MARTINE NEWS

Weathered storm seas in South and west coast, who spent in today's launchmen of the Florida Club, is to make several other addresses in Seminole County this week. He is to speak to the Congregational Church this evening, before the Senior High School students today Thursday morning, in the South Side primary school Thursday afternoon, and in the Junior High School on Friday morning.

Members of the exhibit committee of the Seminole County Chamber of Commerce are expected to meet at the meeting of that committee tomorrow afternoon at 2 o'clock. Secretary Daywell of the Chamber of Commerce states that it is necessary that certain plans for this county's display at the Central Florida Fair in Orlando be completed at once, and therefore a large attendance of committee members is requested.

Papworth Puts Cosmic Reply To Newspaper Editor

Sanford, Fla., Wednesday, Jan. 2, 1935.

"The growth of agriculture and the growth of vegetation is governed not only by the water-table, but by the water-table. Fields of grain, crops are cultivated and crops grow, but the water-table may be 60 to 100 feet below the surface. Lowering the water-table further will not affect the condition. Crops draw their nourishment from the rainfall as it is in the ground, and will do so in the future."

Mr. Papworth, a board of engineers that would make such a statement that the ground in Florida is not suitable for cultivation of their crops simply don't know what they are talking about; and, personally, I propose to fight the case until the last day, unless the federal government withdraws the farm and citrus growers of Seminole County that they will be reimbursed for damage to their property in the event of an artificial water being contained; and, understood this, there has got to be something more that the government the federal government made through their agricultural board on the line of the ill-fatedness. My contention when farm and citrus growers of Seminole County last their crops and were granted reimbursement, but at the present writing, after waiting seven or eight years, have never received one dollar.

"If your publication is intended as a reflection on one of us men in a Seminole County working against the Democratic Party, you still don't know what you are talking or writing about, for I am sure there is hardly a farmer or grower in Seminole County that doesn't appreciate what President Roosevelt and his Cabinet have done for us people down here during the past year or two, and if you are reflecting on my personal Democratic principles, let me tell you that I have been a Democrat and worked for the Party without any remuneration, for I am a position over been offered me in Washington with a nice fat pay, and my services to the party date back to the time when I served as a reception committee for Governor Cleveland and his wife when they came to Sanford in 1898.

Mr. Ellis was born in Fitzgerald, Ga., April 1, 1896. After his early training in the public school he entered the University of Georgia and was graduated with the A. B. degree in 1918 and became a member of the Phi Beta Kappa.

Elars Announces As Candidate For Congress Of U.S.

Favors Less Government In Business As Prosperity Aids

Sanford, Fla., Wednesday, Jan. 2, 1935.

Raymond Elars, Orange county collector, has announced as a candidate for Congress from the new Fifth District, stating "that in his opinion more business in government and less government in business, is the surest and quickest way to relieve the unemployed, to get millions back to work at good wages, commensurate with the American standard of living, and enable the government to pay an old age pension ample and sufficient to satisfy the most exacting."

Mr. Elars was born in Fitzgerald, Ga., April 1, 1896. After his early training in the public school he entered the University of Georgia and was graduated with the A. B. degree in 1918 and became a member of the Phi Beta Kappa.

When the World War began, he enlisted and was sent to Ft. Pickett, afterwards being transferred to duty at Key West. After the armistice he became the Principal of the high school in Fitzgerald for a short time before matriculating in the University of Columbia Law School where he was graduated with an L. B. degree in 1923.

Martin Lectures At Rollins Will Begin Thursday

WINTER PARK, Jan. 2.—John Martin, well known authority on international relations and consultant and conference leader on this subject at Rollins College, will open his annual series of lectures in the Congregational Church here Thursday morning at 11 o'clock. Admission to the lectures is free.

Mr. Martin has chosen "The League of Nations and the Bible" for his opening topic. With the Bible-ethics differences in the stage of war, Martin's lecture will provide the listeners with an analysis of a situation that is of vital interest to the political students of modern problems.

