Sheriff's office announces school safety zone awareness week

The Seminole Community Traffic Safety Team (CIST) has designated next week as School Safety Zone Awareness Week.

The Seminole County Sheriff's Office and all of the municipalities — Altamonte Springs Police Department, Lake Mary Police Department, Longwood Police Department, Winter Springs Police Department, Oviedo Police Department, Casselberry Police Department and Sanford Police Department — will be participating in this enforcement effort.

Although each jurisdiction will be patrolling all of their school zones, the following zones have been designated as "priority" school safety zones: Lyllwilde Elementary, Greenwood Lakes Middle, Geneva Elementary, Carillon Elementary, Eastbrook Elementary, Altamonte Elementary, Bear Lake Elementary, Forest City Elementary, Teague Middle, Highlands Elementary, Lake Mary Elementary, Longwood Elementary, Casselberry Elementary, Partin Elementary and Hamilton Elementary. The label of "priority" school safety zone was based, partly, on concerns voiced by the public, as well as observations made by law enforcement and county traffic safety staff.

Lake Mary OKs new fire station

By Jamie J. Anderson-Potter
Staff Writer

Lake Mary commissioners voted unanimously Thursday to move forward with plans for a \$5.2 million fire station.

After months of negotiations, the contract for a build-to-suit station, worth about \$4.9 million, was awarded Thursday to Lake Mary-based Duke Realty. The company will build a 36,000-square-foot traditional fire station and municipal complex to replace the current station on Rinehart Road.

Project to cost about \$5 million and be completed by the beginning of 2005

The decision to move forward with a build-to-suit station, rather than a more traditional process, came at the end of the city's bid process in March, which resulted in a low bid of \$7.2 million.

"This is still a significant savings," said Lake Mary Mayor Thom Greene. "When it's complete, we

hope to have saved about \$2 million by going the build-to-suit route instead of a more traditional approach."

A \$97,000 contract was also awarded to ZHA of Orlando Thursday to oversee the project for the city. The company will act as a go-between for the City of Lake Mary and Duke Realty. Currently,

the business oversees extensive amounts of work throughout Seminole County, including the construction of the county courthouse and the juvenile justice center.

"We need to protect our taxpayers," said Greene. "This is their money. We are trying to deal with any contingency we can think of. I think we've done that."

After accounting for possible expense changes and the ZFA contract, the city is looking at a \$5.2

See Fire station, Page 5

Buyer Beware

Wednesday at about 1:40 p.m. a small plane went out-of-control and slammed into a parked trailer and car. According to Jack Dow, vice president of operations at Orlando Sanford International Airport, a potential buyer was trying out the airplane when the engine accelerated. The cause of the engine acceleration is unknown at this time, Dow said. The airplane, which was listed prior to the accident at \$69,000, taxied for about 200 feet when its starboard wing smashed into the trailer and the portwing clipped the corner of a large hangar. The hangar did not receive much damage, but the airplane and trailer are both thought to be totaled.

Sanford will not give up on center

By Jamie J. Anderson-Potter
Staff Writer

Sanford Commission will discuss how to bring a downtown conference center to Sanford without financial assistance from Seminole County Monday.

Last month, county commissioners voted unanimously to pull the plug on funding for the center, leaving the city of Sanford and the private developer, Suncor Properties, Inc., to decide whether or not to move forward on their own.

"I believe we need a destination for folks to come to and this would be a nice piece of that puzzle," said Sanford Mayor Brady Lessard. "I'm looking for a go from Commission."

The proposed project with the county would have been a collaboration between the city of Sanford, the county and Suncor. It would have included an off-site, multi-level hotel, renovations and additions to the existing Sanford Civic

A 'night out' to remember

By Jamie J. Anderson-Potter
Staff Writer

Citizens throughout Seminole County took part in the 20th Annual National Night Out Tuesday.

More than 33 million people from 9,850 communities across the United States participated in the community event, including the residents of Eagle Run, a neighborhood within the Timacuan subdivision in Lake Mary.

The annual event is designed to strengthen neighborhood spirit and law enforcement community partnerships, heighten crime and drug prevention awareness, and gener-

ate support for, and participation in, local anti-crime efforts.

"This event gives people an opportunity to meet their neighbors," said Lake Mary Commissioner Michael McLean, who attended the event along with Commissioner Gary Brender and Mayor Thom Greene. "If you know your neighbors, you're more likely to keep an eye out for suspicious activity around their house."

The event, the second for Eagle Run, also sends a message to criminals that neighborhoods are organized and will not tolerate crime.

Iraqi Diary: Clown nose distracts gunman

Editor's note: Staff Sergeant Charlie C. Carlson III, son of Sanford historian Charlie C. Carlson II, is currently deployed in Baghdad, Iraq as part of the 549th Military Police Company.

Carlson has provided a continuing journal of his experiences in Iraq, which the Herald will publish over the next several weeks.

May 25, 2003. This is the second day of no water. The temperature is about 110 degrees outside. I found a book of stamps in a "for my soldier box."

We don't need stamps so I'm sending them home for you to use so you can mail me some letters.

What we need is for the mail not to get lost and to be a little faster.

It is 0140 in the morning, and I'm in my office behind a desk in an old police station in the new section of Baghdad. I

heard a bunch of gunfire that went off behind me. It sounded like it was about a quarter mile away, maybe a little closer. It is only AK-

Carlson

47 fire, but that is common place around here.

Sometimes they will drive by and fire into the station. Across the hall is the other office which is where the station chief sits. There is a wall around this building and a big backyard. We strung concertina wire along the top of the wall and have guards on the roof. They can still shoot an RPG into this place.

This place will take decades to rebuild, I just hope that we don't have to stay here that long. I can't wait to lay on a real bed again, go where I want, wear civilian clothes, use a real shower with water, use a real toilet, eat food, watch television, and not have to worry about

getting shot when I go outside. But right now, all that seems so far off.

May 26, 2003 These streets do not get any safer, they seem to get more dangerous each day. They say the enemy isn't organized. I say he is well organized and we're on his turf. He knows the city better than us. They pop up and shoot at us at anytime. You never know when a round will come through the windshield.

I wonder how bad this stress is on a person's nerves. It never lets up. I saw one guy that was behind a wall with a weapon, I looked in his direction with my big, red, rubber

SEMINOLE SUMMARY

A GLANCE AROUND OUR COUNTY

Out the door: I guess the majority of members on the Sanford Main Street board have lost their love for Sara Jacobson, the Downtown Diva.

Last year Jacobson was whispering sweet nothings in the ears of the Main Street board for a supposed merger between her organization, the

Around the Clock

 Downtown Business Association, and Main Street. It never came in pass, but that hasn't stopped the Diva from throwing her two cents in whenever the notion hits her.

Word Around The Clock is that Jacobson attended a recent meeting and was

asked to leave since she wasn't a member of the group. She reportedly refused, at which point Bezzie Fitzgerald made a motion that Jacobson leave. Main Street vice president Jim Dunn threatened to resign if the motion passed. It did, he did and she left.

No numbers: I hope Bill Kirchhoff, financial planning guru and president of Main Street, provides more documentation to his clients than he does to the Sanford Downtown Community Redevelopment Agency (CRA).

The CRA provided funding for Main Street in the first two quarters of this year. That funding has been cut off because of Main Street's failure to meet the terms of a performance contract. Larry Strickler, chairman of the CRA, and "The Bobs" — board members Bob Kahn and Bob Passell — have repeatedly asked for detailed financial statements to determine how much, if any, taxpayer money was left in Main Street's account and how it was spent.

The response came in the form of a letter from Kirchhoff that basically said the CRA had given more than \$11,000 and Main Street's expenditures were a little more than \$12,000 for payroll, fees, mileage reimbursement and a list of other expenses. There was no list of line item expenditures, no bank statements, no accountant's report, just Kirchhoff's letter.

Who needs details when you're dealing with taxpayer money?

Home improvement: The city of Sanford will pony up for another home improvement project. Loyal readers will recall that the city bought windows (but never took possession of them) because four employees failed to notice the windows a home owner had proposed to install didn't meet code. This time the home improvements are much more legitimate.

When 16-year utility department veteran Kelly Gibson was trapped in a hole earlier this week while working on a collapsed sewer line, emergency crews removed sections of wooden fence with chain saws to accommodate some of the large equipment used in the rescue attempt.

