Be careful in the heat

As the heat turns up, the Altamonte Springs Fire Department is responding to an increasing amount of heat related medical calls. Department officials said they are anticipating an increase in the number of injuries and heat related illness emergencies this weekend.

Signs of heat exhaustion and a possible stroke include muscle cramps, heavy perspiration, light-headedness, weakness, and nausea, officials said. Children and older people are more susceptible to heat.

"They tend to go from fine to sudden illness," said Lt. Alan Harris of the Altamonte Springs Fire Department. "Keeping these types of people out of the Sun and heat is critical."

Officials said that a victim of a heat related illness needs help immediately. Even if this means that the victim must be subjected to extreme changes in temperature, the most important thing to remember is to cool the patient.

Officials recommend several steps to help cool a victim of the heat. First, move the victim to a cool, shaded location. Give the victim lots of fluids, while avoiding sodas and alcohol since these types of fluids can worsen the condition of the patient.

Finally, keep the victim moist using washcloths. If the victim needs further assistance, contact emergency services.

After cooling off for a short amount of time, victims should still avoid the heat for three hours.

Boy threatens playmate with guns

By Joe DeSantis
Staff Writer

LONGWOOD — A Longwood 9-year-old and his 75-year-old grandfather found themselves on the wrong side of guns and the law Wednesday afternoon.

As a result, the juvenile has been charged with aggravated assault with a firearm and turned over to authorities for evaluation, while the grandfather has been charged with failing to properly secure a firearm.

The charges stem from an incident that took place at a residence on Longwood

Police confiscate weapons and charge grandfather for not securing firearms

Circle.

Police reports indicate the 9-year-old was playing at his residence with two other juveniles when he invited them into his grandfather's bedroom. Once inside the room he took out a 20-gauge, double-barreled shotgun, pointed it at the 10-year old and said, "I'm going to shoot you and kill you right now."

The arrest report said the 9-year-old

then placed the shotgun back in a closet and brandished a seven-inch hunting knife. He made similar statements about the knife before plunging it into a mattress.

Not finished, the nine-year old then retrieved a .38 caliber pistol from a closet and two rounds of ammunition and began attempting to load the weapon stating that he was "going to kill" the

victim.

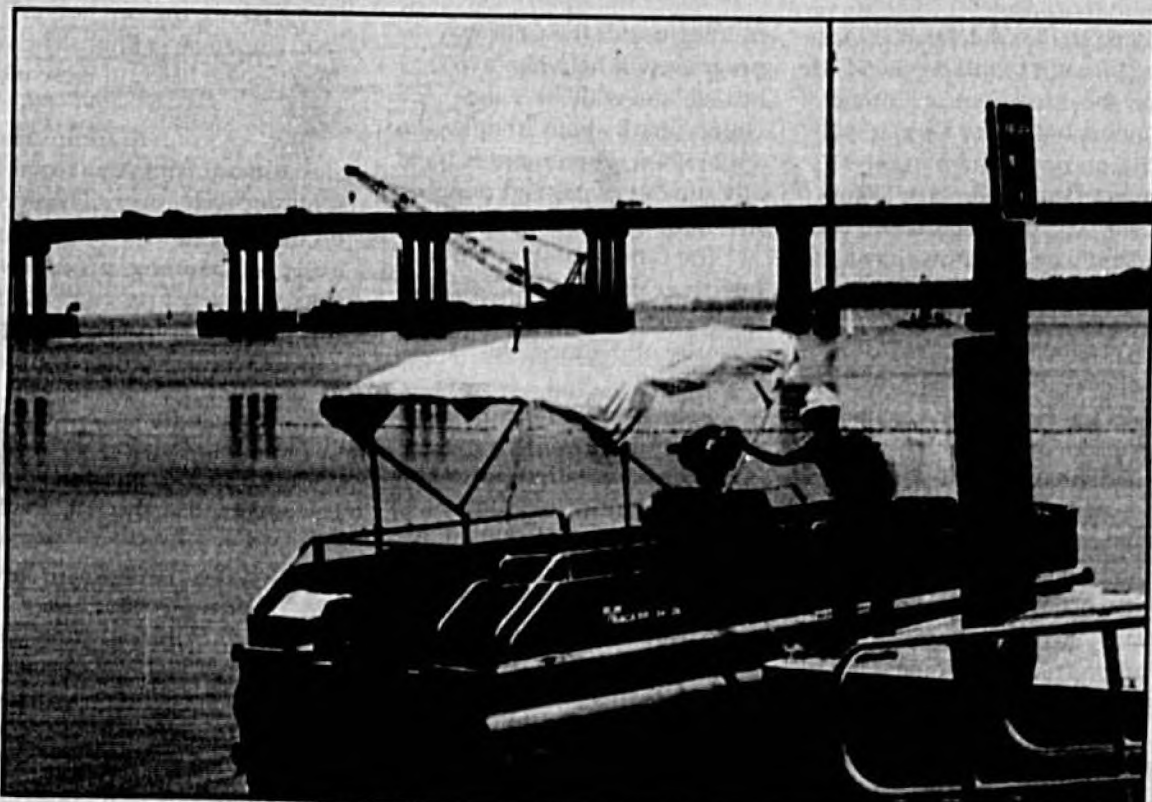

The victim of the threats and the second juvenile witness reported the incident to their parents, who in turn notified police.

Loren Nelson, grandfather of the 9-year-old will be the subject of an investigation by the Seminole County State Attorney's office, facing misdemeanor charges of failing to properly secure a firearm.

"The only thing missing was a shot," commented Longwood police chief Tom Jackson. "This was a tragedy that was

New school year brings changes

By Bill Kerns
Staff Writer

SANFORD — Teachers at Seminole High School are hard at work preparing for the Aug. 9 start of the school year.

Orientation for Seminole High School students will be held on Thursday, Aug. 5, from 7:30 a.m. to 11 a.m. Schedules will be available for pick-up along the campus walkway.

"This is a chance to become more familiar with all the changes at the school," said new principal Karen Coleman. Coleman is in her first year as Seminole High School's principal, replacing the retired Gretchen Schapker.

