NEW THREAT IS RAISED IN JAP WAR SITUATION

Chinese In Manchuria Said Rallying With Purpose Of Starting New Regime There

TOKYO, Oct. 20.—(A.P.)—The latest and apparently the most ambitious of a series of "independence" movements by Chinese in Manchuria seeking the separation of that domain from China as an outgrowth of the Sino-Japanese controversy is reported in press dispatches from Mukden today. General Ling In-Ching, former ally of the Manchu Dynasty and now described as a former pacification commissioner of three northeastern provinces, was named head of a new movement.

General Ling is reported as rallying troops at Pan Shan Shan, the Hange News Agency, Japanese, said. Sixty thousand men have already been mobilized for the purpose of establishing a Manchurian regime to displace that of Chang Hsueh-Liang.

The new independent movement followed closely upon the apparent cessation of hostilities in Geneva where Japan recently opposed the intervention of outside agencies in the Sino-Japanese dispute.

WASHINGTON, Oct. 20.—(A.P.)—Japan and America moved together last night to bridge the gap of uncertainty over the Manchurian situation.

Acting on orders from the Tokyo government, Ambassador Dulac announced Secretary Stimson that Japan no longer objects to American participation in the League of Nations.

The objections were withdrawn while the American Government was still awaiting formal notification of the Japanese of the Kellogg-Briand anti-war treaty by five other leading nations.

The action by the powers was taken in an atmosphere of encouragement due to combined reports of further hostilities in Manchuria. Hostilities to appear over the treaty in relation to the Kellogg-Briand anti-war treaty, the American Government decided to await notification of such action first by others.

The Japanese withdrew opposition to American participation in Geneva after Dulac at Stimson's request had established in Tokyo the exact status of President G. Herbert Hoover's appeal at Geneva, who is sitting with the League council.

Dulac's instructions were to participate only in discussions regarding the possible revocation of the anti-war treaty, of which the United States is a signatory.

In informing the secretary of the League, the ambassador added that the government still reserved the right to object to judicial decisions.

Bandits Loot Bank In Wisconsin, Slay Sin Of President

MENOMONIE, Wis., Oct. 20.—(A.P.)—An unknown number of robbers were killed today as four bandits gunned down the men of the Wisconsin State Bank in an estimated \$100,000.

How Kraft, 39, son of W. F. Kraft, a railroad car hijacker, was later slain by bandits while W. F. Kraft, 52, partner and was slain by bandits. The bandits were killed by the sheriff's posse.

The robbery was the most serious in the history of the bank since its opening in 1918. The bank had a deposit of \$100,000 at the time of the robbery.

The robbery was the most serious in the history of the bank since its opening in 1918. The bank had a deposit of \$100,000 at the time of the robbery.

Storm Brewing Off Coast Of Florida

WASHINGTON, Oct. 20.—(A.P.)—The Weather Bureau issued a storm warning advisory at 10:30 o'clock saying a disturbance of slight to moderate intensity is apparently moving north-northeastward from about 350 miles off Palm Beach, strong winds and weather observers believed gales are north of its center. There is a likelihood that the effect of the blow will be felt in this state.

POLICE HIT SNAG IN HUNT FOR DUO WHO KILLED PAIR

Woman Suspect Gives Proof Of Innocence To Los Angeles Cops

LOS ANGELES, Oct. 20.—(A.P.)—Search for Mrs. Winnie Ruth Judd, 37, wife of a physician sought for the murder of two women whose bodies were found in trunks at a railroad station here yesterday ran against a wall today when a woman suspect, questioned aboard a train in Arizona, proved her innocence. Officers announced after questioning the woman that she is not Mrs. Judd, believed by police to be the slayer or at least implicated in the murders.

She has not been seen since last night, and her brother, B. J. McKinnell said she left in an automobile in downtown Bradway after fleeing from the station. McKinnell was first represented as confessing that his sister admitted the murders to him but later he cried "It's a lie".

The bodies were identified tentatively as Mrs. Agnes Lerol, a nurse technician at Phoenix clinic, and Miss Hedvig Samuelson, her roommate.

They were found by a baggage inspector who was supposed to be blood sampling from the trunks which had been shipped here from Phoenix, where Mrs. Judd lived with the two women.

At Phoenix, Harry Ruppelius, grocery wagon driver today identified a picture of Dr. William C. Judd as that of the man he saw Friday afternoon in the apartment of Mrs. Agnes Lerol and Miss Hedvig Samuelson, Phoenix women whose bodies were found in trunks at a Los Angeles station.

Officials swore out murder warrants against Mrs. Winnie, 37, John Doe, and Jane Doe for the slaying of Miss Samuelson, said Mrs. Judd alone with the slaying of Mrs. Lerol.

State-Wide Attack On Racing Law May Be Instituted Soon

TAMPA, Oct. 20.—Pursuant to a state-wide fight in an attempt to repeal the Florida racing law were organized in the Tampa Ministers' association Monday by Dr. C. W. Duke, pastor of the First Baptist Church.