Of particular interest to those attending the lecture will be Mr. Martin's definition of the English stand on the issue. So far the peace-making efforts of England have failed, and the probable failure to be followed by England in the conflict will more than likely be outlined by Mr. Martin. Thursday's lecture is the first of a series of two. The first eight will deal with international problems, while the final two will be on the underlying issues of the presidential election. In these discussions, Mr. Martin will give a comprehensive survey of America's foreign and domestic policies.

Lady Took Cardui During Middle Life

Women who are entering middle life will be interested in the experience of Mrs. L. C. McDowald, of Paragould, Ark., who writes:

"I cannot say anything but good about Cardui. I think it is a grand medicine. I took Cardui during change of life. I was so weak, so nervous, I could hardly go. I just dragged around, and would just give down. My back and head hurt. I knew I had to take something to give me strength. I read of Cardui. I took about seven bottles. It gave me relief and strength. I am now 60 years young, and can do a pretty good day's work in the house and garden."

Lake Co. Signs House Ire Of Route 3 Towns

Removal Of Boards To Be Asked, Else There'll Be Inter-County War

Delegates From 3 Counties Meet

Delegates To Speak Softly, But Will Carry Big Stick

There's going to be war between Lake county towns and signs adjoining tourists to take a "short route" through Lake county to Tampa and St. Petersburg instead of continuing on State Road No. 3 through DeLand, Sanford, Orlando and Kissimmee to Haines City, and other towns on the route.

Delegates from Volusia, Seminole and Orange counties met in Sanford yesterday to discuss the situation, and there was blood in their eyes. They were wrothy. They said in no uncertain terms that they did not relish the lack of neighborly action on the part of the Lake county towns, and declared that the diversion signs were a "short route" through Lake county to Tampa and St. Petersburg instead of continuing on State Road No. 3 through DeLand, Sanford, Orlando and Kissimmee to Haines City, and other towns on the route.

Miss Lottie Lawler, secretary of the Kissimmee Chamber of Commerce headed a delegation of five from that town to the meeting in Sanford. Secretary Crawford T. Beckford of the Orange County Chamber of Commerce headed a delegation from Volusia county.

Fruit Thefts Confessed By Pair To Police

Capture Is Expected To Put Stop To Most Fruit Losses In This Section

Men Walked Into Police-Set Trap

Buyers And Bank Co-Operated In Making Arrest Of Men

Caught by the Sanford police by means of a trap they set for the pair, two men were arrested yesterday afternoon for the theft of citrus fruits in Seminole County, according to Chief Roy Williams, confessed to the crime. They were arrested for stealing fruit from a grove in Orange county, and were thereupon turned over to officers of that county and they were taken to the jail in Orlando last night.

The two men, both white, gave the names of Arthur O'Brien and Lloyd Huret. The last fruit they stole, according to their confession, was from the Sanford police department, was from the grove of the State estate near Ocoee.

In the capture of the two men Chief Williams is hopeful of a complete cessation of fruit thefts in this section, as it is believed that the two men captured yesterday may have been responsible for nearly all apprehensions of the fruit thieves.

Deaths have been reported off on for a couple of years, the last such case being that of a man who died of the disease in the town of Sanford, Fla., when suffering from the disease.

The police then engaged with their partners in the fruit theft, for any fruit bought from O'Brien and Huret, and arranged with the bank to discontinue on page 512.

Citrus Ad Taxes To Be Enforced By Commission

LAKELAND, Jan. 10.—(AP)—The Florida Citrus Commission indicated its purpose to clamp down on violators of the citrus advertising tax when Chairman L. P. Rickland was authorized to name an investigating committee to determine individuals and firms violating the law and to recommend a course of action.

Inspection Division, reported to the commission on 50 operators. A. D. Tomassello, of the State Inspection Division, reported to the commission on 50 operators alleged not to have complied with the law and license fee.

He said Commissioner of Agriculture Mays had requested from the attorney general a ruling on the question of cash buyers, contending that the man who buys for cash at the time of sale, is defined by the commission's attorney, should be considered the cash buyer, and growers were obliged to report dealers who failed to meet this requirement.

