**Big 5 Peace Parley Ends In Discord**

(Continued From Page One)

His insistence on barring France and China from discussions of Balkan peace treaties. "There is good reason to believe," he added, "that with continued patience and understanding on all sides agreement on essentials can be attained. "We are determined upon that outcome."

No date was set, however, for any future meeting and, conference circles said, it probably would not be until the heads of the governments find some solution of the procedure issue.

Until such an agreement is reached, the deputies, who have been instructed to remain in London, will be unable to deal with the major problems awaiting settlement.

The discussions began Sept. 11 with the assignment to forge the framework of the Italian peace treaty and to write the basic clauses of similar treaties for the beaten Axis satellites, Hungary, Romania and Bulgaria.

No agreement apparently was reached on any major issue.

About four and a half million pounds of Paris green, often used as an insecticide and fungicide, are produced annually in the United States.

Three hundred thousand pairs of canvas-top jungle boots, no longer a standard issue item, have been converted into athletic shoes for use by patients in general and convalescent Army hospitals.

The Rev. A.C. Camp of Concord, Fla. is the new preacher at the Southside Baptist Church. He was educated at Norman Park Junior College.

Cash savings of \$4,555,000 and conservation of 65,000 tons of heavy gauge steel were realized through Quartermaster Corps' reclamation of 1,822,000 55-gallon oil and gasoline drums during the first six months of 1945.

Tobacco users pay into state coffers about \$150,000,000 annually in taxes.

Nearly half a million railroad lanterns are made annually in the United States.

Before 1866, when wax was first made from petroleum at Corry, Pa., the need for candles was supplied by tallow, beeswax, or such vegetable waxes as bayberry.

The word button comes from the French "bouton," meaning something to be pushed out.

## Jap Cabinet Resigns In Huff Over Freedom

### Premier Higashi-Kuni Objects To MacArthur's order giving Freedom Of Speech

TOKYO, Oct. 5. (AP)—The Jap cabinet resigned today rather than carry out General MacArthur's latest orders—and the Allied commander will approve the next premier before Emperor Hirohito directs him to form a new cabinet. Premier Prince Higashi-Kuni went to his cousin, Hirohito, with the resignations following a two hour cabinet meeting over MacArthur's demand to oust the home minister in the interests of achieving free thinking, and free speaking in Nippon.

It is rumored another prince, Fumimaro Konoye, will become the new premier. He was premier when Japan first attacked China. Another possibility was resigned Foreign Minister Shigeru Yoshida, a career diplomat. A source said that the MacArthur order directly forced the cabinet upheaval although the Jap people are restless because of Higashi-Kuni's cabinet's failure to solve the food and housing problems.

General MacArthur also ordered the Japanese government to release all political prisoners by Oct. 10, "abolish the notorious thought control" law and police, remove all police chiefs and discharge Home Minister Iwao Yamazaki.

Obviously angered by Japanese delay in establishing democratic government, MacArthur immediately directed that immediate freedom be established to permit unrestricted discussion of the Emperor, Imperial Institutions and the Japanese Government. The order freeing political prisoners was expected to release a number of Japanese liberals who can aid in establishing democratic government. American policy will continue to be to make sure that none are detained further to delay the dawn of democracy.

The indictment of Japan's hesitancy and delay expressed by the order, issued after the Japanese already under fierce attack by Japanese newspapers, to resign today. Domei News Agency political writers said they were expecting "big developments" tomorrow.

MacArthur's order swept overboard the entire Japanese police system which has kept the Japanese people the most regimented on earth for the past generation.

## Captain Bradford Meets Sid Hudson At Pacific Base

B-29 BABE, GUAM, Oct. 5. (Special)—Two Sanford men were recently reunited on Guam when Capt. James Bradford, stationed there with the 380th Bombardment Group, met his old friend Sgt. Sidney Hudson, star pitcher for the Washington Senators.

Bradford, a B-29 airplane commander, met Hudson when the latter played at the 81st Bombardment Wing base while touring the Pacific area as a member of a picked Army "all-star" baseball team made up of former major league and professional players.

Former room-mates at the home of Mrs. Janis Shoemaker, 707 Park Avenue, Sanford, Hudson and Bradford had not seen each other since 1919. At that time Sid was ace pitcher in the Florida State League and a member of Dale Alexander's pennant-winning team. Entering the Army in 1942, Hudson served as an athletic instructor until he joined his present all-star aggregation for its overseas tour.

Capt. Bradford was graduated from Seminole High School in 1937. He was associated with the Seminole Creamery until 1941. Entering the Air Corps in 1941, Capt. Bradford received his wings and commission in May, 1942. He was then assigned as instructor at Moody Field, Georgia, and later taught at Hendricks Field, Florida. He joined his present B-29 Group in October of 1944 and has been overseas since April. Bradford completed 23 combat missions at war's end and has been awarded the Distinguished Flying Cross and Air Medal with two Oak Leaf Clusters.

TWO KILLED  
LAKELAND, Oct. 5. (AP)—Two persons were killed when a National Air Lines plane overbort the Lakeland air field and crashed into Lake Parker at 10 A. M. today. Thirteen other passengers, including the pilot and co-pilot, were rescued by a boat when the plane in 11 feet of water in the middle of the lake.

## Bus Slowdown Hits New York

BUSES CRAWL ALONG FIFTH AVENUE, New York City's main thoroughfare, as the drivers protest the laying off of conductors on the big vehicles in an attempt by the management to make bus driving a one-man operation. Many in this picture have decided that walking is quicker than waiting for the bus to get them to their homes and offices. (International)

## 25 Percent Of Quota Raised For County War Fund

### Coleman Appeals For Greater Efforts If Quota Is Reached

About 25 percent of the Seminole County War Fund quota has been raised, H.H. Coleman, chairman, revealed this morning, when he announced that team captains have reported a total of \$3,160 in contributions have been received.

Mr. Coleman sounded a peal of praise when he said that many of the donations so far received have not been as large as anticipated, and that unless future contributions are increased and more people contacted by the campaign workers, Seminole County cannot possibly reach its quota.

One bright spot in the county was reported at Oviedo where Frank Talbot said that over \$1,000 has already been raised on a quota of \$3,000. Mr. Talbot said he was confident the people of Oviedo would come through and raise their full share.

Lea Leshner, city chairman, pointed out that Sanford has more reason than most cities to be grateful in the National War Fund which required in the construction of a fine building which ultimately may be used as a young people's club and which during the war has served as an

entertainment center.

## Quiz Is Conducted At Kiwanis Meeting By Herman Morris

Kiwanians for a brief time were put back in school today during their uncheon at the Hotel Mayfair, and different tables competed in a quiz of dates conducted by "Schoolmaster" Herman E. Morris.

The winning table received passes to the Friday evening football game of Seminole High School and Seabreeze High School. The winners included such "master minds" as H.C. Hatzel, G.W. Workman, Dr. Leeland H. Dame, Frank Shames, John Dodge, J.E. Wathen, Rev. J.B. Root and Howard Montelith.

Major Thomas F. McDaniel of the medical corps was welcomed back to the club by President L. T. Doss, and the former kept score for his table.

John The Peanut Man Dies In Providence

John Mooradian, whose peanut and popcorn stands was for many years a familiar sight on First Street, near the Sanford Zoo, died during the latter part of August in Providence, R. I., according to a letter from a niece, Alice Mooradian, to Mrs. Homer Little.

Little was known here of the background and ancestry of Mr. Mooradian, other than that he was born in Armenia. His niece and her father came here in August and took him back to Providence, after learning he was ill. For a number of years he lived at the Mallon Apartments on First Street.

BYRNES REPORT  
WASHINGTON, Oct. 5. (AP)—Secretary of State James F. Byrnes reports to the nation on the London Conference of Foreign Ministers at 9:50 P. M. EST tonight via CBS.

# Strike Idle Rises To Half Million As President Seizes Oil Companies

## Leshner, Williams Qualify To Run For Commission

### City Primary Will Be Held On Nov. 6 For Two Vacancies

Two candidates for offices of city commissioners, Robert A. Williams in Group 1, and Lea R. Leshner in group 2, have qualified to run in the primary election on Nov. 6. It was announced this morning by H. N. Sayer, city clerk.

If elected, Mr. Williams would succeed Mayor Edward Higgins as a commissioner, and Mr. Leshner would succeed Mr. J. Lodge, Mayor Higgins and Commissioner Lodge have announced that they would not run again.

Mr. Williams, who formerly managed the Seminole Dry Cleaning Company, and who for the past year and a half has been a realtor located in the Sanford Atlantic National Bank Building, said today: "I am running for this office only because a number of my friends have approached me and urged that I run. I am not making any promises other than that if elected I will give the people of Sanford the best service of which I am capable."

Mr. Williams, who lives with his wife and daughter at 511 Valencia Drive, has resided in Sanford for 30 years. He attended local schools and Seminole High School. He is an active Rotarian and a member of the First Baptist Church.

Said Mr. Leshner today, "I am entering as a candidate for the office of city commissioner in the interest of the City of Sanford, and if elected I intend to serve the City to the best of my ability."

Mr. Leshner, who came to Sanford from Pennsylvania in 1937, lives with Mrs. Leshner at 411 Magnolia Avenue. He has been active in civic affairs, and for the past three years has been vice president of the Seminole County Chamber of Commerce. He served as chairman of the City Planning Committee when it was in operation, and was organizing chairman of the City Zoning Commission, which is still functioning. He is president of the Rotary Club, a member of local Masonic organizations and of the Presbyterian Church. He withdrew from business as a partner in the Celery City Printing Company last year.

## Member Drive Is Begun For Sanford Celery Crate

A membership drive for the Celery Crate, Seminole High School recreational organization, with Mrs. F. H. Tepas as director, got under way last Monday and will continue through Oct. 12. Any high school student is eligible for membership and a minimum subscription is being charged the goal set is 100 per cent of the student body, she said. The Youth Center, sponsored by the P. T. A., will be operated by the student people under the supervision of Mrs. Tepas.

The Crate has taken over the City Hall auditorium and will be open for dancing and refreshments Oct. 12 with the Junior Class sponsoring the Friday night dances and the Senior sponsoring Saturday night's entertainment. In addition to dancing, pool tables will be available as well as a snack bar and pingpong tables.

Similar recreational clubs have been organized in Orlando, Daytona, Deland and other cities in the state. Inter-city meetings have been planned which will involve contests, exchange of prizes and etc.

Tomorrow night has been designated as Work Night and the juniors and seniors are donning mop covers to wash windows, mop floors and give the Crate a general going-over before the grand opening next week.

Retiring officers are: president, Dorothy Crumley; vice-president, Robert Jones and treasurer, Patty Anderson. New officers will be elected on Oct. 15.

## 3 Registrants Fail To Report For Draft

E. B. Carter, selective service clerk, reported today the names of three colored registrants who failed to report Thursday to Camp Blanding for induction. Anyone who can give the board the address of these men is requested to do so at once.

The men are: Solomon Collins, Jr., Joseph L. Smith and Richard Harry Edwards.

## Sanford General Gives Orders To Jap General

A Japanese Lieutenant General is shown on the left, General Joseph Hutchison of Sanford, commanding the 17th Infantry Division at Malaya Bay, Mindanao. The Japanese general is Gyoosky Muro, commander of the island, and in this picture he is formally surrendering some 10,000 enemy troops. The scene is General Hutchison's bamboo headquarters.