There was no request that the association take part, as Dr. Duke explained it, the new officers of the Law and Order league will decide whether to give financial backing to the cause.

The action will be held in Dade county, which takes in the Miami area, today. Unofficially, it was said that the attitude in Tampa with respect to a court contest would depend largely on whether there is to be racing in this county. No horse track is contemplated. The question of seeking an election to determine whether a dog track will be permitted is still doubtful.

Ann Harding Comes To Florida For Film

TAMPA, Oct. 20.—Ann Harding, movie star, is coming to Florida next week to make a talking picture for R. K. O.—Pathe Studios.

Only the exterior scenes will be filmed here and the company, numbering approximately 20 persons, will spend more than \$100,000 in the state.

Final selection of the location is expected to be made within the next few days, although assistant directors who have spent more than six weeks in Florida, had already eliminated all sites but a single small area in the southern county section. The location is expected to be determined by the time of the location.

LOVE STAMPS CHAIN-STORE TAX LAW OKEY

Denies Their Petition For Temporary Injunction Halting Acts Enforcement

QUINCY, Oct. 20.—(A.P.)—Florida's so-called chain store tax law was declared constitutional yesterday by Circuit Judge E. C. Love before whom the act was attacked by chain store operators doing business in the state.

In a brief order Judge Love upheld 1931 law, denied the chain operators' petition for a temporary injunction halting enforcement of the act, and dismissed the case at the cost of the complainants. Judge Love did not write an opinion.

The Florida law places an excise tax on all stores, the tax increasing on a graduated scale based on the number of stores and whether operated in one or more counties. It also taxes merchandise in all stores and warehouses.

The chain operators attacked the law as discriminatory, arbitrary and otherwise violative of the state and federal constitutions.

The state based its defense of the act on the right of the Legislature to levy excise taxes for the privilege of doing business and the Legislature's further right to classify business for the purpose of taxation.

The court action was brought by Louis K. Liggett company, operator of 22 drug stores in Florida. Winn & Lovett Grocery company, operator of 34 groceries, and Paxson, Inc., operator of seven shoe stores. State Comptroller Amos Tax Collector H. B. Council of Leon county and Tax Collector T. P. Bowman of Duval county were named defendants.

Judge Love's order declaring the Florida law valid nullifies the United States supreme court's decision on (Continued on Page Six)

Slot-Machine Law At Sarasota May Be Taken From Books

TAMPA, Oct. 20.—Slot machine racketeers in Tampa, figuring on moving to Sarasota, found yesterday that the action of the city council permitting operation thereof by ordinance, at \$15 a machine during the tourist season, probably would be knocked out by the courts.

The Sarasota Herald, in an editorial Sunday, vigorously opposed the ordinance on the ground that even if it did produce a little revenue it could not offset the damage to the community through gambling losses. Slot machines, in favorable locations at Sarasota, earned up to \$100 a day each, the Herald said.

A week ago a raid here by Sheriff Joughin's men resulted in the seizure of 53 machines. Two days later the Orlando police went out on a whirlwind drive and picked up 72. There are nearly 300 machines in storage at the county jail here, awaiting court order for their destruction.

Some estimates of the number of slot machines in the city of Tampa and Hillsborough county run as high as 8000. In the last week many, operating openly here, have been more or less in hiding.

The action of the Sarasota council in fixing a flat tax fee has been attracted widespread attention and comment.

Ann Harding Comes To Florida For Film

TAMPA, Oct. 20.—Ann Harding, movie star, is coming to Florida next week to make a talking picture for R. K. O.—Pathe Studios.

Only the exterior scenes will be filmed here and the company, numbering approximately 20 persons, will spend more than \$100,000 in the state.

Final selection of the location is expected to be made within the next few days, although assistant directors who have spent more than six weeks in Florida, had already eliminated all sites but a single small area in the southern county section. The location is expected to be determined by the time of the location.

HONORED FOR CANCER RESEARCH

Herr Frederick W. von Trittel and Dr. Alexi Carrel, left, German Ambassador to the United States, congratulated Dr. Alexi Carrel, right, distinguished surgeon of the Rockefeller Institute on his brilliant work on the study of cancer after having presented him with the coveted Northhoff-Jong prize and diploma awarded for research in the treatment of cancer, at exercises at Georgetown University in Washington.

REVENUE BUREAU PUTS LIEN ON AL CAPONE'S PALACE

Government Acts To Collect Back Taxes Owed By Gang Chief

WASHINGTON, Oct. 20.—(A.P.)—Revenue bureau place liens for back income taxes on all property owned by Al Capone, including his winter mansion at Miami Beach.

CHICAGO, Oct. 20.—(A.P.)—More trouble was brewing in the federal building yesterday for "Scarface Al" Capone, Chicago gang leader, and his father.

