes are held Mondays through Thursdays, 7 to 9 p. m. Mrs. Watt teaches the bookkeeping classes and machines. Miss Mary George teaches the typing classes, and Miss Martha Simpson teaches the shorthand and dictation classes. Miss Simpson joined the faculty of the Vocational School this year. She is formerly from Kentucky. Because of steadily increasing enrollment it was necessary to add another teacher at this time.

The school is in the process of having an attractive folder printed, giving detailed information about the school, courses offered, standards of certification, a complete schedule, and a list of faculty members. Anyone desiring one of these folders may come to the school in person or may write or phone for one to be mailed.

Fred C. Murray is the director of the school.

## City Budget Gets Careful Going Over

Facing the possibilities of having to add millage to the present taxes, the providing of services as outlined in the proposed budget, and new and needed capital improvements, the Board of Sanford City Commissioners, last night, resumed the scrutinizing of the proposed budget department by department and item by item.

With only 40 per cent of the scanning behind them at prior meetings, the commissioners completed their brief consideration of each individual item.

Only a limited amount of money suggested by the City Manager in the proposed budget, was eliminated, with minor additions made to better utilize the services of several departments.

Tentatively approved, and in the proposed budget, were items that (Continued On Page Seven)

## Fines Over \$800 In Court Yesterday

More than \$800 in fines were collected yesterday afternoon at Sanford City Court where the predominance of cases heard before Judge John Leonard were on traffic charges.

Only three cases involving misdemeanors were brought before the judge while 25 cases were traffic and parking meter violations.

Charges of drunkenness, vagrancy and resisting arrest were again carried over to Friday's court against Willie Irick. Also held over until released from the hospital, were charges against Theron Thomas of Fern Beach, involved in the Saturday evening automobile accident on Celery Avenue at Summerlin.

## Sanford Navy Units Join In Red Cross Disaster Campaign

All units of the Sanford Naval Auxiliary Air Station have joined the residents of Seminole County in a week-long Special Disaster Drive sponsored by the American Red Cross.

This drive, launched on a national basis, is aimed at assisting individuals and families in the flood-stricken areas of the North-eastern United States.

With an estimated 8,000 families in direct need of Red Cross rehabilitation, the cost is expected to run into many millions of dollars.

Funds raised from the drive will be used to provide food, clothing, medical care and restoration of homes for the destitute.

In a notice by Captain Robert W. Jackson, USN, Commanding Officer of the air station, all personnel were urged to make voluntary contributions throughout the week for relief of the flood victims.

Unit and squadron commanders have at NAAS were also requested by the Captain to designate representatives for the drive. According to Chaplain F. W. Kempton, USN, coordinate of the fund raising campaign at the Station, the Special Disaster Drive will come to a close on Sept. 2.

## Elaborate Shows Are Being Readied By Band, Pep Club

Preparing for the 1955 Football season, the Seminole High School Band and Pep Club began their pre-school drill yesterday under the leadership of Bandmaster Ernest Cowley and the Pep Club Director Miss Barbara Robb.

Student drillmasters assisting in the instruction are Captain Joe Fisher, Leslie Smith, George Anderson, J. D. Stone, Bill Hexamer, Drill Captain Nancy Cash, Mary Virginia Robinson, President of the Pep Club Edna Cowan and Head Majorette Carol Nutt.

The Band and Pep Club will combine as one group to present the half-time shows of all home games and some of the out-of-town football clashes. Each group will march 14 members with the newly organized Majorette Corps of 12 girls out in front.

"Most of the shows planned for the coming season," said Bandmaster Ernest Cowley, "will be precision drills using the 80 x 150 yard whereby members take 8 steps in 5 yards."

The system to be used, said the bandmaster, is new to all members, however, it will enable the Band and Pep Club to present snappy and precise formations.

The Winter Park show, according to present plans, will contain Halloween formations and a pageant is planned with the Seabreeze High School Band for the Homecoming game show.

The entire group of Band and Pep Club members, along with the new Majorette Corps used the paved street alongside the school for drills this morning.

## Water Main Split Cause Of Shut-Off

A 30-inch split in the water main this morning, shortly after 9 o'clock, forced the shut-off of water in the downtown area and at noon the mains had been put back into use.

The split, caused by sewer construction equipment, was located in an alleyway just off Magnolia Avenue between First and Second Streets.

City Manager Warren F. Knowles was at the scene to supervise the restoring of water service to the downtown area.

## School Offices Closed Tomorrow

Superintendent of Public Instruction R. T. Mifflin announced this morning that his office will not be open tomorrow.

He explained that they will be in the process of moving into the former bus station on Commercial Ave.

## Elks To Initiate Four Men Thursday

A regular meeting of the Sanford Lodge, Benevolent and Protective Order of the Elks, will be held Thursday evening, Sept. 1.

A roast beef supper will be served at 6:30 prepared by Homer Little and Johnny Cameron.

Four candidates will be initiated into the lodge following the supper. The new prospective members are: M. J. Lodge Jr., John A. Barton Jr., Robert C. Andrews, and George J. McElmer.

Lodge Secretary Bill Livingston announced members that 1834 membership cards are needed now to attend meetings or club activities.

REGISTERING AT THE NEW PINECREST School are: (seated left to right) Jimmy Eldon, Ross Raulier, Mrs. Margaret Brown, Earl Shuller and Susan Brown. (Standing) are: Mrs. Virginia Eldon and Mrs. Fay Shuller. (Photo by Daily of Jameson Studio)

## R. Nixon Describes Stumblers

BOSTON, Mass. (U-P)—Vice President Nixon said Monday there are five roadblocks in the path of peace and only Soviet leaders have the power to remove them.

He told the Veterans of Foreign Wars the roadblocks are:

1. "The unnatural division of Germany which is caused by the Soviet refusal to agree to free elections."

2. "The armaments race and the fear of surprise atomic attack which will continue until Soviet leaders agree to an adequate inspection system."

3. "The Iron Curtain of barbed wire, land mines and machine guns which they have erected through the middle of Europe."
4. "The colonial status of the Communist satellite states of Eastern Europe."

5. "The network of Moscow-directed Communist subversion and espionage which extends into every free country of the world."

"As long as these factors exist, there can be no real peace in Europe and in the rest of the world," Nixon said in a speech prepared for the VFW's 54th national encampment.

"The next three or four months will tell the world a great deal about Soviet intentions," Nixon said, adding:

"Affability can be simulated, and cordiality can be turned on and off like a faucet."

"The cold facts, the hard deeds, are what the world wants to see."

He said each of the five roadblocks to peace he named "exists only because of the action or failure to act of Soviet leaders."

"Only they," he said, "have the power to remove them as a source of potential strife and war."

"If they fail to do so, their cordiality will stand exposed as a sham and a delusion."

"But if they act in the same spirit as they have talked, the beginning of the end of the cold war will be in sight."

He added that "The Chinese people, the Russian people and the American people can and should be friends."

"We are impatient," he said, "that if the governments of the Soviet Union and Communist China reflect the will and true spirit of their people the barriers to friendship and peace which have been erected by these governments will be removed."

## Newspaper Leads To Happy Reunion Of Mom, Daughter

NASHVILLE, Tenn. (U-P)—A newspaper led to a reunion of a mother and daughter separated for nearly a quarter of a century and there was no doubt of their kinship.

The story began early in the depression when Mr. and Mrs. R. A. Underwood of Nashville were separated and Mrs. Underwood was unable to support her daughters, Erlene, 11, and Pauline, 8.

In 1930 she placed the children in a children's home in Memphis, La. They were adopted and the mother said Welfare Department regulations prevented her from finding them when better times came.

Pauline was placed in the care of Mrs. C. O. Truitt of Memphis and lived with her until her marriage in 1946 to Arnold Eddins, now a sergeant at Ft. Campbell, Ky.

In 1945, Pauline learned her father's name and former address when she obtained a birth certificate. She eventually wrote to all the Underwoods in the Nashville telephone directory in an effort to locate them.

Finally she told her story to the Nashville Tennessean Saturday. "I want to see the mother all these years to satisfy an unending desire to know who they really are," she said, "and to know from them that they did not forget me, but put me in the care of some one who because they were unable to care for me."