Turns out the fence belong to Ron Rose, marketing director of the Helen Stearns Theatre. The incident occurred in the alley behind his house. Rose installed the fence and laid new sod just days before the accident occurred.

Rose isn't worried about the city making the repairs. He said he's just glad the hundreds of rescue workers, media and onlookers weren't around a few weeks ago.

"I had some time off this summer and was sprucing the place up," Rose said. "I'm glad this didn't happen two weeks ago. The place was a mess. I would have been embarrassed to tell anyone that I lived there."

Flashback to Jack: Alert reader Mona Walker sent word through Andrea Farmer that Sanford's own Jack Hanna will be on the local airwaves this week.

SGTV will air the "In the Beginning" episode of Jack Hanna's Animal Adventures. The piece chronicles Jack's first zoo experiences before he hit the big time at the Columbus Zoo, as director of the Sanford Zoo and the Central Florida Zoo from 1973 to 1975. It will air on Monday, Aug. 11, and Wednesday, Aug. 13 at 3:30 p.m.

Chopper parking only

During a recent press conference at an Interstate 4 westbound rest area, local sheriff office and police departments along with the Florida Highway Patrol displayed units that will be used in a campaign to reduce aggressive driving in Seminole County.

Traffic

• Manuel Malagon, 28, of Hidden Lake Drive in Sanford, was arrested by Sanford police Sunday at Santa and Osceola streets in Sanford. He was charged with DUI of alcohol/drugs and reckless driving. Both were first offenses.

• Pearl May Tanner, 19, of East 11th Street in Sanford, was arrested by Sanford police Tuesday at Sanford Avenue and 24th Place in Sanford. She was charged with driving with a suspended license. It was her second offense.

• Charles Robert Johnson, Jr., 18, of Anderson Circle in Sanford, was arrested by Sanford police Tuesday on State Road 600 about 200 feet north of Bush Boulevard in Sanford. He was charged with driving with a suspended license and failure to have valid registration on license plate.

Drugs

• James Vincent Burke, 47, of South Bay Avenue in Sanford, was arrested by Sanford police Tuesday at West 11th Street and Mangouline Avenue in Sanford. He was charged with possession and/or use of narcotic equipment.

• John Doe, 27, unknown address, was arrested by Sanford police Thursday on South Orlando Drive in Sanford. He was charged with possession of marijuana and cocaine with intent to sell and resisting an officer without violence.

Battery

• Shannon Michael Sharrow, 34, of Club Road in Sanford, was arrested Tuesday by Sanford police at his residence. She was charged with domestic violence.

• Vance Stephen Brown, 46, of Maine in Longwood, was arrested Wednesday by Sanford police at State Road 46 and Rinehart Road in Sanford. He was charged with aggravated assault with a deadly weapon without intent to kill and resisting an officer.

• Dennis Mack Williams, 48, of Mellenville Avenue in Sanford, was arrested by Sanford police Thursday at his residence. He was charged with aggravated

assault with intent to commit a felony and domestic violence.

Theft

• Dorina Bica Elderlice, 75, of Last Tee Court in Longwood, was arrested by Sanford police Tuesday in Towne Center Circle in Sanford. She was charged with petty larceny in the first degree of property from \$100 to \$300 in value.

• Sonia Anette Vance, 31, of Locust Avenue in Sanford, was arrested by Sanford police Tuesday at 21st Street and Sanford Avenue in Sanford. She was charged with petty larceny in the first degree of property from \$100 to \$300 in value.

• Sara Maria Skelly, 26, homeless of Winter Park, was arrested by Sanford police Tuesday at a store on Orlando Drive in Sanford. She was charged with petty larceny in the first degree of property from \$100 to \$300 in value.

• Jamie Johnson, 28, of South Orlando Drive in Sanford, was arrested by Sanford police Thursday at a video store at Plaza Entrance and South Orlando Drive in Sanford. He was charged with petty larceny. It was his first offense.

• Vincent Edward White, 40, of Georgia Avenue in Sanford, was arrested by Sanford police Thursday at a gas station on South French Avenue. He was charged with petty shoplifting from a merchant and resisting an officer without violence.

Multiple charges

• Sonia Anette Paybe, 23, of Cypress Avenue in Sanford, was arrested by Sanford police Tuesday at 21st Street and Sanford Avenue in Sanford. She was charged with aggravated battery using a motor vehicle, giving a false ID to a law enforcement officer, petty larceny of property in the first degree and driving with a sus-

pended license.

• Pamela Denise Jarvelia, 34, of West 12th Street in Sanford, was arrested by Sanford police Tuesday at her residence. She was charged with causing between \$200 and \$1,000 damage to a government vehicle and petty larceny.

• Shawn David Green, 23, of Yale Drive in Sanford, was arrested by Sanford police Thursday at County Club Road and Airport Boulevard in Sanford. He was charged with auto larceny over \$300 and under \$20,000, possession of less than 20 grams marijuana and driving with a suspended license.

• Kelly Indea Fowler, 31, of Anderson Circle in Sanford, was arrested by Sanford police Thursday at a restaurant at West 27th Street and French Avenue in Sanford. She was charged with possession of cocaine and operating a motor vehicle without a valid license.

• Michael Martel, 36, of Golf Cove Court in Sanford, was arrested by Sanford police Thursday at Downing Street and Hansom Parkway in Sanford. He was charged with DUI of alcohol/drugs, possession of less than 20 grams of marijuana and possession of drug paraphernalia.

• Kelly James Bradley, 42, of Bob Thomas Circle in Sanford, was arrested by Sanford police Friday at a neighbor's residence. He was charged with trespassing of a structure or conveyance, larceny of over \$300 and less than \$5,000, unarmed burglary of a dwelling and resisting an officer by giving a false name.

Other

• Brandon Deandre Williams, 21, of Ridgewood Lane in Sanford, was arrested by Sanford police Thursday on West 25th Street and Georgia Avenue in Sanford. He was charged with disturbing the peace for verbal assault on police.

• Travis Todd Griffin, 21, of Pinecrest Drive in Sanford, was arrested by Sanford police Thursday at his residence. He was charged with disorderly intoxication.

OPINION

Call in a professional

Save trees from stormy gusts by getting branches topped

They say one learns from one's mistakes. This is a case where, because I have a column to write, I can possibly help you learn from my mistake, or rather, what I didn't do that I should have.

Nick Pfeiffa

About 10 days ago, we had a bad storm where I live. At least four inches of rain, lightning, and wind gusts of possibly 20 miles per hour or more. It lasted into the dark of night.

When I woke the next morning, in addition to four sand pines, each possibly 30 to 40 feet high, collapsed onto the ground, there were 14 oak trees which had been topped — that is, the upper branches had fallen off.

The following day, another storm, and the loss was five more oaks being topped and a couple more pines topped.

If I knew before what I know now, and had actually taken the proper steps to prevent it, I probably wouldn't have lost a single tree, especially those oaks.

The experts tell me I should have had the trees (the oaks) topped. I should have had the excessive growth in the upper limbs trimmed and eliminated. They say those upper limbs are what happens when the tree tries to reach upward for the sun — the top grows and grows while the lower limbs grow slowly.

Put a heavy growth on top of a tree, light or weaker limbs toward the bottom, some rain to get the top of the tree heavier, and a little wind — and "crash" you have trouble.

There have been a number of homes with trees crashing through roofs here in Central Florida. One I know of in Osteen, two in Enterprise, and four in Sanford. I don't know how many others there may have been, but I feel certain much of this damage could have been prevented if the trees had been topped.

Here lies the problem. Such tree trimming or topping will cost you money. We recommend hiring professionals to do the work. Be certain they are licensed and have their own insurance, or you're just aching for trouble.

Yes, this is going to cost you money. How much may depend on the size of the tree, its thickness and height, how easy it may be to drop the tops, and other factors.

Then there are always those blankety-blank city codes that may tell you you can't top a tree, even if it threatens your house. Of course that's another situation, isn't it? Yes, it'll cost you — but not what it would cost to have a 10 foot hole repaired in the roof of your home, or have the flattened roof or hood of your car fixed.

Before there are more storms, call a professional. Get some estimates if that makes you feel better, but GET THE WORK DONE before you end up paying twice or three times that much for cleanup and repair work once they collapse.

Your Views

State needs to address growth

To the editor:

I have read with great interest the last several days of the continued plight of counties and the state as a whole concerning the influx of new residents from all over the world into our great state, many of them children.

