LAKE MARY - A request for a preliminary Planned Unit Development (PUD) for a residential development known as Sandy Ridge is back on the agenda for tonight's meeting of the Lake Mary City Commission.

The ttem had been scheduled for discussion and a vote during commission meetings on Jan.

15, Feb. 5 and 19, Mar. 5 and 9, and April 2. Each time II was postponed. Tonight however, there will be no postponement because the developer, Brooksville Development Corporation. has formally withdrawn the rezoning applica

The Sandy Ridge development was to be on 23.58 acres at the southwest corner of Rinchart Road and SR-46-A, across Rinehart from the Oaklawn Cemetery.

According to a letter submitted April 6, to the Bank of Central Florida, (copy to the city), from the developer. 'It is our feeling that the city of Lake Mary's continued and ever-increasing requirements above and beyond code to change this to a POD have eliminated any potential for this to be developed in a first class and successful manner as we had perceived."

The letter discusses certain requirements placed on the development by the city and con-

siders them as unreasonable and unparalleled in the metropolitan area, including Lake Mary.

The property, at the southeast corner of Longwood-Lake Mary Road and Washington Avenue, was planned for a Sunday School, administrative offices and church sanctuary. A conditional use was approved in October of 1996 with a one year time period in which to commence work.

The time ran out and an application was submitted in January, 1998 for a one year extension. Because of procedural difficulties however, the matter has not been brought before the commission for formal approval. That is expected to be remedied this evening.

Prior to the beginning of tonight's regular commission meeting at 7 p.m., the commission will meet in a work session beginning at 5 p.m., also in the commission chambers. The sole subject of discussion is the proposed police and fire buildings, including where they may be lo-

Veterans' burial benefits outlined

Gladstone is quoted as saying, "Show me the manner in which a nation or community cares for its dead, and I will measure with mathematical exactness the tender sympathies of its people, their respect for the laws of the land, and their loyalty to high ideals." Years ago, the United States Congress decided that one commitment the nation owed its veterans is being sure that every veteran has a place to be buried. Toward that end, Congress established certain burtal benefits which are administered by the Veterans Administration.

Any member of the Armed Forces who dies while on active duty or any veteran who has been discharged or separated under conditions other than dishonorable is eligible for these benefits. So are his/her spouse and dependent children.

The first of these benefits is the privilege of burial in one of the 3 national cemeteries of any VA national cemetery. There are two national cemeteries administered by the Depariment of the Interior: Andersonville National Cemetery in Georgia and Andrew Johnson National Cemetery in Tennessee.

Arlington National Cemetery is under the jurisdiction of the Department of the Army, Eligi-

bility for burial here is limited. However, inurement of the cremated body in Arlington's columbatium is the same as eligibility for burtal in the VA national cemeteries.

Arrangements for gravesites cannot be reserved in advance: they must be done at the time of death. Most VA national cemetery offices are closed on holidays and weekends; however, a funeral director can make the initial contact and begin the application process on any day of the week.

Burial includes the gravesite. opening and closing of the grave, and perpetual care. A basic grave liner may also be provided.

Since our nation did not want any veteran to have an unmarked grave, the VA also provides a permanent grave marker for any eligible veteran, anywhere in the world. The choices for markers are flat bronze or bronze niche plates. flat or upright marble, and flat

or upright granite. Specific engraving costs and shipping charges are included, but VA does not pay for a base or for setting the marker.

On the marker, VA requires that the last name is spelled out; The family may also use the first name or initial, the middle name or initial, and any suffix such as Jr., nicknames or titles cannot be used. The branch of service is required. Optional choices are his/her grade, rank, or the war in which he/she was engaged. The year of birth and the year of death are mandatory, but putting full dates is optional.

The family may choose to have no religious symbol, or they may select the Christian cross, the Jewish Star of David, the Buddhist Wheel of Righteousness, or one from an approved list. If they want a special emblem or verse, they will be billed for the engraving.

If a veteran dies and his/her body cannot be recovered, the marker will have the words "In Memory Of preceding the other inscriptions.