The Tennessean printed Mrs. Eddins' picture with her three children, Pauline, 8, Erlene, 11, and Robert, 4, in its Sunday edition.

The mother and daughter were reunited Sunday. Mr. and Mrs. Underwood and family arrived in Nashville to meet Mrs. Eddins.

"I am so glad to see you," Mrs. Underwood said to her daughter. "I have been looking for you for so long."

The family reunion was reported in the Nashville Tennessean and the Nashville Tennessean's Sunday edition.

MORE THAN \$1,000 in damage was estimated to this 1955 Buick sedan with a dented fender and bent frame after it was involved in a 3-car collision Sunday afternoon at the intersection of South Park Ave. and Ninth St. (Staff Photo by Lumpkin)

## Two VC-5 Airmen To Be Catapulted From Carrier Deck

As part of the National Air Show to be held in Philadelphia Sept. 3-5, Lt. Garrett A. White, Lt. (j.g.) Benny Webster and Aviation Major O. Raichl, all of Composite Squadron Five based at the SNAAS, will be catapulted in their plane from the deck of the carrier Ticonderoga while the ship is at anchor in the harbor.

Never before has an attempt been made to launch to heavy aircraft from a still deck. The North American AJ "Savage", the Navy's largest carrier-based aircraft, will weigh 48,000 pounds for the demonstration.

Four minutes after being shot off the deck by the Ticonderoga's steam catapult, an F2H "Banshee" fighter will plug into the trailing hose of the AJ and demonstrate the Navy's system of inflight refueling.

Following each of the first two demonstrations, White and his crew will fly to Atlantic City and return to the Ticonderoga via land for the next day's show with the remaining AJ's left aboard.

## 2 Drivers Charged In Morning Wreck

An accident yesterday morning, shortly before 8:30, on the Lake Monroe Road, involved an automobile and truck, with charges made against drivers of both vehicles.

According to Deputy Sheriff Morgan McClelland, Andrew Everett, 35-year-old negro laborer of Lake Monroe, driving a 1946 Chevrolet truck, attempted to make a left turn off of State Road 24, with no direction signals.

Elmer Leroy Miller, 41-year-old painter of Orange City, driving a 1944 Hudson sedan, was following too close, according to McClelland, and was forced to make the turn with Everett.

The entire right side of the Hudson, from the headlights to the rear bumper, was damaged on estimated \$700, while the left front fender and running board of the truck was damaged on estimated \$100.

Deputy McClelland said charges against Everett would be "no turn signals" and against Miller "following too close."

## \$1,000 Estimated Damage To Auto

Damage of more than \$1,000 was estimated Sunday morning to a 1946 Oldsmobile "36" when it went out of control while rounding a curve on State Road 486 west of 17-42.

The accident occurred shortly after 5 o'clock between the Pacific Lake Road-In and State Road 486. Police Highway Patrol Trooper E. Mark Mann reported that Robert Earl Smith, 26-year-old truck driver of Memphis, was apparently traveling at a high rate of speed when he failed to make a curve. The car skidded and turned around several feet before coming to a stop.

Deputy Mann said that Smith is charged with "reckless driving."

Smith was taken to the hospital Sunday afternoon.

CONFERENCE POSTPONED  
TOKYO (U-P)—The U.S. Air Force today postponed until Wednesday or Thursday a press conference by Lt. Guy H. Bumpass of Jackson, Miss., whose plane was shot down by Communist gunners near the Korean truce line. The delay from Tuesday was "due to the physical condition" of Bumpass, who suffered a fractured skull in the crash, the Air Force said.

## Brown Is Arrested On Assault, Battery

Hardy Brown, Sanford negro laborer, is finding it hard to stay clear of the law.

Constable J. Q. "Slim" Galloway arrested Brown Saturday morning about 6:30 on a charge of "assault and battery." He was lodged in the Seminole County Jail with his bond set at \$175.

Brown, according to Constable Galloway's report, went to the home of Florence Bolar on Grapeville Ave. about 4 a. m. Saturday morning. He broke into the home, Galloway said, and beat the negro woman with his fist and stabbed her in the back with a knife.

Constable Galloway said that Hardy Brown was arrested about a month ago on the same charge by its fall.

Then he held on until police and a group of would-be cowboys brought the animal to earth and tied it up.

## Startled Pilots Take Second Look

DALLAS, Tex. (U-P)—Startled airplane pilots saw a 300-ton hangar squatting on Love Field's best runway Sunday.

The hangar was being moved across the airfield as part of an expansion program. But rain had softened the ground and when the hangar was pulled off a take strip it bogged down. Tractors, cranes and trucks couldn't move the huge building. Its 88 dollies were firmly stuck in the mud.

The edge of the hangar blocked the runway and planes were shifted to a shorter strip.

