TO SEMINOLE COUNTY RESIDENTS

Saturday, April 6th is the last day! !!

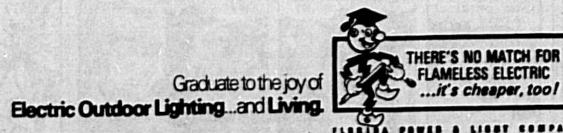

Add a world of pleasure to after-dark living ...with electric outdoor lighting.

Light up your yard, patio and garden. Add extra hours and extra "living room" for family cook-outs and nighttime pleasure. (Cooking with flameless electric portable appliances is more fun, less work, and cleaner anytime.)

A few electric fixtures, postlights and spotlights will give dramatic accent and evening beauty to your yard . . . create an after-dark show place setting. Makes you feel safer, too . . . lessens danger of accidents and discourages prowlers. All this for just pennies a night.

See your electrical contractor, appliance dealer, or lighting dealer.

Harroi Says: Ready To Talk Peace

TOKYO (AP)-North Vietnam said today it is ready to send representatives to meet with U. S. representatives to confirm U. S. readiness to halt all bombing of North Vietnam and cease all other military activity "as a condition for talking

The statement, broadcast in Vietnamese and monitored and translated by the Japan Broadcasting Corp., noted that U. S. warplanes were "continuing to bomb important areas between the 17th and 20th parallels."

But, the translation said, "in order to be

immediate comment on the Hanoi announcement and it was not immediately clear whether the United States would regard the North Vietnamese statement as responding to President Johnson's newest
