## President Coolidge Offers "Simple Thanks" to Citizens Of Country for Re-election

WASHINGTON, Nov. 6.—President  
Coolidge calmly received assur-  
ance Wednesday of his election  
as president by an overwhelming  
vote, issued a statement of "sim-  
ple thanks," and turned again to  
his desk and the work which has  
constantly occupied his attention  
since entering office a little more  
than a year ago.

"I have no appeal except to the  
common sense of all the people," Mr. Coolidge said in expressing his  
appreciation in the statement  
which he read to a group of news-  
papermen in his office. "I have no  
pledge except to serve them. I have  
no object except to promote their  
welfare."

Up early after retiring late  
Tuesday night, the president went  
to the executive office after a  
walk about the White House  
grounds and read returns which  
had accumulated during the night.

## HOLIDAYS NAMED MEN CHOSEN FOR BY SCHOOL BOARD GOLF SEXTET OF AT LAST MEETING JUNIOR CHAMBER

Designate Armistice Day As  
School Holiday As Well  
Thanksgiving and Day After-  
ter; \$1,000 Note Is Retired.

At the regular meeting of the  
County School Board last Tues-  
day it was decided to make Armis-  
tice Day, Nov. 11 and Thanks-  
giving and the Friday following,  
Nov. 27 and 28, legal school holi-  
days in this county.

The matter was brought up by  
Sup. T. W. Lawton and a motion  
was passed declaring these days  
as holidays, but requiring school  
attendance on the Saturday fol-  
lowing Armistice Day which is  
Nov. 15. Mr. Lawton was instruc-  
ted to notify the various teachers  
and the transmitters of school  
children of this action.

A negro man, representing the  
Forest City community colored  
people, requested in behalf of the  
patrons of the negro school, a  
school building at that place with  
the agreement that the patrons  
furnish the lot for the structure.

The matter was referred to C. A.  
Hollingshead, who is to confer with  
the members of the special school tax  
district No. two, the Longwood  
district, in regard to this proposal  
and make a report at the next  
meeting of the board.

A motion was passed authoriz-  
ing the payment of a \$1,000 note  
held by the First National Bank  
of this city and a check issued for  
its retirement.

The superintendent advised that  
in order to receive sufficient funds  
for the payment of the teacher's  
salaries and other bill for the  
month closing Oct. 24, it was nec-  
essary to secure a sum of \$10,000  
from the general school fund. He  
further stated that the First Na-  
tional Bank of Sanford had agreed  
to handle the matter at the rate of eight  
per cent a year. The board ordered  
a check for the payment of the  
interest on the note.

Bills of the several school fund  
were audited and warrants against  
the various funds issued their pay-  
ment. They were:

General school fund, First Na-  
tional Bank \$10,706.10, Seminole  
County Bank \$2,029. The total  
against this fund was \$12,735.70.

Special school tax district No.  
one, Sanford Bank and Trust Com-  
pany, \$654.67.

Special school tax district No.  
two, Bank of Ovid, \$68.66.

Special school tax district No.  
three, Bank of Ovid, \$31.63.

Special school tax district No.

Ovid, \$299.95.

Bond account No. six, Bank of  
Ovid, \$302.43.

Present at Tuesday's meeting  
were C. A. Dallas, chairman pro-  
tempore; Fred T. Williams, Attorney  
Schele Maines and Subt. T. W.  
Lawton.

## Attorney In Ashley Case Asks For New Jury To Be Drawn

FORT PIERCE, Nov. 6.—What  
was said by attorney to be an  
unprecedented occurrence in Flor-  
ida took place here Wednesday  
afternoon when C. T. Abbott,  
West Palm Beach attorney, rep-  
resenting some of the shooting of  
four members of the Ashley gang  
last Saturday night, moved that  
the coroner's jury hearing the case,  
"be discharged, for reason that  
they apparently are witnesses as  
well as jurors and that the idea of  
an inquest is to investigate on the  
part of the state and to determine  
the actual facts."