Changes underway at Seminole High School include construction of an Olympic-size community swimming pool that is scheduled to open in time for Spring semester courses.

Many students at Seminole High School might

not like a new program that will allow parents to keep up with their homework assignments.

Teachers will be leaving daily or weekly notes about assignments made during class on a Homework Hotline. The phone number for the Hotline has not yet been announced.

"If a student has gotten home and forgotten an assignment, the message will be on the Hotline," Coleman said. "Parents can also call and find out what assignments have been made."

Teachers will be leaving messages on a voluntary basis at first, although Coleman said participation in the Hotline may become mandatory. It is an idea she brought from her days as an assistant principal at Winter Springs High School.

"We'll see how it works, and how many students respond," Coleman said. "Last year (at Winter Springs High School) a teacher dropped into my office saying she had a message where a mom was

New apartment complex to be built in Sanford

By Bill Kerns
Staff Writer

SANFORD — Residents on East Lake Mary Boulevard in Sanford may soon get some neighbors from a new apartment complex.

The proposed 360-unit Logan Heights apartment community will be developed on 22 acres of land, at 700 E. Lake Mary Boulevard, near the Wal-Mart Plaza.

If approved by the Sanford City Commission, the apartment community, with one-, two-, and three-bedroom units, will feature amenities such as a children's playground, a computer lab and a library.

The commission on Monday unanimously approved rezonings and easement changes that will be necessary for the development. The development agreement is scheduled to be discussed by the commission on Aug. 9.

Plans call for the complex to have 15 residential buildings and three-story garden-style apartment homes.

"We are very much a quality organization with an attention to detail," said Kristen Packard, vice-president for Vestcor Fund Ltd., the real estate firm that owns the property.

Fire-resistant, concrete-tunnel construction will be used for the community.

"The most common complaint of people living in apartments is the noise," Packard said. "This greatly cuts down on the noise."

Packard said Vestcor has been holding discussions with the city of Sanford concerning Logan Heights since the beginning of the year. No opening date has been announced.

The complex is designed to utilize land over portions of Americana Boulevard and Rolling Hills Boulevard.

The developer will dedicate to See Apartments, Page 3A

Lake Mary man raises funds for charity by running in marathon

By Joe DeSantis
Staff Writer

LAKE MARY — A Lake Mary distance runner plans on traveling more than 3,000 miles to Dublin, Ireland, in an effort to raise funds for the Arthritis Foundation.

When Lee Tadelman arrives there, he'll still have 26 miles and 385 yards to go.

The 43-year old computer software technician will be joining half-a-dozen other central Floridians on a quest to not

only finish the traditional marathon distance, but raise money and awareness for the Arthritis Foundation.

"I'm excited to go," says the 5-foot-7-inch runner who will attempt to haul his 160 pounds over the distance using what is termed the "Jeff Galloway Program."

"My goal is to finish in five hours."

Tadelman, who got into running by accident, has run just one marathon before, the 1982 version of the Orange Bowl

Marathon in Miami.

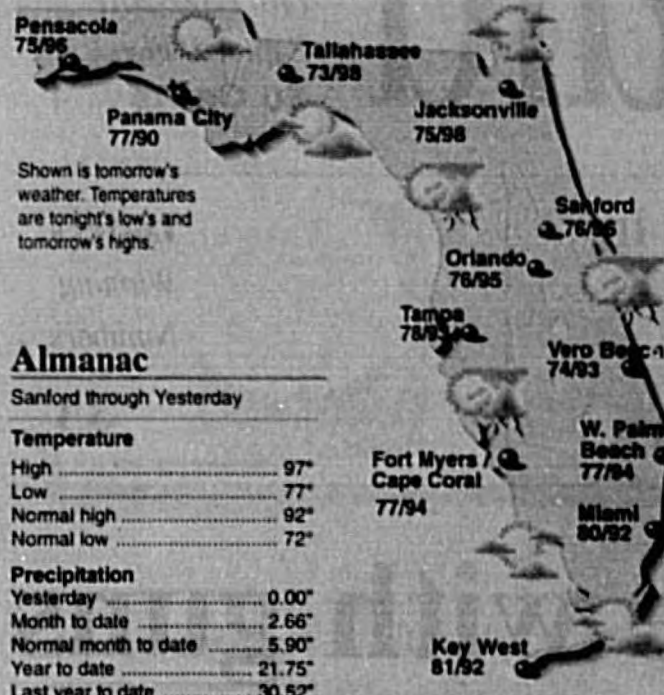

"My college roommate got me started because he was a distance runner. When the alarm clock went off he would drag me out to train with him," Tadelman recounted.

The Lake Mary harrier has been training on and off for about 20 years, but with the October marathon in Dublin creeping up on the calendar, he says preparation for the event is taking on a more immediate focus.

Marathon

Continued from Page 1A

"We train twice a week right now," Tadelman explained. "On Tuesday's its interval training to build up speed and on Saturday morning's its the longer runs of 11-12 miles to build up stamina for the distance.

"The trip will be different. I've been to Canada before and Mexico before, but I've never been out of North America or on a plane that long."

Tadelman says the week-long journey to Dublin won't be all grueling distance running. "There are plans for sightseeing, the traditional tourist stuff, and a couple of Irish brews," he said.

Tadelman first got interested in the Dublin Marathon while looking over brochures at Orlando's Track Shack about a spring marathon in San Francisco.

"It was too early in the year

and didn't allow enough time for training, so I got involved in the Arthritis Foundation fund raiser instead."

Each runner is required to raise \$3,750 prior to the trip. Eighty percent of that goes to the Arthritis Foundation with the other 20 percent covering costs for each runner's transportation and lodging.

Tadelman said his fund raising is slightly ahead of schedule but it's no easy task. His biggest donations to date have come from his in-laws, his family, and a very generous 16-year old who heard of his efforts at Barney's Coffee & Tea Shop where his wife works.

"She donated \$150 to the fundraising efforts which was really surprising for a 16-year old," he said.

In addition to continued training and the marathon that takes

place Oct. 21, Tadelman is looking forward to this weekend. He and the other Central Florida runners bound for Dublin will have an opportunity to meet some of the young benefactors of the Arthritis Foundation at a kickoff gathering Saturday afternoon between 2 to 5 p.m. at the Embassy Suites Hotel in Altamonte Springs.

