## THE WEATHER

Widely scattered showers and  
thunderstorms this afternoon and  
Saturday afternoon, otherwise  
partly cloudy weather and little  
change in temperature.

## Truman Seeks Farm Bill To Cope With Increased Output

### Says Program Should Have Price Support Plan To Guide Pro- duce To Markets

WASHINGTON, May 14. (AP)—President Truman asked Congress today to pass long range farm legislation geared to the greatly increased productive capacity of American farms.

Such a program, he said in a special message to the legislators, should have a price support system designed to guide farm production to the farmers' market.

He said the "fundamental national policy" of farm legislation should aim for — organized, sustained, realistic abundance.

Mr. Truman added:

"A policy of abundance includes some factors that lie outside the field of agriculture. The maintenance of high levels of employment and the maintenance of export outlets are prime essentials."

The government now has a wartime farm program. The major price supporting phases of it will expire Dec. 31 unless Congress acts at this session.

The President gave only a general outline of what he thought the long-range legislation should be.

These general proposals were closely in line with provisions of a long-range program approved Thursday by the Republican-dominated Senate Agriculture Committee, and urged last fall by the Agriculture Department.

Mr. Truman did not recommend, as Agriculture Department officials had expected, a boost of \$75,000,000 in the \$225,000,000 soil

## Anti-Truman Vote Of Florida Demos Holds Majority

### Solid South Bloc Has 11 1/2 Votes Opposed To Civil Rights

TALLAHASSEE, May 14. (AP)—The most rebellious anti-Truman faction of the Florida Democratic Party will hold a voting majority in the state's delegation to the National Convention.

The "solid South" bloc, pledged to Mississippi's Governor Fielding L. Wright and his movement to bolt the party if necessary to stop the Truman Civil Rights Program, elected 17 delegates with 11 1/2 votes among them.

The other 9 1/2 convention votes will be held by delegates who also are opposed to President Truman and his Civil Rights Program, but prefer to settle the states' rights issue within the party. Delegates with seven votes have said they prefer Dwight D. Eisenhower for President.

Only one of the 112 candidates for 28 delegate positions listed himself as favoring a new term for President Truman. He finished 48th among 54 candidates for delegate at large.

Delegates elected from the state at large will have half a vote each in convention. Congressional district delegates will have full votes.

Governor Millard Caldwell led the ticket with 93,409 votes. He headed the Dixie Democrat slate

## Mob Attacks Cudahy Plant In Meat Strike

### Raiders Take 30 Men As Hostage After Damaging Interior And Releasing Hogs

ST. PAUL, Minn., May 14. (AP)—A mob estimated at 200 men was being called out today for duty at strikebound packing plants in Newport and South St. Paul, scene of strike violence.

NEWPORT, Minn., May 14. (AP)—A mob estimated at 200 men forced its way into the strike-bound Cudahy & Co. packing plant at midnight, heavily damaged the interior, set free several thousand dollars worth of hogs and carried away 30 plant workers as hostages.

R. J. Swenson, general manager of the plant, gave this account of the incident:

"About 11:15 P. M. an estimated 200 men — some of them Cudahy workers on strike — entered the plant.

"First the main power switch was pulled, plunging the plant into darkness. Then a room where some of our men were sleeping was entered. Cots on which they were sleeping were broken up and some windows smashed.

"Locks on some of the stock pens were broken and 110 hogs, valued at about \$6,000 were set free.

"A new car belonging to one of the plant engineers was tipped over and the windows of one side and the windshield were broken.

"The plant boilers were turned off but apparently there was no serious damage done to them.

"These men were apparently taken out into the hills. A number of men were hurt in the plant and two of them are hospitalized and several have been treated for cuts and bruises.

"The entry into the plant appeared well planned. We found a round, heavy club that one of the men who came into the plant probably used."

Swenson entered the plant early this morning.

The Sanford Skeet Club holds regular meet

The Sanford Skeet Club held its regular weekly shoot at the Municipal Airport range yesterday afternoon with Frank Woodruff, III scoring top honors with 63 of a possible 65.

The Pistol Club held a shoot at the pistol range and James Webb carried 292 x 300 to win honors.

The following skeet cards were posted:

Frank Woodruff, III	73 x 75
C. K. Ellis	59 x 75
Andrew Carraway	54 x 75
Frank Woodruff, Jr.	49 x 75
George Maffett	49 x 75
R. G. Williams	47 x 75
Pistol scores were:	
James S. Webb	292 x 300
R. G. Williams	291 x 300
Frank Rockett	287 x 300
J. A. Howard	279 x 300
W. S. Hargraves	185 x 200

## North Korean Reds Shut Off Power To South Korean Zone

SEOUL, May 14. (AP)—Power from North Korea was abruptly shut off today after an American Army sergeant was wounded superficially near the dividing line between the Russian and U. S. zones.

The sergeant was hit twice in the face, presumably by grenade splinters while riding in a jeep. A pre-dawn patrol did not find his assailants. His name was withheld.

There was no apparent connection between the two incidents.

The American Military Governor said North Korean Communists may have hoped to throw South Korea into darkness and thus cloak acts of violence such as have killed 500 Koreans since February.

He said cessation in the use of power would continue "until the high handed action of the Soviet masters of North Korea is rectified."

The power went off at noon.

## Florida Fashions Welcomes Many Visitors At Open House Celebration

Florida Fashions Manufacturing Co. which is giving employment to more than 75 women and which is allied with the Florida Fashions Inc. mail order firm, held open house last evening at its First Street location, and welcomed many visitors.

Altogether, the Florida Fashions enterprises are employing about 200 local people and adding considerably to the prosperity of Sanford and Seminole County. The mail order section is located at the Municipal Airport.

The cutting bench downstairs, was decorated with large bouquets and baskets of flowers presented by the Sanford Atlantic National Bank, Florida State Bank, Sam Marina, A. K. Robertson, Homer and Edith Johnson, United Lumber Co. and Crumley and Montiel.

Visitors were welcomed by Mr. and Mrs. Frank Shames who started the Hollywood Shops here 12 years ago, and through whose initiative and enterprise the creation of Florida Fashions may be largely credited. Miss Louise Levy was also one of the hostesses.

A number of employees modeled the latest Florida Fashion dress creations. Mrs. Ellen Stock wore "Eyetlet Sparkle" with large dots, buttons across the front and side, lace sleeves at the shoulders

## 20 To 55 Die In 6 Plane Mishaps

BY ASSOCIATED PRESS  
Six plane mishaps on four continents killed at least 20 and perhaps 55 persons. They are as follows: Brussels-Sabena airlines reports DC-4 airliner missing over Belgian Congo with 31 persons aboard. Frankfurt-U. S. airforce reports B-29 crashed in Saudi Arabia, with 13 believed dead, one survivor. Privas, France.—Privately chartered plane crashed in Rhone valley killing four. London office of Skyways Limited announced dead included the Marchioness of Harrington. Daughter of Joseph P. Kennedy, former U. S. ambassador to Britain; Lord Fitzwilliam and two crew members. Northampton, Mass.—Three killed when U. S. airforce plane crashed and it exploded while practicing instrument landings in reinstrument. Anchorage, Alaska.—Two airforce fighters exploded and crashed, killing the two pilots. Locarno, Switzerland.—Swiss army plane crashed while practicing emergency landings, two killed.

## Red Curb Bill Is Condemned At House Meet

### Allen Says Bill Will Be Fought By All Who Advocate Over- throw Of U.S. Nation

WASHINGTON, May 14. (AP)—A bill to curb Communism was condemned in the House today as a thrust at organized labor and was defended as a weapon against "the domestic agents of our foreign foe."

The measure won't outlaw the Communist Party. It would curtail the party's operations and expose its members and activities. It faces hours of House debate before expected passage and then must be considered by the Senate.

Opponents said privately the debate only is postponing certain passage by the House next week. An indication of comparative strength of its supporters and foes was the 296 to 40 roll call vote that brought the bill up for House consideration.

Chairman Allen (R-Ill.) of the Rules Committee told the House "this bill will be opposed by all of those who advocate the overthrow of this government."

Its major purpose, Allen said, is to expose Communism and Communists in the same manner that manufacturers of poison are required to label their products.

Rep. Cox (D-Ga.) said it seeks to drive into the open "the domestic agents of our foreign foe and to unmask the traitor who conceal his disloyalty."

Rep. Sabath (D-Ill.) called the bill an invasion of "the historic American tradition of individual liberty." He said it is "aimed at organized labor more than at Communists."

Rep. Rankin (D-Miss.) said the bill will help instead of harm.

## Andrew Gordian Is Acquitted Of Murder Charge

### McMillan Gets Life For Sutton Murder In Second Degree

Andrew Gordian, former soldier and veteran, was acquitted by a jury in Circuit Court at 2:15 o'clock this afternoon of a charge of murder in the second degree in connection with the fatal shooting of James B. Mitchell, young fisherman near Ocala on the St. Johns River on Mar. 31.

Stolid during the trial, Gordian wept silently with relief after hearing the verdict. The jury included Chester Daniels, foreman, J. P. Cox, Andrew Duda, Jr., C. K. Carter, and Earl Younger. E. F. Household conducted the defense and was assisted by W. R. Smith, Orlando attorney. George A. D-Cotes represented the State.

John McMillan, negro, who had been charged with murder in the first degree on same subject

## 3 Miners Entombed By Mine Flood Are Frantically Sought

SHAMOKIN, Pa., May 14. (AP)—Weary, grim-faced rescue crews clung today to the belief that three men entombed in a flooded mine 175 feet underground are still alive.

Heartened by this hope, the rescuers—some of whom have gone without sleep for nearly 36 hours—manned pumps and reported they thought they were winning their battle against the water.

Frank Arison, who kept an all-night vigil at the water's edge deep down in the hole, came up at daybreak to report it had receded about eight inches.

He also reported that the tap-ping, first heard yesterday, continued to resound sharply and clearly through 100 feet of solid coal and rock, indicating that one or more was alive.

Meanwhile, some 5,000 free lance coal diggers and truckers laid down their tools in a work halt today until the entombed trio is brought to the surface.

The three men were trapped below the surface of the earth by seeping rain water two days ago.

## Scientist Reports Development Of Successful Vaccine For Mumps

By FRANK CARRY  
Associated Press Science Reporter  
MINNEAPOLIS, May 14. (AP)—Concentration of mumps virus—described as opening up the possibility of producing a more potent vaccine than one recently announced in Australia—was reported today by an Illinois scientist.

Dr. George F. Foster of the Illinois Department of Health made the report to the Society of American Bacteriologists which closes its 48th meeting today.

Mumps, one of the banes of childhood—but also occurring among adults—is listed as a sticker in the medical record, because there is no known drug to combat it.

The only treatment to date consists of injecting blood serum taken from a person who has had the disease and recovered.

So, efforts have been directed toward growing the virus in quantities—and in high concentration—so that a protective vaccine might be developed.

During the war, a technique was developed for growing the virus in hatching hen's eggs.

## Red Curb Bill Is Condemned At House Meet

### Allen Says Bill Will Be Fought By All Who Advocate Over- throw Of U.S. Nation

WASHINGTON, May 14. (AP)—A bill to curb Communism was condemned in the House today as a thrust at organized labor and was defended as a weapon against "the domestic agents of our foreign foe."

The measure won't outlaw the Communist Party. It would curtail the party's operations and expose its members and activities. It faces hours of House debate before expected passage and then must be considered by the Senate.

