

Aims Of Educational TV To Be Discussed Here

Al Edmonds, director of the Central Florida East Coast Television Corporation, will speak on the progress, aims and developments of ETV for this area, at Seminole High School Thursday at 8 p.m. The meeting is sponsored by

the Jaycee Wives Club in the public interest, and all interested persons are invited.

Edmonds has 21 years experience in the field of education as a teacher, principal and college instructor, as well as other fields. He has served for the past nine years as Director of Education at Gainesville and Daytona Beach, before being appointed Director of ETV for Central Florida in July, 1961.

Edmonds pointed out in a recent interview with a Herald reporter that the nine county area of Central Florida is the only area not now covered by educational television. Two-thirds of the state now has educational TV advantages from the five present ETV stations, located at Jacksonville, Miami, Tampa, Tallahassee and Gainesville, he said.

taken this means of making developments of educational television for Central Florida known to the general public, and announce that a question and answer period will be held after Edmonds speaks, to give all interested persons an opportunity to learn more about what has been done, is being done and will be done.

Seminole County members of the board of directors for the ETV Corp. are W. H. DeShazo, R. T. Milwee and Valda Robbins.

Florida Power Gives Dinner In Enterprise

The annual safety dinner of the Florida Power Corp. for employees of the George E. Turner Plant at Enterprise was held at the Florida Power Club there on Jan. 15. Plant Supt. D. J. Parker served as master of ceremonies and a recorded talk was heard from President Bill Clapp, H. B. McMahan, safety director from St. Petersburg, gave a talk on safety and awards were presented employees and department supervisors.

The steak dinner was prepared and served to 58 employees present by Ray Tryon of Winter Park, Jack Mogard of St. Petersburg and W. C. Ward, Fred Staffor and Mrs. Doris Nelms of DeLand.

Out of town guests, other than McMahan, were W. R. Spencer, assistant safety director; M. F. Bunnell, vice president of Industrial Relations; Poe S. Hearnden and W. D. Coblentz, personnel department; R. B. Lee, assistant superintendent of production and A. T. Sims, building maintenance, all of St. Petersburg and W. C. Johnson of Winter Park.

DeBary MYF Has Picnic

By Mrs. Adam Muller
The Methodist Youth Fellowship of the DeBary Community Methodist Church met for a winner roast Friday evening at the picnic spot on the St. Johns River at the foot of W. Highbanks Rd.

Rev. and Mrs. Damon Scott supervised the picnic which was attended by Carole Corson, Eddy Scott, Linda Sut Hart, Jane and Tommy Vaught, Donna Cole, Rita Peacock and Paula Mattson.

Scouts' Art Show Paintings Depict Familiar Scenes Here

Seminole County Girl Scouts presented their impressions of the Holy Cross Episcopal Church, and Judy Smith depicted a historical sketch of an old blacksmith shop, such as used to stand across the street from the present Garrett's Dept. Store.

Pat Leary's winner was a composite picture, showing a lake, orange groves and palm trees, some of the county's natural resources and crops.

Cindy Leonard drew and colored a picture of the old fire engine in the Elka Playground, which is a special landmark to children.

An imaginative painting of Indian Mound, a site near the river, is peopled with Indians standing guard, in Deborah McLean's winning picture.

Sally Deal presented a pencil sketch of the Girl Scout Camp at Silver Lake and Vivian McInvale, also pictured a lake, but did not clarify which of the many in the county had inspired her.

Connie DeJong pictured surroundings and activities at the Girl Scout campsite. Connie, Sally and Vivian are all sixth graders.

A water color scene, which may well be called a landscape, though no particular site was named, was the winning picture of Jean Fletcher. All 16 of these paintings, drawings and sketches will now go to the Citrus Council Art Festival to be held in Orlando, Feb. 17, and the Blue Ribbon winners there will be entered in the national competition at Button Bay, Vt. at the annual roundup in June.

Vocal Group Draws Large Crowd

By Dottie Higginbotham
To a community devoid of any real first-class entertainment these last few weeks, came the outstanding artistry of a distinguished vocal trio, the famous Rondoliers, three handsome young men with rich, well-trained voices and engaging personalities, to lift an almost capacity audience out of the doldrums in quick order, Friday night in the SHS auditorium.

William Sloane Rites Wednesday

William Joseph Sloane, 46, Mobile Manor resident, died Sunday at 11:30 a.m. in Casseberry.

Mr. Sloane came here from New York in 1933 and was engaged as a painting contractor.

He is survived by his wife, Nancy; one son, Michael, 4; two daughters, Desiree, 3, Stephanie, 2, and one brother, Robert.

The funeral services will be held in Gramkow Funeral Home at 10 a.m. Wednesday. The elder members of the Crest Memorial Church will officiate. Interment will be in Longwood Cemetery.

Palbearers will include Bob Mullins, Jack Boyles, Olen Pullen, Roy Phillips and Carl Walker.

Ferry Service
MERIDIA, Mexico (UPI)—Two Mexican companies are bidding for permits to start ferry boat service between the Yucatan Peninsula and Florida.

Resplendent in white tie and tails, tall, handsome, deep-cheated Edmond Karlsruh, suave, dark Max Mendonhall and boyish-looking David Kennedy, accompanied by Norman Johnson, Pianist, whose nimble fingers worked magic on the old SHS piano, poured out a feast of songs, folk tunes and operatic arias, with finesse and easy style.

The special arrangements by Charles Touchette were uniquely suited to the considerable talents of the three young men, and the varied selection was chosen to please even the most critical taste. Proof of the enjoyment of the audience were the four encores that the group were called back to sing, and each encore was better than the last.

The second encore was just for fun, a song called "Johnny Sands," full of laughs. The third one was a smasher—the well-known "Figaro" from the Barber of Seville.

Then they wound it all up with the old favorite of favorites, "Drink To Me Only With Thine Eyes."

Contemporary music included excerpts from the Broad-

way show, "The Most Happy Fella," which was received with delight by the Sanford-DeBary audience.

Next program scheduled by the Sanford-DeBary Entertainment Assn. will be the (triv-piano duo, the 23-year-old Marlowe twins, set to play here Feb. 21.

Kenneth Leffler presented the speaker. Pres. Phil Westgate presided.

A HEARTY HANDCLASP is given to Mrs. Phillip Kessler, who worked more hours than any other Pink Lady at the hospital this past year, by Robert Besserer, new hospital administrator, at the luncheon which climaxed the year's activities, Saturday. Mrs. Kessler had a total of 576 hours and she also received a silver tray. (Herald Photo)

Good News For Youths Interested In Marine Corps

High school seniors — both boys and girls—can now enlist in the U. S. Marine Corps 120 days prior to going on active duty.

Sgt. Ellison Smith announced today. Sgt. Smith, local Marine Corps recruiter said this permits a young man or woman to complete his education and still be assured of active duty after graduation on a date of their selection without being confronted or held on a waiting list.

"There is no loss of school time except for the necessary trip to Jacksonville for complete physical and mental examinations, all expenses paid usually from Sunday afternoon through Monday evening," Sgt. Smith said. The 120 days delay which are used with this particular program are counted as actual service in determining future pay and promotions, plus time deducted from obligated service, the recruiter said.

Further information on this Marine Corps "delay program" can be obtained by contacting Sgt. Smith on his weekly visits to Sanford at the Post Office on Monday afternoons from 3 p.m., or write to the U. S. Marine Corps Recruiting Office, Executive Building, 2520 N. Orange Ave., Orlando.

Coach Gives P-TC Program In Enterprise

By Helen Snodgrass
Members of the Enterprise Elementary Parent-Teacher Council met for their January business session last Tuesday evening in the school cafeteria.

Harold Wooten, physical education coordinator of the Enterprise School and boys' coach, was in charge of the program on "Physical Fitness."

F. W. Glenister gave the opening devotion and Mrs. Pat Hatchett P-TC president, conducted the business meeting.

Mrs. Bozeman's second grade won the room count and seventh grade mothers served refreshments at the close of the program.

Hospital Auxiliary Reviews Extensive Year's Activity

The ladies of the Seminole Memorial Hospital Auxiliary climaxed a year of activity with an annual business meeting of the entire auxiliary, followed by a sumptuous luncheon and fashion show at the Mayfair Inn, Saturday.

Retiring President Mrs. Frank Woodruff presided at the meeting and luncheon. Reports were heard from all committee chairmen and awards made for the longest number of hours served at the hospital.

Mrs. Frank A. Zib, Northeastern District Director of Hospital Auxiliaries, was an honored guest at the luncheon and also served as installing officer in the impressive candle-lighting ceremonies. She gave the oath of office to the new leaders of the local auxiliary, or "Pink Ladies" as they are known because of their colorful pink pinaflore uniforms.

Mrs. Phillip Kessler received the top award for having served the most hours this year, a total of 576, making a total of 3,751 accumulative hours spent in voluntary service to the hospital and its patients. She was presented a silver tray by Hospital Administrator Robert Besserer.

Installed as new president for the coming year was Mrs. C. E. Butler of DeBary. Mrs. William Crabtree will be first vice president; Mrs. Reuel Robinson, second vice president; Mrs. W. R. Gramkow, recording secretary; Mrs. L. Anderson, corresponding secretary, and Mrs. Chester Rearick, treasurer.

Mrs. Zib announced that Mrs. Butler had been appointed Civil Defense Chairman for the state organization and Mrs. Woodruff had been named state historian.

The luncheon consisted of citrus cocktail, baked ham in raisin sauce, toasted potato swirls, broccoli with cream sauce and ice cream with cherry nut sauce. During the luncheon a showing of the newest spring fashions being displayed by local dress shops were shown by a bevy of charming and attractive local models, including Mrs. William Kirk, Mrs. William Stemper, Mrs. George Stine, Mrs. Gerald Jones, Mrs. Lois Housholder, Mrs. George Wells, Mrs. Don Bales, Mrs. Walter Gielow, Mrs. Carol Dennison, Mrs. Harry Echeberger, Mrs. Kitty Purdy, Miss Judy Bentley and Miss Barbara Harvey. The parade of fashions was accompanied by tuneful piano melodies by Mrs. Katherine Wheelchel.

Survivors are two daughters, Mrs. Adrian Charron of Miami and Mrs. B. A. Adkins of West Palm Beach; three sons, G. P. Sharp of Augusta, Ga., Howell Sharp of Oklahoma and Joel Lassing of Miami; three sisters, Mrs. Tom Allen of Waxahachie, Tex., Mrs. J. M. Franklin of San Antonio, Tex., and Mrs. Robert Braden of Waco, Tex.; several grandchildren and several great grandchildren.

Rev. James N. Barnett, pastor of the First Christian Church, will officiate at the service. Burial will be in Evergreen Cemetery.

Lossing Rites Set Wednesday

Funeral services for Mrs. Jessie Lossing who died in Miami will be held at 2 p.m. Wednesday at Brisson Funeral Home.

A former Sanford resident, she was the widow of the late A. J. Lossing and had lived in Miami for a number of years. She was a former member of the First Christian Church of Sanford.

Survivors are two daughters, Mrs. Adrian Charron of Miami and Mrs. B. A. Adkins of West Palm Beach; three sons, G. P. Sharp of Augusta, Ga., Howell Sharp of Oklahoma and Joel Lassing of Miami; three sisters, Mrs. Tom Allen of Waxahachie, Tex., Mrs. J. M. Franklin of San Antonio, Tex., and Mrs. Robert Braden of Waco, Tex.; several grandchildren and several great grandchildren.

Rev. James N. Barnett, pastor of the First Christian Church, will officiate at the service. Burial will be in Evergreen Cemetery.

Board Starts Nova Ball Rolling In Seminole

Commission Votes Survey Of Roads

By Larry Verhel
It's a sure bet that Doug Stenstrom will be named by the County Commission Friday to serve on the regional planning council. . . . The other appointees will probably be from the Oviedo-Chuluota-Geneva area . . . Maybe Charles Lee.

One more item on this: The board will probably take \$3,200 out of the advertising budget to help finance Seminole's pro-rata share.

Zoning Director Robert Brown told us that he has started a complete survey on all rights of way for all roads leading into Nova.

Watch for an announcement soon of a 2,000 home development between Lake Mary and Longwood.

Senator Bernard Parrish, who will speak at the Jaycee Banquet Saturday night, has said publicly that next to Brevard County, Seminole will gain the most from the Nova impact.

Naval Air Station Commander Capt. Robert Ware has given the okay for a commercial airport in Seminole. Wrote the County Commission Tuesday that he finds no objection to any commercial facility.

Dynatronics will break ground on its new 30,000 square foot addition Saturday morning. By the way the facility is located in Seminole County and not Orlando. Every news release that comes across this desk says "Dynatronics of Orlando."

Nominations for the Distinguished Service Award may be received up to noon Thursday at the Jaycee office. Secretary Phyllis Chapman will take them all and they will be handed over to the committee of past presidents for their study and final selection, after the Past Presidents luncheon at the Civic Center at noon Thursday. Don't just think about it. . . . Do it now.

The dictionary defines civics as "the science of civic affairs" . . . with elections coming up and talk of incorporation in several Seminole County communities wouldn't this be a good time for interested citizens to take advantage of the free adult course in the subject offered at Seminole High School. Classes open Monday at 7 p. m.

Notice those sandpiles by City Hall. Well city officials are not playing in the sand . . . just checking samples for future clay pits.

There's a story going around City Hall that it takes so long to get outside phone lines these days with the new switchboard that one woman in a motherly way phoned for a doctor and by the time she reached him the child she had registered for kindergarten.