## Tax Collections In Seminole Hit 99.84 Percent

### Jenkins Congratulated By Caldwell On Splendid Record

County Tax Collector Jno. B. Jenkins in a letter from Governor Millard Caldwell in the "splendid record" made by the taxpayers of Seminole County. Mr. Jenkins revealed today.

The Governor's letter read: "Permit me to offer by congratulations for the splendid record you have made in collections on your 1944 roll. I only wish that the same was true in the other counties of the State."

## Member Drive Is Begun For Sanford Celery Crate

A membership drive for the Celery Crate, Seminole High School recreational organization, with Mrs. F. H. Tepas as director, got under way last Monday and will continue through Oct. 12. Any high school student is eligible for membership and a minimum subscription is being charged the goal set is 100 per cent of the student body, she said. The Youth Center, sponsored by the P. T. A., will be operated by the student people under the supervision of Mrs. Tepas.

## McNulty Acquires Punta Gorda Bank

MELBOURNE, Oct. 5.—Control of the Punta Gorda State Bank was acquired Wednesday by C. H. McNulty of this city, bringing to six the number of Florida financial institutions in the group headed by the Melbourne banker.

Announcement of the purchase of the bank of the lower West Coast was made late Wednesday by Mr. McNulty who said he would take charge immediately. Major Arthur L. Thornton of Melbourne, who in process of being discharged from the Army after three years service will be vice president and cashier of the Punta Gorda bank. Recent Major Thornton has been assigned to duty with the War Manpower Commission.

## Contract Awarded For Highway 44 At Cost Of \$285,000

Contract has been awarded to the Marion Construction Company of Genoa for construction of the Seminole County link of Road 44 between the Geneva Avenue bridge at Lake Jessup and the Geneva bridge at the Tuttleville bridge will be 10 miles and will cost at cost of \$285,000. This road will link Sanford for the first time with the east coast and Titusville by means of an adequate highway to date in the way, and has been termed by Representative Smith as county project number one.

At the recent meeting of the Board of Directors of the Seminole County Chamber of Commerce, it was recommended that county and city engineers make a survey to determine using Geneva Avenue and an extension northwest to the Mt. Dora Highway as the final connecting link in this road rather than the formerly favored Lake Shore route.

## Local Telephone Service Broken By Labor Row

### Dispute Between Employees and NLRB Is Given As Cause

Telephone service in Sanford and throughout the nation was interrupted today for a four hour period starting at 2:00 P.M. A controversy between the National Federation of Telephone Workers and the National Labor Relations Board, was the cause of the service interruption according to a report of the Bell Telephone Company to E. V. Turner, local manager.

## William G. Brown Is Out Of Navy After Three Years

William G. Brown, coxswain of the Navy, and son of Mrs. Maybelle Brown of 311 West Third Street, was recently discharged from the United States Naval Reserve at the Naval Receiving Barracks at Miami, and is now working for the Atlantic Coast Line Railway.

The men are: Solomon Collins, Jr., Joseph L. Smith and Richard Harry Edwards.

## Contract Awarded For Highway 44 At Cost Of \$285,000

### Jenkins Congratulated By Caldwell On Splendid Record

County Tax Collector Jno. B. Jenkins in a letter from Governor Millard Caldwell in the "splendid record" made by the taxpayers of Seminole County. Mr. Jenkins revealed today.

The Governor's letter read: "Permit me to offer by congratulations for the splendid record you have made in collections on your 1944 roll. I only wish that the same was true in the other counties of the State."

## Local Telephone Service Broken By Labor Row

Telephone service in Sanford and throughout the nation was interrupted today for a four hour period starting at 2:00 P.M. A controversy between the National Federation of Telephone Workers and the National Labor Relations Board, was the cause of the service interruption according to a report of the Bell Telephone Company to E. V. Turner, local manager.

## William G. Brown Is Out Of Navy After Three Years

William G. Brown, coxswain of the Navy, and son of Mrs. Maybelle Brown of 311 West Third Street, was recently discharged from the United States Naval Reserve at the Naval Receiving Barracks at Miami, and is now working for the Atlantic Coast Line Railway.

## Contract Awarded For Highway 44 At Cost Of \$285,000

Contract has been awarded to the Marion Construction Company of Genoa for construction of the Seminole County link of Road 44 between the Geneva Avenue bridge at Lake Jessup and the Geneva bridge at the Tuttleville bridge will be 10 miles and will cost at cost of \$285,000. This road will link Sanford for the first time with the east coast and Titusville by means of an adequate highway to date in the way, and has been termed by Representative Smith as county project number one.

## One-Third Of Country's Coal Miners Join Walkout While Meeting Is Planned

HURBANK, Oct. 5. (AP)—A dozen men were beaten and three autos overturned in a melee after some 300 pickets barricaded the highway leading to Warner Bros. Motion Picture Studio this morning. Hurbank and Glendale police and sheriff's deputies rushed in to clear the scene and restore order. Pickets kept the blockade, however.

Labor idled by various disputes across the country increased to nearly 530,000 today as President Truman ordered the Navy to seize strikebound properties of 26 oil companies in 15 states. It is the CIO union's next move on the status of the 43,000 strikers.

147,000 coal miners, more than one-third the nation's total joined a walkout in six states closing about 150 pits and steel blast furnaces were beginning to shut down, as the government called a conference of the operators and John L. Lewis.

Some 250,000 independent union telephone operators and workers are expected to leave their jobs from 2 to 6 P.M. EST today for a strike vote.

A walkout of between 35,000 and 40,000 workers in the port of New York crippled shipping and halted the movement of 166 (Continued on Page Two)

## Pfc. Robert Hunter Served In Armored Force In Germany

BIBLE VERSE FOR TODAY

THE WORLD HAS FOUGHT A TERRIFIC WAR TO FREE MEN'S BODIES FROM SLAVERY. BUT SOME ARE CONTENT TO REMAIN IN bondage to the lowest impulses and habits...

We suppose we wouldn't be quite so violent over this proposed \$25 a week handout to those unwilling to work if we could find someone to mow our lawn.

Former Secretary Morgenthau says American occupation troops are too kindly for the job they have been given. And thank heavens for that!

The United States has been chosen as the permanent headquarters for the United Nations world peace organization...

Senator Pepper, now in Cairo after visiting Joe Stalin, says that we must approach the problem in Palestine where Jews and Arabs are about to slit each other's throats...

Speaking of proposed legislation for the settling of labor disputes, the Tampa Tribune says, "We must face the fact that the government continues to fall in its duty to prevent industrial controversies from developing into civil warfare..."

We are sorry to see General Patton lose his command over the Third Army, though he probably isn't the best man in the Army for purely political tactics.

Pointing out that the poorer classes of people need more medical attention and are going to get it, John Temple Graves, now at the Mayo Clinic, says that the objection to "socialized medicine" is that the "hand of government is a dead hand when it undertakes controls, interferences or manipulates in delicate and intimate mechanisms like medicine..."

Mayor Ed Higgins and Commissioner Jack Lodge have decided not to seek re-election again. Both have given several years to this job. Both have served faithfully and well through a trying period when cities as well as businesses and housekeepers have been faced with material and labor shortages...

Some objection to the proposed swimming pool is sometimes heard on the grounds that the water is apt to become contaminated, those who swim in it apt to suffer from sinus infections, athlete's foot, or worse ailments. Every college and practically every elementary school in the county has at least one swimming pool which is always popular with the boys. Most metropolitan athletic clubs, as well as YMCA's and YWCAs, conduct regular swimming pools. If it were not possible to keep them clean and sanitary, they would not have them. If men at Harvard University, if members of the New York Athletic Club, and risk takers in pools, can...

How To Stay Young

Over General MacArthur's desk there hangs a message. It will bring you courage and faith... Famed War Correspondent Col. Frederick Palmer called on Douglas MacArthur at his Manila Headquarters. His most vivid memory: three frames over the General's desk. One, a portrait of Washington. One, a portrait of Lincoln. One, the framed message which you will read in part below. The General has had it in sight ever since it was given to him by John W. Lewis, Jr., in April of 1942, when he was fighting 2,000 miles from Manila:

Youth is not a time of life — it is a state of mind. Nobody grows old by merely living a number of years; people grow old only by deserting their ideals. Years wrinkle the skin, but to give up enthusiasm wrinkles the soul. Worry, doubt, self-distrust, fear and despair—these are the long, long years that bow the head and turn the growing spirit back to dust. Whether seventy or sixteen, there is in every being's heart the love of wonder, the sweet amazement at the stars and the starlike things and thoughts, the undaunted challenge of events, the unflinching childlike appetite for what next, and the joy and the game of life. You are as young as your faith, as old as your doubt; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair. —This Week.

Time To Push Canal Proposal

The St. Johns River is up over the Geneva and Osteen roads in Seminole county, and both have been closed to traffic. In some places the water of Lake Monroe is over the bulkhead in downtown Sanford.

Thousands of acres of rich cattle land are now flooded, and a large number of rich farms are under water.

We take the above information from the Sanford Herald, which adds this editorial observation. "This might be a good time to bring some of our Congressmen and Senators down here and convince them of the advisability of better drainage and flood control facilities."

"Lock canals to the Indian River (at Titusville) a deeper channel in the St. Johns, could prevent just such a condition as now exists, would make available thousands of acres for continuous utilization."

The Sanford-to-Titusville lock canal is needed more now than it was when first proposed. Thousands of head of cattle in North Brevard and adjoining counties depend upon the St. Johns Valley for grazing. The cattle industry in Florida has made prodigious strides in the past decade. It shouldn't always be subjected to these costly flooded conditions, when a solution as simple as a lock canal to the Indian River at Titusville can be had, with a comparatively small investment. —Titusville Star-Advocate.

Cat Out Of A Job

The cat is about to join the ranks of the unemployed. Science has taken her life work away from her. It has invented a new poison, to be launched by the national Fish and Wildlife Service, that guarantees to kill a rat within a few seconds. Moreover the rats go for it, really like it.

The new poison, popularly called 1080 because that is the number of poisons in it, technically known as sodium fluoroacetate, dissolves in water. The rats in 250 experiments each time chose this poisoned water in preference to uncontaminated water. True, there are a few disadvantages. It is equally deadly to cats, dogs and human beings. There is no known antidote.

It looks as if the cat had lost her calling. Spiders and birds will sympathize with her. They also must feel jobless, since with the coming of the miracle insecticide, DDT their livelihood seems to have vanished along with the flies and bugs. But there is usually a catch in these apparently magical inventions. The cat may have lost a job for one life, but she has eight left in which to reconvert to other employment.

Strike Idle Rises As President Seizes Oil Co.

(Continued From Page One)

81,000 AFL members in the Pacific northwest continued a strike, but 40,000 CIO members remained on the job during cancellation conferences.

Some 80,000 automobile workers, mostly in Detroit plants remained off their jobs and a strike of 2,700 AFL bus drivers and station employees tied up the Pacific Greyhound lines in seven western states where 147,000 passengers were affected.