Opponents said privately the debate only is postponing certain passage by the House next week. An indication of comparative strength of its supporters and foes was the 296 to 40 roll call vote that brought the bill up for House consideration.

Chairman Allen (R-Ill.) of the Rules Committee told the House "this bill will be opposed by all of those who advocate the overthrow of this government."

Its major purpose, Allen said, is to expose Communism and Communists in the same manner that manufacturers of poison are required to label their products.

Rep. Cox (D-Ga.) said it seeks to drive into the open "the domestic agents of our foreign foe and to unmask the traitor who conceal his disloyalty."

Rep. Sabath (D-Ill.) called the bill an invasion of "the historic American tradition of individual liberty." He said it is "aimed at organized labor more than at Communists."

Rep. Rankin (D-Miss.) said the bill will help instead of harm.

## Lions Convention Is Reported On At Regular Luncheon

Sanford Lions and routers, attending the Lions Club's convention in St. Augustine last Tuesday, made so much fuss over the winning Sanford team at the ball game that they were nearly thrown out of the park, commented King Lion W. O. Livingston to a smiling group of Lions at their luncheon today at the Tourist Center.

J. E. Rowland, a delegate, reported, however, that St. Augustine and Mayor Herbert E. Wolfe gave a fine welcome to the visiting Lions. George Cooper of the Redlands District Lions Club, making the response with typical lion humor. He also reported attending the dedication Sunday at Holly Hill of the project for the blind. C. H. McNulty gave the address.

Lion districts in Florida were increased from two to five, he revealed, and a project to support blood banks adopted. St. Petersburg "offered everything in the book" and was adopted as the next convention site, he declared.

Delegate Henry Witte reported that between 700 and 800 Lions attended the convention, and told of enjoying the balls given for delegates and governors.

Both delegates, Witte and Rowland, wear good 19 cents a pair sporting huge cigars they had brought from the convention. The report of the nominating committee for new officers was accepted.

## State Of Israel Is Born In Palestine; 1st In 2000 Years

### Defenders Of Flood Control Money Bill Fight \$2,000,000 Slash

WASHINGTON, May 14. (AP)—Defenders of a record \$640,253,000 money bill for flood control and navigation projects told the Senate today it would be false economy to cut off \$200,000,000.

A minority group on the Senate Appropriations Committee, asserting that the measure is "extravagance on a large scale," proposes the total be trimmed by that amount.

One of the minority, Senator Reed (R-Kan.), said the bill is the "biggest pork barrel" he has seen in the Senate.

The amount in the bill as it now stands is more than double any previous waterways appropriation.

Leading off today in favor of the bill, Senator Senator Vannoy (R-Id.) and "in a sense" he agreed the bill is a "stupendous pork barrel."

But, he added, "it is a pork barrel which will put pork chops and bacon and roast pork on millions of dinner tables."

He said the program of 373 projects for which the bill provides funds in the year starting July 1 will provide direct aid to

agriculture and increase production of food.

Gutney listed these four benefits to agriculture which stem from the waterways program:

1. Prevention of loss of crops and livestock as a result of flood-preventing work.

2. Addition of millions of acres of rich bottomlands, otherwise unavailable to farming because of flood threats, to the area available for growing purposes.

3. Provision of adequate drainage to make useful other large tracts of land.

## Capt. Hudson Is Named President Of Church Group

Sanford Ministers Ask Questions Of Sheriff Candidates

Capt. Byrd Hudson of the Salvation Army was elected president of the Sanford Ministerial Association at a meeting held at the Seminole High School yesterday afternoon. He was elected to fill the unexpired term of the Rev. W. P. Yelky who died recently.

A committee composed of Dr. W. P. Brooks, Jr. and the Rev. Mark Carpenter was appointed to draft a set of questions dealing with law enforcement which will be presented to the two candidates for sheriff. The report of the committee was unanimously approved by the Association.

The questionnaire approved by the ministers is as follows:

"We, the members of the Sanford Ministerial Association, at a regular meeting held at the high school on Thursday, May 13th, in the interest of good government and the preservation of law and order, wish the county have, unanimously voted to send the following open questionnaire to the two candidates for County Sheriff in the May 23rd run-off primary; and have further voted that a copy of this questionnaire be published in The Sanford Herald and the replies from the two candidates be published in the same paper upon their receipt:

"Question 1: Will you enforce the law regarding gambling devices, such as slot machines, etc.?"

## 6 Perish In Trailer Destroyed By Flames

HUNTINGTON, W. Va., May 14. (AP)—Six persons burned to death here last night when flames destroyed a wooden trailer and a home-made addition.

Detective Chief Hershel Gartin said the fire was fanned by a brisk wind, and that the occupants had apparently been asleep and had no time to escape through the single door of the home. Cause of the blaze was not determined.

Coroner F. J. Schuller identified the dead as Ernest Henson, 44; his wife Beatrice, 41; their daughter Ernestine, 14; a son, Thomas, 9; and two men who were visiting the Hensons, Pearl Dillon, 50; and "Duke" Easter, 29. A son and daughter-in-law of the Hensons were away on a visit.

## Growers To Plan Labor Camp Here

Growers are requested by County Agent C. R. Dawson to attend a short meeting of the Seminole County Farm Labor Association Tuesday afternoon at 4:00 o'clock at his office in order to discuss plans for the local labor camp, also future labor prospects.

More than 700 growers, throughout the county have been informed by letters from Mr. Dawson of the voting which will take place Monday at 9:00 A. M. to 4:00 P. M. for selection of five supervisors for the Seminole County Soil Conservation District.

Voting will take place at the County Agent's office in the Court House, the Chuluota Grocery, Longwood and Oviedo city halls, and the Geneva Community House.

## Declaration Is Effective 1 Minute After Midnight As British Mandate Ends

LAKE SUCCESS, May 14. (AP)—The Political Committee of the special Palestine assembly voted today to send a United Nations mediator to the Holy Land. The vote was 37 to 9, with 15 abstentions.

TEL AVIV, Palestine, May 14. (AP)—The State of Israel, first Hebrew nation in 2,000 years, was born today in a Jewish declaration of independence asserting the "historic right" of the Jews of Palestine to reconstitute their national home.

The proclamation by the National Council is effective at one minute after midnight, when the British 39-year rule of the Holy Land ends. The British high commissioner already has left Palestine and a British cruiser, and the British mandate government has left the Holy City of Jerusalem.

While Jewish forces and soldiers of the surrounding Arab countries prepared for war, the Jews proclaimed their "right to a life of dignity, freedom and labor." The declaration said this right was recognized by the United Nations.

The Arab League, meanwhile, planned to set up an administration — not a state — of their own in Palestine to function with occupying Arab forces if and when Palestine is invaded.

In London the Arab office declared the termination of the British mandate had created a

## School Board OKs Playground's Use Of Church Group

The County School Board yesterday granted the use of the Sanford Grammar School grounds and facilities for the City recreation program during the summer, following a request by Jack Rattan for such facilities, it was announced by Supt. T. W. Lawton.

Fred Ganas, Seminole High School instructor, has agreed to serve as director of the program for youth. He will be assisted by A. Clayton DeLand, and by Mrs. P. M. Jingle and Mrs. Barbara Dampier of Sanford.

Sanitary facilities of the Grammar School may be used and on many days part of the building may be occupied under careful supervision, said Mr. Lawton.

The Board also agreed to permit the use of two school buses for swimming parties. White students will be taken to Lake Mary, and negro children to the negro boy scout camp at Paola. This was allowed, said Mr. Lawton, under condition that the Recreation Committee find qualified drivers and secure the required property and liability insurance.

R. F. Cooper, chairman of the County Board of Trustees, reported at the meeting that he had inspected the proposed site of a new school building in Goldenrod and had approved the location.

## ACL To Take Over FEC Railroad At \$40 Million Cost

RICHMOND, Va., May 14. (AP)—Stockholders of the Atlantic Coast Line Railroad Company voted almost unanimously today to take over the Florida East Coast Railway Company at a cost of \$40,500,000.

The vote in favor of ACL's acquisition of the Atlantic Coast main trunk of the Florida road represented 99.88 percent of the stock represented at the meeting. The vote was 689,975 shares in favor of the proposal to 708 against.

The negative vote represented less than one-tenth of the stock represented at the meeting. About 83 percent of the shares outstanding were represented.

The stockholders of the ACL by the same vote accepted a plan of reorganization which approved by the federal court and issue such securities and make such payments as might be required to

## 2 Georgia Youths Held As Escaped Convicts

CHICAGO, May 14. (AP)—Two Georgia youths were held by police today after Detective Joseph Gordon said they told him they had escaped from a prison road gang in Decatur county, Ga., on May 5.

Gordon identified the youths as Joseph Malden, 21, of Atlanta, and James Pyles, also 21. He said they told him they fled from the road gang of the Redville penitentiary which had been working in Decatur county.

Police said Malden related he had escaped from the prison twice previously since he was sentenced to a term of five to six years for stealing an automobile. Pyles was sentenced for burglary.

Gordon said they were seized near the west side home of a woman who had befriended them. She said she had given the youths some money but when they returned last night she called the police.

## AIR RESERVE MEET

Celebrants interested in joining the Naval Air Reserve are advised by A. R. Lormann to attend the organization meeting tonight at 8:00 o'clock at the Davis Armory in Orlando. Those who wish transportation to the meeting should telephone Mr. Lormann at 1347-W.

Official Returns For First Primary Are Now Complete

Warren Led McCarty By 21,538 Voted; 564,880 Balloted

TALLAHASSEE, May 14. (AP)—Official returns from the May 4 Florida primary elections today showed Fuller Warren held a lead of 21,538 over Dan McCarty for the Democratic governorship nomination.

A record total of 564,880 votes were cast in the governorship contest. Seven other candidates were eliminated and McCarty and Warren now are engaged in a runoff campaign for the nomination.

The official figures compiled by Secretary of State R. A. Gray for certification to the state canvassing board also revealed that veteran railroad Commissioner Jerry W. Carter was elected Democratic national committeeman with 64,016 votes — three times as many as his closest opponent.

Mrs. Neil Alford of Jacksonville was re-elected Democratic national committee woman.

A third contest on the second primary was disclosed. It pitted Louis M. Anderson and A. L. Phillips in a runoff for one of the eight Democratic presidential elector positions. The other seven went to Helen Hunt West, John O. Jackson, William L. Coats, Clyde W. Atkinson and Frank W. Hazelton.

Votes in the committeeman, committeewoman and elector contest had not been tabulated unofficially.

Final official returns from other statewide contests showed the winners in every case were those indicated by unofficial tabulations by the Associated Press immediately after the first primary.

Here are official returns in major statewide contests:

Governor (Democratic)—F. D. Akin, 279,292; Richard H. Cooper 81,852; Colin English 69,158; Harry MacFadden 45,400; Dan McCarty 161,788; Basil H. Pollitt 10,411; W. A. Shands 62,358; Fuller Warren 183,326; Tom Watson 51,505.

Governor (Republican)—Bert Leigh Acker 10,807; John L. Cogdell 6079.

All Democrats:

Attorney General—J. Grady Burton 132,264; P. Guy Craws 70,184; Richard W. Erwin 143,447; Hugh L. McArthur 51,047.

Comptroller—Evelyn G. Fraser 162,338; C. M. Gray 242,018; H. A. Lee 52,499.

