Too Many Potted Roads

Florida's first road commissioner veteran State Road Board engineer Jay
Brown lost no time in alerting the state it has an emergency on its hands.

As he was sworn into the new post last week, Brown quickly came to grips with the problems — and spelled it out in no uncertain terms.

It hears repeating because Saminole is obviously needed. The road-block

It bears repeating, because Seminole County is standing in the forefront of rently a \$425 million gap between department revenues and the cost of the most critically necessary primary road projects for the next five years.

"This difference and financial ability respect to the next five years.

"The need was there then. It is even to the next five years.

The need was there then. It is even to the next five years.

cannot be ignored, neither can it be made to disappear by wishing it away.

"It is a problem that demands an early solution before it becomes an ever bond issue with a two-cent gas take tax

He was named to the commission post with specific instructions to correct the road building inequities of the past.

He has a 32-year-professional career in the State Road Department behind the state Road Department behind to the commission post come forth soon.

The roads Florida needs will cost more money than it has.

The roads Seminole County needs will cost more than it has.

NOISE ON THE ROOFTOP

of the phrase) in the past creating this it may also be said that Ameri- very shaky tomorrow.

Unfortunately, where this structure, the removal of the "white elephant" tag

was originally designed for baseball, from the stadium.

Some have even dared to elevate antiheroes in their stead. ing n

The radical right never has man been content to fight its battles on issues alone. Consistently, it has assuited the men who took stands the right disapproved, and in the process has often has demanded the public office they hold. "Impeach Earl Warren," blazoned from billboards, is symbolic of the right's readiness to destroy.

Again judged correctly the great magnitude of the problems and called for programs of matching scale, hears himself branded a "racist" by harsh Negro militants.

Mayor John Lindsay of New York, caught not only in racial but in general turmoil in the right's readiness to destroy.

Mayor John Lindsay of New York, caught not only in racial but in general turmoil in the right's readiness to destroy.

The publishers then send these to prospective faculty adopters on a 14-day, free examination basis.

"He demanded that I buy them from him at half price! And I did, paying him \$187.50 for the one lot! The professor then doesn't decide to adopt the text for design campuses today! Yet it is disgraceful so bear adopters on a 14-day, free examination copy of any new location the series of them came in with two big several faculty racketeers.

"The publishers then send them from him at half price! And I did, paying him \$187.50 for the one lot! The professor then doesn't decide to adopt the text for design campuses today! Yet it is disgraceful so bear adopters on a 14-day, free examination basis.

"If the professor then doesn't decide to adopt the text for design campuses today! The strong left seems equally them from him at half price! And I did, paying him \$187.50 for the one lot! The professor then doesn't did, paying him \$187.50 for the one lot! The professor then doesn't did, paying him \$187.50 for the one lot! The professor then doesn't did, paying him \$187.50 for the one lot! The professor then doesn't did, paying him \$187.50 for the one lot! The professor then doesn't did, paying him \$187.50 for the one lot! The professor then doesn't did, paying him \$187.50 for the one lot! The professor then doesn't did, paying him \$187.50 for the one lot! The professor then doesn't did, paying him \$187.50 for the one lot! The professor then doesn't did, paying him \$187.50 for the one lot! The professor then doesn't did, paying him \$187.50 for the one lot! The professor then doesn't did, paying him \$187.50 for the open and the professor then doesn't did, paying him \$187.50 for the open and the professor then doesn't did, paying him \$187.50 for the open and the professor then doesn't did, paying him \$187.50 for the open and then the heat from racial elements than the heat from racial elements than then heat then bend then from the heat him chek, even upon it stock, even upon till then from racial elements then for the heat f

professors who abuse the 'free' examination' privilege they enjoy from college book publishers.

"And those publishers are in the same boat with me. They feel they hardly dare make an issue of the price of a single exam copy that may amount to only \$8.95, lest they alienate the professor as a future adopter!

"For if he grows hostile, he can then choose a rival text for his courses and thus cost that publisher the loss of maybe 300 copies the first year.

"So the publishers grumble,"

"Yew fork meeting with him only a short time before his death in London.

The chopping-up is no', howeld to militants and radicals. In the nation's present at a te of "sophistication," dwelling upon the imperfections of public figures seems increasingly to be accepted as proof of one's keenness.

Reading the constantly reiterated catalogue of their flaws, one has to wonder how any of the candidates for the 1968 Republican presidential nomination can possibly be nominated.

The residuacies of the process in the candidates for the 1968 Republican presidential nomination can possibly be nominated.

But the truth is that Wilkins and Young talk far more realistically about the truth mand Young talk far more realistically about the ghettos than do any of those "leaders" who are supposed to know "what the ghetto is thinking."

Some of these latter types can only be labeled genuine antiheroes. The worst, of course, are Stokely Carmichael and Rap Brown, professional agitators who are in fact counseless. copies the first year.

"So the publishers grumble, but knuckle under just like us to flaming climax in the riots,"

publican presidential nominated. they pretend to espouse.

