李都下都多都李四年四十四十四年五日五四年前

SAN FRANCISCO, Nov. 18. at's it all about?"

This question is asked by the erage newspaper, reader who es casually at an occasional nt page account of the civil war China. For the benefit of those o are not students of Far Eastm affairs, the following explanairy digest, as gloaned from the arthus news reports of the Chirse situation, is given:

China, with its more than 400,-10,000 population, has been in a ore or less chaotic state since the throw of the Manchu dynasty 1911 and the formation of the ese Republic. Chinese presilents have come and gone, the me fortions headed by "tuchung," military provincial governors, lation has been constantly under peared midway between Tientsin

General Chang Too-lin and Genral Wu Pei-fu, former friends but bitter enemies, are the two utstanding figures in the current ontroversy. These two leaders black forces in 1920 to over hrow le famous Anfu club, a monarhist organization which threatenthe new government. With no Kun, the last Chinese prestink then inspector-general of Chi-General Chang became the confolling power of Peking.

General Wu permitted things to ntinue until 1922, when, declar-Chang was establishing a mile dictatorship in the capital, iffa. Chang began at once to mild up an army, manufacture multions and have his officers rained in modern military tactics for two years China has expected renewal of hostilities between the wo militariete.

Two semewhat inconspicuous tuuns "started the fireworks," In he latter part of last August, Geadal Chi Shieh-yuan, military gov nor of Kinngsu, apparently with a approval of Tsao Kun, attack the forces of General Lu Yung-ning, the Chekiang military govroor in control of Shanghai, and, the the aid of General Wu Petforces, finally took that city. ded it was time to eliminate hang Tso-lin and thus bring about rounification of China. General anor, the Manchurian "war-lord" at General Wu should be climi-So Chang declared war the Peking forces bls aimy toward Chibli. принципиния принципиния

He met Wu's troops outside the Great Well and fighting continued for several weeks over a front of many miles. The most sangulary battles took place not far from Shanhaikwan, near the gastern border of Chibil

With varying reports of successes coming from the headquarters of both lenders, Feng Yu-halang, Fish can be trailed in their wanknown as the "Christian General" derings around the oceans in a recently hurled a bombshall into manner not unlike police methods Tibet and peace made with Chang

General Feng, with the best paid and best equipped troops of the front to hold back Chang's brigades. Apparently Chang and Feng arrived at an understanding and the pext appropriement was from Peking, where the "Christian Gencral" had taken control.

cral Wu had fled with his troops to Tsingtao, Shantung; that Tsao Kun had resigned, that Tuan Chijui, the powerful former Anfu leader, would assume charge of the government, and that real unification of China would take place.

It later developed that Wu had not fled to Tsingtao. Instead, the Chihli leader and his forces apand Peking and entrenched preparatory to a hattle to oust the "Christian General" from the capital. It appeared October 29 that the feud between Chang and his enemy was far from being settled.

Last reports were to the effect; that General Feng had suggested a conference with General Wu with the object of bringing about some sort of an adjustment between the latter and General Chang. At that time the whereabouts of Chang had not been made known.

General Wu's claim is that Chang Tso-lin is in reality a monarchist and an outlaw at heart and that, if he should gain control of drove the latter back to Man- the Peking government, he would lattempt to place the "Boy Emper or" back on the throne and restore the Mancho dynasty. Chang declares that Wu is the obstructive element in the work of reorganizing China and that President Tsac Kun was not elected by the people but by a parliament that was bribad.

plicants call at 604 Elm Ave

manner not unlike police methods Sever Relations and Cause the controversy by appearing at manner not unlike police methods.

Devastating Civil Warfare that Tsao Kun must resign as pressure numbers, according to ident, General Wu be banished to Charles H. Gilbert, professor of zoology at Stanford University.

Professor Gilbert explains that "scales rende ra report on the Chihll forces, had been sent to the bringing-up of the fish as well as furnish birth cortificates and automatic age recorders, and show the approximate weight and size at

any time during its past growth." A few scales are scraped from the back of a salmon and stuck from the capital. It was said Gensmall aluminum tag bearing this number is clamped on the fish's tail and it is thrown back into the water. Under Dr. Gilbert's direction more than 10,000 salmon were tagged in this way last year.

A Word About The Contest

This is the final week of The Sanford Herald's Salesmanship Campaign. The contest will close Saturday night at ten o'clock, and the prizes will be awarded as soon thereafter as the votes can be counted. The Buick Touring car is waiting for its owner and on Saturday night it will be standing in front of The Herald Office, with gasoline in the tank, ready for its drive to its new garage. The other prizes will be ready for delivery to the winners, and the awards will be made promptly.

The campaign thus far has been a success, just as we knew it would be in the beginning. And this should be the York this week celebrates the hunbiggest week of the campaign, by long odds. The race be- dredth anniversary of Fifth Avetween neveral of the contestants is exceedingly close, and the nue's existence as a real street. result hinges Jargely on the work accomplished within the it was a cowpath one hundred muxt two days.

The prizes will be awarded in strict conformity with the Only eighty-five years ago Christoriginal announcement. The campaign has been conducted topher Mildeberger leaned over fairly and impartially. It will be finished the same way, the picket fence of his darm, that Prominent judges have been selected to see that the votes would be now at the corner of are correctly counted and to declare the final results.

Votes are not sold in this contest. They are given as street. awards for subscriptions to the paper. It is subscriptions that count and to be a winner a contestant must turn in lea, building up and tearing down. many of them.

In the two days which remain in this contest leaders should put forth their best efforts in getting votes. The the great Croton reservoir, introtime is short. The prizes are valuable. It would be a shame ducing running water into any New for any worker to fail to win by the lack of a few votes.

The Herald expects Saturday to be a record breaking day. There will be the final rush of subscriptions and a busy ofpirit haunts the year's last fice force will try to check up the various contestants as rapidly as possible in order to give them every possible minute knowledge without money and in which to work. But the contest will end promptly at ten without price. o'clock, Sr. I day night. Contestants are urged not to wait at eventide, listening carnestly, until the last minute to turn in their subscriptions.

While the competition will be lively and the enthusiasm' suaded Joseph Pulitzer to drive up will run high, this newspaper hopes the same spirit of Fifth Avenue, along the East side friendliness will prevail and that after the winners are an-tof Central Park, saying to him, nounced on Saturday night, everyone will be happy and fully ["Buy land here, Uncle Joe, and satisfied that the best worker won.

Let The Day Mean Something to Sanford

Thanksgiving Day will be celebrated this year on the come up here to live and drive Twenty-Seventh of October.