When I was born in rural Lake County in 1926, I believe Florida had approximately one million residents. As a realtor, builder and developer in Central Florida for almost 58 years, I have witnessed and been a part of this growth and the school problems that come with it. It seems that each county is trying to deal with its school problems the best it can under all existing laws. I firmly believe that piecemeal methodology presently being utilized is disproportionate. In my professional opinion, one needs to do the following:

1. Have someone on the state level project the number of children who will be moving into the state over the next five, ten, or twenty years.
2. Based on that and present information, determine how many living units (single family, villas, condominiums, town houses, mobile homes and apartments) will be sold in the state of Florida during that period of time.
3. Divide the number of units into the cost for additional schools that will be needed to take care of demand, give teachers a decent raise and cover all other administrative costs. This will determine a fee (\$500, \$1,000 or \$1,200) to be charged to the purchaser of any resale living unit.

4. Once this was accomplished, scale down to a more moderate school impact fee for newly constructed residences which really should not be any more than the transfer fee for resale of an existing home.

Once the above is computed, the governor and the Florida Legislature should amend the constitution of the State of Florida to provide the above to become state law. Naturally each county will receive its pro rate share of this impact fee based on the number of living units sold in the county.

With all the high-tech 21st century technology available, the above information can be assembled in a reasonable period of time to come up with proper numbers. Any other method, whether it is "no growth" or a county-by-county method is not fair and equitable and does a disservice to the building construction industry and the new home buyer, particularly the more affordable homes.

The Commissioner of Education and his staff, under the leadership of the Governor and with the support of the news media, should work in concert to accomplish the above.

The construction industry is one of the largest in the state and is doing more to keep the economy going than any single industry as a whole. They should not be penalized as they are today.

We need a more equitable solution to the problem and the formula as stated above is the only one that is going to accomplish all that is needed in fairness to all concerned. It is absolutely essential and mandatory that the leadership in Tallahassee to the local county level with the support of all individuals and more particularly the press get behind the contents of this letter.

The grass roots growth management campaign which calls for a proposal amending the state constitutions to give voters, not elected officials, the final say on any changes to the comprehensive land use plan of cities and counties.

Unfortunately, I have learned that many present residents are more comfortable in their homes and enjoying living in our great state would prefer not to have any of their friends from other states have the same opportunity to move to Florida as they did.

Also, most retired citizens living on a fixed income do not want any increase in their taxes to support the growth of Florida, particularly schools. My plan would alleviate all of the above concerns.

If this grass roots growth amendment is passed, it will set Florida back at least 50 years. I base my observations on my almost 58 years in the real estate development and building profession, past membership in the East Central Florida Planning Council from Lake County, past Chamber of Commerce presidency, past City Councilman status and dozens of other positions.

Enterprise Florida, under the able direction of Mr. Darrell Kelley and many others, is constantly working diligently to attract more high-tech businesses and jobs for the state as a whole.

This is never going to happen when Florida ranks almost at the bottom in the nation in public school education. Attracting these high-tech jobs will require a tremendous amount of money to be spent on the public school system, the community colleges and all of Florida's institutions of higher learning.

Florida would like to be driving a Rolls Royce, unfortunately it is driving a 20-

year-old used car! You cannot eat a filet mignon on a hot dog budget. It is going to take some bold action by the leadership of the state, from the Governor's office on down, to change this deplorable condition that has existed in Florida for decades.

It is extremely difficult for the undersigned to understand why the leaders of this great state can't realize what is going on and what it is going to take to solve the problem, then roll up their sleeves and go to work.

Florida leads the nation in the permitting of new housing units. This industry as a whole and the "trickle down" effect that it would have on practically all businesses and citizens of Florida would be an economic collapse for Florida as a whole. It would bring on not a recession but a depression of a whole state, whereby other businesses as well as individual tax payers would have to move forward to make up the shortfall in tax dollars.

History has proven economically and politically that bad things happen to individuals, states and countries when the majority of citizens are not concerned or are too busy to get involved. The result is that a minority of citizens organize, start beating the drums and cause havoc for all. What are we waiting for? When are we going to wake up? Time is running out!

Three of my four children are in education, and between that knowledge and my vast experience in dealing with the influx of new people, I am well aware on a professional day-to-day basis of the school problems they bring. If there is anything I can do to assist, I am always available.

The late show and the late great State of California

Arnold Schwarzenegger is a 'Running Man'

There are three families rattling around in our big house out here. My wife and I. A daughter with her husband and three little boys. A son with his wife and baby daughter. We turn in early, as you might expect after days of swimming, running to keep up with the kids and dinner with old friends.

Richard Reeves

Unbeknownst to one another, we all stayed up past our bedtimes on Wednesday, watching Arnold Schwarzenegger declare his candidacy for governor of California on Jay Leno's show. Are we pathetic or what?

So was he. It was not only the venue, but the memorized movie lines. "I'm mad as hell ..." Ronald Reagan was Thomas Jefferson compared to this guy. I don't have anything against Schwarzenegger ... Well, actually I do. We used to live a couple of blocks from him in Los Angeles, and there was always a danger of being clipped by one of his Humvees, which were about as wide as some of the roads around us.

California politics is always a topic of conversation in our house, three of our children live and vote in the state, and my wife, Cathy O'Neill, was once a candidate for statewide office. And this particular morning we interspersed newspaper reading with "Terminator" imitations. Some of them

were pretty good.

In general, New York papers were playing the story as the end of California, if not Western civilization. We know those interpretations are quite wrong. This is actually the triumph of California, or more precisely, Los Angeles. It is the triumph of the entertainment mentality and business, of celebrity above all, of fiction over fact.

As a young reporter from New York who had never been west of the Mississippi, who had never seen a real palm tree, I first saw California on a campaign trip with Robert F. Kennedy. I fell in love with the place that day, and I am still in love with it. At the bottom of the stairs as Bobby came down was an actor, Robert Vaughn,

known to me only as "The Man From U.N.C.L.E.," the name of his television series.

I learned a lot that day. Entertainers out there were the same as industrialists or bankers back East. Their efforts employed hundreds, thousands of people in what was then becoming, arguably, America's most important industry and export. Reagan himself liked to reminisce about a shot in one of his movies that showed nothing but a horse grazing in a field, surrounded (off-camera) by 110 technicians and other well-paid folk.

Whatever else he is, Arnold Schwarzenegger is a serious man. Unfortunately, California really does not have a serious political system anymore. Its politics and governance have been heavily impacted and then crippled by the growth of population, the rise of the

entertainment business and the failure of well-intentioned democratization.

With a population now of more than 34 million spread over more than a 150,000 square miles, California has simply become too big for any significant kind of face-to-face statewide campaigning and contact. Part of Gov. Gray Davis' current political problem now is that over his three decades in state politics, the only people who have actually met him are the ones he's asked for campaign funds. The "people" of California have been digitized.

California politics is all name recognition, polling, television, direct mail and e-mail, and journalism — and even more than in other states, California journalism, particularly broadcast news, is a sub-set well within the bowels of what is known locally as "the business," show business.

Finally, for a century, Californians have tried to open up politics with high-minded "progressive" devices like recall, referendum and term limits. The result has been a musical-chairs comedy with a cast of short-timers who leave office as soon as they understand it, and Proposition 13 and other tax-saving referenda have made it almost impossible for the state to function in hard times and are destroying the state's great past accomplishments in public education, transportation and environmental preservation.

This recall could be the final straw — or the last laugh! — with an elected governor no one really knows overthrown by a bizarre recall system and replaced by a name who knows nothing.

LifeStyle

The Way We Were: Sanford Historical Society goes to the Central Florida Zoo

On July 24, the Sanford Historical Society met in the education classroom at the Central Florida Zoo. Most of those attending remembered the former Sanford Municipal Zoo and were interested to learn about the "new" zoo.

Andrea Farmer, director of public relations, was introduced by Society vice president Paul Hodgins. She reminded the group that the zoo's move from downtown Sanford was made in 1975 following a large community fund-raising effort.

Grace Marie Stinecpher

The new home was on 116 acres west of Sanford; at this time only 26 acres have been developed. The move was made for only \$200,000 while now the zoo's budget is \$2.5 million.

Admission cost in 1975 was \$1 for adults and \$.50 for children as compared to \$8 and \$4 today. The largest source of income, about 70 percent, comes from admission and concessions while the remainder comes from grants, donations and the county's tourist tax. The zoo presently has 7,000 members.