State Treasurer—R. T. Carlisle 81,570; L. Edwin Larson 299,237.

State School Superintendent—Tom D. Bailey 207,874; Robert D. Bailey 105,824; Robert C. Marshall 59,447.

Commissioner of Agriculture—Nathan Mayo 320,712; Ammon McClellan 103,031.

Congress, second district—Charles E. Bennett 42,087; Emory H. Price 39,488.

Congress, third district—John W. Cole 10,760; Bob Bikes 60,652.

Congress, fifth district—Virgil Conner 9297; A. H. Herlong, Jr., 48,308; John W. L. Hicks 8902.

Congress, fifth district (Republicans)—M. J. Moss, Jr., 2536; A. J. Peterson 1403.

There were no contests for either the Republican or Democratic nominations for Congress in the first, fourth and sixth districts.

Florida Fashions

(Continued from Page One)

the long bench for 3240 dresses, which would require two days to cut, and about two and a half days to sew into dresses.

Brightly lit by fluorescent lights, and cooled with large blower fans, the large upstairs room was a beehive of industry as employees demonstrated to visitors how they turn out thousands of dresses on the sewing machines.

Other machines processed button holes, and frocks were neatly pressed and folded by colored girls.

Philip Brooks is in charge of the department. Mrs. M. J. Baker who assists him in the supervision, reported that since she turned out the first dress two weeks ago, production has reached 60 dresses a day, and a peak output of 100 dresses a day is expected within eight days. At present the "Wonder Coat" a checked dress is being turned out in various shades, and was worn by all the employees. This model which has the "new look" will be concentrated upon for the next four months, she revealed. Sizes are 14 to 16.

Mrs. Baker declared that she had a fine group of girls and women who are doing excellent work, and that they like the work and working conditions. Sanitary rest rooms are maintained, first

Anti-Truman

(Continued from Page One)

of unopposed candidates who opposed Truman and his Civil Rights program but preferred to make a conference for Southern States' Rights principles.

He carried with him to victory the former Governor Doyle E. Carlton and Mary Lynn Acker, a third congressional district candidate.

Former Governor Fred P. Cone ranked next to Governor Caldwell in votes. He received 82,652. Cone is one of the Wright Democrats.

The "Loyal Democrats for Eisenhower" slate won five delegation positions with four and a half votes.

Three candidates, with two votes among them, were on the Caldwell Dixie Democrat slate and Loyal Democrat ticket.

Complete but still unofficial returns showed these delegate winners:

State at large—Governor Caldwell and Carlton (Dixie Democrats); Hallie M. Dowling and Lucille Tally (Dixie Democrat and Eisenhower slates); Norman S. Stone, Jr., (Eisenhower); and these Wright Democrats: Dr. Warren E. Anderson, Fred P. Cone, E. B. Donnell, Frank O. Taylor, Jr., Frank D. Upchurch, Mrs. J. D. Alderman, Mrs. Lena Bird, Mrs. Ruby McChesney, Mary D. Sullivan, Mrs. Mildred Taylor and Hortense K. Wells.

First district—T. H. Hutchinson (Eisenhower), and Mrs. J. Reid Ramsey (Eisenhower and Dixie Democrat).

Second district—Horace C. Avery and Mrs. Fred T. Nooney (Wright).

Third district—Byrd Sims (Wright) and Mary Lynn Acker (Dixie Democrat).

Fourth district—Thomas S. Ferguson and Mrs. Marie E. Balfe (both Eisenhower).

Fifth district—Louise W. McGregor (Eisenhower) and Claude H. Wolfe (Wright).

Sixth district—John W. O'Bannon and Mrs. Ruth S. Weigworth (Wright).

Livestock Market

THOMASVILLE, Ga., May 14. (AP)—Livestock arrivals totaled around 300 cattle, 100 calves and 200 hogs at seven major packing plants at Albany, Columbus, Thomasville, and Tifton, Ga., Thursday. Also at Jacksonville and Tallahassee, Fla.

The hog market held at strong prices, with 100 to 200 pound butchers selling at about 25 cents composite quotations at the major plants for soft and medium hogs were as follows: Medium to choice barrows and gilts, 11 1/2 to 12 1/2 pounds, 11 1/2 to 12 1/2 cents; light to medium, 11 1/2 to 12 1/2 pounds, 11 1/2 to 12 1/2 cents; heavy to extra heavy, 11 1/2 to 12 1/2 pounds, 11 1/2 to 12 1/2 cents.

The Georgia-Florida-Alabama cattle trade was closing active, with prices strong to 11 blusher for most classes. Fat cattle continued firm in price.

Blatting steers and heifers grading good and weighing 900 to 1000 pounds, and sometimes more, were quoted from 82.50 to 87.50 for most classes. Fat strictly good and choice grade longhorn steers brought 78 to 81. Medium grade steers and heifers were 82 to 84.50, with a few reaching 87. Common grades were 81 to 82.50, and canners and 82 to 84.50, with a few around 86, and Shelly canners, 81 to 82.50.

Sheep and hogs grading medium sold up to 82, with common bullocks 82 to 84, and canners and 82 to 84.50, with a few around 86, and Shelly canners, 81 to 82.50.

Medium grade beef cows brought 82 to 84.50, with a few reaching 87. Common grades were 81 to 82.50, and canners and 82 to 84.50, with a few around 86, and Shelly canners, 81 to 82.50.

Sheep and hogs grading medium sold up to 82, with common bullocks 82 to 84, and canners and 82 to 84.50, with a few around 86, and Shelly canners, 81 to 82.50.

FRIDAY, MAY 14, 1948

BIHLE VERKE TODAY

Wise physicians often suggest
to sick people to go to church.
There is an uplift in a genuine
sincere message, sincere and sym-
pathetic prayer and the singing
of great inspiring hymns. There
is a contagion of spiritual and
physical health as no man can
find that wait upon the Lord
shall renew their strength.—Isaiah
40:31.

The Titusville Star Advocate
which supported no one in the
first primary has now come out
for Dan McCarty. "As between
the two men (McCarty and War-
ren), says the Titusville paper,
"McCarty is our choice on the
basis of his past experience, his
training, his proven ability to think
straight and to exercise sound
judgment."

A bill has been introduced to
permit 200,000 displaced persons
from Europe to enter the United
States during the next two years.
Now we may find out just how
sincere our efforts to help Europe
really are. It is one thing to send
a lot of money over there "which
doesn't cost anybody anything."
It is quite another to let someone
come in who may take your job
away from you.

Another group of CIO workers
prove their fundamental loyalty
to the United States. When one
of their number at a steelworkers'
convention in Boston accused
Philip Murray of "selling out" to
the "corporate interests," they
drove him out of the hall and
probably would have killed him
if the police hadn't interfered.
Intolerant? Interference with free-
dom of speech? Not in our book.
The Constitution gives no one the
right to tell lies.

How Sanford and Seminole
County have grown during the
past 20 years was shown yester-
day in the "Twenty Years Ago"
column in which it was pointed
out that registered voters here in
1928 numbered only 3,801 as
compared with 9,213 in 1948.
The last federal census taken in
Sanford showed only slightly over
ten thousand people living here.
That was eight years ago. When
the next one is taken in 1950,
we believe even Sanford people
will be surprised at the results.

The charges that have been
brought against Dan McCarty
through the desperation of the
panicky opposition, that he has
the support of a west coast mil-
lionaire, that he is backed by the
insidious Caldwell machine, will
probably grow in intensity and
fury as the campaign progresses
and it becomes more and more
obvious that "Dan is the Man."
Friends and supporters of Mr. Mc-
Carty should be on the lookout
for last minute attacks which may
seek to smear him, without any
foundation in fact. Others should
also take with a grain of salt
reports they may hear on the
night before election. If there
were any truth in them, they
would have been brought out be-
fore this.

Senator Pepper, speaking at a
CIO convention in Atlantic City,
has finally come out openly on
his choice for President, now that
Florida has already elected its
delegates to the Democratic con-
vention. "If President Truman ap-
pears the best available candidate
in July," he says, "I'll support
him. I have felt all along the
national home of the South is in
the Democratic party. And I am
in accord with the principles of
President Truman's civil rights
program." Meanwhile, it is an-
nounced that the Solid South
group of delegates pledged to Gov-
ernor White of Mississippi have
captured 17 out of 26 places in
Florida's delegation to the con-
vention, and several of the rest
of them are on the Caldwell, or
"middle of the road" side.

What Might Have Been

In the memoirs of Winston Churchill, now appearing
in Life and the New Times, a talk with von Ribbentrop is
related. It took place in London in 1937. Churchill was then
a member of Parliament, von Ribbentrop was Nazi Ambassa-
dor.

The Nazi stated that Germany needed living room for
increasing population, was prepared to absorb Poland,
Danzig, White Russia, the Ukraine. Churchill indicated
the British would oppose such expansion, with war if
necessary. Von Ribbentrop replied that Germany did not
think England would fight.

During the period of World War I, Theodore Roosevelt
and others expressed the opinion that had Woodrow Wilson
threatened the Kaiser with war as he was about to invade
France, Germany would have hesitated and hostilities would
have been avoided. Would the Kaiser have listened any
more attentively to Wilson than did von Ribbentrop to
Churchill?

Speculations of this sort are idle. What's done is done,
and unknown factors might have produced events different
from any possible speculation.

Every American likes to make swift judgment: "He
ought to do this!" Every imaginative and thoughtful soul
indulges in the speculation: "If we just had sense enough to
move in that direction!" But these too often ignore the
exigencies of congressional processes, or the time required to
accomplish a purpose. No President, for example, may
threaten war on his own account. No responsible human
being, President, Congressman or plain citizen, moves
toward war with anything but the deepest reluctance.

Yet we all love to speculate, and why should we not?
Sometimes we do learn something that helps next time.
And often the spotlight of history shows a moment when
the fate of the world hung in breathless balance and it
looks as if it could have been pushed by a word toward
progress or toward catastrophe.

What would have happened had von Ribbentrop been
persuaded by Churchill?

Filming Al Smith

Hollywood is reported to be considering a screen bio-
graphy of Al Smith. "Wilson" and "The Roosevelt Story"
proved that the much-abused movie directors can produce
serious, interesting biographies without taking too many
liberties with their subjects.

Al Smith's appeal will naturally be less. He never got
to be President, so to many parts of the United States he
is nothing more than a New Yorker who ran for the White
House and was beaten. Also, Al Smith soured on his party
in the Roosevelt heyday, and remained a man without a
party for the rest of his days. But as an able, high-minded
official, the first presidential candidate who was born of
the city proletariat, he will not soon be forgotten.

A film biography might help keep his memory green,
and much may be learned from his experience.

Arrant Pedantry

Winston Churchill recently took a crack at the old
rule that a preposition should not be used to end a sentence.
A memorandum of his, sent to the foreign office, contained
such a sentence, and was duly returned to him with a circle
round the offending preposition, a query in the margin.
Churchill wrote back in high dudgeon, "This is arrant
pedantry, up with which I will not put."

Or, as the little girl asked, "What did you choose that
book for me to be read to out of?"

Twenty Years Ago Today

Seminole County's political
army stormed Oviedo Saturday
night where 300 persons crowded
into the school building to hear
the candidates make appeals for
votes from the citizens of that
section.

Before the meeting, which be-
gan at 7:30 o'clock, 150 of the
visitors were served with chicken
suppers prepared in the school
kitchens by the women of Oviedo.