WASHINGTON, Oct. 5. (AP)—President Truman tonight ordered the Navy to seize and operate 52 strike-bound plants of 25 oil companies, and the Navy immediately notified plant managers that it was taking possession. Mr. Truman ordered the seizure—first since the end of the war—24 hours after collapse of Government efforts to resolve a wage dispute and end the coast-to-coast strike of 85,000 oil workers. The effort failed when 10 major oil companies rejected the Government's compromise proposal. Plants Notified The President said he was forced to act because the petroleum supply situation has become so critical that "essential military operations are already jeopardized." "Nothing will be permitted to stand in the way of adequate supplies of any kind for our armed forces and for their proper redeployment and demobilization," he said in a statement accompanying his executive order. Acting Secretary of the Navy H. Struve Hensel appointed Vice Adm. Ben Moreell, chief of the Bureau of Yards and Docks, to carry out the seizure. He then directed plant superintendents by telegram to operate the properties in the name of the Government. A Navy spokesman said the seizure legally becomes effective the moment plant superintendents receive telegrams of instruction which were dispatched tonight. Hensel wired plant superintendents to operate the properties under the same wages, hours and other working conditions prevailing before the shutdown. He said the Navy would authorize no wage increases unless so instructed by the War Labor Board.

SATURDAY
The Garden Center will continue hibiscus sale at Smith Furniture Company, a variety of white hibiscus will be on sale.

Billy B. LaBree MOMM 2d, son of Mr. and Mrs. H. B. LaBree of Longwood is home on a 15 day leave after graduating from the Deibel School at Beloit, Wis. He will be stationed at St. James, Mich., at the termination of his leave.

Pvt. Vernon J. LaBree, son of Mr. and Mrs. H. B. LaBree of Longwood, is home on a 90 day furlough after which he will rejoin the 388th Central Postal Directory, Army and will serve three years in Germany.

Garden Club Notes

The Fall season's general meeting of the Sanford Garden Club will be held at the Woman's Club on Friday afternoon at 3:30 P. M. At the close of the meeting tea will be served.

Members of the Board will meet with Mrs. H.H. McCaslin at her home Wednesday at 10:00 A.M. Now that the war is over Garden Clubs all over the state will be called upon to make every effort to beautify Florida. So many towns are realizing that improvement and beautification are in line with post war activities, the idea being that our boys and girls must come home to a better world if we can make it so. This presents a very fertile field for Garden Clubs.

With so much of Europe in ruins our country may be the Old World instead of the New and if foreign visitors come to see it why not have something worth the trip to show them? It lies with all to make this a land of beauty.

Mrs. Evans McCoy Entertains For Son

Mrs. Evans McCoy entertained last night for her son, Wayne, on his seventh birthday with a supper party at her home at 1512 Palmetto Avenue. Gay streamers of crepe paper were strung from the chandelier in the dining room. The color scheme of black and orange of the Halloween season was used in decorations, favors and food. When the birthday cake was served the young guests sang "Happy Birthday," after which games were enjoyed.

Those present were: Wayne McCoy, Ernie Morris, Larry Burney, Larry Peyton, Roger Garner, Bobby Reely, Melville Brison, Bobby Olsen, Morris Phillips, Floyd Dooney, Jimmy Owen, and Bruce McCoy.

West Side Primary P.T.A. Has Meeting

The monthly P. T. A. meeting of the West Side Primary School was held in the school auditorium Thursday afternoon with Mrs. A. D. Houndred, presiding. The devotionals was led by Mrs. S. J. Nix. Mrs. C. A. Anderson, Secretary, read the minutes of the previous meeting. The Halloween Carnival was discussed and committees were appointed by the president. The carnival will be held Oct. 30 at the school house. Mrs. J. A. Calhoun, Treasurer, announced the Third Grade won the party. A report on the party. After the business meeting refreshments were served.

Lieut. Clyde Hurt has been transferred from Bermuda to Army Air Base, A.T.C. Nashville, Tenn.

Miss Elizabeth Whittington and Cpl. Vincent Peel of Melbourne were the recent guest of Mr. and Mrs. C.G. Whittington. Miss Whittington is Executive Director of the Men's Service Club in Melbourne.

Sgt. Nelson A. Stumpe and EM 2/c R.H. Stumpe have been the recent guests of Mr. and Mrs. Earl Varn at 1506 Palmetto Avenue.

Mrs. S. Sternberg and son, Maxie of Miami are visiting Mr. and Mrs. E.G. Hayes at their home 613 West Twenty-fifth street.

Mrs. H. C. Morgan and son, Clay, Jr., Mrs. James Underkoff, and son, James Jr., have returned from two weeks in Daytona.

Bruce Laney and E.L. Laney are planning to spend the weekend in Atlanta. While there they will attend the Notre-Dame-Georgia Tech football game.

Presbyterian Group Holds Conference

The District Conference of the Presbyterian Women's Auxiliary was held at the First Presbyterian Church in Sanford on Sept. 26 using the theme "They Went Forth - The Lord Working With Them."

Mrs. E. D. Brownlee, district chairman, called the meeting to order at 10:00 A. M. Mrs. Robert McCaslin, of Orlando; conducted the worship service using as her topic The Beatitudes. B. E. Alken Jr. of Sanford closed the worship service by singing "The Beatitudes."

After the roll call of the auxiliary visitors were welcomed by Mrs. W. S. Brumley, president of the Sanford Women's Auxiliary.

Mrs. Roy Mann of Sanford, Dr. A. R. Larrick, Superintendent of Home Missions of Plant City, and Mrs. Frank Worrall, president of St. Johns Presbyterian of Sanford, addressed the group in "Witnessing Through the Home," "Witnessing Through the Presbytery," and "Witnessing Through the Church," respectively.

The morning session closed by Mrs. R. L. Torrence, spiritual life secretary of Orlando. Lunch was served at the church.

The afternoon session opened with the pledge of the Christian flag and the pledge to the American flag led by Mrs. H. J. Lehman of Sanford. Mrs. Charles Wilke of Sanford, sang "The Reconciliation." Rev. Hugh E. Powell, regional director of Religious Education of Orlando, spoke on "Witnessing Through the Community" after which Dr. E. D. Brownlee of Sanford told of plans for visitation evangelism and the Fall work of the church.

Mrs. George Touhy and Mrs. P. R. Stephenson of Sanford explained to the group the work of foreign missions and home missions. Mrs. F. S. Vernay presided at the organ during the day. Dr. Brownlee dismissed the group with the benediction.

Approximately 100 women from Presbyterian churches of Orlando, Deland, Apopka, Daytona Beach and Sanford attended the meeting.

At the conclusion of the business meeting Mrs. Laney assisted by Mrs. W. C. Hill, Mrs. J. O. Laney, Mrs. Clark Leonard served refreshments to the following: Mrs. C. C. Priest, Mrs. F. R. Wilson, Mrs. R. U. Hutchison, Mrs. Fletcher Bolls, Mrs. B. B. Crumley, Mrs. Wells and Mrs. Caskey.

STETSON CLASSES
Last day for registration for Saturday classes at Stetson University, Deland, will be tomorrow it has been announced by Dean Harry C. Garwood. There have been requests for classes in religion, school supervision, and sociology.

If sufficient registrations are received, these classes will be formed at once. They will be taught by Dr. Nobis Y. Beall, head of the department of religion, Dr. R. L. Carter, professor of education, and Dr. E. E. Clark, professor of sociology. All who are interested in Saturday classes in these or other subjects are asked to meet Dr. Garwood in his office at the University by 9:00 A. M.

Sara Susan Kirtley, daughter of Mr. and Mrs. Clarence Roy Kirtley, whose engagement to William Walker White, son of Mr. and Mrs. St. Clair White, Jr., was recently announced.

TERRACE TALK

DOC and LILLA MAE TOLAR are spending one of their fun packed weeks in New York City. While there they plan to see eight shows, have a visit with James Melton, and visit the Billmore Hotel. Last Fall OLEDA DYSON, MARY WIGGINS HIGGINS and I were entertained by the TOLARS at the Billmore and you guessed the sickness of the party; RUSTY TOLAR was there with his fiancée JOYCE ROBBINSON which made for blissfulness.

Do you remember OLLIE VERA STEVENS? Well, she is now residing in St. Petersburg and her daughter, DOROTHY, has grown to be a lovely, lovely thing. DOROTHY modeled last year at Webb Department Store and was given a week's vacation at the Waldorf Astoria.

The white collar girl stars in the Quick Change Act. A basic black dress or jumper appears at work equipped with a business like striped dicky. Comes five, out with the pearls and silly chapeau and voila.

Grant Overton said: "The depths of life are spiritual depths. They are not gained by travel, but by ever so wide, nor by exciting worldly adventures. They are plumbd at home, by the fireside, at the supper table, in bed on sleepless nights, in the sancted intervals of exhausting and ordinary toil, in the room where a father lies dying, in the room where two young people are enfolding love, in the room where a child is being born."

JIMMY INGLE is in town for a short leave away from Army Air Corps training. JIMMY is currently stationed in Texas.

Come out - hold your hat - and do a little cheering for the home town football team tonight. Sanford plays Seabreeze High of Daytona Beach and it should be a good game.

From Digest and Review: READY RECKONER - Down in Florida a negro woman applied for relief during a winter cold spell. She reported she had four children. She didn't remember, perhaps even know, the precise age, but on being pressed for more exact information, said, "I'm not one lap child, one creeper, one pooking one, one yari young 'un." - C. E. T.

Dinner Party Given By Miss Williams

Miss Mildred Williams honored Miss Mildred Awtal and Miss Geraldine Patrick with a dinner party Wednesday evening at her home on Lake Ashby.

The living room was gay and colorful with mixed autumn flowers and varicolored Mexican pottery holding quaint greenery. The table was laid with an oriental cloth and centered with a low chancelly bowl holding American beauty roses. The flowers were flanked by silver candelabra.

Music and games were enjoyed throughout the evening and surprise gifts were presented each guest.

Those invited were: Miss Mildred Awtal, Miss Geraldine Patrick, Mr. and Mrs. I.T. Stringer, Mr. and Mrs. W.F. Brunson and children, Mr. and Mrs. W.M. Williams, Mrs. Fred Awtal and Mrs. Fred Harrison.

J. F. Rowland, Jr. has returned from Miami and West Palm Beach where he spent several days on business.

Mrs. Robert Powell, the former Nancy Dixon, was a guest at mother, Mrs. B.G. Dighton at the Hotel Mayfair.

Mr. and Mrs. W.C. DeCoursey left this afternoon for Charlotte, N.C. to visit the son-in-law and daughter, Rev. and Mrs. J.W. Parham.

Officers Elected By High School Classes

Officers, sponsors and mother for the freshmen, sophomore, junior and senior classes of Seminole High School were elected this week, as well as the class representatives for the student government council.

Senior class officers: president, Glenn Lingle; vice president, Dot Crumley; secretary, Bobby Jones; treasurer, George Cox; chaplain, Mary Elizabeth Carter; athletic manager, Ann Laywell; boys' athletic manager, Joe Wathen; sponsors: Miss Rebecca Stevens and Miss Jessie Durdin; mothers: Mrs. Julius Dingfelder, Mrs. B. B. Crumley, Mrs. Hawkins Connelly and Mrs. Ted Wathen.