In 1975, the animals were moved from small cramped cages to more natural habitats, and this environment has continued to be improved. The only animal to make the move that is still at the zoo is Geraldine the Hippopotamus. It was mentioned that Sobik the Elephant was now in California, having previously been in Canada.

When the zoo opened, and for many years, there was a mulch path through the zoo; now patrons walk through on an elevated boardwalk.

For a few of the early years, there was a train ride through the zoo; the return of a train is in the near future.

The Central Florida Zoo is indebted to Jack Hanna who was curator at the time of the move. He continued to support the zoo as honorary chairman for capital campaigns. Also involved during the beginnings of this zoo was Stan Brock.

In 1986, only a few short years following its opening, the zoo was accredited by the American Zoo and Aquarium Association. It continues to be accredited, undergoing a rigorous inspection every five years.

Sandy Lynn, zoo director of education, was introduced next. She was one of only two people which began this department in 1989; there are now 16 on staff. Ten years ago an education classroom was constructed and now this department is excited about a new building to be built soon which will contain two classrooms and an auditorium.

A zoo lab will also open soon which will include a classroom and a home for certain animals. This will provide hands on experience for children. The education department works closely with teachers to provide an excellent learning experience.

Trained volunteer docents give a variety of tours including the popular nocturnal overnight program. The education department also provides workshops for teacher in-service credit.

Fred Antonio, zoo curator, made sure that the group realized the vast improvement the present zoo was over the former municipal zoo. He mentioned the better nutrition, excellent veterinary care provided by the School of Veterinary Medicine at the University of Florida and that there are now 15 keepers, all with at least a bachelor's degree.

The zoo also supports wildlife conservation by being involved in programs for many species throughout the world. Also mentioned was that the vast zoo acreage preserves a wilderness, forever free from commercial development. And those attending were also pleased to hear that the zoo has no intention to move anywhere at any time.

The Central Florida Zoo had its beginning in 1923 with a monkey that was donated to the fire department. Other animals were donated and a move was made to the lakefront site in 1925. The municipal zoo continued to be improved and it became an area attraction.

Even though there was sentimental attachment to this zoo, it was realized that a new natural habitat location was needed. With the modest beginning with a single monkey, in 80 years our zoo has evolved into a marvelous attraction.

During the society's business meeting presided over by President Jay Jacobs, visitors George and Alice Swann were introduced.

It was announced that there are now 159 members and these had been listed in a booklet sent out recently.

The Society newsletter editor, Grace Marie Stinecpher, reminded the group to read the articles on the municipal zoo, Seminole High on French Avenue, celery fields, the clock and the bandshell. More are being planned.

Curator Alicia Clarke announced that pro football star Jeff Blake had donated additional football equipment to add to his collection in the museum. She also made a plea for volunteers since museum assistant Brandi Wilmut had been laid off during the recent city downsizing.

The Society sponsored an Arcadia Publishing published book on Sanford beginning with the Timacun Indians, Fort Mellon and Mellonville. The images selected, each with detailed captions, will give a history of Sanford through the 1970s. There are 128 pages and the cost will be \$21.

Following the meeting, the group enjoyed a guided tour of the zoo. And refreshments consisting of animal crackers and other snacks were provided by Patty Swann.

First Days

Pinecrest, Idyllwilde and All Souls schools celebrate the start of the 2003 school year

Second graders (left) at All Souls Catholic School in the historic district of Sanford gather for morning devotionals during their first day of school.

Principal David Scott (below) directs traffic and greets students across town at Idyllwilde Elementary School.

Herald photos by Tommy Vincent

After a summer break, it doesn't take Pinecrest Elementary crossing guard Marie Birdwell (left) long to remember how to stop traffic.

For some the first day of school wasn't the most exciting as a few newcomers just didn't want to leave the nest as (above) with Jessica Howard and 5-year-old Willie Carter.

Luther Barnes to give concert at New Bethel

Renowned national recording artist Luther Barnes and the Sunset Jubilaires of Rocky Mount, N.C., will be in concert, singing their brand new release, "It's Your Time" and other favorites on Monday.

Aug. 11, at 7 p.m. at New Bethel Baptist Church, 618 E. 10th Street, Sanford.

Joining them will be New Bethel Baptist Church Mass Choir, and the Passion Mime Boyz, featuring Marian C. Hillary. Doors open at 6 p.m. Donations are \$10 in advance, \$12 at the door.

Students ages 12-17 will be admitted for \$5. No video cameras or tape recording devices are allowed. The concert is sponsored by New Bethel Baptist Church and Bible of Sanford. Rev. William F. Lewis is the pastor.

Tickets are available at Bethel Book and Bible Center, Sanford Ave.; and Family Christian Stores, Altamonte.

Crooms Faculty, Staff, Students to be Honored
The Men of Allen AME Church presents Crooms Academy special tribute to Crooms principals, teachers, staff and graduates.

They will be honored in a special service, Sunday, Aug. 10, 3:30 p.m. at Allen AME Church, 1203 Olive Ave.

For information, call Robert Thomas, Jr., (407) 322-5756, or Victoria Brown Smith, (407) 323-0895. Rev. Valarie J. Henry is pastor.

Sorority Hosts Academic Reception

Kappa Sigma Omega Chapter of Alpha Kappa Alpha Sorority, Inc., hosted the Spirit of Alpha Kappa Alpha Reception on Sunday, June 22, at the Bettye Smith Cultural Arts Center to honor Seminole County high school graduates for their outstanding academic performance.

Delores Myles extended the welcome, and the occasion was given by Mia Coleman. Chapter president Geraldine Wright offered words of wisdom and encouragement to the honored graduates.

The recipient of the 2003 Sorority \$500 scholarship was Shwena Campbell, a graduate

of Seminole High School, where she participated in the Health Academy Magnet Program, the Expression Color Guard Team, and National Beta Club.

Graduates attending were Sarah Davis, Clarice Stephens, Everlea Bryant, Jonell Melville, Emerald Britton, Diana Days, Christele Francois, Kirsteryn Gunter, Shaterica Brown, Charmaine Deshields, Tanisha Hunter, Nicole Mitchell, Gena Abel and Ronella Gullman.

Harbor Center Open for Learning

Summer Enrichment and Reading Program at the Harbor Literacy and Learning Centers just completed a successful summer program, and is now gearing up to assist children this fall.

Emphasis is placed on tutorial reading, writing, math, science and FCAT intervention. In addition, arts, crafts and music are taught.

Lock the barn door ... while we still have cattle inside

Welcome to Stetson's Corner, where weekly we hope to share a bit of what is good about the town of Geneva. This column is dedicated to a man

Daria Scoles

..... who did the same — Deputy Sheriff Gene "Stetson" Gregory, who was killed in the line of duty July 8, 1998 in the place he was sworn to protect, but which could not protect him. Geneva will never be the same because of Deputy Gregory ... it will be better.

As wonderful as life is in rural eastern Seminole County, there is a rumbling of sorts here that cannot be ignored. It's called inevitable growth. If you're not sure if what you're hearing is this particular sound, just ask someone from Chuluota. They know it all too well. It starts out low and seemingly far away, but then before you know it — it's ear-splitting and in your own back yard ... kind of like our

afternoon thunderstorms of late.

While I'm not so ostrich-like as to think that growth won't head our way, or that we could in some way stop it before it arrived at our borders, I do think that if enough of us get involved in planning and steering that growth we can ensure that our quality of life is not compromised by the storm rolling in. And it is rolling in.

Several topics are coming up on Seminole County government agendas that directly impact the residents of Geneva and the surrounding spots of peaceful living. Some are as large as the rezoning of 55-plus acres to accommodate retail growth. Some are as benign as renaming Mullet Lake Park to reflect the history behind the land donation that makes the park possible. Others involve buffering the Orlando Sanford Airport expansion to the east and requesting a Small Area Study (SAS) to be done by the county here before the rumbling gets any louder.

Then of course, there is the ever-looming cloud known as The Boar's Nest

debate, which will be back on the Seminole County Board of County Commissioners' agenda before too long as well. This situation has many concerned about insurance expenditures and site monitoring on this county-owned, privately-leased parcel of Geneva land.

The people who live here, live here for a reason. The people who live here are thus obligated to preserve that reason or be forced to either live with the consequences or move (where next?). Please choose preservation. Get involved in what is happening in our community, or know that you've aided its decline. Find out the dates of the upcoming meetings for the Board of County Commissioners, the Planning and Zoning Commission, the Board of Adjustment, the Code Enforcement Board, the Development Review Committee, the Parks and Recreation Advisory Board.