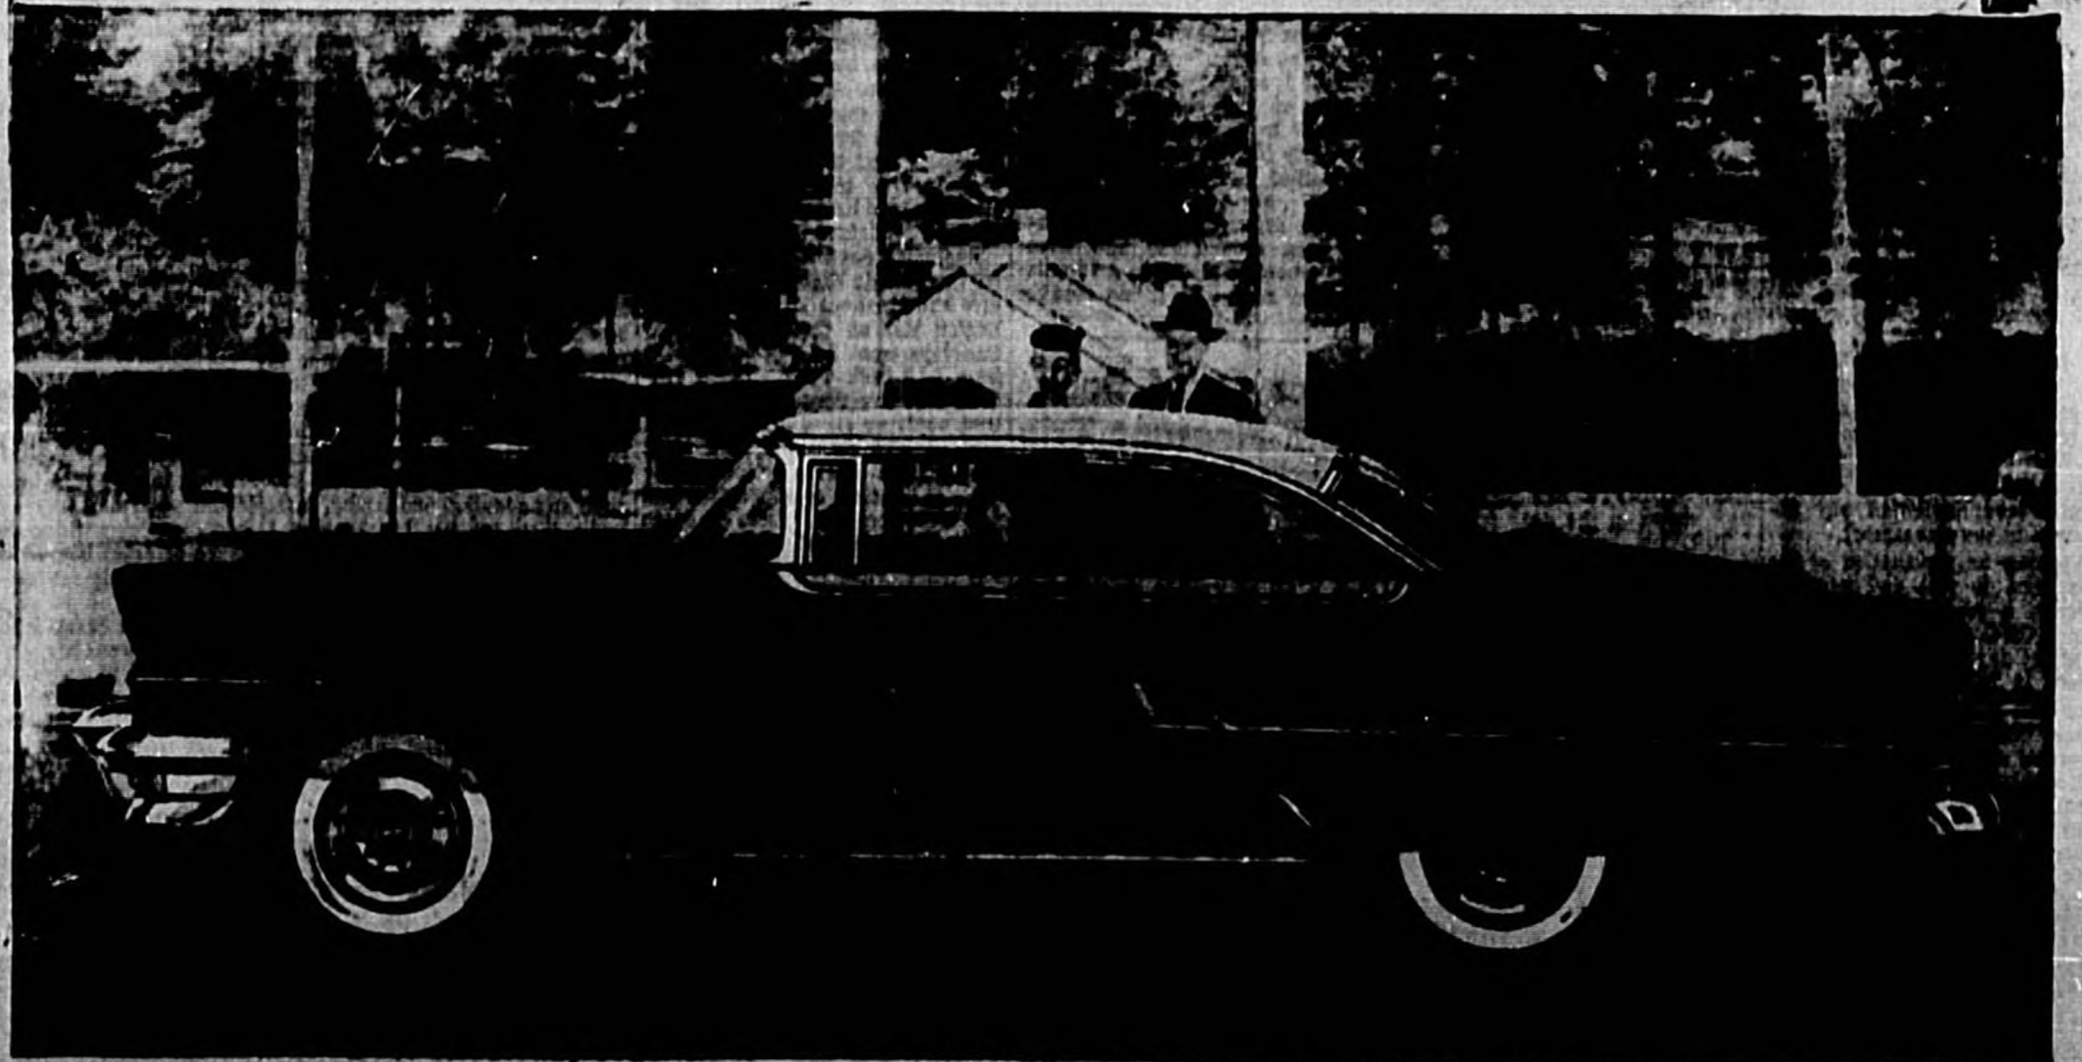

After about 16 hours metal plates were placed on the ground and the hangar was moved out of the way.

## RUNAWAY CALF COULDN'T ESCAPE

ST. LOUIS (U-P)—Patrolman Gilbert Kennedy decided that an hour-long pursuit of a runaway calf on the express highway yesterday had gone far enough.

Kennedy didn't need a horse. He leaned out the window of a moving patrol car and grabbed the calf by its tail.

## Fine Job Done By Townspeople, Merchant Hospitality Committee

The Hospitality Committee along with the merchants and people around town "did a fine job" to make the teachers feel welcome during the recently held workshop at Seminole High School, stated a teacher, S.H.S.

Many gifts were contributed to help the teachers and the lunchroom committee negotiated with establishments to make the lunches more plentiful.

## Lutheran Church Annual Picnic Set

The Sunday School of the Lutheran Church of the Redeemer will hold its annual picnic on Labor Day, according to the Sunday School Superintendent Jerry Senkari.

Senkari pointed out that the all-day affair is for the benefit of the Sunday School children as well as the older folks of the congregation.

The picnic, Senkari said, will be held in an area about 4 1/2 miles west of Sanford out 20th Street. "It is in the same area where we had such a successful old-fashioned picnic last year," he said.

Plans will be completed for the event, Senkari announced, at a meeting which will be held at the home of Donald Hickmeyer, 1223 Randolph St.

# USO

## Afternoon Picnic Said 'Big Success'

Commander Melvin Smith of Post 3282 of the VFW said that "a good time was had by all" at the VFW and Auxiliary picnic held Sunday afternoon at Golden Lake.

A delicious picnic lunch was enjoyed and swimming and other general "get together" chatter provided entertainment.

Those enjoying the event were Mr. and Mrs. Ray Zuchowski and daughter Joan; Mr. and Mrs. J. W. Wheeler and son Craig; Chief and Mrs. H. M. Charpentier and children, Patsy, George, Michael, Ruth Smith, Mrs. Ann Florio, Mr. and Mrs. L. N. Dillard and sons, George and Jerry; Mrs. Ann Taubly and daughter Bonnie; Bob Brown and children, Bobby, Patricia and Pet; W. H. Mitchell, Earl K. Barber, Meredith Brown, Mrs. Kathleen Thomas and children, Cindy and Curt; Mr. and Mrs. Chester Mack and children, Janet, Stephen, Michael and Arthur; Mr. and Mrs. L. L. Hardwick and son Benny; Mr. and Mrs. Melvin Smith; Mr. and Mrs. Mack Hilton and children Glen and Amorette.

## Training Union Picnic Thursday

The Training Union of the First Baptist Church has set Thursday as the day for its annual picnic which will be held at Rock Springs.

The bus will leave the church at 4 p.m. and supper will be served at 7 o'clock.

"YO HEAVE HO!" Ice cream parties are becoming popular nowadays at the Sanford USO. Since the home-made cream "tastes better" the boys and junior hostesses put talents and muscles together to churn some in the hand freezer. (Photo by Jackson Studio)

## GUACAMOLE, SOUTHWEST STYLE

Ingredients: 1 medium sized or large avocado, 1 tablespoon lemon or lime juice, 1/2 teaspoon salt, 1/2 teaspoon chili powder.

Method: Cut avocado in half lengthwise; twist halves in opposite directions to separate; remove seed. Strip off peel. Mash avocado very fine with a fork; mix in lemon juice, salt and chili powder. If the avocado is really unripe it will probably make 1 1/2 cups; if it is large it will probably make 1 1/2 cups and you may wish to add more lemon juice, salt and chili powder.

## MEDITERRANEAN FREEZEE

Ingredients: 1 teaspoon each finely chopped garlic, 1 small can (2 ounces) anchovy fillets, 2 tablespoons extra virgin, 2 packages (4 ounces each) cream cheese, 1 cup milk, 1/2 teaspoon capers (chopped) if desired.

Method: Mash garlic in mortar with pestle, or on waxed paper with flat part of heavy knife blade, until it is a pulp. Add anchovies with their oil to garlic and mash again to a paste. Stir in vinegar. Have cream cheese at room temperature; gradually beat in milk; mix in garlic-anchovy mixture. Stir in chopped capers if used. Makes about 1 1/2 cups. Serve with pretzels so that guests can dip them into the cream-cheese mixture.

## Spotlight On Hollywood

HOLLYWOOD or Texas may have its oil fields and fish its minnows but Hollywood's greatest money producer is still Tarran.