The racial struggle, brought to flaming climax in the riots,

"Both of us are thus figura-tively blackmailed by unethical college professors.

has severely underscored the tendency of some Americans to tear their leaders apart. "And if their professors are thus dishonest, is it any wonder so many college students frank-Blows . . .

rected by Claude Skinner Jr., of Winter Park, concluded with a plans to meet again next Monday at 7:30 p.m. at the same place. At that time, a complete set of rules and by-laws will be voted upon and additional eight members will be permitted to join the new organization, which set a maximum number of members upon itself at 25. Skinner explained that an

investment club is a group of congenial people who get together, usually once a month, to discuss securities—with the idea of pooling small sums contributed by each member and investing in stock selected by the group. It was decided by the group that monthly investments by each member would be set at \$5 per week, plus an additional membership fee of \$50. Those who attended the meeting were George DeMattic. DeBary VFW Unit Has Drive

For Members By MRS. JOHN LEONE Auxiliary Unit to Veterans of Foreign Wars Post 8093, De-Bary, has kicked off its 1968 membership drive with annual dues now being accepted by Mrs. Claire Repp, treasurer Prospective members may contact Mrs. Frances Hackley, president, or any auxiliary membership is open to women who have veterans in their famfly who are serving, or have served, overseas, and to female members of the Armed Forces. The VFW and auxiliary promotes patriotism and relief for those who fought in defense of the country and those depending upon them. The local auxiliary has sewing bees to make articles for hospitalized veterans and takes part in community services. Members also contribute to the VFW National Home Rapids, Mich., where there are now 207 youngsters. Poppy Days are sponsored with part of the receipts going to the Home and part to the community. Hospi talized veterans making the small flowers also receive re-National VFW will have its 68th annual convention in New Orleans, La., beginning Friday and continuing through Aug. 25

54th convention. **Deltona Club Enjoys Outings**

At the same time, the National

Auxiliary will be having its

At Beach By MILDRED HANEY Fifteen members of the Welcome Wagon Club and their guests attended the Welcome Wagon Beach Party held in lieu of the regular monthly meeting. During the summer, members meet at the Shopping Plaza in Deltona and proceed to New Smyrna Beach where the "Beachcomers" enjoy a day of bathing and relaxation. The men accompany their wives on these outings, adding to the fun and zest. Out of town guests this month

include Mr. and Mrs. Ashby of Wilmington, Del., houseguests of Mr. and Mrs. L. Moody, and Mary Spaulding of Danville. Pa., houseguest of Mr. and Mrs. Also attending with their wives were Joe Hibberdm, Jud

Arnold Vann. Royle, Bill Cuddy, Lorenzo Moody, Harry Durand and Lefty The next and last beach party

will be Tuesday. Members are asked to bring only a bathing suit and towel and a beach chair. Lunch is obtained at a nearby sea-food restaurant. Rides are always available to anyone at the meeting place in the Deltona Plaza at 9 a. m. Regular meetings will resume in September.

Interama WASHINGTON (AP) -Parris Bryant says he has talked to Florida's Gov. Claude Kirk about Miami's Interama project but has not been asked to be its chairman. Kirk said last week, after Dr. Irving Muskat resigned as director of Internha, that he would invite Bryant to seek the industrial participation needed by the Inter-American Trade and Cul-

MOVE ON AND OUT
"Dear Edyth Thornton McLeod: I'm 41. My daughter. '18, recently married a handsome The wirs of real hair are quite.

Soak in hot water and it cooks. do the dishes as the cookies bake and then finish by washing the utensil used for baking. I never leave the kitchen and so forget cookies are baking until 1 smell them burning and the little of the dishes as the cookies and get right down to brass tacks and accomplish what you set out to do. You need to build 1 smell them burning and the little of the dishes as the cookies and get right down to brass tacks and accomplish what you set out to do. You need to build 1 smell them burning and the little of the dishes as the cookies and get right down to brass tacks and accomplish what you set out to do. You need to build up your abundance. You can then be the gregarious Aquarius you so enjoy.

young man of 20. My daughter floes not appreciate her husband. He is a good provider but she' jealous even of me, because her husband and I see eye to eye on so many things and enjoy each other's company. I've told my daughter that if she doesn't change her ways she'll lose her husband. He is with me all the way. What should I do about this all the way. What should I do about this all the way. What should I do about this all the way an and out of their lives!

The wigs of real hair are quite expensive. The new aynthetic hair are quite expensive. The new aynthetic hair wigs are most attractive and very well done. Shop well before you buy. This would solve the hair-do bit for the evening affairs, and wearing a wig has nothing to do with age. You must always have a wig in personal for my daughter, the formal for my daughter, the formal for my daughter, the formal for my daughter, the pin- hed, by the selvage, to a hanger to prevent wrinkling. I clipped it to one of those multiple skirt hangers and when I cut out the dress I hung the pieces on the same hanger. No creases, no wrinkles, no misplaced facings and a real help. I will use this see early the wisdom of having the pieces of the same parsons who will age. You must always have a wig in personal for my daughter, the formal for my daughter, the pin- hear winkling. I clipped it to one of those multiple skirt to one of those multiple skirt hangers and when I cut out the dress I hung the pieces on the same hanger. No creases, no wrinkles, no misplaced facings and a real help. I will use this see early the wisdom of having the pieces on the same hanger. No creases, no one of those persons who will age expensive.

Move on any daughter, the pin- having affairs, and wearing a wig has nothing to do with age. You young man of 20. My daughter The wigs of real hair are quite ner.—SHIRLEY

Move—even to another town.

Remember that age-old saying which is so very true, "Two's company; three's a crowd." You are only making things worse by interfering in the life of two young people who have many adjustments to make concerning themselves and their new life together. You are only company company company company and the company co