Mr. and Mrs. William S. Brum-
ley and children left recently for
Hendersonville, N. C., where they
will spend three months.

Mr. and Mrs. Roy McIntyre of
Lakeland returned to their home
today after spending several days
here as the guests of the former's
sister, Mrs. J. N. Tolar at her
home on Tenth Street.

L. J. Bush of Atlanta, Ga., is
expected to arrive here tomorrow
to visit his niece Mrs. J. N. Tolar.

Mr. and Mrs. E. C. Davis re-
turned to their home at Orlando,
yesterday evening after spending
a few days here as the guests of
the latter's parents Mr. and Mrs.
W. P. Fields.

Clarence Fields of Miami spent
several days here with his parents
Mr. and Mrs. W. P. Fields.

Mr. and Mrs. William Allen of
Daytona, Mr. and Mrs. L. B. Ed-
wards and son Paul of Daytona,
Miss Minnie Allen of Tampa, Tim
Allen and son J. F. Allen of Or-
e-cent City spent the day here yester-
day as the guests of their
mother Mrs. E. J. Allen.

Mr. and Mrs. Denis Stafford
and small daughter Helen Ellen-
both motored to Orlando yester-
day where they spent the after-
noon as the guests of Mr. and
Mrs. La Rue Ellis.

Dr. T. Allen Jones of Holopaw
spent yesterday here with his
mother Mrs. Minnie E. Jones.

Miss Betty Waring of Sum-
merville, S. C., is expected to ar-
rive here this week and will be
the guest of Mrs. T. L. Dumas at
her home on Park Avenue.

Mrs. E. E. Pulliam and son
Gordon, and sister Mrs. Unsell of
Micoola spent the day here Sun-
day as the guests of Mrs. Sara
Stewart at her home on Mellon-
ville Avenue.

Miss Ruth Pulliam of New
York is spending a few days here
as the guest of Mrs. Sara Ste-
wart and family on Mellonville
Avenue.

Mrs. Dwight Rabbit has as her
guest at her home on East-
ford Avenue, Miss Anna Lee

Bueche of Minneapolis, Minn.,
who has been spending the winter
at St. Petersburg and is en route
home.

Mr. and Mrs. Tom O. Owen of
Clearwater spent the week-end
here as the guests of Mrs. Owen's
sister, Mrs. Ernest Hill at her
home in Palm Circle.

Mr. and Mrs. Franklin D. Hard-
away and baby of Orlando spent
the past several days here as the
guests of Mrs. Hardaway's par-
ents, Mr. and Mrs. Harry J. Wil-
son.

Mr. and Mrs. Fred Walsma of
Haines City, are spending a few
days here as the guests of Mrs.
Harry B. Lewis at her home on
Magnolia Avenue.

Australian Trip To Be Made In 50 Foot Boat

WILMINGTON, Calif. May 14
(P)—If there's a young couple
looking for an adventurous way
of getting to Australia, Dwight
Atwater is your man.

With his wife, Carol, and three
children, he's readying a 50-foot
auxiliary staysail schooner for a
voyage he expects will require
four months. There's room for
another couple to share the ex-
periences (and work).

"I think Australia is a land of
opportunity and I want to make
my home there," Atwater said.
"We can't book steamer passage
until 1949 so we bought this boat
to make the trip."

The starting date is set tenta-
tively for May 20. The schooner,
purchased with money realized
from sale of the family home, is
being provisioned at the Fellows
and Stewart Shipyards here. It
is equipped with a 110-horsepower
auxiliary engine.

Atwater hopes to settle in or
near Brisbane and become a com-
mercial fisherman. His children
are Carol Belle, 16; Marilyn, 14;
and Stephen, 15 months.

GERMAN STRIKE
FRANKFURT, Germany May
14 (P)—German women 5,000
strong marched on Adolf Hitler's
former parade ground in Munich
today in protest against food
shortages.

"We and our children are hun-
gry," they cried. Another 400
paraded before the Coburg city
hall demanding an "end of the
hunger government."

Thousands of men were on
strike against food shortages in
the American zone, particularly
in Munich, Nuremberg, and Augs-
burg.

Monow, home of the University
of Idaho, was called "Paradise"
before its name was changed in
1878.

THE WORLD TODAY

By DEWITT MACKENZIE
AP Foreign Affairs Analyst

As the Jews of Palestine move
to reestablish the Hebrew state
after a lapse of nearly 2,000
years, one frequently hears the
query: Just what is the urge be-
hind this unswerving crusade—
this willingness to die—for a na-
tional home in the Holy Land?

Palestine is small. It isn't bless-
ed with an abundance of natural
resources. It is largely undevel-
oped, and progress must be
achieved by sacrifice and sweat
of the brow.

Why then this insistence on a
national home, and in Palestine?
Why was it that when I visited
the huge camp for displaced per-
sons at Belsen, Germany, in 1946,
crowds of Jewish boys and girls
from Poland told me that they
didn't want to be sent back
home?

"We want to go to Palestine,"
they chorused.

When asked if they wished to
be farmers they replied:
"We don't care what we do, so
long as we get to Palestine."

Well, it strikes me that one of
the fundamental reasons for this
display of determination is spiri-
tual. In any event my observa-
tion leads me to believe that this
certainly is true of the orthodox
Jew. Palestine has been the spiri-
tual homeland of the Jews for
4,000 years, since the time of the
patriarch Abraham who emigra-
ted from Mesopotamia to Canaan.
It is the place where many ortho-
dox Jews would like to be buried
if that were feasible.

Naturally there is no thought
that the Jewish citizens of Amer-
ica, and of other Democratic and
upright countries, will flock to
Palestine and take up residence
there. Still, the little country
does provide a refuge for thou-
sands of Jews who have been re-
ndered homeless and set adrift by
the Hitlerian aggression which
had as one of its horrible objec-
tives the destruction of all Jew-
ish peoples whom the Nazi har-
barian could reach.

And these victims of Hitler
aren't the only ones who long for
new homes. Did you ever visit any
of the Eastern European cities
which have restricted the Jews
to the ghettos? I have, and con-
ditions have been terrible. Not
only that but often the Jewish
quarters have been swept by
fierce pogroms, due to racial hat-
reds.

So provision of a refuge for
the needy is a second reason for
the desire to establish a national
home. And then there seems to
me to be yet another—the pride
of seeing a Hebrew government
more functioning in the land
of the great kings, Saul and

David and Solomon.

Of course, there is another side
to the story—the Arab side. The
Arabs, who outnumber the Jews
in Palestine about two to one and
also have their spiritual and na-
tionalistic claims, are dead against
a partition of the country and the
establishment of a separate Jew-
ish state. Thus it is that we find
the British mandate over Pales-
tine ending in bloody strife be-
tween Jews and Arabs, and with
prospects of an even worse up-
heaval before the issue is settled.

The U. N. still struggled to
find some way to halt this war,
which might develop into another
global conflict. Meanwhile Jew-
ish chiefs in Palestine have mo-
bilized all their people who had
military training, both men and
women, as a precaution against
the threatened invasion of armies
from neighboring Arab countries.
At the same time the seven-na-
tional Arab league prepared to set
up an Arab civil administration
for Palestine as distinguished
from a state, to cooperate with
the Arab armies.

This was the situation Britain
was leaving behind as she aban-
doned her difficult mandate after
a generation of trying to satisfy
the claims of both Jews and
Arabs.

Advanced Types Of Melons, Grapes To Be Seen At Meet

LEESBURG, May 13 (P)—
Marked progress with both water-
melons and grapes will be seen at
the annual field day of the Uni-
versity of Florida Agricultural
Experiment Station's watermelon
and grape laboratory here May
20.

Dr. G. K. Parris, plant pathol-
ogist in charge of the laboratory,
says visitors will see the breeding
plots which contain a wild-resis-
tant cannonball melon and other
strains which do not succumb to
this disease. The laboratory is
making selections of Blackie for
earliness. This resistant variety
developed at the laboratory may
become popular with growers as
earlier strains are selected.

In addition to breeding for wilt
resistance, the laboratory is also
endeavoring to produce strains of
watermelons resistant to anthrac-
nose and downy mildew, two other
serious diseases.

New rootstocks for grapes give
promise of vastly improved vigor
and yield and may bring new life
to this waning industry. Visitors
may see results of spray tests for
black rot and other fruit diseases.

It took seven days and nights
for the army of Xerxes, the Per-
sian general, to cross the Helles-
pont in 480 B.C. Distance cover-
ed: seven-eighths of a mile.

Marlboro SPORTSWEAR
slip this one over on your self
Marlboro comes up with a sport shirt called
"The Gadabout" ... an unusual slipover style
that you'll call the brightest idea of the
season. Equally unusual, you'll agree, is
the wide range of shades ... variety enough to
suggest your teaming up with several "Gadabouts"
from now clear through the sport shirt season. \$5.00

## Social Calendar

**MONDAY**

The Elsie Knight Circle of the First Baptist Church will meet at the home of Mrs. Volie Williams, 609 Magnolia Avenue at 8:00 P. M.

The W. M. U. of the First Baptist Church will meet at 8:30 P. M. at the church. The mission topic will be "Laborers together in our denominations" with Circle No. 3 in charge.

The Sunbeams of the First Baptist Church will meet at 8:30 P. M. at the church.

The Dependable Class of the First Methodist Church will meet at 8:00 P. M. at the home of Mrs. G. B. Hudson, 113 Holly Avenue.

The Woman's Auxiliary of Holy Cross Episcopal Church will hold a box luncheon at 12:30 P. M. at the Parish House.

The Past Matrons Club, Order of Eastern Star, will meet at 8:00 P. M. at the home of Mrs. Lottie Nix, 1812 Palmetto Avenue. Mrs. R. C. Maxwell will serve as co-hostess.

The Prayer Band of the Presbyterian Women's Auxiliary will meet at the church at 3:00 P. M. with the regular business meeting of the auxiliary being held at 3:30 P. M.

The Townsden Club will meet in the Tourist Center at 8:00 P. M. to be followed by entertainment and refreshments.

**WEDNESDAY**

The Civic Department of the Sanford Woman's Club will have its monthly meeting at 12:30 P. M. in the form of a covered luncheon. Hostesses will be Mrs. Robert Cobb, Mrs. Francis Bolt, Mrs. E. A. Monforton and Mrs. R. C. Wiley.

## Hadassah Group Has Monthly Luncheon

The Sanford Chapter of Hadassah held its monthly luncheon at the home of Mrs. Michael Ginson in Mayfair on Tuesday at 1:00 o'clock. Mrs. Ginson and Mrs. Fred Stein were co-hostesses for the meeting. The rooms of the Ginson home were attractively decorated with spring flowers with small arrangements placed on the individual luncheon tables.

The meeting was called to order by the president, Mrs. Frank Shames, and Mrs. David Levy presented plans for the next meeting to be held on May 18 at the home of Mrs. Leonard Munson. The proceeds from the shower will be devoted to supplies for Palestine.

Arrangements were also made for a cafeteria supper that day to fund the fund for Hadassah Medical Organization under the chairmanship of Mrs. Munson. Elections of officers was held at the meeting for the ensuing year and are as follows: president, Mrs. Shames; vice president, Mrs. Herman Jacobson; treasurer, Mrs. William Toll; secretary, Mrs. Ben Katz.