The fabulous age man who has the television screens this fall in what would be the most lucrative field yet for Tarran. It was just 12 years ago that the late Edgar Rice Burroughs, who had failed at a score of other enterprises, wrote a tale of the African jungle, the mechanism of which were simple. Into the jungle Burroughs sent

an appetizer, sent a box of the most beautiful of savanah, published cook books, "Jungle Recipes" by Lulu Burroughs and John Watts (Auntie) Jones, presented as "Chief Cook and Butcher" for Mrs. Watts' family and their five children for over 10 years and the cook book has become a household name. It is a collection of regional recipes, including, too, are some few West recipes that come from Watts' attic of the family.

The cook book opens with Jones' Sherry Shrimp Buffet. For it a cabbage is hollowed out and filled with a Rognonoff shrimp sauce. Then shrimp, broiled in specially seasoned butter and added are placed over the outside of the cabbage bowl with white toothpicks. Between the shrimp and black olives are impaled the same way. Around the cabbage-which is pretty green foliage is left on, go golden crisp potato chips. When the shrimp are out, guests use the potato chips to dip in the sauce. You can, of course, make your own Sherry Shrimp Buffet with these general directions. But if you want Jones' actual recipe, you'll have to get hold of a copy of the Watts' book. It might be you could borrow it from your local library; these days many libraries throughout the country keep adding new cook books to their shelves.

Scott, a native of Portland, Ore., was in Africa to shoot scenes for "Tarran and the Lost Safari," the 24th Tarran movie, and the last to be shot in big screen and color. He also filmed several of the television shows there.

The Tarran movies are the biggest money-makers abroad. Some of the ones Johnny Weissmuller made 10 years ago are still running in theaters there. Scott said he was thrilled to find thousands of people waiting outside his hotel in European capitals.

"In Beverly Hills," he laughs, "the people think I'm just another actor who needs a haircut."

## Local VFW Auxiliary Announces Twenty-First National Contest

Mrs. Melvin Smith, president of the local Ladies Auxiliary to the Veterans of Foreign Wars, announced that the Club's Twenty-First Annual National Essay Contest for High School students is now beginning with the deadline being no later than midnight, March 15, 1936.

## College Students Put On Dean's List

The names of nine Sanford college students and two students from Enterprise were on the list from Enterprise were on the list from Dean's List at Florida State University, officials announced today.

These from Sanford on the list were Beatrice M. Huber, Dawn Marie Bishop, Beverly Gray Briscoe, Donna L. Harper, Harold H. Kastner Jr., Frances E. Lyon, Margaret J. Malloy, Autumn V. Shannon and Clyde R. Walker.

The students from Enterprise on the Dean's List are Lovick O. Hasman Jr. and Sylvia M. Hayman.

An average in academic work is required for undergraduate students to make the Dean's List. Students on the graduate level must make correspondingly higher marks to be named on the list.

## Fishing Rodeo

Continued From Page 1  
His share of fish. Every cracker pole has been equipped with fresh line, hook, sinker, and float, and a share of wiggler worms will be issued each participant.

Medical attention will be on hand to provide the ultimate in safety for every youngster. Mother's allowing their children to attend the Jaycee Fishing Rodeo by buses provided in every section, can rest assured that every child will be well taken care of by the Jaycee membership.

Judges will be on hand to weigh and measure each fish as it is pulled from the water. Officials of the Game and Fresh Water Fish Commission, along with local enthusiasts, will be on hand to help the Jaycees make tomorrow the biggest day in the history of each youngster's life.

Kilpatrick today announced the schedule for the prizes to be awarded and this year, he said, a trophy will be among the valuable prizes distributed to the winners.

In the age group 11 to 14, one of the prizes will be awarded. One for the largest fish and another for the second largest fish. Prizes will be awarded for the largest and second largest fish in the age groups six to 10 years old and in the youngest group one to 5 years old.

The following merchants have contributed prizes to be awarded the various winners: Florida State Bank, Gen's Texaco Service Station, Goodyear Service Store, Hill Hardware Company, Hill Implement Company, McCrory's, Nelson and Company of Oviedo, Powell's Office Supply, Robins Sporting Goods and Sweeney's. St. John's Realty is donating the trophy.

Ice-cream is being contributed by Southern Dairies and cold drinks by the Sanford Coca-Cola Bottling Company and the Neli Bottling Company. Strickland-Morrison, Inc., is donating the use of trucks.

The Jaycees Fishing Rodeo will have prizes in store for three groups not yet mentioned. An award will be presented to the young angler catching the first fish, to the youngest child catching a fish, and to the youngster with the most fish caught.

Trout Pond is located West of Sanford off 20th St. The route will be well marked by the Jaycee Committee making it practically impossible to get lost. Parents are invited to bring their youngsters to the rodeo, Kilpatrick said today.

Attending the Jaycee Rodeo this year, as they have done in the past, will be youngsters from the Methodist Children's Home at Enterprise and from the Lutheran Haven Home for children at Slavia.

All-in-all, chairman Kilpatrick said today everything is in readiness waiting for more than one young fishermen and fishermen to show up at Trout Pond tomorrow afternoon at 1 o'clock.

Fee for the event is contributed by City Products Company.

## City Budget

Continued From Page 1  
called for the moving of the sub-bill diamond from its present location to Fort Mellon Park. The burning down of a wood fence surrounding the old ball park and replacing it with a chain fence, and the addition of \$100 for the purchase of fertilizer for use by the park crew.

Faced with the necessity of reducing the budget by about \$27,000 in order to keep tax millage at its present level, Commissioner Jean Krider proposed that Debt Service millage be reduced to 11. With this reduction on one side, it was expected that millage for operation of the general government would be raised by 2 mills. With this proposal, the commissioners agreed that it might be possible to allow all items stand in the proposed budget as they are.

No action was taken, other than general discussion, on the final passage of the budget prior to the budget ordinance authorization. The further discussion will be continued at the next regular meeting of the Board on Sept. 12.

## Firemen Still Pour Water On Twisted, Charred Wreckage

WHITING, Ind. — Nearly all the 1,700 persons evacuated from the area near the Standard Oil Co. (Indiana) refinery fire Saturday have returned to their homes. All but a few of the dwellings in the 6-block area have been pronounced safe and the National Guard has been ordered to leave the area.

Through still hot pouring rain of water over the twisted steel as the charred wreckage continues to smolder. The fire is contained in a 10-acre area of the 1,500-acre refinery and manufacturing plant. Damage has estimated damage to the plant at more than \$10 million and loss in crude oil and products at more than \$1 million.

## Prominent Record Made By Company In Unit Training

Co. I, 124th Inf., Sanford's own National Guard unit, compiled an outstanding record during the unit's annual two-week summer field-training exercise conducted at Fort McClellan, Ala., it was announced today.

The Sanford company received eight superior and six excellent ratings from Third Army inspection teams on the different phases of training.

The unit was rated superior in military courtesy and discipline, appearance and personal hygiene, supply economy, individual tactics and functional training, marches, bivouacs, unit tactical or functional training and command supervision and planning.

Excellent ratings were received in unit food service, unit supply, unit transport, operation and maintenance, unit maintenance, weapons training and communications training.

The local unit was training this year for the last time as a rifle company in the 124th Inf. Reg. This Regiment will be inactivated Nov. 1 when the 68th Inf. Division becomes the 68th Armored Division.

The exact designation of the Sanford company after the conversion to armor is unknown at this time although it is known that the local unit will be an Armored Inf. Co. and will be equipped with the latest equipment used by armored units.

Co. I now has a strength of 73 enlisted men and six officers and is commanded by Capt. Joseph D. Bryant.

## Sodero

Continued From Page 1  
000 delivered at Sanford fully equipped. However, he commented, a crew of five would add an additional \$500 per week to the expense involved.

The Board of Sanford City Commissioners agreed to allow the franchise asked by Sodero and City Attorney Ed Shinkholder was instructed to prepare the instrument. Sodero said that the boat chosen to operate from Sanford would arrive here at the city pier no later than Dec. 15.