The family may choose to have an American flag draped over the casket. After the service, the flag will be removed. folded, and presented to a designated family member.

The family will also receive a Presidential Memorial Certificate. Once the VA is notified of fice normally requests the certificate; however, the family may ask the local VA to apply

The burtal allowance ranges upward from \$300. The maxtmum is \$1500 if the death was service connected. The burial allowance is paid, as a reimbursement, to the person who paid the funeral expenses. Very basically, eligibility for the burial allowance is about the same as eligibility for disabil-

The plot/interment allowance is \$150. This allowance is reimbursed if burial is not in a Federal or State owned cemetery that is designated for the burial of veterans.

This article is meant as information of benefits that are available through the VA for a veterans final expenses. It is not meant to be a list of all the qualifications and requirements for eligibility. If you have any questions, please feel free to call me, or contact the County Veteran's Service office. The County Veteran's Service office is located in Seminole County Health Department, 400 W. Airport Blvd. here in Sanford. The office has an excellent staff who can assist you with information or can help you apply for benefits. The phone number is 407-322-2724, Ext. 3374.

Minister expresses wrath over collecting ceremonial charges

DEAR ABBY: I have just read with diagust a letter in your column from a clergyperson giving a specific time when the clergy should be paid for performing a marriage. The writer is concerned that if payment is not made preceding the ceremony, he/she will have to ask for payment at a later time.

Ministers in most churches receive a salary that should include the performance of any service done in the church. I cannot help but wonder what the tab would be for a baptism or a funeral. In my denomination, services such as those are considered sacraments of the church. To even think of charging for any of them is nothing short of blasphemy.

Certainly, I have received gifts from brides and grooms for performing their wedding ceremony, but to expect or to ask for payment is sim-ply not acceptable. It is crassness such as this that gives the church and its ministers much bad press.

Do you suppose that this person sends statements proclaiming "service rendered" that carry a monthly

ADVICE

ABIGAIL VAN BUREN

service charge if not paid promptly? Hopefully, this individual will remember that the role of a minister is primarily that of a servant. THE REV. RALPH O. MARSH,

DEAR REV. MARSH: Perhaps you are judging this cler-gyperson a bit too harshly. A survey of churches in the Los Angeles area reveals that some churches charge a "usage fee" for the church building (and minister), while others charge non-members to perform marriage ceremonies, but waive the fee for members.

Now that people know your policy, I predict your member-ship will increase by leaps and bounds.

DEAR ABBY: My wife prefers that I write the letters to our children and relatives. Although she writes a delightful letter, she lacks confidence in her ability to punctu-ate and spell correctly. I enjoy writing, so I don't mind performing this task for both of us.

For many years I closed the letter, "With love," followed by "Mom and Dad" or both our first names. Last year I decided this was not correct. Although my wife occasionally suggests thoughts that I include, I am the one who generates most of the thoughts and takes the time to write them. Therefore, I started closing my letters, "With love from both of us," followed by "Dad" or my name. This angers my wife. She insists that I sign "Mom and Dad" or both our first names. I insist that she is welcome to add a postacript to my letter and sign it or write her own letters.

My wife wants the letter to be from both of us, but I feel I should sign my letters with my name because they contain my thoughts. Am I being hardheaded?

THE LONE WRITER, RICHLAND, WASH.

DEAR LONE WRITER: Yes. I empathise with you for wanting recognition for the work of art you have created, but it's a little late to begin asserting your individuality. I'm sure your children and relatives know who is really putting the words on the paper, so for the sake of harmony in the household, continue to sign your letters, "With love, from Mom and Dad."

In almost every marriage, the spouse with the stronger skills will assume responsibility for various chores - the gardening, balancing the checkbook, wardrobe coordination, etc. That's what makes a partnership successful.

Extra Points... Jeff Berlinicke Herald Staff Writer

A few fans giving Lake Brantley a black eye

ALTAMONTE SPRINGS _ It's one thing to be supportive of your team.

it's another to embarrass a school.

Every school in Seminole County has a few fans who tend to be just a little on the obnoxious side, sometimes going a little too far in support of their team.