Capone's sentence on his conviction for violating income tax laws was delayed at least three more days as Federal Judge J. H. Wilkinson granted his attorney, until Friday to perfect their arguments for an arrest of judgment.

If this bit of procrastination could be considered as favorable to the gang chief it was more than offset by word that the government had begun in earnest its attempt to collect the tax liability. The criminal proceeding which resulted in his conviction Saturday night did not alter the government's claim that he owed some \$215,000 in tax, and whatever can be traced to his ownership may be seized.

Johnny Torrio, Capone's friend and predecessor as head man of the city's gangs, went to the (Continued on Page Two)

Palm Beach, Miami Today Busy Over Race Track Voting

MIAMI, Oct. 20.—(A.P.)—The racing spotlight along the Florida gold coast shifted from the speaking platform to the election booths today as voters in Palm Beach and Duval counties cast ballots for or against the proposal to legalize the use of the pari-mutuel system of wagering at seven horse and dog racing tracks.

The elections are the last steps in a 16 year fight by proponents of horse and dog racing to legalize those sports in Florida. They followed the passage by the last Legislature, over the veto of the Governor, of a law legalizing racing and the pari-mutuel wagering system in this state, subject to a referendum in counties where tracks were proposed for operation.

Ann Harding Comes To Florida For Film

TAMPA, Oct. 20.—Ann Harding, movie star, is coming to Florida next week to make a talking picture for R. K. O.—Pathe Studios.

Only the exterior scenes will be filmed here and the company, numbering approximately 20 persons, will spend more than \$100,000 in the state.

Final selection of the location is expected to be made within the next few days, although assistant directors who have spent more than six weeks in Florida, had already eliminated all sites but a single small area in the southern county section. The location is expected to be determined by the time of the location.

EDISON'S BODY LIES IN STATE IN WORK ROOM

10,000 Persons Stand In Line Waiting One Last Look At Great Scientist, Inventor

WEST ORANGE, N. J., Oct. 20.—(A.P.)—The body of Thomas Alva Edison lay in state today while thousands of the great as well as the unknown paid homage, and tribute to the great inventor and statesman in his laboratory here.

More than 10,000 persons, school children, Edison plant employees, relatives, neighbors and the curious waited in a long line for a chance to get a last glimpse of the great man. Conditions from all over the world poured in upon the widow and survivors. Final services will be held at 2:30 o'clock tomorrow beside the grave in Rosedale Cemetery.

For a brief moment at midday yesterday mourners stopped a continuous file past the body of Thomas A. Edison—a minister offered a prayer.

The convocation was uttered by Mrs. Edison's pastor, the Rev. Arthur H. Brown of the Methodist Episcopal Church of Orange at her request. He repeated it at 6 o'clock and planned to utter it again at 8 A. M., noon and 6 P. M., today.

Mr. Edison's body lay in a pine casket in a niche of the blue-paneled, high-ceilinged library of his laboratory. Autumn leaves covered the floor.

Dr. Brown mentioned in his prayer the name of John D. Hill, who died of shock on learning of Mr. Edison's passing. Mr. Hill was an Edison pioneer, having worked in the inventor's laboratory for half a century.

Tariff Commission Begins Hearings On Vegetable Duties

WASHINGTON, Oct. 20.—(A.P.)—The tariff commission today began hearings on existing duties on fresh vegetables in compliance with resolutions adopted by the last Congress.

Importers of fresh tomatoes attacked the tariff of 3 cents a pound as "unreasonable" trade in this commodity with Mexico, contending that unemployment in box and crate manufacturing industries and increasing the consumers' prices.

Hillsborough Tax Levy Fixed At 34.6

TAMPA, Oct. 20.—(A.P.)—Hillsborough county's tax levy for the fiscal year beginning Oct. 1, 1931, has been fixed by the budget board at 34.6 mills, to yield an aggregate of \$1,886,174 for county operating expenses. The 34.6 mill levy includes 10 mills for county schools.

The levy last year was 29 mills. While it appears on its face that this means an increase this year of 5.6 mills, the tax burden on people will not be increased over last year since the state tax levy has been decreased by more than nine mills.

Last year the combined county and state levy was 39 mills. This year the combined county and state levy will be 30.6.

Ann Harding Comes To Florida For Film

TAMPA, Oct. 20.—Ann Harding, movie star, is coming to Florida next week to make a talking picture for R. K. O.—Pathe Studios.

Only the exterior scenes will be filmed here and the company, numbering approximately 20 persons, will spend more than \$100,000 in the state.

Final selection of the location is expected to be made within the next few days, although assistant directors who have spent more than six weeks in Florida, had already eliminated all sites but a single small area in the southern county section. The location is expected to be determined by the time of the location.