The City has received word from the State Board of Health on the wage scale to be used on sewage treatment plant construction. City Manager W. E. Knowles says "this is one of the big steps."

Chamber of Commerce manager John Krider is walking with a big chest these days. He became a grandfather for the second time. Jimmy and Pat Krider of Ocala have a new baby girl.

THOUGHT FOR THE DAY: If property on W. First Street is so valuable that it cannot feasibly be worked into the shopping mall that we would mean so much to downtown Sanford and its merchants, maybe the county and city tax assessors can find a new source of revenue by taxing the parcel on the owner's valuation.

The County Commission Tuesday unanimously approved Seminole's participation, with five other counties, in obtaining a survey of road needs in conjunction with the Nova Moon project.

The board voted to pay its pro-rata share of the survey cost (\$4,600) which will be divided among Seminole, Volusia, Brevard, Osceola, Orange and Indian River counties.

At the same time the board tabled action until Friday to appoint two men from the county as members of a regional planning council for the six counties.

Several names were discussed by the board but Commissioner James P. Avery declared that "this is an important decision and we had better take time to think about it." Avery added that the two men appointed "would be the two

most important men in the county."

"These two must fight for Seminole County and all sectionalism must be avoided." In selecting the two men, Avery suggested that representatives from all municipalities and civic groups take a part in picking the two men but the rest of the board felt that it is the commission's decision and agreed to meet at 4 p. m. Friday.

In discussing the Nova Impact study, Avery, after giving a report of the recent meeting at Patrick Air Force Base between representatives of the six counties, declared that "if Seminole County fails to get representation it will be a mistake of the first magnitude."

"We have got to have adequate roads, drainage and schools for this Nova impact and this is the only solution," Avery also explained that this was not a one shot expense but would grow in scope and "it may be necessary to provide more funds."

Out of that fund, Seminole County paid out \$19,351; rehabilitation from the state, \$673 and State welfare, \$31,625.

Total cash receipts for the hospital total \$888,053 while patient receipts totaled \$637,270.

Despite protests from the Crystal Lake Waterways Assn., the County Commission Tuesday approved the dredging of two lots in the Isles of Pines sector of Loch Arbor.

Col. J. O. Gregory spokesman for the association, emphasized that he was not against anyone building a beach but felt that "it was not the proper time to dredge because of the condition of the lake."

However, Commissioner John Fitzpatrick, who is a resident of that area, said, "I've got my beach, who am I to say someone else can't build one of his own."

At the "unofficial" public hearing on the matter, Mrs. F. E. Roumillat said that it would help the appearance of the lake.

In other business, Col. S. L. Jennings of the Seminole County Sportsman Club informed the commission that a boat ramp would be constructed at Mullet Lake Park and cited the need for channel markers in the Puzzle Lake Area.

The board also heard Commissioner Vernon Dunn express the need for a full-time health director. However, Fitzpatrick said that the board had already signed an agreement with Orange County to utilize one of their health officers to come over two days a week.

Dunn withdrew his motion. Dunn also proposed standardization of speed limits in sub-divisions set at 25 miles and 15 miles for school zones.

However, James P. Avery questioned the legality of whether the board could accomplish this and said it could work a hardship on law enforcement officers.

Dunn withdrew his motion.

CAPE CANAVERAL (UPI) — The United States failed today in an attempt to orbit a record five satellites in one shot when the upper stage of the rocket launcher misfired.

An 80-foot Thor-Able-Star rocket was sent into the sky at 4:30 a. m. EST, with the five satellites attached like Christmas tree ornaments to a rack inside its nose.

But about 25 minutes later, the Air Force said the upper stage of the gleaming white missile failed to build up thrust after it had ignited.

Crash Reported
An Atlantic Coast Line freight train rammmed into a car by Veino's Lumber Yard in Longwood, shortly before noon today. No one was believed injured in the crash.

PINECREST FOURTH GRADE STUDENTS, under the direction of Miss Lucille Campbell, follow their Spanish lesson over Channel Nine, taught by Senora Rosario Martinez. The teacher and children speak only in Spanish in class, and address each other with the Spanish equivalent of their names. This educational television class was made possible through the interest of the Navy father of one of the students. He is M. C. Prevo, who donated the use of the TV set for the school year. Well-advanced for fourth graders, this class has been studying Spanish with Miss Campbell since the beginning of school. (Herald Photo)

Coffee Club To Fele 2 Groups

New members of the Seminole Chamber of Commerce and Navy officers newly assigned to the Sanford base will be welcomed at the meeting of the C. of C. Coffee Club Thursday at 10 a. m.

Speech Changed, Trudeau Says

WASHINGTON (UPI) — Lt. Gen. Arthur G. Trudeau, the Army's research chief, said today the State Department had ordered changes in his speeches which gave him "cause for wonder about the motivation involved."

5-In-One Cape Shot Is Failure

CAPE CANAVERAL (UPI) — The United States failed today in an attempt to orbit a record five satellites in one shot when the upper stage of the rocket launcher misfired.

Crash Reported

An Atlantic Coast Line freight train rammmed into a car by Veino's Lumber Yard in Longwood, shortly before noon today. No one was believed injured in the crash.

Caution Urged On Citrus Crop

LAKELAND (UPI) — Florida citrus growers, told by the federal government the recent cold weather cost them between 6.1 and 10.2 million boxes of fruit, were advised to act with caution until the next monthly crop estimate is issued Feb. 9.

Career Aviation Rotary Topic

Cdr. Silas R. Johnson, USN, Commanding Officer of Heavy Attack Squadron Three, and two of his officers, Ledr. James A. Detianah and Ledr. Donald C. Hamilton, will be the guest speakers at the weekly meeting of the Rotary Club Monday noon at the Sanford Civic Center.

4 Nominated In Contest

Four young Seminole County men have been nominated for the honor of being named the "Young Farmer of the Year." Chairman Don Knight announced today.

P. O. Contractor Gets Ultimatum

The Post Office Department has given the low bidder for construction of a new Sanford Post Office an ultimatum to sign a contract with the department by Thursday or the bid will be voided and the bond forfeited, the Herald learned today.

It was also reported that if the low bidder, Brown, Mason and Meltugh, Inc. of Jacksonville does not give some assurance of contract agreement, the postal department will negotiate with the second bidder who has already promised to begin construction on the facility by Feb. 1.

The second low bidder is the Hellemead Corp. of Daytona Beach who is presently making plans to construct a new A and P food market off Hwy. 17-92.

The Jacksonville firm had been awarded the low bid on the contract Aug. 28. As of today no work has started clearing the property which is located between Sanford and Palmetto Aves. west of the Civic Center.

The contract calls for work to start in 30 days. The plans call for a building three times the size of the present post office on First St.

First A3J Pilots To Be Graduated

Once again a milestone in the history of Heavy Attack Wing One will occur at the Sanford Naval Air Station Friday.

The event will be the first graduation class of A3J Pilots and bombardier-navigators. Also the first A3J Vigilantes to be assigned to a Fleet squadron will be formally turned over to Heavy Attack Squadron Seven.

The presentation of this new weapon in the Navy's arsenal to a Fleet Unit represents the untiring efforts of many civilian and military personnel who are now in Sanford. The graduation of Pilots and Bombardier-Navigators is also representative of combined effort of military and civilian personnel.

Seize OAS Office

ALGIERS, Algeria (UPI) — French officials announced today they had seized the political and information office of the outlawed Secret Army Organization (OAS) at El Biar, in the Algiers area.

Murder Charge

CHICAGO (UPI) — Roy Brasser, 29, faced a possible murder charge today after admitting he killed his 15-month-old niece by stepping on her stomach to stop her crying, police said.

Colombia Asks OAS Break With Castro Red Regime

PUNTA DEL ESTE, Uruguay (UPI) — Colombia called today on hemisphere nations for a collective break with Fidel Castro's Cuba and new measures of vigilance to preserve other countries from the spread of the Cuban socialist revolution.

Colombian Foreign Minister Calcedo Castilla said his country considered these measures "indispensable" to preserve inter-American treaties and the mutual aid system against Cuban threats to the autonomy, independence and sovereignty of American states and the peace of the hemisphere.

Mexican Foreign Minister Manuel Tello, who followed immediately, questioned the legality of the anti-Cuban measures proposed by Colombia but admitted there seems to be "incompatibility between being a member of the Organization of American States and professing the Marxist-Leninist faith."

The opposing stands, voiced in the first two hours of general debate, pointed out the sharp differences which delegates meeting privately have sought to iron out in the past two days.

The Colombian nation was seconded by a dozen nations, led by U. S. Secretary of State Dean Rusk.

Venezuelan Foreign Minister Marcos Falcon Briceo was a appointed conference chairman. Alfredo Varras Gerondeza of Costa Rica was elected secretary.

The stage appeared to be set for the suspension of the Castro regime from the OAS, but without the diplomatic and economic sanctions sought by the United States.

Ice Storm Sheathes Texas; Snow Slams Rockies

Moving Toward Dixie?

By United Press International
A massive ice storm frosted Texas with a fresh coat of glaze today before pushing toward Dixie. Chinook winds warming the northern plains added to Montana flood woes.

A new snow cover dusted the southern Rockies. Snow flurries were the rule along the northern tier of states from Washington to Maine. Southern California returned to normal seasonal warmth after one of history's worst snows.

Cold air trapped between the mountain ranges kept temperatures below zero in Idaho, where Pocatello and Dubois reported 10 below early today and Idaho Falls had 14 below.

The sleet and freezing rain in Texas Tuesday curtailed natural gas supplies for industry up to 80 per cent. The storm was rated the worst in 40 years at San Antonio.

Chinook winds blowing down the east slopes of the Rockies gave Colorado and Wyoming the warmest weather in three weeks but the 40-mile gusts touched off ground blizzards near Casper, Wyo., where three-foot drifts closed three roads. Denver, Colo., recorded a high temperature of 39 degrees Tuesday, the first time in two weeks the Mercury had climbed above freezing. Drifting snow also clogged many Montana highways.

As the last snowmen melted, southern Californians began counting their blessings and found the freak storm raised the precipitation total at Los Angeles to 6.06 inches for the season, 1.31 inches more than the drought-stricken area had in the entire previous "weather year." Snow cover was reported excellent in the mountains.

The warming trend was bad news at Dillon, Mont., where the ice-jammed Beaverhead River was getting out of control. Civil Defense Director Ed Swetish of Beaverhead County said effort to contain the floodwaters were useless.

Some 200 persons were homeless in the rich ranch area of southwest Montana and others were preparing to evacuate. Fifteen square miles of land were inundated with water. The ice jam was three feet thick and authorities feared a thaw would add to stream flow.

New Adult Night Courses Set At SHS

Two new night courses will be organized for adults at Seminole High School, Vocational Director E. S. Douglas announced today.

The courses are Civics, to be taught on Monday nights at 7 p.m. and Psychology, on Tuesday nights at 8 p.m. Both of these courses can be taken for adult high school credit.

The instructor of the psychology class will be Harold H. H. H., principal of the South Seminole Elementary School and Dick Barnett of the Seminole High School faculty will instruct in Civics.

A nominal registration fee is charged for enrollment in each course and this will cover the cost of instructional materials for the psychology courses and there will be an additional small charge for the Civics textbook.

All persons interested in taking these courses are invited to report to Seminole High School at the times listed above.

Mrs. Von Herbulis Dies At Hospital

Mrs. Mary von Herbulis died at the Seminole Memorial Hospital at 8:25 p. m. Tuesday.

She made her home at 505 Myrtle Ave. She was a member of All Souls Roman Catholic Church. Funeral services will be announced later by Brisson Funeral Home.

It is estimated that some 97 million Americans have dental cavities.

This Sea Lion Caused Plenty 'Of Concern'

HOUSTON, Tex. (UPI) — Harry Rice had never seen a sea lion in a gutter before, so he called police.

Three police cars, a dog catcher, three television trucks, two radio station cars and several reporters rushed to the scene Tuesday morning. "I could hardly believe my eyes when I saw it flopping there in the gutter," Rice said, and turned around to point out the animal to officers.

There wasn't any sea lion in the gutter. But Rice convinced police he had seen one. They searched the neighborhood, and in the back yard of oilman John Mecom's home they found a big, sad-eyed sea lion lounging by the swimming pool. Mrs. Mecom said it was her son's pet. It probably decided to go for a slide down the icy driveway after its morning dip in the pool, she said.

SPECK SHIPS FOR SIX . . . That's Navy talk for Norman H. Speck Jr., Personnelman Second Class, reenlisting in the US Navy for another six years. Speck was sworn in by Cdr. Silas R. Johnson, Commanding Officer of Heavy Attack Squadron Three at ceremonies held in his office. Speck first joined the Navy in Denver, Colorado in 1951. Prior to reporting to VAH-3 he served aboard the aircraft carrier USS Kearsarge (CVS33). Speck is presently assigned to the Personnel Division of VAH-3. He and his wife Joyce and their 7 month old son Timothy reside in Sanford at 205 Palm Place.

Mr. Casrianni Dies Here At 65

Joseph Casrianni, 65, died at 7:30 p. m. Monday night at Seminole Memorial Hospital. He was born in Italy Oct. 1, 1892 and had lived in Sanford for the past two and one-half years. He made his home at 401 W. 19th St. He was a member of All Souls Roman Catholic Church and a veteran of World War I.

Survivors are his wife, Mrs. Anna Casrianni and one daughter Miss Susan, Sanford.