But the one school that has fans that have stepped over the line a little too much is Lake

Brantley.

Lake Brantley has some great kids and about 99 percent of their fans are supportive, cheering when the Patriots do well, supporting them through their rare tough times.

But this year, the instances of misconduct have started to mount.

At two basketball games this season, school administrators from the opposing teams had to step in to protect their players from trate Lake Brantley fans.

Throughout many of the other sports seasons, some of the Lake Brantley students have gone beyond heckling and turned things ugly.

mis comes from someone who has seen many games in every gym and ball field in Scininole County.

Throughout football, basketball, lacrosse and baseball season, the few people for Lake Brantley that have made things ugly have tarnished the image of the school in the eyes of many others. Coaches and fans from all over the county have commented that Lake

Brantley is blemished by its fans and their conduct. That's too bad. Lake Brantley has a classy administration, and some of the county's best athletes including Robbie Sitz, Ginger Tullis, Felipe Lopez, Daniel Hogan, Ryan Pagan, Brian Criswell and Drew Morgan. But to go to a Lake Brantley game also means that, besides watching these talented ath-

beyond the boundaries of fun heckling. Most schools have fans that have fun at the expense of the other team and the officials. But sometimes, and this goes for every school but especially Lake Brantley, it goes

letes, you're subjected to criticism that goes

too far.

Last night, when the Lyman second baseman was involved in a collision and spent a couple of minutes on the ground, a few Patriot fans laughed. Most were students but, at the many Lake Brantley games I and other writers have attended, the parents are givolved as well.

That's too bad. Lake Brantley, from top to bottom, probably has the best athletic program in the county. The school has a lot to cheer about. It's strong academically and has the state baseball champion.

It's just too bad that the school is gaining a reputation among the other schools as being a little bit on the mean side.

Sports is supposed to be fun. Last night the Lake Brantley players shook hands with the Lyman players at the end of the game, which happens at every athletic event in Seminole County.

The players didn't have any hard feelings even though the game was intense throughout.

The fans probably went home and had fun and forgot all about it.

It was an isolated incident. But, attention Lake Brantley, those isolated incidents are starting to add up.

A lot of coaches and officials haven't forgotten basketball season and the school has too proud of a heritage to ruin it.

Last Second Shot: Kudos to the Oviedo lacrosse teams who spent their time Tuesday working on their own time with the kids at Lawton Elementary School. They didn't have to be there, they just wanted to work with the kids.

Champions rise to occasion

Felipe Lopez (left) had a home run and later added a big double during a four-run rally and Robbie Sitz (above) closed the door on any Lyman hopes of a comeback as Lake Brantley came from behind to edge the Greyhounds 7-5 in a big Class 6A-District 3 baseball game at Lyman High School Wednesday night.

That's exactly what the Patriots did, knocking off Lyman, 7-5 to make a crazy season even crazier as nearly every team in Class 6A-District 3 remains in contention for the top seed in districts, although the Greyhounds remain barely in the driver's seat.

OVIEDO _ In a game significant because of its climactic location, two Oviedo High School seniors registered firsts in Wednesday's 3-0 Seminole Athletic Conference baseball victory over the Winter Springs Bears.

Paul Werner tossed two near-perfect innings to earn the first victory of his high school career while Ashley Stephens, a base running specialist and defensive replacement, notched his first hit of the season, contributing a single to the Lions' five-hit effort.

in a game that took 90 minutes to play, all the offense came on two swings of the bat. Richard Rodriguez broke a scoreless tie with a solo home run in the third inning. After Troy Boutwell walked in the sixth, Jeremy Frost

belted a two-run homer.

The only other hits for Oviedo were a single by Boutwell in the fourth, Ryan Rankin's twoout double in the fifth, and Stephens' sixth-

inning single.

Nick Tracger was the starting pitcher for the Lions and worked three innings, giving up only an infield single to Scott Rankin (no relation) in the second. There was an error made behind him, but Boutwell turned a line drive into an unassisted double play to erase that threat.