Lehmanns Pledged Support Of County At Commerce Meet

Seated With 100 Heads Of Business, Civic Life Of County, He Outlines His Policy

ACCEPTS POST

Karl Lehmann, one of the South's outstanding commercial secretaries who last night publicly accepted the post as secretary of the Seminole County Chamber of Commerce at an enthusiastic dinner at the Valdez Hotel.

In those brief words which he used as a concluding phrase to a short address of acceptance, Mr. Lehmann, who had been extolled by several speakers as a man of outstanding character, dynamic personality, and "one of the leading commercial secretaries of the South," added his own words of warning to those voiced by Orange and Marion county speakers who stressed the fact that all of Mr. Lehmann's personal traits and qualities would be useless as a factor in this county's development if they were not joined by the serious thought and action of this county's leading citizens.

Nearly 100 representative residents of this and adjoining counties were gathered to express their confidence in the future of the state body, and hear Mr. Lehmann in his first official appearance. That they were deeply interested in the entire affair and gave strong indication that they would continue to lend their support to trade (Continued on Page Four)

JURY ABSOLVES CAR DRIVER IN DEATH OF CHILD

Accident Declared Unavoidable, Orlando Salesman Released

Lacelle Miller, 11-year-old colored girl, who died late yesterday afternoon after having been run over by an automobile on West First street, came to her death as the result of an unavoidable accident, according to coroner's jury which met this afternoon before coroner J. P. Horndon. The driver of the car, W. H. Barker Orlando, representative of a fertilizer concern, was thus cleared of any charge of criminal neglect which might have been filed against him.

The accident occurred near McClinton's Shell Garage, Filling Station on West First Street at about 3:45 o'clock yesterday. According to John D. Harrell and James Griffin, young colored boys who were accompanying the girl along the street after having spent the afternoon playing with several other negro children, the girl waved goodbye to them and started to cross the road. Both testified that she did not look in either direction, and that the car struck her a few moments after she left them.

Ouster Suit Filed Against Huey Long By Insurgent Cyr

SHREVEPORT, La., Oct. 20.—(A.P.)—The quipster over who is governor and lieutenant governor of the state of Louisiana became more complex yesterday by the filing of an ouster suit against Huey P. Long as governor and official functioning of Senator Kevin O. King, president pro tempore of the Senate, as lieutenant governor.

Paul N. Cyr, until recently the undisputed lieutenant governor, filed the suit against Long on the contention that Long was a United States Senator and could not legally hold both offices. Cyr also ignored the meeting of the state pardon board and allowed King to sit in as the lieutenant governor.

The only credentials King brought with him was a "how do you do" to the other members of the board.

None of the principals had anything to say about the day's events.

The developments of the Jay brought a solemn mien to the populace, who had a big laugh over the situation after unemployed men had taken the oath of governor and lieutenant governor and set up their claims for the offices. These men remained out of the picture today.

Ann Harding Comes To Florida For Film

TAMPA, Oct. 20.—Ann Harding, movie star, is coming to Florida next week to make a talking picture for R. K. O.—Pathe Studios.

Only the exterior scenes will be filmed here and the company, numbering approximately 20 persons, will spend more than \$100,000 in the state.

Pulling Together

That was a great dinner which the Chamber of Commerce gave last night in honor of Karl Lehmann, its new secretary. Nearly a hundred citizens were there and many of them came from neighboring counties, one as far away as Ocala.

Outstanding among the aims, ideals, and promises enunciated last night were the assurances that every chamber of commerce member present could be counted upon to give his time, money, and co-operation to the very limit of his ability in order that the work of the new secretary might be more readily facilitated.

We sincerely hope that this is so for surely hope can fall to realize the ineffectiveness of a leader who has no lieutenants. Sanford citizens expect great things of Mr. Lehmann, but he in turn, certainly after last night's meeting, expects great things of the people of Sanford.

Martin's Candidacy?

Daily the list of political candidates grows and grows. Gubernatorial aspirants are so numerous the very mention of their names precludes any further comment. In one direction, however, many an eye has been turned with uncertainty and, in some cases, with apprehension.

"It will be good news to readers of the New York Press and friends of racing generally throughout America and Canada that John W. Martin, of Jacksonville, Governor of Florida from 1925 to 1929, will likely run for that office next year to succeed the present incumbent, Doyle E. Carlton. It will be recalled that the Miami Jockey Club raced under Martin's regime.

"Martin was one of the most efficient men that ever sat at Tallahassee—able, fearless, always on the constructive side—he left the chair with the plaudits of his constituency because of the constitutional provision which precludes a Governor from succeeding himself.

"Martin's friends have kept up a constant din for his return to office practically since the day he vacated. But he has steadfastly refused to commit himself. He has been sitting on the fence watching the prospective candidates pass by in kaleidoscopic review, pursuing a policy of watchful waiting until last week when he was approached by the New York Press from Jacksonville.