Blending Named As U. S. Head Of National Guard

Major General Albert H. Blending of Barrow was named yesterday by President Roosevelt as head of the war department's National Guard Bureau, a four-year appointment which gives him the rank and pay of a major general of the regular army.

In his new post he will be chief of National Guard affairs of the United States, with headquarters at Washington. The general now is in command of the thirty-first division of the guard, which embraces the states of Florida, Alabama, Mississippi and Louisiana.

General Blending married Major General George E. Leach, whose four-year term recently expired. He is the first officer from the South to be named chief of the War Department.

Major General Blending's military career was marked by his service in the World War, and his appointment as chief of the National Guard Bureau is a recognition of his long and distinguished service to the country.

Blending was born in Barrow, Alaska, and served in the military during the World War. He has held various positions of responsibility in the National Guard, and his appointment as chief of the National Guard Bureau is a significant honor.

Committees Are Appointed To Arrange Fair Exhibits

Ten sub-committees were named yesterday by the exhibit committee of the Seminole County Chamber of Commerce to assist in assembling various exhibits of Seminole County produce to be shown in the Central Florida Fair in Orlando, Feb. 18 to 23. C. R. Dawson, county agent, and Miss Josephine Boydston, county home demonstration agent, will have charge of arranging the displays.

The sub-committees are as follows: Citrus fruits—V. H. Slay, Randall Chase, B. F. Wheeler, Randall Chase and H. M. Papworth.

Vegetables and garden products—Geo. E. Balmes, Peter Thurston, F. F. Dorner, Gus Schmah, H. E. Russell and James Wilson of Chuluota.

Fruits other than citrus—Rex Packard, Frank Meisch, Randall Chase, B. M. Papworth and C. E. Lee of Oviedo.

Homes canned and preserved products—Miss Josephine Boydston and the organized clubs of farm women throughout the county.

Sugar cane and cane syrup—Noah Jacobs and C. G. Lane of Chuluota.

Crystalized fruits and candies—Miss Josephine Boydston.

Ferns, bulbs and other ornamental plants and cut flowers—The Sanford Garden Club.

Home cured meat—Alex R. Johnson and the Seminole Chapter Future Farmers of America.

Irish potatoes and sweet potatoes—Lee Wheeler of Oviedo, James Wilson and A. G. Wagner of Chuluota.

A. G. Wagner, chairman of the Chamber of Commerce exhibit committee with Mr. Dawson and Miss Boydston, will design and build the exhibit, and preliminary work in this is now under way.

Among those attending the meeting yesterday afternoon were: Geo. E. Balmes, C. R. Dawson, Miss Josephine Boydston, J. A. Logan of Geneva, S. D. Highleyman and Ralph F. Bagwell.

Women Can Fruits Negroes Hold For To Be Displayed City Police Man In 3 Expositions

Seminole County citrus fruits to be displayed at three exhibitions are being canned at daily meetings now being held throughout the county. Displays will be made at the Seminole County Fair in Sanford, Jan. 21 to 25; the Orange Festival in Winter Haven, Jan. 25 to Feb. 1; and the Central Florida Fair at Orlando, Feb. 18 to 23.

An all-day session of the home demonstration group in the Altamonte Springs section is being held today, following similar all-day meetings in Paola yesterday, in Sanford on Wednesday and in Geneva last Tuesday. Next week these all-day meetings of home demonstration groups to can citrus fruit for the three fairs will be conducted in Longwood on Monday, in Lake Monroe on Tuesday, in Chuluota on Wednesday, in Lake Mary on Thursday and in Oviedo on Friday.

Miss Josephine Boydston, home demonstration agent for Seminole County, said, that not only are the women canning whole and sliced fruits, but they are also putting up marmalades, jams and jellies. Beautiful displays will be made, she said, with the expectation that prizes will be won at all of the expositions.