Junior class officers: president, Harold Kautner; vice president, Clyde Hutt; secretary, Evelyn Rutliff; treasurer, Gwynn Reed; chaplain, Georgia Hutchins; girls' athletic manager, Thelma Reynolds; boys' athletic manager, Clarence Grantham; sponsors: Mrs. Mae Daly Fort and Mrs. Mary Chapman Green; mothers: Mrs. L. F. Doyle, Helores McClellan; girls' athletic manager, Frances Le File; boys' athletic manager, Holly Piery; sponsors: Mrs. Elizabeth Lynch and Couch Pippin; Mrs. W. A. Copeland, Mrs. Kyle Shoemaker and Mrs. R. H. Faircloth.

Freshman class officers: president, Stanley Brumley; vice president, Donald Deal; secretary, E. Treasurer, Harrie Duncan; chaplain, Gladys Wells; girls' athletic manager, Vivian McDaniel; sponsors: Mrs. Nellie W. Coleman and Mr. Melvin Wilkins; mothers: Mrs. W. A. Leffler, Mrs. S. Brumley, Mrs. H. D. Dague and Mrs. H. F. Cooper.

Class representatives for the student council include: Seniors: Don Crumley, Rosemary Burdick, Walter Meade Smith, Bobby Jones, Bill Merriweather and Joe Wathen. Juniors: Clyde Hutt, Lillian Boyle, Simon Dingfelder, Spencer Harden and Jack Move.

Sophomores: Herbert Stenstrom, Shirley Moreland, Johnny Alexander and Peggy Pippin. Freshmen: Donald Deal, Pete Easton and Emma Jane Robbins. Sponsor for the council is Mrs. Gladys A. Smith.

High PTA Votes To Support Crate

The Senior High School P.T.A. with Mrs. Joe Corley presiding, voted to sponsor the "Celery Crate" at the association's first meeting of the year held Tuesday at the High School. The theme for the crate will be "Know Your School."

Funds in the year's budget were allotted for the purpose of making the school library more comfortable. The budget was read and adopted.

Mr. Morris, principal, introduced the teachers to the parents and Mrs. Corley introduced the officers and committee chairmen to the group.

As in the past years four P.T.A. meetings will be held during the year and a Founder's Day program will be given in February for all county schools. It was decided that refreshments will be served at future meetings and programs presented. All members were urged to attend the next meeting.

Fifty-four members were present at the meeting. Bill Hollyhead Jr. arrived home from Pensacola where he was released from active duty as a pilot in the U.S. Naval Reserve.

Ken Jones of Miami, recently stationed at Pensacola is spending his law days with Bill Hollyhead Jr. at his home on Palmetto Avenue.

Mrs. Roy Mann Speaks On Peace At First Meeting Of Season Held By Woman's Club

With Mrs. Roy Mann as guest speaker today for her subject "Thoughts on Peace from Foreign Philosophers," the Sanford Woman's Club opened the new season at a business luncheon Wednesday afternoon with Lasting Peace as the theme of the year. Declaring there are three types of peace namely, personal, family and national, Mrs. Mann selected quotations on peace and divided them into categories of definitions, faults, obstacles, and paths.

"Peace is liberty in tranquility," she said. "Peace is explaining faults and the wise enter who refuse to take part in the government is to live under the government of worse men," and Count Tolstoy asserted: "Patience is the stumbling block to peace."

Mrs. Mann continued her address by saying that understanding, education, arbitration, control of emotions, and love are paths that lead to peace. Confusion is the quieted as connecting the question of world peace with the cultivation of our personal lives as follows:

"The ancient people who desired to have a clear moral horizon set before them first ordered their national life; those who desired to order their national life, could first regulate their home life; those who desired to regulate their home life would first regulate their personal lives; those who desired to regulate their personal lives would first set their hearts right; those who desired to set their hearts right would first make their wives sincere; those who desire to make their wives sincere would first arrive at understanding; and as understanding comes from the exploration of the knowledge of things, when the knowledge of things is gained, then understanding is reached; when understanding is reached, then the will is sincere; when the will is sincere then the heart is set right; when the heart is set right then the personal life is cultivated; when the personal life is cultivated then the home life is regulated; when the home life is regulated then the national life is orderly; when the national life is orderly then the world is orderly; when the world is orderly then the world is at peace."

Mrs. Wade Rucker, president, opened the meeting with a message concerning the need for service to the community and national in helping to make a lasting peace. She said to remember Lucian who said, "If you would end war, create great peace." Mrs. Rucker complimented Mrs. E.B. Clements for her work in compiling the year book.

Mrs. Roy Tillis and Mrs. Rucker were appointed to meet with the Chamber of Commerce on Oct. 15 to discuss the election of a memorial for World War II veterans. Mrs. H.J. Lehman and Mrs. Ralph Austin Smith were selected to meet with Mayor Higgins to discuss the possibility of the Woman's Club participating in a proposed three-day festival in honor of departing winter tourists.

Mrs. C.R. Dawson, civic department chairman revealed that a group of high school girls have expressed a desire to become affiliated with the club. Mrs. Rucker appointed a committee to work with Mrs. Dawson in conferring with the girls, and in making a report at the next meeting.

The program prepared by Mrs. A.M. Phillips was presented in her absence by Mrs. E.D. Brownlee. Lieut. John Hughes, accompanied by Mrs. George Touhy at the Steinyway, sang "How Beautiful Upon the Mountain" by Harkey and "I Hear a Thrush at Evening" by Cadman. The pledge to the flag and prayer were offered.

Hostesses for the luncheon were Mrs. J.B. Crawford, Mrs. Brodie Williams, Mrs. K.W. Fite and Mrs. Clyde Ramsey.

Those attending were Mrs. H.B. Crumley, Mrs. John Eick, Mrs. E.A. Loudenberger, Mrs. Len Leisher, Mrs. E. A. Mouchton, Mrs. E.C. Harper, Mrs. G.L. Redding, Mrs. E.A. Palmer, Mrs. H. J. Lehman, Mrs. George Stine, Mrs. W.S. Brumley, Mrs. E.D. Brownlee, Mrs. J. Baker, Mrs. W.C. Fields, Mrs. T.C. Blaisdell, Mrs. W.B. Brison, Mrs. B.C. Moore, Mrs. Fred Williams, Mrs. H.H. McCaslin, Mrs. R.A. Davis, Mrs. H. Hetzel, Mrs. W.A. Leavitt.

Mrs. John Meisch, Sr., Mrs. Irving Feinberg, Mrs. R.A. Smith, Mrs. Ross Adams, Mrs. B.T. Warren, Mrs. D.C. Hodgkin, Mrs. J.W. Hall, Mrs. George McCall, Mrs. F.E. Bolls, Mrs. J.E. Courier, Mrs. J.N. Gillon, Mrs. E.B. Clements, Mrs. Gay Tillis, Mrs. C.H. Dawson, Mrs. T.W. Rucker, Mrs. S.D. Higleyman, Mrs. J.B. Root, Mrs. J.T. Newby, Mrs. H.W. Goodspeed, Mrs. L.T. Doss, Mrs. G.D. Scott, Mrs. J.H. Minck, Mrs. Fisher, Miss Robertson, Mrs. W. Waldsworth, Mrs. Roy Mann and Mrs. George Touhy.

Mrs. Bessie Greek Entertains Circle

Circle No. 3 of the WSCS of the First Methodist Church met Monday at 8:30 P. M. at the home of Mrs. Bessie Greek on Park Avenue.

The meeting was called to order by Mrs. L. L. Harvey, chairman. Mrs. C. H. Winn led the devotional and also gave the mission study, "The Word of His Grace."

An appeal was made by Mrs. H. B. Crumley for items for underprivileged families in war-ravaged countries. The circle voted to fill Christmas boxes for European children. It was announced that anyone in Circle 3 having clothing for these Jacksonville Good-Will Industries to call Mrs. H. C. Morgan and the clothing will be collected October 10.

After the business meeting refreshments were served in the home assisted by Mrs. S.A.B. Wilkinson and Mrs. H. H. Newman to the following: Mrs. J. E. McKinley, Mrs. Harvey, Mrs. W. C. Starke, Mrs. Z. H. Rutliff, Mrs. E. E. Courner, Mrs. F. E. Warren, Mrs. Morgan, Mrs. Mable Blount, Mrs. Emma Abrams, Mrs. R. M. Mason, Mrs. John Vaughn, Mrs. Martha Moffitt, Mrs. R. F. Greenaway, Mrs. A. H. Winn, Mrs. C. A. Ponder, Mrs. S. F. Flood, Mrs. H. B. Crumley, Mrs. C. P. Herndon, Mrs. Rowland T. Doss, and Mrs. J. E. Rowland.

CFO J.H. Redding who has recently returned from the Pacific war theater, and Mr. and Mrs. Frank Waldrop of Jacksonville have been the house guests of Mr. and Mrs. C.L. Redding.

which has been done by those teams which have been active and said that a number of others have been unable to get started yet for various reasons. He added that he had been assured that these teams would do their part within the next few days.

ing with the occupation forces or with the service troops in this country. For them the war is still going on. That's why the USO and USO camp shows must go on.

It is believed that poker is an adaptation of a Persian game, and was brought to the United States by way of New Orleans.

### Gators To Play Tulane Grid Team In New Orleans

GAINESVILLE, Oct. 5. (Special)—The University of Florida Gators, who won their first Southeastern Conference victory since early in 1942 at the expense of the University of Mississippi Saturday night, began full scale preparation here this week for their second conference tilt against Tulane in New Orleans next Saturday afternoon.

Although the Gators came out of the Ole Miss tilt in good shape with only minor bruises, Head Coach Tom Lieb has a busy week preparing for the Tulane game. Tulane opens their season against the Gators, giving the Floridians the disadvantage of being unable to prepare for the game with any degree of certainty as to the Green Wave's style of play.

Lieb says, "We're playing Tulane in the dark," but rumor has it that the Green Wave will be using a variation of the T formation.

Gators drills this week are stressing a tightened defensive play along with a sharpened offense that is designed to put the Gators in better shape than they have shown in their two previous starts.

New plays, plus ironing out some of the weaknesses in the line, is Lieb's main topic of conversation on the practice field. Although he declines to predict, as usual, about the game Saturday, he cautions that "We're going to show a better club than we did against Mississippi."

The Gators all-freshman backfield will probably be in the starting lineup against Tulane while Jack White, Paris, Texas tackle, and Kenny Hamilton, Daytona Beach guard, will be in the line to aid the cause.

Chinchillas are monomous animals.