Funeral services will take

place at 9 a. m. Thursday at All Souls Church with the Rev. Richard Lyons officiating. Burial will be in All Souls Cemetery. Rosary will be recited at 8 p. m. today at Brisson Funeral Home. Veterans memorial service will be at 7 p. m. tonight at Brisson Funeral Home. All World War I veterans are invited to attend.

The United States has more than 6,800 hospitals for medical and surgical treatment.

WIN A TEMPEST

IN BALLARD FLOUR'S FAVORITE GROCER CONTEST

5 GRAND PRIZE WINNERS

5 TEMPEST SPORTS COUPES

The gas-saving "4" with Pontiac Punch! Complete with Automatic Transmission, Radio, Heater, White-wall Tires, Deluxe Chrome Trim and much more! Win a Tempest. America's only front engine/rear-transmission car!

50 ADDITIONAL PRIZES Ballard Stainless Tableware Service for 8 (50 pieces) in beautiful wood chest "Truly Yours" pattern—your own initial on each piece

Identical Grand Prizes for grocers. If you win a Tempest, your favorite grocer gets one, too!

Contest hints to help you win. Just tell why you are pleased with what Ballard Flour does for the good things you bake. Reasons like the following may win: "It makes my biscuits lighter, my cakes higher, my family happier!" "It's a Southern-style flour—so I know that everything I bake will turn out perfect."

EXCLUSIVE CONTEST Open to folks in Ballard Land ONLY!

For entry blanks and details—see Ballard Flour display at your favorite Grocer's

Stock Deals Of Racketeers Probed

WASHINGTON (UPI) — Atty. Gen. Robert F. Kennedy said today the Justice Department was investigating stock deals made by major racketeers to see if they violated federal laws.

Kennedy said in an interview that big-time gangsters have been involved recently in suspicious stock transactions in several areas of the country. This seems to be part of long-range efforts by racketeers, more pronounced in recent years, to channel profits from illicit activities into legitimate businesses, Kennedy said.

Justice Department sources said that investigators had found "some manipulation" of stock prices by underworld figures. This involved artificially induced buying and selling of

a stock, either through an change or over the counter, to push up the price, the sources said.

Other findings have shown that racketeers have bought control of some companies by stock acquisition, according to these sources.

Mrs. Mank Dies; Rites Thursday

Mrs. Arthur Mank, 69, died Monday at Seminole Memorial Hospital.

Funeral services will be conducted Thursday at 4 p.m. at the Gramkow Funeral Home Chapel with the Rev. Kalle Mykkanen officiating. Burial will be in Oaklawn Memorial Park.

Survivors are a brother, Paavo Viander and a sister Mrs. Fani Kivinen, both of Finland.

Opposition Mounting To Airlines Merger

United Press International NEW YORK (UPI)—The plans of American and Eastern airlines to merge into the world's largest air carrier were expected today to draw sharp opposition from some competitors, and possibly from unions and in Congress.

Already the president of Trans World Airlines has indicated TWA might fight the proposal made late Tuesday to join the second and fourth ranking U. S. domestic airlines into a nation-spanning passenger and cargo network

with \$92 million in assets and 35,194 route miles.

United Air Lines, which merged with financially ailing Capital last year, ranks first in assets and revenue. TWA is in third place.

The Civil Aeronautics Board (CAB) must approve the merger, ruling whether it would be in the public interest and would not destroy competition. The CAB gave no hint of its intentions. The 76,000 stockholders of the two lines also must approve the merger during a vote in April, but that is expected without trouble. Name of the surviving company would be American Airlines.

The merger announcement came only 10 days after plans were announced to unite two other transportation giants, the Pennsylvania and New York Central railroads, whose \$5.5 billion in assets are six times the combined assets of American and Eastern.

The American-Eastern merger was the third major airline consolidation announced within a year. All were generally motivated by the financial plight of the industry as a whole, which suffered an estimated \$30 million in losses last year and is plagued by more seats on the big, costly jets than there are passengers to fill them. Besides the already completed United-Capital union, National and Continental airlines said late last year they plan to merge, given CAB approval.

Senate Passage Sends DuPont Bill To Kennedy

WASHINGTON (UPI)—The Senate has passed and sent to the White House a bill to ease the tax and market impact of a Supreme Court ruling that DuPont must dispose of \$2.5 billion of General Motors stock.

Senate approval of the measure Tuesday ended more than a week of sharp debate over its effect on a pending antitrust case. Passage was by voice vote.

Opponents never were able to muster more than 25 votes in their efforts to modify the bill, or delay action on it. One critic, Sen. Paul H. Douglas, D-Ill., was bitter over the outcome.

"It's ironical," he told a reporter, "that in view of all the demands by the administration that we plug tax loopholes, the first bill we pass is one granting unjustified tax relief for the DuPont family."

The key vote came on a motion by Sen. Albert Gore, D-Tenn., to have the measure sent back to the finance committee. It was defeated on a rollcall vote, 67-25, and the opposition virtually disintegrated.

The Senate opened debate on the measure Jan. 15. It was a continuation of a hassle which started in the 1961 session when Gore was able to block final action on the bill. Gore returned this year to charge that the bill was a thinly disguised effort to permit 65 members of the DuPont family to retain working control over the giant GM automotive empire.

But backers of the bill claimed millions of GM and DuPont shareholders would suffer serious market losses if some tax relief were not granted.

They said it would permit DuPont to carry out an orderly distribution of the 63 million shares of GM stock in three years, instead of 10, and without disrupting market values.

At one point in the Senate debate, Gore said there was a "big question mark" whether President Kennedy would approve the bill. There has been no White House statement on the measure.

Eastern, built from a fledgling line to a major north-south carrier in the eastern half of the nation by famed World War I air ace Capt. Eddie Rickenbacker, consistently turned a profit until two years ago. It lost \$3.6 million in 1960 and showed a deficit of \$5 million in the first nine months of last year. The two lines' combined operated revenues of \$722 million in 1960 would have ranked them 77th among sales of American corporations.

Square Dance Class Starts

A new series of lessons in Square Dancing began this week sponsored by the Recreation and Parks Department. This series will last for a total of 15 weeks.

Five couples registered for this class and more are needed to make it a success. If you are interested in this class, please call the Recreation Department Office and register. Any information that is needed could be obtained at this time.

In the near future, a special teenage class will be held with Harold Jenkins as instructor. Mr. Jenkins is the president of the Starlight Promenaders and is a very apt teacher.

Not Their Own Say

Americans fall so easily into complacency that their public officials have learned to dwell cautiously on the favorable aspects of the East-West struggle.

Lately, however, more than moderate stress is being laid on the encouraging elements in the world situation.

From the President on down, moves toward greater Western European unity are being hailed. This is especially true of the developing enlargement of the Common Market.

Now, too, UN Ambassador Adlai Stevenson is saying that the noisily touted advance of Sino-Soviet communism is far from the irresistible surge Red propaganda — and some Western fears — would have us think.

He does not delve into much detail, but it can be done.

The great, basic Soviet satellite conquests were accomplished, of course, through the continuing presence of the Red army in Eastern Europe in the years right after World War II. Possibly countering United States forces were gone, and a ravaged Western Europe had neither the will nor the means to resist.

The last satellite conquest, in Czechoslovakia, and the subsequent Red stab into South Korea, were the big alerting signals for the West. From that point on, communism's gains in land and people have been relatively limited.

Of the 145 million people held in satellite bondage by Moscow and Peking, just 17.3 million have been added to their orbit since the Korean war ended in 1953.

Some 16 million of that total were accounted for by the tragic loss of North Viet Nam after the long war in Indochina. The rest are Tibetans gobled up by Red China.

In addition, however, Fidel Castro has taken 6.5 million Cubans down the Communist road, though diplomatic experts generally rate his island country "independent Communist" rather than a satellite.

It is also fair to point out that Laos, with 3 million people, has already suffered heavy Red inroads and adjacent South Viet Nam, with 13 million, is under rising threat.

Yet with all the other turbulent changes in Asia, Africa and Latin America, with hundreds of millions gaining independence or demanding economic betterment, the Moscow-Peking aggressions have slashed no further.

Reds have been thrown out of Guatemala, repulsed in Greece, Iraq, the Congo, Big Yugoslavia and tiny Albania have broken old allegiances to the Kremlin. Crucial Western Europe holds firm.

Nothing in this review offers us room to relax. Still it does suggest that freedom is not in wide retreat, that it can maintain itself against the unending pressures of tyrannical communism.

Dr. Crane's

Worry Clinic

Larry is a twin for Mary in yesterday's case, for both of them labored under a sexual delusion. See p 60 k these clinical cases for they will apply to almost every man and wife to some degree after the age of 40. Wives, be sure you have the sex booklet below. It is ideal insurance against divorce at middle age!

CASE L-421: Larry L., aged 48, is also a common sex case which physicians encounter.

"Dr. Crane," his wife tearfully began, "Larry says he doesn't love me!"

"In fact, last night he grew angry and informed me he

never did love me, even on our wedding day 25 years ago.

"But he was devoted and considerate until three years ago, so I know he used to love me."

"Why should he belittle me now and always say sarcastic things and suddenly start staying at the club every night to play cards till the wee hours?"

"I don't know what I have done to offend him. But he acts as if I were poison. This morning he insisted I go downtown and order twin beds."

Mistaken Male Notions

Larry shows part of the classical symptoms of a platonic husband who has figured it is better to wage a vigorous offense.

He knows if he can make his wife believe that he doesn't love her, then that will divert her attention from his basic sexual inferiority complex.

For he is like most husbands

in being panicky lest their wives learn they are growing impotent.

And a platonic condition can afflict a husband at any age. Indeed, many bridegrooms are caught in this snare and sometimes commit suicide on their honeymoons just because of it.

Larry's reasoning, as he later confessed in a private interview in my office, went like this:

"I can't grow ardent about my wife. So she will soon wonder why I don't show affection and kiss her."

"She will put me on the defensive shortly unless I can draw a red herring across the trail and divert her by waging a vigorous offense."

"So I'll belittle her and be caustic. I'll not only tell her I don't love, and never did, but I'll reinforce that thought by staying at the club till late at night playing poker."

"And I'll demand twin beds, which will further protect my

secret. "Then she'll be on the defensive and cry and wonder what is wrong with HER instead of with ME."

Signs of Platonic Husbands

In addition to the symptoms just mentioned, platonic husbands may also develop a great fondness for liquor, though they have been teetotalers or modest drinkers till recently.

For this also diverts the wife's attention from the man's secret terror.

"If I can't hold her love on a sweethearts basis," they subconsciously reason, "then I'll appeal to her maternal sympathy."

"I'll keep her worried as to when I'll stagger home in the wee hours. And if I am usually half drunk when I arrive, she will think my intoxicated condition explains my lack of erotic interest."

"Thus, I can hide my impotence behind the whiskey flask!"

Other men in this same boat flee into good works and thus stay away from home several nights per week helping with Boy Scouts or YMCA, church or club duties.

If they thus drag themselves home exhausted, at midnight, they figure their wives will interpret their lack of ardor as simple fatigue.

To banish this age-old bugaboo of husbands, send for the booklet "How To Prevent Impotence," enclosing a stamped, return envelope, plus 20 cents.

Approximately nine to ten million Americans are suffering from diseases of the heart and circulation.

"Now You Just Lie Down and Rest—"

Dick West Says:

Wired For Sound And Fury

WASHINGTON (UPI) — At the present time I am unable to foresee any circumstance under which I would pay 75 cents to cuss out a congressman.

But I will credit Western Union with a step in the right direction for having made the six-bit blasting-out available.

The telegraph company did so this week by starting a new "personal opinion messages" service, it entitles persons living anywhere in the United States to send a 15-word wire to their senators and representatives in Washington at a special rate.

The telegram goes for 75 cents if it expresses the sender's personal opinion about some issue or another. Western Union thinks this might encourage more citizens to make their feelings known.

There is, of course, no re-

quirement that the messages be castigations. I'm just jumping to conclusions at that point. My guess is that very few constituents are going to shell out the better part of a dollar to tell their congressmen they love him.

Even so, six bits is still a rather steep price for spleen venting. What's holding up public works project for this district?"

"Your demand for committee investigation of patronage system is great service to nation. Who do I see about getting job on committee staff?"

"Strongly urge that you oppose new farm program. Agriculture for too long has been whipping boy of American economy."

"Strongly advise that you stay out of fight over new farm program. This is election year."

could be set to music and sent as singing telegrams.

As I visualize the service, the messages would run something like this:

"When they're in the red, taxpayers are blue; vote to cut taxes or, brother, you're through!"

"Congratulations on your speech against government spending. What's holding up public works project for this district?"

"Your demand for committee investigation of patronage system is great service to nation. Who do I see about getting job on committee staff?"

Phil Newsom Says . . .

Did Sukarno Miss Boat?

If Indonesian President Sukarno wanted to go to war over New Guinea, as he has threatened so many times, last week's Dutch attack on three of his torpedo boats offered him a tailor-made excuse.

In Jakarta, the question is being asked, why didn't he use it?

Westerners who ask the question also supply a variety of answers.

One is that, for all his talk of taking New Guinea by force—"in a flash," small boats if necessary" Sukarno is not prepared for an all-out assault.

Another is that by generating among the people war fever against the Dutch, he has found a convenient means of diverting attention from serious difficulties at home.

Sukarno has an experienced army of 850,000 men. His navy includes two destroyers and two submarines obtained from the Soviet Union, and his Air Force between 325 to 375 aircraft, some of them Russian-built MIG jets and Ilushin jet bombers.