"I'm really looking forward to meeting the young lady I'll be running for," he said.

Tadelman's marathon effort is geared toward 13-year old Meghan Herwald, who suffers from Juvenile Rheumatoid Arthritis. Herwald enjoys the piano, swimming, and singing and plans on becoming a nurse or music teacher.

"She says she won't let arthritis stop her goals," Tadelman passed along.

The Lake Mary runner says

training under the Galloway program will help him avoid hitting "the wall" — a legendary mark about 20 miles into a marathon when runners literally run out of gas and wind up in a heap of exhausted pain.

"The Galloway Program dictates you alternate walking short portions and running the majority of the race," he explained.

Tadelman said the bulk of his required fund raising for the Arthritis Foundation is done by word of mouth and personal letters he sends out. Contributions can be made by contacting him at (407) 330-6146.

Between now and Oct. 21 when the group leaves for Ireland, he'll be nursing a couple of sore toes, building up his stamina, and working on his fund raising goal of \$3,750.

recorded saying to her child, "Yes, you do have English homework. Come listen to these messages."

New computers are in many classrooms, and by the Fall semester ends, every classroom on the campus will have a computer. A painting project was also completed on the facility this summer.

Senior Park has received new landscaping, irrigation and sodding. In addition, Coleman said a landscaping project at the front entrance of the school will be completed by Aug. 9.

Finally, returning students will need to get to know a new assistant principal. Boyd Karns is coming to Seminole from Lake Mary High School, replacing Brennan Asplen. Asplen is transferring to Lake Mary High School.

Freshman and new students at

the Aug. 5 Orientation are invited to attend a 20-minute orientation assembly in the Auditorium. The assembly will be held at 9 a.m., and repeated at 11 a.m.

After picking up the schedules, parents and students can meet teachers in their classrooms.

Members of the Parent Teacher Student Association (PTSA) will set up tables, encourages other parents to join the organization. Members of the Athletic Booster Club will also be recruiting new members.

Parking stickers will be on sale. In keeping with new School District policy, stickers will cost \$35 per semester, or \$70 per year. Money raised by the raised prices for stickers will pay for a new security officer, who's primary responsibility is to guard the parking lots

Having a lot of fun on Gee Whiz Drive

Street names are special. Developers designate many of them. Sometimes city or county officials make the call. Frequently, public officials try to rename streets.

This week, the Seminole County commissioners voted a curious street-name change.

The request was to change Oak Knoll Point in Lake Mary to The Honorable Reverend Doctor Martin Luther King, Jr. Memorial Heritage Point.

Sorry, too long. Street names cannot have more than 15 letters and spaces.

Some of the common street names are Elm, Oak and Maple, Park, Church and Main. Almost every town or village has one or more of these streets.

One of the best street names in this area is Lot A Fun Avenue in unincorporated Orange County.

Lot A Fun Avenue, lined with fine elm trees, begins off Wymore Road and dead ends into Lake Killarney. There are a dozen or so homes. Most of the residents say they love the name of their street. In the 1980s, they balked at a proposed name change.

The biggest problem the good folks on Lot A Fun have is getting the county to replace their street sign. College kids like to swipe the signs. They think this is a Lot A Fun.

Without the Lot A Fun sign, visitors have a difficult time locating Lot A Fun Avenue. They would drive by the street two or three times. Then, they would ask for help.

One story is that Lot A Fun Avenue was named by a man who was in the circus and carnival business. He bought property off Lake Killarney. He wanted a fun name for the street - and Lot A Fun was his choice.

A woman who lives on Lot A Fun said it is always a lot of fun when she is asked her address at the bank or a store. When she tells them that she lives on Lot A Fun Avenue there are always laughs. The woman also avoided getting a speeding citation when the cop saw she lived on Lot A Fun Avenue.

There's a Gee Whiz Drive in Osteen. One of the two residences on Gee Whiz Drive belongs to 81-year-old John Gee. "When Mr. Gee came here, he was asked what to name the road," said Joan Carpenter, who

lives on the same street. "He said, 'Gee, whiz, I don't know.' That's how the street became Gee Whiz Drive."

Carpenter said she and her husband (Eugene) love living on Gee Whiz Drive. "We're constantly kidded about living on Gee Whiz," she said. "We're not too far away from Kantagree Trail, you know."

"Yes, Kantagree," Mrs. Carpenter said, laughing. "No one could agree what to call that street so they named it, Kantagree. All one word. Kantagree."

Having talked to Mrs. Carpenter, I have a feeling that people who live on streets like Lot A Fun or Gee Whiz are gentle and kind souls. "You develop a sense of humor," she said.

Vespers Place in Lake Mary should be peaceful and prayerful. Whippoorwill Lane in Osteen sounds nice, too. So does Whispering Pines Court in Hidden Lake.

Wimbledon Circle must attract tennis players to Lake Mary. Yale Drive in Academy Manor must attract scholars. It might present problems, however, for residents on the Lost Trail to come home after dark.

Then there's Lucky Peter Road in Osteen ... but let's not go there.

Russ White's column appears Tuesday through Saturday in the Seminole Herald.

prevented, but it wasn't prevented because of parental supervision or responsibility."

Officer James Burkshire who responded to the call said the juvenile reacted as if the situation "was no big deal."

"He thought the whole situation was a game," said Burkshire. "He acted indifferent to being taken into custody."

Burkshire said the grandfather wasn't much help in the situation either.

"He started reciting the law to me about how I couldn't take his guns into custody," said the Longwood officer. "He told me guns were part of his family, that

the juvenile often cleaned the weapons and that some days the guns would belong to the kid."

"We're not saying you can't pass on gun heritage to family members," Jackson added.

"We're saying you can't leave open access to guns when children occupy the home. We tried to explain to the grandfather that kids can't be playing with weapons unsupervised, and you can not go around threatening other people with weapons. Kids don't think about consequences."

The Longwood police chief said the situation with the juvenile had a touch of irony.

"It's our understanding his family recently moved to Longwood from Chicago to get away from some of the violence," said Jackson.