Attend the meetings. Write a letter. Address the commissioners. Call your commissioners. Become a member of the Geneva

Citizens Association. Do your part.

All these things are not complicated in nature. To find out about your county meetings, visit www.co.seminole.fl.us and follow links to meeting dates, agendas, minutes, contact information — and leave a comment or suggestion while you're there.

No computer? Look up "Seminole County" in the phone book and dial away. Ask questions. Take names. Add your name to the roster of the Geneva Citizens Association by calling Lorraine Whiting at 407-349-5495.

If enough people do, then as one resident said it ... "We can lock the barn door while we still have some cattle left inside the barn."

We need you to tell us what you know that is good about Geneva! Please share your information, ideas and comments by calling 407-349-2140, writing to Stetson's Corner c/o The Orlando Voice, via e-mail at darias@mpinet.net, (please put "Stetson's Corner" in the subject line), or with a fax to 407-349-1311. Thanks!

Bed & breakfast awarded June landscape award

Herald photo by Tommy Vincent

The Sanford Historic Trust honored The Higgins House Bed & Breakfast, located at 420 S. Oak Ave., with the June landscape award. Accepting the award from historic trust chairperson Heather Moore (right) are owners Robert and Phyllis Lloyd.

Hawkins

Hats off to all who have supported this program: dividend volunteers, business partners, such as The Seminole Herald, Seminole Volunteer Enterprises, Inc.; Second Harvest Food Bank of Central Florida; Lakeside Lion's Club; Heathrow Women's Club; Orlando Magic; Seminole Town Center, Burdines; Better Business Bureau; local law enforcement and other collaborative partners.

Birthday Greetings
Happy birthday to Dr. Joseph Martin, the new pastor at St. John Metropolitan Baptist Church, and George Jennings, who celebrated their great day on Monday, Aug. 4. Congratulations are in order to Minister Charles D. Jackson, who is celebrating his birthday on Aug. 10, and Agnes Knighton on Aug. 9; Ynell Ferrell Washington on Aug. 9; Eloise Williams-Dilligard on Aug. 24.

AN OPEN LETTER TO OUR CHURCHES

Dear Friends,

This area is truly blessed to have so many houses of worship, which have played such an important part in the development and continuance of this area's rich religious heritage.

Sharing the news of your church is not always easy with new people in the area, or residents who may not know about your church. We at the Seminole Herald want to help spread the good news of your congregation to our readers and visitors.

The Seminole Herald will publish a directory of worship for the area. This publication will have profiles on area churches. Each church that chooses to participate will need to provide a written profile highlighting its history, worship schedule, pastor or other pertinent information. The Herald will take a photograph of each church.

This special publication "Come Worship with Us" will publish in the Seminole Herald on Wednesday, September 10, 2003. The Deadline for copy is Monday, August 18, 2003.

The costs to publish your church's profile are as follows: Full-page - \$275, 1/2 page - \$160, 1/4 page - \$95. Color may be added for an additional \$175. We also have premium rates set for the center spread and back page of the edition.

It is certainly our hope that the information we will be sharing through this publication will be a blessing to you, your congregations and the area as a whole. To reserve space for your church profile, please call me at 407-322-2611, ext. 11, or email to dsutton@seminoleherald.com

With our very best wishes,

Dan Sutton

Sanford police opens Seminole Towne Center location

Herald photo by Tommy Vincent

The Sanford Police Department opened a new substation July 19, said Sgt. Randy Smith (pictured above). The substation, located inside the Seminole Towne Center Mall on the lower level entrance west of Burdine, will be open during regular mall hours and is intended to strengthen the police presence within the community. It's the third substation for SPD including the 13th Street location in Goldsboro and the downtown Sanford substation. According to Smith, a fourth substation may soon be added to the list as the Wal-Mart on U.S. Highway 17-92 has extended an offer to the police department. The substations are typically manned by community service officers and are used to recruit more volunteers and provide public services.

Area student receives Phi Delta Kappa grant

Renee Marie Roloff of Winter Springs is one of 31 recent high school seniors selected to receive the prestigious Phi Delta Kappa's 2003 Scholarship for Prospective Educators. Renee is the daughter of Paul E. & Dorene A. Roloff. A \$1,000 grant was awarded for Renee to pursue a career in teaching or professional education. Phi Delta Kappa International and the Phi Delta Kappa Educational Foundation jointly award the annual scholarship grants to assist prospective teachers with their registration and tuition costs during their first year of college or university enrollment.

The committee is composed of five members selected from among 635 applicants representing the United States, Canada, and several countries outside of North America. The criteria used to select the 31 recipients included high scholastic achievement, letters of recommendation, the completion of an essay, interest in teaching or professional education as a career, and participation in school and community activities. Renee's essay was in response to the question, "Schools today are becoming highly computerized. Students are being required to do more and more of their work using computers. In many cases students now use the Internet to do the

research for assignments..." More specifically, the essay asked candidates to share their ideas on how they planned to use the Internet in the classroom. Phi Delta Kappa International is a professional organization for prospective and professional educators. The organization consists of about 87,000 educators in the United States, Canada, Mexico, the Caribbean, Europe, Australia, and Asia. The purpose of Phi Delta Kappa International is to promote quality education, with particular emphasis on publicly supported education as essential to the development and maintenance of a democratic way of life.

Center

Continued from Page 1

Center, retail space, an outdoor amphitheater and a 500-car parking garage. According to Lessard, the new proposal is similar, with the exception of the structural parking garage, which would become surface parking, and the addition of more retail space. "The city will work with the developer and are going to look at, and discuss, the idea of still having a convention center," said City Manager Al Grieshaber. "It appears we are going to try to go forward with a center." The new proposal will cost the city and Sanford an estimated \$200,000 to \$350,000 per year. However, the revenues generated by the project's retail space, which will be split 50-50 between the city and the developer, will significantly

reduce, or offset, the financial burden. Another highlight of the proposal is that the city will not be responsible for managing or marketing the facility. Instead, a Suncor will handle this function, as well as advertising and booking the facility. According to Lessard, if commission agrees to move forward with the proposal, the city will enter into negotiations with the Sanford Downtown Community Redevelopment Agency (CRA), the organization responsible for the redevelopment of downtown Sanford. "The CRA is an essential part of this equation," said Lessard. "The downtown area is their baby. Anything the city moves forward with on this has to be with their

agreement and direction. We want to make sure they are excited and guide the project as much, if not more, than the Commission." Other news to note, the Sanford Commission will:

- Discuss Sanford's third-quarter financial report.
- Discuss Sanford's 2003-2004 Signature Event Series, which would include Oktoberfest and the APR Boat Race/Taste of Sanford in October, the Light Up Sanford Boat and Christmas Parade in December, a Martin Luther King Celebration in January, Mardi Gras in February and Festival of the Fourth in July.
- Consider a proclamation making Aug. 17-23 Sanford Fire Fighter Appreciation Week.

Diary

Continued from Page 1

clown nose on, it caused him to take a second-look, a delay just long enough for me to squeeze off a few rounds in his direction. He disappeared down an alley. I guess he didn't want to stay for the matinee. May 27, 2003 Today we had to go to some old Iraqi military compound in reference to a mass grave site/torture chamber and provide security for CID [Criminal Investigations Detachment]. It turns out that our company and 519th MP Bn was a day late and a dollar short as CID had already completed their investigation the day before. Anyway, we found a basement to the place and went inside. It was dark in that labyrinth of halls down under the building. Before we went inside, I had my interpreter yell to let anyone know that American troops were coming in with

weapons drawn and to announce themselves or they would get shot. As we started inside, the Iraqis that showed us the place, yells for us to stop. He said we would need gas masks — not for gas but for the smell of dead bodies. We went on in with SGT Coe, then myself, Bates, Hunter, and Williams in the rear. I left Geiger and Guillory at the entrance with the interpreter for security. We went forever in the dark and finally came out on the other side of the building. There were no bodies, as we found out later, the CID had already cleared the area. I get a lot of candy and etc. in MRE's. I would save them for my sons, but the kids I see every day have far less. I saw one toddler that was being held by his older brother. The toddler was afraid but had a big

smile when I shook his hand. I see these kids that are the same ages as my sons and it makes me miss them even more. I am so glad I never had to kill a kid that may have pointed a weapon at me during the war. We were instructed that if we were fired upon by an Iraqi soldier who was hiding behind either women or children then they would have to be killed in order to kill the soldier. I thank God that never happened. May 29, 2003 I knew my motivation today about redeployment in July would come to an end. The commander was talking with the battalion commander and now says we will be here till November. This is starting to be pure desperation in trying to get out of this God forsaken place. Next issue: Ambushed!