"Nevertheless, it is regarded as a foregone conclusion that the ex-Governor is merely biding his time to make his announcement. The Press recalls that the Miami Jockey Club raced under Martin's regime. Broward county citizens recall that Martin closed the Pompano race track. If he had to call out the state militia? Everyone recalls that the Miami Jockey Club and every other track in the state raced under the Carlton regime. Interesting recollections, but not much else!

SANFORD, TWENTY YEARS AGO

The continued warm spell was not conducive to the public good either in the fields or in the streets. The early lettuce plants showed a tendency to go to seed and the fall business showed a tendency to go to the "damnation weather."

Richard Wright, the negro charged with murdering Engineer Burkes, of the Atlantic Coast Line, last Christmas eve night, was given a preliminary hearing before Judge Martin this morning and held for the Grand Jury.

A prominent and interesting social event took place last night at 6:00 o'clock at the residence of Mrs. Kate McDowell Bell, when Miss Madeline Galtie Bell and Frank Bryan Higgins played their parts in the presence of a large number of relatives and friends.

Maryland City Revenue Bureau Hurt As Hoover Spurns Its Men

(Continued from Page One) Dresher of the secret service, who said he was the president's office yesterday and asked to be released from the subpoena that brought him from New York three weeks ago as a government witness.

But the government officers said "no," and it was subsequently learned that Garrie's grand jury testimony was being checked carefully with the facts brought out in the trial. Another former Chicago gangster who came back under federal persecution and appeared before the grand jury has already been charged with perjury. He is "Two Gun Louie" Altorio, now a Colorado ranchman, and prosecutors said Torrio would undoubtedly face a similar charge if his testimony were found to have been untrue.

Capone's companion and bodyguard, Philip D'Andrea, made another brief appearance in Judge Willerson's court as his contempt of court hearing was continued for the fourth time—this time until Thursday. D'Andrea, who had been with Capone constantly during the latter's income tax trial, was found with a pistol on his person at the end of the first week and he has been in the county jail ever since. Judge Willerson has been ready to send D'Andrea to the reformatory, but he has refused to hear motions for bail.

NEW THREAT IS RAISED IN JAPANESE WAR SITUATION

(Continued from Page One) points so far as the league was concerned. These include the Japanese contention that the league should not interfere in the disputes. On the basis of official dispatches, the ambassador told the secretary that no hostilities had been reported to Tokyo for several days.

The ambassador predicted no further hostilities and returned to the secretary his government was prepared to negotiate a settlement directly at any time and would withdraw all of its troops to the railway, some if guarantees of the safety of its citizens and their property were given. He predicted that a few more days without hostilities would virtually assure peace.

TOKYO, Oct. 20.—(A.P.)—Vernacular newspapers declared last night all misunderstandings relative to American participation in the Manchurian negotiations at Geneva have been cleared and the Japanese government considers the matter closed. These unofficial indications of better feeling in the dispute following upon Japanese military operations for the announced purpose of protecting nationals and property in Manchuria, were in accord with an earlier feeling at Geneva and announcement in Washington that the United States would not take any leading role in the world wide efforts to preserve peace in the Far East.

Earlier it was said the seeming deadlock developed at Geneva by renewed Japanese objections to American participation in the League of Nations council was inclining officials here to look more to China than to the league for a solution of the Manchurian problem. Predictions were made here that Chiang Kai-Shek, head of the Chinese Nationalist government, at Nanking would retire as president and that this would facilitate settlement between Japan and China.

An unconfirmed report from the Mukden correspondent of the Reuter News Agency said General Ling Yin-Chieh was planning a civil war in Manchuria. Ling was reported preparing a manifesto blaming President Chiang Kai-Shek for the Manchurian trouble.

Social And Personal Activities

MARGARET PETERS, Society Editor

Social Calendar

TUESDAY.
The Ladies Aid Society of the First Baptist Church will have its regular meeting at 8 o'clock at the church with Mrs. L. M. ...

Former Sanford Man Weds At Kissimmee

Word has been received here of the marriage of Miss Mary Stevenson, of Asbesta's, to Judson Stroud, of Winter Haven, formerly of this city. The ceremony was performed Saturday evening in Kissimmee. Mr. Stroud is the son of Mrs. C. E. Stroud, of this city. Prior to last year he resided here with his mother for six years. He is at present connected with the gas company at Winter Haven where the couple plan to make their future home.

Mrs. Pippin's Home Is Scene Of Circle Meet

Mrs. J. H. Coleman presided over the business session and conducted the devotion at the meeting of Circle Number Three of the First Baptist Church held on Monday afternoon at the home of Mrs. R. Pippin on West First Street. Mrs. Fred Meyers taught the mission study lesson after which Mrs. A. J. Peterson conducted the Bible study lesson.

Presbyterian Synod Heads Here For Meet

A message by Mrs. W. H. Reynolds, of Gainesville, and a short business session will open the series of meetings of the synodical representing the woman's work of the Florida Synod of the First Presbyterian Church which will take place on Wednesday, Thursday and Friday of this week at the Presbyterian Church here.