Werner took over in the fourth and faced just six batters. One Winter Springs hitter reached on an error, but Boutwell anared another line drive and threw to first to double off the runner.

John Buchanan pitched the final two innings to earn his second save of the season. He only gave up one hit but it was a blast, a double off the left-field fence by Brad Stephenson.

Traeger and Werner each struck out two batters while Buchanan fanned four in his two innings of work. The trio did not walk a batter.

Also playing in their final regular season home game as an Oviedo Llon were Scott Ferrell, Lawrence Pultz. Ouy Erwin. Ben Knapp. Erik Wilson, Jorge Hernandez, and Tim Hule.

The only Lion senior who didn't see action Wednesday was pitcher Jeff Monaco, who tossed a complete game last Friday against Boone and is scheduled to start again Friday at Lake Howell.

Stephenson (5-4), who only gave up one run on one hit - Rodriguer's homer- in three innings of work, was tagged with the loss. He struck out three and did not walk a batter. Scott Rankin gave up two runs on four hits while striking out three and walking one. Ryan Welch got the final Oviedo out on a strikeout.

Oviedo (11-9 and 1-3 in the Seminole Athletic Conference) travels to the Cocoa Expo today to play Florida Air Academy. The Lions will finish their regular season campaign with games at Lake Howell (Friday), Seminole (next Tuesday), and Boone (a week from Friday).

Winter Springs (7-15) will host Umatilla tonight and Cocoa Beach on Friday with both games starting at 7 p.m.

Lake Mary diamond teams post big victories

From Staff Reports

LAKE MARY _ The Lake Mary baseball team may have been looking a little ahead, but came alive in time and the softball team crushed Lake Howell in diamond action Tuesday night.

The baseball team, which may have been a little distracted with huge Class 6A-District 3 games coming up with Lake Howell (last

night) and Lyman (Friday) fell behind Deltona 2-0 in the bottom of the first inning.

The score remained 2-0 until the sixth inning when the Rams rallied for two runs to tie the game. But the Wolves answered right

back with two runs in the bottom of the sixth inning and appeared headed for the upset.

Lake Mary, however, was just waiting for the right moment to pull out the victory and exploded for eight runs in the top of the seventh inning and Rob Pelton came on to shut out Deltona in the bottom of the seventh inning as the Rams posted the 10-4 victory.

Ryan Trettein pitched the first six innings for Lake Mary and got the victory, raising his record to 2l on the season.

Leading the offensive attack for the Rams (13-9) were Jose Tormos (2-for-3, RBI), Eric Otero and Brian Bretzer (both 2-for-4 with one RBI). Matt Allegra (double, two RBI) and Rob Macchione (RBI).

Pacing the Wolves (12-11) attack were Rocky Segarra (3-for-3) and Garrett Veirs (2-for-4). Lake Mary will host Lyman

The Stars (44-8) dnly scored in the fourth inning of both games, but it was enough to gain the split.

SCC (27-27) took a 2-0 lead after the third inning of the first game, but FCC-J get its four runs in the fourth inning.

The Raiders came back with two uncarned runs in the fifth inning to the the game at 4-4 and the game resisted tied until the teams were breed to go to the tie-breaker rule in the 10th inning.

After a strikeout to start the inning, Lyman pitcher Evan Lolacono appeared to have everything under control, but Felipe Lopez doubled and Justin Harris legged out an in-

Justin Smith grounded out to make the score 5-4 Lyman, with two outs, and Chuck Stegall was intentionally walked. Harris, the tie run, moved to third on the ground out and scored on a blown pickoff play to tie the game. Errors led to two more runs and Lake Bran-

tley's Robbie Sitz slammed the door on Lyman in the bottom of the seventh.

"I had some good stuff working tonight," Sitz said. "We needed this one for districts."

It didn't start out that way as the Longwood rivals met for the second time this season. Billy Hess sent Sitz' first pitch to give the Greyhounds a 1-Q lead. Lake Brantley got it back in the second when Stegali singled and scored later on an error. The Patriots scored again in the third when Lopez, who will be making a lot of money playing ball somewhere later this year, sent a homer to right field.