The big stumbling block is lack of shipping necessary to launch and support an invasion.

The ships Indonesia does have are urgently needed to ferry goods and supplies from one island to another in the vast archipelago.

Defense Minister Gen. Abdul Haris Nasution is said to have estimated he would need half of Indonesia's commercial shipping for three months if he were to mount an attack.

Grave civilian shortages would be certain to ensue, thus facing Sukarno with the risk of serious domestic turmoil.

Further, if the Dutch chose

to resist, they could make victory long in coming and costly. Aiding them would be New Guinea's unfriendly terrain of mountains, jungles, marshy valleys and narrow beaches.

Other factors also mitigate against any attempt to take the island by force.

One is Indonesia's severe shortage of foreign exchange.

Another is Nasution's reported reluctance to tie up his army for any length of time out of fear of an attack by Communist take-over while the army's back is turned.

The staunchly anti-Communist Nasution also is reported to oppose formation of local militia who might fall into the hands of the Communists. The Communists have the largest and best organized party in Indonesia.

As for Sukarno's troubles at home, his lack of foreign exchange has forced him to oppose an unpopular austerity program.

Floods followed by drought have created a serious shortage of rice, a staple in the Indonesian diet.

Western observers say Sukarno has the total support of the Indonesian People in his anti-Dutch campaign. Undoubtedly he would prefer to

avoid the risks of an invasion, but these observers wonder how long he can continue his balancing act without being forced to pull the trigger.

A Michigan man said he turned robber because he lost his health. A poor thing to look for in jail.

If you think you're in the groove, be sure it's just a rut.

A pessimist is a person who thinks there is more than enough trouble to go around and goes around talking about it.

Who remembers when the average teen-age boy was glad to shovel the walk for fifty cents?

Political Notebook

WASHINGTON (NEA) — National Science Foundation has just published a monumental, 900-page study on "Education and Professional Employment in the U.S.S.R. which is an eye-opener. For the first time it presents full facts on what can only be described as Russia's great "educational gap."

Whether the United States and Russia have missile gaps in relation to each other is debatable because neither side tells all on what it has or lacks.

But the statistics on education are an open book. And from them it can be shown that Russia is definitely behind the United States in general and higher education.

Following are just a few of the salient highlights brought out in the hundreds of tables and analyses of the NSF three-year study, conducted by Nicholas DeWitt of Harvard's Russian Research Center.

As Congress considers President Kennedy's renewed requests for federal aid to education at all levels, it is necessary to keep these factors in mind and in proper perspective:

Average schooling in the U.S.S.R. is only four years, compared to 11 years in the U.S.A.

Only 30 per cent of the Russians are graduated from high school, compared to 57 per cent in the United States.

Only 7 per cent of the Russians are graduated from college, compared to 12 per cent in the United States.

In 1950 there were only 2.3 million Russians in college, compared to 3.6 million Americans.

The Soviet Union has no equivalent to the American college and university liberal arts program.

Russia is turning out about 100,000 graduates a year in engineering and applied sciences, compared to only 90,000 U. S. graduates a year in these limited fields.

Of four million Russian college graduates in the 1950s, 2.5 million were engineers or applied scientists. The rest were doctors or teachers for the educational system.

This system costs the Russians 5.8 per cent of their gross national product, compared to 3.6 per cent in the U. S. And the Russian goal for the 1960s is to consolidate the leadership they have gained in very selected fields to an across-the-board leadership.

This is in line with Communist philosophy. The 22nd party congress in Moscow last year reaffirmed the old Lenin doctrine that science is the decisive factor in the expansion of economic, military and political power.

This is reflected in the finding that about one-third of all Russian graduate scientists and engineers are employed as administrators for the Soviet government.

For the attainment of their immediate objectives, Nicholas DeWitt reports, the Russian system works. But a liberal education is impossible to attain in Russia. This is intentional. It keeps Russian

students from getting ideas of their own and it helps maintain state and party discipline. But DeWitt finds much ferment in Russian educational circles because of this deficiency, or gap.

For the long run, he believes that the Western educational system is better. It allows students more freedom to promote their own well-being instead of sacrificing to promote national objectives. But he believes the United States should fix its educational priorities and pound them harder.

Nicholas DeWitt is a striking example of this philosophy himself. He is a giant of a man, nearly 6 feet 8 and weighing over 250 pounds. He was born in Russia in 1923 and went to primary and secondary schools there.

His father was a Netherlander, now dead. His mother was Russian. He is married to an American girl, the former Ruth Beamer of Milton, Mass., and they have three children.

His war experiences, how he got out of Russia and came to the United States in 1947 he can't talk about. He got his A.B. at Harvard in 1952 and will soon receive his Ph. D.

Lyle C. Wilson Says:

OAS Sanction-Shy

(UPI)—Beginning with the Eisenhower administration and on into the Kennedy administration, the United States has hoped for and worked toward the overthrow of Fidel Castro's Communist government in Cuba.

Failure of the Bay of Pigs invasion attempt last April ended at least temporarily any hope of a quick military overthrow, without direct U.S. involvement.

Attention then turned to other, longer range, means. They included economic sanctions by which the United States banned all but food and medical shipments to Cuba, and the attempt through the Organization of American States to organize a mass diplomatic and economic quarantine of the Cuban dictatorship throughout the hemisphere. An attempt to tighten the squeeze, already marked for only partial success, will begin on Monday at Punta del Este, Uruguay.

Forecasts are that the conference will condemn Castro's ties with communism and hold out the possibilities of sanctions if he does not break those ties.

It may also set up a watchdog committee to guard against further Communist encroachment in the hemisphere.

But it will fall far short of the immediate and mandatory sanction originally sought by the United States and its dozen Latin American supporters.

These sanctions could be ordered by a two-thirds vote of the OAS membership, 13 of which already are assured. Wavering Uruguay could provide the 14th necessary to push the measure through.

However, two important considerations now suggest that no strong effort will be made to secure its passage.

One is that the nations supporting it represent only about one-third of the Latin

American population. Missing are such giants as Brazil, Argentina and Mexico. They are joined by such others as Chile, Bolivia and Ecuador.

Mexico and probably others would ignore any resolution passed over their heads, thus exposing a deep split within the American organization.

Along with these considerations is the further argument that sanctions against Castro would have little more than moral effect.

Cuba's trade is about 80 per cent with the Communist bloc, with most of the rest scattered among Canada and other nations of Europe. Her Latin American trade is unimportant.

Some Days You Can't Win

WASHINGTON (UPI) — Some days you just can't win.

Rep. Ancher Nelson, R-Minn., received a letter from a retired farmer in his district complaining about a new post office that had just been built.

"They built a new post office in our town, and it was a waste of the taxpayers' money," the letter said. "Now they're even delivering mail to the door. And going downtown for the mail was the only chance to drink a few beers and get away from the old lady."

"These sanctions could be ordered by a two-thirds vote of the OAS membership, 13 of which already are assured. Wavering Uruguay could provide the 14th necessary to push the measure through.

However, two important considerations now suggest that no strong effort will be made to secure its passage.

One is that the nations supporting it represent only about one-third of the Latin

City To Host New Ballroom Dance Class

The Recreation and Parks Director, James Jernigan announced today that a new adult ballroom dance class will begin on Jan. 30, at 7:30 p. m. at the Civic Center.

A new teenage class will begin on Feb. 1, at 4 p. m. at the Civic Center.

Mrs. Nancy Davis, a Sanford Junior High teacher will instruct this activity for the Recreation Department. She has taught a number of classes this past season.

A registration fee for the adult class will be \$1 per person, with no charge for the teenagers. The only requirement to attend this class is to either live in the city limits of Sanford or to purchase a Civic Center Card.

Also, a new class in Ceramics will begin on Jan. 31 at 7:30 p. m. in the Arts and Crafts Building in Ft. Mellon Park. A registration fee of \$3.00 per person will be charged for the adults. If enough interest could be found a teen Ceramics class will be formed. If you are interested please call the Recreation Office and leave your name and phone number.

Few Farm Kids

WASHINGTON (UPI)—Only 30 per cent of pupils in the nation's rural schools are children of farm families, according to a National Education Survey. The other 70 per cent are youngsters in fishing villages, lumber camps, cattle raising areas, mining towns and the children of professional and businessmen who serve the small communities.

'Youngsters' Invade Hall Of Fame Now

BOSTON (UPI)—The super stars of baseball's 1940-55 era are invading the Hall of Fame—and they may close the door forever on some old favorites who have been hoping to make it for years.

That's the inescapable conclusion today after a study of the Baseball Writers Association voting which Tuesday night added fireballer Bob Feller of the Cleveland Indians and firebrand Jackie Robinson of the Brooklyn Dodgers to the 80 baseball greats previously honored.

Feller, who won 266 games during a 21-year career, received 150 of a possible 160 votes while Robinson, the most daring base runner of his time, got 124 votes. Seventy-five per cent of the votes cast—120 votes—were required for election.

The writers once again rejected the credentials of Sam Rice, Red Ruffing, Eppa Rixey and Luke Appling, who finished in that order behind Fel-

lar and Robinson. Rice had 81 votes, Ruffing 72, Rixey 49 and Appling 48. Next came shortstop Phil Rizzuto, also a 1940-55 era player, with 44 votes.

In electing Feller and Robinson the first time they were eligible, the writers indicated they will concentrate on the younger eligibles. Roy Campanella, whose brilliant career was ended in an auto accident in 1958, will be eligible in the next election in 1965, Ted Williams will be eligible in the next election in 1966 and Stan Musial will almost certainly be eligible in 1968. A player must be retired five years to be elected.

This means the best hope for men like Rice, Ruffing, Rixey, Appling and perhaps a half dozen more lies in the Old-Timers Selection Committee. The committee is expected to name Edd Roush, old Cincinnati star, to the Hall Jan. 28, and in future years will take up the cases of the older stars rejected by the association vote.

The 1962 voting marked the first time a so-called modern player has been elected since 1956 when American League President Joe Cronin and former slugger Hank Greenberg made it.

Feller, one-time Van Meter, In., schoolboy sensation, was

the knockout king of his era. He compiled a 266-162 lifetime won-lost average, pitched 3 no-hitters and 12 one-hitters, won 20 or more games in 6 seasons, set a single-season high of 348 strikeouts and a single-game high of 18 whiffs. He almost certainly would have reached the 300-victory mark except for four years in the Navy during World War II.

Robinson became the first Negro to play in organized ball in 1946 and a year later was brought to the Dodgers by Branch Rickey in a move that broke the game's unwritten color line. A brilliant baserunner, Robinson upset rivals with his daring and aggressiveness and also compiled a .311 batting average over 10 seasons. He led the National League with .342 in 1949 and hit .338 in 1951.

Supreme Thrill, Says Feller

United Press International
 Hubert Feller and Jackie Robinson agreed today that their election to baseball's Hall of Fame is the supreme thrill of their careers.

But teammates and rivals of the game's No. 1 fireballer and No. 1 firebrand of the 1940-55 era insisted both "had it made" hands down.

"This winds up my baseball career," said Feller in Cleveland, Ohio, where he is now a successful insurance man. "Nothing that went before matches this thrill."

"This is it," said Robinson in Stamford, Conn., when he was asked to name the high point of his career. "To my mother, my wife and Branch Rickey, I owe special thanks. Had it not been for them and also to all the teammates and the fans who helped me, I could not have been elected to the Hall of Fame."

Both men indicated their families will be with them when they are formally enshrined in the Cooperstown, N. Y. museum next July.

"I'm looking forward to taking my family there," said Feller, who is the father of three sons. "My boys have never been there."

"I want my entire family to be with me," said Robinson. "Of course, my children may not now fully appreciate what it means but I want them to be there."

Rickey, who paved the way for Robinson's entrance to baseball in 1946, was the first person Jackie notified Monday night.

"I put through telephone calls to my mother in Los Angeles and to Mr. Rickey in Pittsburgh," said Jackie. "The one to my mother was delayed but the one to Mr. Rickey went right through. I wanted to be the first to tell him."

Commissioner Ford Frick, league president Joe Cronin and Warren Giers, ex-major league manager, Leo Durocher, Charlie Dressen and Lou Hondreus and former associates of the newly elected men like Jim Hegan and Peevse Reaso joined in approval of the voting.

Cooper Stages Amazing Return Beating Hughes

LONDON (UPI)—Heavyweight Tony Hughes of Cleveland and manager Rocky Marciano gloomily admitted today that England's Henry Cooper had staged an amazing comeback Tuesday night by stopping Hughes after the fifth round.

British and Empire champion Cooper, bouncing back from a second-round knockout by American Zora Folley on Dec. 5, floored Tony once and cut him so badly about the eyes that he "retired."

Cooper weighed 190½ pounds; Hughes, 186. Twenty-three-year-old Hughes, suffering only his second defeat in 25 professional bouts, drew an ovation from the 7,000 at Olympic Arena in the third round when he nailed Cooper with a looping right and cut his left brow. But that was Tony's only big moment.

Cooper, 27, was particularly effective with left jabs and left hooks. He did his severest damage in the fourth round when Hughes was saved by the bell at the count of seven after having been felled by two left hooks.

In the fifth round, Hughes, already bleeding from a cut on his left brow and from the nose, suffered a deep gash on his right brow as he was hammered about the ring.

Hughes said today, "Cooper surprised me. I had no idea he was so good." Marciano, former world heavyweight champion, declared: "We took Cooper too lightly. He's a much better fighter than we expected. I can't understand how Zora Folley stopped him so quickly last month."