Miss Boydston is going to Kissimmee to attend a citrus utilization school on Jan. 15, 16 and 17 and upon her return, final arrangements will be made for the fair displays of Seminole County canned fruits. Miss Isabel Thurston, state specialist in conservation, is to be in charge of the citrus school.

Cubans Vote For President With Troops On Guard

HAVANA, Jan. 10.—(AP)—Two thousand soldiers, scattered throughout Cuba, were called out to preserve order in the election today of the Republic's first constitutional president in 2 1/2 years.

Since former President Gerardo Machado fled from the island in August, 1933, Cuba has had only provisional presidents.

The possibility that the election might be postponed was eliminated when the Supreme Court refused yesterday to interfere, as was requested by a petition from "25 or more citizens."

Owners Order Improving Of Both Theaters

Milane And Princess To Be Remodelled; Work To Begin At Once, Cost \$15,000

Immediate remodeling of both the Milane and Princess Theaters was announced today by Manager J. L. Marentette. Five thousand dollars will be expended in improvements on the Milane, and \$10,000 will go into rebuilding the old Princess Theater. Work is to be undertaken at once, Mr. Marentette said.

Among those attending the meeting yesterday afternoon were: Geo. E. Balmes, C. R. Dawson, Miss Josephine Boydston, J. A. Logan of Geneva, S. D. Highleyman and Ralph F. Bagwell.

The old Princess Theater, on First Street west of Park Avenue, will be renovated throughout—practically rebuilt. It has been closed for several years. Most of the block on the south side of First Street between Park and Oak Avenues, it was also stated, will ultimately be rebuilt in conformity with the Princess.

The renovating of the theater will complete the first unit in the block.

Contract for the improvement of the Princess Theater has been let to Huddleston & Phillips of Sanford.

Gold Reserve Act Extended Year By Executive Order

WASHINGTON, Jan. 10.—(AP)—President Roosevelt today signed a proclamation extending the section of the Gold Reserve Act establishing a \$2,000,000,000 stabilization fund for one year. It would have expired Jan. 30.

The proclamation asserted an "emergency which existed" a year ago "has not been terminated by international monetary agreement or otherwise; but, on the contrary, continues and has been intensified in divers respects by unsettled conditions in international commerce and commerce and in foreign exchange."

Gas, Pipe Lines May Be Put Under U. S. State Board

WASHINGTON, Jan. 10.—(AP)—The Federal Trade Commission today recommended to Congress a broad joint state and federal program to regulate the \$2,500,000,000 natural gas and pipe line industry. The report said that "vast acreage is being wasted and natural gas is being subjected to profligate and wanton waste."

The commission set forth a plan to conserve gas, control monopolistic activities and separate natural gas from the electric utility industry.

Orten P. Peckham, 81, Dies In Lake Mary

Orten P. Peckham, 81, died at 6:30 o'clock this morning in the home of his son, J. A. Peckham, on Wilber Avenue in Lake Mary, where he had made his home for the last 12 years. He had been in ill health for some time.

Mr. Peckham was born on Christmas Day, 1854 in Canada. He is survived by one son, J. A. Peckham, of Lake Mary; one daughter, Mrs. W. W. Hillman of Detroit, Ontario; two sisters, Mrs. Sarah O'Hell and Mrs. Gus Furling, both of Detroit, Mich.; and one brother, Chas. Peckham who resides in Canada.

Funeral services will be held Saturday afternoon at 3 o'clock from the Community Church in Lake Mary. Burial will be in the Lake Mary Cemetery. The Rev. J. C. Thomas will officiate.

Storm In Britain Takes Toll Of 3, Does Big Damage

LONDON, Jan. 10.—(AP)—Three persons were killed, many injured and wide-spread damage was caused last night by the second violent storm of the week in the British Isles.

The gale reached a force of 100 miles an hour, Pembroke Light-house reported. Ships were sent scurrying to shelter from huge waves. Damage ashore was heavy.

Southwest England and the Irish Free State were the hardest hit. A fierce storm swept the Dublin district, causing much damage. Mountainous seas in the English Channel and Irish Sea dislocated shipping.