In addition to the exclusive franchise for the operation of the boat, Richard Sodero asked that the franchise include the use of the pier so that offices, waiting rooms, sales rooms and other facilities necessary for the large sightseeing boat operation could be established in the present building. The commissioners agreed and also allowed an option for the permanent use of the facilities as a restaurant. Sodero explained to the commissioners that it was included in their plan to build an exclusive and fine restaurant where the bandshell now stands. This building, he commented, however, is dependent upon the successful operation of the sightseeing boat venture.

He outlined the use of new lights, flags, beautiful decorations and a glass building, in the building of the proposed restaurant.

The option for the use of the pier, on an exclusive lease and franchise basis, was extended to Sodero and Kemp in an agreement which will extend until Dec. 31, 1955. Sodero explained that he believed that the possibility of the restaurant could well be explored by that date.

The 20-foot bandshell will be up in the area surrounding Sanford, publicizing the sightseeing boat operation that will operate from the city pier this winter. It will be looking forward to being a part of the winter season.

Owens told the drivers, "We will carry out the same policy that we followed last year. We will enforce these laws more closely. I would like to caution all of the drivers." Owens said, "about putting out the arm signals far enough in advance of the stop or turn to warn the motorists behind." The deputy sheriff concluded, "Don't open your doors until you see that traffic has stopped."

Patrolman Arnold Williams represented the Sanford Police Department at the meeting held yesterday. "We will follow the best of the group. A school boy patrol is being organized and the Mother's Patrol will also be utilized again, he said. "We will have protection at the intersection of 11th and Magnolia, 18th and French and Third and French, because of the heavy traffic burden and the number of children using these crossings." Williams said, "We will enforce the city ordinance." Patrolman Williams told the drivers, "and we expect you to follow them as closely, if not closer, than other drivers. We will assist all of you drivers by checking your red lights, making sure that they are working." Williams concluded.

## Deeds Are Given

all we have to fear now is fear itself."

Meach, Seminole County Commission chairman told the group that "We are not asking anyone to give their home but we are asking that if you have property on the right-of-way, that it be given."

Odhams pointed out to the property owners and interested citizens, "First of all, there is no money to buy these right-of-ways. Every dollar used is taken away from secondary roads."

The first citizen to contribute property for the right-of-way was Paul Burris who signed a deed to give his right-of-way property in Spring Hammock. He lives on Lake Jessup.

W. Pitt Varnes told the Citizens Committee, "We are expecting and anticipate 100 families in our park. We are willing to donate the approximate 500 feet of right-of-way, provided a crossover to the park entrance is secured by provision in the deed."

M. W. Bates, who owns property between Coronet Motor Court and Albee's Inn on the east side of the highway, advised the committee that "All I own will be given free."

A program of advising property owners along the highway of the right-of-ways necessary for the construction of the 17-93 four-laning project is now underway.

At last night's "Citizens Committee" meeting, at the request for a rule of hands when asked who is in favor of the 17-93 four-laning project, all but two of the more than 200 signified their approval.

The spirit of the meeting, said visitors last night, was overwhelmingly in favor of the highway project. Future meetings of the group were not set last night, awaiting completion of the program to advise property owners about the right-of-way requirements.

## New Negotiations Planned By France

PARIS — New negotiations with Moroccan nationalists are planned by France in a drive to set up a stable, home-rule government for the North African protectorate.

Important changes in the Moroccan political situation appeared imminent but there was no announcement of details.

The French Cabinet completed a two day discussion of Moroccan policy yesterday and announced steps would be taken to establish a new government within two weeks. Pierre July, minister for Tunisian and Moroccan affairs, predicted that "the obstacles which still confront us will be overcome."

## Finishing Touches Put On Proposal

UNITED NATIONS, N. Y. — Presidential adviser Harold E. Stassen put finishing touches today on President Eisenhower's proposal for an exchange of military biographies and aerial inspection with Russia.

Stassen said he expected to submit the detailed program later this week to the five-member U. S. disarmament subcommittee, which resumed its negotiations here yesterday. Henry Cabot Lodge Jr., permanent U. S. delegate to the U. N., told the group of its opening session the United States wants U. N. approval for the Eisenhower plan.

## U. S. Stands Pat On Travel Curbs

WASHINGTON — The United States is standing pat on its determination to ease travel curbs on Russians only when the Kremlin does likewise for Americans inside Russia.

The "spirit of Geneva" of which Russians talk these days has generated no change whatever in the Soviet travel restrictions. These restrictions against American visitors include border zones, key cities and other regions for a total of about one third of the Soviet land area.

## Shuffleboard Court Addition Wanted

The addition of four new shuffleboard courts was requested for the Sanford Tourist Club area at last night's City Commission meeting.

Dr. W. D. Gardiner, chairman of the Board of Trustees of the local Tourist Club, presented the request to the board of commissioners.

Dr. Gardiner explained that "with four additional courts, we are assured that the State Tournaments will be held here."

"The fellowship and friendly atmosphere is a means of holding visitors here," Gardiner explained to the commission as he voiced the request for added facilities. "One man brought eight families here last year," he commented.

The attitude of the commissioners last night toward the new facilities were favorable. However, no definite action was taken.

## Northern Vacation Ended By Sheriff

Sheriff Luther Hobby returned to Sanford last night from his vacation trip to the "North Country." Back on the job, Hobby said that it will take a long time to get rested from his vacation activities.

Traveling in the Northeast, the former home of his wife, the Sheriff said his vacation was pleasant and enjoyable.

## Solid Partnership Time Finally Here, Relates Shigemitsu

WASHINGTON — Japanese Foreign Minister Mamoru Shigemitsu said today the time has come for America and Japan to "review our defense relationship and put it on a solid partnership basis."

Shigemitsu said that under the existing security treaty between the two nations the major burden for Japan's defense has been placed on the United States. Japan, he declared, has been "cooperating under an unequal arrangement."

Shigemitsu's remarks were prepared for a National Press Club luncheon. He is here for a three-day round of talks with American officials.

## Denmark's Champion Hits Upset

NEW YORK (AP)—Denmark's boxing champion in exile, Christensen, has three potential pay nights in line today after his "good fortune" upset victory over Gene Poirier at St. Nicholas Arena last night.

Behind on points and an 11-5 underdog the Danish welter champ came away with a sixth round technical knockout when commission doctor Alexander Schiff ordered the bout to end.

Poirier had an open cut over his right eye. It later required six stitches. It bled freely during the last round.

Poirier, hard-hitting Niagara Falls, N.Y., puncher had taken a good lead by scoring with body punches over the first five rounds.

"He butted me twice in the same place," Poirier said.

"Jabs did it," claimed Christensen. "I was just beginning to come on. I hadn't fought in four months and was a little rusty."

Harry Stickers, Christensen's manager, said his fighter would now keep busy. He outlined the suggested matches.

"We have a tentative date with Ramon Fuentes for San Francisco, Sept. 20 and possible dates with Don Jordan in Los Angeles and back at St. Nick's with Paolo Melis for October. Nothing has been signed yet though."

Poirier was 100 to 140 for Christensen. It was Poirier's third defeat, all TKOs. He has won 14. Christensen is now 30-6.

The good-looking blonde Scandinavian boxer said he came to this country because he couldn't get enough fights in his homeland.

**Illegal Fishing Told By Officer**

Wildlife Officer J. D. Warren filed charges of possession and fishing with "illegal fishing devices" against two men Sunday.

Warren, this morning, said that Robert Henry Enclous and Floyd Edward Brock were both fishing with illegal devices at Week's Springs. Their boat was set at 8:30 and posted with the Seminole County Sheriff's office.

MIAMI (AP)—The veteran thoroughbred Three Rings rang the bell three times in Hialeah's Royal Palm Handicap. He won the race in 1949, 1950 and 1951.

By ED WILKS  
The Associated Press

The second-place Chicago White Sox, stumbling along like the rest of the American League contenders, take their first dose of a kill 'em or cure 'em remedy to-night.

All the White Sox have to do is play two games with fourth-place Boston and four with third-place Cleveland in the next six days.

Manager Marty Marion's guys aren't exactly sickly, not when they're just a half game behind first-place New York. But they aren't really robust, either, after losing five of their last eight—and with four off the defeats at the hands of seventh-place Washington and last-place Baltimore.

If the Sox turn hot, they could be sitting pretty as they make their final swing through the East next week. If they drop the two series, it might be all over.

