#### What Price Eugenics?

Around the birth of a eugenic baby in Brooklyn last week there has centered considerable controversy, partici- A motto, says, then as "No give it near you can spend it pated in both by the public mid press, Mrs. Grace M. Wealth Like Health. Burnham, wealthy widow who considered herself capable It's a true saying and worth for trush that is soon gone and of being a better-than-average mother, is the one who has body—and then acting upon. The keeping, You can be extravagant been praised and censored alike.

Mrs. Buenham's husband, a soap manufacturer, died first cousins. Wealth is from went the fty-the early sort of their y a four years ago Jeaving her childress. After consulting her and weat is close him to "well." father and other relatives, the thirty-seven-year old widow Health-is from beal and heal is vet it in see investments that selected a young man of good family and good, character from whole- and to be whole is to will bring in regularly every year with the proper eugenic background to be the father of her be well. To be healthy is to be fun-dividends, an income that may be child. The young man, after performing the function of a daentally and some mes potent collected and so compound it eugenic husband, stepped out of the picture and last week way? It is the possession of the or enjoyed in part and in part Mrs. Burnham became a mother.

With the publication of her story, Mrs. Burnham has ment, for service to others. Also ture rainy day or the emergency. scouted the idea of romance with the father of her daugh- that's health, the may do without? Health is- just that way-ester, says she does not love him nor does she intend to marry money wealth if he has physical perially for the younger ones who him or anyone else. She will rear Vera in the name of health and mental health and spir- are robust. Health ought too, by eugenics, giving her all the advantages that are within her itself health; one may not do with, protected; a ought to be cared for

The theory of eugenics is expressed in the statement may possess. So health is worth spent for things that are not of that the nation, whose intelligent and healthy inhabitants considering as real wealth-the value, nor cocklessly thrown away. intermarry to produce abundant children, will be a better basis for it, the means to it, the It may be invested shealth! It may nation. In connection with the Burnham case, Professor power for control over it. Ellsworth Huntington of Yale University, one of the lead- How do you treat wealth-pro- bring in returns, increasing reing exponentts of eugenics, says "from a purely scientific vided you have some? You pro-turns and some of it can be stored standpoint, it was the correct thing for Mrs. Burnham to tect it so that it will not be stolen away, reserve physical and mental standpoint, it was the correct thing for Mrs. Burnham to or lost or waste away by neglect and spiritual health, for the time do," but admits that "there is some doubt that it was best and the action of the elements that ahead when energency requires from a social standpoint."

What the collège professor has admitted will always ere use it in every lawful way-to There I less difference-in the constitute a fallacy in the theory of engenies. There can be add to it to make it greater and value and it like way to treat no true union of two persons unless it it based upon love, better and surer. And you can do then than in the mere Mrs. Burnham has donied any affection between her and several things with it: You can "health" and "wealth." the father of her child and her numbision only serves to make their action more despicable. The mating of two persons cannot be placed upon such a basis and be made successful. God made laws must be observed by the natural process of mutual attraction and society must be protected In union by lawful wedlock,

While Mrs. Burnham in all probability has in mind to try, there was no man who could tions with provide her child with every advantage, she must not for, win the admiration and good-will ing dinners at the yacht and lockey get that the baby was born illegitimately and will forever of his tellow citizens like the man clubs, going a this firsta and that PRAYER—We bew in adoration have that the baby was born illegitimately and will forever in its fellow current who was "smit," in the frantier behaving in the carety. The a reverently before Thee, O God, for Thomast Opiniscent.