The juvenile will be evaluated by juvenile authorities and the case will be reviewed by the State Attorney.

Jackson said courts are becoming less and less lenient with adults charged with failing to properly secure firearms.

A second-degree misdemeanor charge against the grandfather could net the elderly Nelson a maximum fine of \$100 and/or 60 days in jail.

the city 70-foot wide rights-of-way to re-align Rolling Hills Boulevard to provide an entrance to the community, and Americana Boulevard will also be re-aligned.

The newly dedicated roads will then line up with existing right-of-way easements that will not be vacated. Underground utilities will also be re-aligned.

One of the city staff's primary concerns regards providing for a connection between Airport Boulevard and Lake Mary Boulevard in order to provide a "frontage road" near the Expressway.

Discussions between the city and Vestcor call for the Developer to perform engineering and permitting on Rolling Hills and Americana Boulevard. The city would be responsible for wetlands mitigation and constructing any additional roadways needed aside for the development's entrance off Lake Mary Boulevard.

Jay Marred, director of engineering and planning for the city, said that a system of interconnected roadways in the

neighborhood will be difficult to build because of the expense of mitigating wetlands.

To save expenses, the Plans Review Committee recommends that the Developer provide a stabilized base for Rolling Hills

Road to the northern edge of the wetlands.

Access from the apartment community to the adjacent Walmart development is proposed to be gated, and used only for emergency purposes.

NOTICE OF ZONING (PERMITTED USE) CHANGE

The City of Sanford proposes to amend the Sanford Land Development Regulations (Zoning Ordinance) to rezone (change the permitted use of) land within the area shown in the map of this advertisement.

City of Sanford, Florida

The Planning and Zoning Commission will hold a public hearing on the change of the Sanford Land Development Regulations on Thursday, August 5, 1999 at 7:00 P.M. in the City Commission Chambers, Sanford City Hall, Florida.

The Planning and Zoning Commission will hold a public hearing concerning an ordinance entitled:

AN ORDINANCE OF THE CITY OF SANFORD, FLORIDA, AMENDING ORDINANCE NO. 3117 OF SAID CITY; SAID ORDINANCE BEING THE LAND DEVELOPMENT REGULATIONS; SAID AMENDMENTS INCLUDE CHANGING SCHEDULE A, LAND USE DEFINITIONS, PROVIDING FOR DEFINITIONS OF PUBLIC BENEFIT SOCIAL SERVICE FACILITY AND TEMPORARY/DAY LABOR SERVICES; CHANGING SCHEDULE B, PERMITTED USES, PROVIDING CLASSIFICATION FOR PUBLIC BENEFIT SOCIAL SERVICE FACILITY AND TEMPORARY/DAY LABOR SERVICES, AND; CHANGING SCHEDULE E, ADDITIONAL REQUIREMENTS AND PROVISIONS FOR SPECIFIC USES, ADDING SECTION 14.0 - COMPATIBILITY STANDARDS FOR PUBLIC BENEFIT SOCIAL SERVICE FACILITY.

The Sanford City Commission will hold a public hearing on the same rezoning and the same ordinance noted above on Monday, August 9, 1999 at 7:00 P.M. in the City Commission Chambers, Sanford City Hall, Florida.

Interested parties may appear at the meetings and be heard regarding the proposed ordinance. Interested parties may also submit written comments regarding the proposed ordinance to Jay R. Marder, AICP, Director of Engineering and Planning, Sanford City Hall, P.O. Box 1788, Sanford, FL 32772-1788.

A copy of the proposed ordinance is on file with the Department of Engineering and Planning at City Hall, Sanford, Florida and may be inspected by the public.

ADVICE TO THE PUBLIC: If a person decides to appeal a decision made with respect to any matter considered at the above meeting or hearing, he/she may need a verbatim record of the proceedings, including the testimony and evidence, which record is not provided by the City of Sanford (FS 266 0105).

Persons with disabilities needing assistance to participate in any of these proceedings should contact the Personnel Office ADA Coordinator at 330-5628 48 hours in advance of the meeting.

Joel Hunter delivers the Word of God with flair

By Russ White
Staff Writer

All that about his sermons, ask at their pastor each Sunday. How do you supply them with a better sermon, brighter hope, deeper faith and better lives, so that words are powerful and sermons are great?

Fulfilling these demands requires that a preacher not only search through Scripture but also that he or she find a captivating style of delivery.

Each time today, preaching imparts theology with a flair.

The ever-growing congregation at Northland Community Church in Longwood is lifted at worship services consummated by the preaching of Pastor Joel Hunter, a marvelous speaker and story teller.

Hunter said he is grateful to the elders of his church to allow him to go into prayerful retreat for two or three months a year. During these retreats, Hunter studies Scripture and develops topics for his sermons.

There are a dozen or more

on our church worship committee and we plan together," Hunter said Wednesday. "I listen for new ideas that we will use at services later. We work six weeks in advance. I will read two or more books on a particular subject."

Hunter's sermons, which follow a spectacular music presentation, are delivered powerfully but not heavily-handedly. His voice is clear and resonant, his tone precise and pleasant. His pauses are well-timed, and his sermons are frequently sprinkled with humor. All are biblically based.

"I've learned from other preachers," Hunter said. "Jim Henry (First Baptist of Orlando) has a basic Gospel clarity. I also admire Howard Edgington (First Presbyterian of Orlando) for his Scriptural rhetoric. I'm always listening to other preachers."

It pleases Hunter that his son, Isaac, has followed him into the ministry. "Isaac preaches twice each week - once on Wednesday and again on Sunday," the pastor said. "He's a wonderful preacher. Better than his dad, in fact."

As a youngster, Hunter said he attended Catholic Mass services. His dad was a factory worker and old-line Catholic. Hunter said he has an uncle who is a Catholic priest. "I enjoy going to a Catholic Mass," Hunter said.

Northland has become one of the largest congregations in the Orlando area - the largest in Seminole County. Hunter said 6,000 worship at the church each weekend and that more than 10,000 are on the roll.