Hughes' only previous defeat was on a decision to Alonzo Johnson last Dec. 8. Cooper scored his 24th victory in 33 bouts.

Owen's Golf Back In First

With Gerald Behrens powdering the maples for a big 215-573 total last week, Owen's Golf Service took four points from Wally's and moved back into first place in the Tuesday Night Businessmen's League.

They replaced Leroy Benton's Contractors who fell victim of Automobiles No. 1 who have now taken nine out of their last 12 for as many points as they were able to earn in the first 48 games this season.

Davis Builders hung onto third place although thumped 3 to 1 by Automobiles No. 2. Town Pump, Sanford Electric and Smith's Amoco round out the first division this week.

Aside from Behrens' effort, only Bill Manley with a 214-511 and Tommy Kipp with a 201-509 were able to make the double feature column. H. J. Irwin, Dan Ritzke, Herb Earle, John Spolak and Rick Zuckerman managed to top 500, however.

Split-wise, Ken Stone picked up the 5-10, Brad Foley the 5-8-10, Floyd Martin the 3-7-10, Tom Kipp the 6-7, Richard Barnes the 4-9, and Herb Earle the 3-10.

Team captains are reminded that the deadline is drawing near for entering their teams in the City Tournament. Entry blanks can be picked up at the counter at Jet Lanes or from the League secretary.

NO EASY TASK - - - - - By Alan Mauer

Dodger Catcher Roseboro Gets 1962 Pay Boost

By United Press International
 Johnny Roseboro, one of the few Dodgers to live up to expectations last season, has been amply rewarded by his Los Angeles bosses with a contract calling for a \$4,000 raise.

The versatile catcher signed Tuesday for an estimated \$20,000 a figure worthy of his 1961 accomplishments when he led the Dodgers in home runs and also set two major league catching records.

There is an added reason for optimism concerning Roseboro next season. For four years he has struggled against the imposing right field wall in the Los Angeles Coliseum, a faraway barrier which few left-handers had much success with.

However, the Dodgers will be moving into the new Chavez Ravine stadium this season where lefty sluggers will get an even break with right handed batsmen.

Roseboro, who hit only .213 in 1960, boosted his average to .251 last year while hitting 18 homers and driving in 59 runs. He set major league standards for catchers with 877 putouts and with 933 chances accepted.

The Dodgers also signed two highly regarded rookies, pitcher Joe Moeller and infielder Wally Heckel.

Slugging outfielder Jim Lemon agreed to terms with the Minnesota Twins, accepting a slight reduction in pay over his reported \$30,000 salary in 1961. Lemon, after hitting .38 homers with 100 r.b.i.'s in 1960, slumped to a .258 batting average last season with 14 homers while driving in only 32 runs.

Also signing with the Twins was flashy shortstop Zollo Versalles, who batted .280 last year.

The New York Yankees corralled left handed relief pitcher Marshall Bridges, whom they obtained from the Cincinnati Reds, and bonus rookies Ron Solomon, a 21-year-old outfielder, and Alan Ball, a 25-year-old catcher.

The Chicago Cubs announced the signings of four players — Andre Rodgers, Paul Popovich, Jim McKnight and Moe Thacker.

Two Who Battle For Title Clash At SOKC

The two greyhounds who are having a nip and tuck battle for the track championship at the Sanford-Orlando Kennel Club meet again tonight in the big mid-week race, the featured ninth event.

They are Orville Moses Excelling and Jack Herold's Features Fair. When it comes to wins, Excelling, with six in the bag, is one up Features Fair who has hit the victory column five times. However, Features Fair beat Excelling by a nose and by a length-and-a-half in their last two encounters.

Excelling has had ten starts and has not yet missed the money. Features Fair failed to pay off on just two of her eleven tries.

Other top notchers in tonight's main event are Wade Tray, Gussie Lee, Mary McLain, Kid Lee, Kasco Whiskers and Tuffy O'Leary.

Features Fair will be trying to make it three in a row. Other last out winners in this top attraction are Wade Tray, Gussie Lee, Mary McLain, Kid Lee and Kasco Whiskers. 1st Race, 5/16 Mile, T 31.33

Enraged Coach Fires Up Team

By United Press International
 "We may never play here again," basketball coach George Ireland of Loyola, Ill. told his players Tuesday night before they met Loyola of the South at New Orleans, "so lets put on a good show."

Loyola was enraged because his players, including five Negroes, were warned they would be arrested if they stayed together at Xavier University. He also resented segregation forced upon his players in New Orleans eating places.

The visiting Ramblers from Chicago took Ireland's advice and overruled Loyola of the South, 96-73. The Ramblers were led by Jerry Harkness, who scored 29 points, and Vic Rouse and Leslie Hunter, who tallied 24 each. All three are Negroes.

The game was free of racial incidents and a crowd of 1,200 applauded both teams equally. However, this failed to mollify Ireland.

"Under the circumstances, I don't think we should play here again," he said. "We've had a lot of trouble—too much trouble."

It was the Ramblers' 11th victory in 13 games this season. They garnered only one ninth-place vote in this week's United Press International ratings—but Tuesday night they played like champions.

Stemper Grabs Three Games

Stemper Agency coped three games and lost one to Alix of Sanford in the Wednesday Nite Sandspurs League to lead first place by three games.

Robson Sporting Goods coped three games from Jet Inn to move into the second place position.

McRoberts Tires managed to take all four games from Welsh Tire Shop moving Welsh Tire Shop to the third place position.

Rolling high scratch series for the nite was Midge Woods with a big 512, with high game of 189 for the night. Close behind was Peggy Stewart with a 491, Peggy missed an all spare game by one pin and three game series of 164 by this pin. Other high series was Pat Foster with 474 and Lili Ogden with a 458.

Spills seemed easy for Lili Ogden as she picked up the 2-7, 5-10, and the 5-8-10. Peggy Stewart, Midge Woods and Pat Foster picked up the 5-7. Maximo Koehler the 3-10 and Jimmi Livingston the 4-5-7.

VAH-7 Holds League Lead

In the Holler Motors Navy Wives League, VAH-7 is still in first place and Navy Wives Club No. 911 is in second place.

High game for the day was 199 rolled by Sue Moury, who also doubled four strikes in a row. Other high games and series were 194-405 by Mary Jane Gorton, Verne Bollen 180-508 series, Lil Ogden 175-433, and Fran Mackey 168-478.

Aulis Lea who is a new bowler, rolled four strikes in a row. Also, turkeys were holled by Mary Jane Gorton, Lil Ogden and Phyllis Freeze.

The 3-10 split was made by Jo Watson and Mary Jane Gorton. Irene Dulek and Lucy Mays made the 5-6-10 split. The 5-10 split was made by Dee Klett and Clara Barber. Fran Mackey and Dorothy Holbrook made the 5-7 split. The 2-7 split was made by Marie Cisowski.

Title Shot Next For Joe?

BOSTON (UPI) — Burly Joe De Nucci, battered, bloody but unbowed, looked forward today to a shot at a ranking middleweight after his first victory in three tries against Ralph (Tiger) Jones.

De Nucci, of suburban Newton, suffered a cut over his left eye and a gashed scalp Tuesday night while taking a unanimous decision over the ringwise Tiger in a 10-round feature at Boston Garden. "I'm satisfied," said De Nucci, who lost and fought to a draw with Jones in two previous efforts. "In fact, I feel real good. I fought one of the smartest fighters in the game."

CASEY STENDEL, manager of New York's National League baseball team, the Mets, holds up a sketch of the team uniform at a press conference in New York.

Pryor Closes In On Leaders

Pryor's State Farm Insurance is hot on the trail of league leading Powell's Office Supply, in the Thursday Nite Mixed League. This week both teams took all four from their opponents, making it still Powell's in first with 50 wins, to Pryor's 48½.

Appleby's climbed back into third with 46, followed by Wilson-Mater Furniture, Team Seven, Stone's Machine Shop, Stone's Allstate Insurance, Team Two, Pierre's, and Steinmeyer Roofing.

The women showed the men some top bowling this week, as Margie Woods, rolling for Pryor's, racked up a 564 scratch set, and Dot Powell put together three nice ones for a 546 series for her team. Vergil Anderson was next high with a 220-543, and Harold Appleby had a 536, to show that there were good games rolled by the men also.

Ken Stone had a field day, not only in getting splits, but in picking them up. He started one game with five in a row, and made four of them, the 5-7, 8-10, 8-8-10, and 3-10. In his other two games he converted the 8-10 three times. Others converting splits were: Dwight Blackwelder, Dot Powell, Danny Carder, Bill Foster, and Joann McCullough, the 5-7. Clyde Perry, Ed Michaels, Alberto Warner, Lillian Ogden, Hal Gilstrap and Kathy Bulew all made the 3-10. Pat Dersolph picked up the 6-8-10, Dot Powell 5-7 and 4-6-7, Erma Anderson and Wallace Woods, both making the 5-10, and Dutch Shugaris topped the 6-7.

Famed Newsmen Visits Fronton

The Orlando Seminole Jai Alai Fronton had a surprise visit Tuesday night from the dean of newscasters, Walter Cronkite. The crowd welcomed his appearance with a hearty applause and watched a hotly contested eighth game that was the Walter Cronkite Trophy Match.

Iriarte battled Sagas to victory in a singles match that brought the crowd to their feet.

Iriarte scored five points in succession to upset the favored Sagas who needed but one point to win.

Titusville Shades Oviedo, 65-53

The Oviedo cage Lions suffered their 14th loss of the cage season Tuesday night as Titusville toppled over them 65-53.

Titusville led 13-10 at the first quarter and at the half held a 29-23 lead.

Oviedo made it close in the third quarter but lost steam in the final minutes of play. Jim DeShazo and Roy Walwright led Oviedo scorers with 16 and 13 points respectively.

Bear Lake Girl Scouts Camp Out

By Shirley Wentworth
 Intermediate Girl Scout Troop 497, under the direction of Mrs. John Hall, Bear Lake Terrace, participated in an over night stay at Bear Island, off Route 15 this weekend.
 Miss Nancy Fishinger, a Girl Scout of Winter Park, assisted Mrs. Hall on the junket. The group was scheduled to leave from Mrs. Hall's home and was to arrive at their destination about 4 p. m. Friday.
 The girls pitched two "Mountain" camps and had a cook-out consisting of hot dogs, potato chips, hot chocolate and "sommores".
 Saturday they cooked breakfast and lunch at the camp and returned home late in the afternoon.
 All mothers who would like to become a leader and enable more girls to participate in these outings and general activities of the Scouts and Brownies, in the Bear Lake area, may do so by contacting Mrs. John Hall at Cypress 3-754, Bear Lake Terrace.

St. Johns Presbytery Organizes "52 Club"

Organization of the "52 Club" was announced Tuesday by officials of the Presbytery of St. Johns which is made up of 29 Presbyterian Churches in 11 Central Florida counties.
 Formed by the Church Extension Committee of the Presbytery, the club is asking each family to join by giving \$1 per week for 52 weeks in addition to the regular church pledges. Funds contributed in this manner will be used solely for building new churches with the Presbytery and no family will be asked to take more than one membership per year.

J. M. Garrett, local chairman of the "52 Club," advised that "while all churches in the Presbytery have doubled and re-doubled their efforts to serve the population increase since 1955 there are thousands of families who have lost contact because there is no church of their faith in the new developments where they locate."
 Rev. Grover C. Sewell Jr., pastor of Sanford's First Presbyterian Church, said that support of the club would help the church assume its "rightful place in a crucial time."

Ray Green Has Fainting Spell
 TALLAHASSEE (UPI) — Comptroller Ray E. Green fainted briefly during the morning session of the Trustees of the Internal Improvement Fund Tuesday.
 Oxygen was administered and Green was taken by ambulance to his doctor's office, and later to his home for a rest.

Realtors Board Has First Meet
 The Seminole County Board of Realtors held their first meeting of the new year under the leadership of the 1962 President, Byron L. Kimball, at the office of Ben L. Griffin Associates in Fern Park, Monday.

Nothing Like This Around This Here Place!!!!
 BORGES, Tex. (UPI) — If you ever get trapped in a big freezer, keep walking around, warm your hands on the light bulb, and count things to pass the time.
 That is how 16-year-old Sandra Posey saved her life Tuesday.

She was trapped by a thief in a freezer in a restaurant. She was almost frozen when rescued seven hours later, but is recovering at a hospital.
 Sandra said she once saw a TV drama about the plight of a girl locked in a freezer. She said the girl kept moving around.
 Sandra said she walked around in the freezer, put her hands around a light bulb to warm them, and counted lines.
 "There are 898 lines in that freezer," she said.

Miss Rose Marie Russi, D. A. Tucker Married In Double Ring Ceremony

Miss Rose Marie Russi, daughter of Mr. and Mrs. Joseph Anthony Russi, Bel Air, Sanford, and Donovan Allen Tucker, son of Mr. and Mrs. D. W. Tucker of Crowley, La., were married Jan. 13 at 3 p.m. at All Souls Catholic Church in Sanford.

Rev. Richard Lyons officiated at the double ring ceremony.

The church was decorated with arrangements of chrysanthemums, gladioli and

palms. Mrs. F. E. Roumillat, organist, presented a program of wedding music, including the traditional wedding marches.

The bride was given marriage by her brother Anthony Russi. She wore a white satin, street length dress, with fitted bodice and full skirt. Her short veil was attached to a white satin crown and she carried a white prayer book, topped with a bouquet of lilies-of-the-valley, centered with a white orchid.