**R. S. EVANS USED CARS**  
 The situation at a glance  
 It's demanded for good used cars for exceeds the supply. We have always indicated in our ads that the supply of our cars is limited. In fact, we find this impossible.  
 Our buyers scattered to the four corners of the nation, are almost exhausted. They can't buy cars in sufficient numbers for shipment south to justify their time and expense.  
 This Company, some time ago, decided to offer a special charge of transportation—now it's upon us.  
 Here are some of the reasons for the increased demand:  
 • Returning veterans  
 • Returning government  
 • Cars waiting for  
 • Dealers for travel  
 • Trucks for better cars  
 • Overloaded transportation facilities  
 • Shortage on production of new cars due to strikes  
 If you need a car, or if your present car is wearing out, we suggest that you act NOW.  
 At present we have 227 cars for you to select from. At most every year, make and model.  
 Prices were recently reduced by OPA, and 42 models no longer require a priority. . . we have 24 of the 42 models on hand. All 90 cars priced at \$1750 or less, plus 50 of the finest, late model cars in the South.  
 We are just as happy to trade in your old worn car as we are to sell you a car outright. Smart motorists are trading in better cars who not improve their transportation NOW.  
 Terms up to 18 months to military and civilians alike. Immediate delivery.  
 Open Till 7:00 P. M. Daily

### Police Tighten Guard Against School Disorder

#### Special Detail of 200 Sent To Station In Brooklyn, Harlem

NEW YORK CITY, Oct. 5, (AP)—Two hundred policemen were assigned to station houses in Harlem and the Bedford-stuyvesant section of Brooklyn last Saturday night against the possibility of renewed outbreaks of violence between groups of white and Negro high school youths.

The precaution was announced after a meeting of high police officials and 170 commanding officers of patrolmen and detectives called suddenly late yesterday by Police Commissioner Arthur W. Wallander.

The special group of 200 patrolmen and detectives were on their way to the assigned station houses by 7:30 P.M. Most of them will do no patrol work, but will remain in convenient station houses unless new fights occur. They will reinforce the motorcycle police, mounted patrolmen and other officers in radio and detective cars.

The Bedford-Stuyvesant section, like Harlem, has mixed white and Negro areas.

Two Conferences in Day

The meeting called by Commissioner Wallander at 6 P.M. immediately after he left a baseball game at Yankee Stadium, was the second such conference of the day. It apparently was held to consider additional measures against white and Negro crowd fights which might follow outbreaks of Friday, which were most serious at Benjamin Franklin High School and James Otis Junior High School. Pleasant

day by Police Commissioner Arthur W. Wallander.

Most of them will do no patrol work, but will remain in convenient station houses unless new fights occur. They will reinforce the motorcycle police, mounted patrolmen and other officers in radio and detective cars.

The Bedford-Stuyvesant section, like Harlem, has mixed white and Negro areas.

Two Conferences in Day

The meeting called by Commissioner Wallander at 6 P.M. immediately after he left a baseball game at Yankee Stadium, was the second such conference of the day. It apparently was held to consider additional measures against white and Negro crowd fights which might follow outbreaks of Friday, which were most serious at Benjamin Franklin High School and James Otis Junior High School. Pleasant

At the earlier meeting at Police Headquarters at 11 A.M. Chief Inspector John J. O'Connell instructed the commanding officers to assign men to all high schools and to report immediately to headquarters at the first sign of new street battles.

Measures against growing racial conflicts were discussed also by Mayor F.H. LaGuardia and representatives of the Board of Education.

Mayor La Guardia and Miss Mary E. Dillon president of the Board of Education, talked privately for an hour during the afternoon, discussing, Miss Dillon said later, "the problem of health education in the schools." Health education, Miss Dillon explained, includes organized sports. Reduced coaching for these sports caused large-scale student strikes last week.

Some school authorities had said Friday that they believed the demonstration against curtailed sports and the apparent racial strife which developed Friday had the same source, an insubordinate attitude inflamed by rosy leaders.

A statement from the Teachers Guild, 2 East Twenty-third Street, asserted that the demonstration "has a testimony to the failure of the Board of Education to provide a program for racial harmony in the schools." The Guild said: "We have called for really small classes, knowing the faculty of working in the present set-up. We have pleaded for additional remedial, guidance, recreation and health services, which have been granted only in the most niggardly manner. The niggardly policy has left conditions basically unchanged with the result that the board

MARCHING ALONG Ominato Street in Tokyo, a disarmed Jap naval shore patrol carries only wooden staves to enforce order. They were on their way to assist in the demobilization of Jap sailors. (International)

has been unable to staff its office planned to take any new steps to supplement those of the Police Department, and he replied that it did not. When asked whether there were no plans for a long-range educational program to prevent troubles growing out of racial, religious and other

group differences, he said: "We have a long-range educational program, and it worked very well until agitation got around."

The following dialogue ensued: "What do you mean by agitators?"

"Well, people who are trying to stir up trouble."

"Why do you think they are trying to stir up trouble?"

"I don't know."

Satisfied With Program

"Do you place any addition to, or expansion of your program?"

"We think our program is very satisfactory."

Mr. Wade, who called on Inspector O'Connell Friday afternoon to discuss the school fights, said he did not know all that took place at the meeting of the Police Department commanding officers but that he presumed the department had heeded the requests he had made.

Miss Dillon announced that the sports controversy would be studied again at a meeting of a committee of four Board of Education members and a committee of three or four high school coaches, whose names she did not know. The board will be represented by Mr. Wade, Miss Dillon, Joseph D. Fisherthal and Daniel Paul Higgins.

The meeting will be at 4 P.M. at the board's headquarters, 110 Livingston Street, Brooklyn. Over 100 may be invited to the afternoon session. This time, the coaches will be the chief topic of discussion.

Florida Citrus Canners cooperative has grown and prospered to become one of the outstanding cooperatives of the nation and stands today as a shining example of what can be accomplished by farmers and growers through cooperative effort.

Organized in the beginning by Harold S. Norman as the Ridge Citrus Canners cooperative in 1930, the name was changed in 1934 to the Florida Citrus Canners cooperative. Mr. Norman is the guiding spirit of the organization and still serves as its president.

It is Lake Wales' largest industry which last season employed from 350 to 400 workers and handled over 2,000,000 cases of fruit juices, about 2,500,000 field boxes. With its expanded facilities it is estimated that the number of workers employed this season will be increased to 500. The plant is prepared to handle 5,000,000 boxes this season should the need arise. It will can and seal 500 cans a minute. The organization has 2500

members who will produce a normal crop of about 10,000,000 boxes from 50,000 acres of grove. It receives fruit largely through 12 cooperative packinghouses, serving a territory from Lake to Highlands counties. Sales have reached a total of \$7,000,000 or more a year, products going out under the trade-name of "Donald Duck." Royalty is paid to the Disney organization but Mr. Norman states it is a good investment.

The Moulton lands of southeastern Asia is the earliest rice-growing region, producing 95 per cent of the world's supply.

Citrus Canners Are Planning Expansion

LAKE WALES, October 5, (AP)—Although hard hit by the loss of its main warehouse in a \$750,000 fire, expansion plans of the Florida Citrus Canners cooperative are none the less on operation. This fall, its process plant is to be expanded.

The largest of these units is a mill to make fruit for Florida's rapidly expanding cattle industry from salvaged peel. The other is a plant to cool down the juice-pressed from the hulls to make citrus molasses, which is also used for cattle feed.

Although but 15 years old, the

How to Relieve Bronchitis

CREOMULSION relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. YOWELL'S SANFORD

## Within walking distance

IT'S not even too far to hobble, when you're leaving the blank walls of a hospital room for a brief while, on your way to a place of laughter and song and play.

The welcoming doors of a U.S.O. lounge club are just outside the hospital grounds—at more than 500 hospitals.

Here, at the house of smiles, war-shattered veterans escape from hospital routine, from the smell of ether and disinfectants. Here they enjoy their favorite phonograph records, today's newspaper, the checker-board that you gave them when you gave to your local community fund.

These are little things, but they're good medicine! The nearby U.S.O. lounge is theater, club—almost home—to the shocked and hurt boy whose present home is a hospital room. And your dollars keep these lounges going—the dollars you give to your community war fund.

It's time to give again—for the men who gave a lot. Give

generously! Make your donation twice as big—the need is more than twice as great.

Your donation to the community war fund supports the U.S.O. and does many other worth-while things besides. It provides maternity care for wives of servicemen, decent, wholesome recreation to keep children off the streets and out of trouble, help for the stricken people of our allies, help for your own.

You help many who can't help themselves, yet you are asked for only one gift. Let your heart decide how big it should be.

Give generously to THE FLORIDA WAR FUND

Recent surveys of thousands of cars showed that over 50% were operating with dirty, harmful oil. Better find out, "How's your oil filter?" The Dipstick tells the story!

### 35 Million Tons Of Food Needed By War Victims

#### Survey Finds More Hunger Than Year Ago; Europe's Worst

WASHINGTON, Oct. 5. (AP)—The world faces more hunger in its first twelve months of peace than during the last year of the war.

This, in brief, is the summary of a world-wide survey of the food situation just completed by the Office of Foreign Agricultural Relations, and made public today.

The agency, part of the Department of Agriculture, estimated that more than 35,000,000 tons of food will have to be moved into deficit areas—includ-

### Hazel Scott Charges Race Bias; Says Constitution Hall Bars Her

PHILADELPHIA, Oct. 5. (AP)—Hazel Scott, Negro pianist and wife of New York's Representative Adam C. Powell Jr. charged this week that she had been discriminated against by the management of Constitution Hall at Washington, because she is a Negro.

Miss Scott's agent, Charles P. McClane, said that he had telephoned Fred Hand, manager of Constitution Hall, last week for a contract date on Oct. 20 for Miss Scott.

"Hand told me," said McClane, "that Oct. 20 was an open date at Constitution Hall and that he'd forward me a contract to sign."

The contract never arrived, according to McClane. Instead, Hand telephoned him the following day and asked if Miss Scott was a Negro.

"I told him she was," said McClane. "Then Hand told me he'd be unable to give her the hall."

"He seemed most apologetic, going so far as to offer his assistance in securing another suitable hall for me. He said he'd been of such assistance to Paul Robeson, but was insistent that Constitution Hall was definitely out."

Interviewed by telephone, Hand denied that any one ever had applied for rental of the hall to the pianist, he replied: "I can't say."

"What is the policy in regard to rental of Constitution Hall to

Negroes?" he was asked.

"The policy is laid down by the National Board of Management of Constitution Hall, a committee of the Daughters of the American Revolution," Hand replied.

Asked what that policy was, he answered: "I can't say."

"Was McClane correct when he said he made arrangements for Miss Scott's appearance in Constitution Hall for Oct. 20 over the telephone?" he was asked.

"I don't make verbal arrangements," answered Hand. "When ever I agree to a date by written contract I fulfill it."

McClane said no contract had been signed.

The incident recalled refusal of the management of Constitution Hall to permit the appearance there of Marian Anderson, contralto, in 1945.

On Easter Sunday morning of the same year, through arrangements made by Mrs. Eleanor Roosevelt and Harold L. Ickes, Secretary of the Interior, Miss Anderson gave an open-air concert attended by thousands of Washingtonians. She sang from in front of the Lincoln Memorial in the capital.

Miss Scott appeared in the Philadelphia Academy of Music Friday night in a concert performance. The house, which holds a capacity of 3,000, was completely sold out more than a week before the performance. Her husband, Representative Powell, accompanied her here for the performance.

ing former enemy countries such as Germany, Austria and Italy—through commercial and relief programs if acute hunger is to be prevented.

City areas, in countries producing less than their needs, face particularly grave prospects, the survey noted.

This year's total world farm output of food, in terms of calories, was estimated at about 3 per cent less than the pre-war 1935-39 average. But when allowance is made for the net increase in world population during the war years, per-capita world production is down about 10 per cent, the report said.

Transportation disrupted. The agency declared a serious tightening of the general world food situation between now and 1946 harvest is indicated by lowered farm production, sharply reduced reserve stocks of all major food products and disrupted collection and distribution systems.