County Judge Angus Summer,  
sitting as coroner, granted the mo-  
tion and ordered that a new jury  
be empaneled to hear the evi-  
dence next Saturday.

The hearing began this forenoon  
at 10 o'clock. During the after-  
noon it developed that a number of  
the jurors had talked to wit-  
nesses and that opinion had been  
formed. Shortly before the motion  
for discharge of the jury was  
made, the jury asked and was  
granted permission to retire.  
Later, it was brought out that  
members of the jury desired to  
have an attorney represent the  
jury in the hearing on the motion.

Sheriff R. C. Baker, of Palm  
Beach county, and four of his  
deputies who participated in the  
taking of the desperadoes, were  
represented by counsel. Sheriff  
Merritt of St. Lucie county and  
his deputies were represented by  
counsel, likewise. H. J. Dame,  
solicitor for St. Lucie county, was  
acting for the state.

## G.O.P. Polls Surprising Vote Throughout State

State Amendments All Carried  
But Duval Measure Which  
Is In Doubt; Count Is Slow.

JACKSONVILLE, Nov. 6.—Flor-  
ida Democrats carried the party to  
victory at the polls Tuesday by ap-  
proximately the same ratio as in  
1920, available returns tonight in-  
dicated. A tabulation of returns from  
452 of the 1,101 precincts in  
the state gave John W. Davis 24,-  
387, Coolidge 11,878, LaFollette 2,-  
416.

The returns tabulated tonight  
came from widely scattered pre-  
cincts and were considered repre-  
sentative of the vote of the state,  
and it was not believed that the of-  
ficial count at Tallahassee would  
greatly change the ratio of the  
lead established by Mr. Davis.

The entire Democratic state  
ticket, on the face of the same  
returns, was elected to office, with  
John W. Marion, Democrat, lead-  
ing his Republican opponent for  
governor, W. R. O'Neal, by more  
than three to one.

**Vote on Amendments.**

The six to one vote for the  
amendment to the constitution pro-  
hibiting the levying of inheritance  
and income taxes in the state was  
not changed by the tabulation of  
late returns. The vote on the  
amendment from 452 precincts  
was 24,387 to 11,878.

On the other four amendments,  
the proposal to amend the constitu-  
tion so as to allow the back-to-back  
and Duval counties governments  
to nominate, was the only one in  
which the result was in doubt. The  
returns from 167 precincts  
showed a majority of approximately  
one to one in favor of the amendment,  
but the state ballot showed the  
same to be 2 to 1.

The amendment providing for  
the establishment of the state

Iowa, which has been claimed as  
a LaFollette state by his crowd  
showed Coolidge with a majority  
over the combined vote for Davis  
and LaFollette, who were running  
neck and neck for second place.

11,233.

COLUMBUS, O., Nov. 5.—President  
Coolidge with returns from  
840 precincts early last night had  
built up a lead of better than two

as many votes as Davis. How-  
ever the totals included only me-  
ger reports from the centers of  
population where it has been ad-

## "MA" FERGUSON IS WINNER OF TEXAS GOVERNOR RACE

(Continued from page 1)  
the foundations are either already  
here to be unloaded or will be here  
in a few days, it is understood.

The cost of the building, \$28,000  
does not include the furniture for  
the various departments and thus  
it was learned, will cost an additional  
\$3,000 or \$4,000.

### MANY ACCOMMODATIONS

The building will be on the south  
lot of the two Park Avenue lots  
owned by the order. Ground space  
covered will be 44 by 121 feet. The  
structure will be two stories high  
and will accommodate the Master  
Mason, Royal Arch Masons,  
Knights of Templar and the order  
of DeMolay.

On the ground floor there will  
be 15 offices. On the second floor  
there will be a large lobby room,  
a banquet hall, a ladies lounge  
and several ante chambers. There  
will also be a balcony around the  
lodge room.

An added feature, it was learned,  
will be an audience chamber on  
the mezzanine floor of the build-  
ing.