A memorial tribute was paid to Dr. Hiam Yassky who was killed by a sniper on his way to the Mt. Scopus Hospital. The program, dealing with current events in Palestine, was under the direction of Mrs. Herman Jacobson.

Those attending the luncheon and meeting were Mrs. David Levy, Mrs. Leonard Munson, Mrs. William Toll, Mrs. Herman Jacobson, Mrs. Frank Shames, Mrs. Phil Moss, Mrs. Ben Katz, Mrs. Phillip Kessler, Mrs. Michael Ginson and Mrs. Fred Stein. Mrs. Ed Weiss was a guest.

## High School Band Gives Last Concert

B. E. Black, director of the Seminole High School Band, announced this morning that a good crowd was in attendance at the last concert presented at 7:00 o'clock last evening at the park in back of the Tourist Center by the band. He also stated that new uniforms have been ordered for the graduation exercises in June.

Among the numbers rendered on the program last night were "The Star Spangled Banner," "Billboard March," "Independence Overture," "Stardust," "Old Gray Mare," "Tiberius Overture," "Footlifter March," "Gypsy Festival Overture" and "Washington Post March."

Grated American cheese is excellent added to French dressing or mayonnaise and used on a cooked vegetable salad. Serve on a bed of crisp greens such as escarole, chicory, watercress.

## Junior High PTA Has Last Meeting

The Sanford Junior High School Parent Teachers Association held its last meeting of the year on Tuesday afternoon at 3:30 P. M. in the school auditorium. Plans were made for two picnics to be held in the near future and they will be a picnic for the entire school on May 21 at Fort Mellon Park. The second will be a picnic for the graduating class on June 4 at Fort Mellon Park also.

Following the business meeting the installation of officers was conducted by Mrs. John Rogers. Officers for the new year who took office are Mrs. Henry McLaughlin, Jr. as president; Mrs. Robert Rumbley, vice president; Mrs. R. W. Cassube, secretary; Mrs. S. O. Chase, treasurer and Mrs. John Miller as historian.

## Seminole Hi By BOBBY PARK

As the end of school nears the time flies faster and faster. I honestly believe that what this year needs is a good old fashioned 24-hour day. The way time flies I'm sure the old 24-hour day can't be worth more than 16 or 18 hours at the most. Anyway, despite the speeding up of night and 'daxes', the students are finding time to squeeze in every imaginable activity.

Last Friday night the annual May Day Ball was held with Bessie Faircloth and Peggy Pippin as King and Queen, as you all know by now. Perhaps their identity was a well kept secret only from me, but I didn't know who either the Queen or the King was until Friday night.

Monday night to start the week's activities, was the annual Key Club Mother's Day Banquet. Dean Davis of Stetson University spoke to the mothers and Key Clubbers. The Club, in appreciation for his guiding the Key Club along the adventurous year of 17-48, presented Dr. J. B. Root with an attractive pen and pencil set. Each lady guest of the Club was given a lovely corsage. Fred Rosseter, as president, presided over the Club's Banquet.

Tuesday at the Key Club meeting plans were made for the Thursday chapel program. Names of 17 freshmen were submitted to the club. Four of these boys will be elected Tuesday to be next year's sophomores members. The next meeting of the Key Club will see the election of next year's officers.

Thursday morning the results of the Key Club's carefully planned chapel program produced results. For the first time in the history of S.H.S. the students held a Rat Court for the Teachers. Members of the faculty called to the stage, their charges, and their punishments were: Dr. Root, telling too many jokes in class, speaking to the student body for five minutes on the brilliance of the senior class; Mrs. Lynch and Miss Riser, giving too much homework, cover blackboard with apologies; Mrs. Fort, being too strict on physics class, were dunces; Mrs. Bisbee and Mrs. Wray, spending too much time in the lunch-room, sentenced to jitterbug (their partners were Kay Shoemaker and Benny Mills); Miss Harbert, flirting with students do reference work, battle blind-folded, at ten feet with hard-rolls; Mr. Morris, charging for use of school building, tell about his first date with Mrs. Morris; Mr. Black and Mr. Harris, creating disturbance in the hall, flour battle.

The program, regardless of how dry it sounds on paper, was one of the very funniest programs ever to grace the stage of S.H.S. The cheerful cooperation on the part of the teachers made the program a real success. M-Mero loaned the club chains with which to lead the prisoners to the stage. Members of the student body testifying against the teachers were: Arnold Harrington, Bill Kilpatrick, Charles Apperlin, Stanley Brumley, John Root, Lillian Moran, Joanne Williams, Charles Lansing, and Wade Garner. Bobby Pullin was the officer in charge of questioning. Fred Rosseter acted as judge. Leslie Harvey and Randall Goff were the efficient marshalls. The student body was one of the most cooperative and generous audiences ever assembled. The Key Club indeed, wishes to thank the faculty members for being such good sports and cooperating so good-naturedly. Without your help the program, literally, could not have been presented.

Thursday and Friday there was

## Personals

Mrs. Harry Ward has returned to her home in Rose Court after spending several days in Orlando as the guest of Mr. and Mrs. Harry Flower.

Mrs. O. L. Barks and children plan to return to Sanford this weekend after spending some time in Columbus, Ga. with Mrs. Barks' mother.

Friends of Mrs. Charles W. Hamill will be glad to learn that she has returned to Sanford after undergoing an operation in Waycross, Ga. Her husband accompanied her home.

Mr. and Mrs. James N. Robson, Jr. plan to return to their home in Sanford next Monday from West Palm Beach. Mr. Robson has been spending the past month in West Palm Beach with relatives and was joined during the past week by his wife.

## WASHINGTON LETTER

By JANE EADS

WASHINGTON—Patients who came from the battlefields of the first World War to Walter Reed Hospital dubbed the volunteer Red Cross workers "Gray Ladies" because they wore gray dresses and gray veils.

The name stuck. This month the organization of Gray Ladies is thirty years old. It has grown into an organization numbering more than 25,000 members who contribute their time and services to 851 hospitals throughout the United States.

The expansion of the Gray Ladies has not been confined to Federal hospitals. More and more community institutions are finding Gray Ladies service of value. An outstanding phase of their work today is with crippled and hospitalized children.

Every year more than 1,000,000 children are admitted to hospitals in this country. Hospital officials estimate that 40 percent of the child patient's day is taken up with physical care, leaving 60 percent of his time free.

Red Cross volunteers know that each child in a hospital ward must be kept calm and quiet. They also know that play, intelligently directed, can serve as preventive medicine. It directs the child's attention from himself and his illness to new creative ideas.

In Baltimore, Gray Ladies are serving at the Children's Hospital School. Ten little patients are completely engrossed in "iron lungs." Gray Ladies feed them—it takes an hour for each one. They read to them, cheer them, ease the demanding tasks of the nurses. Gray Ladies help children with their school lessons in hospital wards.

Learn your ABCs given by Gray Ladies. Adolescent boys in the psychopathic wards look forward to weekly movies shown by the volunteers. Gray Ladies are teaching leather tooling, oven clay modeling, spatter painting, typing, music and sewing to young patients in the Lillian Taylor School for physically handicapped children in Galesburg, Ill. In the clinic admitting room of Children's Memorial Hospital in Chicago, Gray Ladies help nervous youngsters overcome their fears by producing toys, mechanical animals and picture books to divert their attention.

## Roumillats Honor Sanford Visitors

Mr. and Mrs. F. E. Roumillats entertained on Wednesday evening aboard their yacht "Sisylark" with a boat party honoring Mr. and Mrs. David Caldwell, who are former residents of Sanford and are visiting here as the guests of Miss Lettie Caldwell and Mrs. Alice Wight. Guests met at the Sanford Boat Works where they boarded the yacht and cruised on the St. Johns River.

Singing was enjoyed and late in the evening a picnic supper was served by the hostesses. Those enjoying the cruise were the host or guests, Mr. and Mrs. Caldwell and Mr. and Mrs. B. L. Perkins, Mr. and Mrs. George E. McCaul, Mr. and Mrs. Edward F. Lane, Mrs. Belle Barnwell, Mrs. Wight, Miss Jennie Taylor and the host and hostess.

## Lake Mary

By MRS. RAYMOND BALL

Mr. and Mrs. George Mayberry are spending a two weeks vacation in Massachusetts.

Mrs. Ruth Kirsch and daughter have moved to Lake Mary and are residing on Crystal Lake Avenue. Mrs. Kirsch's mother is still here.

Mr. and Mrs. George Patterson entertained the Tuesday night Tourist Club with a card party at their home on Lake View Avenue last evening.

Mr. and Mrs. Raymond Ball attended the State Music Concert in Tampa last Tuesday evening. While there they were the guests of Mr. and Mrs. Joe Clark, former residents of Lake Mary.

Of interest to friends was the marriage of Miss Maureen McCaughey of New York City to Mr. Gerald H. Walthall, Mr. and Mrs. Walthall were married April 24, 1938 at St. Ann's R. C. Church in the Bronx. Mr. Walthall is connected with the Strickland-Morrison Motors in Sanford.

Mr. and Mrs. Edward C. Walthall of New York City are visiting Mrs. R. P. Walthall in Lake Mary.

Minnie Walthall of Miami is the guest of her mother Mrs. R. P. Walthall.

Mr. Frank Beall of Miami was the guest of Mr. and Mrs. Raymond M. Ball.

## Physicians Reminded To File Certificates

TALLAHASSEE, May 14. (AP)—The State Board of Health today reminded physicians they are required by law to file birth and death certificates with local registrars.

In a statement in the journal of the Florida Medical Association, the board reported some doctors "have refused to file these certificates with the local registrar because of the lack of payment of the medical fee."

"It is believed that such practices are a result of a misunderstanding and are due to the impression that the filing of the birth or death certificate is a service to the patient. This, however, is not the case. It is a service to the public and is required by law."

## THE GARDEN GATE

MRS. E. G. KILPATRICK, JR., Editor  
Weekly Column of the Sanford Garden Club

We are hoping to you a picture in your mind's eye of the garden of the Theawepps. You, no doubt, read about the social part of the lovely party given the Garden Club Board in yesterday's Sanford Herald. This estate garden is on the Orlando Highway. The south entrance is just to the right as one drives in, to find the Theawepps just in keeping with the su-roundings—home its back garden facing beautiful Lake Minnie. Mami! guessed it yet? Dr. and Mrs. A. W. Epps. Lady Evelyn is the Genial Garden Club President.

As we said, the garden gate we first drove into was from the south side. This is Theawepps' white garden. From the winding, forked road studded with palm-trees, their fronds suspending well-kept up bird houses, and from small gardens and short-edged paths of petunias we parked our cars, to meet Madam President, bottle-opening and handing us an iced Coca-Cola. But we must relate no more of that. We almost could have survived on what's this—"Cosmic breath"—"Just go right in and make yourselves at home" we were advised.