Supplies of rice, sugar, fats and oils have fallen somewhat below last year's low levels and much below those of the pre-war years, the report said. Wheat supplies, while larger than the pre-war average, have declined to the lowest point in recent years.

The problem of providing aid for shortage areas is being complicated, the report added, by a lack of financing.

Continental Europe, excluding Soviet Russia, and North Africa were said to have experienced the greatest decline in production this year. Droughts and disrup-

tions caused by the war were given as principal reasons for the decline.

North and South America, on the other hand, were described as the only major producing areas where food output this year is much above the pre-war level.

In India and China, where almost 40 per cent of the world's food is produced and consumed, production this year is expected to be about equal to the pre-war average, but in other areas of the Far East, production was said to be much below that average.

Tentative estimates of the needs of deficit areas included: Continental Europe, 18,000,000 tons to raise non-farm supplies in liberated countries to 2,000 calories per person per day, to permit some increase in imports to neutral countries, and to provide minimum food supplies necessary to prevent widespread disease and unrest in former enemy countries. The bulk of this food would be wheat.

North Africa, 2,000,000 tons of grain and some supplies of fats and oils and sugar.

East Europe, 3,000,000 to 4,000,000 tons, mostly cereals.

The United Kingdom, 9,500,000 tons of wheat, meats, sugar, dairy products and fats and oils.

### Advertisers Plan To Spend More Money

NEW YORK CITY, Oct. 5. (AP)—Sixty-three per cent of national advertisers expect to increase their advertising budgets for next year over the 1944 figure and 73 per cent will spend more than they did in 1940, according to a survey of members of the Association of National Advertisers. The survey also shows that 18 per cent will increase advertising expenditures for the balance of this year and that 2 per cent will reduce their budgets for the current year.

Only 5 per cent of A. N. A. members intend to spend less for advertising in 1945 than in 1944, and half of these view the budget reduction as "only temporary." The remaining 82 per cent will spend just about the same amount as in 1944. Of the 63 per cent who will raise their expenditures for 1945, more than half estimate an increase of 20 per cent or more. Estimates of percentage increases range from 5 to 300 per cent.

A. N. A. membership also went on to urge publishers to hold circulations to a quality basis and to allow "natural" growth. This position is taken by 133 members, where as only seven members prefer to have publishers promote cuts.

In answer to another question, 63 per cent of the national advertisers said that, from their viewpoint, advertising rate increases will have to be justified by publications on the basis of standard circulation increases, sound "natural" growth and quality circulation. Some members say they will not view an increase in advertising rates as being merited if its purpose is to enable the publication to reduce the price to the reader.

During the war 70 per cent of A. N. A. member companies called upon their advertising departments to perform new and extended functions, such as assisting with public, employee, community and government relations. In the future more than 80 per cent of these companies expect to utilize the facilities and talents of their advertising departments for this purpose.

About one-third of all advertising departments will undertake even more work of this nature than they did during the war. About one-half will do approximately the same amount. Only one advertising department in six will be relieved of some of its war-born duties in connection with the broad field of public and industrial relations.

Miss Margaret, founder of the famous "Madame Tinsell Exhibition" of wax figures in London, honored the heads of many of the prominent leaders and victims of the French Revolution.

Empress Josephine of France was born Marie Rose Josephine Tascher de La Pagerie.

Chinchillas mate about 120 days after birth.

Cotton was known to the Babylonians as sindhu and to the Greeks as sindon.

The Japanese have always built their homes of wood.

### John H. Patterson Is Serving Aboard Battleship Texas

Aboard the U.S.S. TEXAS at OKINAWA, Oct. 5, (Special)—The only American Battleship to have fought in waters off three continents, the hard-hitting 31-year-old U.S.S. Texas prepares for its biggest role—the occupation of Japan.

Among her crew who have hombarried their way across two oceans and thus helped bring about world peace is John H. Patterson of Sanford who joined the Navy on May 16, 1942 and then was assigned aboard here in Dec. 21, 1942.

Considered a "lucky ship" since her commissioning in March 1914, this dowager of the U.S. Fleet has maintained this reputation by blasting her way through five invasions and emerging unmarked. Only once was she tagged by an enemy shell, which claimed one life and 14 wounded.

That was during the fierce three-hour shelling of Cherbourg where heavy German guns were aimed at the Allied Advance in France. Despite her wounds—first she has sustained in two world wars—the Texas guns continued to hurl back her

defiance until the enemy fort was knocked out.

In addition to the element of luck Texas crews continually have added new marks to the ship's profitable history. During the invasion bombardment of Okinawa this crew set a near record by remaining at battle stations for 50 consecutive days, sleeping beside their guns and chowing down at odd hours.

As a result of their constant vigil, the Texas was one of the few war ships to emerge from that battle unscathed by Japanese pilots. Three times the Kamikaze Corpsmen turned toward this ship, but each time they were discouraged by chunks of anti-aircraft steel.

Besides the Okinawa Invasion the Texas guns featured successful Allied troops landings on North Africa, Normandy, Provence in Southern France and at Iwo Jima, where she pumped ten half-ton shells onto the foe from as close as 1,000 yards off shore.

At an age when most Battleships would be considered obsolete the Mighty "TEE" showed that her guns still packed the wallop that they did when she first met the Germans 25 years ago in world war I. Shortly after Pearl Harbor, the Texas was assigned to routine convoy operations, until late October, 1943, when she headed for North Africa in support landings at Mehdia-Port Lyauzey.

From then on she was given little rest for she became a front line fighting ship. Her African assignment was followed by three in European waters off France, and then came two Jima and Okinawa in the Asiatic waters of the Pacific, which gives the Texas rightful claim of being the only Battleship to have fought in waters off three continents—Africa, Europe and Asia.

### RURAL COMMISSIONER'S LOSS

By Spud

**FIRE PREVENTION WEEK**

NEEDLESS LOSSES

In the last 100 years, \$1,000,000 worth of farm property has gone up in smoke in the United States and 35,000 persons perished in farm fires, many of which were caused by carelessness.

The figures compiled by the National Fire Protection Association, nor do they begin to tell the tragic sufferings of the families and the thousands who have been seriously injured and maimed for life.

But they do stress the need for unchained participation in Fire Prevention Week, set for October 7-13 by proclamation of President Truman.

If even one life can be saved, or one farm house spared the torch of careless fire, it will be ample return for the time spent during Fire Prevention Week in eliminating the usual hazards which set fire to farm property.

The principal breeders of fires, all of which can be wiped out, are: Negligence in handling lighted matches; careless smoking habits; sparks falling on flammable wooden roofs; defective chimneys and heating equipment; accumulations of rubbish around buildings and in closets, attics and basements; spontaneous ignition of hay; and lack of lightning rod protection.

The NFPA attributes fully 50 percent of rural fire losses to faulty construction of home and farm buildings. With fire-safe buildings and reasonable precaution in eliminating the usual hazards, thousands of lives and millions of dollars worth of farm property and crops would be spared the torch of careless fire.

Eighty-five percent of farm fires are preventable, NFPA statistics show. If buildings are constructed with fire-retardant material, the damage from human carelessness will be lessened and the danger of spreading fire, however started, greatly reduced.

In urging farmers to observe Fire Prevention Week, the NFPA stresses the urgency of daily guard against common fire hazards.

### LEGAL NOTICE

IN THE COURT OF THE COUNTY OF SEMINOLE, FLORIDA, IN PROBATE.

THE ESTATE OF CARLIE H. EVANS

Noticed to all creditors and persons having claims or demands against the estate of CARLIE H. EVANS, deceased, that you are hereby notified and required to present any claims and demands which you or either of you may have against the estate of CARLIE H. EVANS, deceased, late of said County of Seminole, Florida, of said County of Seminole, Florida, of said County of Seminole, Florida, within eight calendar months from the date of the first publication of this notice. Officials Vision 3-Cent-A-Mile U.S. Air Travel

Expect The Price Cut To Come Soon, And Apply To Ocean Trips

WASHINGTON, Oct. 5, (AP)—A pair of air-minded government officials predicted recently that passengers soon will be flying for 3 cents a mile—or less on domes-

There'll be no ill-effects from an expedition to FARRELL'S ARCADE PKG. STORE. Our store is packed with the things you want.

FARRELL'S ARCADE PACKAGE STORE. 101 ST. ARCADE BLDG. Phone 948

the air lines. And in perhaps ten years, they said, overseas travel will cost about that.

William A.M. Burden, Assistant Secretary of Commerce for Air, and Dr. T.P. Wright, Civil Aeronautics Administrator, forecast on a National Broadcasting Com-

pany radio program a tremendous expansion in the next few years—at home and abroad.

Mr. Burden said he believes our foreign air traffic within four or five years will be six or seven times what it was before the war.

It still will be far less than domestic business, he said, because that will be "growing fast" too.

The overseas air business should amount to \$150,000,000 by 1950, the assistant secretary said.

But it will be quite a while before a Seattle grocer can fly the Pacific for a vacation in Singapore.

"It won't be too long, though," Mr. Wright asserted, "before people will be traveling by air in the United States for 3 cents a mile, or less—the rate that the railroads charge now—and rates approximating that for international travel will soon follow."

The two officials said there might be 200,000 jobs in aviation right after demobilization, maybe 600,000 ten years from now. But only a small part of them will be for flyers. So only a small minority of air-service veterans will be able to jump directly into civil aviation.

Overseas traffic, they said, bigger faster ships—cruising at around 300 miles an hour within ten years—will be emphasized. That will cut down the number of planes required and the number of flyers.

Mr. Wright said that "certainly" American air lines could compete with foreign, because wage differentials are largely outweighed by efficiency of management and equipment.

"We can get at least 50 per cent of the trade of American air travelers," Mr. Burden said.

The most important agricultural product of Turkey is tobacco.

HERE ARE THE RILEYS—joy of their parents but headache of the which has never been able to tell them apart through many months.

Pfc. Carter Harvey Is With Regiment Now In Norway

Oct. 5, With the 474th Infantry, U.S. Forces in Norway, way—When the 474th Infantry Regiment reached Norway as a part of U.S. Task Force "A" under the command of Brig. Gen. Owen Summers, the officers and men might well have said "at last we have made it."

The regimental commander in Col. Edwin A. Walker of Center Point, Texas, and included in the personnel of Pfc. Carter P. Harvey, son of Mr. and Mrs. Lloyd L. Harvey, 400 Palmetto Avenue of Sanford, Fla.

The regiment is composed of units activated in 1942 for the mission of coming to Norway but they took long and often difficult routes to reach this Scandinavian country.

The first and second battalions of the Regiment originally were activated as the First Special Service Force which was half Canadian and half American. They trained for guerilla-type warfare and were to assault Norway's extensive water-power systems. However, they first were used to invade Kiska, only to find the Japs had fled, and they traveled half way around the world to show up next at Casablanca. They fought with distinction at Anzio and participated in the invasion of southern France before being de-activated as the First Special Service Force.

The Canadian personnel were transferred to Canadian units and the Americans became the 474th.

The third battalion of the regiment is the 39th battalion activated at Camp Ripley, Minn., in July 1942. It was novel from the standpoint that all its personnel were of Norwegian descent. It reached France shortly after D-Day as a separate battalion, was attached to armored units for the St. Lo breakthrough and raced into Germany with armored units during the Ardennes offensive it fought with particular valor.