NEGRO PRISONER ESCAPES

TALLAHASSEE, Oct. 20. (A.P.)—Walter Green, negro convict serving six years from Columbia county on charges of grand larceny, made his fourth successful break for freedom late Sunday, the Prison Bureau was advised yesterday. Green escaped from a state convict camp near Cottouada's, Fla.

DESOTO SHIPS ORANGES

ARCADIA, Oct. 20. (A.P.)—The first carload of Desoto county oranges moved northward from here yesterday. Another car of oranges and one of grapefruit will be sent forward Tuesday, shippers announced.

THE MAKER OF YOUR CAR SAYS

"Drain summer oil now"
The Seminole County Teachers' Association met at Lake Monroe school yesterday afternoon. Mr. Harris, president for the coming year, presided over the meeting to order and discuss the minutes of the last meeting. The songs, "America, The God of the Faithful" and "Garden of the Cross" were sung, and the new teachers were welcomed. Mr. Lester made a report on the condition of the teachers who had not yet returned to the schools, and the State Legislature had appropriated \$200,000 for the purpose of the State Teachers' Association.

Advertisement for LUCKY STRIKE CIGARETTES. Features a man in a suit and hat, a pack of cigarettes, and the slogan "It's good business for me to prefer LUCKIES". Includes text: "It's good business to guard my throat, so it's good business for me to prefer Luckies. I'm certainly for the throat protection which 'Toasting' gives me. And I'm certainly for your new improved Cellophane wrapper that really opens without a search warrant!" and "It's toasted".

Seminole Tire Shop One Minute Vaudeville.

HE: "A PEDESTRIAN? Why, I don't think you even know what a pedestrian is—Do you?" SHE: "Certainly I do. He is a lucky motorist who found a place to park."

It Has Gotten So Now—

That the art of walking is being restored to motorists. Getting from where we may park to where we are going makes pedestrians out of us all. But while we are driving we want to drive with speed and alacrity. We want our motors to start quickly and easily. We want them to perform smoothly, quietly and economically. In these respects WOCO PEP fills the bill superbly, better in fact, than any motor fuel we know of. WE ASK YOU TO TRY IT. COMPARE RESULTS.

"I want my Telephone Put Back in please"

Almost daily people who discontinued their telephone service during the stress of the past few months are ordering their service restored. They found that the small cost of the service had been rapidly forgotten each month in conventional, in-kind and usually in money saved.

Others found that the loss of their telephone service was more than a loss of convenience, because of the fact of close and personal contact made possible by telephone service. Still others mentioned that the possession of their telephone meant the loss of many personal, important social gatherings when their friends were unable to reach them by telephone.

It is not true, what some subscriber friends of ours say, "Telephone service costs so little and the advantages of the service are so many that it really doesn't pay to try to do without it."