The softball team (21-3) got off to a slow start, not denting the plate until scoring four runs in the bottom of the third inning.

But once the Rams started scoring, they almost forgot to

stop, scoring three runs in the fourth inning, one run in the fifth inning and two runs in the sixth inning to close out an 11-0 triumph over the Silver Hawks.

Halie Sowards hurled a twohitter to run her record to 11-0 on the season.

Doing the hitting for Lake Mary were Jeannie Manz (3-for-3. RBI), Lindsey Manz (3-for-4, three RBI). Meagan Dontrich (3-for-4), Yarah Otero (2-for-3,

two RBI) and Jackie Crispell (double, RBI).

The Rams will be at Lyman for a 4 p.m. contest today and then finish the regular season with three home games next week with Apopka on Tuesday, Boone on Wednesday and Deltona on Friday. All three will begin at 6 p.m.

Lake Howell only has one regular season game left, traveling to Ovledo tonight to play the Lions at 7 p.m.

Managers do the dirty work

By Jeff Berlinicke ASSISTANT SPORTS EDITOR

LAKE MARY _ Years from now, there may be one defining moment in the development of lacrosse in Central Florida.

In a Seminole County game last season, one of the Lake Mary boys lacrosse players took a stick over the head.

The reaction on the field was loud enough. It was the reaction from the

girls on the Lake Mary bench that showed that lacrosse had finally taken a hold in Florida.

One of the managers started screaming at the officials and a couple of the others chimed in. The Lake Mary managers consist of an eight-girl unit that supports the team in almost any way imaginable. They supply the equipment, moral support, goodie bags, beverages and almost anything else the team needs to win.

It's the same situation all over Seminole County as lacrosse has grown from being a co-ed sport to being county wide in both boys and girls leagues. All seven of the county teams play, and the sport has become the most actively participated-in game in the county.

The Lake Mary team managers are just one of many in the

county who have decided to help out, even if they don't want to play. They were drawn to the excitement and action of the game and, maybe a little, to the guys on the field. But that's another story. Each team in the county has a strong support staff and the Lake Mary managers are just a representation of what's going on all over the county as the sport continues to grow.

What do the managers do? "What don't we do," re-sponded senior Marissa Torman. We bring bags filled with Gatoraid, equipment, candy and we are also there to encourage them."

That's just a small part of what they do. Lake Mary coach Doc Crowther delegates a lot of responsibility to the girls and, though they say he isn't always patient with them, everything is a result of the heat of the battle.

"He's been known to yell at us," Torman laughed.

The managers also keep staustics includin ground balls, face-offs and

One of the reasons the Lake Mary girls chose to become managers is that, until this season, most schools only offered co-ed lacrosse. "If we wanted to play la-

crosse," senior Kelly Carr said. we would have to play with the guys. I didn't know anybody on the team until I got here, but I just wanted to participate."

That was the main reason most of the girls said they became involved.

The only thing I every did was work on the yearbook staff," senior Nicole Appel said. "I wanted to get together with a group of people to hang out with and have some fun."

One of them even found her boyfriend. Tanya Abbott, a sophomore, met her friend Rob Rauch, a team member, and romance bloomed.

All of the managers said they feel the guys on the team, ap-preciate all the hard work they do and most of them go out of their way to thank them for their efforts. The girls usually play "20 Questions" on the bus after road games with the players and they even decorated their cars for some of the games to show support.

The Raiders appeared to be in good shape in the second game, taking a 1-0 lead in the bottom of the first inning on a two-out single by Lake Howell's Brittany Scott and a run-scoring double by Candice Hays.

The score stayed that way until the Stars had a game worth of offense in one inning, scoring nine runs on eight hits and three SCC errors.

Doing the damage for the Raiders in the first game were Schwartz (3-for-5 with a triple and a double, two runs scored, one RBI), Hays (2-for-4, one RBI), Lake Brantley's Marnie Bernstein (2-for-4), Macaluso (1-for-3, two runs scored). Christy Neudeck (1-for-3) and Osteen's Erin Maijub (one run scored).