Mrs. Ronald Russi, matron of honor, wore a light blue embroidered dress, with matching accessories and carried a bouquet of pink carnations.

Robert Yourshaw, a friend of the groom, served as best man.

The brides mother wore a blue silk dress with matching accessories and a pink carnation corsage.

Following the ceremony, a reception for members of the families and close friends was held at the home of Mr. and Mrs. David Russi, 844 Rosalia Drive.

The party rooms were decorated with arrangements of chrysanthemums, snapdragons and other seasonal flowers.

Refreshments of punch, party sandwiches, nuts, mints and a three tiered wedding cake were served to the guests. Mrs. Anthony Russi served the cake and Mrs. Edgar Benton presided at the punch bowl.

For her going-away outfit, Mrs. Tucker chose a turquoise blue wool suit, with black accessories and the orchid from her bridal bouquet.

After a wedding trip to New Orleans and other points of interest in Louisiana, the couple will reside at 2517 1/2 Country Club Road.

Mrs. Ingle Honored At Stork Shower

Mrs. Charles Ingle was guest of honor at a surprise Stork Shower, Saturday, given by Mrs. John Stanish and Miss Dorothy Cooper at the Stanish home, 2615 South Sanford Ave.

Several games were played and prizes awarded to Mrs. W. I. Ingle Jr. and Mrs. W. F. Ellis.

Following opening of the many gifts by the honoree, refreshments of cake and punch were served to the guests. The cake was elaborately decorated in pink and blue.

Others present were Mrs. Adele Leeper, mother of the honoree, Miss Jenny Leeper and Miss Sharon Leeper, all of Fort Pierce; Mrs. W. I. Ingle Sr., Mrs. J. H. Ellis, Mrs. W. S. Collins, Miss Linda Ellis and Miss Sandy Ellis, all of New Smyrna Beach.

Other local guests included Mrs. George DeMatto, Mrs. F. L. Miller, Mrs. L. L. Wilson and Mrs. E. L. Ebbert.

DeBary

Personals

By Mrs. Adam Muller
Mr. and Mrs. Ewald Nicholson, Orchid Dr., recently spent several days with friends in Sarasota.

Mrs. Peter Myhre, Dahlia Dr., entertained at her home Tuesday morning with a coffee to introduce two new residents to their neighbors. The honorees were Hazel Woodward and Lillian Park. Among the guests were Ora White, Fay Lalbeau, M. Wilders, Julie Conley, Dorothy Pate, Betty Dominick, Florence Sargent, Ruth Thomson, Chris Rough and Mary Lee.

Mrs. B. L. Peterson spent six weeks in Cleveland, Ohio, visiting her family and friends. Her sister, Mrs. James Smith, returned to DeBary with her and will stay for several months.

Mr. and Mrs. David MacFarlane entertained Rev. and Mrs. Elmer C. Johnston of LaPort, Ind., when they returned from a two week Caribbean Cruise aboard the S. S. Brazil. Rev. Johnston was Chaplain during the trip. They are now touring Florida.

Mrs. B. Wilkenbrock of Lancers Dr. has at her houseguest Mrs. Anne Schwartz of Middletown, Conn.

Houseguests of Mr. and Mrs. Harrison Bernier are Mr. Bernier's brother-in-law and sister, Mr. and Mrs. Leroy Linger of Erie, Pa.

Commodore Richard Hart and Mrs. Hart recently entertained the Sanford Boat and Ski Club at their home on Sunset Dr. Plans were formulated for the coming St. Johns River marathon to be held the first Sunday in May. Ten members were present.

Mrs. Oscar Papineau entertained Mrs. K. H. Cummer of Gramercy Park, N. Y., and the Hearshons in Winter Park Sunday at the DeBary Restaurant. With Mrs. Cummer were Mrs. N. P. Van Buskirk, Mrs. H. T. Swank, Mrs. James Bayles and Mrs. Haugh all from the Hearshons in Winter Park.

Mr. and Mrs. Edward McCarthy have as their houseguest, Herbert Chisholm of Springfield, N. J. Mr. Chisholm and Ed were buddies in the first world war.

Mr. and Mrs. David MacFarlane have a new granddaughter. She is Miss Robin Louise Campbell, who was born Jan. 13 to Mr. and Mrs. Herman Campbell of Orlando. Mrs. Campbell is the former Lucille MacFarlane.

Mrs. Orville Sigfoof of Yonkers, N. Y., is visiting at the Delespine Road home of Mrs. Ralph Leonard.

Coffee Planned By CPO Wives Club

Members of the Chief Petty Officers Wives Club met at the Naval Air Station Ballroom for the first session with new officers presiding.

Officers installed at the last meeting who presided at the meeting included Mrs. William Sowell, president; Mrs. Roy J. Morris, vice president; Mrs. W. R. Marsh, secretary, and Mrs. Wade Snyder, treasurer.

Main topics on the agenda for the evening were the revision of the by-laws and a get-acquainted coffee.

A new member, Mrs. Joe O'Donnell, was welcomed by the group. Guests present were Mrs. Ralph Chappell, Mrs. C. Westbrook, Mrs. Ulla Gaudert, Mrs. M. Rossano and Mrs. Hans Osterfield.

Chairmen voted to serve for the next six months were Mrs. Harold R. Sundvall, hospitality; Mrs. Richard Lawrence, central committee representative; and Mrs. A. B. Babb, public relations.

Thirty-five members and guests were present for the meeting and refreshments of finger sandwiches, pickle chips, coffee and cake. The

UDC To Meet Thursday

The Norman de Vere Howard Chapter of the United Daughters of the Confederacy will meet this Friday at the home of Mrs. M. R. Strickland.

The program will start at 3 p.m. Miss Ollie Reese White and the Seminole High School Triple Trio will present a program of Southern songs. Mrs. Roy R. Wright Sr. will be co-hostess.

Others on the refreshment committee were Mrs. Marsh, Mrs. John Evans, Mrs. David Peralta, Mrs. A. Reeves and Mrs. Walter J. Kryzwa.

The get-acquainted coffee planned during the business session will be held Feb. 20 at 10 a.m. in the CPO Club. Wives of all Chief Petty Officers, both active and retired are cordially invited to attend.

A baby sitting service will be available for mothers of small children. For further information contact Mrs. Rex King.

Church Class To Meet Thursday

The Friendship Class of the First Christian Church of Sanford will meet at 6:30 p.m. Thursday in the Educational Building for a covered dish supper and meeting.

Mr. and Mrs. L. O. Hayman visited friends in Corcora recently.

Mrs. Ida Padgett visited Mrs. Anna Hill in Leesburg last Friday.

Luncheon Enjoyed By Home Department

The elegant surroundings of the Maison and Jardin Studio, in Allamonte Springs, was the scene of the monthly luncheon meeting of the American Home Department of the Sanford Woman's Club.

Hostesses were Mrs. William Kirk and Mrs. A. O. Roberts. The luncheon was truly a work of art, with the chef showing as much imagination in serving the meal as he did in cooking it, according to the guests.

They also described the establishment as being too impressive for words, with its antiques, figurines, china and paintings. Each table featured a different arrangement including the beautiful china and crystal.

Mrs. John K. White, department chairman, presided at a short business session and introduced two guests, Mrs. Pat Hardin and Mrs. J. Wright.

Mrs. Madeline Gates, assistant studio decorator, was guest speaker. She gave an interesting talk on the correct way to trim drapes and displayed several samples. She also pointed out several collector's items of china, purchased by the owner in Austria last year.

Some of the items were previously owned by royalty and two were very interesting tea boxes that were several hundred years old. They were elaborately carved and one was made of shells.

The group spent several hours admiring the never ending supply of interesting items.

Valentine Dance Planned By Circle

Members of the Anna Miller Circle and their husbands enjoyed a covered dish supper, recently, at the Ellis Club.

The meat course of turkey was provided by the circle and members brought the side dishes.

Mrs. William Klinefelter, president, presided at a business meeting following the supper. Plans were discussed for the annual Valentine dance, to be held in February. Nominations were made for the Valentine Queen and balloting will be conducted at the next meeting.

Committee chairmen will be named and final plans made for the dance after the queen is chosen.

It was reported that the December fund raising activities were very successful.

Planning Session Scheduled By Church Women

Officers and committee chairmen of the various churches of the Sanford United Council of Church Women will meet Friday at 10 a.m. at the Episcopal Parish House for a planning session.

Mrs. F. A. Dyson, president, will preside. A nominating committee will be named and plans discussed for future events including the World Day of Prayer, scheduled for some time in February.

ALL OF THE WOMEN EMPLOYEES OF The Sanford Herald honored a departing member of the staff, Mrs. Paul Tyre, with a dinner at the Pinecrest Inn, Friday night. Feasting on delicious fried chicken and other food the group consented to pose for a picture. Seated from left are, Mrs. Robert J. Cushing, Mrs. Henry P. Johnson, Miss

Shirley Jones, Mrs. Tyre, Mrs. W. M. Jepson, Mrs. Calvin Jardine, and Mrs. Fred Wells. Standing are Mrs. A. K. Shoemaker Sr., Mrs. H. E. Long, Mrs. E. S. Higginbotham, Mrs. Johnny Davis, Mrs. H. D. Johnson and Mrs. Marie Harris. (Photo by Mrs. N. V. Farmer, Herald Photographer)

Church Calendar

WEDNESDAY

First Presbyterian Senior High Choir, supper 6 p.m. followed by mid-week service. Bible Study, 7 p.m.

THURSDAY

Training class for Bible moderators of the First Presbyterian Church, 7:30 p.m. and leadership training class for teachers, at 7:30 p.m.

First Baptist Host To WMU Meeting Friday

The WMU of the First Baptist Church of Sanford will be host to the Woman's Missionary Union of the Seminole Association this Friday, at 10 a.m.

The theme for the day's program will be "Jesus Shall Reign From Shore to Shore," with Miss Reda Copeland, state Young Woman's Auxiliary director of Jacksonville, as the featured speaker.

There will also be conferences for chairmen of various committees including prayer,

community missions, stewardship, mission study, Girl's Auxiliary, Young Woman's Auxiliary and Sunbeams. As a special feature of the program there will be a parade of nations in costume.

At 12:30 a covered dish luncheon will be served in the social hall of the church. Women from all 24 churches of the association are cordially invited to attend this meeting and luncheon.

Waiting a private club? Wait for an invitation to join a group.

THE PHANTOM MARGA WAYNE

Dear Abby: By Abigail Van Buren

DEAR ABBY: Please tell me what kind of mother I am. While my friends and neighbors are bragging about their children, I have to stand by and keep my mouth shut. The reason is, I can't think of anything good to say about mine. They are miserable, selfish, disagreeable brats. I love my children but let's face it, they are monsters. I have tried every kind of punishment in the book and so has my husband, so it isn't that we haven't tried to teach and train them. All we can look forward to is increasing the population of juvenile delinquents. Am I the only mother in this town?

WISH I'D STAYED SINGLE

DEAR WISH: Your "miserable, selfish, disagreeable brats" were not that way at birth. You have failed somehow as parents. Why not ask your local Child Guidance Clinic for some help?

DEAR ABBY: Maybe I am just plain stupid, but I would like to know why teen-agers need to carry around great big purses that weigh around ten pounds apiece.

TEEN-AGED ROY

DEAR BOY: Because they want to have a comb, hairbrush, compact, at least a dozen lipsticks, eyebrow pencil, eye-liner, mirror, wallet, bobby pins, sunglasses, chewing gum, safety pins, cough drops, pocket dictionary, needle, thread, scissors, glue, tape, autograph book, fountain pen,

The New Breed

The New Breed series produces a new kind of TV cop—an elite corps of college trained, scientific detectives. Members of the Metropolitan Squad of the Los Angeles police department, they operate by brain rather than by brawn.

Highlights

TV Time Previews

7:30-8:30 p. m. (NBC) father (Abraham Sofaer) and mother (Helen Hayes) in "The Malachi Hobart Story." Franchot Tons commits a social sin that many stars on TV series are doing these days. He forgets he is a guest and steals the show. Tons plays a drifter who has high regard for the Bible—as a con-man's tool. Scout Duke Shannon (Scott Miller) disguises himself as a deserter to expose the swindler-preacher.

9-10 p. m. (NBC) Special. The Hob Hope Christmas Show. Filmed on his Christmas tour of Labrador and Greenland, Hope opens this show with a monologue that is actually a neatly edited compilation of monologues delivered to a dozen different servicemen audiences on his tour. There are whistles and cheers for Dorothy Provine as she sings and dances with Hope to the tune of "I'm In Love With You, Honey," a fair beatnik sketch and a very funny "Home and Juliet" with Jayne Mansfield as a Juliet like you've never seen. Jayne also dances the twist to a farewell. Also on hand are singer Anita Bryant and comic Jerry Colonna, who assumes various roles throughout. Show closes with a belated singing of "Silent Night." Aside from the fun and laughs, it's a warning to see Hope having freezing weather to bring cheer to our boys in uniform.

9:30-10 p. m. (CBS) The Dick Van Dyke Show. The gags are sharp and funny when Morry Amsterdam is around and Van Dyke is amusing, especially with mugging, but the plot is as skimpy as a dime-store necktie. It's a hassle over who owes money to whom between Van Dyke and Amsterdam, which is complicated when Van Dyke subtly hints the debt by using it as a plot theme. Particularly funny is Richard Deacon with his frowning disapproval in his producer role.