For Qualified New and Startup Businesses

AirportEnterpriseCenter

AT ORLANDO SANFORD INTERNATIONAL AIRPORT

A Business Incubator Facility offering entrepreneurial assistance.

Office/Warehouse space created to nurture young firms, helping them to survive and grow during the startup period when they are most vulnerable. The ultimate goal of a business incubator such as the Enterprise Center at the Airport Commerce Park is to produce healthy firms that create jobs and wealth, strengthen the economy, commercialize new technologies and revitalize the community.

AEC Features Include:

- Small space leasing (1500 sq. ft. increments)
- Assistance with business planning and startup
- Pre-wired fiber optics and high speed internet
- Commercial telephone cables, free installation
- Easy access to HWY 417, I-4 and 17-92
- Foreign Trade Zone status

• Only 1-for-9 this week to see average fall back another point, but has scored three runs as Red Sox have gotten hot again and have closed right in on the Yankees' heels in the race for the AL Eastern Division title.

Lytle lighting it up in 'Sally'

By Dean Smith
 Sports Editor

Chaz Lytle is becoming a 'hit' in North Carolina. The former Seminole High and American Legion Post 53 star has overcome an early-season injury and is starting to create the same excitement he did locally and as an

SHS star sixth in South Atlantic League in batting

All-American at the University of Georgia. After getting off to a slow start and then being sent back to Florida to

recover from an injury, the lefthanded hitting outfielder has been on a tear for the Hickory Crawdads of the Class A South Atlantic League.

He moved into the Top 10 in the league in hitting during July and was hitting .306, good for No. 6 in the SAL, heading into Thursday's action. In 81 games he has 87 hits in 284 at bats with nine doubles and a triple to go along with 27 RBI. He has also

Crank it up!!

Herald photos by Jim Wentz

High School football practice for the 2003 season officially begins this Monday, giving the teams less than a month to prepare for the openers on September 5th. Some of the players expected to have an impact on the Seminole Athletic Conference race are Lake Mary's Cameron Bateman (shown in top photo getting a block/hold? from David Sauls), new Winter Springs quarterback Brett Hodges (lower right) and Lake Brantley's Corner Beverly (lower left putting a hit on a Lake Howell runner during the Spring Jamboree). Opening night games include: Lyman at Lake Mary; Seminole at Pine Ridge; Lake Brantley at Apopka; University at Lake Howell; Bradenton-Lakewood Ranch at Oviedo; and Winter Springs at Winter Park.

Football practice begins at UCF

Special to the Herald

The 2003 UCF football team hit the field for the first time Thursday morning as the Golden Knights worked for about three hours on the practice fields adjacent to the new Wayne Densch Sports Center.

The state-of-the-art complex is home to the football team in addition to the training room, weight room and video department for all 17 of UCF's intercollegiate sports.

The non-contact practice featured players without pads except helmets as they acclimated to campus and preseason camp.

"I thought the pace, attitude and effort was very good," commented head coach Mike Kruczek. "The critical thing now is to maintain the pace and increase it as we go through."

The players spent the morning with each of their respective units going over fundamentals at the start of camp. As the practice session moved along, both the offense and defense looked sharp in skeleton drills.

"The execution when we got together on both sides of the ball was very good," stated Kruczek. "The kids were being where they are supposed to be. We have so much to put in with a lot of young kids — wide receivers, running backs, tight ends, even linebackers — I was pleased to see for the most part with the installation that it was done correctly."

The morning workout ended for the Golden Knights with a 10-minute conditioning period as each position unit ran as a group around the practice field.

"I had a little surprise for them at the end of practice and I think I made my

Brewers sign Weeks

Special to the Herald

The Milwaukee Brewers have agreed to terms with infielder Ricky Weeks, their first choice in the 2003 First-Year Player Draft, it was announced Tuesday by director of scouting Jack Zduriencik.

No terms were disclosed, but according to mlb.com, the former Lake Brantley High School football and baseball standout agreed to a major-league contract that includes a \$3.6 million signing bonus and guarantees \$4.8 million through 2007, even if he never plays for the Brewers. He will earn from \$5.1 million to \$5.3 million over the life of the contract if he does make the majors.

Weeks, 20, was the second choice overall in the Draft. He is the son of Richard and Valerie Weeks of Altamonte Springs and attended Southern University in Baton Rouge, Louisiana. A right-handed hitter, Weeks is 5-foot-11, 195 pounds and was born Sept. 13, 1982. Weeks has been added to the Brewers 40-man roster and optioned to Maryvale, the Brewers affiliate in the Arizona Rookie League, where he was to have reported on Wednesday to begin his professional career.

Signing Weeks to a major-league deal allows the Brewers to spread payments over several seasons, but it also means Weeks runs out of minor-league options in three years.

Zduriencik wants Weeks to play at Miller Park (the new home park for the Major League Brewers) on Aug. 14 when Beloit will face the Wisconsin Timber Rattlers in the first minor-league game played at the 3-year-old park.

Had he not signed this week, the Brewers were going to consider shifting negotiations to a contract beginning in 2004.

Now Weeks, the only player among the top four draft selections to have signed, will get to play for several weeks this season.

The minor-league season concludes at the end of this month, but Beloit is in first place in the Midwest League and could make the playoffs.

Since the draft, Weeks has earned numerous accolades including the prestigious Golden Spikes Award as the best amateur player in the United States. He was also named the Baseball America College Player of the Year and earned the Dick Howser

See Weeks, Page 13

Photo courtesy of Southern University, Baton Rouge

Lake Brantley graduate Ricky Weeks (above) signed a Major League contract with the Milwaukee Brewers on Tuesday. The two-time All-American second baseman for Southern University was successful in all 31 of his stolen base attempts this season and was 68-for-69 in his career.

Photo courtesy of Southern University, Baton Rouge

After hitting .422, .495 and .479 in three years at Southern University, leading the nation the final two years, Lake Brantley graduate Mike Weeks ended his college career with an NCAA Division I record .473 batting average when the two-time All-American second baseman and No. 2 selection in the 2003 Major League First Year Draft signed a contract with the Milwaukee Brewers on Tuesday.

Weeks

Continued from Page 12

Trophy from the National Collegiate Baseball Writers Association.

In their rankings of the top 100 prospects, Baseball America ranked him first among college players as the best athlete, best five-tool talent and best pure hitter, and he ranked second as the best power hitter and fastest baserunner.

"We are pleased to conclude our negotiations with Rickie and his representatives," said Zdzienicki. "He is a tremendous talent who can now begin his journey to Milwaukee."

After batting .422 (78-for-185) as a freshman with 14 home runs, 12 triples, 78 runs scored and 70 RBI, Weeks really made the scouts start to take notice during his sophomore season.

As a soph for the Jaguars, he hit a mind-boggling .495 (98-for-198) with 82 runs scored, 20 home runs, 12 triples, 96 RBI and a whopping .995 Slugging Percentage.

Weeks led all college hitters for the second consecutive season with a .479 average (78-for-163) in 2003 for Southern. For good measure he also had 16 home runs, seven triples, scored 83 runs and drove in 66 as a junior.

He set a NCAA Division I mark with a career .473 average (254-for-536). The two-time All-American second baseman was also successful in all 31 of his stolen base attempts this season and was 68-for-69 in his career.

He was named the Southwestern Athletic Conference's (SWAC) Most Outstanding Hitter and was the unanimous selection for the Conference Player of the Year for the second consecutive season.

Among his accomplishments while at Southern University were:

- 2003
 - Golden Spikes Award Recipient
 - Rotary Smith Award Recipient
 - Dick Howser Award Recipient
 - Baseball America Player of the Year
 - LSWA (Louisiana Sports Writers Association) Top Collegiate Baseball Player of the Year
 - ABCA (American Baseball Coaches Association) / Rawlings All-America Team Player of the Year
 - Ranked #1 in NCAA Division I-A in batting average, 17th in Triples, 18th in RBI and 29th in Home Runs per game
 - Named to USA Today Sports Weekly's First Team All-America
 - Leads SWAC in Batting Average, Runs

Scored, hits, Triples, Home Runs, Total Bases, Walks, Hit by Pitch, Slugging Percentage and On Base Percentage.