Baltimore slapped fifth-place Detroit 13-4 games back yesterday by sweeping a double-header 6-0 and 4-3. That was the only action in the league.

In the National, Brooklyn made it three straight by whipping St. Louis 10-4 to go 12 games out front again; Chicago's Cubs spilled the New York Giants to a fifth straight defeat 6-3, and Cincinnati homered past Philadelphia and Robin Roberts 4-3. Milwaukee and Pittsburgh were idle.

Erv Palica set down the Tigers in the first game with a five-hitter. Baltimore had 10 hits while battering lower Steve Gromek, including a two-run homer by Gus Triandos. In the nightcap, it was a bases-loaded single by Freddie March that won for the Orioles, overcoming a 3-2 Detroit lead in the seventh inning.

A beanball battle flared early at Ebbets Field, but Plate Umpire Jocko Conlan put his foot down in the fourth inning, warning both managers after Stan Musial was hit on the right hand by a Johnny Podres pitch and Cardinal right-hander Tom Poholsky had hummed one behind Jackie Robinson.

Ken Boyer homered to bring the Cards within 3-4 of the Brooklyn lead in the seventh, but Duke Snider and Carl Furillo homered for the Dodgers in their half of the frame.

The Phillies, who had won 9 of 10, couldn't hold a 3-0 lead as the Redlegs tagged Roberts (21-10) for four home runs. Wally Post hit a pair, with his 34th, wrapping it up in the ninth.

The Cubs also smacked four home runs, two by Harry Chitt, while belting four giant homers for 14 hits. Jim Parness was the base (14-13) while Warren Hacker won his 11th behind a seven-hitter.

**RECOMMENDS SUCCESSOR**

DETROIT (AP)—All-Pro grinder Les Bingham has retired as guard from the Detroit Lions but has recommended George Redila, a 250-pounder from Detroit, as his possible successor. Redila has no college experience.

WIFFIE SMITH, 18-YEAR-OLD GOLFING PRODIGY, NOW PLAYING OUT OF ST. CLAIR, MICHIGAN, WILL BE ONE OF THE YOUNGEST THREATS FOR THE U.S. WOMEN'S AMATEUR AT CHARLOTTE, NORTH CAROLINA, AUGUST 22-27.

## Nearly 1,500 Golfers In Qualifying Rounds

By THE ASSOCIATED PRESS

Nearly 1,500 golfers, duffers and top names alike, played in sectional qualifying rounds across the nation today in the first leg of the National Amateur golf championship.

A total of 187 berths remain to be filled for the championship tournament, to be held Sept. 12-17 at the James River course of the Country Club of Virginia at Richmond.

The U. S. Golf Assn. accepted a record 1,507 entries for the tourney, exceeding the former high of 1,416 in 1911.

Eleven players were exempt because of major titles won in the past. Nine others got the jump on the rest, shooting in the Northwest sectional yesterday at Seattle, where Bruce Cull, Portland, a member of the Walker Cup team, and C. W. Adams Jr., of Seattle, claimed the qualifying berths.

Cudd toured the 6,323-yard, par-70 Broadmoor course in 32:48-140 for his two rounds. Adams filled the other spot with 77:18-154, moving up when Erv Parent, Seattle, the Washington State amateur champ, and Dick Stearns, Portland, said they would be unable to make the national.

Five other members of the Walker Cup team, one member of the losing British Walker Cup team and five of last year's amateur quarterfinalists were among those who played today.

Two members of the U. S. were exempt: Joe Conrad, San Antonio, Tex., is the current British champion and Harvie Ward, San Francisco, is a former British titleholder.

Arnold Palmer, the 1954 amateur champion, now is a professional.

## Swaps, Nashua Said In Peak Form For Wednesday

CHICAGO (AP)—With both Nashua and Swaps considered in peak form, track experts look for Wednesday's \$100,000 match race at Washington Park to be one of the greatest of all time.

Everything will be even, except, perhaps, the odds. The latest on the Caliente Book lists Swaps at 2-5 and Nashua 9-5.

Both brilliant 3-year-olds will carry 126 pounds for the mile and a quarter. This is the same import and distance as for the Kentucky Derby, when Swaps handled Nashua his only setback of the year with a length and a half victory in 2 of 4's.

Both colts will be ridden by about the best jockeys in the business, Eddie Arcaro up on the East's Nashua and Willie Shoemaker aboard the West's Swaps.

And there will be no room for alibis, as in the case of a crowded field, for only two horses will be out on the finely conditioned dirt oval, which has the longest home stretch in the world—1,331 feet.

Comparative times may or may not be too important in a race of this kind, but they are certain to be significant.

With the exception of the Kentucky Derby, each colt has run the mile and a quarter only once. Swaps won the Westerner at Hollywood Park July 9, by 6 lengths in 2:00.35.

Nashua took the Dwyer at Aqueduct July 2 by the same margin in 2:03.45.

John Ivory Smith, slim Daytona Beach right-hander, wasn't satisfied with merely breaking the Florida State League's 15-year-old strike-out record. He's stretching it longer and longer.

Last night he struck out 9—making his season total and the new record 319. That's 14 more than collected by the old record holder, Richard Hearn of St. Augustine, in 1940.

Whether Smith gets another chance to add to his mark is doubtful because the season ends in two more days.

Last night he set Sanford down on a four-hitter 11-3. His mauling gave him a quick working—three runs in the first inning and five more in the second. Bill Patris was the heavy hitter with a two-run single in the second and a solo homer in the eighth.

Gamesville won fourth place—and a possible playoff berth—by beating St. Petersburg 4-3 while fifth place West Palm Beach split a doubleheader with Lakeland.

West Palm won the first game 9-3 but was blanked in the second 13-0.

Herman Pizzaro drove home Gamesville's decisive run in the ninth with a sacrifice fly. The Saints rallied for two runs in the bottom of the ninth before Roland.

Orega could squelch the rally.

Warren Kilmer led West Palm to its first game victory with a double and a single. Joe Bayna, who started on the mound for Lakeland in the opener, contributed three hits in the second game.

Cocoa whipped pennant winning Orlando 9-3. Pitcher Jim Wheeler set the Flyers down on two hits and then contributed a three-run homer in Cocoa's five-run fourth inning.

The attendance at Cocoa was 245, at Lakeland 400, at St. Petersburg 920, and at Sanford 312.

## Supremacy Road In Davis Cup Play Will Be Long One

By ED CORRIGAN

FOREST HILLS, N.Y. (AP)—The road back to supremacy in the Davis Cup will be a long one for the United States unless Lewis Hoad and Ken Rosewall succumb to the lure of a pot of professional gold.

Australia's 20-year-old Whiz Kids showed themselves complete masters of Tony Trabert, Vic Seixas and Ham Richardson, America's top players, when they won the Challenge Round by a crushing 5-0 count.

Even after they had won the cup by sweeping past Seixas and Trabert in the singles and doubles for an insurmountable 3-0 lead, they continued to apply relentless pressure in the final two singles Sunday. The results were a 7-6, 6-1, 6-4 victory by Hoad over Seixas and a 6-4, 7-6, 6-1, 6-4 triumph by Rosewall over Richardson.

Where to now?

No one really knows. Seixas, at 32, is out of the picture. When the 1956 Challenge Round is played Down Under, he'll be 33. He no longer has the equipment to cope with the Aussies and probably will retire to his Philadelphia plumbing business.

He did not identify either party. Galbreath told newsmen the club will lose about a half-million dollars this year, and added:

"We could sell and get all of our money out of a sale, but that's not in the mind of either Tom (Tom Johnson, vice president and secretary) or myself."

## More Trying Tilts Ahead Of Chicago

CHICAGO (AP)—The Boston Red Sox invade Chicago tonight to open another trying week for the second-place Chicago White Sox in the unpredictable American League pennant race.

Shortly after sundown next Monday the White Sox will have played eight games against three of the tougher rivals in the league, barring weather postponements.

After a two-game series with Boston, Chicago moves to Cleveland for four games, capped by a Sunday doubleheader, and then to Detroit for a Labor Day twin bill against the Tigers.

The ambitious Red Sox, only 3 1/2 games behind the front-running New York Yankees, are Chicago Manager Marty Marion's No. 1 worry.