Don't you just relax to a rustic Lodge. Somehow you hardly realized you were in the confines of just a house. Paintings everywhere, yes, but suitable paintings on walls—the kitchen cupboards had Mexican done in fishing play. But we skipped the living room. And must take you back on cool stone floors to a life-size painting on the wall, but entrance of water lilies, flamingo and show rush. The seagull green was there, but burnt show weeds were too, in the background your eye wandered back and forth, from the opening green and white lilies afloat on cool and mirrored shadows to meet Madam President. But you would want to wend your way to Lake Minnie. But the summer solstice was on. You, with us want to stop under the large striped orange-white umbrella. Lean your elbows on the rustic table and look far and near at the splash of color that is the lake's foreground. Not so much red. (Madam President confided in us, "Really, I don't go in much for red in the floral line. But there were pansyvelvety petunias in crimson and darkest royal purple. Paths of day lilies, their yellow matching the sun. Green and somewhat red calladiums lolling their leaves under the shady canopy of a tree here and there. Gardenias rich in their white velvet and green sheen of glossy leaves. Roses (pink talisman and white). And Ye erabapple tree! It was boasting itself in full bloom and had so many admirers.

But Minnie was insistent and we went down to her. She rests at the foot of quite a long hill, but we sloped down and decided Lake Minnie wasn't having any nap. She was rippling lovely and the sun made her silver enough to cause us to squint. We sat down

again being vacation-minded, you see, on a cool stone bench. Then moved to a pergola a short distance off. But didn't rest so long here. The Past Presidents had to stand up to be pictured.

Coming up the hill we espied the Watsonia lilies. Their bulbs are similar to the gladioli. These were colored in salmon and rose. They belong to the Iris family, you know, but grow up a stem, similar to the holly hock. They grow from one to six feet. We wish we knew why they are so named. They last a long time, which is another beauty of them.

Yearning for the rest of the group, we finished the hill and passed the bird feeding station and bird baths to sit down on the porch. Asked Mrs. Donald Bishop, Jr.: "Heard the quail? They're so tame around here." Mrs. Epps joined us and we asked if she found time to watch the feeding stations and the bird baths. "No," she smiled. "They're my husband's."

"Well," we quizzed. "You've never told us you painted. Come in the living room again and fess up. The gorgeous water lily study has very daintily in one corner, E. Epps. What makes us think we've seen it before?"

"Come to think of it," smiled Madam President, "years ago it was, the first year we came out here, maybe seven, Mrs. Scott said she must have it in a Woman's Club exhibit."

"Are you telling us all that?" we intoned.

"Well, it took first prize there."

"Ah! huh!" we averred. Then looked through the opened sweep of garden from the doorway and declared, "we like it because it's tropical and woody," and Madam President answered, "I have allowed like to the appropriate ways tried to stick to native paintings, or materials."

We didn't want to go out the garden gate homeward bound. But then it came to us, we better.

## Luncheon Club Meets With Mrs. Perkins

Mrs. B. L. Perkins entertained members of her Thursday Luncheon Club yesterday at 10:30 o'clock at her home on Magnolia Avenue. Spring flowers were used in decorating the rooms of the Perkins home and during the morning several progressions of bridge were enjoyed. After the scores were added the high prize was awarded to Mrs. George D. Bishop, second high to Mrs. W. C. Hill and the screen prize was won by Mrs. R. R. Deas.

At the conclusion of the bridge games a delicious luncheon course was served by the hostess assisted by Mrs. Belle Barnwell. Those enjoying the morning were Mrs. J. O. Laney, Mrs. Bishop, Mrs. Hill, Mrs. Deas, Mrs. John Eick, Mrs. E. I. Hoy, Mrs. J. G. Sharon, Mrs. Sadie Brouse and the hostess.

**ALL EYES ON YOU**

... when you're agog with this waist-away, hip-emphasized basic by Vicky Vaughn Jr.

One shoulder is a bloom with an eyelet pique posie on cool leaf applique. One layer of that 2 tiered perky pepium is more spanking white eyelet embroidered pique.

And it's every bit as cool as it looks in leather-welt, ice-box-crisp rayon linen. Aqua, light blue, gray, melon, brown, navy, pink or yellow in sizes 9 to 17.

## Lady Does Not Like To Play Catch With Wrestler At Match

OKLAHOMA CITY, May 14.—(AP)—Mrs. Hazel Frakes doesn't like to play catch at a wrestling match. Not when she has to catch the wrestler.

And to make her point good she has gone into district court here and sued. She wants \$10,000 damages for ringside fielding last February 13—which was a Friday.

Briefly put, the legal language says Leroy McGuirk tossed Danny McShain out of the ring and into her lap. McShain is no pixie; he weighs 190 pounds. She says his impact knocked her into the second row and, eventually, into a hospital.

And Mrs. Frakes is suspicious, too. She doesn't for a moment believe it was all an accident. McGuirk, the suit says, did it "willfully . . . as part of the regular scheduled and rehearsed show."

Ottawa, the Canadian capital, didn't become Ottawa until 1854; before that it was known as Bytown, after a British colonel, John By.

Normal life in an ant colony centers about one or more egg-laying queens, attended and supplied by numerous workers which she herself has produced.

Costa Rica spends nearly 15 percent of its national income on education.

OKLAHOMA CITY, May 14.—(AP)—Mrs. Hazel Frakes doesn't like to play catch at a wrestling match. Not when she has to catch the wrestler.

And to make her point good she has gone into district court here and sued. She wants \$10,000 damages for ringside fielding last February 13—which was a Friday.

Briefly put, the legal language says Leroy McGuirk tossed Danny McShain out of the ring and into her lap. McShain is no pixie; he weighs 190 pounds. She says his impact knocked her into the second row and, eventually, into a hospital.

And Mrs. Frakes is suspicious, too. She doesn't for a moment believe it was all an accident. McGuirk, the suit says, did it "willfully . . . as part of the regular scheduled and rehearsed show."

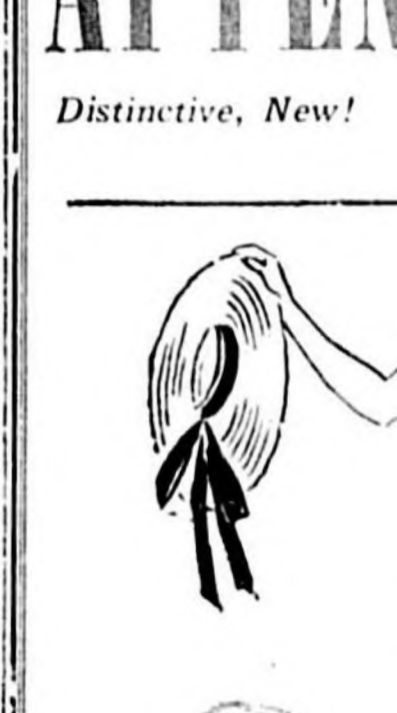

Ottawa, the Canadian capital, didn't become Ottawa until 1854; before that it was known as Bytown, after a British colonel, John By.

Normal life in an ant colony centers about one or more egg-laying queens, attended and supplied by numerous workers which she herself has produced.

Costa Rica spends nearly 15 percent of its national income on education.

# Giants Nip Hats, 8-5, And Gain Game On Leading Sens.

## Locals Extend To 8 Current Streak; Invade DeLand To Play Tilt Tonight

By ARTHUR BECKWITH, Jr., Herald Sports Editor.

The Sanford Giants extended their current victory streak last night by thumping the DeLand Red Hats by an 8 to 5 margin at the Municipal Park. The victory, coupled with Daytona's 8 to 7 win over the Orlando Senators, placed the Giants one game nearer the top of the ladder in the Florida State League standings. The Giants rest one and one-half games behind the loop-pacing Orlando.

The popular righthander, Buddy Lake went the right last night to chalk up his fourth victory against one defeat thus far this season. Chubby Hal Stewart, righthander, secured the win for the Giants, toiled on the hill for the sagging DeLand organization, and was nicked for 12 hits, the same number that his mates received from the slants of Lake, but the Sanfordites placed the knocks in the spots that would count the most.

The Giants invade DeLand for a return engagement at Conrad Park tonight, and it is probable that Manager Hal Gruber will send Righthander Joe Schultz to the mound for a stint of hunting duty. Tomorrow evening the Palatka Azaleas invade the Municipal Park for a game with the Celery City aggregation, and Sunday the locals return to Palatka. Monday evening the Sanfordites are scheduled to play the Orlando Senators at the local park in what promises to be a heated series.

Manager Gruber will probably name Art Dunham for the pitching assignment here tomorrow evening and will send Eddie Lewis against the Senators Monday evening.

Lake assisted his own cause last night by polling a ball far over the right field wall for a home run in the eighth canto.

Dave Bride, former Sanford Celery City player, paced the DeLand attack by rapping out three bingles in five trips to the plate. Tom Cataldo worked Stewart for two hits in three appearances at the plate for the locals.

Manager Gruber announced last night the Pitcher Bob Marshall has been released outright to Lenoir, N. C., and that an announcement concerning further cuts will be made tomorrow or Monday. All clubs in the circuit must have their rosters trimmed to the required 17 players by midnight tonight.

## Vols Continue To Victory March In Southern Ass'n

By ASSOCIATED PRESS.

Nashville's league-leading Vols chalked up their sixth straight victory in the Southern Association last night and Birmingham shamed Mobile, 9-8, to replace the Bears in the runner-up spot.

The Vols bumped Little Rock, 6-3, on some early inning scoring; Memphis blasted Chattanooga, 13-3; and Atlanta beat New Orleans in 12 innings, 7-5.

Eddie Lyons provided the lethal punch at Mobile, hitting a grand slam home run in the ninth to offset a five-run outburst by the Bears in the last of the eighth. The Bears came back to load the sacks in the ninth with only one out, but failed to score. Four Baron hurlers took part in the final game. The lead had changed hands four times before Lyons' wallop.

It was the second straight nine the Chicks had found the Chattanooga pitchers easy targets. They got 17 hits with Paul Armstrong leading the attack with four for five. The Chicks went on a scoring spree after the third inning, in which each team scored once for a 1-1 deadlock.

John Perovich held the Look-out to eight hits and never permitted more than one run at a time. He struck out nine. Armstrong had two doubles and two triples but batted in only two runs.

Larry Drake got three of the Chattanooga hits to run his hitting streak to 19 games.

Little Rock outdid the Vols, 10 to eight, but Pete Mallory scattered them effectively except in the ninth when the Travelers rallied for two runs on three hits. Mallory walked four and fanned the same number. Joe Damato, 11 second baseman, had three of his team's hits and scored three runs.

Norman Brown relieved Shelby Kinney to gain credit for the Atlanta victory and held the Pelicans hitless after taking over in the tenth. Three of the Pelicans runs came on homers with Al Fair's tying the score at 5-5 in the seventh. The Crackers had scored five times in the fourth, two coming on a home run by Tom Neill.

The Crackers loaded the bases in the twelfth on two singles and a walk. Chet Hajduk singled in one run and Buster Maynard knocked in the final run.

## Tars Whitewash Columbia In 2 To 0 Sally Contest

By ASSOCIATED PRESS.

The fourth place Columbus Cardinals wrapped up their sixth triumph in eight games at home last night by defeating the South Atlantic League leading Greenville Spinners 7 to 0, but it took the Birds 11 innings to turn the trick.

The Spinners kept their grip on first place, but the Charleston Rebels were closing behind, moving up a little closer by winning from Savannah 9 to 7 on ten hits.

Jacksonville in third place won 2 to 0 over Columbia behind the sterling two-hitter of southpaw Lou Lombardo, who fanned 11 Reds in chalking up his whitewash.

In the league's other game, cellarite Augusta came to life with 11 hits and defeated the Macon Peaches 8 to 5. The triumph was a parting gift to manager Bill Cooper, who was released from his duties after the game.

Cooper will be replaced tonight by Mike Garbar, veteran catcher from Chattanooga in the Southern Association.