10-11 p. m. (ABC) Naked City. "The Contract." A Chinatown setting unfolds a well-acted story of Chinese customs, particularly as regards honor and integrity. Who killed the beautiful lotus (Pilar Bourat)—her boy friend (James Shigeta) or adopted

Firestone Store Opens For Business Thursday

THE LONG RANGE VIEW of the new Firestone Store shows the entire structure, complete with the gas pumps, service department and merchandise store. Workmen are still in the process of completing the work of paving First

St. west, but this small matter does not dampen the enthusiasm of Firestone Store employees, who will hold the grand opening Thursday, Friday and Saturday, with prizes for some lucky winners and gifts for everyone. (Herald Photo)

THE OFFICE of the new Firestone Store is a busy place as opening day approaches and all hands work at peak speed to have everything

ready for the three big days, Thursday, Friday and Saturday. (Herald Photo)

Giant 3-Day Celebration Scheduled

Thursday morning at 8 a.m. the gleaming glass doors of the brand new Firestone Store at the corner of First St. and French Ave. will open in official welcome for a giant three day celebration.

A set of tires will be given away at a drawing to be held Saturday night as the grand prize, and the second lucky winner will receive 100 gallons of gasoline free. Third prize is a beautiful Tahitian carving and steak knife set. Every half hour, free service certificates worth \$5.50 will be given to some lucky customer, during the entire three day period.

There will be gifts for everyone who visits the store, including perfume for the ladies, yardsticks for the men, and balloons for the children.

Expected in town for the grand opening ceremonies and ribbon cutting are R. C. Brown, Manager of Stores of the Firestone Tire and Rubber Co. from the home office in Akron, Ohio.

W. S. McGilvary, division manager of the Southeastern states, and L. L. Martin, division store supervisor, both from the district office in Atlanta, will attend as well as J. H. Scott, district manager from Jacksonville.

P. W. Caudill, store supervisor from Tampa, has been in Sanford for several days.

CONCRETE
BUILDING BLOCKS

AND BUILDING MATERIAL

Many Firms Had Hand In Building

Sanford's newest addition, the handsome new Firestone Store on the corner of First St. and French Ave. was built by the Carroll Daniel Construction Co. in accordance with specifications of the Firestone Company.

Miracle Concrete Company supplied the concrete work and the blocks used in construction came from Chapman Concrete Products.

Sam Lawson Construction Co. did the masonry work and the plumbing and heating was done by Wall Plumbing.

Lee Brothers installed the gas equipment for the Shell pumps in front of the store and the electrical work was done by Randall Electric Co.

Corruform decking used in some places and sonolite concrete used in others was supplied by the H. C. Buchanan Concrete Company, and ceramic and quarry tile used in the decoration of the outside of the building in the service area was contracted by the Atlantic Marble and Tile Co. of Daytona.

Overhead doors, which open up the entire length of the service area, giving drive-

through access, were the work of the Acousti Engineering Co. and floors and decks were done by the House of Floors. Laminated beams in the overhead were placed by Yeandale and Fox of Leesburg and others were Senkarik Glass and Paint Co., glass; Imperial Decorators, painting; Thomas Lumber Co., and Gator Lumber Company, lumber and materials.

The large paved parking lot and service area paving was done by the R. M. Wilkins Paving Contractors, and roofing was done by Falkner Roofing Co.

Other contractors, whose work put together the handsome new building and its equipment were the O. F. Williams, of Orlando and Clark Construction Co.

We are proud to have taken a part in building Sanford's newest, most modern commercial structure

Credit, Office Manager Man Of Experience In His Field

Office and credit manager of the new Firestone Stores which will hold its Grand Opening in Sanford on Thursday is Otto C. Borsdorf. Mr. Borsdorf has been with the Firestone Company here in Sanford since 1944.

Having no small amount of experience in the tire and rubber business, Mr. Borsdorf has spent 18 years with the Firestone Company, all of which were spent with the company here in Sanford.

"Silk City of America," Borsdorf is a graduate of Patterson High. He is a past Commander of the V. F. W. and is at present a Legionnaire at Campbell Lossing Post number 33.

A retired quartermaster of the U. S. S. Nevada, he is a veteran of World War II. Borsdorf resides at 2537 Palmetto Ave. here in Sanford with his wife Alice. He has two sons, Bob and Edward and a daughter, Ruth all of whom are married.

Public Is Invited To Firestone Grand Opening

Store Offers Expanded Line, Service

New Firestone Store manager John R. Walker today extended an invitation to the public to visit the new store during the grand opening days, Thursday, Friday and Saturday.

The new manager points with pride to the vastly expanded automotive service which the new store will provide with the large service department, equipped with all the latest electronic equipment staffed by factory-trained mechanics.

Walker, who recently transferred to Sanford from the Firestone Store in Clearwater has a total of eight years experience with Firestone and is familiar with every phase of the company's products from production to sales.

Walker, his wife, Marie and daughter Hoberia are now making their home on Ridge Road in Sanford. Another daughter, Pat, attends FSU.

Future Engines May Be Simpler

WILLIAMSPORT, Pa. (UPI)—Automobiles of the future may have engines that start immediately in 25-below-zero weather, need no anti-freeze because they are air-cooled and use almost any inexpensive fuel.

Such an engine has been developed for the U.S. Army Ordnance Corps by Avco Corporation's Lycoming Division. Intended primarily for use in light tracked and wheeled military vehicles, it ignites by compression, has no valves and has only three moving parts for each of its four cylinders.

Weighing only 600 pounds, it is 30 inches long and wide and 28 inches high. The manufacturers say it operates under water as efficiently as on land.

JOHN R. WALKER

MAKE YOURSELF COMFORTABLE . . . Visible in the left hand lower corner of this photo are the comfortable couches which have been placed strategically in the new Firestone Store to make an ideal spot for a prospective

customer to look over the television sets, listen to the stereo phonographs and radios of every kind, while he makes up his mind in unhurried leisure.

(Herald Photo)

SWINGS AND SEESAWS to delight the small fry are only part of the toys and play equipment that is stocked by the Firestone Store. This swing set stands behind the front doors, which will not be used until the paving is completed on First St., which is now under construction. (Herald Photo)

Grand Opening Set

The new Firestone Store will fling wide its doors, officially, to all of Sanford, Seminole County and the surrounding area Thursday, when they launch their three-day grand opening festivities.

Celebrating the new store, the new location, and a host of added features including the giant service area, to provide the latest and most efficient servicing of automobiles in the county, the new store hours of 8 a. m. to 7 p. m. will be extended to 9 p. m. every night of the three day opening.

The sparkling red and white decor, symbol of Firestone everywhere is carried out in the decorating scheme of the building constructed by the Carroll Daniel Construction Co., under the direction of vice president Leroy Robb.

The service area features drive-through bays, and the overhead doors open on both sides of the work area, so that customers may have cars serviced and drive right out on the other side, for maximum safety and convenience.

The angled shape of the building allows for parking of 25 or more cars, in front of the store, convenient to both the service area and the merchandise store.

In the store itself, the well-known Firestone line is featured in auto supplies, tires, hardware, lawn and garden equipment, wheel goods, major appliances, small appliances, recreation and sports equipment of every kind.

New Use For Gems

NEW YORK (UPI)—A new use has been found for diamonds, both natural or man-made, according to E. H. Hull, of the General Electric Co. Research Laboratory, Schenectady, N. Y.

Hull told a recent meeting of the American Society of Mechanical Engineers that diamonds are a useful material for burnishing—one of the oldest methods for improving the surface finish of metals.

Store Features Tops In Electronic Auto Service

MECHANIC DAVE CARLTON looks into the screen of the electronic Visubalancer, which is used by the new Firestone Service Dept. to balance wheels. The wheel can be seen spinning on the axis, inside the protecting hood. (Herald Photo)

ELECTRONIC ALIGNMENT EQUIPMENT, designed by John Bean, assures Firestone customers perfect front end alignment on their cars, with this seeing eye machinery, the latest available for service departments. All equipment is to be operated by factory trained mechanics. (Herald Photo)

Equipment Very Latest

45 Years Of Experience Represented

More than 45 years experience are represented in the eight men who make up the personnel at the new Firestone Store on the corner of French Ave. and First St.

Manager of the store is Richard Walker, who is thoroughly familiar with all phases of the store's various departments, having been with the company for over eight years.

Office and credit manager of the store is Otto C. Borsdorf who has been with the Sanford Firestone store for 18 years, and is the veteran of the group.

Jim Poovey, service manager has worked with the Sanford store for four years and makes his home here.

The other local man is Ronald Wilson, who serves as budget manager for the company and has been with the Sanford store for two years.

There are three new men now employed at the greatly expanded new store, with its complete service department, and many new facilities.

Dave Carlton has charge of the home and auto supply department while Tommie Haines takes care of the gas island and is general service man out front.

William Glenn is the front end and brake mechanic, with extensive training for his job as have all the other mechanics.

Oscar Roberts, a veteran employe of the store specializes in tire changing and is counted on for general service every day. He has held his employment there for the past eight years.

Firestone is proud of their all new electronic auto servicing equipment in the new and greatly expanded service department of the new store on the corner of First St. and French Ave.

The John Bean Visuliner alignment machinery assures perfect alignment of the car, while the Visu-balancer makes possible the most electronically perfect wheel balancing.

A complete Amoco brake department will take care of the need for brake repairs with their high precision drum-turning lathe and arcing equipment.

Another feature of the service department is the use of the Allen Electronic motor and ignition tune-up equipment.

ment which finds the bugs under the hood, analyze them and indicates the motor performance, compression, Spark, carburation and tuning.

There are four men in the service department of Firestone who have been carefully factory-trained to operate the newest equipment and keep cars operating in top shape, when owners submit them to the test.

Famous and dependable Shell gas and lubrication is used in the new station with its drive-through bays, overhead lubrication equipment, electricity and air outlets.

HOT HAM, BISCUITS and coffee will be served at the new Firestone Store opening, prepared on Firestone appliances by Miss Lucy Nowlin home appliance demonstrator for the Florida Power and Light Co. The refreshments will be on hand for all customers, served with Miss Nowlin's skilled hand.

Construction By Carroll Daniel

LEROY ROBB

The new, modernistic Firestone Store was built by the firm of Carroll Daniel Construction Company, of which Leroy Robb is vice president and general manager.

The firm has been foremost in the field of building progress in Seminole County in the last few years and a look around will see the Carroll Daniel construction work in many of the newest additions to the industrial growth of the county.

The new Florida State Bank building, the fabulous Jai-Alai Fronton, Hopper Academy, the Medical Center, the No. Two Fire Station, the Sanford Manufacturing Co. and the Civic Center are among the fine buildings that have been

built of Robb's supervision by the Carroll Daniel Construction Co.

A native of Wyoming and a product of Wyoming colleges and engineering school, Robb has been with the company in Sanford since 1956, and under his direction, the company has risen on its own merits to ever higher standards of excellence in construction.

Further Citrus Price Rise Seen

LAKELAND (UPI) — Florida fresh citrus prices have risen and will probably rise more because of the freeze destruction of the Texas citrus crop. Florida Citrus Mutual said Thursday.

Mutual said grapefruit and orange prices had climbed between 25 and 50 cents per box since the crop-killing cold wave hit Texas last week. Mutual Executive Vice President Robert W. Rutledge said "on-tree prices for or-

anges are expected to increase for both fresh fruit and concentrate use."

It is estimated that some 17 million Americans suffer from some form of mental illness.

Sixth Smallpox Victim Dies

LONDON (UPI) — The death of a sixth suspected smallpox victim sent frightened Britons to vaccination centers today under the urgent prodding of health authorities. The scare was centered chiefly in Yorkshire, where a middle-aged man died Sunday in Otley Hospital.

If doctors confirm that a smallpox took his life, the man will become the sixth confirmed or suspected victim of the disfiguring disease since Jan. 7.

Right now, authorities think the smallpox was brought to Britain from Pakistan last month. Four deaths in Britain have been established as due to smallpox.

Authorities stepped up precautionary measures Sunday. Forty-eight passengers were detained more than an hour at London Airport when eight Pakistanis aboard one flight complained of feeling ill. But doctors diagnosed their trouble as travel sickness.

More than 25,000 persons were given shots in Bradford and Yorkshire through Sunday. All of the deaths so far have occurred within a 200 mile radius of Bradford.

The fight against the disease was being waged in Pakistan also. Health officials in Karachi received 1.6 million units of smallpox vaccine Sunday.

However, they reported nine more deaths, bringing to 258 the number of victims claimed by smallpox since last November.

Greyhound B Squad Wins

The Lyman Greyhound "B" Squad edged out a tough Citrus High School JV team Friday night in the Lyman gym by the score of 34-31 in a close game that was undecided until the final gun. The victory gave the Greyhound JV's a (4-3) season record.

The Greyhounds held a small but commanding lead until the fourth period when the Hurricanes began to close in. The first period saw the Greyhounds in front 10-5, and at the end of the half, they were still out front 16-11.

At the end of the third period, the scoreboard saw the Greyhounds ahead by one thin point at 24-23. The fourth period saw a very close ball game with the Baby Greyhounds managing to pull it out of the bag in the closing seconds. The game ended with the Greyhounds in front 34-31.

Winkleman led the Greyhound scoring with 16 points while Fitzpatrick and King each added 10 tallies for the Hurricanes.

Face Charges In Shooting

YREKA, Calif. (UPI) — A Seattle hitchhiker and the wife of a Florida bus driver were to be arraigned on assault and robbery charges here today in the shooting of the bus driver near Yreka last Thursday.