Kent and Carol Wilkins of Lake Mary have attended Calvary Temple of Praise Inc. for 10 years. "We love everything about Northland," Carol Wilkins said. "The music is beautiful, the services are all wonderful. Joel Hunter's sermons are so good that we get tapes of them and play them again during the week or give them to friends. It seems as if he is speaking to each of us personally."

Wilkins said that she often listens to Joel Hunter's taped sermons while she is working out. "They motivate my mind and spirit," she said.

Calvary Temple of Praise Inc. will move into its new facilities Sunday, Aug. 8. The public is invited to attend the festivities.

Calvary Temple opens facility

The first phase of the vision of Calvary Temple of Praise Inc. has been accomplished.

The temple and ministry of Calvary Temple of Praise Inc. was founded and established in December 1990 by its current Pastor, Paul P. Wright and his wife Alberta.

Calvary, says Pastor Wright, was birthed out of a calling and prompting by God for Pastor Wright to establish a ministry that would fulfill God's progressive will in the lives of his people.

Calvary is currently located where it originally started at 1402 West 16th Street Sanford.

At Calvary's first service there were six adults and six children. Shortly thereafter Calvary began to grow in number, with several families joining.

Pastor Wright says the present vision for Calvary Temple of Praise Inc. is inspired from St. Luke 1:17 concerning the Mission of John the Baptist: "To turn the heart of the fathers to the children and the disobedient to the wisdom of the just, and to make ready a people prepared for the Lord."

He said the church also believes that the earth is cursed unless the hearts of the fathers are turned to the wisdom of the just, according to Malachi 3.

Calvary temple of Praise Inc. will move into their new facility, Sunday, Aug. 8. A march will form at the 16th Street and proceed to the 2020 McCracken Road facility.

The march will commence at 10:30 am and the first service will be at 11:30 am. The community is invited to come and join in this celebration. Calvary believes the new facility will enable them to minister to the wounded and lost.

Phase I of the two-phase project

includes a multipurpose facility consisting of classrooms, a kitchen, restrooms, and administrative offices, the main auditorium can seat approximately 1,000. Phase II will consist of the main worship facility and other offices that will serve Calvary and the community.

The continuation of celebration and praise will be a formal dedicatory banquet, to be held Saturday, Aug. 14, at 6 p.m. at 2020 McCracken Road, the new facility.

Tickets for the formal attire banquet are \$35 for adults, and children 11 years and up, children 10 years and under \$10, tickets are limited.

Sunday, Aug. 15, at 11:30 am the church will hold the Dedicatory Service. Guest Speaker will be international apostle and teacher Dr. Mark Hanby, along with his wife Linda Hanby.

Calvary Temple of Praise Family thanks the community and all who has prayed for and encouraged them in every way.

Tickets can be purchased by calling the church office 324-0126.

Tales of Morality and immorality

Ralph Perk, the former mayor of Cleveland who died this spring, was a kind of latter-day Anthony Comstock.

Like the 19th and 20th century reformer, Perk crusaded against smut that he added other touches that helped make him an object of ridicule in some circles. He once accidentally set fire to his hair with a blowtorch while dedicating a city construction project.

His wife was just as "old shoe" as he was. She turned down an invitation to attend a dinner of mayors' wives at the White House because it conflicted with her bowling night.

In conducting his anti-porn campaign in 1977, Perk latched on to a U.S. Supreme Court ruling that when it came to obscenity, cities and towns must conform to community standards.

Perk sent out a poll to his constituents.

It was a stroke of genius on his part to have the city's garbage collectors be the poll takers. After all, the subject of the survey was garbage, wasn't it?

While making their rounds of trash pickup, the garbage men were to distribute the 200,000 flyers that the city had printed. Voters were asked to say where they stood on pornography in their neighborhoods. More than 70 percent of the 14,000 people who responded to the poll cast their votes for decency.

God's command of pornography and so

SAINTS AND SINNERS

GEORGE PLAGENZ

are we," said one respondent who seemed to be speaking for all the anti-porn fighters in Cleveland. But before the campaign to eliminate smut got to go any further, Perk left office.

Anthony Comstock, who died in 1915, was not just a Perk type reformer. He was a fanatic who induced Congress to bar from the mail all "obscene" items, including birth control instructions. He served as unpaid inspector for the U.S. Postal Service to see that these Comstock laws were enforced.

But Comstock went too far. By the time he died he had become the focus of national derision. A magazine published a cartoon in which the mutton-chopped Comstock was seen dragging a new mother in her nightgown into court and telling the judge, "Your honor, this woman gave birth to a naked child."

Comstock may have become a laughing stock, but he did make it into the dictionary. Thanks to George Bernard Shaw, who coined the word

"Comstockery"

Evangelist Rex Humbard was speaking at Cadle Tabernacle in Indianapolis in the 1940s. After the service, a woman came up to him and told a story about her brother John, who had been to reform school (as they called it in those days).

When he was released, she told Humbard, he had made an effort to straighten out his life. He went to church one Sunday, and when the minister announced the "altar call" at the end of the service, John went forward and knelt at the altar along with several others.

It was the practice in evangelical churches at such times in the service for a member of the church to go up and pray with the kneeling penitent. But nobody went to pray with John. The congregation knew who he was. He was a bad actor. He had been to reform school. He was no good.

When John left the church that Sunday, he told his sister, "I'll never go to church again as long as I live." And he never did.

For John Dillinger that day, "two roads diverged." The "road not taken" may have led to the redemption of the man who became the most notorious Public Enemy No. 1 in the annals of the FBI.

But how much of the blame must fall on the church that abandoned Dillinger on the altar steps?

HOROSCOPES

Saturday, July 31, 1999

As you expand your range of interests in the year ahead, you will also enlarge your circle of friends, both socially and commercially. This will enable you to get involved in some exciting new areas.

LEO (July 23-Aug. 22) If you're totally unable to motivate someone to join in on a social activity, don't wait around for him or her to get into gear. Get on with your life without this person. Trying to patch up a broken romance? The Astro-Graph Matchmaker can help you understand what to do to make the relationship work. Mail \$2.75 to Matchmaker, c/o this newspaper, P.O. Box 1758, Murray Hill Station, New York, NY 10158.

VIRGO (Aug. 23-Sept. 22) A change in some underlying facts that come to your attention could be responsible for achieving your objectives today. You'll be able to act on what you couldn't do before.