REPORT CLAIMS ARMY STRONG UNIT

Defender Answer's Ex- planation Of League By Citing Facts, Figures

JACKSONVILLE, Oct. 19.—The League of Nations estimates the strength of the Chinese army at 1,000,000, as against 210,000 for Japan. This comparison creates an impression of a strong Chinese army and a weak Japan, which is exactly the reverse of the truth. Comparison of past-time forces shows that the strength of the Chinese army is today's strength of the Japanese army. The first was in 1911 when the world believed that the Chinese army was the strongest in the world. However, the Japanese army quickly overtook the Chinese army. In 1914, when the Japanese army was at its peak, it had 200,000 men. In 1918, the Japanese army had 300,000 men. In 1922, the Japanese army had 400,000 men. In 1925, the Japanese army had 500,000 men. In 1928, the Japanese army had 600,000 men. In 1931, the Japanese army had 700,000 men. In 1932, the Japanese army had 800,000 men. In 1933, the Japanese army had 900,000 men. In 1934, the Japanese army had 1,000,000 men. In 1935, the Japanese army had 1,100,000 men. In 1936, the Japanese army had 1,200,000 men. In 1937, the Japanese army had 1,300,000 men. In 1938, the Japanese army had 1,400,000 men. In 1939, the Japanese army had 1,500,000 men. In 1940, the Japanese army had 1,600,000 men. In 1941, the Japanese army had 1,700,000 men. In 1942, the Japanese army had 1,800,000 men. In 1943, the Japanese army had 1,900,000 men. In 1944, the Japanese army had 2,000,000 men. In 1945, the Japanese army had 2,100,000 men. In 1946, the Japanese army had 2,200,000 men. In 1947, the Japanese army had 2,300,000 men. In 1948, the Japanese army had 2,400,000 men. In 1949, the Japanese army had 2,500,000 men. In 1950, the Japanese army had 2,600,000 men. In 1951, the Japanese army had 2,700,000 men. In 1952, the Japanese army had 2,800,000 men. In 1953, the Japanese army had 2,900,000 men. In 1954, the Japanese army had 3,000,000 men. In 1955, the Japanese army had 3,100,000 men. In 1956, the Japanese army had 3,200,000 men. In 1957, the Japanese army had 3,300,000 men. In 1958, the Japanese army had 3,400,000 men. In 1959, the Japanese army had 3,500,000 men. In 1960, the Japanese army had 3,600,000 men. In 1961, the Japanese army had 3,700,000 men. In 1962, the Japanese army had 3,800,000 men. In 1963, the Japanese army had 3,900,000 men. In 1964, the Japanese army had 4,000,000 men. In 1965, the Japanese army had 4,100,000 men. In 1966, the Japanese army had 4,200,000 men. In 1967, the Japanese army had 4,300,000 men. In 1968, the Japanese army had 4,400,000 men. In 1969, the Japanese army had 4,500,000 men. In 1970, the Japanese army had 4,600,000 men. In 1971, the Japanese army had 4,700,000 men. In 1972, the Japanese army had 4,800,000 men. In 1973, the Japanese army had 4,900,000 men. In 1974, the Japanese army had 5,000,000 men. In 1975, the Japanese army had 5,100,000 men. In 1976, the Japanese army had 5,200,000 men. In 1977, the Japanese army had 5,300,000 men. In 1978, the Japanese army had 5,400,000 men. In 1979, the Japanese army had 5,500,000 men. In 1980, the Japanese army had 5,600,000 men. In 1981, the Japanese army had 5,700,000 men. In 1982, the Japanese army had 5,800,000 men. In 1983, the Japanese army had 5,900,000 men. In 1984, the Japanese army had 6,000,000 men. In 1985, the Japanese army had 6,100,000 men. In 1986, the Japanese army had 6,200,000 men. In 1987, the Japanese army had 6,300,000 men. In 1988, the Japanese army had 6,400,000 men. In 1989, the Japanese army had 6,500,000 men. In 1990, the Japanese army had 6,600,000 men. In 1991, the Japanese army had 6,700,000 men. In 1992, the Japanese army had 6,800,000 men. In 1993, the Japanese army had 6,900,000 men. In 1994, the Japanese army had 7,000,000 men. In 1995, the Japanese army had 7,100,000 men. In 1996, the Japanese army had 7,200,000 men. In 1997, the Japanese army had 7,300,000 men. In 1998, the Japanese army had 7,400,000 men. In 1999, the Japanese army had 7,500,000 men. In 2000, the Japanese army had 7,600,000 men. In 2001, the Japanese army had 7,700,000 men. In 2002, the Japanese army had 7,800,000 men. In 2003, the Japanese army had 7,900,000 men. In 2004, the Japanese army had 8,000,000 men. In 2005, the Japanese army had 8,100,000 men. In 2006, the Japanese army had 8,200,000 men. In 2007, the Japanese army had 8,300,000 men. In 2008, the Japanese army had 8,400,000 men. In 2009, the Japanese army had 8,500,000 men. In 2010, the Japanese army had 8,600,000 men. In 2011, the Japanese army had 8,700,000 men. In 2012, the Japanese army had 8,800,000 men. In 2013, the Japanese army had 8,900,000 men. In 2014, the Japanese army had 9,000,000 men. In 2015, the Japanese army had 9,100,000 men. In 2016, the Japanese army had 9,200,000 men. In 2017, the Japanese army had 9,300,000 men. In 2018, the Japanese army had 9,400,000 men. In 2019, the Japanese army had 9,500,000 men. In 2020, the Japanese army had 9,600,000 men. In 2021, the Japanese army had 9,700,000 men. In 2022, the Japanese army had 9,800,000 men. In 2023, the Japanese army had 9,900,000 men. In 2024, the Japanese army had 10,000,000 men.