Matthew P. Zaleck, 37, is accused of shooting Virgil L. Johnson, 33, formerly of St. Augustine, and then driving off in Johnson's car with his wife, Mary Ellen Johnson, 39. Johnson was taken off the critical list Monday.

Suspends Jockey

ARCADIA, Calif. (UPI) — The Santa Anita board of stewards Tuesday suspended jockey Manuel Yeza for five days for an infraction detected during Saturday's second race. Yeza, who was grounded for 78 days last year because of various penalties, begins his suspension Thursday.

Air Show At NAS Set For Saturday

Cdr. Louis B. Hoop, commanding officer of the new AJ3 Vigilante Squadron, VAH-7 which has just completed its first training class, today announced an All Hands Inspection, Open House and Air Show scheduled for 9:30 a.m. Saturday at the Naval Air Station.

"We're going to give Col. Glenn some competition," said Cdr. Hoop, jokingly, "and our show will go on, whether he gets off the ground or not."

"Our AJ3's can fly higher, faster and farther than any attack bomber in the world. We are proud of this plane, and extremely proud of our outstanding people in our squadron."

"Our enlisted personnel are the finest, both in the Navy and in the community and we have an outstanding group of officers, many of whom hold records," he continued.

"Now we want to show the wives and children of these men just what their Daddies do out there, so we're going to open the doors and put on a show."

The announcement was made by Cdr. Hoop at the Chamber of Commerce Coffee Club meeting today.

BRIEFS

Merger Threat
NEW YORK (UPI)—Threats of a strike and a congressional investigation today clouded the merger picture for American and Eastern airlines.

Merger Upheld
WASHINGTON (UPI)—The U. S. Court of Appeals today upheld the merger of United Air Lines and Capital Airlines, previously approved by the Civil Aeronautics Board (CAB).

Sapp Bid Low
FORT MYERS (UPI)—J. Hiltz Sapp Inc. of Orlando submitted the low bid of \$1,308,900 for a 200-family Negro housing project here to be financed primarily with federal funds.

Caracacs Calmer
CARACAS, Venezuela (UPI)—Gunfire and bomb blasts echoed through the streets here Wednesday night, but troops and police appeared to have halted the worst of a week's wave of Communist fostered terrorism.

Free Polio Shots
JACKSONVILLE (UPI)—Only Hillsborough County citizens will receive free polio oral vaccine during the State Fair in Tampa Feb. 6-17 under a ruling from acting state health officer Dr. Albert V. Hardy.

Phone Strike?
NEW YORK (UPI)—A strike threatening telephone service in 43 states loomed today because of stalled negotiations between Western Electric Co. and the Communications Workers of America.

Policy Defended
NEW YORK (UPI)—The Kennedy administration's Congo policy was warmly commended today by a group of prominent Americans, including Mrs. Eleanor Roosevelt and Auto Workers President Walter Reuther.

Mill To Close
WATERTOWN, Conn. (UPI)—The Princeton Knitting Mills, Inc. will be shut down in two months and leave 300 employees jobless, according to executive vice president John C. Tate Jr., who said the mills would be liquidated because of losses.

Two Recaptured
RAMSEY, N. J. (UPI)—The second of two long-term convicts who overpowered guards to escape Wednesday was captured without a fight near here today police reported.

Censorship Probe Shifts To State Dept.

WASHINGTON (UPI)—The focus of the Senate inquiry into censorship of anti-Communist speeches by U. S. officials was shifting today to include the State Department as well as the Pentagon.

Members of the Senate subcommittee expressed lively interest in the blue-pencil role of the State Department as they called two retired military men — Adm. Arleigh Burke, former chief of naval operations, and Gen. Thomas D. White, former Air Force chief of staff.

Burke testified that his speeches frequently were censored while he was chief of naval operations to eliminate warnings he intended to make against the dangers of communism.

The officer refused to blame the Kennedy administration for the censorship. He said lower-echelon officials charged with reviewing military speeches were responsible.

President Kennedy told his news conference Wednesday that the administration would continue to provide "guidance" for military officers and other high officials when they deliver speeches on foreign policy and other sensitive subjects.

Kennedy, who said he submitted his own speeches for review, indicated he differed with former President Eisenhower. In a statement Tuesday to the Senate group, Eisenhower said military officers should be allowed to speak out on the Communist threat.

Saud Awaiting Kennedy Visit

PALM BEACH (UPI)—King Saud of Saudi Arabia settled his royal household into an oceanic mansion today to enjoy the Florida sunshine and await a visit from President Kennedy.

Shorter Skirts, Lower Waistlines

House Of Dior Bucks Fashion Trend

PARIS (UPI)—The House of Dior unveiled its 1962 fashion line today with skirts just covering the knees.

Dior's designer, Marc Bohan, thus took up his position in the "battle of the knees" that started with the beginning of the spring showings here Monday.

For 1962 Dior wants women to show their legs as well as drop their waistlines. His collection decreed that women should look like little boys during the day but turn into coquettish and frilly little girls by night.

Under the motto of "lightness, suppleness and femininity," the new Dior line featured a straight silhouette with square shoulders, tops bloused into belts sitting on the hips and straight short skirts with hemlines usually just covering the knees.

For daytime wear many of the tailored suits had skirts revealing part of the kneecap. With this new look Bohan is sticking his neck out by running against the current fashion trend, which is to pinch the waist and lengthen the skirt.

The newest style feature of the Dior line is a straight square "box" skirt with its

four edges marked by stitched or pressed pleats like those on men's trousers.

These short skirts together with the tailored square-shouldered suit jackets and wide belts around the hips made the girls look rather like boys.

For after dark, however, all the feminine frills, lace

frounces and flowing chiffons were used to make women appear girlish, young and flippant.

Blouses played an important role. Cut loose and worn over-bouse style, they were strict and simple for daytime but utterly feminine and fluffy for evening wear.

Zone Board Chief Blasts City For 'Poor Planning'

City Zoning Board Chairman Clifford McKibbin charged the city Commission with "poor planning" in its decision to rezone W. First St. from Holly Ave. to the city limits as M-1 light industry.

McKibbin in a statement today said that if the city's action is final, "no dwelling can be built, added to or altered from Holly Ave."

McKibbin emphasized that the future of the city rests on zoning and called the city's decision "poor planning."

McKibbin said that the zoning board spent about two years delving into all phases of planning for Sanford and the zoning regulations that make planning work.

"Since city employees must enforce regulations and the public must live up to them it is obvious that the ordinance should have a minimum number of districts; the old ordinance had 14, the new one has 11," he said.

McKibbin said that this means that a greater number of land uses must be permitted in each district, adding that the commercial district might have anything from churches to cocktail lounges and the industrial district will have anything from gas stations to ready mix plants.

At the present time there are 23 homes in the area zoned M-1, McKibbin said.

Kennedy Asks Completely New Trade Policy

WASHINGTON (UPI)—President Kennedy today asked Congress for authority to carry out an unprecedented tariff-cutting program to strengthen the Western alliance and outpost "for all time" the Communist economic challenge.

In a special 3,000-word message the President declared that "sweeping economic developments" have rendered traditional American trade policy "obsolete." He outlined a five-year program which would give him:

—General authority to reduce existing tariffs by 50 percent in reciprocal negotiations.

Special authority in dealing with the European Common Market, to reduce or eliminate all tariffs on products in which the United States and Common Market countries account for 40 percent or more of the world trade.

Kennedy asked prompt congressional approval of what he called the "far-reaching and unique" new approach. He said it was necessary to enable the United States to compete with the powerful Common Market and retain leadership of the non-Communist world.

"We cannot ourselves stand still," he declared. "If we are to lead, we must act. We must adapt our economy to the imperatives of a changing world, and once more assert our leadership."

Road Program Ills Corrected, Bryant Assures

WASHINGTON (UPI)—Florida was accused by a congressional subcommittee Wednesday of "mismanagement and waste" in its interstate highway program, but Gov. Farris Bryant said the evils have been corrected.

The blistering report from the House Highways Investigating subcommittee covering 1957 to 1960, was based on two weeks of hearings last year on disposal of rights of way in the interstate highway program.

The state, the subcommittee charged in its second report on Florida's highway program "exhibited a sustained disregard for the public interest and eschewed the adoption of measures necessary for the proper protection and conservation of public funds."

Thaw, Freeze — North Again In The Squeeze

By United Press International
A long-awaited January thaw appeared under way in most of the nation today but snow and a new cold wave pushed toward New England from North Dakota.

Remnants of the recent great cold wave caused sleet and snow in parts of New York and Pennsylvania Wednesday night. Light rain was the rule over much of the southern half of the nation, from California to the Carolinas.

Mountain areas of Arizona had an inch of snow in six hours. Sault Ste. Marie, Mich., had four inches of snow in six hours.

Utah and Utah were the main iceboxes. Cedar City, Utah, reported 2 degrees below zero early today. It was 6 above at Salt Lake City.

The mercury edged above the freezing mark for the first time in 10 days at Chicago Wednesday. It was the first time in 10 days the temperature failed to drop below zero at some point in Wisconsin.

Temperatures climbed and clear skies were snowless in the wake of a snow and rain storm which helped break southern California's drought.

Rivermen said a 25-mile ice jam which has halted barge traffic on the Mississippi River for 13 days should begin softening this weekend. The jam has kept 273 barges with \$6 million worth of grain, coal, chemicals, limestone and petroleum tied up at Cairo, Ill.

Rusk Asks OAS Members To Oust Castro

PUNTA DEL ESTE, Uruguay (UPI)—Secretary of State Dean Rusk asked the foreign ministers' conference today to oust Fidel Castro's Cuba from the inter-American system. But he left it up to the Organization of American States council to decide how and when to do it.

Rusk's proposal was a backdown from the original U. S. plan to urge the other American nations to break diplomatic relations with Cuba immediately and to propose economic and political sanctions.

Opposition from such nations as Mexico, Brazil, Argentina and Chile forced the United States to modify its stand. Leaving it up to the OAS council to decide how to implement any policy decision made here means a delay of at least 30 days.

Volusia Petition Recheck Set

DELAND (UPI)—Circuit Judge P. B. Revels indicated Wednesday he will order the Volusia County commissioners to recheck a petition to move the county seat to Daytona Beach.

He indicated he would continue a temporary injunction restraining the county commission from building a new county jail for another 90 days.

Train Hits Truck At Longwood

A Longwood man escaped serious injury early Wednesday when his truck was hit by an Atlantic Coast Line train in Longwood, Highway Patrol Trooper Bill Stringfield reported.

The man was identified as Truman Tavor who was treated at Seminole Memorial Hospital for cuts and bruises and released shortly after the mishap.

Stringfield said that the truck had crossed the ACL spur, parallel to the main line, and the driver apparently didn't see the approaching train.

Saturday Target For Glenn; Weather Key

CAPE CANAVERAL (UPI)—The fine weather over Cape Canaveral is expected to end within a few days but it should hold good through Saturday to enable astronaut John H. Glenn Jr. to make his orbit around earth today, it was announced today.

Glenn was ready to go and the countdown was proceeding toward the Saturday target date. The forecast of bad weather ahead made America's space scientists even more eager to get him off.

The National Aeronautics and Space Administration said the Weather Bureau had reported that "major changes in pressure systems in the northern hemisphere indicate that favorable weather conditions over the Atlantic area may be coming to an end within the next few days."

"But the weather bureau said favorable weather is expected to hold through Saturday," NASA said.

A forecast of partly cloudy with light to moderate seas was made for the three prime recovery areas where aircraft carriers are waiting to pick up the astronaut.

'Instant ICBM' Shot Success

CAPE CANAVERAL (UPI)—America's Minuteman "Instant ICBM" soared 3,200 miles through space today in its fourth straight successful shot from an underground launching tube.

The Air Force triggered the 50-foot, three-stage missile into action at 10 a.m. Less than half an hour later, the rocket plunked a dummy warhead on a target in the mid-Atlantic between South America and Africa.

For this testing center, it was the second successful shot of a solid-fueled missile in less than 12 hours. Wednesday night, the Army fired its "shoot and scout" rocket more than 200 miles to test a fusing and aiming device for nuclear warheads.

Baum Honored At Tallahassee

NEW YORK (UPI)—Dr. Werner A. Baum, dean of the faculties at Florida State University, Tallahassee, was one of five men honored Wednesday night by the American Meteorological Society at its 62nd annual convention here.

Baum received a special award for developing the Journal of Meteorology into a publication of "high international stature."

Major Shift In Allied Policy Talked

LONDON (UPI)—Prime Minister Harold Macmillan expects some major Allied policy decisions will have to be made this spring and wants to discuss them with President Kennedy first.

Diplomatic sources said today this is the main reason behind Macmillan's projected trip to the United States in April.

Macmillan announced Wednesday he will visit New York April 23 to address the American Newspaper Publishers Association, but he also intends to use the occasion to see Kennedy again.

It will be their second meeting in less than four months. They met in Bermuda in December.

The big problem that may be developing in the spring is Berlin. For reasons of their own the Russians now seem in no hurry to negotiate a Berlin settlement and thus far have shown no willingness to compromise.

The next two months may bring a clarification of Soviet intentions and possibly some explanation of persistent reports that something is going on behind the scenes in Russian politics.

Macmillan and Kennedy also would be likely to deal with the question of resuming nuclear tests in the atmosphere in view of the recent Russian test series and continued Kremlin refusal to write a test ban treaty.

Council To Meet

TALLAHASSEE (UPI)—The Council on Economic Development will meet here Feb. 8, Chairman Ouida Haggitt Heggan said today.