LIBRA (Sept. 23-Oct. 23) Include someone in your social activities today who usually is left out of the fold. Everyone

might be pleasantly surprised at discovering that this individual is a nice addition.

SCORPIO (Oct. 24-Nov. 22) Ambition is likely to permeate your being today and as such, you might begin to ferret out ways as to how to reach out for something you previously felt was beyond your grasp.

SAGITTARIUS (Nov. 23-Dec. 21) Weighty matters aren't likely to overwhelm you today. You have the natural ability of taking that which is troublesome and turn it into something of worth.

CAPRICORN (Dec. 22-Jan. 19) Those cold feet you had concerning a financial endeavor that was more complex than what you're accustomed to might get warmed today as you unearth the way it needs to be handled.

AQUARIUS (Jan. 20-Feb. 18) Sound decisions can only be made by taking adequate time to carefully balance all the facts and alternatives. When this is accomplished, you can successfully make your moves.

PISCES (Feb. 20-March 20) You may discover that someone who treated you a bit shabbily in the past has changed for the better. If this is the case, be willing to

give him or her a second chance.

ARIES (March 21-April 19) So long as you take ample time to think things through thoroughly and carefully today, you can rejuvenated a project in such a manner that'll bring it success. Dig out the details.

TAURUS (April 20-May 20) The only thing that matters is to know that your motives are pure. So don't be overly sensitive regarding what another might think about your actions if you believe you're right.

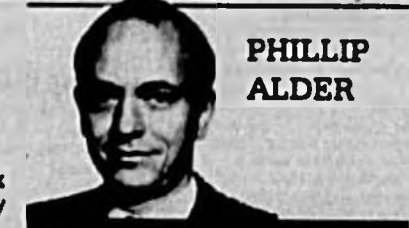

GEMINI (May 21-June 20) Present your plans in a straight forward, easy-to-understand manner and you'll receive the type of cooperation you need to execute your ideas. A no-nonsense approach is best.

CANCER (June 21-July 22) Don't waste any time thinking about dividends to which you're not entitled. If you're prepared to earn what you get, you'll figure out dozens of ways to add to your resources.

WIN AT BRIDGE

It is a proof of strength

PHILLIP ALDER

By Phillip Alder

Who wrote this? "I am being frank about myself in this book. I tell of my first mistake on page 850."

There are people who will never admit to having made a mistake, because they think it is a sign of weakness. In truth, it is the opposite: a sign of strength.

Sadly, bridge players are loath to apologize for error, but Hugh Ross, a Bermuda Bowl world championship winner in 1976, '85 and '87, does not fit this mold. He publicized this deal against himself.

First, with those West cards, what would you lead against three diamonds doubled?

Over East's three clubs (Stayman), if South had passed, East-West would have ended in three no-trump. Note, though, that they are laydown for six clubs, but this is very difficult (impos-

able?) to bid with a natural system.

If the opponents are sacrificing, it is usually best to lead a trump. Well, it wasn't here. After a black-suit attack, declarer can be held to five trump tricks for plus 1,100 to East-West.

However, having read all the textbooks, Ross led the diamond ace.

Now, a switch to the ace and another heart can net plus 500 from one trick in each suit and two heart ruffs. Yet not fancying any switch, Ross led a second trump. Disaster! Not only did this pick up his partner's jack, but after drawing trumps, declarer could drive out the heart ace and claim his contract. East-West was minus 870. The opening lead potentially made the small difference of 1,770 points!

ASK DR. GOTT

LBBB is PROBABLY abnormal

By Peter H. Gott, M.D.

DEAR DR. GOTT: In a previous column, you mentioned that a "left bundle branch block is abnormal." My doctor disagrees. Please elaborate.

DEAR READER: Electrical impulses are delivered to cardiac muscle through two main nerve pathways: the right bundle branch and the left bundle branch. If, for some reason, the impulses are slowed in their travels, the cardiogram will show this as either a right bundle branch block or a left bundle branch block.

RBBB is a common phenomenon that does not ordinarily reflect heart disease; it is frequently seen in young, fit children and adults, and it is rarely cause for concern.

On the other hand, LBBB is often — but not invariably — associated with coronary artery blockage; it occurs later in life and is usually a sign that the cardiac muscle (and nerves) is not receiving an adequate blood supply.

I do not agree with your doctor, but perhaps I might have more correctly stated that LBBB is abnormal, until proved otherwise. Ask your doctor if he wouldn't become concerned if, at the age of 55, he were suddenly dis-

covered to have LBBB. I'd be concerned if it happened to me, and I'd gladly opt for further testing, such as a stress test. You see, it's not the presence of the LBBB that is crucial, it's the "why?"

To give you related information, I am sending you a copy of my new and completely updated Health Report "Understanding Heart Disease." Other readers who would like a copy should send \$2 plus a long, self-addressed, stamped envelope to P.O. Box 2017, Murray Hill Station, New York, NY 10158. Be sure to mention the title.

DEAR DR. GOTT: Last year, my doctor discovered a lump in my thyroid gland. She said no tests or treatment was necessary "unless something happened." Now I feel a fullness in my neck. Is this an indication of something serious?

DEAR READER: I worry about thyroid nodules.

The normal thyroid gland is a smooth, symmetrical, dumbbell-shaped gland that sits just below the Adam's apple. The organ manufactures a hormone that governs metabolism.

DR. GOTT

PETER GOTT, M.D.

On occasion, parts of the gland enlarge; a lump may form. While this event, by itself, is not necessarily cause for concern, it should — in my opinion — be investigated with an ultrasound test (to rule out a thyroid cyst) or by a radioactive scan (to determine if the nodule is functioning). If the lump produces hormone — and this will be evident on the scan — it can simply be monitored periodically, provided that the patient has no signs or symptoms of over-activity. In contrast, a non-functioning nodule could represent a thyroid cancer. Such cancers are much more common in people who had head-and-neck radiation as adolescents to treat acne (a harmful procedure that was all-too-common many years ago.)

DEAR ABBY: I was amused to read about the woman who plucked her "whiskers" at the table in the restaurant. I know exactly why she does it - especially if she sits by the window. It's because the light is probably better than at home!