The SS. Manhattan, of the United States Lines, which carried members of the American Winter Olympic teams, was unable to call at Cobh, for the first time in years, and continued on to Portsmouth.

A girl was killed in Manchester when a wall collapsed, and five persons were taken to hospitals in Leeds when hurt by a falling chimney.

Three lifeboats were called out at South Devon, when a small vessel, believed to be French, flashed distress signals by a lamp, off the jagged rocks of Bolthead.

The storm followed by only a few days gale in which nearly 30 persons were killed in and around the British Isles.

Second Life Taken By Charcoal Fumes

MIAMI, Jan. 10.—(AP)—Newton Yeager, 57, retired Atlanta, Ga., florist, died yesterday, second victim of fumes generated Dec. 1 in a charcoal stove.

His daughter-in-law, Mrs. Theo Yeager, was hospitalized at that time, but Mrs. Newton Yeager and Theo Yeager recovered.

Physician Tests Man's Blood Pressure During Trial Of Case In County Court

J. P. Williams, charged with driving an automobile while under the influence of intoxicating liquor, claimed in County Court yesterday afternoon that he was not drunk but that it was high blood pressure that made him "act that way." He avowed he had often been afflicted by attacks of high blood pressure and that such attacks incapacitated him to some degree at the time.

The situation called for expert testimony, so Dr. W. T. Langley was called and he proceeded to make a test in the court room of the defendant's blood pressure, with the result that it was found to be normal. The physician also expressed the opinion that it

Ethiopia Claims Italian Rout On Southern Front

(By The Associated Press) The killing of several hundred Italian Somali soldiers and one Italian officer on the Southern front was claimed today by the Ethiopian government. An official communique said the battle, the first important clash on the Web River, occurred last week and that the Italians were routed with the loss of six tanks.

The announcement followed reports by informed Ethiopians that the southern Ethiopian armies had thrust back 43,000 Italian soldiers trying to advance in the Rift valley in the south.

Egypt decided today to join Sweden and Ethiopia in protests against Italian bombings of cities and ambulance units on the East African battlefronts. Egyptians claim an Egyptian Red Crescent ambulance unit was bombed near Daggah Bur on the south front. The Red Crescent is similar to the Red Cross organization.

Egyptian Ambulance Bombed CAIRO, Egypt, Jan. 10.—(AP)—An Italian bombing and machine-gun attack on an Egyptian ambulance unit Tuesday at Bolally on the southern Ethiopian front was reported by Prince Ismail Saoud, head of the Egyptian Red Cross organization in Ethiopia.

"Providentially, there were no casualties," said a radio message from the Prince, who is a brother-in-law of King Fuad of Egypt. Eleven persons were reported to be in the unit.

Eight Italian planes, the message said, participated in the attack, "not being satisfied with what they did to an Egyptian ambulance at Daggah Bur."

(The Daggah Bur bombardment was reported Jan. 4.)

Measure Is Sent To Senate Which May Amend Provisions For Full Payment Payment Opposed By Mr. Roosevelt Robinson Hopeful Of Passing Bill That Will Not Be Vetoes WASHINGTON, Jan. 10. (AP)—A crushing House majority today passed and sent to the Senate a bill authorizing immediate cash payment of the bonus to nearly 3,500,000 World War veterans. Immediate cost was estimated variously from one to two billion dollars. Speaker Byrns announced the vote was 355 to 58 more than the two-thirds majority required to pass the legislation over a presidential veto. The final ballot was taken before galleries packed with spectators. The bill was backed by the American Legion, Veterans of Foreign Wars, and the Disabled American Veterans. Prompt consideration of the measure is promised in the Senate finance committee by Senator Harrison, chairman. Unless House pressure is too great, the Senate committee is considered likely to amend the bill to vote out a less liberal one of its own, realizing that President Roosevelt is opposed to full payment at this time. Democratic Leader Robinson is hopeful a bill can be passed to meet presidential approval.