The lodge room will be without  
windows and entirely sound proof,  
declared Mr. Randall. It will be  
artificially ventilated with a blow-  
er system which will furnish fresh  
warm air in the winter months  
when the weather is cold and wa-  
ter-cooled air in the summer  
months. The ventilation system, it  
was stated, is a very efficient and  
satisfactory one as has been evi-  
denced by its use in various other  
buildings throughout the country.

The lodge room will be lighted  
with invisible lights. They will be  
located above the ceiling and the  
light will be diffused through pres-  
sed glass panels in the ceiling.

With the preliminary details  
completed and final arrangements  
made, local Masons have expressed  
belief that they will soon have one  
of the most complete and adequate  
buildings of its kind in the south.

"Sometimes too many looks will  
spoil the truth."

## MANY GOVERNORS TO BE TAKEN ON TOUR OF FLORIDA

Governor Hardee Arranges Trip Through Sanford and Number of Points of Interest Throughout the State.

JACKSONVILLE, Nov. 5.—Gov.  
Carry A. Hardee has arranged a  
program of entertainment for the  
governors of the various states of  
the Union who will meet in Jack-  
sonville Nov. 17 and 18, that will  
take them through the great vegeta-  
ble growing and citrus producing  
section of the state, and thence  
to St. Petersburg where they will  
spend the day and night. The  
next day they will view what engi-  
neers describe as the greatest  
drainage operations which have  
been attempted since the digging of  
the Panama canal.

The business sessions of the state  
executives will take place at the  
Seminole hotel, and will occupy the  
whole of the daylight hours of the  
first two days. Late in the after-  
noon of Tuesday, Nov. 18, the  
governors will go aboard the Clyde  
line steamer Oscar, where they  
will be guests of the steamship  
company from Jacksonville to San-  
ford.

The governors will view the let-  
tuce and celery fields around San-  
ford during the morning and drive  
to Orlando for luncheon.

After the luncheon the execu-  
tives will board a special train  
which will take them to Tampa,  
where they will spend the next day  
as guests of the city, taking part  
in the ceremonies attending the  
opening of the Gandy bridge,  
the six mile structure across Old  
Tampa bay, which will cut the auto  
travel from Tampa to St. Peters-  
burg from fifty miles to twenty  
miles.

To Citrus Sections.  
The governors will drive to St.  
Petersburg and spend the Thurs-  
day night there. The next day  
they will be taken by automobiles  
through the citrus sections of  
Hillsborough, Polk and Highlands  
counties. They will spend the  
night at Sebring from where they  
will pass through the Everglades,  
viewing the huge drainage canal  
operations, and will dine that night  
at Palm Beach. They will go from  
Palm Beach by special train to  
Miami that same evening, Novem-  
ber 22, and there the conference  
will be held, the various magi-  
cians comprising it taking their  
time returning to their respective  
states. It is understood that sev-  
eral of the governors may travel  
as far south as Key West before  
returning home.

The program at the conference  
in Jacksonville will consist largely  
of discussions of methods to con-  
serve the natural resources of the  
state, according to Gov. Hardee.  
There will also be discussion of  
taxation problems.

MEMPHIS, Nov. 5.—Returns

of the Democratic votes last  
night in the session over the  
Pearl on issue. The normal Re-  
publican vote in Texas is about  
100,000 compared with more than  
500,000 Democratic.

Mr. Ferguson, a native of  
Texas, born and educated on a farm  
in Bell County, which he now  
owns, his daily routine not being  
so diversified as not making him  
think that the wife of any man  
can claim or banker to have the  
same. When asked some remarks about the  
election, he said, "I don't know what  
the result of politics will be, legislation  
and that he had seldom discussed  
the right to vote."

He further commented on the  
fact that he had no political  
affiliation, except that he had  
been a member of the Knights of  
Templar, which has about 300  
members, except that she never  
had a period to be a social leader. She  
believed her nomination was a  
variation of her husband's name  
and that he used it as a victory for  
the cause she championed.

He further commented on the  
fact that former Mrs. Ferguson  
had declared that he had no  
political affiliation, either the  
one or the other, the other being  
the Knights of Templar.