Angie Zande, who went to the mound in the ninth, was credited with Columbus' see-saw victory. The Spins touched four Cardinal pitchers for 13 hits.

In the free-hitting affair at Charleston, the Indians went on a five-run rampage in the seventh, and then showed two more acres in the ninth, but the Reds had already packed the game away with ten safeties.

Manager Bob Osborne pitched classy ball for Macon in a relief role, but the Peaches were never able to overcome an early Tiger lead.

## New York Giants Take Over Lead In NL Standings

By JACK HAND, Associated Press Sports Writer.

Ray Poat's Spring success takes the heat off New York Giant officials who booed Bill Voiselle to Boston for a sore-armed pitcher, now retired.

The two-hit shutout that Poat threw against the St. Louis Cardinals yesterday boosted the Giants into the National League lead. Despite Voiselle's four straight victories, the Braves still are in the second division.

Furthermore, there is no assurance that Voiselle would sport that 4-0 record if he still worked for manager Mel Ott. "Old 96" never forgot the \$500 fine that Ott handed out for throwing a wrong pitch at St. Louis in 1915. He developed an anti-Ott complex.

Ott probably has no regrets about the trade that sent Voiselle to the Boston Braves last summer for Mort Cooper, even if Mort never did regain his old form. Cooper finally quit and retired to run his business in St. Louis.

Poat, purchased from Baltimore last summer after failing to make the grade with Cleveland, now has won three of four.

A single by Enos Slaughter in the second inning and a double by Red Schoendienst in the third were the only St. Louis hits off Poat in his 5-0 win. For five innings it was a scoreless duel between Poat and Red Munger, but the Giants got two in the sixth and knocked out Munger in the eighth.

Voiselle, who underwent an operation for varicose veins during the winter, blanked Chicago with four hits, 2-0, to leave Boston at the 500 mark. Bob Elliott drove in both runs with a single and an infield out. It was a fourth loss for hard luck Johnny Schmitz who also gave up only four hits.

Brooklyn broke even in the West by sinking Cincinnati, 9-3, for the Reds' seventh straight loss. Francher Rose went the route for his first win at the expense of Ken Raffensberger.

Pittsburgh squeaked ahead of St. Louis to second place in the National by a night game win over the Phillies, 5-1. Rookie Bob Chernes, making his first start in the majors, received credit for the decision although he required relief help in the seventh. Chernes helped his own cause with a triple and Frank Gustine contributed a two-run homer.

The Philadelphia Athletics, their 10-game winning streak intact as they were not scheduled yesterday, come into the Yankee Stadium today to open a vital four-game series with New York.

Vary cheese fondue, an economical basic dish, by adding a small amount of canned or cooked chopped shrimp before it is baked. Serve with a hot tomato sauce flavored with basil.

The Missouri River basin covers one-sixth of the United States.

## Last Inning Rallies Settle 3 Southeastern League Contests

By ASSOCIATED PRESS.

Last inning rallies settled three of the Southeastern League games last night, but Vicksburg coasted to an 8-1 victory in the other game by scoring three times on Gadsden in the first inning.

Pensacola scored twice in the top of the ninth to beat the pace-setting Montgomery Rebels, 6-4, marking the first time this season that the Rebels have lost two straight.

The Jackson Senators scored once in the bottom of the ninth to tie the Anniston, 5-5, then beat the team in the tenth inning, 6-5. Semal also won with a rally in the ninth at the expense of Meridian, 11-9. Cash homered with one on and the score tied.

Anniston fell out of a fourth place tie with Selma and Vicksburg in the only change in the standings.

Selma's Bryson turned in the night's best mound performance in holding the Peas to five hits. His teammates made that many errors, but helped him along with 15 hits.

Meridian scored seven runs in the first four innings at Selma on three hits. Three errors and two walks in the first gave them five runs as Fred Strible got the only hit, a four-run homer.

Selma came back with five doubles and three homers to get a 9-7 lead through the fourth. Talbot, Seire and Liptak hit homers off Meridian's ace, Jackson, Calark's single scored two to tie the game at 9-9 in Meridian half of the ninth.

At Jackson, Ed Zabeck singled in the tenth to score Banks McDowell with the run that beat Anniston.

Mel Quinn homered in the 7th with two aboard for the visitors to take the lead only to see Doc Grose and Tommy Davis double in succession in the 9th for Jackson to tie the score and set the stage for the winning rally.

Zabeck threw out Quinn at the plate in the first of the tenth after the Anniston slugger had led off the inning with his fourth hit.

At Vicksburg, Witt Gulse hurled a scattered eight hitter at the visiting Pilots and struck out nine men. The Phillies bunched nine hits to go with five Gadsden errors.

Bill Seal, with a triple and double drove in two runs and was the batting star for the winners.

Pensacola won at Montgomery by scoring two runs in the ninth after the first two men had been retired.

An error, charged to shortstop Bill Spawr, who let dropped Bill Burge's fly in short left field started the Pilots on the road to victory. Neb Wilson was given an intentional pass and Sam Morgan, who had replaced Charlie Woodard in the eighth, singled to score Burge. Bob Theory followed with another single to drive in Wilson with the second run.

The Pilots had bunched six hits in the fourth to score three runs, and had three more hits in the fifth for another tally.

The Rebels pined together two hits and a walk for one run in the second and added two runs in the third on three safeties, including Art Rebel's two-run triple.

## Cubs, All-Stars Play Rotary Tiff At Park Tonight

The pennant winning Cubs of the Rotary Junior League will meet the league's All-Star players in a contest tonight at the Municipal Park. The game is scheduled to get underway at 8:00 o'clock and no admission will be charged.

The Cubs won the honor of meeting the All-Stars by trimming the second place Pirates in a contest played Wednesday afternoon at the Ninth Street Park. The two teams had played two contests to a tie in an attempt to settle the pennant winner.

All-Stars selected from the Pirates, Giants and Tigers include Clause, Herndon, Metta, Frank, Pennington, Beckwith, Stenstrom and Wheelchel.

The Cubs team includes Tison, Lansing, Graham, Oglesby, Ludwig, Stafford, Routh, Smith, Morgan, Galloway and Wells.

## One-Two Clubs Are Still Battling In Georgia-Florida

By ASSOCIATED PRESS.

The Americus Phillies dropped both ends of a twin bill to Cordele last night for their 10th and 11th straight defeats, but the one-two clubs in the Georgia-Florida League—Thomasville and Tallahassee—continued their neck-and-neck race for first place.

The Phillies can look back with some consolation, however, to their last victory. On May 1 they beat Tallahassee, 8-5, to knock the Pirates out of first place and then tied them the next day, 12-12. The Pirates got back on top only once since then, but for only one day and by only a matter of percentage points.

Cordele won the first game, 5-3, on Lisinski's four-hitter, and took the nightcap, 10-4. Thomasville beat Waycross, 5-4, with a run in the last of the ninth, and Tallahassee bumped Valdosta, 7-6, after each side had scored four times in the first innings.

The Albany Cards won their fifth straight by beating Moultrie, 10-8, with two runs in the last of the eighth after the Packers had scored three times in the top of the inning to knot the count. The Packers scored four in the sixth but the Cards came back with five. The victory put them in fourth place, ahead of Waycross.

Valdosta, playing at home, rallied against the Pirates in the ninth but fell one short by scoring only two runs.

Cordele won the seven-inning first game from the Phils by scoring twice in the sixth, and then sewed up the second affair with five runs in the first inning.

## Herlong Tags Fine And Suspension On Hoag Of Gainesville

SILVER SPRINGS, May 14.—(Special)—Following up a pre-season warning that "first fines would be stiff" Florida State League Pres. A. S. Herlong, Jr. announced at league headquarters here yesterday that Gainesville Mgr. Myrl Hoag had been fined \$50 and suspended for one week for "bumping" umpire Frank Andru in Gainesville during an argument Wednesday night.

It was the second fine of the young season, and the former major league outfielder will be out of action through Wednesday night, May 19.

Herlong pointed out that the fine was automatic under league rules and that the suspension was a separate matter and that Hoag, according to umpire Andru, hurled at him during the heated debate.

Herlong announced that a wartime injury suffered by Umpire Tom Stanton required the latter's immediate return to a veterans hospital where he is expected to remain for at least two weeks. Stanton will be replaced by Alton Epps, Herlong said.

## GARDEN GETS NEW FACES

NEW YORK, May 14.—(AP)—The Twentieth Century Sporting Club's announced plan to seek more out-of-town talent for its New York ring shows will be put into practice at Madison Square Garden tonight when fighters from six states take part in three ten-rounders.

## House Committee Approves Navy Bill For Super-Carrier

Ship Will Be Largest Ever Built Weighing 65,000 Tons; 1,030 Ft. In Length

WASHINGTON, May 17, (AP)—A House Committee which previously approved an Air Force bill hopes will be the world's most powerful today cleared the way for the Navy to build the largest ship ever launched.

The Air Force bill eventually was passed by both House and Senate and waits only President Truman's signature.

The measure approved unanimously by the House Armed Services Subcommittee today would enable the Navy to get started on a 65,000-ton aircraft carrier almost half again the size of present ships of that type.

Navy authorities said the super-carrier would be the largest ship of any type ever built. Its cost would be about \$124,000,000. Construction will take four years, although this could be shortened in an emergency.

The carrier would be about 10 feet longer than the Normandie, former French luxury liner. It would have a waterline length of 1,030 feet, but counting its flight deck overhang it would be 1,090 feet.

Presumably, multiple-engine bombers capable of carrying an atomic bomb thousands of miles could take off from its flight deck.

In order to get started on the huge ship, the subcommittee approved a Navy plan to stop work on 13 unfinished ships, diverting about \$229,000,000 for the carrier and several vessels designed to launch guided missiles.

The full committee will take the bill up next, probably tomorrow.

The nation's top military leaders all approve the super carrier project. A letter from Secretary of Defense Forrestal to Rep. Hens (R-Ohio) and the Budget Bureau military planners also favor the project. It was formally proposed by Navy Secretary Sullivan last week.

Sullivan's program also included a special anti-submarine "killer" ship of the cruiser class, and four submarines to be fitted (Continued on Page Three)

## Capt. Lee, USNR, Dies Suddenly At Naval Hospital

Capt. William Justice Lee, U.S. NR, retired, died suddenly on May 14 at the Naval Hospital in Bethesda, Md. Born in Germantown, Penn. in 1891, he was the oldest son of Leighton Lee, who died in 1898, and Mrs. Joshua C. Chase of Winter Park, and Camden, Me. Educated at the Annapolis School and the University of Pennsylvania, he was employed by Chase & Company for about 16 years during which time he was a resident of Jacksonville and Winter Park.

While living in Winter Park, he became actively interested in the development of radio communications. He formed and trained in naval communications, the first Naval Reserve unit in Central Florida and became its first commander. He later was the first of the incorporators of Station WDBO, the first radio station in (Continued on Page Four)

## Husband of Local Girl Dies In Crash

Theodore E. Meyer, husband of the former Miss Shirley Martha Echols of Sanford, died yesterday in a plane crash near Columbus, O. Mr. Meyer was a member of the Naval Reserve and the crash occurred in connection with the group's activities at the University of Ohio where he was a law student.

Mr. and Mrs. Meyer have been married about three years and she is the daughter of Mrs. L. E. Tompkins of Sanford, Ala., the former Mrs. Carrie Echols. Mr. Meyer is employed as secretary to the Governor of Ohio.