"I don't care about next Sunday, Monday or the day after tomorrow," said Marion. "The next game is what counts and it's against Boston. They've been tough and can get tough."

## Football Comes Into Pix Soon

By MERCER BAILEY  
The Associated Press

Football, 1955 style, will bounce into the Southeastern Conference sports picture Thursday when 400 or more hopeful young men and their harried, hopeful coaches get together for fall practice sessions.

Actually, many of the schools will take advantage of Commissioner Moore's okay and parade their athletes in full battle regalia Wednesday for the benefit of newsmen and photographers. But no workouts are permitted until Thursday.

The varsity squads at the 12 SEC schools range in number from 47 at Louisiana State University to 64 at Kentucky. Individually, players range from the large economy size package of Alabama tackle Alvin Elliott, 6 feet 3 and 300 pounds, to the free trial size bundle of Tulane halfback Wes Willie Hed, 5-10 and 145.

Three new head coaches are on the scene. J. B. (Kars) Whitworth, lately of Oklahoma A & M, was hired by his alma mater with hopes in return Alabama to power.

Bowden Wyatt, who carried Arkansas in the 1954 Cotton Bowl, was wooed away from the Razorback country to coach in Texas. Tennessee from an unrecaptured case of "driftitis."

And Paul Dietzel, former assistant at Army, was waved in at LSU and instructed to sharpen the claws of the over-scheduled Tigers.

All the other schools have the same top men on hand for another campaign—a campaign that seems destined to be as interesting and unpredictable as any in SEC history.

Most coaches agree that the conference gets better balanced year by year. No longer do eight or nine of the schools have to take a back seat to three or four "powerhouses." Distribution of power has reached a point that almost any of the 12 SEC teams can beat any other conference foe on a given Saturday.

Coch Bob Woodruff summed up the consensus pretty well when he said "The Southeastern Conference little race shapes up as being a light one right down to the wire. With strength of all teams becoming better balanced, I think it will be quite unusual if a single team goes through the season undefeated."

To be sure, some teams appear to be stronger than others but none is a shoo-in for the title and none can be classed as a hopeless, hapless pushover.

Strongest teams appear to be defending champion Mississippi, Georgia Tech, Auburn, Florida, Kentucky and Georgia, not necessarily in that order.

The second division may be composed of Mississippi State, Alabama, Tennessee, LSU, Vanderbilt and Tulane—again, not necessarily in that order.

Eight of the schools have until Sept. 17 to get their football machines in readiness for opening games. The other four—Alabama, Auburn, Tennessee and Vandy—will open a week later.

Between Thursday and the opening kickoff, thousands of man-hours will be spent on blocking sleds and tackling dummies, blackboard strategy sessions, wind sprints, calisthenics, ball handling, signal drills, passing, punting, contact work and game-like scrimmages.

### Two Excursion Boats Regarded In Proposed Plan

According to a proposed agreement between the City of Sanford and the operators of a sightseeing boat from Sanford, Richard Soderstrom and W. R. Kemp, the new St. John's River Boat line will get underway about Dec. 15 of this year.

An exclusive franchise for the operation of the excursion and sightseeing water craft has been extended to the two promoters who also plan to operate a restaurant on the pier and to develop an "aquarium" along the waterfront at Sanford.

Two boats are being considered for the new line, and one of them will be chosen to make the twice daily runs between Blue Springs and Sanford along one of the most beautiful water trails in the world on the "Rude of the Americas."

The Nautican is a 100-foot boat that will carry a passenger list of 250. It is complete with dance pavilion, snack bar, cocktail lounge and sightseeing deck.

The General, a brand new type of boat, is complete with sightseeing deck, dance pavilion, snack bar, lounge, cocktail bar. It is 15 feet long and will carry a passenger list of 250.

It is expected that the franchise, agreements, and option to use the pier and waterfront facilities at Sanford for the excursion and sightseeing boat and for the restaurant and aquarium, will be completed in the near future.

### B47 Stratojets Winners Of Trophy Out-Bombing B36's

RIVERSIDE, Calif. (AP)—Swept wing B47 Stratojets out-bombed the 10-engine B36s to capture the 1954 Fairchild trophy today for the first time in the seven years of competition in the Strategic Air Command "world series" of bombing and navigation.

Gleeful B47 pilots, whose all-jet jobs fly about twice as fast as the B36s which have six conventional and four jet engines, will receive their honors today from the skipper, Gen. Curtis Lemay, SAC commander.

It was the 320th Bomb Wing of March AFB here, a B47 outfit, which emerged as the overall winner, bombing and navigation combined, with 1,670 points in the final official tabulations announced today.

Two B36 outfits, the 82nd from Fairchild AFB, Spokane, Wash., and the 6th from Walker AFB, N.M., placed second and third with 1,619 and 1,607 points, respectively, but the next four wings in the standings are B47 wings.

### J. Etheridge Jr. Is Tallahassee Rep

A former public relations man for Bailey Odham joins the Miami Herald news gathering staff on Sept. 1.

James Etheridge Jr., well known in Sanford and over the entire state and a student of State Government, will be assigned to Tallahassee, replacing Jim Powell who resigned to accept the position of administrative assistant to Senator George A. Smathers.

Etheridge began his newspaper experience with the Macon Telegraph (Ga.) He has also been an editorial writer for the Tampa Times, managing editor of the Orlando Star, associate editor of the Orlando Morning Sentinel and assisted in publishing two weekly papers in Perry, Ga.

Other public relations work has been done by Etheridge for the Tampa Motor Club, Florida Division of the AAA, and for the Florida Taxpayers Association.

FROM CORRESPONDENT  
MANILA (AP)—U.S. military authorities are investigating an alleged MacArthur report on U.S. troops in the Philippines, the American Embassy said today.

### Peter Schaal Tells Of New Expansion; Serves City Firms

Peter Schaal, former city editor of The Sanford Herald who recently purchased the 28-year-old Orlando Advertising Company, announced recently that his company activities will be expanded to include promotion and publicity, fund-raising campaign direction and advertising research.

Included in the list of customers Schaal will represent are the City of Sanford and Chase and Company.

Schaal is no stranger in Sanford since he lived here for 25 years, representing the Florida Times Union, the Orlando Morning Sentinel, and the Associated Press during the last five years he served as city editor for The Herald.

The former Sanford newspaperman was sports and managing editor of the Orlando Morning Sentinel from 1936 through late 1938, and was, for three years manager of the Winter Haven Chamber of Commerce. After 12 years as promotional director of Silver Springs he was named general manager of Weekiwanke Springs.

Schaal served four terms as president of the Florida Attractions Association, was first vice president of the National Association of Travel Officials, and for 22 years was secretary-treasurer of the Florida State League.

Schaal, his wife, and three daughters will reside in Orlando at 820 Richmond Ave., the home formerly owned by Supreme Court Justice Campbell Thornhill.

### White Hearing Aids Inquiry On Policy

CONCORD, N.H. (AP)—The chairman of the Senate Internal Security subcommittee says a broad inquiry into influences exerted on U.S. policy in China and Europe was aided by a hearing yesterday on the late Harry Dexter White.

Sen. James O. Eastland (D-Miss.) said also that an "individual" he did not identify will be investigated soon on the basis of documents found in White's summer home in Fitzwilliam, N.H., and turned over to him.

The material was gathered by New Hampshire Atty. Gen. Louis C. Wyman, who dug into a big cardboard box for an hour and a half at the hearing and produced files of correspondence, official papers and photographs.

White was assistant secretary of Treasury in the Roosevelt and Truman administrations, a post he left in 1946 to become U.S. director of the International Monetary Fund.

### Israel's Confidence Is Shaky

JERUSALEM (AP)—Israel balked today at agreeing to a ceasefire along the Gaza frontier and demanded that Egypt first accept responsibility for the violence in the border area during the past week.

Egypt had agreed late yesterday to a ceasefire beginning at 6 p.m. local time yesterday. It seemed virtually certain, however, that the Cairo government would reject the Israeli demand.

An Israeli spokesman said today his government has no confidence in Egypt's promise to stop shooting, given in response to an appeal to both nations from Canadian Maj. Gen. E. L. M. Burns, chief of the U.N. Palestine truce commission.