Obviously she needs a lighted magnifying mirror at home - and she definitely should do her tweezing there. Tak, tak, so unmanly. J.O. IN FRESNO

DEAR J.O.: You are not the only reader who was moved to write about the public plucker. Read on:

DEAR ABBY: Perhaps you should have consulted an expert in geriatric medicine regarding the letter about the woman tweezing the hairs on her chin. It could be a textbook symptom of senile dementia.

My guess is, as our population continues to age and some caring friends or relatives are willing to take our senior citizens out of the nursing home for a meal in a restaurant to provide a little variety in their lives, we're probably going to see more of this behavior in

public places. Get over it! Wisely, the man with this woman has given up on the idea that she's capable of changing her behavior and ignores it. He just makes sure her tweezers are in her purse before he takes her out!

BEEN THERE, DONE THAT, CINCINNATI

DEAR BEEN THERE: Oh, if it would only stop at plucking! Read on:

DEAR ABBY: If "Harriett in Hollywood" was astonished when a diner in a restaurant plucked her chin hairs at the table, hear this:

A few years ago, we were enjoying a lovely luncheon in a nice res-

taurant in Florence, Ore. The couple at the next table had just finished their meal. While they waited for the check, the gentleman whipped out his dentures and swished them in his water goblet, while his companion watched the waves on the shore.

BESS IN EUGENE

DEAR BESS: Now I've heard everything. Obviously he mistook the goblet for something he could sink his teeth into. Read on:

DEAR ABBY: Basically I agree with your answer to "Harriett in Hollywood," that the woman displayed bald indifference to common table manners. However, her eyesight may be failing and the window seat at noon offered her the light she needed to complete her tweezing task. Bad taste, yes. She may also have limited funds, and therefore be unable to have this task performed for her at her beauty salon. However, I believe we should be a little more tolerant of our seniors, and more charitable.

DAILY READER, ALTOONA, PA.

DEAR DAILY READER: I agree - but how about applying that philosophy of tolerance and charity not only to seniors but to everyone as well? There would be less depression and fewer stress disorders if people were slower to criticize.

CONFIDENTIAL TO NERVOUS GROOM: Ogden Nash gave sage advice for wedded bliss that applies to both the bride and the groom:

"To keep your marriage brimming,
"With love in the loving cup,
"Whenever you're wrong, admit it;
"Whenever you're right, shut up."

Abby shares her favorite recipes in two booklets "Abby's Favorite Recipes" and "Abby's More Favorite Recipes." To order, send a business-size, self-addressed envelope, plus check or money order for \$3.95 per booklet (\$4.95 each in Canada) to: Dear Abby Cookbooklets I and II, P.O. Box 447, Mount Morris, IL 61054-0447. (Postage is included in price.)

Gutsy rally falls short as Port St. Lucie Post 318 wins Area title

Herald photos by Arch Boehle

Matt Allegra (above) struck out his first three times to the plate Thursday, but he made up for it later, hitting into a fielder's choice that led to a run, smacked a double off the fence in left-center and hit a two-run inside-the-park home run to finish the game 2-for-6, while Rich Rodriguez (right) was 3-for-5, reached base five times, scored a run and drove in one as the duo helped Sanford American Legion Campbell-Lossing Post 53 rally from a 9-2, fourth inning deficit to within 11-10 in dropping the championship game of the American Legion A Division Area Tournament to Port St. Lucie Post 318 on Alumni Field in the Seminole High School Baseball Complex.

SANFORD - Sanford Post 53 manager Rod Ferguson has been trying to impress upon his team that nine innings is a long game.

Go ahead and give up a run or a base early to get an out to stay out of a big inning, because there is still a lot of time left to make it up.

And that was never more evident than Thursday night in the American Legion "A" Area Tournament at Alumni Field in the Seminole High School Baseball Complex as Post 53 trailed 9-2 after four innings before battling back to lose 11-10 to Port St. Lucie Post 318.

The victory gave Post 318, which eliminated Ft. Pierce Post 358, 6-5, earlier in the day, the Area Tournament Championship and the automatic berth in next week's Florida American Legion State Tournament in Deland, ending Post 53's hopes of a record third straight state title.

"It was a heck of a run," said Ferguson. "I want to see someone else do it."

The "it" to which Ferguson was referring was three straight years in the State Championship Game, the first-ever back-to-back State Championships, two straight appearances in the Southern Regional, a Regional Championship and a World Series Championship, all in the past four years.

This was a game in which the breaks 'almost' went Post 53's way, but usually turned into a run for Post 318.

Post 53 took a 1-0 lead in the top of the first inning as Jose Rosado led off an reached on an error. With Rosado running Chaz Lytle hit a ball up the middle and the Post 318 shortstop could not get either runner.

After an out, Rich Rodriguez walked to load the bases and Rosado scored when Chris Richardson bounced to third base.

With one out in the bottom of the first inning, David Slevin reached on a bad-hop infield single and then the 'fun' began.

Mickey Torello doubled to the gap in right-center and Slevin tried to score when the throw back to the infield evidently hit a hole and kangarooed over the shortstop's head.

The ball went right to the third baseman and

Datamax sweeps to Industrial League championship

By Dean Smith
SPORTS EDITOR

SANFORD - At the mid-point of the season all seven teams in the City of Sanford Recreation and Parks Department Spring Industrial Slow Pitch Softball League were within 2-1/2 games of the league lead.

Two weeks ago it was still a four-team race.

Today, the race is run and the only thing left to do is set the final standings.

Datamax and Myers Tree Service both stretched their respective winning streaks to four games on Tuesday at Pinehurst Park, allowing Datamax to stand alone atop the heap with only one game left in the season.

Myers Tree Service scored 14 runs in the top of the first inning and never looked back in upsetting the Wayne Densch B-53's, 15-5 in five innings.

That opening game loss would end up eliminating the Wayne Densch B-53's as Datamax came from behind in both of the late games to best Invacare, 5-2, and Bundy/S &

H Corporation, 12-9. With Tuesday's results, Datamax is now 9-2 and has clinched the league title.