• SWAC Preseason and Regular Season Player of the Year, 1st Team All-SWAC, SWAC Tournament MVP

• Two-time SWAC Player of the Week, SWAC Tournament All-Tourney

• Baseball America Preseason 1st Team All American

• Baseball America's Preseason Player of the Year

• Collegiate Baseball Preseason 1st Team All-American

• Baseball America's pick as Mid-Season Player of the Year

• Golden Spikes Award Finalist

• Rotary Smith Award Semi-Finalist

• Projected #1 in June's MLB Draft

• Louisiana Sports Writers Association Player of the Week

2002

• Ranked #1 in NCAA Division I-A in Batting Average, Slugging Percentage, RBI and Triples

• Ranked 14th in Home Runs

• SWAC Preseason and Regular Season Player of the Year

• 1st Team All-SWAC

• Two-time SWAC Player of the Week

• SWAC Tournament MVP and Most Outstanding Hitter

• Baseball America Preseason and regular season 1st Team All American

• Collegiate Baseball Preseason and Regular Season 1st Team All American

• Baseball America's pick as "Best Sophomore in the Nation"

• Rotary Smith Award Semi-Finalist

• Member of USA National Team, hitting .273 with two doubles, three triples, two home runs and 14 RBI...His 3 triples tied him for USA Team lead.

2001

• Ranked #1 in NCAA Division I-A in Triples per game

• Ranked 19th in Batting Average, 19th in RBI, 4th in Runs Scored and 4th in Slugging Percentage

• SWAC Freshman of the Year

• 1st Team All-SWAC Outfielder

• Louisville Slugger Freshman All-American Team

• 3rd Team All-America

• Member of the USA National Team

While at Lake Brantley Weeks was a stand-out defensive back for coach George Clayton's football team and was a Class 6A All-State player for coach Mike Smith's Patriot baseball team.

Volusia Sheriffs take on New Smyrna Speedway

From Staff Reports

A very special guest will be the Grand Marshall tonight (Saturday) at New Smyrna Speedway for the Sheriff's Annual School Bus Race which benefits the Florida Sheriff's Youth Ranches. Florida's Attorney General Charlie Crist has accepted the invitation to be the Grand Marshall.

Crist believes that this will be a great opportunity for everyone to come together and show support for their local law enforcement. Without the Sheriffs and their support, there would be no Florida Youth Ranches.

New Smyrna Speedway is honored to help not only the local law enforcement but the children of the state of Florida who benefit from the Youth ranches.

Also on the schedule will be heats and features in the FASCAR weekly racing divisions of Super Late Model, Late Model, Open Wheel Modified, Mini Stock, Super Stock and Strictly Stock.

New Smyrna Speedway is located in Samsula at the intersection of SR44 and SR415 between I-4 and I-95, eight miles west of New Smyrna Beach. Grandstands open at 6 p.m. with racing action slated for 7:30 p.m.

Last Saturday (Aug. 2) rain seemed to be all around the track but only a few light sprinkles fell. But with the threatening weather, heat races were dropped for the night and features only were run.

Thirteen mods qualified for the Joe Middleton Memorial Pro Mod race. Due to the end of summer and school beginning shortly, alot of the regular Pro Mod drivers were on vacation thus the small field. But the ones who came, put on a great show. D. J. Hoelzle of Dunedin, Florida set fast time with a 18.724 followed by Jerry Symons with a 18.856. But it was Larry Osteen who sat on the pole for the 50 lap event.

Before the race could even begin good, the yellow was blown for Alan McCafferty and Mark Vandevender and Larry Osteen who had all tangled in turns 1 and 2. Both McCafferty and Vandevender were done for the night with both being taken in on the hook. Osteen was able to make repairs and return to the track. Jim "Hoot" Flynn also had problems with his No. 57 mod but was also able to return to racing.

On the restart, it was Jerry Symons, Tank Tucker, Jason Boyd, D.J. Hoelzle, and Skip Honaker in the top five. By lap 2, Hoelzle had moved into third putting Boyd fourth.

Lap 9 saw Brad May off the track as Symons lead the way. Hoelzle had worked his way to second followed by Boyd, Tucker and Honaker.

On lap 12, Hoelzle was going down the backstretch when a lap car suddenly jumped into his path. With no where to go, Hoelzle hit the wall. Hoelzle was fine but his No. 8 was done for the night and his hopes for taking over the points lead in the Pro Mod series.

On the restart, it was Symons, Boyd, Tucker, Osteen, and Honaker. On lap 31, Osteen suddenly slows on the backstretch coming over turns 1 and 2 and goes into the back pit entrance, also done for the night.

No more cautions it was Jason Boyd trying to pass Jerry Symons but just could not get up the steam. Symons took the checkered followed by Jason Boyd, Tank Tucker, Skip Honaker, and Jim "Hoot" Flynn.

WAYNE ANDERSON TAKES SUNBELT SUPER LATE MODEL WIN

Wayne Anderson won the FASCAR Sunbelt Super Late Model Series 125 Friday night (Aug. 1) at Orlando Speedworld notching his first Sunbelt win this season on what proved to be a one lane freight train type race on a slick track.

"This was a good run for us after a one lap practice and it just felt great," said a sweltering Anderson, downing a Gatorade. "I've been experimenting with a new car, but haven't gotten it quite ready."

Anderson, driving the Air Frame International car held off several quick charges by father Dick Anderson in his Country Joe Racing ride, who finished second. Michael Williams, the 2002 FASCAR Sunbelt Series champion finished third in the South 40 Motorsports car.

The next FASCAR Sunbelt 125 will be Oct. 17 and Oct. 18 at USA International Speedway in Lakeland.

SPEEDWORLD SATURDAY SHOW BOWS TO WEATHER

With a great field of cars set for action in the Saturday Spectacular II, the rains that had missed Orlando Speedworld all day finally set in during the early evening and forced track management to cancel the show around 8 p.m.

The Classic Cars, Mod Lites, Bandereros, Pro Challenge, TQ Lite Models, Mini-Cup and Legends Cars will return for another try on Saturday, September 6th.

Lytle

Continued from Page 12

scored 40 runs and has stolen 16 bases in 18 attempts this season for the defending SAL champions, who won the first half title this season and are in first place in the second half with a 27-18 record, good enough for a two-game lead.

After a highly-successful junior year at Georgia, Lytle, the son of Charlie and Brenda Lytle of Lake Mary, decided to sign with the Pittsburgh Pirates despite not being taken until the 42nd round of the 2002 First Year Draft.

But it appears he made the right decision as he hit .292 (56-for-192) in just 46 games last summer for the Williamsport (N.Y.) Crosscutters of the Class A New York-Penn League. He also had two doubles, scored 22 runs and drove in 12 while being successful in 14-of-20 stolen base attempts.

Two of Lytle's former High School and legion teammates are also having impressive seasons.

Baltimore Orioles farmhand Tim Raines Jr. is batting .294 (47-for-160) in 40 games for the Triple-A Ottawa Lynx. He also has five doubles, three triples and a home run, while driving in 12 and scoring 23. For good measure the son of former Major League star Tim Raines also has 16 steals in 24 attempts since his recall from Class AA.

Montreal Expos farmhand Clyde "C3" Williams has also made a turnaround

Photo courtesy of the Hickory Crawdads

Former Seminole High School star Chaz Lytle moved into the Top 10 in the South Atlantic League in hitting during July and was carrying a .306 average, good for No. 6 in the SAL, and had 87 hits in 81 games for the league-leading Hickory Crawdads, a Class A Farm Team of the Pittsburgh Pirates, heading into Thursday.

after a couple of rough seasons. Going back to the batting stance that made him a hitting star in his teens, Williams is hitting just .225 (69-for-306) for the Brevard County Manatees of the Class A Florida State

League, but his power has returned. Through Wednesday's games, the left-handed-hitting first baseman had 14 doubles, three triples and 13 home runs to along with 30 runs scored and 39 RBI.

UCF

Continued from Page 12

point," added Kruczek. "Overall, I thought the practice went well."

The Silver Anniversary season of UCF football officially began Wednesday with newcomers and veterans reporting to preseason camp. It was the first day newcomers got the opportunity to move into their new dorms while also getting fitted for equipment.

The first game on the 2003 schedule for UCF is August 31 when they venture to Blacksburg, Va., to face No. 10 Virginia Tech on ESPN.

