ANNOUNCEMENT

MARCH 10th

To our many friends in Central Florida we jointly announce the sale and purchase of the H. JAMES GUT INSURANCE AGEN-CY by H. James Gut to Clarence L. Powell and Hilda G. Powell

This Agency has been in continuous operation for the past fiftyone years under two managements and has served its Policyholders well during that time. Under the new ownership you may expect the same high type of service and interest, and we jointly ask and hope for the continued support and patronage of

As my individual statement I must confess that the burden of operating the Insurance Agency Business has become too much for me with the pressure of other duties and responsibilities although I have had the effective help of my son James B. Gut which help I gratefully acknowledge and it is with both regret and relief that I surrender these responsibilities with my heartfelt thanks to my friends. I will continue however a friendly int erest and will have my offices and duties at the same location.

H. James Gut

As our individual statement we thank Mr. Gut for offering us the opportunity of buying his business and we intend to try to deserve the patronage of his policyholders and to preserve the good name he has earned over so long a time, we ask your support and solicit your friendship. Mr. Gut will remain with the Agency as a Licensed Agent and without his help we would not attempt to fill his shoes. We have been residents of Seminole County for many years.

Clarence being with the Gulf Life Insurance Company for the past 18 years and Hilda with the First Federal Savings and Loan Association for the past 7 years and already we know many of the Policyholders of the Agency, we hope to know you all personally in the very near future.

Sincerely and Respectfully

Clarence L. & Hilda G. Powell

Other models, in equally, "stun-ning fashions," were Mrs. James Tervilliger, Mrs. Al Lee and Mrs. Mason Wharten

Mrs. Fred transs opened the show by introducing Mrs. Braden who wore a "fur piece" draped over her shoulders. The "fur piece" was fashioned of layers and layers of shredded SANFORD HI.RALD newspapers and her hat had once been a catalog book, The humorous dialogue during the afternoon followed the pattern set in the opening lines when Mrs. Ganas said to Mrs. Braden, "O, my dear, what a lovely neck piece-It should make NEWS!" -and Mrs. Braden modestly admits. "It has my dear, it has!" After the laughter of the show

the party settled down for an afternoon of cards with Mrs. Rosa. Boyle winning the high award in Bridge, Mrs. Mason Wharton won second and Mrs. W. Craig was third in games of Scrabble irs. B F Whitner, Sr., won first

Mrs. George Harden and Mra. Enimett McCall presided over the silver service in the dining room and served coffee, cake and other party refreshments. The table was lovely with a centerpiece of pink tulips and blue tris'. This arrangement was awarded to Mrs. Boyle as the first Bridge prize.

Waterway Supporters Join Hands In Drive

Local supporters of the Sanford-Titusville Canal beseve this project would take Sanford and Seminole County a long way down the road toward economic greatness. They are determined to sell the U.S. Corps of Engineers on the

Rebuiled on the canal late last year, the local group ow is pushing for construction of the Cross State Canal, already approved by the Corps of Engineers. Once this waterway becomes a reality, the Sanford-Titusville Canal will become much more than merely feasible. It will become

John Krider, president of the Florida Waterways Comalittee, was impressed by the solid support given his group ny Florida's delegation in Washington last week. The congressional delegation pledged its support of the primary waterways project in the state, regardless of where they are located.

Krider, manager of the Chamber of Commerce and chairman of the County Commission, said the Cross State Canal is the key to the waterways system in the state. He said that once this canal is completed, other projects will follow. The Cross State project will make others necessary, including the opening of the St. Johns from Sanford to the

Sanford-Titusville supporters envision the "arrival" of anford as a major inland port when barges ply the St. Johns from Jacksonville to the Atlantic, Establishment of a top-notch inland port here would benefit all of Florida, but Central Florida and Seminole County in particular.

In addition to the strictly economic features of the canal, such a development would open the way for wholesale recreation and homebuilding along the St. Johns, The area from here to Titusville now is underdeveloped, Opening of

the stream to navigation would correct this. The Waterways Committee and the congressional deleration are to be commended for their hard work and foresight. They deserve the support of all in their efforts to achieve complete development of the state's waterways.

People Should Decide

Rep. Mack N. Cleveland Jr., Seminole's senior legislator, thinks that the people of Florida should decide the question of whether to close public schools faced with integration. We concur with Cleveland's stand in this matter. Office forward, hands at his collar - ed out and fumbled for the glass called in to explain the assault

Firm Employs 100 **In Research Work**

Seminole County today obtained a new industry which employes about 100 and has an annual payroll of some \$500,000.

The firm is Dynatronics, Inc., of Orlando, an electronics firm. A plant to house the manufacturing and research facilities will be erected by Odham and Tudor on a 10-acre

site one half mile south of Big Tree Road on the east side of Highway 17 92.

The building is scheduled to be ready for occupancy by June 18. Announcement of plans to locate in Seminole County by Dynatronics climaxed four months of TIFTON, Ga.