Providing the offense for SCC in the second game were Hays (1-for-2 with a double and one RBI), Boott (1-for-2 with one run scored) and Traci Miller (1-for-2).

The Raiders have three regular season doubleheaders left on the schedule, all at home. Today the Timberwolves from Lake City Community College pay a visit at 2:30 p.m. and the Matadors from Valencia Community College, who will be dropping the program at the end of the season, will be at Raider Field at 1 p.m. on Sunday, and the Saints from Gainesville's Santa Fe Community College will be here next Thursday starting at 2:30 p.m.

Do your homework on HMOs

DEAR DR. GOTT: Enclosed is a list of health maintenance organizations that I could join. In your opinion, which is the best?

DEAR READER: The HMO field is changing so fast that I would be presumptuous to recommend a plan for

However, judging from recent reports in the journal Medical Economics and the New York Times, you ought to think twice about one of your options.

Oxford Health Plans is in serious trouble, despite the fact that it has just hired a new chief executive to oversee profound changes

According to Medical Economics (Feb. 9, 1998), investors are suing the company because of failure to disclose its financial problems. About 20 suits have thus far been filed. When Oxford finally did "come clean about expected earnings losses," its stock plunged in value from \$89 a share to \$15.

Industry analysts are reported to be skeptical that the beleaguered giant can survive without making dramatic cost-cutting changes in the way it does business. The Feb. 25, 1998, New York Times reported that the company will have to adopt capitation (fixed, lower fees for doctors) and will severely limit patients' choices of doctors. At present, Oxford is dangerously delinquent in paying doctors and hospitals - up to \$140 million in New York City alone. Consequently, increasing numbers of physicians are resigning from Oxford, a move that will certainly further limit subscribers' choice of doctors. Moreover, premiums are slated to rise apprecia-Most important, as Oxford becomes

more expensive and restrictive, patients may suffer. Not surprisingly. competitive health plans are actively luring patients away. For example, the Mar. 1, 1998, New York Times documented that Blue Cross/Blue Shield, Anthem, Cigna and Aetna U.S. Healthcare are actively promoting themselves as better choices than Oxford. Large-scale defections are expected to occur; "new business is going elsewhere," the Times reported. Several months ago, while Oxford was riding high as the darling of Wall

Street, I cautioned consumers to avoid it like the plague. My views haven't changed. In fact, they have been reinforced by the many legitimate reports indicating that the company is neither patient- nor doctorfriendly. The Times again: "It appears that Oxford's apparent success came from providing quality service at a price well below its real cost."

The lesson? Read up on HMOs before you join.

heard of a drug called Permax that may help. Can you give us further information? DEAR READER: Restless legs syndrome affects millions of healthy adults. Marked by the symptoms you mentioned, this affliction often leads to exhaustion, depression and even suicide. The cause is unknown.

Nonetheless, treatment is available. Permax and other prescription drugs often relieve the characteristic restlessness of the disorder and permit its victims to obtain blessed sleep.

You can obtain more information about his syndrome - and its treatment - by writing to the Restless Legs Syndrome Foundation, Dept. CR. P.O. Box 7050, Rochester, MN 55903-7050

Following the column about transfer bids three weeks ago, I received a letter from a reader asking about using them over a two-no-trump opening (and after 24-20-2NT, where two clubs is strong, artificial and forcing). This is an excellent idea. In particular, it allows the much stronger hand to become the declarer, perhaps stopping an immediately fatal lead through a tenuous holding — as in this deal.

Note that if North started with a three-spade response and ended in six spades, the automatic opening lead of the club queen would give the defense the first two tricks. After the transfer bid, though, South jumped to four spades to show a good hand for play in

The only potential problem was a 4-0 trump split. South saw that if East held all four missing spades, he was dead. But if West had all four, they could be picked up as long as South started with the spade ace from hand. And when East discarded a heart, South continued with the spade nine, forcing West to split his honors. Back to hand with a heart, declarer finessed West out of his remaining trump honor, drew the last trump, and claimed.