Her neighbor declared, how-  
ever, that he could prepare a sum-  
mons summon with his own hands  
she said, "I said that her husband  
was a good man but her husband  
had to be forced to drive."

Troy's Palais Players will give the

social life of Sanford. The mem-

note and in the combination, music  
that will be a treat to the dancing  
couples will be produced.

The dance this evening promises  
to be the best dance of the early  
fall season and the majority of San-  
ford's social side is expected to be  
there. The right kind of a dance  
for the right people is the prom-  
ise of this orchestra.

## UNIVERSITY OF ROLLINS READY FLORIDA TEAM FOR NEWBERRY ON WAY NORTH BATTLE TODAY

Gators Headed by Coach Van Fleet Pass Through Jacksonville Wednesday Night; Coaches Optimistic About Injuries to Star Players; 23 Players Making Trip

JACKSONVILLE, Fla.—The University of Florida football squad, enroute from Gainesville to West Point, N. Y., where next Saturday afternoon they will clash with the Army eleven, spent an hour in the city last night. The outfit departed at 8:15 o'clock over the Atlantic Coast Line railroad, after having had dinner at the Hotel Seminole.

Twenty-three players, headed by Head Coach James A. VanFleet and Assistant Coach Tom Sebring made up the party, while Mrs. VanFleet and Frank Wright of the Times-Union sports department were also along. The party, being personally conducted by Howard G. Rambo, district passenger agent for the Atlantic Coast Line, with headquarters in this city.

The players making the trip are: Captain "Ark" Newton, Edgar Jones, Dick Brown, Bill Miedkauff, Sam Cornwall, Clyde Norton, "Horn" Smith, "Coy" Williamson, "Goldy" Goldstein, Joe Merrin, "Spec" Lightsey, "Spic" Statley, John A. Murphree, Owen Pittman, "Tiny" Chaplin, Luman Surr, Carl Price, Jack Stewart, Clyde Davis, Edgar Todd, Dick Rose, Frank Oosterhoudt and Mongie Brumby.

Wright is optimistic over Florida's chances against the future generals, despite the fact that the assertions are that the Army is probably the best team in the East.

In this connection he made the following statement:

"Army has the strongest team in the East. They are four touch downs better than Yale, who held them to a 7-7 tie last Saturday."

"That was the comment yesterday of Florida's head football coach, James A. VanFleet, who scouted the Cadets last week."

"So Florida plays the 'class' of Eastern football Saturday when she invades the North."

"Information received here by Burton Berlack from West Point declares that thirteen letter men returned to the Army last fall, and Coach J. J. McLean found a huge mass of recruits to mould his 1924 machine, which is said to be the finest contingent the West Pointers have had in recent years."

"Captain Garibush, center, is hailed as the best pivot man the East has seen in long time, weighing 190 pounds, rating as the defense, and an all-around 'wonder.' He is a splendid broadicker and is playing his eighth years of varsity football having played four campaigns with W. and J. prior to coming to the Army."

"Farwick, one of the outstanding

that his men were never in better working condition. He expects them to put up the greatest fight of the season and has been trimming their sails in that direction. This past week has been devoted to the mastery of an entirely new set of tricky signals that are designed to keep the invaders in doubt the major portion of the time.

The outstanding feature of this afternoon's grid struggle is the fact that it will introduce to the independent colleges of Florida the S. I. A. A. regulations, this being the first football game to be played under these rules by any independent institution. Newberry, the Rollins opponent, is one of this Association's best representatives in South Carolina and due to the fact that Rollins has application filed for membership, to be acted on next December, this inter-state battle will be played under these regulations.

This policy of Rollins was established last January and should do much to purify athletics in Florida, since it is the purpose of the Southern Intercollegiate Athlete Association to uphold the best in intercollegiate sports and deport the professional. Although these regulations have considerably weakened the Rollins varsity and have detracted from their scores in previous games of the season, it is believed that the new squad has been sufficiently whipped into shape to give a fairly good representation of the Blue and Gold.