## Innocent Plea Is Entered By Yamashita

### Aging Premier Shidehara Completes New Government For Restless Japanese

MANILA, Oct. 8, (AP)—Lieut. Gen. Tomoyuki Yamashita pleaded innocent to war crimes today and his trial was set for Oct. 29. He is the first of a long line of Jap war criminal suspects to be hauled into court for arraignment. A U.S. Military Commission of five generals heard his not guilty plea. The trial is held in the war scarred former residence of the Philippine High Commissioner.

In Tokyo aging Premier Ki-juro Shidehara completed his "safe and sane" government for hungry, restless Japan today and planned the first meeting of his 8 man group immediately. The Dome News Agency said he would outline his new government ahead for the new government, which most observers say cannot survive more than few months. Shidehara drew heavily upon parliamentarians and untried liberals to make up the new government.

Americans shouldn't impose their democracy on the Japanese, but should guide the people in (Continued on Page Eight)

## Company Formed For Erection Of Houses In Sanford

An organization for the construction of houses to be known as the Sanford Builders Inc. was organized at the City Hall last Friday afternoon when a charter of incorporation was received from Secretary of State Gray and officers were elected.

President of the company is H. B. Pope, president of H. B. Pope Co. Builders, 200 Park Avenue. The vice-president is Lee Fisher, former president of the Celery City Printing Co. and the secretary and treasurer is J. W. Newell.

Directors are: Mr. Pope, Mr. Fisher, Mr. E. G. Kippatrick, Jr., Arthur Yowell, E. C. Harper, Harry Lee, W. A. Blitting, John Ivey, Clarence Redding and R. A. Williams.

The corporation plans to build ten houses at a time and effect savings in this way for the purchaser by buying materials in quantity, Mr. Pope said, adding that it is hoped to get under way within the next 60 to 90 days but that much depends upon the availability of supplies.

## Harold Hoag Freed From Jap Prison

Harold Hoag, 38, Second Steward of the U. S. Merchant Mariner, son of Mrs. H. H. Lawson and brother of Hubert and Leon Lawson, is enroute to the United States after being held a Japanese prisoner of war for three years.

Second Steward Hoag was taken prisoner Sept. 10, 1942, when a German raider shelled and sank the B. S. American Leader in the Indian Ocean. The German raider that sank their ship picked up Hoag and 15 other survivors and took them to Java in the Dutch East Indies where the captives were turned over to the Japanese as prisoners.

According to word received by Leon Lawson from one of the 18 survivors who has recently seen Hoag in Calcutta, Hoag is in good physical condition considering the last few years of malnutrition and should arrive by plane from Calcutta soon.

Hoag, who was freed only three weeks ago, has been in the Merchant Mariner since 1932 with the rank of Second Steward.

## County Is Free Of Infantile Paralysis

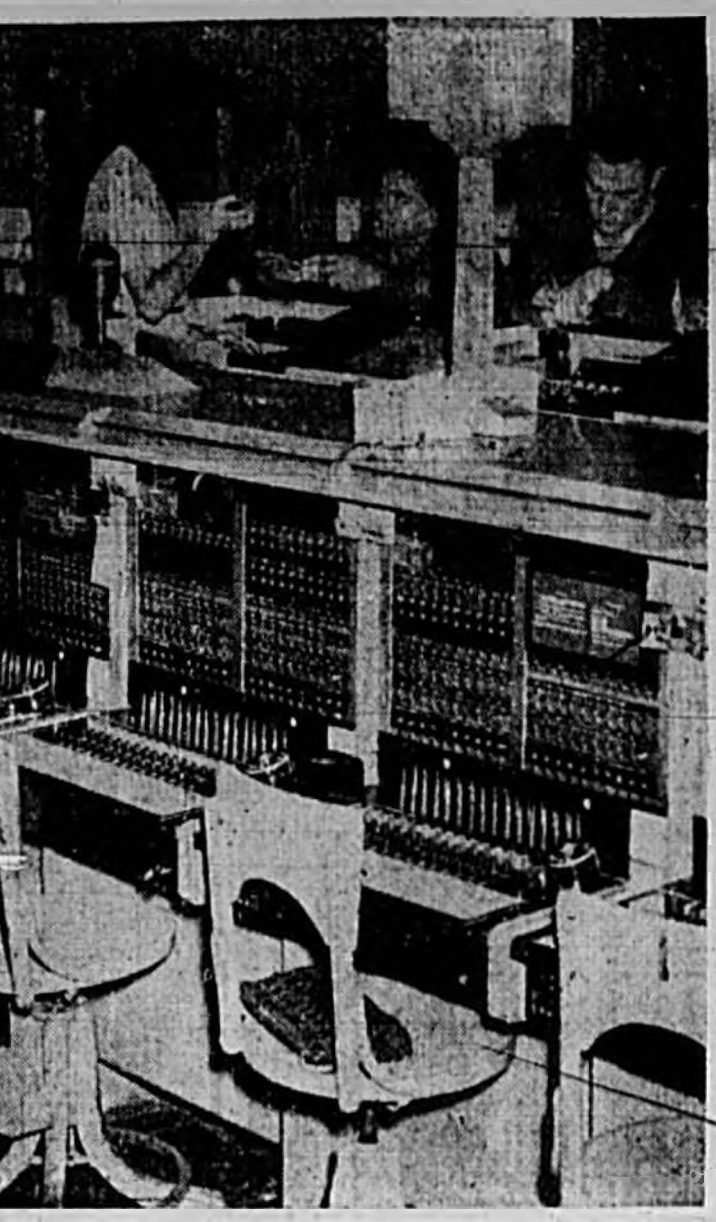

There is not a single case of poliomyelitis in Seminole County at present, Dr. Leland Dame, County health officer, reported today when asked regarding the rumored spread of the disease in this community.

He said only three cases have been reported so far this year, one colored child and two white people. The colored child recovered. One of the white people was removed to a hospital in another city and the other one died.

There has been an epidemic anywhere in Florida, he said, and is normal for one sporadic case to occur yearly out of each five or six thousand persons.

There has never been an epidemic of infantile paralysis in Seminole County, although occasional cases have occurred all along through the years.

## Long Distance Halt Hits Service Men

EMPTY CHAIRS and IDLE SWITCHBOARDS faced servicemen anxious to communicate with their families as the result of the tie-up of long distance lines by a walkout of operators. Here is a typical Manhattan scene at Times Square as a telephone girl seeks to explain to some returned vets that long distance lines had been shut down four hours while workers took a strike vote. (International)

## Celeryfeds Win Over Seabreeze By 46-6 Score

By "Duke" MacNeill  
The Seminole High School "Celery Fed" ran rough shod over the Seabreeze high school when they scored a smashing 46 to 6 victory. A crowd of 2,500 spectators witnessed a powerful "Celery Fed" eleven roll over Seabreeze, scoring three touchdowns in the first quarter and two in the third and fourth respectively.

Thaddeus Brooklyn, ace Sanford half made the first score when (Continued on Page Eight)

## CITY BRIEFS

Rainfall during the past week amounted to only 28 hundredths or little more than one quarter of an inch, according to H. F. Whittier, weatherman. Normal rain for the period is 1.05 inches. This has resulted in lowering of the level of Lake Monroe which is now below the seawall top.

The Seminole High School Band and Celeryettes made a fine showing as they marched on the field between halves at the football game Friday evening. Sophie McDougal, now a senior, led the band. The Celeryettes went through some intricate wheel and letter formations and drew a lot of applause.

Firemen were called to the Silver Fleet Filling Station at midnight last evening to put out an automobile fire. This was caused by a negro lighting a match to light a cigarette and, instead, lighting the gasoline with which his car was being filled, according to Fire Chief Mack Cleveland.

## Slight Increase In Jobless Payments

Unemployment compensation payments were made to one person in the total amount of \$45 in Seminole County during the week ending Sept. 29. Carl B. Smith, Chairman of the Florida Industrial Commission, reported.

Compensation payments throughout the State leveled off after increasing by an average of approximately \$25,000 a week for the previous two weeks. The increase for the last week reported was only from \$73,350 to \$76,675, but the number of claimants receiving compensation rose from 2,881 to 4,815, of whom 8,029 were male and 1,786 female.

# Labor Crisis Eases As Big Strike Total Drops To Around 350,000

## Truman Asks For Half Billion For European Relief

### UNRRANeeds Funds, He Says For Acute Need And Privation

WASHINGTON, Oct. 8, (AP)—President Truman has asked Congress to appropriate \$500,000,000 immediately for the United Nations Relief and Rehabilitation Administration.

UNRRA requires the funds, the President said, to meet "acute need and privation" during the coming winter in Europe.

Additionally, Mr. Truman said he soon will ask for more money for the agency so it may "meet its new responsibilities and complete its programs."

His recommendations were contained in a letter to House Speaker Raymond (D., Texas).

Hearings Start Soon  
Chairman Clarence Cannon (D., Mo.) of the appropriations committee told a reporter hearings on the proposal will begin within a few days.

A major fight over the recommendations particularly regarding any funds beyond the \$500,000,000, seemed certain. Criticism of UNRRA has been voiced frequently in both Senate and House, particularly by several of the congressmen who toured Europe this summer.

Some of the legislators suggested that UNRRA be abolished and that the relief work be turned over to the Red Cross or some similar agency.

President Truman expressed the view in his message that congress should be provided the \$500,000,000. He pointed out that the United States had pledged a contribution of \$1,350,000,000 when UNRRA was set up in 1943, but has only given \$400,000,000 thus far.

To Ask For More  
He gave no indication of how much more he would ask beyond the \$500,000,000, but said "I shall shortly submit a recommendation for an additional contribution to enable UNRRA to meet its new responsibilities and to complete its programs."

## Eddie Windsor Gets Hearty Welcome In London

CROWDS BROKE THROUGH POLICE LINES near Marlborough House in London when the Duke of Windsor arrived in a car for a reunion with his mother the dowager Queen Mary, whom he and Mrs. Bruce W. Anderson, wife of the duke, left London for the American way recently arrived in France and several days ago he announced his intention of "going home." When his limousine appeared the cry "Welcome Eddie" (International Heraldphoto)

## Aircraft Carriers In Second Place In Navy's Plan

### Large Carriers To Be Cut To Less Than 3rd Present Number

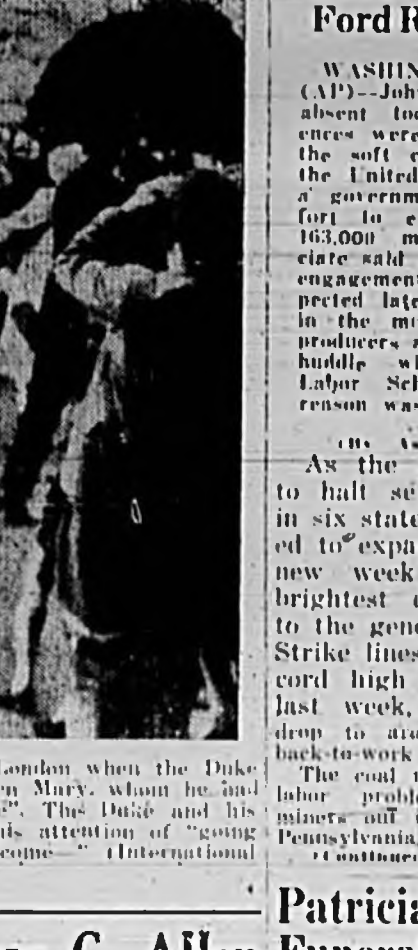

WASHINGTON, Oct. 8, (AP)—The Navy has drawn plans for its post-war fleet including a reduction in the number of aircraft carriers, it was learned yesterday, despite the leading role played by naval aviation in both the Atlantic and Pacific theaters.