## CHINA-KOREA TRADE

NANKING May 17 (AP)—A Nanking newspaper said today the government is negotiating with American military authorities to permit regular trade between China and Korea. To Kang-Pao gave a foreign office spokesman as the source. It said Chinese shipping is able to apply for a special permit to enter South Korea harbor.

## TH MEET

The Board of Directors of the Seminole County Tuberculosis and Health Association will meet Tuesday afternoon at 8:00 o'clock in the office in the Touchton Building in order to elect a president to replace the late Rev. W. F. Yonley. It was announced this morning by Mrs. Edward Kircher, Association secretary.

## West Coast Network Denies Truman Free Broadcast Time For Politics

A west coast network of 40 radio stations has decided not to broadcast free-of-charge speeches by President Truman which it considers political. It said other presidential candidates will receive the same treatment.

The Don Lee network announced its policy after Kenneth D. Fry, radio director of the Democratic National Committee, disclosed that Mr. Truman's speech to Young Democrats Friday night was not broadcast on the west coast.

The Don Lee network is the west coast outlet of the Mutual Broadcasting System, which carried Mr. Truman's speech. It has stations in California, Oregon and Washington.

Fry said he didn't know the speech would be broadcast on the coast until telegrams and phone calls began coming in Saturday morning asking why.

Lewis Allen, general manager of the Don Lee network, provided the answer.

"We consider it a political speech," Allen said. He added that the network will carry Mr. Truman's speeches whenever they are in the national interest, whenever he addresses Congress or whenever he speaks in a national emergency.

"The Don Lee chain, Allen said, does not propose to donate time to Mr. Truman or any other presidential candidate for political purposes."

Fry said he had no contact with the Don Lee chain and did not expect to have any "unless there are further developments." He (Continued on Page Three)

## Record Ballot Is Expected At Polls In Second Primary

Short Ballot, Interest In Race Expected To Draw Voters

Fuller Warren, Jacksonville attorney and candidate for governor, will speak tomorrow night at 8:15 o'clock on the corner of First Street and Magnolia Avenue. The leading vote getter in the first primary, Mr. Warren will be making his second appearance here in the current campaign.

Although there are only three statewide major contests, Florida Democrats are expected to cast another record vote in the second primary May 25.

A long and complicated ballot hampered voting in the first primary May 4, but 565,000 Democrats voiced their preferences of a nine-man field in the governor's race.

The short ballot, which will allow voters to make their selections in a matter of seconds, and the wide interest in the governor's contest is expected to bring out another record through next week.

Both Dan McCarthy and Fuller Warren, the two runoff candidates for the governorship, head off for Northeast Florida today. McCarthy spoke during the morning (Continued on Page Three)

## John J. Davis, Former Resident Of Geneva, Invents Air-O-Car

A combination airplane-automobile utilizing a new principle of aerodynamics, has been invented and constructed in small model form by John J. Davis, 30, former resident of Geneva, who started work on the invention while serving with the Army Air Force and who is now an inspector at Fairchild Aircraft Company near Baltimore, Md.

The inventor was born in Geneva, the son of Mr. and Mrs. A. W. Davis attended school there and later vocational school in Orlando. He is now married, has one child and lives at Hagerstown, Md.

The Daily Mail of Hagerstown, in its Apr. 29th issue, pictured John Davis holding a scale model of the "Air-O-Car," which at full scale will be slightly shorter than the average automobile and six inches wider. It will be propelled by the lifting force created above two air foils and the fuselage itself and by the engine mounted in the rear. Models are reported to have performed perfectly in the air and recent flight tests presented the inventor to make public his invention and put it on exhibition, it is stated.

"Another inventor-designer has suddenly appeared on the Hagerstown horizon," the Daily Mail states, "this time a man whose aerodynamic design genius for years in two fields, the private aircraft and the private automobile."

"John J. Davis, 1020 Fairview Road, made public for the first time today information on his combination airplane and auto-

mobile which he has patented under the name, "Air-O-Car." After more than four years of drawing and building test models, 30-year old Davis has finally come up with the model which he modestly believes outstrips anything invented to date in the comparatively new field of plane-car design.

"The Air-O-Car," when it appears on the market, will be shorter and just about six inches wider than the average automobile. Creating three persons, it will be equally roadworthy and airworthy, with a ground speed equalling any present-day car and an air speed in excess of 100 miles-per-hour, roughly approximating that of current private planes. It will be possible to land or take off from any good highway since it does not need space for wings to be hoisted. The retractable wings of the "Air-O-

(Continued on Page Three)

## Tests Of New Atom Weapons Said Success

Commission Gives Report To President On Conclusion Of Eniwetok Tests

WASHINGTON, May 17, (AP)—The United States Atomic Energy Commission today said that to end its two-year effort to create an "atomic arsenal" it had succeeded.

The statement was made when the Atomic Energy Commission gave President Truman an official report saying the results "indicate very substantial progress."

Chairman David E. Lighthill and the four other commissioners reported orally to Mr. Truman that the "present stage of the commission's tests of atomic weapons is now concluded."

The White House statement about the report follows:

"The President today received from the United States Atomic Energy Commission a report on tests of atomic weapons conducted at Eniwetok Atoll in the Marshall Islands. The tests were held pursuant to approval of the President given in June, 1947.

The first series of the tests are now completed.

"The commission reported that the tests involving three atomic weapons, each of improved design, were successful in all respects, and that they indicate very substantial progress. The President gave general approval of commission plans for a series of tests to be held at Eniwetok Atoll in the Marshall Islands. The tests were held pursuant to approval of the President given in June, 1947.

The first series of the tests are now completed.

## Arab Fire Falls In Heart Of Jerusalem Controlled By Jews

Federal Judge Grants Petition Of A.C.L.; 7 Others In F.E.C. Case

JACKSONVILLE, May 17, (AP)—Federal Judge Louis W. Stump today granted the petition of the Atlantic Coast Line Railroad and seven other roads to intervene "as interested parties" in the re-organization of the Florida East Coast Railway.

The others were the Seaboard Air Line, the Southern, the Cincinnati, New Orleans and Pacific, the Alabama, Georgia Southern, New Orleans and North Carolina, Georgia Southern and Florida and the St. Johns River Railroad Co.

Arguments for intervention had been presented only by the A.C.L. Intervention was granted by Judge Patterson, court for the St. Joe Paper Company, a Detroit holding.

The Interstate Commerce Commission last May granted the A.C.L. petition for authority to take over and reorganize the F.E.C. This was a result of a former commission order which gave approval to an examiner's recommendation for independent operation of the F.E.C. under control of St. Joe.

The ICC rejected the case to reconsider the A.C.L. plan and after the reversal order, the matter was sent back to federal district court for confirmation.

The A.C.L. motion was one of six it has presented to the court to day. It occupied the entire morning.

Some two dozen attorneys were present as court opened. Judge Stump called for the motion lawyers to identify themselves, and (Continued on Page Three)

## Two Trucks, Safe Governor Flies Are Stolen From Sanford Market In Meat Dispute

Investigating Authorities Say No Clues Have Been Found

A safe weighing nearly 1,000 pounds, containing \$14 in cash and records, and two trucks were stolen some time Saturday night or early Sunday morning from the Sanford State Farmers Market, it was reported by Police Chief Roy G. Williams.

The safe was stolen from the office of William Williams, at the east end of the market, and the two trucks from High Park, which had left them parked in front of his stall at the west end of the market.

Mr. Wheelock described the trucks as a 1940 GMC blue color red truck and a 1940 International truck with a black cab and a red body. They were missed Sunday morning, he said.

Although Mr. Williams arrived early Sunday morning at the market for loading of customers, he did not miss the safe until he went into his office. He revealed in the corner where the safe had been a small heater that had been placed facing it. The floor covering in the outer office had been torn a bit by the wheel of the hand truck used to trundle the safe out of the office.

Marks of the truck wheels were also traced around the front of (Continued on Page Two)

## Father Flanagan's Body Is Flown To U.S. By The Army

BERLIN, May 17, (AP)—The body of Fr. Edward J. Flanagan, founder of Nebraska's famous Boys Town, is being flown home on an Army bomber. Funeral services were conducted today in suburban Stettin of Konrad Cardinal Count von Preysing, Catholic bishop of Berlin, assisted by Fr. Joseph J. Nover of the Holy Spirit, senior chaplain of the German section. Fr. Flanagan was a great friend of world youth. Chaplain Nover was escorting Father Flanagan on an inspection tour of Germany when he was struck with a heart attack last year. He is accompanying the body to the U. S.

A large congregation of Germans and Americans attended the rites, among them General Lucius D. Clay, U. S. military governor, and his political adviser, Ambassador Robert D. Murphy.

PLANES TO TURKEY ISTANBUL, Turkey, May 17, (AP)—The U. S. escort carrier Siboney delivered an undisclosed number of two-engine bomber training planes to the Turkish air force today.

The carrier will participate Sunday in ceremonies incident to the delivery of four modern U. S. submarines to Turkey. It was the second carrier to arrive with planes for Turkey under the U. S. aid program.

EGG CONTEST Addie Prevatt won first prize of \$16 in the 4-11 egg exhibition contest at the Sears office Friday, with six girls participating. Label LePila won second prize, \$12.00; Jennie Mae Jones, third prize of \$8.00; and Helen Gray, fourth prize of \$4.00. June McGill and Agnes Bennett were the other contestants. County Agent C. R. Dawson judged the eggs.

## Otto The Otter Gets Rebuilt Home In Zoo

The cage of Otto the otter at the Sanford Municipal Zoo is being completely rebuilt. Meanwhile, Otto is occupying a small cage, equipped with a bath tub and in friendly proximity to the bear cage.

The small doe and fawn recently presented by game wardens to the zoo, have not been named, and the Zoo Superintendent Sid Richard is reported to be considering a contest to name them.

## 8 Stray Dogs To Be Destroyed By City

Eight stray dogs of the nondescript, mangy type, rounded up by Clarence Davis, dog catcher, are due for disposal today, he announced this morning.

All dogs not having tags, or which are not vaccinated, will be held after being rounded up for five days. In case owners come forward during that period of time, a charge of 25 cents a day for upkeep will be made, said Davis.

## John Rogers Is Hit By Auto On First Street

After being struck by a Plymouth automobile at First Street and Park Avenue Saturday morning, John Rogers, 58, A.C.L. railroad engineer, was taken in the ambulance to Fernald Loughlin Memorial Hospital where he was treated for a bruised chest and cut head by Dr. J. N. Tolar. He was then sent to his home at 910 Myrtle Avenue, where he is still confined in bed.

At the time of the accident, Mr. Rogers was crossing First Street toward the Russell Seed Store, a truck which had stopped on the crossing blocked his path and he stepped behind it and was hit by an automobile. No charges have yet been made against the driver, police reported this morning.

THE WEATHER  
Partly cloudy through Tuesday except local afternoon thunder showers in vicinity. Gentle variable winds.

- Yowell's

## ROTARY PICNIC

The Annual Rotary picnic originally scheduled for the Laffer Camp has been changed to a boat picnic on the St. Johns River. It is now scheduled for May 23. The party will leave the Osteen bridge at 8:00 o'clock Wednesday afternoon on Gene Roumillat's "Skyhawk" and go to Lemon Bluff. There was no meeting of the club today.