Republicans Draft Candidates For 3 Important Offices

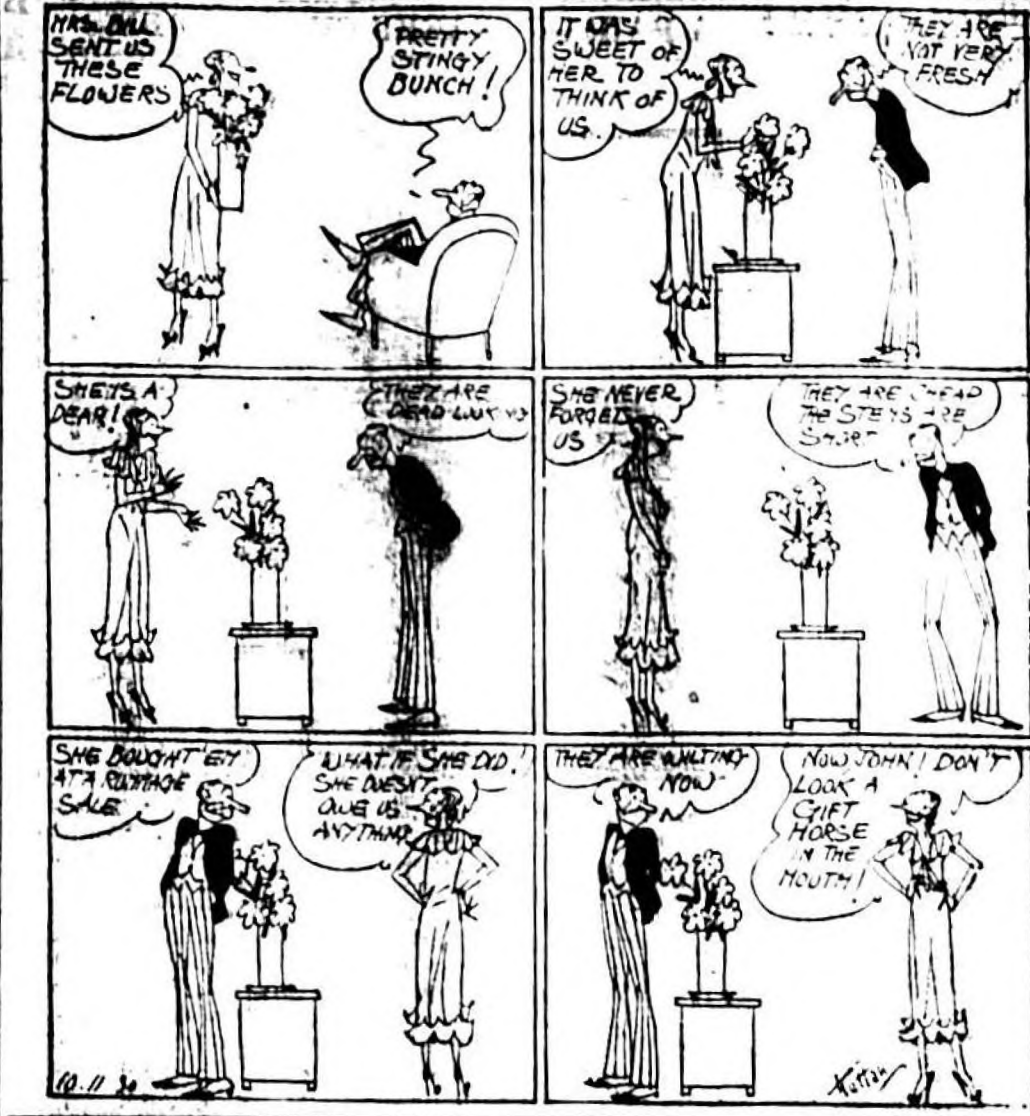

JACKSONVILLE, Oct. 19.

(A.P.)—Florida Republicans Saturday fired the opening gun for the 1932 campaign by announcing they had "drafted" candidates for three offices. Leading the list of the drafted was J. Leonard Replage, wealthy Pennsylvania steel manufacturer who now resides in Palm Beach, selected to oppose United States Senator Fletcher, Democrat, re-election. William J. Howe, who ran for governor in 1928 and polled the largest vote ever amassed by a Republican for that office in this state, was drafted to carry the gubernatorial standard again. Governor Carlton defeated Howe by a vote of 148,465 to 96,018 in the last general election. A. F. Knotts, Yankeetown developer who has held several prominent posts in Florida Republican circles, was chosen to run for Congressman-at-Large, a new office created when the last census allotted Florida five representatives instead of four. Replage was in the north and it could not be learned whether he would accept the "draft," but Howe, speaking at the meeting, said he would have to be drafted. Howe also said he could not afford to make the race again for governor, but was told he would be drafted anyway. Approximately 50 party leaders attended the meeting, at which an announcement was made of plans to offer opposition to Democratic tickets in every county of Florida. Many speakers declared the Republican party had an opportunity to offer aid to "persons disgusted at the attempt at tax relief" by the Democrats in the last Legislature. Several freely predicted Republican victories in 1932. In 1928, Florida voted 144,168 to 101,784 to swing the state in the Republican presidential column for the first time since reconstruction days. Party leaders predicted yesterday they would repeat next year. In the log chain. The mule had to be driven into a pen to be lifted. Courtney was dead.

Defunak Farmer Dies In Unusual Manner

DEFUNAK SPRINGS, Oct. 20.—(A.P.)—John C. Courtney, a farmer living 16 miles northwest of here, was killed yesterday in what authorities said was the most unusual accident reported here in years. Courtney was returning home in his automobile. The car stalled and he failed to start it. Leaving the car he walked to his farm and saddled a mule, hooking a log chain to the saddle for the purpose of towing the disabled car. On the way to the automobile the mule apparently took fright, threw Courtney, and ran wild. The mule was seen eight miles away, running full speed and dragging Courtney whose foot was caught