The number of large carriers would be cut to less than a third of the present total of about 60, while the number of battleships would be reduced only about half.

This would mean a percentage carrier force of perhaps 10 carriers of the 45,000-ton Midway or CVB class and the 27,000-ton Essex or CV class, with probably a dozen battleships.

Navy sources showed that on July 1 there were 20 CV's afloat and nine under construction. In addition, three CV's were being built and one has since been (Continued on Page Eight)

## Thomas C. Allen Outlines Work Of FBI Agency In War

### German Spies Prevented From Learning Atomic Bomb Secret

The work of the FBI in combating espionage and sabotage during the war was explained by Thomas C. Allen, Orlando agent of the Federal Bureau of Investigation.

Mr. Allen said that Germany sent five specially trained agents to this country to learn the secrets of the atomic bomb but that all of them were apprehended within four weeks of their arrival.

Tracing the origin of the FBI, Mr. Allen said that it was organized in 1924 with J. Edgar Hoover as its chief. At that time he said it had only 500 employees and a budget of \$1,000,000. It has since grown to more than 60,000 individuals on its file, he said, and has two of them on (Continued on Page Eight)

## Detroit Is Without A Strike For First Time In 6 Weeks; Ford Resumes Work

WASHINGTON, Oct. 8, (AP)—John L. Lewis was absent today when conferences were resumed between the soft coal operators and the United Mine Workers in a government sponsored effort to end the strike of 163,000 miners. An associate said Lewis had a "prior engagement." Lewis was expected later today. Midway in the morning session the producers asked for a private battle with Secretary of Labor Schwechenbach. The reason was not announced.

(By Associated Press)

As the government agreed to halt serious coal strikes in six states which threatened to expand nationally, the new week brought the brightest outlook in weeks to the general labor picture. Strike lines, which hit a record high of some 550,000 last week, are expected to drop to around 350,000 if the back-to-work orders are obeyed.

The coal mines are the major labor problem with 163,000 miners still in some 600 pits in Pennsylvania, West Virginia, (Continued on Page Eight)

## Director Wilson Names Problems In Post-war Farming

JACKSONVILLE, Oct. 8, (Special)—"Agriculture in the nation faces uncertain days as the general re-adjusts from a war economy, and it appears to me that nowhere in the country are there greater or more serious problems than loom before us right here in Florida," said William L. Wilson, Director of Florida State Farmers Markets, in his week-end review of crop conditions and the general outlook for the State's varied products.

"For this reason," Director Wilson continued, "I feel that the meeting of our market managers scheduled in Jacksonville, October 23-24, may be one of the most important we have ever held. Certainly it should be virtually important for during the conference." (Continued on Page Three)

## Lieut. Stovall Is In Sanford On Way To Pennsylvania

Lieut. Walter Boyd Stovall, USNR, son of Mr. and Mrs. W. B. Stovall of 1101 Elm Avenue, has received orders to report to the University of Pennsylvania as an assistant professor of naval science and tactics.

After receiving his B.S. degree from the University of Florida in 1942, Lieut. Stovall attended the Reserve Midshipman's School at Annapolis, Md. Following this duty he was assigned as assistant engineering officer aboard the Indianapolis, and later engineering officer on a minesweeper. These duties kept him around the Gilbert and Marshall Islands for approximately 22 months.

In December, 1944, Lieut. Stovall was ordered to Fort Schuyler, N. Y., where he was an instructor in mathematics and diesel engineering.

Lieut. Stovall wears the Asiatic-Pacific ribbon and the American Theater ribbon. His brother, S/Sgt. Eugene Stovall, is now at Camp Blending and brother, CWO George Stovall, is enroute to the United States from France.

## Turner Thanks Public For Its Co-operation

E. V. Turner, manager of the Bell Telephone Company of Sanford today extended his thanks to the public for its co-operation and refraining from undue criticism during the four hour walk-out by operators Friday.

Mrs. Berta Breeden, who being a chief operator, was not a member of the operator's union, remained at the switchboard during the period of the strike and informed callers that telephone service was confined strictly to emergencies.

## Scott Will Address Local Cattlemen

John M. Scott, chief supervisor of cattleman for the State of Florida, will be the principal speaker at a meeting of the Seminole County cattlemen Tuesday 9 at 8:00 P. M. at the City Hall.

Mr. Scott will explain new laws pertaining to marks and brands and will appoint an inspector for Seminole County. There are approximately 40 cattlemen in the county and all are urged to attend the meeting.

## Woodrow W. Davis Serves On McGowan

Woodrow W. Davis, 19, first man second class, USNR, son of Mrs. M. E. Davis, Lake Monroe, is serving on the destroyer, USS McGowan, which operated as a screening unit of a task force which bombarded the southern coast of Hokkaido, northernmost of the Japanese home islands, just before the end of the war.

The McGowan steamed only a few miles off the beach through that had daylight attack on the island. The McGowan was one of the targets of the support city of Muroan.

All members of the Selective Service Board, as well as members of all other agencies assisting war veterans, and returning war veterans themselves, are urged to see this show.

## Move Launched To Obtain Use Of Navy Hospital

In order to insure obtaining for Seminole County the Dispensary and hospital equipment at the Sanford Naval Air Station when no longer used by the Navy, a committee of the Executive Committee of the Seminole County Chamber of Commerce at a meeting Saturday, instructed Edward Higgins, Chamber manager, to contact the Joint Hospital Committee of City and County Commissioners in order to send a representative to Washington to secure cooperation of authorities in furthering this program. It was announced today by H. H. Coleman, Chamber president.

The matter of obtaining a swimming pool for Sanford was discussed. The salary of the Chamber manager was set at \$5,000 a year with the stipulation that the manager devote his full time to the position.

J. L. Ingley gave the financial report, and was named head of a new budget committee which includes E. A. Yowell, H. B. Pope, H. James Gut, Frank Talbot, George Stine, and W. A. Patrick.

This was the first session of Mr. Coleman as president of the Chamber body and he said he would give it his best efforts and requested full cooperation of officers and members.

## Lions To Promote Boxing In Sanford

Boxing and wrestling matches will be promoted by the Sanford Lions Club, as a means of adding to their "aid to the blind" fund. It was decided at the meeting Friday. Joe Moss was appointed chairman of a committee to arrange for the staging of these bouts.

"Lions' Clubbers," who came out second in the membership drive, will be hosts to "Powell's Pushers," a wrestling team, on a boat ride on the St. Johns River Oct. 17, it was announced.

A new membership drive captained by Dick Elsbury of "Elsbury's Pickers," and J. E. Rowland of "Rowland's Roamers," is now being started. The loser of this contest will stage the annual Lions' Club dance on Thanksgiving evening.

## War Fund Drive Is Reported Lagging

The National War Fund drive in Seminole County is definitely lagging, and collections so far amount to but \$3,374, it was reported by H. H. Coleman, chairman of the drive.

The goal of the drive set for the County is \$13,000. Workers, however, are continuing to make contact with donors, and every team captain has been urged by Chairman Coleman to complete contacts and to report as soon as possible.

Many of our boys are now being called for overseas replacements, Mr. Coleman said, and pointed out the necessity of continuing to support the Fund from which UEO activities are financed.

## Patricia Anderson Funeral Services Held At 3:30 P. M.

Funeral services were held this afternoon at 3:30 o'clock for Patricia Ann Anderson, 16 year old daughter of Mr. and Mrs. Bruce W. Anderson, who died Saturday at 7:25 P. M. in an Orlando hospital following a brief illness.

Services were conducted at the First Presbyterian Church with the Rev. Dr. E. D. Brownlee, assisted by the Rev. W. P. Brooks, pastor of the First Baptist Church, and the Rev. J. B. Root, pastor of the Congregational Church, officiating.

A popular member of the Junior Class of Seminole High School, Patricia was treasurer of the Celery Club and a member of the Phi Alpha Kappa, social society. She was also a member of the First Presbyterian Church where she was active in Young People's work.

Taken ill last Monday of poliomyelitis, she was removed to an Orlando hospital on Wednesday, where her condition was pronounced very grave. She was born in Sanford Feb. 14, 1929 and had lived here all of her life. In addition to her parents, Patricia is survived by a brother, R. W. Anderson, Jr., her grandparents, Mr. and Mrs. C. F. Sauer of Prosperity, S. C., five aunts and three uncles.

pallbearers were members of the Junior Class including George Chapman, Carl Williams, Jack Mose, Clarence Grantham, Ed Fielding, Porter Lansing, Jr., Paul Perold and Bob Harper of Winter Park. Interment was made in Evergreen Cemetery.

## Home Is Raided By Federal Agents

The home of Janis Syle of 1110 West Eleventh Street was raided early Thursday afternoon by Federal and State agents armed with search warrants in cooperation with police and a gallon of illegally possessed liquor was seized. Janis, an old offender in liquor law violation is now in Federal custody.

Participating in the raid were J. R. Brown, Federal agent and P. A. Mero and W. A. Lewis of the State Beverage Department.

## Election To Be Held In School District

An election will be held in the Sanford school district on Nov. 6, to determine the number of mills of special school tax and the trustees for the ensuing two years. It was announced by L. E. Jordan, chairman of the Seminole County Board of Public Instruction, and T. W. Lawton, superintendent of schools.

Anyone desiring to become a candidate for trustee shall file with the Board of Public Instruction at least 15 days prior to the election, a petition signed by five or more qualified electors in order that the name of such candidates may be printed on the ballot. The petition must be filed by Oct. 21, it was stated. To participate in this election one must be a qualified voter and tax payer.

## Picture Show Coming On Veterans' Rights

A 15-minute motion picture on "What Every Veteran Should Know" will be shown at The Ritz Theater on Wednesday and Thursday of this week. E. B. Carter, Selective Service clerk, announced today.

All members of the Selective Service Board, as well as members of all other agencies assisting war veterans, and returning war veterans themselves, are urged to see this show.

## PFC. HERNDON BACK

Pfc. James Emmett Herndon has returned from overseas duty where he spent a year in Italy with the 88th Division of the Fifth Army. He is the son of Mr. and Mrs. Robert E. Herndon of 209 East Fourth Street.

Pfc. Herndon has been ordered to report to Camp Shelby at the termination of his leave.

## Fic William Griffin Saw Jap Surrender

William F. Griffin F 1/c (MOM) USNR of Lake Mary, Florida, participated in the seizure and occupation of the Japanese home island of Honshu, and was present with the U. S. Naval Submarine Units in Tokyo Bay at the time of the signing of the surrender documents on Sept. 2.

Griffin has been in the naval service for one and one half years and has served on board the USS Proteus (AS19) since May 1, 1945.