Completing the standings are the Wayne Densch B-53's (7-4), Myers Tree Service (7-5), Invacare (6-5), Bundy/S & H Corporation (5-7), Briar/BBM Corporation (3-8) and Vantare (3-9).

The league will complete its season tonight (Friday) at Pinehurst Park with Datamax taking on Invacare at 7:30 p.m. and the Wayne Densch B-53's facing Briar/BBM Corporation at 8:30 p.m.

Myers Tree Service sent 18 batters to the plate in the big first inning with a two-run triple by Hawver and a two-run single by Peters being the big blows. Hawver, Johnny Scott and Denny Miller all had two hits each in the first inning.

Doing the damage for Myers Tree Service were Johnny Scott (double, two singles, two runs scored, RBI), Denny Miller (three singles, two runs scored, two RBI), Sonny Eubanks (three

singles, run scored, RBI), Hawver (triple, single, two runs scored, two RBI) and Green (two doubles, run scored, RBI).

Also contributing were Peters (single, run scored, two RBI), Bobby Krienbring and Ed Michalowski (one single, one run scored and one RBI each), Bush (single, run scored) and Braden (three runs scored).

Providing the offense for the Wayne Densch B-53's were Trey Brasseur (home run, single, run scored, three RBI) and Howard Jarrett (two singles).

Also, George Simkanich (single, RBI), Robert Ullana, Elmer Gould and Ron Plummer (one single, one run scored and one RBI each), Jon Christain, Kelly Pettitt and Cory Mann (one single each) and Wayne Kelly (run scored, RBI).

Chris Bryson's RBI triple tied the game at 1-1 and Joe Sisco, Bill Michaels and Lewis Armstrong each singled in a run as Datamax scored four runs in the fourth inning in a 5-2 victory over Invacare. Leading Datamax to victory

were Chip Smith (triple, single, two runs scored), Robert LaFountain (double, single, run scored), Chris Bryson (triple, run scored, RBI), Joe Sisco (single, run scored, two RBI), Bill Michaels and Lewis Armstrong (one single and one RBI each) and Donny Cerce, Ron Wojtaszek and Phil Pietrusza (one single each).

Providing the offense for Invacare were Tom Gilson (double), Chris Brooks (single, two RBI), Bill Rohr, Segundo Gonzalez and Nelson Santiago (one single each) and Angel Figueroa (two runs scored).

Datamax trailed Bundy/S & H Corporation 2-0 in the second inning and 8-7 in the fifth inning, and the game was tied 6-6 in the fourth inning, but rallied each time.

In the bottom of the fifth inning, Chris Bryson singled home the tying and go-ahead run and Chip Smith followed with a three-run home run and Datamax had the victory.

Powering Datamax to the victory were Chris Bryson (triple, two singles, two runs scored,

four RBI), Chip Smith (two home runs, two runs scored, five RBI), Dee Richards (two singles, two runs scored, two RBI) and Donny Cerce (two singles, run scored).

Other hitters were Robert LaFountain (double, two runs scored), Joe Sisco (single, RBI), Ron Wojtaszek, Bill Michaels and Phil Pietrusza (one single each) and Eric Mayhew (three runs scored).

Bundy/S & H Corporation was led by Josue Ramos (three singles, two runs scored), Reggie Jones (two singles, two runs scored, RBI), Craig Harvey (two singles, two RBI), Bob Oakley (single, two runs scored, RBI), Russel Schofield (single, run scored) and Dania Wilson (run scored).

Blue Haven Pools, Sunrise Funeral Home top Lake Mary men's league

By Dean Smith
SPORTS EDITOR

LAKE MARY - And then there were two.

One of the most competitive seasons in many a year in Lake Mary will close out the regular season campaign tonight when the City of Lake Mary Department of Parks and Recreation Men's Spring Friday Night Slow Pitch Softball League takes to the field at the Lake Mary Sports Complex.

Co-leader Blue Haven Pools looked was in trouble in a rare low-scoring game last Friday, trailing ADAPCO 1-0 heading into the sixth inning.

Bob Palagano's single tied the game at 1-1 and Rafael Rafael followed with a two-run single to put Blue Haven Pools ahead to stay and the leaders would plate two more runs in that inning and two more runs in the seventh inning to post a 7-2 victory.

Seagate Software then gave the leaders a little help, scoring 11 runs over the first two in-

nings and going on to upset Nice 'N Easy, 15-7.

The other league co-leader, Sunrise Funeral Home, remained tied for the top spot the easy way, getting a 7-0 forfeit victory from Elegant Lawn Maintenance.

Blue Haven Pools and Sunrise Funeral Home are both 7-2, while ADAPCO and Nice 'N Easy are both 4-5, Seagate Software is 3-6 and Elegant Lawn Maintenance is 1-8.

This evening at the Lake Mary Sports Complex on Rantoul Lane, Elegant Lawn Maintenance will challenge Blue Haven Pools at 6:30 p.m.; Seagate Software will take on ADAPCO at 7:30 p.m.; and Nice 'N Easy will tackle Sunrise Funeral Home at 8:30 p.m.

Wins by both Blue Haven Pools and Sunrise Funeral Home or losses by both co-leaders would necessitate at one-game winner-take-all playoff contest next week.

Mike Fratrik led off the sixth inning with a walk and John

Keelan followed with a single to set the stage for the Blue Haven Pools rally.

Leading the way for Blue Haven Pools were John Keelan (double, single, run scored, RBI), Rafael Rafael (two singles, run scored, two RBI), Bob Palagano (single, run scored, RBI), Mike Fratrik (single, two runs scored), John Poole (single, run scored), Sean Turner (single, RBI), Neal Goldman (run scored) and Todd Cox (RBI).

Doing the hitting for ADAPCO were Jamie Pitzer (two doubles, run scored), Mike Taylor (two singles, run scored), Mickey Cogburn and Bill Cogburn (two singles each), Bruce Sellers (single, RBI) and Greg Richards (single).

Rich Carlson blasted a two-run home run in a five-run first inning and Mike Ivanov and Drew Coulter had RBI doubles in a six-run second inning as Seagate Software took an 11-3 victory in the upset of Nice 'N Easy.