Premier Moshe Sharett's government, the spokesman continued, had replied to Burns with a request that he obtain the Egyptian government's acceptance of responsibility for the past week's "deep penetrations into Israel by terrorist units of the Egyptian armed forces warring and killing civilians, planting mines and seeking to terrorize our population."

### Classes For Adults On Ceramic Course Will Begin Tuesday

A class for adults in Seminole County who desire to take a course in ceramics will begin Tuesday night, Sept. 6 in the Seminole High School Art Room. Registration will be held Tuesday night and any adult may enter the course on any class night during the year.

The course will be given under the Adult Education Program of the Seminole County Board of Public Instruction. Joseph Matthews, art instructor at Seminole High School, will teach the course. The ceramics course will be offered on Tuesday night from 7 p.m. to 10 p.m. If the demand is sufficient, the class will be offered on an additional night during the week. There will be no registration or tuition fees but all supplies needed for the course will be furnished to the student at cost.

The county adult education program is supervised by Fred Murray, director of adult and vocational education. If further information is desired concerning this course, please call Murray's office whose phone number is 665 or visit his office which is located on the top floor of the County Court House.

### Former Resident Dies In Hialeah

A former Sanford resident, James S. Kay, 44, died suddenly at his home in Hialeah yesterday morning. He resided at 61 W. 14th St., Hialeah, where he had lived for 13 years. Born Dec. 10, 1910, in Hartwell, Ga., he was a member of the Methodist Church.

He is survived by his widow, Mrs. Anna Kay, Hialeah; his mother, Mrs. Eunice K. Dann, of Sanford; a sister Mrs. J. P. Holclaw, of Sanford; and one niece, Mrs. Roger Schmidt, also of Sanford.

Funeral services will be held at 10:30 a. m. tomorrow at the Brison Funeral Home with the Rev. W. P. Brooks Jr. officiating. Burial will be in the Evergreen Cemetery.

THE NAUTICAN is a 100-foot boat that is capable of carrying 250 passengers. This is one of the crafts that is being considered for the operation of a sightseeing boat line.

### Boys' State Reps To Tell Jaycees Of Trip To Tally

The Seminole County Junior Chamber of Commerce will hold its noon luncheon meeting Thursday at the Yacht Club.

The five Boy's State representatives from Sanford will speak to the Jaycees, telling them of their experiences during the week at Tallahassee from June 18 to 25.

The speakers and 1955 Boy's State Representatives who will be guests of the Jaycee membership Thursday are: James Claude Hawkins, sponsored by the Rotary Club; Herman Ernest Morris, sponsored by the Jaycees; Kenneth Mason Ramsey, sponsored by the Kiwanis Club; John Edward Clarke, sponsored by the Elks Club; and James Howard Alfred, sponsored by the Lions Club.

Boy's State, sponsored by the American Legion, Department of Florida assists in the education of our youth and teaches the youth of Florida the fundamental precepts of Government.

The Junior Chamber of Commerce is particularly interested in Boy's State, because, as future voters and office holders, the American Legion feels the youth of Florida should have an understanding of the problems of public officials, their duties, their functions, and the laws that control the actions of free men, the constitution.

Boy's State is non-political and non-military.

### Authorities Seek To Explain Nature Of Double Deaths

GAINESVILLE, Fla. (AP)—Authorities sought today to determine whether Dr. Raymond S. Camp and his wife Ruth—found shot to death in their home yesterday—were slain or whether their deaths were murder and suicide.

Dr. Camp, 36, was pediatrician for Gainesville's famed 22-month old Hilar quadruplets.

The bodies were found on the floor of a bedroom. Their only son, Russell, 4, was lying nearby wounded. Police Chief W. D. Joiner said Mrs. Camp, 34, held a .23-caliber pistol in her hand.

State Atty. T. E. Duncan said that "thus far it appears to be a family affair."

Joiner said the couple had been found about 24 hours when found by Mrs. Camp's brother Dr. Pierce Allgood of Atlanta, who drove here yesterday for a visit.

Dr. Allgood told newsmen "both had been extremely depressed this last month. We never did know what it was all about."

### St. Luke Students Report Next Tuesday

St. Luke's Christian Day School in Slavia will begin classes on Tuesday, Sept. 6 at 9 a. m. Registration for new pupils is taking place during this week at the school anytime between 9 a. m. and 3 p. m. Kindergarten enrollment is also underway.

Teachers for the coming school year have been attending the pre-school planning sessions. The faculty consists of the Rev. S. M. Tohy, E. L. Bellhorn principal, S. R. Sullik, Miss Marian Stanko, and Mrs. Shealy Best. The kindergarten group will attend sessions until noon, and all the grades from one through eight will have classes daily from 9 a. m. to 3:30 p. m.

Classrooms and the auditorium have been painted both inside and out during the summer months and playground equipment also have been made more attractive by a new coat of paint. Pupils will be transported by a new 36-passenger bus purchased by the school board. Members of the school board are Andrew Duda Jr., Ferdinand Duda, Joe L. Mikler, Andrew Stanko, and John Duda Jr., treasurer.

The annual church and school picnic will be held on Sunday, Sept. 4 at the local picnic grounds. Games, contests, and refreshments will occupy the afternoon's program.

MAY TAKE STEPS  
SEOUL (AP)—Finance Minister Kim Hyun Chul said today South Korea may expel foreign businessmen who refuse to pay taxes.

"If they fail to pay taxes, we cannot but tell them to leave the country," Kim told newsmen.

THE GENERAL is also being considered to be put in operation in a proposed agreement for the operation of a sightseeing boat line. It is 75 feet long and is able to carry 250 passengers.

### '56 Plans For Team Studied

#### Krider Gives Up FSL Presidency

The last game of the 1955 Florida State League baseball season to be played in Sanford will get underway tonight at 7:30 at the Sanford Memorial Baseball Stadium.

Charles Krider, president of the local baseball club, said "Members of the local baseball association have made every effort to bring the baseball fans and the citizens of Sanford the best club possible. Individuals have given of their time and money to make the 1955 season a highly successful one."

Plans today were including possibilities of the largest crowd ever in the Sanford ball park this season to see tonight's game. Not only will it be the last game of the season here in Sanford for the Florida State League team, but it will be the last game in Sanford for John Krider as president of the Florida State League.

Krider said this morning, "I will be at the game tonight and hope to see the biggest crowd in the season's history."

In addition to being the last game of the season for the Sanford Cardinals, it will possibly be the last of the St. Louis Cardinals for Sanford.

The season has been an inconsistent one with the Sanford Cardinals going up and down the ladder of standings in competition with seven other teams of the league.

It is understood that plans are already underway for the 1956 baseball season as the 1955 season draws to a close tonight.

The Sanford Cardinals have completed the last 30 days of the 1955 competition without additional help from the St. Louis Cardinals, demonstrating remarkable baseball with a limited roster of players.

Following the game tonight city crews will start moving the clay from the diamond and transferring soil from outside the playing field inside the park to form a football field.

The Sanford Lions Club yesterday heard from a former Ringling Brothers Circus trapeze artist who is now a producer of minstrels.

Harry L. Muller of Salisbury, Md., told the Lions at their noon luncheon meeting about the possibilities of producing "The Lion Blackouts" here in Sanford in the near future.

A complete minstrel show, Muller explained, with a cast of 125 people is to be presented twice in Florida, at Vero Beach and possibly here.

Indications from yesterday's meeting show that the possibility of presenting the minstrel in Sanford under the auspices of the Lions Club look good.

Ben Wade, president of the club, presided at yesterday's meeting.

Contract Treaty Appears In Making

DETROIT (AP)—A contract agreement that would head off a threatened strike of 139,000 Chrysler Corp. employees and complete the lineup of the big Three auto companies, before precedent-setting lay-off pay plans and other major contract benefits were given to the union in early June.

The union has set a strike deadline of midnight tonight, but it is expected to stretch it a bit if necessary to reach a peaceful settlement.

That was done in negotiations with both General Motors and Ford, the other Big Three companies, before precedent-setting lay-off pay plans and other major contract benefits were given to the union in early June.