The NCAA has instituted several changes on how preseason practices will be conducted.

In the past, two-a-day practices were conducted from the outset of practice, however the NCAA has given players more time to get acclimated to the start of preseason camp.

After reporting to campus, players will have five days of individual practices lasting no longer than three hours each session. Two-a-day practices are allowed but not on consecutive days. Additionally, players cannot practice for more than five hours each day.

UCFathletics.com will have complete coverage of preseason camp with daily practice reports.

Briefs

UCF FAN FEVER

The UCF Sports Marketing Department invites all fans to attend Fan Fever Day (also known as Media Day) on Sunday, August 10th beginning at noon at the Citrus Bowl.

This FREE event allows fans to meet and greet the coaches and team, get autographs, receive a free 25th anniversary commemorative football poster and watch as the pennants are raised on the Citrus Bowl to signify the coming season.

UCF season ticket holders will be treated to refreshments under a tent complete with a red carpet. Athletic ticket personnel will be on hand to

answer questions about becoming a season ticket holder. You can see firsthand where your seat will be for the 2003 season.

RAGE FOOTBALL

Open try-outs for the Orlando Rage Minor League (Semi-Pro) Football Team are set for Sunday, August 10th, 17th and 24th.

Try-outs are open to any person over the age of 18.

Registration begins at noon at Colonial High School in Orlando.

All perspective RAGE Players must pay a \$50 registration fee and be prepared to perform a series of speed, strength, agility and endurance tests.

For more info contact Chris at

CMorrison@OrlandoStarZFootball.com or Randy at 407-325-1436 or check out the website at www.OrlandoRage.com.

SANFORD LITTLE LEAGUE FALL BASEBALL/SOFTBALL

Sanford Little League will be holding registration for Fall League play for Boys and Girls ages 5-to-16 August 9th, 10th, 16th, and 17th at The Walmart Supercenter in Sanford from 10 a.m. to 4 p.m.

For details call 407-755-2006.

CROSS COUNTRY

The annual Lake Mary Summertime Cross Country Run will once again kick off the Cross Country season when the popular event is run on Saturday, August 30th.

The race will be run at the Lake Mary Cross Country Course (located behind Lake Mary High School) with the day beginning at 7 a.m. with Late Registration. Racing begins at 8 a.m.

The race is not an official high school event and no team may run under a school name, although the event is geared for the 14-to-18 age groups.

Age groups are 10-and-Under, 11-to-13, 14-to-18, 19-to-29, 30-to-39, 40-to-49, and 50-and-Over. All seven Age Groups have both Male and Female divisions.

All first place finishers in each two mile race age group (all except 14-to-18's, both male and female) receive medals with ribbons going to the second through 10th place finishers.

There will be 5K races for the 14-to-18 boys and girls with medals going to first through 20th place finishers and

ribbons going to 21st-through-75th place.

The cost to enter is \$3 per person prior to Monday, August 25th and \$5 on the morning of the race, runners under the age of 18 must have a parent or guardian sign a waiver to register on race day.

A separate entry must be sent each runner and each runner under 18 must have a signed waiver. A different team name must be used for each team of five to seven runners, both male and female, in the 14-to-18 age groups.

The race day time schedule is as follows:

- * 7 a.m. - Late Registration.
- * 8 a.m. - 2 Mile run, 19-and-Over and 13-and-Under (both male and female).
- * 8:30 a.m. - 14-to-18 Girls Race (5K).
- * 9:15 a.m. - 14-to-18 Boys Race (5K).
- * 10 a.m. - Awards Ceremony.

Additional information can be obtained by calling 407-333-2370. Information and entry forms can also be obtained on www.flrunners.com. Integrity, responsibility, courteous behavior and discipline. More information on the organization can be found at www.tee-logolf.com

NOTICE OF AGENCY ACTION TAKEN BY THE ST. JOHNS RIVER WATER MANAGEMENT DISTRICT

Notice is given that the following letter modification was issued on June 11, 2003.

Buffalo-Cassberry Business Trust & Buffalo-LH Business Trust, 8441 Cooper Creek Boulevard, Bradenton, FL 34201. Permit # 40-117-21838-2. The project is located in Seminole County, Section 28, Township 21 South, Range 30 East. The permit authorizes a SURFACE WATER MANAGEMENT SYSTEM ON 25.17 ACRES TO SERVE a commercial project known as Lake Howell Square. The receiving water body is Lake Howell.

The file(s) containing the application for the above listed letter modification is available for inspection Monday through Friday except for legal holidays, 8:00 a.m. to 5:00 p.m. at the St. Johns River Water Management District (District) Headquarters, 4049 Reid Street, Palatka, FL 32178-1420. A person whose substantial interests are affected by the District permitting decision may petition for an administrative hearing in accordance with sections 120.569 and 120.57, Florida Statutes, or may choose to pursue mediation as an alternative remedy under section 120.573, Florida Statutes, before the deadline for filing a petition. Choosing mediation will not adversely affect the right to a hearing if mediation does not result in a settlement. The procedures for pursuing mediation are set forth in section 120.573, Florida Statutes, and rules 28-106.111 and 28-106.401-404 Florida Administrative Code. Petitions must comply with the requirements of Florida Administrative Code Chapter 28-106 and be filed with (received by) the District Clerk located at District Headquarters, Highway 100 West, Palatka, FL 32177. Petitions for administrative hearing on the above application(s) must be filed within twenty-one (21) days of publication of this notice or within twenty-six (26) days of the District depositing notice of this intent in the mail for those persons to whom the District mails actual notice. Failure to file a petition within this time period shall constitute a waiver of any right(s) such person(s) may have to request an administrative determination (hearing) under sections 120.569 and 120.57, F.S., concerning the subject permit. Petitions that are not filed in accordance with the above provisions are subject to dismissal.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the District's final action may be different from the position taken by it in this notice of intent. Persons whose substantial interests will be affected by any such final decision of the District on the applicant have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

NOTICE OF A PUBLIC HEARING TO CONSIDER THE ADOPTION OF AN ORDINANCE BY THE CITY OF SANFORD, FLORIDA

Notice is hereby given that a Public Hearing will be held in the Commission Room at the City Hall in the City of Sanford, Florida, at 7:00 o'clock P.M. on Monday, August 11, 2003, to consider the adoption of an ordinance by the City of Sanford, Florida, the title of which is as follows:

ORDINANCE NO. 3791

TO ANNEX 59.74(±) ACRES OF PROPERTY LYING BETWEEN ST. JOHNS PARKWAY AND THE CENTRAL FLORIDA GREENWAY AND BETWEEN RINEHART ROAD AND TOWNE CENTER BOULEVARD, AS SHOWN ON THE MAP BELOW.

A complete description and a copy of the ordinance shall be available at the office of the City Clerk for all persons desiring to examine the same.

All parties in interest and citizens shall have an opportunity to be heard at said hearing.

By order of the City Commission of the City of Sanford, Florida.

PERSONS WITH DISABILITIES NEEDING ASSISTANCE TO PARTICIPATE IN ANY OF THESE PROCEEDINGS SHOULD CONTACT THE HUMAN RESOURCES OFFICE ADA COORDINATOR AT 407-330-5626 48 HOURS IN ADVANCE OF THE MEETING.

ADVICE TO THE PUBLIC: If a person desires to appeal a decision made with respect to any matter considered at the above meeting or hearing, he may need a verbatim record of the proceedings, including the testimony and evidence, which record is not provided by the City of Sanford. (F.S. 286.0106)

pressive choices!

Alexandria Place, Lake Forest, Venetian Bay and Saxon Woods - very impressive!

Gated Alexandria Place makes the most of its gorgeous Wekiva River area location just off Rock Springs Road in Apopka. Homes nestle on large homesteads and Florida's lush natural beauty is as close as the West Orange Bike Path. Morrison Homes is currently building in award-winning Lake Forest, a master-planned community with glorious surroundings of towering pines & elegant oaks. An impressive, 24-hour manned gate-house opens to an extraordinary 538-acre wooded community and 70-acre boat-stocked lake! Venetian Bay is a gated community directly across from beautiful Lake Monroe and only minutes from Sanford's Historic District. Saxon Woods is a charming gated neighborhood surrounded by trees and the gentle rolling hills of DeBary to the south and bustling Orange City to the north. All four neighborhoods feature the peace of mind of our 2-Year Blanket and 10-Year Structural Warranties. Come visit and prepare to be impressed!
